

Catch Me If You Love Me Chapter 156

Not only did his condition not alleviate, but instead he tended to get worse, his entire face twisted together in pain, and his body couldn't stop convulsing and trembling.

“Liam?!”

Zoey's face changed swiftly, and he rushed to hug Liam Lu's body tightly, tears crashing down.

She didn't understand why she and Anna Yun could save him the same way, but her blood couldn't?

Zoey refused to give up, seeing how painful he was, he gritted his teeth and took a sharper piece from the side, aimed at Liam Lu's mouth, and cut it hard towards his hand...

Click, click...

More blood fell into Liam Lu's mouth.

Zoey Gu knelt beside him with red eyes, constantly supplying blood to him, and constantly choking to talk to him.

“Liam Lu, please, get well soon!”

“Didn't you ask me, would you like to give you a chance to be your wife again? I am willing!”

“As long as you can get better, I am willing to give you a chance and be willing to be your Mrs. Lu. Let's leave here together and get the certificate when we return to Berven City. Are you OK?”

Her tears mixed with blood and smashed into his mouth together.

Liam Lu lay quietly on the ground.

If it weren't for her chest ups and downs, and her face pale, she would doubt if he was dead.

But gradually, the breathing slowly calmed down, and the fierce blue veins on the hideous face slowly showed signs of cessation.

Upon seeing this, Zoey Gu was overjoyed and squeezed the wound on his hand harder and harder.

She didn't use any force yet, and a big powerful hand caught her hand instantly.

“Zoey...”

Liam Lu opened his eyes swiftly, staring at her with flushed eyes.

The next second, he got up abruptly and pulled her into his arms fiercely, with great strength, but he couldn't express all his emotions.

“Idiot, why are you so stupid?”

He said, lowering his head and holding her injured hand to the front of his mouth, licking and sucking her wound very tenderly to stop her bleeding.

The tip of his tongue seemed to carry a rapid electric current that spread all over Zoey Gu's limbs in an instant.

She trembled slightly, but stared at his face with blushing eyes and choked with relief.

“Great, Liam Lu, you finally...well!”

All the remaining words were swallowed fiercely into his lips and teeth by the man.

How does a man express his unusually turbulent feelings for a woman?

K!ss her.

Presumptuously, k!ss her fiercely!

Outside the door, Xiao Lan, who didn't know, stood against the wall all the time, for fear that the June that annoyed Liam Lu would be choked to death by him!

After a long time, I couldn't help but turned sideways and knocked on the door cautiously.

“Second Young Master...June is a newcomer who is ignorant. You have a large number of adults. Don't worry about her.”

Little did she know that the situation inside the door was not exactly what she thought.

Zoey Gu was pressed and k!ssed by Liam Lu for a long time, until he was short of breath and almost suffocated, and he could not let her go.

But the next second, he k!ssed again.

After so many times, Zoey Gu finally couldn't bear it, blushing and pushed him hard.

“Liam Lu, Xiaolan is outside!”

She glanced outside and reminded him breathlessly.

At this moment, the pain in Liam Lu's body has disappeared, and the hideous look on his face has faded.

After recovering, he kept buckling her waist to prevent her from leaving for half a step, staring at her scorchingly, and a dumb voice approached her ears.

“Do you know what I want to do most now?”
