Chapter 1712

The doctor asked Xu Zeyan seriously from time to time, “Did you have any major trauma?”

Xu Zeyan: “I broke my leg before. Later, through physical therapy and high-tech surgery, my leg is better now.”

“That’s right, when you broke your leg, it indirectly affected your...” He said half of what he said, but Xu Zeyan understood.

This was a bolt from the blue for him.

It never occurred to him that his broken leg would affect this aspect of himself.

After all, before the physical examination, I could not think of this aspect of the physical examination.

He asked in a quiet tone: “This... can... can it be cured?”

The doctor shook his head: “No one can guarantee this. Anyway, in terms of numbers, you are infertile.”

Xu Zeyan: “...”

He subconsciously turned his head to look at Chu Tiantian.

Chu Tiantian was stunned.

“Sweet... I’m sorry.” Xu Zeyan apologized first.

The doctor has left here.

He just let me know.

As for the patient’s psychological receptivity and the like, it is not under the control of the doctor.

Chu Tiantian retreated step by step, she looked at Xu Zeyan in an incredible and cold tone: “Xu Zeyan! I... Only today did I understand why I suggested you time and time again and wanted to live with you, but you never Neither agree!”

“It turns out... it turns out that you are actually defective in this convenience!”

“You are a man who is not a man, you are a flawed man! Why are you lying to me!”

“fraud!”

“you liar!”

“Is it fun to deceive my feelings! This is your rich boy? Ha!”

“Xu Zeyan, don’t tell me, you played too much with women in your early years, and cut yourself off!”

Xu Zeyan was a playboy in his early years, and Chu Tiantian always listened to Shang Hongmei.

When Shang Hongmei said this to Chu Tiantian, Chu Tiantian wished she could kill Shang Hongmei.

Because she knew the truth of murder, she had always hoped that Shang Hongmei would be killed by a car!

The day before yesterday, Shang Hongmei was not beaten to death by the old man surnamed Dong. She really deserved her life!

However, Shang Hongmei was right on this point, the former playboy in front of him actually played himself into a dead son!

Chu Tiantian doesn't care how playful Xu Zeyan was back then.

But being infertile does not mean inhumanity?

A waste!

A eunuch!

She Chu Tiantian is actually in love with a eunuch?

A wave of disgust swept through.

She looked at Xu Zeyan with disgust and disgust.

I simply forgot that just the night before yesterday, Xu Zeyan spent millions for her.

Just this morning, Xu Zeyan gave her father the imperial green treasured at home.

At this moment, she only shouted viciously: "Eunuch!"

Xu Zeyan: "..."

He also just learned that he has this flaw.

He's flawed and he's sick enough!

Unexpectedly, Chu Tiantian even sprinkled salt on his bloody wound!

At this moment, he really wanted to raise his slap and hit Chu Tiantian's face.

But as a man, he couldn't do it.

He is physically disabled, but he can't do the next thing!

"Let's go!" Xu Zeyan said bleakly and indifferently.

"I'll leave if you don't say anything!" Chu Tiantian said viciously.

Xu Zeyan: "..."

Chu Tiantian turned around and left.

After walking out several steps, she came back.

Xu Zeyan's heart suddenly warmed.

He rang, as long as Chu Tiantian still wanted him at this time and was willing to stand with him through thick and thin, he would hand over the entire Xu Group.

However, Chu Tiantian came to him and said calmly: "Mr. Xu! After such a commotion today, my great future in the Fu Group is gone!"

"What does this have to do with your future in the Fu family?" Xu Zeyan asked inexplicably.

Chapter 1713

He also didn't understand what Chu Tiantian meant when he turned around and said this?

"You are a relative of Fu's family, and Mr. Fu's eldest brother, how can I stay in Xu's group?" Chu Tiantian said coldly.

Xu Zeyan smiled reluctantly: "Don't worry, I, Xu Zeyan, are not a villain. We broke up. It doesn't mean that you can't work in the Fu Group. Besides, President Fu is not the kind of person you think. We broke up in the slightest. It doesn't affect your future."

"You sound so good!"

Chu Tiantian sneered: "Am I stupid enough to believe you!"

Xu Zeyan: "..."

After a pause, he said indifferently, "You don't have to believe it."

"So, you have to compensate for my loss!" Chu Tiantian finally expressed her request.

Xu Zeyan: "..."

He laughed suddenly.

Then he said, "Okay, how much do you want?"

"Ten million."

Xu Zeyan: "..."

He is not short of ten million.

But he didn't expect that the girl who had been in love with him for two months turned out to be such a lion.

What a good impression he had of her.

Good enough to make his heart hurt!

"Don't we even have any feelings between us?" Xu Zeyan couldn't help asking.

"Emotion, two months, what do you think!" Chu Tiantian said coldly.

Xu Zeyan: "..."

He couldn't react for a long time.

Early in the morning, she still held his arm sweetly and planned the days after marriage with him. It's only been over an hour, and she can actually say very calmly that they have only two months between them and have no feelings?

"Am I getting old? Can't keep up with the times?" Xu Zeyan couldn't help laughing at himself.

"Yes! You are old! You are ten years older than me! We are not suitable! Okay! I seriously suspect that you are deceiving me! What a great uncle!"

"Your behavior is greasy and wretched!"

"Ten million! Not a single point!"

"Okay!" Xu Zeyan interrupted her suddenly: "Ten million for you!"

It happened that he left his briefcase when he went out.

And it happened that there was a check in the briefcase.

He took out the check without hesitation, wrote the amount of 10 million, tore it off and handed it to Chu Tiantian.

“Get out of the Fu Group immediately! If you don’t get out, I’ll let you fire you!” Xu Zeyan left without looking back.

He couldn’t take such a double whammy.

And not in the hospital, arguing with a girl in broad daylight.

He ended it as quickly as possible.

When he left after giving Chu Tiantian the check, he felt relieved.

Originally, it was only thanks to Shang Hongmei that she decided to marry Chu Tiantian, but now she just doesn’t need it.

Isn’t it aftermath!

What a big deal!

Shen Wei is the descendant of his Xu Zeyan!

Suzi will have children in the future!

And my own sister, who will have children after getting married!

Although Xu Zeyan can’t be a father, he is also very good to be an uncle!

It’s not about the dead!

Little things!

At the moment of driving, there were two lines of clear tears in Xu Zeyan’s eyes.

He drove all the way forward, aimlessly.

Unconsciously, it was opened to the rubber hospital in the suburbs and urban areas.

After parking the car, Xu Zeyan came to Shang Hongmei's ward with mixed feelings.

At this time, Hongmei is closing her eyes and resting, and her face is very peaceful.

Even with joy.

Hearing the movement at the door, she opened her eyes, and when she saw it was Xu Zeyan, Shang Hongmei immediately asked, "Mr. Xu, aren't you ... going to get a marriage certificate with Tiantian today? The marriage certificate is ready, you are married, can you... let me see... see your and Tiantian's marriage certificate?"

"I can't attend my daughter's wedding. I'll take a look at the marriage certificate."

"I...I'm a eunuch." Xu Zeyan said in despair.

Chapter 1714

Shang Hongmei was startled: "You... what did you say?"

She saw Xu Zeyan who was depressed, hopeless and helpless.

He was originally a mature and stable man, but at this moment, he was like a homeless and helpless child.

Very pitiful.

His throat kept choking.

Shang Hongmei could clearly see that Xu Zeyan was trying his best to suppress his urge to cry.

Seeing Xu Zeyan raising her head a little, she looked at her in despair: "Your daughter doesn't want me anymore, because I'm a eunuch, the doctor said I can't have children, I'm not a man, I'm a... ."

"If you say it nicely, it's a waste. If you say it badly, I...I'm a person who is neither male nor female?" This is the biggest and biggest encounter in Xu Zeyan's 32-year life. the blow.

He and Suzi were on the run for six years, during which time his leg was broken, and he felt nothing after sitting in a wheelchair for several years.

But, when doctors announced he was infertile, he really broke down.

He didn't know how he could still drive all the way here.

He looked at Shang Hongmei with a pale face: "I...it's okay, it's okay, I just want to see if your day is better, you were hospitalized for me after all, I... .fine."

"I... I've thought about it. If you can't have children, you can't have children."

"Anyway, I have a younger sister, and my younger sister will have children in the future. I am still the only one, and the only one is my closest and dearest child."

"Isn't it incapable of having children?"

"It doesn't matter!"

His self-assured appearance made Shang Hongmei extremely sad.

but they also I have to live. Look at me, even though I can have children, doesn't my daughter also deny me?"

"And my second aunt."

"My second aunt was young and widowed, and she managed to pull my cousin into adulthood. My cousin was imprisoned for manslaughter. My second aunt had to support my young cousin and became his wife for ten years. Didn't get it."

"Compared to my second aunt, you are still young. Maybe in the future, with the development of medicine, your disease can be cured."

"Just like your leg, which was originally paralyzed, isn't it cured now?"

"You have to have confidence in yourself, don't be sad, let yourself stretch your body and mind, maybe one day you will be miraculously cured."

Shang Hongmei also knows that these are all nonsense.

But she could only speak slowly and softly while watching Xu Zeyan cry.

Xu Zeyan cried for half an hour.

It's the kind of crying out loud, howling and crying. Fortunately, this time is short during the lunch break, and the doctors and nurses are only on duty, and there are very few. Xu Zeyan was crying under the quilt again, so he wouldn't disturb others.

Xu Zeyan didn't know why he was crying so happily here in Shang Hongmei.

Chapter 1715

Cry so cathartic.

Maybe it's just her right.

I am very close to Suzi, but Suzi is pregnant and can't stand the stimulation.

Are you parents?

They can't be more excited.

Therefore, Shang Hongmei became his best outlet.

After crying for a full half hour, his mood was much calmer.

Looking up, he looked at Shang Hongmei apologetically from time to time: "I'm sorry Auntie Shang, I'm so surprised, I made you laugh."

"It's okay, Young Master Zeyan." Shang Hongmei's heart was also relieved.

"Don't call me Master Zeyan, don't call me Mr. Xu, call me Zeyan." Xu Zeyan said.

Shang Hongmei: "Zeyan, don't be sad, you have to be strong, you still have parents who need your care, you can't fall."

"I know, thank you Sister Shang."

"Why did you change your name to call Sister Shang?" Shang Hongmei asked in confusion.

Xu Zeyan smiled desolately: "I used to call Aunt Shang, but I couldn't say it every time because you were only eight years older than me."

"It's alright now, I finally don't have to be awkward anymore, because I broke up with Tiantian."

Shang Hongmei: "Zeyan, I...I'm sorry. Sweet she..."

"Don't blame her." Xu Zeyan smiled.

There was a sudden relief in my heart.

Because he always felt that there was a generation gap between him and Chu Tiantian.

it's good now.

It was Chu Tiantian who dumped him first.

He doesn't have to worry about it anymore.

"It's impossible for anyone, girl, to live with a man who doesn't have that kind of function. Wouldn't that mean going to a living grave? I understand." Xu Zeyan comforted Shang Hongmei in turn.

Shang Hongmei: "Zeyan, you are too kind, I don't object to you breaking up, but Tiantian has spent too much money on you. I heard that she has spent millions of dollars these days. This is not a small amount, a first-tier metropolis like Nancheng can buy a suite, this is no joke."

"I'll tell her back and ask her to pay you back eight thousand."

"How much can you get back for those luxury bags you bought," Shang Hongmei said.

"No need, Sister Shang." Xu Zeyan smiled.

At this moment, his cell phone rang, and when he picked it up, it was seen by Suzi.

Xu Zeyan was extremely fortunate in his heart. Fortunately, he had just vented and cried. Otherwise, he really didn't know how to face Suzi. At this moment, he was very calm: "Xiangxiang, why are you calling me at this time?"

At the other end, Suzi was very happy: "Brother, how are you getting the marriage certificate? Come to my house and let me see. I have a big gift for my little sister-in-law."

Xu Zeyan: "..."

"Come on! Let's go out to dinner together at night to celebrate. I'll buy some clothes and jewelry for Tiantian by the way. It's a welcome gift!" Suzi said with great enthusiasm.

"Okay...I...I'll go right now." Xu Zeyan said.

"Wait for you, hurry up!" Suzi said.

Immediately, she hung up the phone.

The joy on her face was still there. At this time, she was sitting on the terrace with a delicate box on the small coffee table in front of her.

Inside the box is a pair of black gemstone earrings.

This pair of earrings was processed by the rough stone that Arron bought for him from the foot of the Alps. It looked black, and it was worth millions.

Give this to my sister-in-law and it will not drop in price.

While flipping through my phone where to celebrate at night, the doorbell rang.

It must have been their young couple coming over, and Suzi immediately got up and clumsily opened the door.

The door opened, and Suzi was stunned: "You... who are you looking for?"

Chapter 1716

Standing outside the door was a strange man.

The man was carrying a large package in his hand.

"Are you Shen Weiyi?" the man asked.

“I’m not, that’s my daughter.”

“Shen’s only package, sent from abroad.” The man said.

pack?

She hasn’t ordered packages much since she was pregnant.

Most of the orders for Shen Weiwei were taken care of by the two little girls, Min Qingrong and Galia. They had never been sent to the house, but only by Min Qingrong and Galia.

Why did this package arrive at home today?

Suzi had doubts in his heart, but he didn’t ask so much.

She picked up the pen and signed for it. The package was huge, a box that was a full cubic meter.

The courier helped Suzi get into the house together, and Suzi took a utility knife and opened it.

After the box was opened, her eyes were immediately dazzled. Suzi saw all kinds of toys inside.

Each one is extremely beautiful.

who is it?

All of a sudden will buy so many toys for the only one.

Suzi took out her cell phone and was about to call Min Qingrong or Galia to ask her when her cell phone rang.

It’s an unfamiliar number.

Suzi hesitated for a moment.

In the past two or three months, she will receive strange numbers from time to time.

She knew very well that it was from Pan Haoyang, who was far abroad.

Suzi later learned that the reason why Pan Haoyang was able to stand up so quickly abroad was because when she left, Fu Zhengxiong and his wife sponsored Pan Haoyang nearly one billion yuan.

It would be excusable to say that Fu Zhengxiong handed over one billion yuan to Pan Haoyang, after all, Pan Haoyang is his own son.

But why did Qin Wenyu give the money to Pan Haoyang so simply?

Suzi was always muttering in his heart.

But she had nowhere to ask.

At this moment, when she saw the mobile phone number, Suzi had a plan in her heart. She pressed the answer button and shouted into the receiver, "Hello, is this Hao Yang?"

At the other end, Pan Haoyang did not shy away: "Is the only thing you like about the gifts I gave?"

Suzi answered truthfully: "The only one hasn't come back from kindergarten. She didn't see it."

At that end, Pan Haoyang was clearly disappointed: "Eh..." for a moment.

Then he asked again, "Suzi... tell me how are you doing now?"

"Are you okay? Have you lived happily ever after?"

Suzi answered lightly: "Of course!"

"Are you pregnant again?" Pan Haoyang asked.

Suzi blurted out: "How do you know?"

Then she immediately thought of it.

A few days ago, Fu Zhengxiong and Qin Wenyu came here.

The old couple hadn't been here for two and a half years. When Fu Zhengxiong came, he also came while Arron was in the company.

In contrast, Suzi was more polite to Fu Zhengxiong and Qin Wenyu than Arron.

At least she will invite them into the house, and then shout respectfully: “Dad, Aunt.”

Fu Zhengxiong looked at her stomach and asked in a cold tone, “How many months?”

“Six months.” Suzi answered truthfully.

“Have you checked, male or female?” Fu Zhengxiong asked again.

Suzi answered truthfully: “Dad, I didn’t check.”

“Why are you so careless! You don’t even do a pregnancy test! Do you think the Fu family has no money! I’ll pay for the pregnancy test and go to the best hospital! I go to the best hospital once a week!”
Bank card.

Chapter 1717

Suzi went back with a faint smile: “Dad, I’ve been checking pregnancy tests all the time!”

“Let’s not say it’s our Fu family now, even ordinary salarymen also know the importance of pregnancy tests. I check them every half month, and Shaoqin accompanies me. You don’t have to worry.”

Fu Zhengxiong: “Since the pregnancy test is done, why don’t you know if it’s a boy or a girl!”

Suzi sneered: “Is it necessary to know? Whether it’s a boy or a girl, it’s the child of Shaoqin and I, the only younger brother and sister, isn’t it?”

“But the Fu family has no heir yet!”

“The only one?” Suzi asked rhetorically.

As soon as the words were spoken, she said directly: “If I don’t have a baby in my stomach, if Shaoqin and I have only this one child, the only one is the only heir of the Fu Group! There is no second!”

Fu Zhengxiong: "You..."

Originally, I wanted to come to see my daughter-in-law with Yan Yuese. After all, my daughter-in-law was pregnant, and she was carrying the Fu family's child.

Who knew that she was pregnant now, but it made her become more powerful.

Fu Zhengxiong raised his body and left.

Qin Wenyu gave Suzi a complicated look behind him, and followed Fu Zhengxiong away.

Going out the door, Suzi heard Qin Wenyu say: "Hey! That damn Qiu Cunxin, she is not carrying Hao Yang's child! If Hao Yang also had a wife who was pregnant, that would be great!"

Suzi heard this very clearly.

She also knew that Fu Zhengxiong and Qin Wenyu had always been in contact with Pan Haoyang.

They had contacts, and it was no surprise that Pan Haoyang knew that Suzi was pregnant.

Suzi immediately said calmly on the phone: "Yes Hao Yang, I'm pregnant again."

"He... is he good to you?" Pan Haoyang asked again.

"Who? Are you... brother?" Suzi asked.

Pan Haoyang at the other end: "..."

Suzi didn't intend for Pan Haoyang to admit it, she just said gently: "Shaoqin is naturally very good to me, very good."

"Is he at home?" Pan Haoyang asked again.

"Of course he's not at home during working hours now."

"You are pregnant, he is not at home with you, is he human!"

Suzi: "..."

"He's cold-blooded! Cold-blooded!"

Suzi: "Don't talk about Shaoqin like that!"

"Why didn't I tell you! Suzi! You tell me is he really good to you? Does he really love you? You are six or seven months pregnant. He is not at home to accompany you and goes to work, Fu. Is the Clan Group so important!"

Suzi: "..."

"You said he was good to you? Shit! I don't believe it at all! When I was in Jiaxing Island, I saw him throwing your mother to me, and I didn't ask anything for two days and two nights! Are you afraid what I will do to you? Like? Or didn't he take you and the only mother and daughter in his eyes at all?"

Suzi was annoyed: "Pan Haoyang! I don't allow you to slander my husband!"

"This is the truth!" Pan Haoyang also said angrily.

"He's cold-blooded! Born to be cold-blooded! He even killed his own brothers! If I were in Nancheng now, would I also be his ghost?"

Suzi: "He has always regarded you as his brother! In fact, you are indeed brothers!"

"fart!"

Suzi: "..."

"He won't be nice to you, Suzi. When you were the only one in your life, you had already escaped. Do you still want to die a second time? Suzi, he won't be nice to you, he is cold-blooded! He is Heartless devil! Suzi, bring the only one to me, okay?"

"I will treat you well, and I will treat the only one, including the child in your womb, as my own."

“You know, how much I hurt the only one, I will give my life to the only one.”

“Suzi...”

“Pan Haoyang, if you do this again, don’t blame me for being rude! I can’t see you, I can’t catch you, but don’t blame me for swearing! I, Suzi, can also scold people!” Suzi suddenly became angry.

She was really pissed off.

As soon as she finished speaking, the outer door was suddenly slammed open by Neutral.

“Who is it!” Suzi turned back suddenly in fright.

Chapter 1718

Sister Li and Xu Zeyan, who came in outside the door, asked at the same time, “What’s the matter, what’s the matter?”

Xu Zeyan stepped forward and came to Suzi: “Xiangxiang, what’s the matter, who are you arguing with again, you scared me to death, I can hear your roar through the door.”

Suzi looked at Suzi with an extremely worried expression.

Suzi was still holding the phone in his hand.

At the other end, Pan Haoyang asked, "Who's here?"

"My brother." Suzi said.

"Is that the dude who almost destroyed you seven years ago?" Pan Haoyang asked.

Suzi's tone calmed down: "My brother has never destroyed me, don't talk nonsense."

"He didn't destroy you! But Chu Tianling, the man who almost destroyed you, is his friend! He is nothing! When I mention the two of them, I hate Arron even more! Back then, seven years ago, Arron made you suffer. What a grievance! You were murdered like that in Nancheng, did he take care of your life or death!"

"Suzi, you are pregnant again now, look, Arron still doesn't care about your life or death!"

"Because he was born a cold-blooded, ruthless bastard!"

"Why don't you die!" Xu Zeyan suddenly grabbed Suzi's mobile phone from his hand and cursed into the receiver angrily.

Pan Haoyang on the other end of the phone was stunned for a while.

After a long time, he asked, "Who are you?"

"Suzi's brother!"

"Xu Zeyan? That playboy?" Pan Haoyang asked.

Xu Zeyan sneered: "Whatever you say about me! But I warn you not to disturb Suzi! Don't harass her again! Do you know how difficult it is for her to get pregnant? The years of exile have caused her body to suffer a great loss. Just got pregnant!"

"It's been a few months just to protect the miscarriage! It's not easy for her to conceive a child. If you really pity her, don't stimulate her at this time. Don't you know that pregnant women can't be stimulated?"

"I don't know, I don't know, I'll tell you now!"

“I warn you not to stimulate her in the future!”

Xu Zeyan was in a bad mood today.

Although Shang Hongmei has vented a lot and her mood has calmed down a lot, but after all, the injury is not serious, how can it be healed in a short time?

So at this moment, when he heard Pan Haoyang provoking Suzi on the opposite side, Xu Zeyan became angry.

He can no longer have children.

Is it possible that Suzi could not have children?

Do they deserve to be unlucky as siblings?

“You warned me?” On that end, Pan Haoyang wasn’t weak either.

He sneered and asked: “What qualifications do you have to warn me? You are Suzi’s brother! Xu Zeyan, have your sweet dream! Suzi is the only one! What kind of her brother are you!”

“What did you do when she was trapped in Jiaying Island for two days?”

“If I’m not mistaken, you should be lying on the bed at that time!”

“When she was most in danger, you, the elder brother, couldn’t save her! What kind of elder brother are you? In Arron’s eyes, you are also a rival in love!”

“Don’t look at that bastard Arron who doesn’t know that he loves his wife, but Xu Zeyan doesn’t know what he’s doing to his rival, right?”

“You appear in Suzi and Arron’s house so grandly, so you’re not afraid that Arron will tear you apart?”

“If you know each other, get out of the Fu family! Get out of here immediately! Stop hanging around in front of Suzi in the future!” Pan Haoyang scolded Xu Zeyan coldly.

Xu Zeyan also sneered: “Pan Haoyang, listen to me! I, Xu Zeyan, have become a rootless person now! I am a eunuch, who am I afraid of!”

“If you dare to threaten Suzi again, and dare to disturb him again, one day I will find you, and I will kill you alive!”

“Also! I’ll tell you clearly now that my sister and Arron have a good relationship!”

“Arron doesn’t recognize his six relatives as you said!”

“You! Pan Haoyang, you! You’re a motherfucker!”

Chapter 1719

Pan Haoyang: “...”

Before he could respond, Xu Zeyan hung up the phone.

After picking up the line, he still said to Suzi angrily, “Don’t answer the calls of this kind of person in the future! If you see it, just block it! He is not a domestic number, you can see it at a glance. , why are you still answering his phone to make yourself angry?”

Suzi didn’t tell Xu Zeyan that the caller was Arron’s younger brother after all.

twin brother.

This is another relative of Xia Shumin’s mother.

Xia Shumin’s mother died without being able to see her younger son. Only Arron and Xia Shumin’s mother knew about the regret, the unwillingness, and the sadness.

Even a cold, ruthless man like Arron has always given way to this younger brother.

And how could she not understand her husband?

However, at this moment Suzi didn’t say anything to Xu Zeyan.

Her eyes were fixed on Xu Zeyan without blinking, and she asked in an uneasy tone: "Brother, you...what did you tell...to Haoyang just now?"

"You said you were a rootless person? You said you were a eunuch, what do you mean?"

"You...you didn't go with Tiantian this morning...to get the marriage certificate? Sweet...what about Tiantian?"

Suzi didn't see Chu Tiantian come in.

In fact, she already had the answer in her heart.

But she couldn't accept it.

She just stared at Xu Zeyan without blinking. Before Xu Zeyan could answer, Suzi's tears had already fallen.

"Brother, what happened to your physical examination this morning?"

Xu Zeyan shook his head bitterly.

Then, she saw the black gemstone earrings on the coffee table on the terrace.

He laughed at himself: "Xiangxiang, these earrings with black gemstones cost at least 10 million, right? I remember that the fourth brother brought them from the Alps?"

Suzi: "Brother!"

"But now that we've earned it, we don't need to give things worth tens of millions to your new sister-in-law."

"Because, you don't have a sister-in-law anymore."

"Your brother, I'm not getting married!"

"Brother..." Suzi's tears fell.

She even got angry: "Brother, you are trying to kill me! What's going on, you... why are you a eunuch? You... don't have any case-related

functions? Morning physical examination. Did the doctor tell you? Did Tiantian break up with you because of this?"

Xu Zeyan shook his head: "Xiangxiang, do you believe my brother? Actually... I don't really like Chu Tiantian very much, because I always feel like there is a generation gap with her... Now that we are separated like this, Wouldn't it be better?"

Although Xu Zeyan has always been concerned about other things, Suzi already understood.

A surge of guilt arises spontaneously: "Brother, didn't you, you broke your leg during the few years of running away for me, and then... affected your function?"

Xu Zeyan smiled: "It's okay Suzi, it's okay

, you see you have a child soon, I still have the only one, and the child you just gave birth, and I have a sister..."

"Brother, I'm sorry." Suzi burst into tears.

"Brother has never blamed you, we can live, me, you, and the only one, we are all alive, my legs can stand up, this is already a gift from God, I am very content."

"Wooooooo... I'm so sad, brother." Suzi covered his face in pain.

"Don't cry, it's not good for the fetus, be obedient." Xu Zeyan crouched down and comforted.

At this time, the door outside was suddenly slammed open again.

The shocked Xu Zeyan, like Suzi just now, sternly said, "Who knocked on the door!"

The door opened.

Entering from the outside were Shen Weiyi with a tearful face, and Arron with a solemn face.

Shen Weiyi pushed open the door and ran towards Xu Zeyan, then threw himself into Xu Zeyan's arms: "Uncle, I'm sorry..."

Xu Zeyan: "..."

At this time, Arron came to Xu Zeyan: "I already know."

Xu Zeyan: "What do you know?"

"Chu Tiantian went through the resignation procedure at the company this afternoon. She resigned very quickly. She didn't even want this month's salary and left immediately."

"Christopher stopped her and asked why, was it related to you, or did you dump her?"

"As a result, she sneered and said to Christopher, 'Even if there is a mountain of gold and silver in front of her, she can't be a widow!'"

Looking at Xu Zeyan's unnatural face, Arron softened his voice and asked, "How did the doctor tell you? Did you just say that it can't be cured for a lifetime?"

Seeing Arron, Shen Weiyi and Suzi all looking at him with guilt and concerned expressions, Xu Zeyan was suddenly relieved at this moment.

He smiled plainly: "Fourth brother, it's really okay."

"If you think about it this way, last year my legs were crippled. What did you think at that time? At that time, you thought that as long as my legs could walk for another day, it would be worth dying for me."

"When my legs were crippled, I never thought about getting married, let alone having children, humane, such things."

"It's just that after my legs got better, I became more and more greedy."

"Thinking about it now, Suzi, and the only one, the three of us can live well, the only one can go to school, Suzi can marry you and get pregnant again, my legs can stand up, and I have taken back my Xu Group's enterprise, Fourth brother, my life has been very happy, and it is not a loss."

"Me, I will live alone in the future."

"Lead-free, no wonder, how wonderful!"

Arron sighed, raised his arm and patted Xu Zeyan's shoulder, and said very solemnly: "Fourth brother is a doctor who has searched all over the world, and he should take care of your disease! I don't believe it can't be cured!"

"Fourth brother..." At this moment, Xu Zeyan was so moved that he didn't know what to say.

Shen Weiyi also hugged Xu Zeyan and cried: "Uncle, don't worry, you will have a better girlfriend in the future, that Chu Tiantian I don't see God at all, she dares to dump you!"

"Humph! What's the big deal! Don't be sad, uncle."

The little girl cried more than her uncle cried.

In her conception, she doesn't yet know what infertility is.

She only knew that her uncle was so handsome, but she was dumped by Chu Tiantian, who she despised.

She felt sorry for her uncle and cried.

Seeing that the only one was so distressed, Xu Zeyan suddenly smiled: "Little thing! You have never liked Chu Tiantian, but now it suits your heart."

Shen Weiyi: "But, then she can't dump you!"

"I want you to dump her!"

"Pfft..." Xu Zeyan was amused.

This evening, Xu Zeyan went back after dinner at Suzi's house.

His mood has also really calmed down. After all, he has never reported any hope before, and the reason why he wants to get married is just the thought of two or three months.

It is nothing more than that everything is at peace.

But it's okay, at least I got to know a friend like Shang Hongmei.

The only vision is good.

Shang Hongmei does have many places and Suzi likes.

She is indomitable, forbearance, but very resilient.

However, Shang Hongmei was ten years older than Suzi.

I will go to the hospital tomorrow to see Shang Hongmei.

Although Chu Tiantian broke up with him, Shang Hongmei was still the one who saved Xu Zeyan's life.

This night, Xu Zeyan thought a lot.

He even reorganized his property, and now he plans to divide it into three parts, one for the only one, and one for the unborn child in Suzi's belly.

Chapter 1721

And one for my sister.

But he felt wrong.

What if my sister has several children in the future?

What if Suzi continues to have children?

Well, it can't be allocated like this.

This is how Xu Zeyan fell asleep thinking about the distribution of his property back and forth.

This night, he really slept soundly.

The next day, at dawn, he woke up.

The real person has become a little more energetic than yesterday.

He got up, brushed his teeth, washed his face, hurriedly ate a meal, and rushed to the hospital first.

When he arrived at the hospital, Xu Zeyan saw that the hospital bed was empty. Xu Zeyan was shocked. He immediately called a nurse to ask the patient on the bed.

The nurse was also stunned.

What about the patient?

Why is the patient gone?

At this time, Xu Zeyan saw the grandmother of the Cheng family and came in crying while covering her face.

"Auntie, what about Sister Shang, why did she get discharged before the doctor let her out?" Xu Zeyan asked.

He had already guessed that it must be Shang Hongmei who felt that Chu Tiantian had spent so much money on him, so she was embarrassed to be a mother and was hospitalized here again.

But I heard the grandma of the Cheng family cry: “Mr. Xu, I persuaded Meimei, but she kept going, she had to find Tiantian.”

“Tiantian doesn’t listen to her, but she also said that she must try to persuade Tiantian to let Tiantian return your money to you. She said that Tiantian can’t ask you so much money and shouldn’t.”

“But, can Tiantian listen to her?”

“She’s still in her ribs...”

“What if there are three longs and two shorts...”

The grandmother of the Cheng family cried very sadly.

Xu Zeyan asked anxiously, “Auntie, tell me, did Sister Shang go to find Chu Tiantian and went to Chu Tiantian’s house?”

The old lady looked at Xu Zeyan blankly: “She, she took a bright taxi when she left the hospital door, and I...I don’t know if she went to Tiantian’s house.”

“Master Zeyan, you must help Meimei. Although Tiantian is Meimei’s daughter, she never admits it. I’m afraid that Meimei will go, I’m afraid of her...”

Before the old lady’s words were finished, she choked up and couldn’t speak.

Xu Zeyan completely understood.

He had seen with his own eyes that Chu Tiantian was going to take her mother to court.

Xu Zeyan comforted the old lady: “Auntie, don’t worry, you stay in the hospital first, I will go to Chu Tiantian’s house to have a look, I know how to get there, I will bring Sister Shang back, don’t worry ,do not worry.”

After settling down the Cheng family grandma, Xu Zeyan quickly drove to Chu Tiantian’s house.

He was worried all the way, worried that Chu Tiantian would quarrel with his mother.

However, what worried him still happened as expected. Before Xu Zeyan's car turned into the alley of Chu Tiantian's house, he heard a loud and intense noise.

That voice was sweet.

It was also posted by Chu Hong.

However, it was obvious that Shang Hongmei's voice was very few.

But no matter how little Xu Zeyan heard it, Shang Hongmei said in a weak but firm voice: "Sweet! Don't care if you recognize my mother or not, but you have spent so much money in a short period of time, and you always have to refund it. Give it to people!"

"You bought the bag, and now you can sell the bag! How many legs can you get back! As long as your mother still breathes, your mother will never allow you to do this, and your mother is for your own good!" Shang Hongmei's tone was full of heartache. .

"Shang Hongmei, why don't you die!" Chu Tiantian screamed suddenly.

Then, she raised her slap and slapped it on Shang Hongmei's face: "Crack! Slap!"

Shang Hongmei, who was beaten, was stunned: "You hit your mother in the face?"
