

# I' m Sorry My Love Novel Chapter 1600 - 1601

## Chapter 1600

“You, what did you say?” Siu couldn't believe it, these words came out of Dalia's mouth of.

Although the father and uncle are at odds, Siu is Jun's family after all.

After all, she is Kraig's cousin, pro-cousin!

She greeted Dalia nicely, but Dalia actually let her go?

You know, in the past, in the past seven or eight years, Siu has never looked at Dalia in the eye.

In Jun's house, and even in the whole of Kyoto, no one knows better than Siu that Kraig can't marry Dalia, and Dalia is a tool in Kraig's eyes.

It's just a tool!

In the upper circles of Kyoto, Siu promised countless famous Shuyuan: “Look, one day my second cousin will definitely dump the woman Dalia, then if my second cousin and Elma If you can't achieve a positive result, I will introduce my second cousin to you.”

Because of these words, Siu used to be the domineering first sister in Kyoto.

However, his father Jun Chengyin's position in Kyoto was crowded out by this second cousin, and he was losing ground.

In the end, he had to cooperate with the Pan family in Jiaxing Island, and looked at the supply of Pan family weapons, but could not resist Arron in the southern city for three days.

Arron and Kraig are brothers of life and death.

Two people join forces, do they still have a way to survive?

Jun Chengyin really wanted to let the teacher who retired to Nancheng, Mr. Shu, help him, but since Mr. Shu found his real biological daughter, he is really old.

I don't want to worry about the world anymore.

Now, the vein of Jun Chengyin is really withering.

Originally, Siu tried every means to get Elma back from abroad, and wanted to use Elma's power to win over Kraig, trying to make peace with the Jun family. No more feelings.

And Siu, that dead woman! Too much work!

After returning to China for a while, she didn't know how to restrain herself at all, and she did many outrageous things.

Did she think she was still protected by Kraig?

Elma, who left Kraig, was nothing!

If her father hadn't saved her to go to Pan Haoyang, Elma might have died in Kraig's hands now.

In the end, it was Dalia's good life.

Unexpectedly, after leaving for four months, Kraig can still find him.

Moreover, the child in her belly is still there, and her belly is so big, it seems that it is expensive for the mother to rely on the child!

Siu could see his attitude towards Dalia from Kraig's expression.

Therefore, she was always aware of the current affairs and went to curry favor with Dalia.

Thinking that Dalia was brought back by Kraig, she should be grateful to Dade. Now is the time to have a good relationship with the Jun family, but no matter what, she never expected Dalia to speak to her like this.

Siu dared not to speak in anger: "You..."

She wanted to say, are you dragged now!

Be careful waiting for the baby in your belly to be born before Jing Yu kicks you again!

She mumbled in her mouth for a while, and finally said aggrievedly: "Second sister-in-law, I'm still your sister-in-law. I didn't expect the second sister-in-law to be so hostile to me. Where is my second sister-in-law?"

Dalia looked at Siu with a calm and solemn expression: "Do you think I don't know?"

Siu: "What

do you know?" "Isn't it because you watched me and Suzi approaching, you were jealous of Suzi! So what you are most afraid of is that Jing Yu really married me, and when Suzi and I join forces, there will be no way for your sisters to survive, so you recruited Elma from abroad overnight? "

Siu: "..."

She didn't expect that Dalia could see through this.

## Chapter 1601

"Siu, I, Dalia, have died once. In this world, I have nothing to worry about. I don't even want the child in my stomach, do you think I'm afraid of you!" Dalia pursed her lips and looked at Siu coldly.

"Go away! Don't let me see you! When I see you, I get nauseated, I feel like throwing up! One day I'm not happy, maybe I'll pull out his gun from my man's bedside and blow your head off! "

Siu: "..."

Dalia sneered again: "If you think I don't dare, why don't you try it?"

Siu: "Ah..." and turned around Ran.

Dalia sneered contemptuously.

A clown jumping on the beam, but she killed her in the near future, and also took the life of Dashan.

Now that she came back with Kraig, she must not be afraid of anyone.

In the past, he respected everyone and tolerated everyone because she loved Kraig.

now what?

She is indifferent.

Therefore, she will no longer tolerate anyone, and she will turn a blind eye to anyone.

Dalia walked into the Jun family's mansion together like this, and Siu couldn't bear it any longer: "Cousin!"

Kraig looked back at Siu: "?"

"Just because of her With your child in your stomach, can you be so empty of everything? This kind of woman is simply arrogant and arrogant! Don't you care!"

Kraig's eyes were light: "Zixian, I didn't care about you very much before, that's because you didn't directly touch your second sister-in-law, and now listening to your second sister-in-law say this, the reason why she lives outside these four or five Yue, a large part of the reason is because of you?"

Siu: "Cousin, what do you mean?"

"Your second sister-in-law told you to get out, didn't you hear?"

Siu: "... "

She has a baby in her womb now. She doesn't intend to have this baby, so I wish you could make her baby angry, but Zixian, she has my baby in her womb, if..."

Before Kraig's words were finished, Siu immediately changed her words: "I'm sorry cousin, I'm sorry, it's my fault..."

Siu can see that Dalia is not a mother and a child.

She doesn't even want a baby in her womb.

But the cousin still got her back, which shows that the cousin really has deep affection for her.

Thinking of this, Siu felt cold all over.

She immediately changed her tune and said, "I...I'm going to get out of here!"

Siu destroyed her house in a daze.

Father Jun Chengyin was sitting in the living room, and when he saw Siu coming back, his father immediately asked, "Have you tried to flatter yourself?"

Siu picked up a vase and threw it: "Dad! My sister and my brother-in-law have already been slaughtered by Arron! They don't even have the Xu Group! And on our side, Dalia is back, and this woman hates me very much as soon as she comes back!"

"Dad, we can't sit still." Siu said viciously.

Jun Chengyin sneered and said, "Of course I know we can't sit still, otherwise why do you think I sent Elma abroad? Qiu Cun is pregnant with Pan Haoyang's child. Pan Haoyang and Arron are brothers and sisters!"

Siu's eyes lit up: "Dad?"

"Even if I can't fight them together, I won't let them have a better time. Especially Pan Haoyang, who is very life-threatening." Jun Chengyin sneered.

A vicious smile appeared on Siu's face.

This evening, she secretly called Elma, who was hiding abroad in Pan Haoyang's place.

The phone rang for a long time and no one answered, and just when it was about to hang up, it was connected there.

The voice was like a haggard female ghost: “Hey... help, help me.”
