

Chapter 1561: A Meeting

What newlyweds? What children? It's so far away.

She and Lu Fan haven't...

Thinking back to that night when he forced himself on her, she still hated him.

Ou Xuyan's thoughts were running wild. At this time, a tall and straight figure appeared by the door. Lu Fan came out, followed by Pu Tao. Pu Tao followed Lu fan like a follower, totally acting like his fan.

Lu Fan wanted to go directly to the army, but he saw Ou Xuyan standing outside stupidly. Her expression was not right, and he immediately frowned. "Why is your face so red?"

"Ah?" Ou Xuyan did not know that she had been caught. Thinking of Mrs. Hai's words, she did not dare look directly at him. "I, I feel hot."

Hot?

She actually said that it was hot in such cold weather. That was either a lie, or she wasn't paying attention. Lu Fan sniggered.

He was looking down on her, and Ou Xuyan immediately wanted to leave. What kind of attitude was that? He always looked at her like she was an idiot—what a bastard.

"I'll go to the army first," Lu Fan said and then left with Pu Tao.

Ou Xuyan looked at his arrogant back and wished she could go up and kick him.

"Mrs. Lu, I think Chief Lu's physique is really good. He wouldn't need to eat bulls p*nis..." Mrs. Hai was gossiping again.

Ou Xuyan looked at the man. He walked with a fierce and swift aura. His two long legs were very imposing when he walked. His figure was so strong that there was no fat at all. He was completely like a runway model...

Wait a minute, what was she thinking about?

Ou Xuyan patted her little head with her hand. Oh my god, she was actually listening to Mrs. Hai.

Mrs. Hai still wanted to say something, but Ou Xuyan quickly begged for mercy. "Mrs. Hai, I haven't had breakfast yet. I'll go in first. We'll talk again when I'm free."

...

The news of Lu Fan waking up late quickly spread in the army. Yi Qiaoqiao was so angry that she pressed her nails into her palms. Why? She had initially wanted to separate Lu Fan and Ou Xuyan, but now it seemed that she had helped the two of them get together instead.

She had made a fool of herself.

She liked Lu Fan so much. If Ou Xuyan hadn't suddenly appeared, she might have married Lu Fan right now. That Ou Xuyan would have been an extra.

Yi Qiaoqiao walked down a small alley. She was really too sad and angry.

At this time, a stone suddenly hit her knee. "Ah!" She cried out and fell to her knees.

Then, another stone hit her right cheek. She quickly covered her mouth with her hand. She could taste the blood in her mouth.

"Who, who is it?" Yi Qiaoqiao went to find the person who ambushed her.

But the surroundings were quiet. No one could be seen.

Yi Qiaoqiao was crying in pain. She felt that her face was swollen. She struggled to stand up and ran to find her father, Yi Shizhang.

...

Ou Xuyan was in the house. At that moment, there was a knock on the door. Someone was knocking on the door.

"Coming." She walked to open the door.

Two soldiers stood outside the door. "Is that Mrs. Lu? Good morning. Yi Shizhang sent us to invite you over. Are you free now?"

Ou Xuyan's expression did not change. She nodded. "I'm free."

The two soldiers brought Ou Xuyan to the Division Commander's office. There were sounds of crying inside. Yi Qiaoqiao sat on the chair and covered her face as she wept. Division Commander Yi was consoling her.

"Reporting to Division Commander, Mrs. Lu is here."

"Okay, the two of you may leave."

After the two soldiers left, Ou Xuyan said, "Division Commander Yi, may I ask why you invited me over?"

Chapter 1562: Bold Confession

"Ou Xuyan, you still have the cheek to ask why we are looking for you for? Look at my face. Were you the person that attacked me?" Yi Qiaoqiao was the first to question before Division Commander Yi could say anything.

Ou Xuyan's expression did not change. She looked at Yi Qiaoqiao coldly. "You are accusing me now. Do you have any evidence?"

"Evidence? Do I need evidence? You must have used a pebble to attack me!"

"Miss Yi, what did you do to make me attack you?"

"I!" Yi Qiaoqiao quickly shut up. She realized that she had almost let the cat out of the bag. Ou Xuyan had set a trap for her to fall into.

Yi Qiaoqiao's expression had already betrayed her. Ou Xuyan sneered and looked at Yi Shizhang, "Division Commander Yi, I can endure Miss Yi's nonsense, but I'm very curious about your attitude. Didn't you notice that your daughter did something wrong? She was gossiping and slandering the chief in private, corrupting the military's ethos and destroying the harmony between husband and wife. Wasn't her behavior asking for punishment? I only gave her a small punishment."

Division commander Yi Shizhang, "..."

"Reporting to division commander, Chief Lu is here!"

At this moment, the office door was kicked open, and Lu Fan walked in with a dark face.

The moment his tall and straight figure appeared, the office immediately felt a sense of oppression. His narrow eyes first swept across the father and daughter, then fell on Ou Xuyan.

"Chief Lu, you can be the judge. Miss Ou hit me with a pebble. I..."

"Miss Ou? Please watch your words. She is now Mrs. Lu!" Lu fan interrupted Yi Qiaoqiao's words without giving her any face.

Yi Qiaoqiao was stunned, and then her eyes turned even redder. She looked at Commander Yi with a wronged expression. "Daddy."

Commander Yi was also in a difficult position. He knew that Qiaoqiao liked Lu Fan. He initially also wanted Lu Fan to be his son-in-law, but Lu Fan did not have that intention at all., moreover, he had already vaguely felt that the disturbance this time had something to do with his daughter.

Lu Fan immediately spread his long legs and came to Ou Xuyan's side. Then, he stretched out his large palm and wrapped it around her soft little hand. He frowned and asked, "No one is bullying you, right?"

This sentence was like a small stone thrown into her lake of heart, and it created ripples after ripples. Did he... rush over to support her?

Actually, she was alright. She could deal with it. In her eyes, Yi Qiaoqiao was very stupid. She was easy to deal with. Moreover, she had been very independent since she was young.

But now, her small hands were wrapped in his wide palm. His warm body pressed against her slightly cool skin, making her feel warm. Her watery eyes were as bright as the stars. "I'm fine."

She shook her head gently.

Lu Fan's tightly knitted eyebrows finally relaxed.

"Lu Fan, this matter is just a small misunderstanding. Since you two have reconciled, and Qiaoqiao's situation isn't a big problem, let's just forget about this. You can leave now." Division Commander Yi Shizhang tried to smooth things over.

Lu Fan looked at Division Commander Yi and then looked at Yi Qiaoqiao. He moved his thin lips. "You like me?"

This sentence made everyone present freeze.

Ou Xuyan's heart tightened. She had never expected Lu Fan to say such a thing. What did he mean? Could it be that he had the same feelings for Yi Qiaoqiao?

As long as she thought of the possibility that he liked Yi Qiaoqiao, Ou Xuyan's heart felt uncomfortable, as if it was sour.

Yi Qiaoqiao's watery eyes quickly revealed a hint of joy. She looked at Lu Fan with full of hope, "Chief Lu, I do admire you.. Not only are you like the God of War in our army, but you are also the hero in my heart. In my opinion, no man in this world can compare to you!"

Chapter 1563: I, Lu Fan, Will Only Have One Wife In This Lifetime

Yi Qiaoqiao confessed her love boldly.

Ou Xuyan was about to vomit. Yi Qiaoqiao was too brazen. No matter how good of a man Lu Fan was, he was still a married man, okay? Did she treat her, the real Mrs. Lu, like air?

"You worship me, is your business. That has nothing to do with me. I'm already married and have no intention of getting a divorce. I, Lu Fan, will only have one wife in this lifetime," Lu Fan said coldly.

Ou Xuyan's heart skipped a beat. What... was he talking about?

Only one wife in his entire life?

"So, you better give it a rest. If you cause any more trouble for us husband and wife, even Yi Shizhang won't be able to protect you. That's all. We'll take our leave."

Lu Fan held Ou Xuyan's hand and left.

...

When they walked out of the office door, Ou Xuyan heard a loud cry from inside. It was sad and desperate. Yi Qiaoqiao was crying, and Yi Shizhang was panicking, but Ou Xuyan was not at all interested in the pair of father and daughter.

She followed behind the man. The man held her little hand tightly and did not let go. She stared at the back of his head. His hair was neatly trimmed and clean. There was an inexplicable sense of military sternness.

Ou Xuyan felt sweet in her heart. were all soldiers like him? They were just and upright. They did not have any ill intentions. It made people feel extremely at ease.

The corners of Ou Xuyan's lips curled up quietly.

The two of them returned to the house. Ou Xuyan quickly withdrew her small hand. She lowered her small head and ran into the kitchen. "I'll cook for you."

Lu Fan looked at her dainty back, and his strong facial features softened.

Ou Xuyan, who was in the kitchen, was in a dilemma. She looked at the bulls p*nis in the basin and thought of what Mrs. Hai had said. She simply could not look at the bulls p*nis straight and didn't know how to make this. Her culinary skills were not good to begin with, and this seemed to be dripping with blood. She didn't dare to make a move.

She was thinking about how to deal with the bulls p*nis. She shouldn't waste food in the army. Should she give it to Mrs. Hai?

But if she gave it to Mrs. Hai, Mrs. Hai would probably laugh at her again. She really couldn't handle Mrs. Hai's gossip and teasing.

"What are you thinking about?"

At this time, a low voice suddenly rang in her ear. Ou Xuyan was shocked. She turned to look at the man in panic, but with a "bonk", she bumped into the man's arms.

He was very close to her. The moment she turned around, the two of them bumped into each other. She was petite and he was tall. It was as if she had fallen into his arms.

"I'm sorry..." she retreated a little in panic, but there was the kitchen counter behind her. She was about to crash into it.

"Be careful!" At this moment, a muscular arm reached out and grabbed her slender waist, pulling her into his arms.

The two of them were still stuck together. Ou Xuyan raised her small head and looked at his handsome face in panic. Her small face flushed red. "I, I, I..."

Lu Fan looked at her rash appearance and frowned unhappily. "Stuttering?"

Ou Xuyan, "..."

Only then did she realize her unusual behaviour. Why did she have to make herself into such a mess? Look at how steady he was. She immediately pouted her moist red lips. “Why are you standing behind me without saying anything? You scared me!”

“I see that you’re not that timid. Otherwise, why would you dare to throw a pebble at Yi Qiaoqiao?” Lu Fan narrowed his eyes.

Speaking of this topic, Ou Xuyan immediately raised her willow-like eyebrows. “Did it make your heart ache?”

Lu Fan didn’t say anything.

Ou Xuyan felt uncomfortable again. “She just boldly confessed to you. Why didn’t you accept her? You rejected her so stiffly.. I saw that she was crying very sadly.”

Chapter 1564: The End

“Ugly girl, I know you want to laugh. If you want to laugh, then laugh,” Lu Fan said with raised eyebrows.

Ou Xuyan, “...”

“Who wants to laugh? Stop speaking nonsense!”

“You are secretly happy that I rejected Yi Qiaoqiao. Don’t try to say one thing and while thinking of another. If you do that, I will despise you.”

“You!” Ou Xuyan pouted her red lips in anger.

Fine, she’d admit that she was indeed very happy that he rejected Yi Qiaoqiao. Moreover, she felt that he was cold to other women and did not give them any face at all. Although such a man’s EQ did not seem very high.., but... she liked it.

Lu Fan reached out two large palms and held her small face, forcing her to look at him. “Ugly girl, you like me?”

Ou Xuyan’s heart skipped a beat. What was he saying? Did she like him?

“I don’t...”

“Since you don’t, then why are you jealous? Don’t tell me you’re not jealous. I have my own eyes.”

Since he had already said that, what else could she say? Was she jealous? It seemed like... she did like him a little bit. She just didn’t like other girls liking him.

At this moment, her vision turned dark, and her lips turned soft. The man lowered his head and kissed her.

Ou Xuyan's eyes widened in shock. "What... what are you doing?"

"Kissing you."

Of course, she knew that he was kissing her, but why did he suddenly kiss her?

Lu Fan looked at her silly look and chuckled. Then, he kissed her again.

Their breaths intertwined. Ou Xuyan felt her heart beat faster. She reached out her small hand and pushed his broad chest. She protested softly, "Lu Fan, don't be like this."

Lu Fan used his fingertips to caress her little face. "You're my wife. I can do whatever I want!"

"But, it's not right for us to be like this. Didn't you... dislike me?"

Lu Fan immediately frowned. "Who said that?"

"When you were young, you burned my hair..."

"That's because I wanted to attract your attention."

"..."

"Ugly girl, I have a secret to tell you. Do you want to hear it?"

Ou Xuyan's eyes lit up. "What secret?"

"If you take the initiative to kiss me, I'll tell you."

Why was he like this? She didn't want to kiss him, but she was very curious about his secret. Anyway, he had already kissed her, so she tiptoed and gently kissed his lips.

She retreated. "Is that okay?"

"Mm, then I'll tell you this secret. Listen well, ugly girl. I like you. I've liked you for a very, very long time. I've always wanted to marry you."

Ou Xuyan's heart raced. He said that he liked her, and he had liked her for a very, very long time?

Lu Fan lowered his head, kissed her delicate little face, and then kissed her hair. Finally, he stretched out his two strong arms and hugged her tightly in his arms, "Ugly girl, my dear ugly girl, do you know how many years I've waited for you? I've always stood by your side, always dreaming that one day you would turn around and see me. Now, my dream has come true. You've become my wife. I'm serious. I, Lu Fan, will only have one wife in my entire life. So, Ou Xuyan, I love you!"

He loved her?

He loved her!

Ou Xuyan felt her nose turn sour. Then, her beautiful eyes turned watery. She slowly reached out her small hands and hugged his muscular waist. At this moment, the setting sun fell on them through the window, and everything was beautiful.

“Lu Fan, I accept your confession. At the same time, I have something to tell you. I’ve gradually realized that I seem to have fallen in love with you too.”
