## Chapter 1612

Kraig just came back, he did not know that Elma had fled the country. That's why he was so cruel to Qiu Cun on the phone.

Hearing Kraig talking, Qiu Cun's heart became more and more miserable, she forgot how Kraig beat her, and at this moment couldn't wait to ask Kraig for credit: "Jingyu, that woman Dalia It's been four or five months since she left you, do you know how many men she has been with during this period?"

"On the first night she left you, I sent someone to beat her, and a few big men beat her. "

Later, I found a few men to transport her to the top of the mountain, five or six burly men!"

"Jing Yu, Dalia, who can survive until now, is actually rotten long ago!"

"And also , and also, you should take her for a paternity test for amniocentesis. The child in her belly must not be yours. You will know if you do it. If it is not yours, you will take the child in her belly. Take it off."

"Doesn't she like to find a man, you should give her a permanent contraceptive, it will be more convenient, hehe."

No wonder Dalia said on the phone that Qiu Cun is not a man or a ghost. In Kraig's ears, it was like crawling out of hell.

Hearing that Kraig was stunned for a moment.

He forgot to scold Elma angrily.

She only asked coldly, "What's the matter with you?"

Perhaps it was this voice that gave Qiu Cun hope, and she immediately said bitterly, "Jing Yu, Jing Yu! You still have feelings for me, right? You save me. Save me, you save me! I was knocked out by... that devil, and she was forcibly used permanent contraception, and he locked me in a small dark room."

"If, if my family doesn't give him all the property, he will let me accompany 100 men every day."

"Jing Yu..."

Elma cried pitifully on the phone.

Kraig was stunned: "Who?"

"Pan...Pan Haoyang."

Kraig: "..."

For the past few months, he has only been looking for Dalia everywhere, and he even took Pan Haoyang. forget.

Kraig also heard Shaoqin say that Pan Haoyang was sent abroad by Fu Zhengxiong.

Kraig often heard Shaoqin talk about the actions Pan Haoyang did in Nancheng during that time.

After all, the two are twins.

Pan Haoyang was a ruthless man just like Shaoqin.

Although Elma didn't tell Kraig the details, Kraig had already guessed it, and he said in an emotionless tone: "I have never lived together

with you, but you are pregnant. The child belongs to Pan Haoyang, so you went to Pan Haoyang with all your heart?”

“As a result, Pan Haoyang is not so easy to fool?”

“He took you for an amniocentesis paternity test and found that the child in your belly is not his?”

Qiu Cun felt dry . His voice asked, “You...how do you know?”

“Ha!” Kraig sneered.

“Elma! What kind of virtue are you so dirty! You have to murder Ashan again and again!”

“Do you think I, Kraig, would marry a bitch like you!”

Elma: “But, you once You love me.”

“That love was buried by yourself! Now you deserve it!”

Kraig’s tone suddenly became innocent: “Do you think all the men in the world should be around you? Do you think Pan Haoyang is so easy to mess with? If he is really messed up and really easy to fool, in Shaoqin When he captures Jiaying Island, he will not be able to escape!”

“Elma! Falling into Pan Haoyang’s demonic arrest is your destination.”

“Don’t you like playing with men, just right.”

“No... No Jingyu, no!” Qiu Cun pleaded desperately: “Pan Haoyang will really let me accompany hundreds of men every day...”

Kraig sarcastically said, “Even if he doesn’t let you accompany you, you won’t. Are you looking for a man without interruption? Isn’t this exactly what suits your taste?”

Elma: “...”

## Chapter 1613

People are sometimes like this, when they are suffering, the first thing in my heart is not how to escape the suffering, but Thinking about whether the woman he hated the most suffered more cruel torture.

If not, she will hate it more and be more jealous.

Qiu Cun didn't hate Pan Haoyang, the man who tortured her.

At this moment, what she hated was all the love Dalia received from Kraig.

“Jingyu, you should really do a paternity test for Dalia. The child in Dalia's womb is not yours, and she has had many men...”

Kraig interrupted her words after she finished speaking: “Whether Ashan is pregnant with my child or not, no matter what she has done, I don't care.”

Kraig said these words to Elma.

It was also said to Dalia.

He wanted to let Dalia know that in this life he only loved Dalia until his death.

Qiu Cun at the other end said, “...”

She was stunned.

Before she could recover, Kraig hung up the phone.

Hand over the phone to Dalia.

Dalia said lightly, “Thank you.”

“Ashan...” Kraig was about to say what to expect, when Jun Ruian and Rayna were already standing in front of him, so Kraig was not alone. Go on.

“Second aunt, I haven't seen you change a lot in a few months. I'm about to have a younger brother and a younger sister?” Jun Ruian shouted happily, he and Dalia didn't feel strange at all.

It was as if Dalia had not been driven away by Kraig.

Dalia smiled slightly without losing her gentleness: "Rui An..."

"Sister Shan..." Rayna was also happy as if: "... I should be called Is your sister Shan still calling you Second Aunt?"

"Sister Shan, you've lost weight, and you look pale."

"Your belly has grown a lot. Will you have a baby in three or four months?"

"Sister Shan, you have been gone for four or five months. We miss you so much. The only thing I think about is you cried several times. She also got angry with Mr. Jun because of this."

"Sister Shan, these few months . How are you doing?"

Rayna asked Dalia in a series of questions like a small cannon barrel.

Dalia burst into tears.

Her nature is gentle, and at this time she just smiled and looked at Rayna: "Rayna, let you all worry about me."

Rayna shook his head: "Actually, it is Suzi who is most worried about you, but Suzi also She is pregnant, she is not stable on the fetus, so she can't travel long distances, Suzi asked Ruian and I to come back to see you, Sister Shan, have you been having a hard time these past few months?"

Rayna's eyes were full of circles. famous.

Dalia shook her head: "It's fine. I'm... okay. Come in, you two haven't eaten yet?"

Rayna nodded rudely: "Well, I'll drive with Ruian after getting off the plane. I'm here, I haven't eaten breakfast yet."

"Sit down and eat." Dalia looked at Rayna and Jun Ruian with tender eyes.

She is older than them, and she always looks at them with the warmth of a big sister.

Seeing such an expression in Kraig's eyes, let alone how envious she is.

Kraig and Rayna sat at the dining table, each devoured more than the other.

While eating, Dalia's phone rang again, she picked it up and took a look, it was Elma who called.

Dalia sneered and was about to hang up, but Rayna snatched the phone over.

"Hey, surnamed Qiu, do you want to die! Tell me directly if you want to die! My surname is Min to tear up your rubbish!" Rayna said unceremoniously on the phone.

### **Chapter 1614**

Elma did not expect Rayna to be there.

She hated Dalia and Rayna.

Elma still remembers that the first time she was beaten in her life was when Rayna, another swindler, and Suzi's daughter beat her together.

It was at Jing Yu's house.

Among them, the one who hit her the most was this woman named Rayna.

Just like a she-wolf.

"You...why are you at Jingyu's house?" Qiu Cun asked weakly.

"Humph!" Rayna sneered: "This is Jun's house! It's my man's uncle's house, and I will marry into Jun's house in the near future! Of course I can be here! Elma, let me tell you! As long as I am there One day in the Jun family, if you dare to come to my second uncle or to trouble my sister Shan, I will smash your dirty dog's leg!"

"Listen to me, it's smashing! Not interrupting!"

Qiu Cun Xin said, "You...you...why don't you die..."

She was so angry that blood spurted out from her throat.

The reason why she was able to find Dalia's phone number as soon as Dalia came back was because she asked her Siu to find a way to get her what she wanted.

Her purpose was to piss off Dalia who had just returned.

It's best to have the child in Dalia's belly miscarried.

Of course, Qiu Cun's biggest wish was to hope that Kraig could treat Dalia as hard as Pan Haoyang did to him.

But she never thought that her goal was not achieved, but instead Rayna vomited blood from the mouth of this little hoof.

Here, Rayna doesn't care so much.

She hung up the phone and said to Dalia: "Sister Shan, I will protect you if anyone dares to bully you in the future. Don't be afraid! Do you know that Elma? We beat you up for the few months you disappeared. I met her two or three times." The

little girl said triumphantly.

In fact, she usually didn't dare to let go like this in front of Kraig.

She was a little afraid of Kraig.

However, this time, coming to Kyoto from Nancheng was the most important task that Suzi had assigned to Rayna.

Suzi was inconvenient to move by himself, so he let Rayna come to Kyoto.

Before she came, she told Rayna: "Rayna, with your current level of stability with Jun Ruian, you will definitely marry him."

"In other words, you will become the daughter-in-law of the Jun family."

"Jun What kind of family is your family? In Kyoto, the Jun family's threshold is no lower than that of the Fu family. It is even higher."

"So Rayna, you have to be careful every step you take, but you can't be too careful to lose yourself. , you are you, no one has the right to change you, you have to be bold, confident, magnanimous, and you must be united with Sister Shan, because in Jun's family, only you and Sister Shan have no family to rely on. "

Sister Shan is pregnant now, and it's inconvenient to move around. You have to protect her everywhere, understand?"

"When you protect her, you protect yourself."

Rayna always obeyed Suzi's words.

She knew that Suzi told her that these were all to protect her. Suzi's thoughtful and calm mind was always admired by Rayna.

What's more, Rayna actually likes Sister Shan very much.

She nodded very solemnly: "I see, I will sacrifice my life to protect Sister Shan."

Rayna's character has always been a bit naive and sincere.

What she promised Suzi was naturally the first to do it.

Even if she exposes her shrew image in front of the second uncle of the Jun family, whom she is afraid of, she doesn't care.

At this moment, Dalia's heart suddenly warmed.

She looked at Rayna with a wide smile: "Rayna, thank you for helping me teach my great enemy. You look so cute."

## Chapter 1615

Rayna smiled more openly: "Hey hey, actually... I used to be a very difficult person. The woman people hate is... Suzi taught me how to be a human being, and Suzi saved my life."

"It's okay, sister Shan, you and I, Suzi, and Galia, um Well, the little thing Shen Weiwei, we are all friends, you are not alone."

Dalia nodded gratified: "Yes, I still have friends like you, I am glad to know you, but unfortunately, you are all in Nancheng. , I'm the only one in Kyoto..."

She just said with emotion.

She never thought to ask Kraig to go to Nancheng.

After all, the focus of Kraig's career is still in Kyoto. Kraig's parents and brothers are in Kyoto, and more importantly, her mother is still being treated in the military hospital in Kyoto, so Dalia is just talking about it.

But she didn't expect that Kraig took her words to heart.

This evening, that is, the second night after Dalia came back with Kraig, Kraig washed her feet as usual, and when she washed her feet and wiped her feet, he said, "Mom's condition is actually very stable. Nancheng is treated the same as in Kyoto, I bought a ticket to fly to Nancheng tomorrow, and we can go to Nancheng tomorrow afternoon."

Dalia: "..."

She was surprised.

In the past, he had never made her needs his main consideration.

And now...

“It’s mainly considering that you don’t have any friends in Kyoto, and all those Kyoto ladies and high-class people want to befriend you. Who made your man the number one in Kyoto?”

“But they were all pushed by me.”

“I’m afraid they will affect you.”

“But, I can see that you like Rong Rong and Suzi more. I guess you also want Shen Wei?” Kraig asked .

Dalia immediately lowered her head and asked in a low voice, “Is it alright?”

“I already bought the plane ticket, why not?” the man laughed.

“Thank you.” She bit her lip.

This night, the man is going to sleep with her arms around her. Dalia did not agree.

She has never been a hypocritical woman. In the past seven or eight years with Kraig, she was meeting Kraig’s needs. They usually slept in separate rooms after they were done.

It’s better now, he hugs her every day.

Dalia was not much moved.

The love that has changed over time has long been different from the state of mind at that time.

However, she was moved.

The woman held her stomach and turned to Kraig’s back, and said calmly, “Jingyu, your cervical spine is not good. No matter how many places you go, no one can find the root cause. Find the blockage, have you suffered from cervical vertebrae problems again in the past few months?”

Kraig: "..."

In the past few months, he has been looking for her regardless of day and night, how can he think of it? Press your cervical spine?

"You and my lap, I'm half-slanted to see if I can press the cervical spine for you." The woman sat on the bed with difficulty and said.

Kraig: "..."

He seemed to see the woman who once loved him like his life.

They seemed to have returned to the past, she was soft-spoken, understanding, and thought of him everywhere.

Kraig's eyes were full of stars: "Ashan?"

"Lie down, I'll press you." She chuckled.

After a pause, she said again, "I've been lazy for the past few months, and I don't know how strong my hands are. I'll give you a press first to test the strength."

Kraig did not lie down . , he turned around suddenly, and hugged the woman with a pregnant belly in his arms.

He pressed against her neck and said hoarsely, "Ashan, we haven't been close to each other for four or five months. I'll touch it down, okay?"

## Chapter 1616

Kraig looked at Dalia with anticipation.

He didn't want sensual comfort and pleasure.

He just wants to let each other's hearts be further integrated by kissing each other's skin, and the best effect is to return to the way it was before.

She loved him before, and because she loved him, she was happy.

But now, her heart is numb.

Dalia lowered her head very low.

He didn't speak for a long time.

After a long while, she said in a very low voice: "I'm sorry Jingyu, I..."

"I'm sorry."

"I... want to work hard and try to please you, but I... I can't go back to the way I used to be." As

she spoke, she started to cry.

"I can't forget the bits and pieces of my time with Dashan, and the moment when I was kicked out by you. I know now that you were just one thought away. You kicked me out because you didn't feel in your heart that you were actually there. He loves me. You can't tell."

"I forgive you, I don't blame you at all."

"I would love to be the same as you were."

"But, when I think about the kind of torture I've been through. People beat me up so badly that I was beaten, and when I thought of me squatting outside your villa in the middle of the night in the cold wind,

and me... lying at your feet to pick up those When it comes to leftovers..."

"Jing Yu, I really can't get in the mood."

"I...give me some time, it's hard for me to forget what I've been through these four months."

"It's hard."

"I'm sorry,"

she said heavily.

I'm sorry.

However, Kraig's heart was like being cut by a knife.

All of what she experienced was not caused by his intentions, but all because of him.

She has become so Xiao Suo today that she can't lift her spirits and has a close relationship with him. How can he force her?

He held her tightly in his arms, his warm lips pressed against her forehead, and her hair kept saying, "I'm sorry, Ashan, I'm sorry, it's not enough for me to repay you with my whole life. , I'm sorry. Can you forgive me."

"I forgive you Jing Yu. You are still the best man in this world for me."

"I forgive you."

She looked at him gently.

"Go to sleep, I'll watch you and won't touch you again." The man said with his arms around her.

"Well."

She leaned her head gently on her shoulder and fell asleep slowly.

Only then did he dare to put her down gently, but even so, he still didn't pull out his arm.

This night was destined to be a night when his arms were crushed and numb.

However, for Kraig, he is very satisfied.

He even bit his own fingers several times all night.

When his own woman came back to him, he always felt that this was a dream.

Every time I bite my finger, I realize that it wasn't a dream, it was real.

He would laugh uncontrollably.

Just like this all night, while laughing, watching his woman sleep soundly.

The next day

they packed up and headed to the airport.

The old mother was also brought along, and there are special escorts to take care of her, and the hospital in Nancheng has already been contacted.

Not only that, but in Nancheng, they had already agreed to go to the airport early to meet Dalia.

When talking on the phone, Dalia had a feeling of coming home.

I have lived in Kyoto for seven or eight years without feeling like a home.

## Chapter 1617

Instead, Nancheng gave her the feeling of home.

She thought of Shen Weiyi who wandered around her legs and gave her a beast doll, wishing her a baby soon.

Thinking of Suzi, who didn't have much interaction with her, but wanted to help her everywhere.

And yesterday's Rayna.

The little pepper-like pungentness has a bit of a naive character, which is very joyful.

This happy little girl is now sitting next to Dalia.

There was a rare happy smile on Dalia's face.

Seeing Dalia happy, Jun Ruian sitting next to him couldn't help but ask with a smile: "Auntie, you have been here for five or six months, have you checked, is it your brother or sister?"

Dalia shook her head: "I haven't checked. "

Do you want a younger brother or a younger sister?" Jun Ruian asked again when he had nothing to say.

Dalia said without hesitation, "Boy."

Jun Ruian thought that what Dalia was saying was that if it was a boy, Jun's family would be more acceptable, so he said, "Auntie, it's alright, our Jun family doesn't prioritize sons over daughters. , I would rather have a younger sister, hee hee."

Dalia's eyes were a little slack looking into the distance: "I just don't want to have a girl, how miserable would it be if I had a fate like mine?"

Jun Ruian : "..."

Not far away, Kraig took the tea and came over. He handed the warm boiled water to Dalia, then put one arm around her: "The nightmare is over, everything will be fine. ."

Dalia nodded gently: "Yes." The

flight is three hours away.

They arrived at Nancheng at one o'clock in the afternoon.

As soon as she came out of the airport lobby, Dalia saw Suzi who had not seen her for four or five months.

“Sister Shan! Sister Shan!” Suzi put his toes on his toes and waved desperately to Dalia.

Dalia burst into tears.

To say who she would like most after leaving Kraig, there is no doubt that it must be Suzi.

During the few months she was on the run, she only contacted Suzi from time to time.

After more than four months, Suzi is thinner now than four months ago. Her skin is a little yellow, as if she was malnourished.

Moreover, Suzi had a little freckles on his face.

She has no makeup, and her whole body is naturally presented.

However, Suzi gave Dalia an unparalleled feeling of strength.

Dalia looked at it carefully again, Suzi’s stomach also bulged slightly.

There was a small group standing next to her.

We haven’t seen each other for four or five months, and the little dumpling has grown a lot taller.

“Aunt Shanshan, Aunt Shanshan... I miss you so much.”

“Aunt Shanshan, I gave you the Beast Doll before you left. Did you race the Beast Doll to you later? It’s in your belly, so your belly is bulging now?” Six-year-old Shen Yi’s little friend is really rich in imagination.

As soon as she said these words, it immediately attracted laughter from the people next to her.

Dalia was also amused by Shen Weiyi.

In fact, she has always been worried about giving birth to a daughter, worried that her daughter will be as ill-fated as herself in the future.

However, when she saw Shen Weiyi, Dalia forgot all her sorrows and sorrows.

Shen Wei is a little glutinous rice dumpling that can especially heal others.

Dalia came to Shen Weiyi with her pregnant belly up, squatted down with difficulty, and hugged Shen Weiyi in her arms, she said moved: “Yi, Aunt Shanshan has always missed you, especially miss you, Shanshan. Auntie heard that during the period when Auntie was away, you even helped Aunty fight and drive that bad woman away, right?”

Shen Weiyi nodded seriously: “Auntie, I beat that woman to tears! Hee hee I’m amazing!”

Dalia: “Thank you baby, thank you, Auntie suddenly wants to live when she sees you.”

Shen Weiyi couldn’t understand what it meant: “Ah?”

At this time, Suzi came to Dalia, she gently She shouted: “Sister Shan...”

Dalia immediately got up and looked at Suzi with a smile: “Suzi, you... are also pregnant.”

Suzi shook his head, and tears suddenly burst out When she came out, she stepped forward and hugged Dalia, choked with apology: “Sister Shan, I’m sorry!”

## Chapter 1618

Dalia looked at Suzi gently: "What's the matter? Why do you want to say sorry to me?"

Suzi's expression was always I'm sorry: "At the beginning, when you had an accident, I happened to be in dire straits. I originally planned to visit you in person in those days, but I happened to find my mother, so I didn't bother to ask you about it. "

Sister Shan, you have been suffering outside for five months."

"I...I've already heard about it, Sister Shan...if you want to be open, we will both in the future. Good to that old mother."

Suzi was not good at words.

She's not one to persuade people with sweet words, but her words come from the heart.

Very sincere.

This made Dalia feel an unprecedented warmth.

She suddenly felt that living abroad for the past few months might be a calamity.

Now, back again, there are people who regard her as a friend, and Shen Weiyi who likes her very much.

Life is not too cruel for her.

"Thank you sister, thank you for everything you have done for me. Thank you for Qingrong, thank you Galia."

After a pause, Dalia looked up at Shen Weiyi who looked up at her with a look of anticipation, and suddenly smiled. : "Aunt Shanshan would like to thank the little princess Shen Weiyi the most."

Shen Weiyi suddenly smiled: "It's okay, Aunt Shanshan."

"Sister Shan! You must get better! Look, you are going to be a mother soon, and you will know when you become a mother one day. Even if you were a weak little white rabbit before, when you become a mother, you will also Become a tiger all the time."

"A tiger who protects his own children."

"So sister Shan, for our children, get well!"

"Come on!"

Suzi has always been a woman who will never give up.

Even if she lives in the mud, even when she first came back with Arron and didn't know what her fate would be, she thought that Arron would really let her sell it, and she could figure out how to sell it as quickly as possible and how to protect herself. 's daughter.

However, in the shortest time, get away.

When Dalia saw Suzi, her heart ignited the courage to live.

"Well, my sister will definitely live well, and will...live a hundred years."  
Dalia said with a smile.

At this moment, she is happy.

Happy from the heart.

Kraig, who was standing by and pulling the suitcase, felt that he was right.

He and Arron looked at each other and smiled.

Arron said in a low voice, "I'll just take care of your affairs for you temporarily. When you deal with Dalia's affairs, yours is still yours."

"Old Master!" Kraig tapped Arron on the shoulder.

He didn't say anything.

Between life and death brothers, needless to say.

“Did you take Ah Shan to the maternity check-up?” Arron asked.

In this regard, he is more experienced than Kraig.

After all, he has already become a father. The one in Suzi’s belly has always taken Suzi to the obstetric check-up since he knew that Suzi was pregnant.

He knew how important a check-up was for a woman.

Kraig shook his head: “I haven’t had time yet.”

“Go as soon as possible! The month is old, and I have to go to the maternity check-up more often.” Arron said.

“Thank you, old man. When the child comes out, I’ll recognize your godfather.”

“It’s not too bad!” Before Arron could say anything, the little dumpling standing next to Dalia spoke.

## **Chapter 1619**

Xiao Tuan said with a smile: “In the future, I will have another younger brother and sister. Hee hee. “The

little girl is only six years old, but she is already very sensible and considerate. She urged Kraig: “Hurry up and take my Aunt Shanshan back to rest, Aunt Shanshan has my exploding beast in her stomach. Baby, she will be tired.”

Kraig twisted Shen Weiyi’s little nose: “Aren’t you angry with Uncle Jun?”

Shen Weiyi’s little chin raised: “Humph! Look at your performance!”

“Okay! Look at Jun Uncle’s performance!” Kraig said solemnly.

He assured everyone: “Ashan is the treasure of all of you, so all of you look at my performance. If I don’t dare to perform, you will just cut me into eight pieces!”

Arron smiled and said, "Go back quickly. Well, Ah Shan needs a rest."

At the airport, Kraig and Dalia said goodbye to them.

When they came to Nancheng, Dalia's mother naturally gave Arron to arrange which hospital to stay in, how to recuperate, and how to perform the next operation.

And Kraig just took Dalia back to his leisure villa in the middle of the mountain with confidence.

We haven't seen each other for five months, and here Dalia feels like a lifetime away.

Stopping the car, standing outside the Leisure Villa, looking at the small tree that had no leaves outside, she suddenly thought of that night.

It was a cool night, it was already autumn, she had no clothes to wear, she was homeless, so she huddled in this small bush, waiting for Kraig all night, but it was Elma who

dragged her . Go out and beat him violently, and almost didn't kill him.

Seeing Dalia standing outside the door in a daze, Kraig immediately understood that Dalia was in love.

"Ashan, I'm sorry." He knew that no matter how much he was sorry, it would be difficult to make up for the mistakes he had made to her.

But never thought about it, Dalia smiled relievedly: "I can't think that I am a daughter when I give birth to a child, but I am a mother, I can't let my child suffer like me all his life."

"So I decided, from now on, I will She is the mistress of this house!"

"From now on, if any woman dares to come to her house, I will break her legs!"

"This house, and you, can only belong to me!"

"!" Kraig said happily.

After a pause, he said to Dalia in the same tone of offering a treasure: "In a while, there will be a surprise for you, my wife, go first?"

Dalia nodded.

When she walked into the hall, Dalia only saw that the four domestic helpers were still there. The moment they saw Dalia, they all had red eyes.

Moreover, they all changed their mouths at the same time.

Before, they called Miss Dalia Du.

Now they call her: "Ma'am, you're finally back, you've lost your weight, ma'am."

"Ma'am, you...congratulations, ma'am, you've always wanted a child, and now you finally have a child."

"Ma'am, You have suffered outside the past few months, come back, we can take care of you when you come back."

"Madam, don't you know that the porridge you cooked was not well cooked by us, I don't know that there was too much millet, Or do you put too much rice? Anyway, you can't get the consistency of the Great Wall. I've always wanted to learn from you, my wife."

"You know how savage your husband is, but..."

"Since you left, Mrs., Mr. has never been here. Moreover, he specially instructed us not to move all the things here, because he was afraid that Mrs. would not recognize him when he came back."

Dalia's eyes suddenly turned red.

She looked up and looked around, nothing really changed here.

Kraig helped her upstairs. She was going to go to her bedroom, but Kraig stopped her.

"What's the matter, Jingyu?" she asked.

Kraig said affectionately: “Ashan, you won’t have your own separate bedroom in the future. Your bedroom is merged with mine. It’s at home in Kyoto, and it’s still here.”

He pushed the door open. Show it to Dalia: “Come in and have a look.”

Dalia stood at the door, stunned: “...”

This large sunny bedroom has always been Kraig’s room, but at this moment, the room is the first to catch the eye Yes, but her dresser.

Looking further inside, it was her creamy white wardrobe.

On the other side is the bed where she has been sleeping.

Even her favorite sheets and quilts were moved over together.

It was as if she had entered her own room.

Moreover, there were two books on the neatly made bed.

Kraig brought Dalia to the bed and gave her the book: "Ashan, over the old mansion in Kyoto, all the properties are owned by the entire Jun family, I can't make it all by myself."

"But Nancheng All the properties here will be yours in the future. This is the real estate certificate of this leisure villa, and it is your name now."

"This is the urban area and the flat floor where Shaoqin is a neighbor. Now the owner of the house. My name is also yours."

"And this,

this is my entire worth, Kraig, and I will give it to you now."

"In the future, your husband will take care of his wife's money even if he spends a penny."

Dalia : "Jingyu, you really don't need to do this..."

Kraig said with a smile, "Ashan, guess how much pocket money I need every month?"

"You must guess, Is five thousand enough?"

"Actually not."

"Actually, five hundred is not necessary."

"Actually, it doesn't matter if I don't spend a penny a month."

"Because I eat three meals a day at home."

"I usually have work meals for official business."

"So, in fact, I don't need to spend a penny. Everything Hand in my wife."

"Pfft..." Dalia was suddenly amused.

Thinking of him as an all-powerful man, in the past seven or eight years, when they traveled together, she didn't even need to ask the

south, east, north and west, everything was his worry and he made the decision.

Even if she is a year older than him.

But, for the past seven or eight years, she has been nestled in the crook of his arm like a little woman, and she doesn't have to worry about anything.

That's why she looks so much younger than her peers.

Now, seeing such a man who is used to big men's attention in front of her like a new good man who buys tai yao, it's impossible for Dalia's heart to dare not move.

She has a certain touch.

So this evening, Dalia took the initiative.

Because of her pregnant belly, whether it was her arms clinging to his neck or her wanting to get closer to him, she seemed so laborious and clumsy.

But, the more she is like this, the more she has a different taste in Kraig's eyes.

He loves it.

Unable to hold back from the heart.

However, men are patient.

He pulled her into his arms, and his thin lips whispered softly in her ear: "Ashan, you are pregnant, it is inconvenient, you can just sit, and I will do the rest. Yes."

His voice had the charm of a mature man.

In addition, he was whispering in her ear, which was even more touching.

As if her ears could be pregnant too.

The woman's face turned red.

This evening, they had just tasted it.

Kraig didn't even have any other purpose, he just wanted to warm Dalia's heart.

Sure enough, this night, she was one step closer to him, at least when she was leaning on his arm, her arms were clinging to his.

## Chapter 1621

Kraig is very happy.

Maybe he was in the dominant position last night, and he couldn't sleep with his eyes closed for two consecutive nights, so that this night, Kraig slept soundly.

When he woke up the next day

, he found that his woman was no longer on the bed.

Where has she gone?

She is inconvenient.

My stomach is so big, it is not convenient to go downstairs.

Kraig got off the bed with a carp, and came out of the car wrapped in a robe.

When he reached the top of the stairs, he heard voices downstairs.

"Sister Qin can do it, just thicken it like this. It's not too thick or too thin. The main thing is to get up early to make soup." Dalia said gently.

Sister Qin, the domestic helper, asked, "Madam, so you used to get up very early every morning?"

Dalia said in a light tone, "Well, I used to get up at four o'clock every day to cook porridge, which basically took three hours to cook. ."

“And this bean noodles...” Sister Qin asked again.

“I bought this bean noodles from a farmer in the suburbs of Kyoto.”

“The soybeans in their family are organic crops, and no pesticides are used in the whole process. The fertilizers are some organic manure produced by themselves, and no chemicals are applied. Fertilizer, so this bean noodles tastes like porridge.” Dalia still said gently.

After all, they lived in Nancheng for less time, and even if they died a year, they would only live for a month.

Every time she came to Nancheng, Dalia would put a small bag of sealed bean noodles in her suitcase, because she knew that Kraig liked the porridge she boiled, and this porridge could not be bought in the market.

It was her own creation based on Kraig’s stomach.

When they were in Kyoto, Kraig’s courtyard was the only two of them most of the time.

Therefore, the servants of the Jun family do not know how much care Dalia has put into serving Kraig.

In order to allow Kraig to drink pure bean noodle porridge, she almost harvested the soybeans, so she stayed at the farmer’s house. Even picking up plump soybeans one by one.

When I think about doing this myself, my heart is filled with happiness.

That kind of feeling can only be found when you love someone.

And in the future, she doesn’t know if she can do the same again as before.

After Du Juan explained to the domestic helper, he sighed to himself.

Behind her, an arm wrapped her in her arms: “Ashan, I didn’t expect you to do so much to me in the past. I really didn’t expect it. I thought that the porridge you cooked for me can be eaten anywhere. After you left, I drank several porridges in Nancheng and Kyoto, but it didn’t taste like yours.”

“Until now, I don’t know that you can drink a pure porridge for me. You are so attentive.”

Dalia raised her tender hand and stroked Kraig’s hand: “I...if I have time in the future, I will cook it for you, Jingyu’s porridge is ready today, let’s have dinner. , I have to go to the obstetric examination after eating.”

She also wanted to sit for the obstetric examination to see how the child’s development was.

After all, after being pregnant for so long, she fled everywhere and failed to get a maternity check-up.

“Okay.” Kraig said obediently.

After having breakfast, Kraig personally drove Dalia to the hospital for an obstetric examination.

The birth check went well.

Kraig accompanied his daughter-in-law the whole time. When she sat up from the ultrasound bed, he hurried to support her.

She got out of bed and he immediately got down on one knee to put shoes on for her.

She kept saying, “Ashan, be careful, be careful.”

“It’s okay, why are you so squeamish?” Dalia felt a little embarrassed.

Because people around her are watching her.

One of the pregnant women said enviously: “Look at his husband, he is so handsome, and he looks like a very noble man in his clothes. But he is really good to his wife.”

“However, they can be husband and wife . It’s a natural couple, men and women are as good-looking as movie stars, this is the sweetest and most beautiful couple I’ve ever seen growing up.”

Saying that, the pregnant woman turned to face the her husband.

As a result, the moment she turned around, the pregnant woman was suddenly stunned.
