Chapter 1562

Elden, who was following Kraig, couldn't help but choked up: "..."

And Kraig also turned red under her eyes.

I saw that Dalia, who was holding her pregnant belly in a ragged, half-ragged body, was led in by Xin Wan like a dog.

Her neck, along with her wrist three-wire serials, were all tied by chains.

The end of the iron chain was held in Xin Wanruo's hand.

Xin Wanruo had just been placed in front of Kraig by Tian Xin. When she was worried that she couldn't control Tian Xin, she saw with sharp eyes why she had the right to lead Dalia in outside the villa.

She ran out like a dash, and came to Hu Quan: "Give me the person, the Lord's complexion is not very good."

At this time, He Quan still listened to Xin Wanruo's words very much.

He thought Xin Wanruo had friendship with Kraig.

At the moment when he handed the iron chain to Xin Wanruo, why should he have the right to please Xin Wanruo: "Miss Xin, you...you have to give me a good word in front of the lord, this iron chain is my

five Minutes ago, I just untied it from the dog that was on a leash in another neighbor's villa, and held it to the Lord in this way to ensure that he was happy.”

Xin Wanruo felt that too.

She immediately led Dalia, and said in a triumphant tone to how entitled: “I know! But you have to take care of your sweetheart, her heart is not on you.”

As he spoke, he led Dalia into the villa.

At this moment, Kraig finally saw his Ah Shan.

The very sensible woman who has been with him for seven or eight years, and who has served him like an emperor for seven or eight years.

Not seeing her for half a month, she has really changed a lot.

On her face, there is no longer the desire for survival that was 20 days ago, and the expression of the kind that was 20 days ago, although life is very hard, but she is very fulfilled, very satisfied, happy, and very happy. .

Dalia at this time was dull.

A face of rebellion came to accept.

Even then, his face was calm and indifferent.

The clothes on her are very dirty.

Her hair is messy.

Only the smiling face was pale.

She hasn't seen her for more than 20 days, and her belly has grown a lot.

Five months, right?

In four months, his Kraig will be a father, and he will see his baby son or baby princess.

But the child's mother...

Kraig was about to say something, but was interrupted by Dalia.

She raised her head and looked at Kraig calmly: "You...this trick is really unique."

"How to talk to Mr. Jun!" At this moment, Tian Xin, who was standing behind Kraig, suddenly shouted angrily.

She is also getting angry.

Because Xin Wan had robbed her of the limelight, she took the first step outside and brought Dalia over.

Tian Xin knew that Xin Wanruo and Kraig had old friendships.

And Tian Xin, when she saw Kraig for the first time, and she didn't know Kraig, if she wanted to take this opportunity, she flew out of the jurisdiction of her right, and flew into Junjing. In the arms of a man who is so tall, handsome, brave, and capable of crushing to death, she must fight to the death.

Only this time.

Therefore, before Tian Xin waited for Kraig to speak, she suddenly yelled at Dalia: "Do you b!tch! Come in front of the Lord, don't you kneel down obediently!"

At the end of the day, she grabbed the water snake by the waist, twisted her hips, came to Dalia, and kicked Dalia with her feet up.

Dalia knelt on the ground in response.

Not counting that, Tian Xin raised her hand and slapped Dalia fiercely: "You D*mn woman, you really made Mr. Jun easy to find. No wonder Mr. Jun is so angry that things have reached this point now, you Can seduce Boss He, and then seduce Boss Zou, you are really cheap!"

Chapter 1563

“A woman like you, even if the Lord spares you, I can’t stand it!”

“Because you are so embarrassed of our women.”

Even Kraig was dumbfounded by the scolding.

Dalia did not react at all.

She spent two nights and a day in He Quan’s villa. She had tasted the torture of six women in He Quan’s villa.

The six women’s torture to her Dalia is more tricky than what right.

The six women of them, let her kneel on the ground and massage their legs and feet.

Pin her and twist her without moving.

Especially this boss Tian Xin.

During the day before yesterday, when people were not paying attention, Tian Xin still took a pair of pointed-nose pliers and pinched her broken leg to twist it.

Dalia, who was in pain, sat directly on the ground and wailed.

Tian Xin stepped on Dalia’s hair: “Woman, if my man and Xin Wan have an order, they can’t let you die or hurt you, because your body must be saved by Mr. Jun. Scraped.”

“But, I think Mr. Jun is too lazy to shave your legs for a woman like you?”

“Why are you such a woman, why can you be slumbered by the Lord! You slept for almost ten years as soon as you slept! You were pregnant with his child! Why! What is so good about you!”

“You can’t even compare to a tenth of mine!”

“Do you know! I used to be a high-achieving student, I also spent time in the foreign language school, and I used to speak a fluent foreign language, but why I was dumped by a poor boy!”

“And you!”

“A woman like you can stay with the Lord for almost ten years!”

“I hate you!”

“When Lord Lord comes, I must watch as Lord Lord scrapes you piece by piece. By the way, I also have to let you see how I fell asleep by Lord Lord!”

The intense jealousy made Tian Xin’s heart almost too.

She obscured the flesh and blood of Dalia’s thigh.

Dalia, who was in pain, couldn’t sleep all night.

However, Dalia did not resist either.

She knew that no matter whether it was Tian Xin or Xin Wanruo, or what the right, they all had Kraig’s approval.

Without Kraig’s consent, none of them would dare to beat her Dalia.

Therefore, at this moment, even if Tian Xin hit Dalia in the face no matter how much she kicked Dalia to make her kneel, Dalia was numb.

She looked at Kraig with a numb expression: “If you want to get it and shave me, you can do it quickly, but can you let Collin’s mother go because of the relationship between me and you in seven or eight years.”

“Collin has been killed by you guys. How unlucky he is because he saved my life and took care of my pregnant woman, so he has to take his own life?”

“You shouldn’t kill the innocent indiscriminately, right?”

“You shaved me, I agree, I don’t want to live anymore, just beg you to let Collin’s mother go.”

“Please!” Dalia looked at Kraig with dry eyes, begging with a dull voice.

There were no tears in her eyes.

In her voice, no joy, anger, sorrow, and sorrow could be heard either.

Her indifferentness made Tian Xin and Xin Wan look very angry.

It's incredible that Tian Xin picked up Dalia's ear with one hand, and said to Dalia word by word: "In front of Mr. Jun, do you have a voice for you?"

Being picked up by Tian Xin, Dalia half kneeled without kneeling. She dragged her belly with her hands and looked up at Kraig: "Kraig...Kill me."

Tian Xin suddenly dropped Dalia in fright. She stammered and asked: "How dare you call Mr. Jun's name?"

Chapter 1564

Because Tian Xin's words had just fallen, she took a firm kick on her full hip.

This feeling was kicked by Kraig himself.

He used ten times ten strength to directly kick Tian Xin to the root of the wall at the hallway.

At this time, He Quan just came in.

The kicked Tian Xin hit the wall first, then hit He Quan's body, knocking He Quan to the ground.

Because he was in his own home, why had the right to be arrogant, he immediately sat up and cursed: "Who is going to run wild on Lao Tzu's site? There are a few dog-heads waiting for Lao Tzu to kill!"

When his voice fell, he saw the man who looked like an iron tower and wore a navy blue mid-length windbreaker.

The man's gaze was as sharp as a knife, and he looked at what right.

Why did he have the right to sit on the ground in fright, he said incoherent words, without a follow-up sentence: "Jun...Jun, you...when did you come? You... ..You don't notify me either, I'm good...so I can pick you up at the airport...no...no, that...there is no airport in Baihai City."

After saying this, why have the right to go and see Xin Wanruo behind Kraig.

Xin Wan was already scared silly.

Her lips were pale, her legs trembled, and her hands trembled.

Her eyes looked at Elden, the follower behind Kraig in horror.

However, at this moment, Elden had already rushed to Dalia's, kneeling on the ground to help Dalia up, and his mouth was very clear and shouted: "Madam...Madam!"

Xin Wan was taken aback.

He has the right to be stunned.

Tian Xin, who was kicked by Kraig and now bleeding out in her mouth, became an ice sculpture. The blood in her mouth gurgled out and fell on her bright skirt, very bright.

Very beautiful.

But at this moment, Tian Xin couldn't care about her dress and her blood. She didn't even care about the pain. She just whispered:

“You...you shout...call this bltch. ...No no no, what are you calling her?”

“Key!” Elden put the dumbfounded Dalia away, turned his head and came to the frightened He Quan, and stepped on He Quan’s fat belly: “The key!”

What right: “Key, key...key...key? What...what key?”

“The key to Mrs. Lock’s wrist and neck!” Elden roared.

“Key...key?” Why should he have the right to be scared with sweat on his face.

But, he really doesn’t have the key.

He snatched Dalia from Rob’s hands, because he secretly snatched it back while Rob was not paying attention, so he was very hasty until he was almost at the door of his house. He knew that Kraig was here, so he thought of an idea temporarily. Dalia tied it up with a dog chain.

He lives about one kilometer next door to He Quan. He is one of his followers.

This subordinate has two or three big wolfhounds at home.

Why should he have the right to let this chief imprison two or three big wolfhounds in the family first, and then write down the dog chain for him, and he tied Dalia.

After tying Dalia, why have the right to throw the dog chain key into the weeds?

As for which point, he can’t remember anymore.

Where can I find it now?

“! Grass! You! Mom!” Elden was even more angry than Kraig. He lifted his foot and stomped hard on the stomach of How Powerful, and one kick was worse than one kick.

Why does the painful have the right: “Ohhh”.

At this moment, many of He Quan's subordinates were watching outside the entrance.

No one dared to come forward to protect what right.

All the subordinates know this, if he can live in protection, how could he be able to catch it and endure being beaten?

Chapter 1565

All the subordinates looked at the other man behind the man who had beaten He with horror.

The man who wore a navy blue windbreaker, like an emperor.

The extremely noble man was squatting in front of the dog-like woman at this moment.

His generous, dry hand stroked the dirty wrist with a dog chain.

"How about Kraig? Are you...you're still satisfied with the fun?" Dalia suddenly retracted his dog chain's hand.

Her expression was still dull.

There were still no tears in her eyes.

She only stared at her blankly, her tone calm as if she was telling someone else's story: "I... you may never have thought that under the circumstances, under the civilized society, people can still be treated like this?"

"Actually I am used to it."

"When I was very young, my brothers, sisters, siblings all had beds and had their own rooms, but I could only sleep in the aisle."

"Sometimes when they find it boring to play, they will tie me up with a rope and let me learn how to bark on the ground."

"But at that time, I couldn't think of it. One day, I was really tied as a dog, and then I was led to see you."

“This is... the new trick you want to play?”

“I don’t know... Can this stimulate your senses?” Dalia looked at Kraig extremely calmly.

“Ashan...” Kraig’s voice was too dull: “I’m sorry, Ashan, I’m sorry, it’s all my fault, I’m late.”

Yubing, she clasped Dalia in her arms.

A man wears an extremely noble windbreaker, while a woman wears chains around her hands and necks.

The woman was even more dirty and ragged.

But the man was like this, he held Dalia in his arms fiercely.

The moment he hugged her, the man cried.

“Ashan, I have never been so timid. I have fought and experienced dangerous situations, but I have never been afraid.”

“But, I’m really scared this half month.”

“I’m afraid I will never see you again, I’m afraid I will be separated from you forever.”

“Fortunately, you are alive, Ah Shan, it is good that you are alive.”

“I’m not dreaming, I’m not dreaming, I finally saw you again, Ah Shan, I heard your voice, I hugged you and broke, this is not dreaming, you are still alive... .”

At this moment, Kraig’s mood is indescribable.

With excitement, with emotion, nothing is enough to describe.

It was as if his life was hanging by a thread, but he survived a catastrophe, and he felt the same for the rest of his life.

Even, he was more excited than the rest of his life.

He hugged Dalia, who was dumbfounded, and turned around and yelled at Elden: "Hurry up and get the tools and cut the chain on Ah Shan!"

At this time, Elden had already walked towards Kraig with a vise.

He was given the vise by his subordinates who had the right to find him, and when he had the right to pass, Elden almost killed him with the vise, but he knew that at this moment, he had to cut off the chain on his wife first.

The vise removed the chain from Dalia's body after three hits and five divided by two.

"It's okay Ashan, it's okay." Kraig patted Dalia on the back.

He said firmly: "From now on you will not suffer any more suffering, go, let's go home, come home with me, Ashan."

Dalia looked at Kraig woodenly: "Kraig, what tricks do you want to play with me?"

Chapter 1566

Kraig said guiltily: "Ashan, I didn't play tricks with you. I never did. Do you believe me?"

Dalia snorted dully, "Is this... possible?"

She raised her head, looked at Kraig without any luster in her eyes, and then at herself.

"I and you are in the sky and on the ground. Just now I was brought to you as a dog to ask for credit. Now you tell me, let me go home with you?"

"This time I use a dog chain, what will I use next time?"

"By the way, where is your wife Elma? She... didn't come with you?"

"Madam, you are the madam." Elden, who had just cut off the chain from Dalia's hand, choked and said.

Dalia dully looked at Elden.

Elden immediately smiled: "Madam, I am Elden. Do you remember me? The first time in the mountains, I let you and Mr. Han. I was Elden who you used to visit my wife on behalf of your lord. Ah, ma'am."

Dalia's face was dumb.

That situation is like a patient in a mental hospital.

Elden: "....."

Dalia returned his eyes to Kraig's body.

Whether it is Elden or Yang Elden, what does it have to do with Dalia?

"Kraig." Dalia was still hoarse and shouted: "Actually, no matter what you do to me and play with me, as long as you and your wife are happy, I have only one request, don't hurt the innocent."

"The old lady is already seventy, let her beg for food. Can you?"

"She has nothing to do with me."

"It was her son who saved me, and then I wished to live with her son. Now her son is dead!"

“Just...” At this point, Dalia’s tears burst into her eyes: “He died in vain in the mountains and plains, and he didn’t even collect his body from him.”

“An old lady, she just doesn’t have the strength to get revenge, let her go and let her fend for herself. Okay?”

“As long as you want, you can do whatever you want with me.”

“I... can also help you figure out a solution.” Dalia’s eyes lit up.

She suddenly saw a way to save her old mother.

“Really Kraig, really, I can help you figure out a way to torture me.”

Maybe from the beginning, they all lived in persecution. She has become accustomed to it. Even the tricks are more inspired than others, right?

Say she is servile?

Said she was domesticated into a slave?

It doesn’t matter.

Suddenly, her eyes flickered brightly, and the unwelcome said to Kraig: “Kraig, you are like this, you...you and your fiancée, you are sitting in the yard, watching I watched my cesarean section. Is this okay?”

“I don’t know if this can solve the hatred between you and your wife?”

Dalia’s words and sentences were nailed into Kraig’s heart like steel nails.

He didn’t refute her, just waited for her to finish.

Because he wants to feel the pain.

Only when he felt the pain did he know what kind of pain his wife, the only woman in his life, was suffering.

Just because he made a wrong decision once, and his mind was hot, his wife died forever, and was tied up as if it were enough.

This kind of pain is dull.

It's boring.

It was so boring that he took out his internal organs and let them dry.

"Ashan." Kraig's voice became hoarse.

He is weak.

However, even if he is powerless, he still has to explain.

Chapter 1567

"You may not believe it, but 20 days ago, I really left you in the Northeast for your happiness and lived with Collin." Kraig said to Dalia very sincerely, word by word.

"You know Ashan, you have been with me for so long. You have always paid for me, and you have always considered my feelings. I have never considered you. I have a guilty guilty to you in my heart, so when I see You smile in front of Collin, even when you are so happy picking up leftovers on the ground, I decided to let go."

"Because I saw you happy and happy in the eyes of your heart."

"I want to do something for you."

"I gave you 11 million, but I just wanted to stabilize you first. I gave you the money and I went back because I was eager to deal with my affairs, and I wanted to hand them over to Arron. , And then I plan to come back to the Northeast."

"I live not far from you, and I plan to not disturb you, your husband, and children for the rest of my life."

"I have no other requirements. I just want to be able to see you in my life, see our children, and see you healthy and healthy, and I will be satisfied."

When Kraig said this, Dalia looked at Kraig dumbly.

Then she laughed.

The smile was weird.

Action like a puppet: “Ha...ha! Haha!”

The laughter shocked Elden behind him.

However, he didn't blame the madam.

After these inhuman tortures, no one can react normally.

Dalia said dryly and hollowly: “Kraig, did you encounter a mudslide on the road?”

Kraig nodded: “Otherwise, I would have been here for you three days ago.”

“Then why didn't you get killed by the mudslide?”

Kraig: “...”

“If you go back again, if you go back and you will die under the mudslide, I will believe what you said.” Dalia said unhurriedly.

Her words shocked the crowd behind her.

Without Kraig's approval, no one dared to leave.

Regardless of the right, Xin Wanruo, Tian Xin, or even the other four women who just rushed back from outside wanting to sneak a glimpse of Kraig's face, and those who have the right.

At this moment, they all looked at Du Huanshan blankly.

This ragged, messy hair, more like a beggar than a beggar, with a big belly, sloppy and sloppy like a dog, she called Kraig's name without fear.

She took a bite of “Kraig”.

It is so natural to shout.

Obviously, they have been shouting over the years, so they are so skilled and natural.

At this moment, there was nothing in their hearts except fear.

At this moment, Kraig said again: "Xiaoshan, you will be happy when I am dead, right? If you can be happy, I can go to be killed by the mudslide."

As soon as this sentence was uttered, the audience became even more astonished as ice sculptures.

Dalia sighed flatly: "It's the same as...I am the queen in this game, Kraig, look back, one of these people present is counted as one, and which one is not treating me like a dog? Yes? These people treat me like this only under your instruction!"

"You tell me now, are you willing to die for me?"

"Don't you think it's ironic?"

Dalia is right. He has fought north and south all his life, and is full of wind and clouds.

Actually, it's a idiot.

Obviously his wife! His woman! But the dogs that live in front of these people are not as good as they are, and they are all instructed by him.

What is he if he is not a stupid?

Kraig stood up suddenly and suddenly shouted, "Elden!"

"Yes!" Elden answered.

"Buried the choppy in this house!" Kraig said.

Chapter 1568

What Kraig said was light and windy, but it scared all the clutter of the house to the ground.

“Master...” Xin Wanruo tried to have a friendship with Kraig: “I did all this on my wife’s instruction, and my wife is pregnant with your child. She is raising her body now, so I didn’t bother her. Of.”

Until now, Xin Wanruo didn’t know that Elma had been sent abroad by Jun Chengyin five days ago.

The reason why Xin Wanruo has not actively contacted Elma recently is because she wants to walk closer with Elma and Kraig on her back. Even if she cannot become Kraig’s wife like Elma, at least it can be Kraig’s Lover.

If she got in touch with Elma step by step, how could Elma let her get in touch with Kraig?

Can’t prevent her from being like a thief?

In the past few days, Elma didn’t call Xin Wanruo, and Xin Wanruo felt happy.

But I never thought that Elma would have an accident.

Up to this moment, she still believed that Elma was Kraig’s wife.

As soon as her words fell, Elden lifted her foot on her face.

The painful Xin Wan suddenly said, "Oh..."

"You D*mn woman! You almost killed the Lord! Do you know how much Lord Lord worried about his wife along the way, but he was afraid that you would jump over the wall if his wife is in your hands! So Lord Lord can only deal with you first! You woman, when death is near, I will understand you when you die!"

Hearing Elden say this, Xin Wan seemed to forget the pain.

Her eyes widened in horror.

Is she really dying?

"Dead woman, please listen to me! Our Lord has only one wife! Only one! That is Miss Du! Your Elma is not the Lord's wife! She is nothing!"

"D*mn woman, I will send you to the west now!"

"Wait!" Kraig shouted suddenly.

Elden's feet stopped in the air: "Master..."

Kraig got up and came to Xi Xin Wanruo, stepped on her, and asked, "What are you talking about, Elma is pregnant?"

Xin Wan immediately saw hope again.

She hugged Kraig's leg: "Well, right Mr. Jun, Qiu, Miss Qiu is also pregnant, you... don't you know? Miss Qiu is also pregnant with your child. . For the sake of me telling you this good news, forgive me... this time, I..."

She looked at the dog chain on the ground: "I...I am willing to be a dog for you..."

Before her voice fell, Kraig kicked her out.

"Aw..." Xin Wan vomited blood.

Kraig sneered himself: "Haha! Hahaha! This is really ironic..."

Elden is behind him: "Master..."

"I have treated her wholeheartedly for ten years. For her, I hurt the woman who loves me the most. She is pregnant with another man's child, so she can still say that she is mine? Elden, you say Is there anything more ironic in this world?" Kraig asked Elden.

Elden could see the pain on Kraig's face.

Kraig is not nostalgic for Elma.

He thinks this is too ironic.

He abused his own woman to the point that others treated his own woman as a dog, and the woman he maintained was pregnant with other people's children and pretended to be in front of him every day!

Crying to marry him.

There was still a trace of guilt in his heart.

Now, only silly is left.

Saying that he Kraig is a big idiot, he really is!

That's true!

"Go, bury them all." Kraig said to Elden in a very depressed tone.

Elden made a phone call and ordered people outside to come in.

At this time, why have the right to have several other beauties around him crying and howling.

Chapter 1569

"I was wronged, I was wronged..."

"I... I was wronged too, I beg your Lord to let me die."

“And me...”

“Du...Miss Du, you...I haven't bullied you once during the two nights you were locked up here. I...I didn't offend you. “At this moment, the youngest girl next to Huquan came to Dalia on her knees.

She held Dalia's arm and begged Dalia bitterly.

It's dying anyway.

She thought it better to let go and plead.

“Du...Jun...Mrs.Jun, I...I'm a poor family, and I can't pay back the money I borrowed, I just...I know You are born of suffering, so when they bullied you, I...I didn't interrupt, I...you forgot, the night before, I secretly gave you a piece of bread to eat “The little girl kowtows to Dalia while begging Dalia.

“I'm only 18 years old this year, and I don't want to die...” She cried like a tearful person.

Dalia looked at the little girl blankly, with two lines of tears in his eyes suddenly: “Poor child...but I...I can't help you, I'm also Kraig's prey.”

The little girl also shed tears: “Sister...I'm sorry, I shouldn't beg you, there is nothing you can do.”

Say yes, the little girl suddenly ran up to Tian Xin and He Quan. She kicked them madly: “You beasts! Beasts! The animals are not as good as you!”

“Miss Du has a holiday with Mr. Jun! But has she offended you?”

“You are going to abuse her like this!”

“Hold her on a dog chain! You all deserve to die! You all deserve to die! Why do you deserve to die more! I want to kill you, kill you!”

After kicking He Quan, Tian Xin and Xin Wanruo, she came to the other three beauties.

“There are three of you! You dare to say that you haven’t bullied Miss Du!”

“Are you human!”

“Because she is a pregnant woman who was sold by Xin Wanruo, and because her former man was a nobleman in Kyoto, you two, all of you pulled her hair!”

“Pretend people here now, you all deserve to die!”

“Why you D*mn you want me to be buried with you!”

“Wow...” The little girl’s cry was extremely miserable.

Kraig also heard clearly, he said calmly: “Elden, let this little girl go.”

Little girl: “?”

Elden immediately returned: “Yes!”

Dalia also stared at Kraig in a daze.

Kraig said again: “Leave one of the rest!”

“Yes!”

At this time, the subordinates that Kraig had brought in had already come in one after another. They dragged him out like a dead dog, Tian Xin, and Xin Wanruo.

There are the others.

He has the right at this moment, Tian Xin and Xin Wanruo are all limp and unable to walk.

Especially two women.

They originally had good wishes.

The two women are vying for one another, you are vying for another, in order to get Kraig’s new look, they do everything possible to abuse Dalia.

Even Tian Xin injured Dalia's leg with pliers.

However, the fact that they did not expect that one abuse and standing in the wrong team would kill them.

There is no room for maneuver anymore.

At this moment, they didn't even have the opportunity to regret not the first time.

When the three people were just dragged to the entrance, Kraig's men suddenly reported: "Master, there is someone outside who is very clamoring for us to hand over...Madam."

Kraig was taken aback again: "What!"

Chapter 1570

A subordinate reported it again: "There is an old man outside who is very arrogant. He said that if he doesn't hand over his wife, he will blow this place to the ground."

Kraig: "..."

He glanced at Dalia.

Dalia's expression actually moved slightly.

He who is about to be dragged out and buried, Xin Wanruo, and Tian Xin and the three also shouted in unison: “Master, I want to make a contribution!”

“Master, I know this Rob!”

“Master, Rob is my man, let me help you deal with Rob...”

Kraig: “...”

He raised his hand and signaled: “Keep them all in the living room, and go out with me to see what’s going on! If it’s the same as He Quan and belong to the local trifles, we will do it all together! That saves me and I will come to Baihaiyi alone. Come on!”

If it is necessary, Kraig took off her black windbreaker and handed it to Elden’s hand, then raised his hand to hug Dalia, and wrapped Dalia in the windbreaker, and then hugged her and went out.

Dalia’s expression remained sluggish.

She didn’t even struggle anymore.

Because I feel that everything will be a death.

When Kraig hugged Dalia to the outside of the villa, he saw an elderly man who was even more powerful than he was standing next to the car very imperiously.

Seeing Kraig holding Dalia out, he roared: “Where are you from the little white face, believe it or not, I will cut you off now!”

Kraig asked plainly: “Who are you!”

“Release my woman!” the old man said.

Kraig: “...”

At this time, Dalia suddenly struggled and turned his head like Rob: “Rob, you...hurry up! Don’t take this muddy water. You don’t know this is the lord of Kyoto, you are not his opponent. , His stomping can make you dead without a place to bury you. Go away!”

Rob: “.....”

Kraig: “...”

He put Dalia down and asked calmly, “What’s the matter? Is he your benefactor?”

Dalia ignored Kraig at all. She is standing now, and Rob can see it more clearly: “Rob, go away, don’t accompany me to death, I don’t want to hurt an innocent life anymore.”

Rob looked almost 70 years old.

It seemed domineering just now, when he heard Dalia say that the man holding her was the emperor from Kyoto, Rob was immediately frightened, and the whole person was as old as ten years old.

Now I’m looking at old things that are as old as eighty years old.

At this moment, Rob suddenly understood why Xinwan dared to leave him so blatantly, and why he had no right to defect.

He understood better why he had the right to take Xin Wanruo this time.

That’s because Xin Wanruo and He should know that the Lord of Kyoto will come to Baihai City.

Only he Rob didn’t know.

He Quan and Xin Wan are going to kill someone with the help of a knife!

At this moment, Rob felt a little grateful for this little pregnant woman.

He really fell in love with a little pregnant woman, but it wouldn’t be too much of a baby. He just felt that he was already in his seventies, and he finally fell in love with a woman, but he couldn’t be robbed of any right.

Besides, he had the right to endure it for a lifetime and didn’t want to endure it anymore, so he started to fight for the little pregnant woman’s heart with him.

Rob did not expect that He Quan and Xin Wan had secretly snatched Dalia from her today, because it turned out to be to lure him to come to the door in person, and then through the power of Kraig, Rob was wiped out.

“Hurry up!” Dalia shouted.

Without hesitation, Rob turned into the car and fled in a hurry.

Chapter 1571

The sound of the tire rubbing against the ground was very harsh.

However, Kraig did not send anyone to catch up.

On this piece of land, everyone with a little shame was hurting Dalia to death. Even the 18-year-old girl just now, Dalia did not come forward to protect her.

But now this old man, Dalia desperately protected him.

This shows that the seven-year-old 80-year-old did not hurt Dalia.

Kraig looked at Dalia flatly, and put her in his arms again: “Is he kind to you?”

Dalia sneered: “Kraig, no one treats me well in Baihai City.”

“Just now the 18-year-old girl, she gave me a piece of bread, but it was because they had eaten the leftovers and did it for a few days. Don’t think too much. No one is good to me. Feeling that I am dead, why should I drag another innocent person?”

After a pause, she lowered her head, and her tone became much more plain: “I saw it. You really planned to bury these people who abused me for two nights a day, but I don’t know, why are you?”

“Since I’m dying, you can make me understand a little bit, okay?”

After a pause, she laughed at herself again: “Forget it, what am I saying? Even if I say it, you won’t agree.”

“It’s up to you, you can dispose of me whatever you want.”

After speaking, she stopped looking at Kraig.

Her eyes were not even too focused.

Kraig hugged her tighter: "Ashan, how can you believe what I said? When I left Wanhai County 20 days ago, I really planned to wish you and Collin a lifetime of happiness. Of."

"I also really intend to give Arron everything on hand, and then I will stay with your family of three for the rest of my life."

"The only thing that I didn't expect is that Elma will kill you."

"This is my negligence, Ah Shan, this is my negligence. For this negligence, I have already blamed myself ten thousand times. It is because of my negligence that it caused you to suffer so much. Because your favorite man died in Huangquan, I'm sorry to you, okay, Ashan?" Kraig comforted Dalia with all his heart.

Dalia looked at Kraig: "In order to please your wife Elma, you took such pains to say this to me."

Kraig: "..."

When he didn't know how to explain to Dalia, Elden suddenly called to him behind him: "Master, please take a look."

Kraig is holding Dalia.

He couldn't bear to let her go.

He felt that she was weak, and if she didn't hold her, she couldn't stand on her own.

When Elden called him, Kraig was very angry.

Turning his head and glaring at Elden: "You can't decide what matters!"

Elden still insisted: "Master, you'd better come and take a look."

Kraig had to put down Dalia and came to Elden alone: "You are looking for death!"

Elden spoke to Kraig in a low voice.

Kraig suddenly opened up.

He said to Elden very solemnly: "Thanks!"

Then he turned around and came to Dalia again.

Just as he was about to raise his wrist to pick up Dalia again, Kraig's cell phone rang suddenly.

He picked it up and connected, and said in a somewhat impatient tone: "Hello, who are you!"

At the other end, a woman's voice came clearly: "Kraig, I want to ask, have you found my sister Shan? If you haven't found my sister Shan yet, don't come back in your life! As long as you dare When I come back, I will fight you to the end!"

Dalia's eyes lit up when he heard this voice.

After that, tears came from her eyes, and she trembling lips involuntarily shouted: "Shen... is it Suzi?"
