

Chapter 171

In the eyes of everyone worshiping, Charlie left calmly.

Warnia couldn't help but look at him on the way to send him back.

At this time, Charlie had returned to the ordinary state of his, and she could not see any powerful cultivation base on his body.

She was surprised and felt a little weird.

Just now, Charlie exuded the aura of a superior, which made people fear and tremble.

But now, this temperament is gone, at first glance, it looks no different from passersby.

Hard to say if it is his intentional restraint, or just an illusion.

Warnia couldn't help asking: "Charlie, did you really call the spirits that time?"

Charlie looked at her and smiled slightly.

"Guess? If I say it's a coincidence, do you believe it?"

In Warnia's mind, the appearance of Charlie summoning Tianlei flashed past unconsciously.

In the flash of thunder, he stood proudly in the world, with outstanding temperament.

If it is such a man, no matter which woman sees it, she will fall in love.

Warnia couldn't help her heart moving, but she shook her head quickly.

What a joke!

Even the world's top physicists cannot control lightning.

If Charlie could summon Tianlei, would he still be a poor son-in-law like he is now?

Could it be that the sky thunder just now was really just a coincidence?

When Charlie returned to the door, he heard the voice of his mother-in-law Elaine coming from the house.

"I told you to find a capable husband, but you just didn't listen! See how capable this son-in-law is, he gave her a big four-bedroom! More than 180 square meters! How bright? Let's look at our house again, it's a total of 120 square meters, so I'm a stubborn person!"

After finishing speaking, the mother-in-law said angrily: "People's son-in-law can count on it. Charlie's marriage is useless. Counting on him, I'm afraid I won't live in a big house in my life!"

Claire's dissatisfied voice came: "Mom, what do you envy other people doing, besides, I have also been promoted to director. If we save a few years, can we still not afford a new house?"

The mother-in-law spoofed and said: "Wait a few more years? Wait a few more years, the day lily will be cold! Since you married Charlie, our family's life has plummeted. We can still live in Willson's villa, now what? This broken house, my friends, all can live better than me!"

Claire said: "Mom, does it make sense for you to always compare like this?"

"It's boring!" The mother-in-law said angrily, "Because I can't beat others, so I'm boring! Especially boring!"

Charlie shook his head helplessly at this time, opened the door and walked in.

Seeing Charlie's return, Elaine snorted coldly, and said, "Do you still know how to come back? Can you cook the meal? We are all hungry!"

Charlie smiled and said, "Mom, I'm going to cook now."

After speaking, he went straight to the kitchen.

Charlie couldn't be more clear about Elaine's character, snobbery and clumsy, he felt uncomfortable when he saw what other people had.

If she knows that Solomon wants to give him a villa in order to make amends, she is afraid that she will come over and kneel and lick him immediately.

Chapter 172

However, as for Elaine's performance, he is not ready to say anything about this house.

Charlie was busy working in the kitchen, Claire walked over and said in a low voice, "Don't take what mom said to your heart, she just admires vanity."

Charlie deliberately said, "What did Mom say? I didn't hear a word."

"Just pretend, it's strange if you didn't hear it." Claire poked Charlie's forehead with her finger.

Charlie took advantage of the opportunity to hold her hand.

Claire blushed, and quickly looked out of the kitchen before she retracted her hands.

But Charlie held on to it, took a closer look, and saw that she was carrying the bracelet he made, and he smiled and asked, "Is this bracelet effective?"

"Huh?" Claire regained her senses, nodded and said, "Don't say it is really effective. Since I put on the bracelet, my body feels like a new look and feels much more comfortable. What exactly is your bracelet made of? Does it work?"

Charlie smiled and said, "It's just a pearl."

The white beads were worn on Claire's wrist, making her wrist like snow, white and tender like a new lotus root.

Charlie's smooth and warm jade hand was held in his hand, like a piece of warm jade, and he didn't want to let it go.

Claire also noticed it, blushing, and immediately retracted her hand and glared at him.

Charlie smiled and said, "Do you want to change the house too?"

“Of course, who doesn’t want to live in a new house? Since my mother moved out of the villa, she complained all the time that it was too small and broken.”

Claire sighed, then recovered and said: “It’s just that the house price is too expensive now, and the family doesn’t have that much money, so let’s forget it.”

With that said, Claire suddenly remembered something and blurted out: “By the way, we can go to see the real estate first, and calculate how much the difference between this house and the new one would be. If the price difference is not so high, then replace this with a better one.”

Before Charlie had time to speak, Claire said excitedly: “That’s it. It’s the weekend tomorrow, let’s go out and check out the real estate!”

Seeing that she was very interested in this matter, Charlie nodded and said, “Since you want to see it, I will accompany you.”

Claire researched the real estate information on her mobile phone and decided to take a look for houses in New District with a better environment.

It just so happened that someone came and knocked on the door after eating. A courier handed a small package to Charlie and said, “This is for you. Please sign it.”

After Charlie signed the receipt, he opened it and found that there was a suite door key and several golden cards with the words “Tomson Villa a05” on it.

At this time, Charlie received a phone call from Solmon, the patriarch of the White family. He respectfully said on the phone: “Mr. Wade, have you received the key and room card? Tomson Villa is developed by Tomson Company in Aurous Hill. The most high-end real estate project. The No. a05 I gave you, is the largest villa, excluding the courtyard, with an area of more than 1,000 square meters, please accept it!”

Charlie has heard of Tomson. They have developed villas and high-rise communities in Aurous Hill, which can be said to be the highest-end real estate project in the city.

The market price of such a villa is at least 100 million.

It seems that Solmon is indeed bleeding heavily.

So Charlie said lightly: “You have a heart.”

Solmon said ecstatically: “Where is it! It is an honor for the White family to serve Mr. Wade!”

Back to the room, Charlie deliberately asked Claire: “Wife, do you like the house of Thomps Builders?”

“Thomson First Grade?!” Claire exclaimed, “How can we afford the houses there! The prices of ordinary high-rise residential buildings there are twice as expensive as outside! But the houses are indeed the best in Aurous Hill!” “

Charlie smiled slightly and said, “You can go and see it tomorrow, let’s talk about whether you can buy it or not later.”

Claire hurriedly waved her hand and said, "Forget it, let's be more pragmatic and take a look at ordinary houses."

Charlie smiled and said, "You tell me, I have a friend at Tomson First Grade. He said he can help get the internal price. We can go and see first."
