

Noble Husband At the Door Chapter 166

Linda concealed her bag behind her back guiltily. What she was carrying on her was indeed fake, but she really did not expect that she would be translucenced by a look from Rong Liu.

Rong Liu drank her head and happily said, "What are you concealing? The fake one is the phony one. I'm not poking fun at you. Do you attempt to carry it on your back or otherwise admit it?"

"Honey, we're all schoolmates. Why are you fussing over a lot with them? It appears that you're also stingy." Yang Wen walked to Rong Liu's side, placed his arms around her shoulders, and also checked out Yvonne. In regards to look and also number alone, Rong Liu was indeed not comparable to Yvonne. It was a pity that such a gorgeous woman married a good-for-nothing, who was really wasting her prizes.

When Linda saw Yang Wen, she was instantly shocked. It was not his appearance, however his clothing. She wouldn't neglect his clothing even if they became ashes.

Samuel was playing piano in the shopping center. The video clip, which was incredibly popular on the Internet, showed that he was wearing the same clothing as Yang Wen. How could he have the exact same clothes? Was it a coincidence?

At this time, Samuel involved Yvonne's side. Yvonne presented him with a smile, "This is my other half. You should understand his name? I do not require to state anything."

Samuel's reputation in Cloud City was widely known, so Yvonne's classmates were well aware of it.

"He's quite fine-looking. Why is he such a wimp?"

"Who knows? Maybe this sort of individual simply wishes to be a gigolo."

"It's such a pity that he's such a good-looking person."

The female students murmured to each other, while the male students checked out Samuel with disdain.

Somehow, Samuel was the opponent of all the male pupils present, since the majority of them liked to have a crush on Yvonne.

" Nice to fulfill you," Samuel said nicely.

" It's better to satisfy each other when you're popular. You do look a little bit like a gigolo," Yang Wen joked.

Samuel increased his eyebrows and also said, "Really did not your uncle tell you to maintain a low profile?"

Yang Wen raised his head and giggled. He stated, "I didn't expect you to understand my uncle. My uncle is a prominent person, so he additionally showed me not to keep a reduced profile.

When Samuel still intended to claim something, Yvonne drew his hand.

" Allow's go. I have actually reserved the largest hall in the Town. Allow's go as well as have some tea and also catch up," Rong Liu stated. It was still very early and she still had a lot of possibilities to defeat Yvonne, so she was not quickly.

There were 5 halls in the Ton of money Tree Village. In addition, there were numerous small halls. Generally, those who had no connections or background did not have the qualification to sit in the hall. Yang Wen was able to obtain one of the most extravagant hall, which showed that Yang Qi was still very kind to him.

In addition to the tea area, there were also many home entertainment facilities, billiards, singing, and mahjong in the hall.

There was a phase in the south of the hall, which was prepared for the event of some large companies. At this time, there was a piano on the stage.

When those female schoolmates saw the piano, they could not aid yet think of the little prince of the piano, who was prominent some time back.

" Have you seen the video of the little prince of the piano? It was prominent online some time earlier."

" I also understand that there are several ladies that say that they intend to find him out and also marry him."

" People used to state that it was the hype of a brokerage business, but there hasn't been any news from the piano gamer for a very long time. He ought to be a passer-by."

When the women schoolmates were chatting angrily, Yvonne glared at Samuel, who was smiling bitterly. This was an unanticipated catastrophe.

" Samuel, why don't you go and play a song for them?" Linda advised him.

The little royal prince of the piano was by Yvonne's side, and he was Yvonne's partner. If they found out about it, wouldn't they be jealous of it?

" Do not do that. I'm below to be a green fallen leaf." Samuel rejected.

Linda said discontentedly, "Can't you just take it as assisting Yvonne fight for her track record? Can you bear to watch Rong Liu step on the head of Yvonne?"

Yvonne didn't mind Rong Liu discovering existence in her, and also she wouldn't require Samuel to do something that he didn't intend to do.

At this time, Yang Wen instantly strolled to the stage with his back to the crowd.

The sound of the zither was melodious, as well as this scene stunned all the women trainees.

What a familiar background and also familiar music.
