Chapter 1662

Chu Hongfa immediately hesitated: “This...Did Tiantian tell you?”

Xu Zeyan smiled lightly: “That’s not true, isn’t it what you said, when you took in Tiantian’s mother, she was only eighteen years old, and she could not apply for a marriage certificate at eighteen years old.”

“Yes, yes, yes, I didn’t apply for a marriage certificate with that woman because of this matter, but we are a de facto couple.”

Xu Zeyan nodded: “I see.”

After a pause, he said: “So, she is Tiantian’s mother after all, next time if she finds you or Tiantian again, see if you can do this, ask her out, and I’ll talk to her? “

Chu Tiantian: “Brother Zeyan, you are so kind to me.”

Xu Zeyan: “You said it yourself, I’m the hairy-footed son-in-law of your family, so I naturally have to take on the responsibility of the hairy-footed son-in-law.”

After speaking, the family and colleagues laughed.

very happy.

Chu Tiantian was even happier, she actually leaned on Xu Zeyan's shoulder coquettishly in front of her father and grandmother.

However, Xu Zeyan has something on his mind.

He can't be wrong.

Chu Hongfa was indeed not very kind to his wife back then.

And the woman she met outside of the Fu Group was not, as Chu Hongfa said, not doing her right job and making a living by selling her looks.

What are the twists and turns here, Xu Zeyan didn't see Tiantian's mother, so naturally he couldn't say anything.

At this moment, Xu Zeyan was still doing this thing with the idea of helping his girlfriend solve the problem.

At this moment, Xu Zeyan did not expect that the next developments were completely beyond his imagination and control.

After Xu Zeyan left from Chu Tiantian's house, Chu Tiantian's father and grandmother were very satisfied with this hairy-footed son-in-law.

Chu Hongfa was even more anxious in his heart, unable to sleep all night.

And Chu Tiantian's heart is also very warm, she thought, if she encounters that woman in the future, she will call her mother that woman in her heart. When she thinks about meeting that woman in the future, she will definitely ask her boyfriend to help teach her a lesson!

Finally let her die!

This way you will never see her again.

However, Chu Tiantian's wish was only fulfilled for three days before it was broken by the first.

Since Xu Zeyan went to her house, her relationship with Xu Zeyan became more intimate, and she even took the initiative to express Xu Zeyan that she could be Xu Zeyan's person.

It's just that Xu Zeyan is too reserved and decent.

He said that if he hadn't proposed to her, if he hadn't brought the matchmaking agency to her, he would have never touched her.

Chu Tiantian even asked him angrily: "Could it be that you are a forbidden bath type!"

Xu Zeyan smiled lightly: "Silly girl! If your future husband doesn't even have this self-control, I can't find any women in Nancheng. Don't I have so many women over the years? Do you want a husband who cares about you? ?"

Chu Tiantian smiled immediately: "Of course I don't want to!"

After a pause, she said, "Okay, okay! I'm too lustful, but I think it's better to listen to you. Let's keep our beauty on the wedding night."

Although there is no substantial relationship between the two, the relationship between the two is more intimate.

For three consecutive days, Xu Zeyan personally came to pick up Chu Tiantian from get off work.

On this day, Xu Zeyan walked out of the Fu Group with one arm around Chu Tiantian again, and a few colleagues at the door of the company joked with Tiantian.

"Sweet, you are really sweet now."

"I'm so envious that you found such a handsome and rich husband."

"Tiantian, I also want such an uncle. Please introduce me."

"What uncle, what you said is so ugly."

"Hey! You don't understand, okay? Uncle love is popular now, and it's not a real uncle anymore. Look at Mr. Xu, he looks like an uncle. He is

only thirty-two years old. When a man is the most attractive, okay! I just want to think of it as an uncle, especially.”

“Tiantian, introduce me.”

Chapter 1663

Chu Tiantian agreed: “Hao Le, I will definitely introduce you.”

“It must be a successful uncle.”

Chu Tiantian smiled and joked: “I will introduce you to an uncle who is twenty years older than you, okay!”

“Also! I just like mature men. Besides, Mr. Xu is twelve years older than you. Twenty, not much. I can.”

“Hahaha, are you looking for a father or a husband.”

“puff.....”

Everyone is talking and laughing, all half-truths, but everyone is envious of Chu Tiantian’s truth.

It is said that Xu Zeyan’s age is an uncle, but where does he have the slightest sign of an uncle, he is still very young, okay?

How golden, who doesn’t envy Chu Tiantian?

Chu Tiantian was also very satisfied in her heart. She was envied by these female colleagues, and her heart was full of joy.

Anyway, no matter how long she has not been detained in this group company, she is not too long.

She also put her arms around Xu Zeyan’s arm not to let Xu Zeyan go.

She blatantly acted like a spoiled child: “Brother Zeyan, I want to declare to the world that I am Brother Zeyan’s girlfriend, and I have to give up all the women in the Fu Group who want to covet my brother Zeyan.”

“So Brother Zeyan, you have to stay here for a while longer.”

Xu Zeyan said dotingly: “Okay, no problem! I’ll satisfy you.”

He wasn’t afraid to look anyway.

Who does not know in the entire Fu Group that he is the eldest brother of President Fu?

Just look at it.

Until the company’s female employees have taken turns to envy Chu Tiantian, and they all either take the bus, take the subway, or go to eat and leave, Chu Tiantian still has nothing to do with the child.

“Brother Zeyan, where are we going to eat today?” Chu Tiantian hung on Xu Zeyan’s arm.

“You said, I will let you eat whatever you want.” Xu Zeyan is not picky about food.

“What do you want to eat?” Chu Tiantian asked.

Then she smiled and said, “For the reason you gave me such a long face today, I will follow your taste today, what do you think, I invite you!”

Xu Zeyan smiled and pinched Chu Tiantian’s smiling face: “You invite me? Just your salary?”

Chu Tiantian looked at Xu Zeyan’s wallet maliciously: “Of course it’s my treat, you pay!”

“Haha!” Xu Zeyan was amused and burst into laughter: “You little thing, good! Good! You treat guests, I’ll pay, from now on for the rest of my life, you’ll treat guests, I’ll pay!”

“That’s right!” Chu Tiantian smiled complacently. Her little face was filled with happiness, which was indeed beautiful.

Young is good.

Her skin is like ceramics when shopping, exuding a healthy glow in the afterglow of the setting sun.

Xu Zeyan was stunned.

He is a man, and he has no shortage of all the emotions a man should have.

The reason why he respects the sick and loves Chu Tiantian so much is because of Suzi.

It was Suzi who taught him how to truly love a woman in his heart.

However, at this moment, seeing this young, smiling face, Xu Zeyan really couldn't control himself, he was a little drunk and a little intoxicated.

But Chu Tiantian was still asking him, "Brother Zeyan, will you eat me tonight?"

Xu Zeyan: "..."

He really couldn't resist.

"Not good! You old man, let go of Tiantian!" Behind him, there was a sudden roar!

Chapter 1664

Hearing the voice behind, Chu Tiantian suddenly shuddered.

At the same time, Chu Tiantian and Xu Zeyan turned around at the same time, without any suspense, Xu Zeyan saw the woman a few days ago.

That is, Shen Wei's children's shoes have to introduce the woman who is his girlfriend to his uncle.

The woman was still wearing the same clothes as the other day, and there was still a deep vertical line on the woman's face.

"It's you?" Xu Zeyan asked knowingly.

The woman did not look at Xu Zeyan, but looked at Chu Tiantian: "Tiantian, he is older than you, so much older than you, you are not suitable, can't you be greedy normally?"

At this moment, Chu Tiantian's whole face was flushed, she gritted her teeth and stared at the woman with red eyes: "You...you give me death! Death! Death! I How disgusting! Why don't you die!"

Chu Tiantian was extremely angry.

She didn't care about her image at all. She didn't expect Shang Hongmei to call her normally, but she came to the door of the company today.

Seeing her daughter drive her away like this, Shang Hongmei was not angry at all, she just looked at Chu Tiantian anxiously: "Tiantian, Mommy won't hurt you, Mommy is just a child like you, even if you risk your life. It won't hurt you."

"Don't go your mother's way, sweet, look at how miserable your mother's fate is?"

"You're only twenty-two, this old man is in his thirties, you can't be good at him, you will be deceived by him! Sweet!"

The anxiety in the woman's words was obvious.

Even Xu Zeyan couldn't bear to blame such a mother.

Although the woman kept calling him an old man.

I don't know why, seeing this woman speak, Xu Zeyan felt very deeply. He could feel the difficulty of being a mother at once, the anxiety of the mother, and the worry and anxiety of the mother for her child. Caring.

Is it because of Suzi?

Is it because he had witnessed how Suzi gave birth to the only one, how he had to go out to work before his confinement, and how hard it was?

Xu Zeyan didn't know.

He didn't have time to think about it, he just frowned at the woman in front of him.

The woman wants to touch the sweet face.

It was opened by Chu Tiantian.

In this way, Chu Tiantian still couldn't solve her hatred, and she still pushed the woman away: "Shang Hongmei, you shameless woman! You are really the most shameless woman I have ever seen in the world, how can you live! You deceived my dad's feelings, deceived my dad's money, deceived my dad's everything, and left my dad a child!"

"Now that my dad has some money, and you are getting old, you want to come back again?"

"How can you be so shameless!"

"You gave birth to me! But it's a lifelong disgrace to me, disgrace!"

"Why don't you die! I'm about to be tortured into a madness by you, Shang Hongmei, listen to me! I'll go bankrupt and I'll find the best lawyer in South City. I want to sue you!"

"I must let you go!"

"I want to make you empty! I want you to leave me alone for the rest of your life! Go to hell!"

“Dead woman!”

Her scolding was sharp.

That voice, that movement, was even more to Min Qingrong than Min Qingrong.

Xu Zeyan had been in contact with Min Qingrong recently. He knew that Min Qingrong was a bit of a shrew, but at this moment, compared with Chu Tiantian, Min Qingrong was nothing.

The woman who was pushed to the ground by Chu Tiantian was like a stubborn leaf in the wind, sitting on the ground desolately, looking at Tiantian with tears in her eyes.

“Sweet... Mom, it’s all for your own good. When you’re like me, it’s too late to regret it.” The woman said patiently.

“You’re not my mother, you’re not my mother, you’re not! No!” Chu Tiantian kicked women like crazy.

Xu Zeyan: “Sweet!”

Chapter 1665

Chu Tiantian turned back and looked at Xu Zeyan with tears on her face: “Brother Zeyan! Do you think I’m too much! But do you know how much this woman is too much?”

“She didn’t give me enough affection at all!”

“She only gave birth to me, she never took me!”

“She handed all the housework and all the trivial matters to my father. I have been a single parent since I was a child! I had no mother, and my father had no wife! She is not worthy of being a human being at all!”

Xu Zeyan: “...”

At this moment, he was even in a dilemma.

“You damn woman, don’t get out, do you want me to kill you!” Chu Tiantian looked at Shang Hongmei on the ground with disgust.

“Sweet... Mom can’t watch you jump in the fire pit...”

“roll!”

“You just got out! Get out now! I’ll fire you on behalf of my father! Get out now!” Suddenly, a small figure rushed over, and she pushed Chu Tiantian back two or three steps.

Chu Tiantian was startled.

Immediately after that, she saw a small dumpling that was only as high as her waist, looking at her with her arms crossed.

Shen Weiyi’s eyes were fierce.

As if to kill.

At this moment, Xu Zeyan was stunned.

She felt that the six-year-old dumpling with such glaring eyes, fierce milk, fierce eyes, and the highest authority in the Fu Group were really carved out of the same mold.

The real murderer!

Not fake boobs!

Cold and fierce.

Chu Tiantian took another step back in fright, then she covered her mouth in fright and glanced at Xu Zeyan, but stammered to please: “Little, little princess, you...what’s the matter with you, Tiantian Did your sister offend you?”

“Sister Tiantian apologizes to you, okay?”

“Humph!” Shen Weiyi glared at Chu Tiantian angrily with his hips on his back, and then turned to Xu Zeyan.

Xu Zeyan immediately asked with concern: “Yi, why are you here, why are you alone, who brought you here, how dangerous!”

Shen Weiyi: “I want you to take care of it!”

“How did you come here!” Xu Zeyan suddenly screamed.

“Mr. Xu, it’s me... I just picked her up from kindergarten.” A voice came from behind.

Xu Zeyan turned around and saw Christopher.

Christopher had already walked in front of Xu Zeyan, and he explained: “Recently, my wife is taking care of the baby at home, and I rarely go to the kindergarten to pick up the little princess. In addition, the fourth master has been busy with your Xu family’s business recently, and he can’t every day. I get off work on time, so I pick up the only kindergarten every day. She said she missed her father after school today, so I brought her here.”

Xu Zeyan nodded reassuringly.

Then pretended to be angry and looked at Shen Weiyi: “Yi, it’s rude of you to push Sister Tiantian like this, you know, now my uncle asks you to apologize to Sister Tiantian right away.”

Shen Weiyi: “I won’t apologize to her! Uncle, you are really too much. The vicious Chu Tiantian is bullying your girlfriend. You don’t let Chu Tiantian apologize to your girlfriend, but you want me to do it to Chu Tiantian. Sorry, you didn’t see it, am I helping your girlfriend?”

Chu Tiantian suddenly became an ice sculpture.

After a long while, she even forgot to be afraid of the little princess, she just asked Shen Weiyi in a daze: “You... What did you say, who did you say is your uncle’s girlfriend?”

She thought she had heard it wrong.

But seeing Shen Weiyi smugly said: “The beautiful beauty you knocked down is my uncle’s girlfriend! A hundred times more beautiful than you!”

Xu Zeyan + Chu Tiantian + Chu Tiantian's mother: "..."

Chapter 1666

Xu Zeyan took the lead in scolding Shen Weiyi: "The only one, don't talk nonsense!"

Shen Weiyi suddenly cried: "I didn't talk nonsense! My vision is the best, so I decided that this beautiful beauty is my aunt! I don't want Chu Tiantian to be my aunt!"

Chu Tiantian burst into tears.

She pointed at Shang Hongmei who was sitting on the ground with a bewildered face and scolded: "Shang Hongmei! How cheap are you! You don't let me talk to Ze Yan, it's not for my good, it turns out that you are staring at Ze Yan. Brother Yan?"

"You even curry favor with the little princess?"

"Shang Hongmei, are you still human!"

"You're still not human!"

Shang Hongmei, who fell to the ground and hasn't gotten up yet: "I..."

what did she do?

She didn't know anything, she didn't know who the fierce little princess in front of her was, and she didn't even know Xu Zeyan. She just saw that Xu Zeyan looked older than her daughter, so she was worried that her daughter would enter her daughter's house again. After all, she doesn't know anything about the rest.

"Pretend, you try to pretend for me!"

"Get away from me!" Shen Weiyi protected him as soon as he saw Chu Tiantian scolding the woman on the ground.

For a while, there was chaos at the gate of the Fu Group.

Many people want to watch the fun.

But because they saw that it was President Xu and the little princess, no one dared to approach.

During the chaos, Arron walked out of the company.

It was Christopher who called Arron. The little princess was not afraid of anything, let alone her uncle, but the little princess was afraid of her father.

"What's the matter." Arron's cold and indifferent words made several people scared to speak.

Especially Chu Tiantian, she immediately stammered and said, "Yes, I'm sorry, Mr. Fu, it's my fault that made the little princess angry."

"Dad!" Shen Weiyi wanted to cry aggrieved.

It seems that she has suffered a lot by herself.

Arron drank coldly: "Don't cry!"

Shen Weiyi abruptly held back her tears.

"Do it in Uncle Christopher's car!" Arron said with a cold face again.

"Got it." Just as he was about to leave, Arron stopped him again.

“Wait!” Arron said.

Shen Weiyi pouted: “Dad...”

“Apologize to Sister Tiantian!”

Shen Weiyi: “Humph!”

“Apologize!”

Shen Weiyi argued with reason: “She bullied my aunt!”

Arron: “...”

“When did you have an aunt!” He couldn’t believe it.

“You can help my uncle introduce a girlfriend, can’t I introduce it to my uncle! The girlfriend I introduced to my uncle is a hundred times more beautiful than the girlfriend you introduced to my uncle. Dad, you have a problem with your aesthetics, you know! “Even though Shen Weiyi was afraid, he didn’t want to delay his uncle’s marriage.

She said, and pointed to Shang Hongmei to show her father.

Arron followed his daughter’s fingers and was stunned.

This.....

He really seriously doubts, is there an aesthetic problem with the confidant’s jewel in the palm of your hand?

“Are you sure she’s your aunt?” Are you in her forties?

Ze Yan was only thirty-two.

“Of course!”

Arron: “...” My daughter is...

She saw Pan Mingsai as a little beauty.

But everyone who sees Pan Mingsai thinks that Pan Mingsai is not good-looking.

Now, this little devil looks at the 40-year-old aunt who is beautiful, beautiful enough to be an uncle's girlfriend?

Is the girl serious?

Shen Weiyi nodded immediately: "Dad, I'm very serious about telling you this!"

"Well, you are really good at cheating your uncle!"

Christopher behind him: "Pfft..."

Chapter 1667

"Christopher." Arron shouted.

Christopher immediately responded: "Fourth Master, I am here."

"Send the little princess and the lady on the ground to the car."

Christopher: "Yes, Fourth Master!"

Christopher told Arron about the situation just now. He and Xu Zeyan had the same opinion, and always felt that the woman who was pushed to the ground by Chu Tiantian was very pitiful.

But no one understands how deep the conflict between Chu Tiantian and her mother is.

After all, I haven't experienced it myself, so can I tell right from wrong?

However, Arron actually admired his daughter very much in his heart.

A daughter's intentions, a father fully understands.

She and her mother and uncle lived on the street for six years. In those fleeting years, Suzi was so down and out, sometimes even worse than this woman.

Daughter in the end because of compassion.

Seeing such a similar woman, will involuntarily develop sympathy and goodwill.

Shen Yiyi didn't say a word to his father, but his acquaintance, Mo Ruofu.

Therefore, he asked Christopher to help Shang Hongmei into his car first.

Sure enough, Shen Weiyi suddenly became happy.

She stood in front of Chu Tiantian and said sincerely: "I'm sorry, I was too much just now, I apologize to you."

Chu Tiantian: "..."

Isn't she asking for an apology?

What she wanted was, why did President Fu let Shang Hongmei sit in his car?

"Mr. Fu..." Chu Tiantian shouted, "This woman is really morally corrupt..."

Arron glanced at Chu Tiantian, and his voice was extremely cold: "No matter how bad the morals are, you shouldn't judge her, right?"

For a moment, he suddenly felt that he was really not suitable to be a male matchmaker.

The daughter is right, the father's vision is too bad.

In the future, I will never give anyone a girlfriend again!

The ruler is long and the inch is short.

To be a male matchmaker is his shortcoming of Arron.

Carrying Shen Weiyi into the car, Arron turned around and said something inexplicable to Christopher: "In the future, you can find your girlfriend yourself, don't let me worry!"

Christopher: "..."

That, lord, I didn't say you have bad eyesight.

Lord, are you worried about my personal affairs?

Forget it, sir, don't worry about it.

You are so stupid about this!

Just when Christopher was slandering his grandfather, Arron had turned around and came to Zeyan and Chu Tiantian: "Zeyan, send Tiantian back first, and let Tiantian calm down first, her and his mother's affairs will be for another day. Call her father and let's solve it together."

Chu Tiantian: "..."

At this moment, she was a little afraid of Arron.

Arron said unsmilingly, "That's it!"

Yubi turned around.

Xu Zeyan wanted to send Chu Tiantian away first, but when he heard Arron say this, he was naturally happy: "Tiantian, get in the car, you go back and calm down first."

Chu Tiantian was a little embarrassed: "Brother Zeyan, you...don't be deceived by this woman, she is a liar."

Xu Zeyan smiled lightly: "If Mr. Fu takes the lead to solve it, he will definitely solve it for you completely, don't worry."

"Well, thank you Brother Zeyan." Chu Tiantian's heart warmed.

Along the way, when Xu Zeyan was driving, whenever he encountered a traffic light, he would put his hand on the back of Chu Tiantian's hand to comfort her and let her not be afraid.

"Brother Zeyan, I want to get married soon." Chu Tiantian said.

"Okay, we'll get married whenever you say." He also felt that Chu Tiantian was a very good girl, and she couldn't be considered bad because of her conflict with her mother.

If you don't experience the suffering of her people, how can there be love and hatred in her heart?

He believes that Tiantian is a good girl.

Back home, Chu Tiantian immediately said to her father, Chu Hongfa, "Dad, I have good news to tell you, Mr. Fu will personally come forward to resolve our grievances with that woman, are you happy?"

Chu Hongfa was stunned: "What?"

Then, he said in a confused language: "No...no, I don't agree!"

Chapter 1668

Hearing such words, Xu Zeyan was stunned.

He had a bad impression of Chu Hongfa at first, but now seeing Chu Hongfa dodging like this, Xu Zeyan was even more puzzled.

"Why?" Xu Zeyan asked.

Chu Hongfa: "No... no more trouble."

Xu Zeyan looked directly at Chu Hongfa: "This matter has become a problem for Tiantian, and it has seriously affected Tiantian's work and life. Tiantian has always been afraid that it will not be resolved, and

she will not be able to win a lawsuit. , now my fourth brother Fu has come forward to solve it for you, do you have something to hide?”

Chu Tiantian also comforted: “Dad, if President Fu wants to solve this matter, it will be solved thoroughly! Why don’t you agree? What are you afraid of?”

Chu Hong hesitated.

Later, he said dejectedly: “It was your mother who gave me the cuckold. Who in this world is willing to disclose the fact that he was cuckolded by his wife?”

Xu Zeyan + Chu Tiantian: “...”

Xu Zeyan had some doubts in his heart. When he came here three days ago, Chu Hongfa was still willing to solve it. It would be better if Shang Hongmei could be sentenced to jail, but now that he heard that Arron was going to come forward to solve the matter, he Disagree?

Is it because he was afraid that his cuckolding would be made public.

Still afraid...Arron?

Taking a chance, Xu Zeyan pulled Chu Hongfa to a hundred years, but said to him, “Are you worried that what you did to us more than 20 years ago will be known? So you don’t want to solve it? “

“If that’s the case, you can rest assured!”

“I said, for the sake of Tiantian, I won’t mention your past in my life, and I won’t mention it again. First, because you love Tiantian, you are a qualified and good father, and I really don’t want to let Tiantian go. Sweet has any psychological burden.”

“In addition, although you wanted to kill us back then, but you didn’t do it in the end, it’s nothing. It’s good to reform.”

Chu Hongfa repeatedly thanked: “Thank you, I...”

It’s not because of what happened more than 20 years ago.

He was afraid of Arron.

Although Chu Hongfa had never met Arron or dealt with Arron, he still knew the deterrent power of Arron in Nancheng.

If Arron came forward to solve this matter, he would definitely get to the bottom of everything.

Chu Hongfa was afraid that he wouldn't be able to eat by then and walked around.

"What's wrong with you? What are you hiding?" Xu Zeyan asked suspiciously.

Chu Hongfa: "..."

He had the feeling of being driven ducks onto the shelves.

There is a very bad feeling.

"What are you afraid of?" Xu Zeyan asked again.

Human intuition is sometimes so accurate.

He always felt that Chu Hongfa was not very fair.

I always felt that Chu Tiantian's mother, Ms. Shang Hongmei, did not look like what Chu Hongfa and Chu Tiantian said.

He always felt that there was something hidden in the middle?

Under Xu Zeyan's intimidation, Chu Hongfa had to bite the bullet and agree: "Okay...Okay. It would be great if Mr. Fu could come forward to solve the problem in the quality inspection room."

"Okay, you and Tiantian prepare. When I go back and discuss the time with my fourth brother, I'll drive to pick you up."

"Thank you." Chu Hongfa said mechanically.

This evening, Xu Zeyan left without staying at Chu Tiantian's house for long.

After he left the Chu house, he did not go home, but drove in the direction of Arron and Suzi's house.

She still didn't know what happened to Shen Weiyi?

If you make a phone call in the car, it is better to ask directly.

In Xu Zeyan's heart, no one can compare to Shen Wei's status.

He drove steadily all the way, and thought about a lot of things. He always remembered the woman who was pushed to the ground by Chu Tiantian. Chu Tiantian's phone call came in silently.

Xu Zeyan connected: "Sweet."

At the other end, Chu Tiantian cried, "Brother Zeyan, today... I'm so sorry."

Chapter 1669

"What's wrong?" Xu Zeyan asked gently, and then coaxed softly, "Why are you crying?"

"Brother Zeyan, do you think that what I did outside the company's door today was too much?" Chu Tiantian asked.

Xu Zeyan: "..."

To be honest, he thought it was a bit too much.

Seeing that Xu Zeyan didn't speak for a long time, Chu Tiantian said more and more desolately: "I know, in the eyes of outsiders, outsiders will definitely say, that is your mother, how can you be so cruel to her? But who can understand me? bitter?"

"I haven't had a mother to love me since I was a child."

"When others can throw themselves into my mother's arms and act like a spoiled child, I can only watch when they scold me."

"Countless nights, I've wet the pillow by myself crying."

"How much do I need mom?"

"No one can understand how I feel."

“But what about her? She didn’t give me any motherly love! What she gave me and my dad was an endless shame!”

“Now I don’t need mother’s love anymore, not at all, but she wants to coerce me and kidnap me spiritually. Who can stand it and who can stand it!”

Xu Zeyan: “...”

“She has been pestering me for more than a day or two. In the past two months, I have answered her phone more than a dozen times.”

“Her harassment of me is so pervasive!”

“Why!”

“Why can she be irresponsible to me, let me have no maternal love, and I have to endure her kidnapping of me? Why!”

On the other end of the phone, Chu Tiantian said more and more aggrieved.

At the end, she cried very sadly.

“Brother Zeyan, I really hope, I really hope she’s dead, she’ll die soon, you know!”

“I hate her! I will never forgive her!”

At the end of the phone, Xu Zeyan spoke slowly: “Tiantian, don’t be sad, I understand you, but she is your mother anyway, you have to calm down, just deal with this matter calmly, and there will be no one in the future. I’m harassing you again.”

“Thank you, brother Zeyan, you...you know, brother Zeyan, now you are my all support, I...can’t live without you.”

“Brother Zeyan, I...I love you, I love you very much,”

“Since you came back, I heard that when you took care of the little princess and her mother for six years, and after listening to the story of your mutual dependence, I actually fell in love with you, and I am honored to be your daughter. friend.”

“I will never be greedy for a penny from you in my life, I just want to be with you heart to heart.”

“Brother Zeyan...”

“I love you too.” Xu Zeyan said.

“Brother Zeyan...” Chu Tiantian choked again.

“Be good, be obedient, and things will be resolved.” Xu Zeyan coaxed Chu Tiantian.

“Well, Brother Zeyan, please drive, I hung up.”

“good.”

Xu Zeyan’s heart was full of mixed feelings.

Of course, it’s more of a warmth.

She said those three words to him.

He also said those three words to her.

Although there is no substantial development between each other, they also feel that their hearts are getting closer.

He thought, he must help Tiantian solve this matter thoroughly.

The car turned into the community and stopped after a while. He got out of the car, got in the elevator, and knocked on the door.

Within a minute, the door opened.

Xu Zeyan’s voice was very pleasing: “Shen Weiyi, do you see what uncle brought you?”

As a result, when the door opened, Xu Zeyan was stunned, and he asked embarrassingly, “You...why are you here?”

Chapter 1670

It was Shang Hongmei who opened the door for Xu Zeyan.

That is, Chu Tiantian's mother.

"I've been waiting for you!" Shang Hongmei's tone was still not good, she didn't show any inferiority or pleading in front of Xu Zeyan, some were just stern.

Shang Hongmei is just a coward, but her articulation and logic are clear: "Mr. Xu, I hope you don't ignore the power of a mother, as long as I live in this life, I will not allow you to harm me. daughter."

"If you don't believe it, just wait and see!"

"Dare to destroy my daughter, I will destroy you!"

This is Arron's home.

In other words, this is the only home for Suzi and Shen.

That is to say, Shang Hongmei is so arrogant on Xu Zeyan's one-third of Xu Zeyan's land?

"You... what did you say?" Xu Zeyan couldn't believe his ears.

"Don't destroy my daughter!"

Xu Zeyan was annoyed: “Why do you take one bite and I will destroy your daughter!”

He said angrily, “The only one! Suzi! Brother-in-law! The three of you turned your elbows out!”

At this time, Shen Weiyi’s little friend ran over and looked up at Xu Zeyan: “Uncle, this is my friend... Be polite to my friend.”

Oh!

your friend!

Count you restrained!

I haven’t said that she is my girlfriend in front of your parents and this woman!

Xu Zeyan gave Shen Yiyi an angry look, and then looked at Shang Hongmei: “Ms. Shang, I think you need to understand a little. Your daughter is twenty-two years old. She is an adult and has autonomy.”

“Even if you are a mother, you have no right to interfere with her!”

“I am free love with her! Very noble! I will never harm her!”

Shang Hongmei reddened her eyes and said, “How can you make me believe you! Do you want her to be like me, to give birth to a child, to be deceived, and to the point where even her own child doesn’t recognize me? What’s the use of her regrets?”

Xu Zeyan: “You...what did you say?”

“Your daughter who you cheated on doesn’t admit you, is that so?”

The woman looked up at Xu Zeyan with sharp and dreary eyes, and said without hesitation: “Otherwise, what do you think!”

Xu Zeyan: “...”

He was really speechless.

Fortunately, Suzi came out of the kitchen at this time. She was six months pregnant, and her belly was obvious. She came to Xu Zeyan with her belly up, and spoke in a soft tone: "Brother, come in and talk."

Xu Zeyan came in.

Suzi pulled her aside.

"Brother, like this kind of housework, you can't just listen to one side. You have to listen to many aspects, eh, in short, housework is difficult to judge, but since you are in love with Tiantian, you are involved in this. It's inevitable."

"But to be honest, brother, I'm also a woman. I think when I was misunderstood by the whole upper class, the whole upper class thought I was a heinous woman. At that time, I was really full of mouths but couldn't tell."

"So brother, you..."

After a pause, Suzi sighed: "Find out the truth, this is related to Chu Tiantian's character."

Suzi is just such a brother, she doesn't want to have a duplicitous sister-in-law in the future.

Although Shaoqin reassured Xu Zeyan that he had no problem with Chu Tiantian's character.

But at this moment, Suzi had to be deeply suspicious.

Chapter 1671

A girl beats and scolds her mother, how much hatred is this?

What's more, this mother doesn't look like the kind of bright and beautiful woman who only cares about today and doesn't care about tomorrow. This woman has a very clear mind.

Xu Zeyan listened to Suzi's words the most.

He nodded: "I see, I will definitely handle it properly, don't worry about it, the months are so old, take good care of the baby."

Suzi nodded: "Well, let's eat, you must be hungry too."

As soon as she spoke, she came out to greet Shang Hongmei for dinner.

As a result, Shang Hongmei was no longer in the living room.

"What about... Chu Tiantian's mother?" Suzi asked Arron and Shen Weiyi who were sitting on the sofa.

Arron said flatly, "She insists on leaving, and doesn't want to stay here for dinner."

Shen Weiyi nodded with red eyes: "Aunt Shang is gone, woo woo."

Arron asked Shen Weiyi: "Do you like her so much?"

"Is she beautiful! She's almost like my mother!"

Arron: "..."

Are you turning your elbows out!

Is your mother prettier than her?

Arron looked up at Xu Zeyan and Suzi: "She said she didn't know us well, so she wouldn't stay here to eat. The reason why she stayed here was to warn Zeyan in person not to hit her daughter."

Neither Xu Zeyan nor Suzi knew what to say.

During the meal, Suzi opened his mouth: "Brother, you heard from Chu Tiantian's father that it was this woman who harmed him seriously, and then this woman didn't raise her daughter?"

Xu Zeyan nodded: "Sweet dad told me this."

Suzi said: "But Shang Hongmei didn't tell me that."

Xu Zeyan was stunned for a moment and asked, "She...what did she say?"

He thought that the reason why Shang Hongmei didn't bring Arron and didn't leave was simply to warn Xu Zeyan here not to approach her daughter.

But Xu Zeyan didn't expect that Shang Hongmei would take the initiative to say something to Suzi?

Suzi sighed: "She said that she was very hard, her mother died when she was a child, her father found a wife, and when she had a stepmother, there was a stepfather. After her father and the second wife's child was born, her biological father Not like his own father."

"In that house, there is no place for her at all."

"Shang Hongmei went out to work at the age of sixteen. When he was seventeen, her half-brother was injured in a fight with her, and she had to pay hundreds of thousands of dollars in compensation at one time. At that time, her biological father found her and forced her to help her brother pay back the money. The teenage Shang Hongmei was not yet able to fight against her father."

"Later, under the mutual coercion of her biological father and stepmother, she went to a nightclub."

"Because she didn't get used to it and couldn't accept the guests, she was severely injured by a guest. When she escaped, she happened to meet Chu Hongfa on the way. She was rescued by Chu Hongfa, and she has followed Chu Hongfa since then."

Xu Zeyan breathed a sigh of relief, and he said in a low voice: "It seems that neither of them lied on this point, and Tiantian's father told me the same."

After a pause, Xu Zeyan said to himself, "I... I originally thought that Chu Hongfa was not a good person and might lie, but now I'm relieved, he didn't lie to me."

"Brother, do you know Chu Hongfa?" Suzi asked subconsciously.

Xu Zeyan shook his head: "No...I don't know."

Suzi said a little worriedly: "I heard from Shang Hongmei that Chu Hongfa is not a good person, but we can't judge whether what she said is true or not."

Xu Zeyan suddenly remembered something and asked Suzi, "Did Shang Hongmei tell you the real reason for her separation from Chu Hongfa?"

Suzi raised his eyes and looked at Xu Zeyan: "What is it?"

Xu Zeyan sneered: "She cheated. When Tiantian was a few years old, she ran away with a man several years younger than her."

Suzi: "...Ah this?"
