## Chapter 1582

Let his woman come back to him, this is Kraig when he sees the weak Dalia supporting her At the moment when the weak old lady made a decision.

Kraig was very sure that Dalia would never go back with him no matter what.

And he also looked into his own heart.

In this life, he will never be able to have feelings for any woman again.

“I thought about it carefully. In this lifetime, I was born as Dalia’s person, and died as Dalia’s ghost.” Kraig said faintly.

Elden: “This...”

Can such words come out of the mouth of the master?

In general, isn’t it only women who say such things?

Lord... This is a no-brainer, so I even used it to cry, make trouble, hang myself, and play tricks?

At this moment, Elden wanted to laugh.

But he didn’t dare to laugh.

Because the expression of the father is very vicissitudes and sentimental.

After the sentimentality is over, the father becomes extremely cold and hard.

He lowered his voice and said to Elden: "Guangzhou, find a hotel to stay first, let me take a good bath and brush my teeth, I haven't brushed my teeth for a week, my mouth smells rancid, how can I attract It's my woman."

Elden: "..."

He wanted to raise his wrist and touch his forehead.

Sir, do you have a fever?

"I don't have a fever, I'm calm, let's go, we have to act now." Kraig seemed to be able to penetrate Elden's heart.

Elden had to say, "Yes, Lord."

This afternoon, they checked into the highest-end hotel in Baihai City.

Kraig really did what he said, took a bath, brushed his teeth, and ate a meal slowly.

However, fell asleep.

When he woke up, several subordinates stood in front of him.

"Master, everything in Baihai City is dark and bright. We have figured out all the circumstances. As long as you give an order, we will start to eradicate..."

"Master, why is this the right to own?" His assets, as well as some of his crooked records, are all here."

"Master, about Rob's network in Baihai City, the nightclubs and bathing centers he runs, we have also found out, when did you Do it?"

Kraig said calmly, "You don't have to do anything without my order."

“Yes!” The subordinates answered in unison, and then went about their own affairs.

Kraig said to Elden again: “When the news was released, it said that I came to Baihai City for inspection and rectification, and I may have to stay here for a while.”

Previously, when Kraig brought people here, they all came secretly. No one was notified.

Now, although he is a Weifu, he is walking on the bright side.

“Yes, Lord!” Elden also responded.

After all these things were explained, it didn’t take a day for the entire Baihai City to know that Mr. Jun from Kyoto came to Baihai to inspect his work.

I heard that Jun Ye has a soft spot for Baihai City.

It is also possible that he will settle in Baihai City in the future.

For a time, the entire Baihai City was boiling.

There are also some local tyrants and distinguished people in Baihai City. When they heard the news, they all wanted to cling to it.

Some even have their hometown in Baihai City, but the golden phoenix that has already flown out, and even some young women who have flown abroad, all come with a good nose.

Only in order to seize every opportunity to have a relationship with Jun Ye.

I heard that Jun Ye has not married yet?

Maybe it’s your turn to be lucky?

“You also came back from the provincial capital?” In Rob’s tea room, a tall woman chatted with another woman angrily.

Another woman said angrily: “Why! You can come back from the provincial capital, but I can’t? My news is no less than yours.

Not only do I know that Lord Jun is now in Baihai City, but I also know that Lord Jun may settle down in Baihai City and buy real estate.

## Chapter 1583

I also know that Jun Ye has no girlfriend. “

I heard the woman say, the previous woman suddenly smiled:” Yes, what do you know, can you qualify it?

Do you know how high Jun Ye’s requirements are?

Do you have a bachelor’s degree or above?

Do you speak four languages?

Don’t think I don’t know what you are developing in the provincial capital, it’s just PR to accompany the wine!

I still want to come back and hook up with Jun Ye, you really want to be beautiful! “

You...” The two women almost got into a fight in the tea room.

At this moment, Du

Juanshan was alone in the tea room, and she was cleaning the table and chairs with a pregnant belly. Rob was really good to her .

he took her, settled his mother.

Moreover, Zou Taikui did not touch her Du Juan Shan, and he just let her do some chores in the tea room, also promised a month to give her three thousand dollars of wages.

Du Juan Shan think this has been Thank goodness. In

this life, she lived by Rob’s side, and she will listen to Rob’s words very much in the future.

Thinking of this, Dalia passed by the two women: “Let me pass. “

“No, who are you!” The two women were both excited and angry. Now, seeing Dalia wiping the table with her pregnant belly up, they all wanted Dalia to be angry.

Dalia: “I’m sorry...”

“Is it useful to say I’m sorry! You stained all my skirts! Can you afford to pay for your chores!”

Dalia: “...”

She couldn’t afford it.

She could only calmly let the woman scold her.

It doesn’t matter.

She can bear everything now, because she knows that it is not easy to survive, so as long as the big things are not the dead ones, they are trivial things for her, and they can be ignored.

Dalia turned around and left.

Since she is not allowed to pass, she is nothing more than that.

“Stop for me!” The woman scolded Dalia from behind.

Dalia didn’t look back.

She had just walked into the cleaning room, and the little nine that Rob had just collected came out.

That is, the only woman who was not hunted down by Kraig.

The girl is not only Rob’s little nine, but also has a new name called Jiu Mei.

Jiu Mei

wrote the two female customers with the gesture of a lady boss:  
“What happened?” The two female customers who were arguing just now said in unison, “What is she dragging! A cleaner with a big belly,

You look at her arrogant appearance, and those who don't know it think she is a generation of queens!"

Hearing the two women denounce Dalia, Jiu Mei's anger immediately rose.

She originally hated Dalia.

In this Baihai City, no one knows Dalia's origin better than Jiu Mei.

A woman who was abandoned by Kraig, she can only live in Zou's house now. As a handyman, she still has to use her body after giving birth to a child.

"Dalia! Come out for me!" Jiu Mei suddenly shouted angrily.

Dalia came out timidly: "Boss Jiu, what do you need me to do?"

"You offended these two customers just now?" Jiu Mei asked.

Dalia: "I'm sorry, I apologize."

"Apologize? Do you know who these two distinguished guests are? One is the daughter of Bai Hai's Gu family, and the other is the daughter of the Hu family. Are you offended!" Jiu Mei scolded seriously. .

Dalia: "..."

Just when she didn't know what to say, Jiu Mei suddenly raised her hand and slapped Dalia in the face: "You are so deadly!"

## Chapter 1584

Dalia covered her hot and painful face: "You...how did you hit me?"

Jiu Mei Leng Humph: "What's wrong with beating you! I'm beating you as a bastard! No one wants you, but you're still here! You're shameless, willing to clean the table and sweep the floor, and you're all here. You think you're a pregnant woman, who wants you!"

Dalia: "..."

She didn't say anything.

Because I know that resistance will bring more destruction in exchange.

But I don't know, at this moment, a person is standing at the door watching all this silently, silently shedding tears.

Collin's mother held onto the door frame and cried hard, she muttered in a low voice, "Daughter, is your mother dead, so you don't have to suffer like this? Mom sees it, you are a loving and righteous child, you can't let us Is the family of three dead?"

"No, we should be a family of four."

"We can't be a family of four and none of us can survive, right?"

"Your love for mother, mother's heart led my child, mother wants to Come down to accompany your brother Dashan, you have to live well, and when the child grows up, you will have hope."

After saying this, Collin's mother turned around and left.

She staggered, but she was silent.

The old lady has lived with Dalia at Rob for ten days. She has someone to take care of her every day, and she eats well.

Rob did not bully Dalia either.

However, the women around Rob often hit Xiaoshan in the face and she kicked Xiaoshan in the waist.

None of those women liked Xiao Shan.

Everyone wanted to devour Xiaoshan alive. Although Xiaoshan stuttered in Rob's place and no longer lived without a fixed place, she still lived a life like walking on thin ice.

It's all dragged down by her damn old woman.

The old lady walked farther and farther, and gradually drowned in the crowd.

After a long time, she came hobbled to the beach.

The sea water is very salty, the old lady thought to herself,

along the sea, can she find her son who is still alive?

Before she knew it, she was submerged in the sea.

When she was unconscious, she didn't know.

However, after an unknown period of time, she woke up leisurely again, and when she raised her eyes, she saw that her body was pure white.

Is this hell?

Hades is white?

It is about what Western countries call paradise.

His son was also a factory manager before his death, and his son has been in contact with both Chinese and Western cultures. Although the old lady was born in the mountains, she is not a closed person.

So she knows a little bit about Chinese and Western cultures.

Maybe it's heaven, don't know where my son is?

By the way, it is possible to see grandson again.

A smile appeared on the old lady's face.

"Old man, you are awake." A voice came.

Then, her upper body was shaking.

"This... what's going on?" the old lady said in a panic.

Soon, the top half of her bed was shaken up, and a nurse was standing in front of her. The old lady looked at the room again. The room was a ward with flowers beside her.

"Daughter, am I in heaven?" The

nurse smiled: "Old man, you fell into the water, but you were rescued soon. You are in the hospital now, you are not dead, so this is not heaven, you are alive and well. "The

old lady immediately cried: "Why don't you let me die? My son and grandson are already dead, I am alone, I don't want to live."

"You will have grandchildren in the future." At this time, A man came in outside the ward.

The old lady looked at the strange man: "My son is gone, where did my grandson come from!" The

man said: "You don't have a son, but you still have a daughter who is pregnant with a child in her belly. Well, this is your first child, maybe you will be pregnant again in the future, in three or five years, you may have children and grandchildren." The

old lady: "You... Who are you?"

The man didn't answer her.

He only said to the nurse: "Take care of the elderly, there can be no mistakes."

## Chapter 1585

Nurse: "Yes!" After the

man came out of the ward, he took out his mobile phone and called out: " Lord Jun, the old man is out of danger."

"I see, come back." Kraig said at the other end.

He doesn't show up.

Because the old lady knew him.

He could only send Elden to comfort the old man.

Here, Elden insisted: "Yes, Lord Jun."

Elden quickly returned to Kraig's residence, and Kraig immediately said to him: "Go and have a look at Madam, remember not to let her find out. You."

Elden responded again, "Yes, Lord." After

receiving the order, Elden went to Zou's house.

It was already late at night.

Dalia had just finished her day's work, and she rode a battery car back to Zou's house.

She lives in the same room as her mother, with the domestic helpers on the ground floor.

During the ten days of working in Rob's tea room, every day after get off work, my mother was waiting at the door to pick up Dalia, but this time Dalia did not see her mother.

But Dalia didn't want her mother to see her.

Her face was swollen from Jiu Mei's beating, so she didn't want her mother to see her swollen face.

Pushing the battery car into the door, she froze her face with cold water outside before entering the door.

The room was empty.

where has mother gone?

Dalia searched from house to house.

Usually, when my mother is idle, she will go to the servant's room next door to chat for a while.

However, Dalia searched all the servants' rooms and couldn't find it.

She got up and went to the second floor.

The second floor is Rob's living room.

At this moment, Jiu Mei was sitting in Rob's arms, seeing Dalia coming, Jiu Mei didn't mean to get up, but looked at Dalia provocatively.

"Yeah, I slapped you in the daytime, and you ran to my man to complain?"

Dalia didn't have time to ignore Jiu Mei's scolding or cynicism, she just asked in horror: "Zou, Boss Zou, you... Did you see my mother?"

Rob was also surprised: "Is your mother gone?"

Dalia's tears suddenly came out: "My mother's legs and feet are inconvenient, she doesn't usually go out, she can't walk at all Lu, where can she go? Where is my mother?"

Rob: "... At

this time, someone knocked on the door outside: "Boss Zou, is Dalia here? Her mother has something for me to pass on. Give it to her."

Dalia immediately turned around in a frenzy, and saw a maid knocking on the door, the maid stammered, "I forgot, your mother said that there is a letter for you today, for... .."

Dalia immediately opened the letter.

The letter is very short.

The old mother can't write.

She is a simple stroke drawn with a water pen crookedly.

An old man with a hunched back plunged into the sea.

Dalia immediately understood the meaning of the picture, it was that her mother was looking for death.

Mom didn't want to drag her down, so she tried to die.

"No, no...I want my mom! My mom..." Dalia suddenly burst into tears.

Even Rob didn't know what to say.

He didn't treat these two people badly these days.

How could the old woman be so incapable of thinking about it that she wanted to die.

Hearing Dalia's cry, Rob felt extremely upset. Just at this moment, his cell phone rang.

He picked it up and looked at it, and his mood suddenly trembled:  
"Master, you... please speak."

## Chapter 1586

It is not surprising that Rob received a call from Kraig, because he took the initiative to call Elden during the day, Said to ask for something.

But at this moment, he received a call back from Kraig himself, and he was still frightened.

No way, he was afraid.

“Boss Zou, what are you looking for from me?” Kraig asked at the other end.

Rob immediately said intermittently: “Master, it’s like this, the people in Baihai City don’t know how the news is so well-informed, they all... They all know that I have a relationship with you, they I know that you are inspecting in Baihai City.”

“Talk about the point!” Kraig said impatiently.

“Well, people from all walks of life in Baihai City... all want to wash away the dust for you. You see... the place is in my tea room.”

“Actually, my The tea room is very spacious and is open for business.”

“Also, the tea served in my tea room is first-class. My cook...the cook is also good, you...”

Seeing that Kraig has been Without speaking, Rob immediately changed the conversation: “Actually, you...it’s okay if you don’t attend, I...I’m just passing on a message, if you don’t attend, I’ll tell them That’s it.”

Rob was really in a dilemma.

On the one hand, he hopes to use Kraig's deterrent power to consolidate his position in Baihai City.

In my heart, I was afraid to die.

For fear that the next second, Kraig will take over all of Rob's old nest.

However, Kraig said

indifferently on the other end of the phone, "Yes." "Thank you, thank you, thank you! Thank you so much." Rob almost knelt down with Kraig.

At that end, Kraig had already hung up.

Here, Rob was surprised that he suddenly thought of Dalia outside the door.

At this time, he heard a commotion outside the door, and ran out to take a look. Dalia fainted from crying. Rob immediately found two domestic helpers to carry Dalia down, and then found an older domestic helper to pinch Dalia's people.

After a while, Dalia woke up leisurely.

She burst into tears: "Mom..."

Several maids followed in tears.

The mother and daughter are actually pretty good.

Although my mother can no longer work, she will sew insoles for the domestic helpers here.

Mom's handiwork is really good. When everyone sewed insoles and sent insoles, they said to people, "please take care of my little Shan, she is a hard-working child, and now she is pregnant and has to take care of her. I'm dragging her down."

So the domestic helpers here have a very good impression of my mother.

Why did you suddenly jump into the sea?

Dalia cried for a long time before she recovered, her eyes were extremely empty.

The maids at home all advised her: "Xiao Shan, don't cry so badly, you have children now. Look, you've been here for almost six months, and in three months you'll be a mother."

"How great it is to be a mother."

"In the future, the child will also be your companion."

"You have to make money, save money, and let him go to college. In the future, you will be able to make it through."

Dalia burst into tears. .

She doesn't want the child in her womb anymore.

Her heart is dead.

This child belongs to her and Kraig. She has long stopped loving Kraig. Now she just wants to die with her mother and brother Collin, and go there to meet.

In this world, she is no longer warm.

However, things seem to be doomed.

Just when Dalia was in despair, she was suddenly kicked in the stomach.

Because she was lying down, several maids were in front of her to comfort her, and they all saw that her stomach was moving.

"Sam! Your baby kick you."

"Oh, I have seen I have seen, you kick your baby eh."

"Six months, it will kick up."

“I was pregnant with my son when , For more than five months, I can feel him turning over in my stomach. In fact, children are lively and not lively, and they can feel it in their stomachs. Some children like to play with their heads in their stomachs.”

## Chapter 1587

“Xiao Shan, do you feel it?”

Dalia: “...”

Of course she felt it.

The feeling of that clear foot on her stomach is very obvious.

She was thin and her belly was very weak, and she could even see that small footprint that couldn't be smaller.

She gently stroked her stomach.

I don't know if it was telepathy or something, but as soon as her hand touched her stomach, the little foot in her stomach was kicked without warning.

Dalia laughed suddenly: “My child, my child.”

“He...is my baby?” She looked at the people present with tears.

Everyone nodded.

“Your baby, Xiaoshan.”

“The reason why your mother did this was because she didn't want to hurt you. You just want to be strong and live well for the baby in your womb.”

These domestic servants didn't get along with Dalia very much.

But we are all people living at the bottom of society.

More or less a concern.

At this moment, seeing so many people caring about her and feeling the existence of the baby in her belly, Dalia suddenly didn't want to die.

Yes, she is also selfish.

for their own children.

She murmured to herself in tears: "Mom, I'm sorry, Brother Dashan, I'm sorry, when I bring up my child, I will definitely find you and watch over you." At

this time, Rob also came forward to comfort her: "Ah Shan, after you give birth to your child, I will raise your child and let him call me Dad, so that no one will discriminate against you."

Dalia looked at Rob with infinite gratitude: "Thank you, thank you... ..Boss Zou. Thank you."

This evening, Dalia spent her time in such grief.

However, no matter how sad she was, she still had to go to work the next morning.

Jiu Mei arranged for her to work in the tea room.

Jiu Mei just didn't like Dalia, but she hated Dalia for being unhelpful to her at the beginning.

Therefore, it is to let Dalia do the hardest work in the tea room.

Just today, Lord Jun came to the tea room.

And it must be done to make Dalia embarrassed!

Dalia also knew that many dignitaries in Baihai City would entertain Kraig in the tea room today, and she begged Jiu Mei: "Ninth Madam, can I...can I ask for leave today?"

"No!" Jiu Mei immediately scolded.

Dalia nodded: "Okay."

How about going?

Anyway, she and Kraig have made it clear that they have nothing to do with each other.

Kraig won't do anything to her either.

In this world, what Dalia believes most is Suzi. Suzi said that Kraig had no malice towards her.

Therefore, she is no longer afraid of Kraig.

It's nothing more than being able to see him, just being a stranger.

This morning, the day after her mother committed suicide by throwing herself into the river, Dalia went to work in the tea room with an extremely painful heart.

Today's tea room is full of powerful people, as well as famous families.

Although the nobles and famous women here are not as beautiful as Kyoto and Nancheng, they are also much nobler than her cleaning up with a pregnant belly.

"Pot-bellied woman! You have to serve at the front with tea today, because it's busy today!" Jiu Mei ordered.

Dalia knew that Jiu Mei was doing it on purpose, she said indifferently, "Yeah." Then she brought tea to deliver the tea.

As soon as they went out, Dalia saw Kraig.

The two stared at each other, stunned

## Chapter 1588

has

only been missing for more than ten days, and Dalia 's belly has grown a lot.

In the past ten days in Baihai City, Kraig actually had nothing to do, so when he was idle, he also asked the doctor, the one in Kyoto, the local one, and what he checked on the Internet.

Kraig has learned a lot about pregnant women these days.

He knows that the later the pregnant woman is, the faster the fetus grows.

It's really been ten days since she hasn't seen her, and she's changed a lot.

However, she was still so thin.

Her little face was still pale and bloodless, and her clothes were still in tatters. In fact, her belly was too big to cover her face.

She was holding a teapot and refilling tea for the guests present.

In such a situation, she is really out of place in this tearoom full of Baihai dignitaries.

Especially, she also collided with Kraig.

Baihai is located in the northernmost part of the Northeast, and it is the extremely cold season now, so that a tall and strong man like Kraig also wears a suit inside and a long trench coat outside.

This kind of attire, coupled with Kraig's long-standing identity, shows that he has an unparalleled dignity.

In particular, he also wore a pair of shiny military boots, which invisibly revealed the taste of a mature and masculine man on him.

The two are always different.

Fortunately, Dalia didn't care about this for a long time.

Now Dalia and Kraig are strangers.

The aisle is narrow.

The man stood in the center of the aisle and stared intently at the woman.

The woman carried a teapot with a pregnant belly and had to pass by the man.

She lowered her head and said softly, "I'm sorry, but please... let me go."

Kraig still stared at Dalia as if she hadn't heard.

Dalia looked up at Kraig: "..."

Kraig frowned with a cold expression on her face.

Before Dalia could say anything, someone was already clamoring behind her.

It was still a woman's voice: "Hey! You big-bellied woman, don't you have eyes? I didn't see the Lord of Kyoto here, what are you doing with the tea and water? I want to attract the Lord's attention. , just you! Humph!"

"Leave here quickly!"

Dalia, the woman who scolded Dalia, had seen it before.

Just yesterday, this woman was arguing with another woman in the tea room.

Obviously, this woman just wanted to show her face in front of Kraig and make a contribution.

She pushed Dalia away: "Stay away from Lord Jun." The

woman gave Dalia a look of disgust, and then she looked at Kraig in a pleasing manner: "Mr. It was my brother's intention to take the wind, and it stands to reason that my brother should have cleared the scene before you came."

"This is because my brother did not do enough to drive such a woman out."

"Actually, this woman is a chorus, I saw her cleaning yesterday, so why is she serving tea and water today?"

"She made her own feelings."

"People today, especially those who are internet celebrities, want to be famous. Thinking crazy, I guess this is also a person who wants to show his face."

In just a few words, the woman settled for Dalia.

Qualitative finished, she blamed condescending command Du Juan Shan: "do not go back to the place where you go to stay, and when you end up here cleaning out too late!"

Du Juan Shan will slightly bow: "Yes."

Just When she turned around, she saw Jiu Mei again.

Jiu Mei blocked Dalia from the front, and smiled coldly: "Dalia! Why did you, a cleaner in the back kitchen, come in front of you? You really want to see Mr. Jun going crazy!" After a

pause, Jiu Mei looked towards Kraig smiled: "I'm sorry, Lord Jun, this woman has been wanting to see you all the time. No, she doesn't obey the control and sneaks over to see you."

"I see you, but I'm still too soft-hearted towards her."

Jiu Mei is now Rob's new favorite.

She often sits in Rob's arms and occasionally hears Rob talking on the phone with Kraig.

So Jiu Mei knew that the closest relationship between Kraig and Baihai was actually Rob.

## Chapter 1589

Jiu Mei is secretly happy, is she wrong ?

When she was with He Quan, she was the fifth, the most inconspicuous among the five beauties.

In the end, everyone was quietly buried alive by Kraig overnight, but she was the only one who was alive for a long time.

Originally, she thought that Rob would be able to stutter and not starve to death, but as soon as she arrived at Rob, Rob climbed up with a big man like Kraig.

Even Rob thought she Jiu Mei was his lucky star.

Jiu Mei also felt that she was really Rob's lucky star.

Not only that, Jiu Mei also felt that Kraig was not scary.

At least, Kraig came to Baihai City and showed no pity to anyone, but only to her for a long time.

In the end, she was only eighteen years old.

But every man has a heart of pity when he sees her.

And this pregnant woman!

snort!

Just an old woman in her thirties!

Even if she didn't help her, today is the death of the big belly!

“Mr. Jun, how about I teach her a lesson for you today? If you teach her a lesson yourself, you’ll get your hands dirty,” Jiu Mei looked at Kraig flatteringly.

As soon as the words were spoken, she quickly raised her slap and slapped Dalia in the face: “You shameless thing! Obviously you are cleaning in the back kitchen, washing dishes and dishes, no one has transferred your post, but you are Run to the front privately!”

“Do you know that Lord Jun is a distinguished guest here today!”

“You know, so you deliberately made Lord Lord angry!”

“Go back to the backyard for me immediately!” It

was eighteen years old after all.

Newborn calves are not afraid of tigers.

Maybe Jiu Mei felt that Kraig must have favored her, or else Du Du didn’t bury her alive?

So, at this moment, she is unscrupulous.

Also out of the limelight.

Everyone present was dumbfounded.

In particular, several celebrities who wanted to befriend Kraig looked at this little-known 18-year-old mistress with envy and hatred.

They even had the illusion for a moment that Jiu Mei was actually the goblin beside Kraig.

Many women are searching in their heads. Have you ever bullied and suppressed this woman?

The whole scene was eerily silent.

No one dared to make a sound.

At this moment, only Dalia said dumbly, “Yes, I’ll go over immediately.”

She didn't want to explain anything. She didn't want to argue with Jiu Mei in front of Kraig: "Didn't you tell me to come here?"

She didn't want to.

She didn't even feel pain in her cheeks.

Because there is no such state of mind.

Mom just threw herself into the river yesterday.

Before my mother died, she only had one wish, that is to let her live well and give birth to the child well.

Therefore, Dalia doesn't care about anything.

She lowered her head and turned away expressionlessly, holding the teapot.

But did not take a step.

Her arm was pulled by Kraig.

Dalia was suddenly startled.

Immediately afterwards, Kraig said something that shocked everyone in the audience: "Ashan, you can't do anything without my protection, go back with me!"

Kraig's words made everyone shocked and almost fell.

These people silently looked at the two people in the field.

Dalia's tone couldn't be more indifferent: "I was born as Boss Zou's person in my life, and died as Boss Zou's ghost."

"But look at you now, you have become a cleaner." Kraig said.

Dalia was still calm: "So what?"

"I was abused by my biological parents, rejected by my brothers and sisters, imprisoned by my in-laws for four or five years, and then kicked out by you, by you. My fiancée almost died, and now I have finally settled down."

"I'm very content."

"But I..." Kraig said half of what she said and stayed half.

"But you are not satisfied!" Dalia smiled quietly.

Then, she looked up at Kraig: "You don't give up, right?"

"You always order me, and I obey you."

"If you want me to get out, I'll get out right away."

"So, you think you When I come back, I will definitely be grateful to Dade for coming back."

"But you didn't expect that I won't listen to you, you can't control mine, so you feel frustrated and unwilling, right?" Dalia's eyes were fearless. looking at Kraig.

Kraig: "..."

Can he say no?

Can he say that if she is happy, if her Collin is still alive, he will definitely not disturb their happy life?

Can he speak?

Kraig found that he was not even qualified to say this now.

He can't say anything.

He has to follow his own plan.

“Go back with me! Ah Shan! Your previous treatment has not changed. When you give birth to a child, I will give you the most enviable wedding for all the women in Kyoto!”

Dalia shook her head: “Actually...Actually, I know what you want What.”

“You are not used to changing people from time to time, and you still like to use outdated things.”

“Actually, look at how many women are in this tea feast for you today. If you come for you, you just need to pick one and take it away, and let her be with you for five, six, seven or eight years, and your relationship will be cultivated.”

“Actually, it's not just me, but all women who follow you will be very happy. Obedient.”

“You think, who would dare to be disobedient?”

“So, on this occasion today, you are the master, you can choose whatever you want...”

The woman present: “...”

Originally It was enough for Kraig to speak to this woman with a big belly who was not even worthy of serving tea and pouring water, but only worthy of cleaning. It was enough to shock their jaws.

Now I see that this woman speaks so hard to Kraig.

So dismissive and dismissive.

Everyone present was terrified.

They were thinking, how did they degrade and step on this big belly just now?

Especially Jiu Mei.

Her legs were too weak to stand.

There was also the woman who scolded Dalia just now. At this moment, the woman's face was as pale as if it was picked out of the dead.

"That... I'm sorry, miss, I... don't know." The pale-faced woman immediately explained to Dalia in a pleasing manner.

Dalia said humbly, "I'm just a sweeper. I'll have to clean here in the future. I hope the lady won't scold me in the future. I'll be very happy. I won't hold grudges very much."

Woman: "..."

Seeing that the woman was amnesty, Jiu Mei immediately came to Dalia and knelt down: "Sister Shan...don't...don't have the same knowledge as me, in fact. ...I'm just mad at you, because you didn't help me that day, obviously I saved you, but you didn't help me."

Dalia looked at Jiu Mei blankly: "You It's the celebrity in front of Boss Zou, it's good if you don't bully me in the future."

## Chapter 1591

Jiu Mei is immediately grateful: "I won't, I definitely won't, Sister Shan, thank you for not killing. "

I went in to clean up." Dalia was about to go in with a teapot.

"Ashan!" Kraig stopped Dalia: "I have finished the affairs in Baihai City, and I will leave in a day or two, and later..."

Dalia: "In the future, we will never see each other again. Well, no goodbye!"

Kraig: "But remember, I still can't let go of you in my heart..."

"Can't let go of my body?" Dalia asked self-deprecatingly.

"Yes!" Kraig answered very bluntly.

"No one will serve me as well as you do! I can't find a second woman..."

Dalia suddenly burst into tears: "You can, as long as you want, you can do it today Take ten from here who have served you a hundred times better than me."

Kraig: "I hope you don't regret it!"

"Never!"

"Very good!" Kraig sneered, turned around and left .

While walking, he said to Elden who was behind him: "Vice Zhu, I have given her every chance. Since she doesn't want it, we will set off right now to meet in Kyoto!"

"Yes, Lord!" Elden responded immediately sound.

Before leaving, he looked back at Dalia.

Those eyes were sympathetic, and he seemed to say again: "Madam, you are too simple, how can you defeat the master behind Chengfu with your scheming?"

It's a pity that Dalia didn't look at Elden.

Therefore, she did not know the sympathetic look Elden cast towards her.

Just when the two of them were apart from the door of the tea room, Dalia's cell phone rang.

She glanced at it and didn't want to be connected, but when she thought that her old mother had committed suicide by throwing herself into the sea and the body was not found, stop calling from that side, Dalia immediately connected: "Hello?"

Sure enough, that end He opened his mouth and asked, "May I ask if you are Miss Du?" The

other person was a female voice, very cold.

Dalia immediately asked excitedly: "Yes, I am, you are..." The

female voice immediately said, "Do you have a mother?"

" Yes , yes, where did you find my mother? The corpse, I'll go get

it now." The woman on the other end snorted coldly: "What corpse! A person like you looks like an unfilial child! Do you want to repay your debt!"

Dalia was stunned for a moment: "What, what? Is it?"

"Your mother was about to commit suicide by throwing herself into the sea. She was rescued by our hospital. Now it has been found that she has a heart disease and needs heart bypass surgery." At the other end, the woman said coldly.

"What, you said, my mother... isn't dead?" Dalia burst into tears of joy.

She thought her mother was dead.

She thought she had no relatives in this world.

But, my mother is still alive.

"Save, I must save my mother, no matter how much it costs."  
Although she has no money now.

"It's not about money now. The place where your mother jumped into the sea is a restricted area. She accidentally broke some defenses. This defense is a very advanced technology, worth hundreds of millions, maybe your mother is also suspected of... ."

Dalia didn't hear the following words at all.

She only heard that it was worth hundreds of millions.

There are also related to the deployment.

She stammered and asked, "How to deal with this matter?"

The doctor at the other end said, "You need to negotiate with the person on defense, come as soon as possible! Our hospital doesn't care about this! "

Dalia: "... " After a

pause, she suddenly turned around and shouted, "Jing Yu..."
