

Chapter 1719 - 1720 of A Dish Best Served Cold Novel

Chapter 1719 The Unchangeable Fate

Haruhi Yingyue lowered her head and said softly.

There is not much sorrow, and there is not much panic and sadness.

Yes, it's just a calm and calmness.

She already knew about these things.

However, she has no choice but to accept reality.

“What about your parents and clansmen?” “Haven't they thought of helping you?” “As far as I know, this soul imprint is easy to get rid of at the beginning of the vaccination.”

Mark asked in a deep voice.

However, when Haruhi Yingyue heard it, she shook her head and laughed at herself.

“Help me?” “If they wanted to help me, they wouldn't agree back then. They planted this soul mark on me.”

“For them, for the Haruhi family, or for the whole country of Japan, Haruhi Ying The moon is too small.”

“Compared with the moon reading god, I am only as small as a dust.”

“The loss of a Haruhi Yingyue is of no importance at all.”

“My parents have more than just my child.”

“Family, I am not the only descendant.”

“I am not the only one, but there is only one person in the moon reading god.”

“Sacrifice me in exchange for the generational glory of the whole family, in exchange for the long-term peace of Japan.”

“For anyone. , Are you happy to see it?” Outside the window, there was moonlight.

It shone on the body of the girl in front of her, but it cast a shadow on the ground.

When she said these words, Haruhi Yingyue kept her eyelids down, and there was a sense of loss and sadness in her eyebrows.

I am afraid that anyone who faces this kind of thing will not be calm.

Once they were born, they were raised as “containers”.

She is the victim of everyone.

Even the family that should be the habitat of the soul, in her impression, is only cold and unfeeling.

No one can experience that feeling.

It is a mistake to mimic your own existence.

There are so many people in the world, but no one can rely on sustenance.

The world is so vast, but the heart cannot find a place to live.

Before meeting Mark, the only thing that was good to her was her teacher Wangyuehe.

Listening to Liang Gong Yingyue's words, Mark was silent.

He did not speak, and did not know what to say.

Just some sympathy for Haruhi Yingyue.

The age of seventeen or eighteen is just the beauty of man.

Ordinary people should still go to school at this age, be loved by their parents, and play games with friends.

Some may be in love at the beginning and have a crush on a certain teenager, or they may be experiencing the first love in their lives.

At this age, life has just begun.

But as far as Haruhi Yingyue is concerned, it is about to end.

Even for the first seventeen years of life, it was just as a nourishment for supporting others.

Other people's lives are for themselves.

Only her life was from the beginning to welcome the rebirth of others.

Just like, a sacrifice.

It wasn't until this moment that Mark understood why Liang Palace Yingyue wished to return to the Sword God Palace a little later.

It turned out that she just wanted to use these few days to see the beauty of the world more.

After learning all this, Mark didn't continue to question.

He and Haruhi Yingyue, after all, just met by water.

He can't do too much for Haruhi Yingyue, the only thing he can do is to spend the day with her tomorrow.

The day after tomorrow is the day to go to the Sword God Palace.

After getting Bachiqiong Gouyu and resolving his grievances with Mochizuki River, Mark will release Haruon Yingyue.

For this innocent girl, Mark would not really let her be a slave for life.

Chapter 1720

"Take a rest early."

After Mark asked, he turned and left.

However, as soon as Mark turned around, Haruhi Yingyue suddenly called Mark:
"Master, thank you."

"Thank you, and you are willing to accompany me."

"Since childhood, you are the first to accompany me. People shopping."

Liang Palace Yingyue said softly.

When Mark heard it, he waved his hand, chuckled, and left.

Early the next morning.

When Haruhi Yingyue woke up, she found that Mark had already cooked breakfast.

"Get up?" "Wash your hands and eat."

Mark brought the fried omelette with hot milk in front of him.

I don't know why, when I heard Mark's low voice, the warmth and beauty in front of me gave Haruhi an urge to cry.

Perhaps it is because of nostalgia.

In the morning, Mark accompanied Liang Palace Yingyue to the beach again, watching the sea stop and watch the ebb and flow.

I went to Dongjing's zoo and walked through the quiet old street beside the ancient city.

However, when I walked through an intersection, a strong aroma suddenly came to my nose.

"Wow~" "It smells so good.."

Haruhi Yingyue took a deep breath, and suddenly exclaimed. At this moment, Mark looked up and saw a small shop selling "takoyaki" at the intersection. There were long queues in front of the shop. It is estimated that the scent came from this small shop. "Let's go, go and line up."

Mark chuckled lightly, and then took Haruhi Yingyue over. "Hey~" "Thank you, Master."

"Haru Palace Yingyue smiled happily. It is estimated that no one would have thought that it was the lively and cheerful girl in front of her. Her life is about to come to an end, right? Mark and Haruhi Yingyue lined up for almost half an hour. However, as soon as it was their turn, suddenly, a number of black Honda cars came and stopped on the side of the road. Then a dozen men in suits got off the car and stood respectfully. On both sides. In the middle, a long corridor was left. Until this time, a young man in a white tuxedo with sunglasses walked off the car. "Master, this is the shop."

"Master's favorite food is the takoyaki made in this shop."

Behind him, an old man bowed his eyebrows and said respectfully. The man nodded, and then waved his hand: "Pick up something and follow me."

"In this way, the young man walked into this street shop with people. At the same time, his subordinates stood outside the shop and said solemnly to the people in line: "Today, the 60th birthday of the Patriarch of the Miyamoto family."

The owner of this small shop is now requisitioned to help the family cook.

"So, our shop will be closed immediately."

"Everyone, don't have to wait any longer, they are all gone for me."

The deep voice reverberated, and in a moment, everyone waiting for the ranking was in an uproar, and they were all dissatisfied. “What?”

“Requisition the owner of the store?”

” “what the hell.

“We have been in line for a long time.”

Everyone complained one after another. However, when they saw the ferocious appearance of those people, no matter how unrestrained they were in their hearts, they could only break their teeth and swallow them in their stomachs.

“Huh?” “What are you doing?” “Let go of me, let me go.”

“I’m not going with you~” Inside the snack bar, there was a panic struggling from the owner.

Snap~ Amid the screams, the leading young man slapped directly.

“Give something shameless.”

“What the young master meant, would you dare to disobey?” “This can’t be done by you.”

“Take me away!”
