## Chapter 1722

Chu Tiantian's hand hurt, she shook her hand several times angrily.

Then she raised her eyebrows and looked at Shang Hongmei fiercely, as if Shang Hongmei was not her mother, but a woman who did all kinds of evil.

In front of so many people, Chu Tiantian scolded without hiding:  
"Shang Hongmei! You shameless woman! How shameless you must be!"

"I hit you in the face lightly! I hit you in the face to let you know that you are a shameless thing!"

"Shang Hongmei, remember it for me! You are not my mother!"

"Never my mom!"

"Not in a lifetime!"

"Also! Do you want me to return the money to that eunuch? You said you don't care about that eunuch? Don't you care about what you asked me to pay him back for? That eunuch himself didn't ask me to pay him back! You came over and ordered I asked me to pay him back?"

"Shang Hongmei, who are you? Who are you? Who are you! What right do you have to order me!"

"My dad is absolutely right!"

"You're a slut! The number one slut in a thousand years! When you see a man, you want to throw your legs away! You don't even let my boyfriend go, Shang Hongmei, you are a shameless b!tch! !"

“Okay now! That man is a eunuch! Eunuch, did you hear me!”

“If you marry him, you will be a widow for the rest of your life! If you still want to be with that man now, I will admire you, Shang Hongmei!”

“Go! Go with him!”

“He’s a billionaire!”

Chu Tiantian scolded her mother for scolding, and the corners of her lips were foaming from her mouth.

At this moment, her shrew looks are beyond doubt.

Xu Zeyan, who was watching all this not far away, felt that Chu Tiantian at this moment was more shrewd than Min Qingrong.

It’s just that Chu Tiantian is smarter than Min Qingrong and hides her edge than Min Qingrong.

In contrast, Shang Hongmei is different.

She sat on the ground motionless, covering her swollen face, she looked at Chu Tiantian in disbelief, and the words were still in her mouth, but it was more serene and desperate than before: “Tiantian, you are even with me. ...all fight?”

“I gave birth to you in October.”

“I was malnourished when I gave birth to you, and you only weighed more than three kilograms. I didn’t have enough milk to give birth to you. I begged for food every day and asked someone to host a banquet. I ate a lot every day, just to give you a mouthful of milk to drink.”

“I didn’t suffer from poverty for your childhood. I went to work behind your back when I was born, and now you hit me in the face?”

“You actually hit your mother in the face?”

At this moment, Shang Hongmei was extremely desperate and desperate.

In this world, the person she cares about most is her own daughter.

She never thought that her biological daughter would treat her like this.

will hit himself in the face.

That kind of despair made Shang Hongmei not want to survive in an instant.

All hope is lost.

She sat blankly on the ground, raised her head and stuck Chu Tiantian dumbly.

Chu Tiantian was still scolding there.

Cursing and cursing, he saw Xu Zeyan approaching.

Chu Tiantian was very surprised that Xu Zeyan was able to come, she immediately put away her rudeness and savagery, and then looked at Xu Zeyan uncomfortably: "You...you are bewitched by this shameless saucy woman. !"

"She asked you to come and ask me for money!"

"Xu Zeyan! I've been in love with you for more than two months! You are in your thirties, and I'm only in my early twenties! Are two months of love for nothing!"

Chu Tiantian cried and looked at Xu Zeyan.

Xu Zeyan looked at Chu Tiantian coldly, but he did not answer her.

Instead, he came to Shang Hongmei step by step, bent down and helped Shang Hongmei up.

Shang Hongmei was stunned for a moment: "Xu...Mr. Xu."

Xu Zeyan said warmly, "Get up first."

## Chapter 1723

Shang Hongmei blushed suddenly: "I'm sorry, Mr. Xu, I want my daughter to give you the money back. I think it's embarrassing for you to have so many things after breaking up with you, but now... .."

She smiled bitterly, and said three words in a tone that couldn't be softer: "I'm sorry."

As soon as she spoke, she turned and walked away.

"Where are you going?" Xu Zeyan asked.

Chu Tiantian was also stunned, and Chu Hongfa, who was hiding behind the crowd, was also stunned.

The crowd watching was stunned.

I only heard Shang Hongmei say: "I will never come here again in the future, and I will never recognize Chu Tiantian again. From now on, I will no longer care about Chu Tiantian."

"In the future, if I die, even if I am taken away by a dog, I will never look for Chu Tiantian again."

She was really sad.

The daughter is also twenty-two years old.

Even if she didn't understand her mother, she even slapped her mother twice.

He also scolded his own mother indiscriminately.

Is it wrong to give birth to her?

Did she deserve to be scolded by her when she was born?

Ok!

This child will die when she is born.

She Shang Hongmei will not have the daughter Chu Tiantian in the future.

And what should she do?

After walking a few steps, she looked back at Xu Zeyan: “Mr. Xu, can I... can I ask you one thing?”

Xu Zeyan looked at Shang Hongmei: “Sister Shang, you say.”

Shang Hongmei’s voice was hoarse as if she had experienced a serious illness, and her tone was extremely hollow: “Can I trouble you to take...take me in...my second aunt?”

“My second aunt is less than fifty years old this year, she is only sixteen or seventeen years older than me. Second aunt, she... can still work, as long as you take care of her occasionally, she now has the 400,000 yuan, She’s doing some work on her own, she’s going to survive, and her little grandson is going to high school soon.”

“My second aunt is so pitiful. Please help her, okay?”

“Second aunt...she is the only person in this world that I can’t let go of.”

Xu Zeyan’s heart was sour when he heard it: “Sister Shang, you... what do you mean?”

Shang Hongmei said in a tone that only she could hear: “Me? Maybe I should have died a long time ago. I...I’m meaningless to live alone in this world.”

“I think death is the happiest and most liberating thing for me right now.”

“I tell you, don’t think I’m telling you, I don’t worry about my second aunt and want you to take care of her.”

“Mr. Xu, you are a good person. Please take care of my second aunt no matter what. I will definitely repay you as a cow and a horse in my next life.”

After saying these words, she didn’t even look back at anyone, and walked forward slowly.

Her steps were weary.

But no nostalgia.

Many people behind him groaned.

Several people looked at Chu Tiantian, raised their fingers to point at her, but put their hands down angrily without saying anything.

Chu Tiantian looked at Shang Hongmei's back angrily, and called out contemptuously, "Shang Hongmei, who are you trying to scare you! You're going to die now! It's a clean death!"

Shang Hongmei did not look back.

There were no tears in the eyes.

She kept walking.

Her arm was pulled from behind, Shang Hongmei turned her head slowly and saw Xu Zeyan, she asked, "Mr. Xu, you...don't want to take care of my second aunt?"

"I want to take care of your second aunt with you, do you agree?" Xu Zeyan asked.

Shang Hongmei: "What do you mean?"

"It means that I will marry you, and we will take care of your second aunt together, okay?" Xu Zeyan asked solemnly.

## Chapter 1724

After hearing Xu Zeyan say these words, not only Shang Hongmei was stunned.

Even the onlookers, even Chu Tiantian and Chu Hongfa were all stunned.

Chu Tiantian was the first to react: “Xu Zeyan, what are you talking about! You want to marry her! This bltch! You can’t marry her! You can’t!”

She looked at Xu Zeyan angrily.

Xu Zeyan looked back at Chu Tiantian: “Miss Chu, I don’t think you have the right to order anyone!”

“You have no right to point at your mother like that!”

“Also, what your mother wants to do shouldn’t be your daughter’s meddling!”

Chu Tiantian: “...”

Xu Zeyan’s meal made Chu Tiantian speechless.

Xu Zeyan didn’t have to rob Bai Chu Tiantian, he just made up his mind in an instant that he wanted to marry Shang Hongmei.

He seemed to see that two bitter hearts would be connected.

He just wanted to hug each other and keep each other warm.

Xu Zeyan looked at Shang Hongmei solemnly again: “Sister Shang, are you willing to marry me? I can’t have children. We may have no children in the future, but I will be with you for the rest of my life.”

“will you marry me?”

“I won’t let you suffer again, I won’t let you be displaced, I will take care of your second aunt with you, okay?”

Shang Hongmei simply did not expect it.

She is forty.

She is already half an old lady.

My daughter is twenty-two years old.

There is still such a rich and handsome to propose to her?

Is it because God saw that her life was too hard, so he gave her a blessing?

She had planned to kill herself, because life had no meaning to her.

But at this moment, her eyes suddenly lit up: "You... what are you saying is true?"

"Of course!" Xu Zeyan said loudly: "Since I came back from Quxian, I have counted every word I said. I am already thirty-two years old, and I am very clear about my future."

"I'm not on impulse."

Perhaps, from the past two days of contact, the balance of his feelings has been skewed towards Shang Hongmei.

Maybe deep down he always felt that Chu Tiantian was not suitable.

Therefore, when Chu Tiantian said that breaking up with him, he didn't feel any pain at all, but felt it was a relief. All his pain these two days came from the fact that he was not a real man.

But these pains have been vented a lot here in Shang Hongmei.

He didn't vent in front of his parents, or even in front of Suzi. He only cried in Shang Hongmei for half an hour, which was fate. Deep down, he regarded Shang Hongmei as his own kind.

He had a good impression of Shang Hongmei for a long time.

isn't it?

He has the same vision as his niece Shen Wei.

It's just that he is not as pure as the only one, and he does not have the unique eyes.

The only one who recognized Shang Hongmei from the beginning. And he made a full lap.

At this moment, his mind was extremely firm.

He wants to marry Shang Hongmei.

This woman is eight years older than him.

"If you don't dislike that I can't have children, I'll take you to get a marriage certificate." Xu Zeyan said gently again.

"No, I don't mind! Of course I don't mind!" Shang Hongmei immediately burst into tears.

At this moment, she didn't want to die immediately.

what daughter?

What is your only child?

She is still Hongmei not.

Maybe, not from a very young age.

## **Chapter 1725**

It was his wishful thinking. He always felt that he still had a daughter, and he always thought about all his hard work and all his work, and his daughter was supporting her.

But in the end?

The twenty-two-year-old daughter slapped her twice.

Interrupted all the affection between their mother and daughter.

Since then, Shang Hongmei has no daughter.

She needs someone to lean on.

A reliance that allows one to rest.

It just so happened that Xu Zeyan also needed a nest for him to lick his wounds.

Not to mention how happy Shang Hongmei is that two injured people, two incomplete people, can walk together.

“Zeyan, don’t you think I’m old? I’m forty.”

“You are beautiful.”

“But I...”

“I know, I can’t have children, but we can adopt a child, no! We can adopt four or five children. With my financial ability, we can raise them. After adopting a child, you will take care of the child full-time at home. I am off work and You take the child with you, so that when the child grows up, it will not be close to you anymore.”

“Mei Mei.” Xu Zeyan even changed his title: “In the future, you will be a person with children, and you will no longer suffer the pain of separation between mother and daughter.”

“Yeah! We adopt many children, ten or eight. When we are old, the children will be around our knees. Zeyan, you are the best gift God has given me.” Shang Hongmei immediately cried .

She instantly threw herself into Xu Zeyan’s arms.

Crying earth-shattering.

Crying and forgetting about me.

Crying, the spectators and neighbors present silently sighed, and some of them were older and even shed tears.

After a long time, someone said softly, “Hey, my hard-working best friend, I’ve been at forty, and I’ve finally finished my hard work, and I’ll be happy in the future.”

It’s just a sound.

As soon as the voice fell, Xu Zeyan and Shang Hongmei thought of a very sharp and angry voice behind him, as if trying to kill someone: “Shang Hongmei! You shameless thing! What are you doing for stealing your daughter’s boyfriend? Have a face to live in this world!”

This is Chu Tiantian’s voice.

She was so angry that she was about to hit the wall.

She felt so embarrassed and thrown into the world!

Mother wants to take away her daughter’s boyfriend to register for marriage, what is this called!

Chu Tiantian’s voice just fell, and Chu Hong, who had not spoken for a while, spoke up.

His tone was not as sharp as Chu Tiantian’s, but his lethality was more powerful than Chu Tiantian’s: “Shang Hongmei! You shameless thing! You abandoned your daughter since you were a child and didn’t want her, and you didn’t fulfill your duty as a mother. That’s all! You even ran to the door to grab a boyfriend from your daughter!”

“I’ve never seen a shameless woman like you in this world! I, Chu Hongfa, married you at that time, and I’ve lost my eighth life!”

“I’m not ashamed now, Shang Hongmei, do you still remember how many men you’ve played with in your life?”

“Don’t you know how dirty you are? Are you going to harm Tiantian’s boyfriend?”

“Don’t forget! You and I haven’t divorced yet! You are married to your sweet boyfriend, it’s a bigamy crime! You’re going to go to jail!”

For outsiders to hear such remarks, it is really all Shang Hongmei’s fault.

Steal the girl’s boyfriend.

Not divorced from her husband 1

Which one is singled out is enough to make people despise.

Xu Zeyan sneered in his heart.

Ginger is still old and spicy.

Murder invisibly.

At this moment, Xu Zeyan finally understood that Chu Hongfa was a good killer.

Back then, those people had a certain reason to choose Chu Hongfa as the killer!

The murderous executioner!

Xu Zeyan and Shang Hongmei both turned their heads to look at Chu Hongfa with an angry face.

Chu Hong smiled coldly and said, "Shang Hongmei, you are committing bigamy, do you know?"

Without waiting for Shang Hongmei to speak, Xu Zeyan asked indifferently, "Then may I ask you, were you married to Shang Hongmei at that time? Did you get a marriage certificate?"

Chapter 1726

Chu Hongfa was a little caught off guard: “You, what did you say?”

“Excuse me, are you married to Shang Hongmei?” Xu Zeyan asked.

Chu Hongfa: “...”

“She was underage when you were with her, wasn’t she?”

“When she was pregnant, she was still three months away from turning eighteen, right? How did she get a marriage certificate from you when she was seventeen and a half years old? After that, when she turned twenty-two, have you made up your marriage certificate?”

Chu Hongfa: “...”

She did not expect Xu Zeyan to understand so clearly.

He stammered and asked, “How...how did you know? You...are you investigating me?”

Xu Zeyan sneered. He didn’t look at Chu Hongfa, but only at Chu Tiantian: “Tiantian, I didn’t investigate your mother for anything else, just to reconcile you and your mother.”

“Originally, I wanted to adjust the relationship between you and your mother, but now it seems that there is no need for this.”

“Sweet I also told you that one day you will also be a mother, and when you become a mother, there will be times when you regret it!”

“Before I was blind, I misread you!”

“No matter how much money I spent for you, I never thought of asking you to come back! Your mother came to you because she didn’t want you to be soft-spoken!”

“It’s just that you let her down too much and made her feel too cold. Your two slaps have killed her and your mother’s love.”

“You beat your mother’s heart to death!”

“Well done!”

Saying that, Chu Zeyan turned around and left.

He came to Shang Hongmei and put his arm around Shang Hongmei:  
“Sister, let’s go!”

“Yeah.” Shang Hongmei responded lightly.

She never looked back at her daughter again.

However, the heart is bleeding.

She longed for Xu Zeyan to plug her wounds for her.

She said to Xu Zeyan, “We... let’s go get the marriage certificate now, okay?”

“Of course!” Xu Zeyan said.

He never thought his marriage would be so dramatic.

He searched and searched for more than 30 years, and finally found his favorite.

Maybe not too long the test of time.

Just a glance.

With just one thing, he decided that she was the harbor where his soul docked in his life.

So is she.

Sitting in the car, Shang Hongmei and Xu Zeyan looked at each other:  
“Xu...”

“Call me Zeyan.” Xu Zeyan said.

“Ze Yan...” Shang Hongmei blushed a little.

“I’ll call you Meimei from now on.”

“I’m older than you, and if you call me that, I’ll think...”

“No matter how old you are, you are still a woman. From now on, I will spoil you as a little woman.”

“I’m already forty, how can I still be a little girl.” Shang Hongmei’s heart was slowly embraced by happiness.

“A 40-year-old woman is also a flower. Many 40-year-old actresses perform well, with depth and content, and the whole person’s temperament is atmospheric and calm. It does not lose the feminine flavor at all.”

“How can a twenty-year-old woman compare?”

Being praised by Xu Zeyan like this, Shang Hongmei suddenly became confident: “Well! Zeyan, you are right, we must all live a good life in the future.”

“Go, get the marriage certificate!”

“good!”

After the car started the engine, there were two rows of black smoke from the rear buttocks, and the luxurious Land Rover disappeared without a trace.

The rest of the spectators at the door of Chu Tiantian’s house, you look at me and I look at you.

Many people began to sigh about not knowing.

“Hey, it’s hard for an honest official to cut off housework.”

## Chapter 1727

“Who knows who is right and who is wrong?”

“I don’t know, but I think Mr. Chu is very good. He has been running a supermarket here for more than ten years, and he has always been friendly.”

“Similarly, especially his daughter, who is sensible and well-behaved, and studied so well in college. I think it’s her mother’s fault.”

“Her mother is really a weirdo.”

“Being able to grab a boyfriend with my daughter at the door of my daughter’s house.”

“Hey, the world is so big!”

“There are all kinds of shameless women.”

At the door of Chu Tiantian’s house, a group of spectators had different opinions.

Chu Hongfa and Chu Tiantian’s father and daughter also won the sympathy of many people.

Chu Hongfa even burst into tears: “Tiantian, my good daughter, why are you so miserable, with such a mother?”

“It’s alright, don’t be sad child, mom doesn’t want you, isn’t there a dad?”

“Dad... woo woo woo, we won’t care about that dead woman in the future. When she gets old, I will definitely not give her old age!”

“What kind of pension! She was hit by a car when she went out!”

“Ok!”

At this time, a voice suddenly came from the crowd: “Old Chu! You are also in your fifties! You have some virtue in your mouth! Curse your daughter’s mother like this! Aren’t you afraid of retribution?”

“You moved here from the countryside for more than ten years, and no one knows your past!”

“Did you forget my old neighbor? Twenty years ago, you and I were neighbors!” An old voice looked at Chu Hongfa resentfully.

Then, the voice looked at Chu Tiantian again: “If that woman gave birth to a wolf cub like you, she wouldn’t give birth to you. How bad was your mother when she gave birth to you?”

“In the end, spending all your efforts to raise you is waiting for you to be slapped?”

After speaking, the old man left.

Chu Tiantian chased after him: “Don’t go! What did you just say? You said it clearly! Why did she suffer for me, and why did she work so hard to support me? I admit that she gave birth to me, did she support me? You say clearly!”

“Old man! Don’t go!”

“You stop for me!”

The old man didn’t look back, just sighed: “Don’t ask me, I won’t tell you if you ask me, if you want to ask, you can inquire about your original village, why don’t you ask me? In that village, more than I am alone! Who is right and wrong, God has eyes!”

“Let the poor girl find such a good man to love her at the age of forty, and it is considered a fair thing for you to do!”

“Otherwise, God is not allowed!”

The old man said as he walked out.

Chu Tiantian said that her heart was pounding.

She had a hunch that things were far from what she thought and what her father had told her.

Chu Tiantian immediately took out her mobile phone and dialed Shang Hongmei’s number.

She wants to call Shang Hongmei, she wants to ask Shang Hongmei in person, what happened when she was very young, she wants Shang Hongmei to tell her personally.

If Shang Hongmei dared to make a mistake, she would never spare that woman!

The phone was dialed, but the other end never picked up.

He didn't even answer her phone!

Chu Tiantian is extremely corrupt!

Keep calling!

Not yet.

Call again. The other end of the phone turned off first.

Shang Hongmei didn't answer her phone, but turned off the phone?

At this moment, Chu Tiantian was very frustrated. She knew that Shang Hongmei and Xu Zeyan were together, but she didn't care that she dumped Xu Zeyan in public just yesterday, she just called Xu Zeyan's cell phone without hesitation.

At the other end, Xu Zeyan, who was driving, looked at the phone call and said to Shang Hongmei, "You don't answer, she called me."

Shang Hongmei said: "Hold it up, Zeyan, she has no shortage of food and clothing, and her future life has nothing to do with us."

However, Xu Zeyan shook his head: "Take it, see what she has to say? If you curse again, just hang up, and I will never do it again."

Shang Hongmei was then connected: "Tiantian, what's the matter?"

At the other end, Chu Tiantian was very arrogant: "I ask you, you have to answer me honestly! Did you have an affair with a seventy-year-old old man!"

## Chapter 1728

Shang Hongmei's face changed suddenly: "Chu Tiantian, my surname is Shang, your surname is Chu! You can cut off the mother-daughter relationship with me! You beat me, and you scolded me! Since then, our mother-daughter relationship has been scolded! Cut in two! If you ask me that again now, do you think I won't kill you!"

Her tone was very cold.

very cold.

If she, Shang Hongmei, was destined to kill her own daughter with her own hands and then send her to hell, then this would be her life.

At that end, Chu Tiantian shuddered.

She murmured a little unreasonably: "I...I just ask you, what are you annoyed about?"

Shang Hongmei has only one word: "Go away!"

Then hung up the phone.

Xu Zeyan raised his hand to comfort Shang Hongmei: "Don't answer her calls in the future, block her."

He is not a ruthless man. If Shang Hongmei is willing to recognize her daughter, Xu Zeyan is even willing to give Chu Tiantian a fortune.

However, seeing Chu Tiantian treating his wife like this, Xu Zeyan was also very chilled.

Shang Hongmei didn't even think about it, so she blocked Chu Tiantian.

She was only forty.

Her life has a future.

Can't she die because of her daughter's trampling on her?

As a mother, what she can do, what she should do, has done all the strength that a mother should have.

She will live for herself in the future.

This noon, when Shang Hongmei and Xu Zeyan came to the Civil Affairs Bureau, they were about to get off work in half an hour.

The moment they got the marriage certificate, both of them were very happy.

They hugged each other tightly and couldn't bear to let each other go.

"Ze Yan, I will have a husband in the future? I, married?" Shang Hongmei had never been married in her life, never wore a wedding dress, she was in a trance at this moment.

Xu Zeyan's eyes were also red: "Mei Mei, I...have a wife? From now on, I'm no longer alone when I go home, and I'll have someone to discuss what I do in the future?"

Shang Hongmei said, "Mmmm! We will live and die together in the future!"

"Go!" Xu Zeyan said.

"What are you going to do?" Today at noon, the two of us celebrated our wedding.

"It's late for the celebration. I'll take you to buy a wedding gift. You don't have any clothes to wear. We'll fill up the closet in one afternoon today. I have a cloakroom at home. I don't have many clothes, and it will be yours from now on."

"I'm taking my second aunt to live with me."

"Yeah!" Shang Hongmei's eyes were red.

This noon, there is only lunch for two people.

Wedding lunch to celebrate the wedding.

No one blesses them, they bless each other.

They both felt so warm.

This afternoon, Xu Zeyan took Shang Hongmei to the mall for various shopping, clothes, cosmetics, shoes.

He has a good eye, and the clothes he chooses are all suitable for Shang Hongmei.

Shang Hongmei repeatedly solved it, she felt it was a waste of money.

She has always been making money in her life, but she has never bought herself more than a hundred clothes.

When standing in the full-length mirror and trying on clothes again and again, Shang Hongmei felt that she was not herself in the mirror, that woman was too beautiful.

With a sad beauty.

With a mature but simple beauty.

In those simple eyes, there is a temperament that coexists with determination and gentleness.

Shang Hongmei looked at herself and smiled.

Xu Zeyan slowly surrounded her in the crook of his arms from behind, and murmured, "Amei, you are so beautiful."

Shang Hongmei blushed: "Ze Yan, this is... in the shopping mall."

Xu Zeyan murmured softly: "This mall is owned by the Xu Group, and this fitting room is my exclusive VIP fitting room."

Shang Hongmei: "I...I really married a rich husband?"

"Of course, the real rich!"

"I...my husband is young and handsome?"

## Chapter 1729

“Ok.”

“It hurts so much?”

Xu Zeyan: “Amei...”

His voice was extremely low and magnetic.

At this moment, both of them forgot that just this morning, they were discussing the matter of his inhumanity.

At this moment, they all forgot about me.

Especially Xu Zeyan, the desire he never had.

He raised his hand and locked the door of the fitting room from the inside. The woman in front of him was so beautiful, the woman they had always dreamed of.

“Amei, are you afraid?” he asked in a low voice.

Shang Hongmei’s voice became smaller and smaller: “Zeyan, I’m really afraid, will there be anyone here...”

“Don’t worry, come and leave the rest to me.” The man said warmly.

“Well.” Shang Hongmei knew that someone would definitely look at her when she went out in a while, after all, there were people in the mall.

However, she was willing to give her own to Xu Zeyan.

She doesn’t tell anyone what to say anymore.

She’s so old, what about her.

This afternoon, in this VIP changing room, he and she completed a perfect fit.

They both had unparalleled happiness for each other.

He hugged her and was ecstatic: "Amei, I...Although I can't have children, I can give you happiness, and I can still give you happiness, Amei, is that so?"

"Well, yes Zeyan, you are a man, you are a real man, Zeyan!" Shang Hongmei was also extremely happy.

She was even more shy.

Hiding in Xu Zeyan's arms, he refused to come out.

"I...how can we go out?" Shang Hongmei said, looking at the mess in the room.

Xu Zeyan smiled: "I'm 40 years old, and I'm still shy."

She looked shy, like a girl.

As he said, he got up and dressed Shang Hongmei. He dressed very carefully.

After getting dressed, Shang Hongmei insisted on cleaning up the place.

When the two came out again, the place was as clean and tidy as before, no one would care what they were doing inside, and the people here respected them as before.

"Mr. Xu and Mrs. Xu, walk slowly."

Mrs. Xu.

For this title, Shang Hongmei felt extremely warm in her heart.

She would involuntarily climb up Xu Zeyan's arm, and the two seemed to be lovers in love.

After putting the large and small bags of clothes into the trunk, Xu Zeyan asked Shang Hongmei, "Amei, does it hurt?"

Shang Hongmei was shy for a moment, and said bluntly, "Zeyan, you know, a woman who has given birth to a child, how can she be so hypocritical? It doesn't hurt."

“What about walking? Are you tired?” He asked again with concern.

He is that person, even if it is over, he will be in good health everywhere, there is nothing wrong with him, but he will be more refreshed.

He was just afraid that she couldn't take it.

“It's okay, I'm not that squeamish.” Shang Hongmei smiled and said, “Zeyan, you haven't dealt with company affairs for a day today, do you have official business to deal with? If you have official business to deal with, you can deal with it, I Go back to my house first? I'll wait for you to pick me up.”

Xu Zeyan smiled: “If you're okay, I'll take you to meet someone.”

“Who?” Shang Hongmei was startled: “No...it's not sweet, right?”

Xu Zeyan shook his head: “I will never see Chu Tiantian again.”

Shang Hongmei leaned on his shoulder: “Well.”

Xu Zeyan started the engine.

An hour and a half later, when the car stopped, Shang Hongmei's eyes were straightened when she saw such a high-end community in front of her. She was held by Xu Zeyan, entered the elevator all the way, got on the elevator, and knocked on the door.

The door opened.

A little dumpling that was more than one meter looked up at Xu Zeyan and shouted in great surprise, “Uncle, Aunt Shang, why did you two come together?”

At this time, Suzi also came to the door, and she shouted in surprise, “Brother, Ms. Shang!”

Xu Zeyan said with a smile: “I will change my name to my sister-in-law in the future, the only one, I will call my aunt!”

## Chapter 1730

Hearing Xu Zeyan say this, Suzi and Shen Weiyi were stunned at the same time.

“Brother?” Suzi looked at Xu Zeyan in disbelief.

This change is too big, right?

Shen Weiyi looked at her uncle in surprise and joy. She was stunned for a long time, and then asked with a smile, “Uncle, is this... is this true?”

Xu Zeyan: “Of course it’s true! Aunt Shang is now your aunt, a veritable aunt.”

Shen Weiyi: “Uncle, you...you married my aunt for me?”

The change was very smooth.

In fact, Shen Weiyi called his aunt many times in his heart.

From the first time she saw Shang Hongmei, she thought that Shang Hongmei was her aunt.

Xu Zeyan nodded with a smile: “Well! Yes! For Shen Weiyi, I married your aunt! You little thing, you won!”

Shang Hongmei next to her also laughed, she was very understanding: "The only one, look, how much uncle loves you."

"Hee hee." Shen Weiyi was extremely happy.

Suzi was not as easy to deceive as Shen Weiyi, she still looked at Xu Zeyan with a puzzled expression: "Brother, what's the matter? I..."

She looked at Shang Hongmei again: "Ms. Shang, I'm sorry, I...I don't have any opinion on Ni, on the contrary, I like you very much,

However, you are not children when it comes to marriage, this is not a child's play, especially my brother..."

"Brother understand." Xu Zeyan said.

He looked at his sister warmly from time to time.

He understood his sister's concerns.

"Xiangxiang, brother is tired."

"I'm very tired."

"This kind of tiredness may have started seven years ago. At that time, I followed Ling Shao every day, and I also played with a lot of women."

"Later, I met you one day later, and I saw with my own eyes how you struggled in the upper class, but you were still able to get out of the mud, and I saw with your own eyes the scene where you fought with your own life to defeat Ling Shao."

"My soul has been tormented since then, and it has been tormented."

"Until I took you to escape from Nancheng, my heart was a little better. It took me seven years to redeem myself with your help, and slowly my heart was a little better. When I looked back, I found that, I really can't fall in love with those flowery girls."

"Tiantian is a very noble flower to me."

“I’m no longer used to taking her as my own, do you understand Xiangxiang?”

“I have been in contact with Amei for several days. From the beginning, I was puzzled. Later, I found that I could talk to her very well. I could understand her difficulties and everything about her, and I, my pain, I was confused and I found that only when I was where she was, could my heart feel stable.”

“Also, before I met you, I killed a lot of girls. Although they were all willing to play with each other, I couldn’t tell who was playing with each other, but I was no longer perfect. The reason why I changed like this today. Is it because of what I did before that I became an infertile person?”

“I’m not ten thousand people, and neither is Amei.”

“So the two of us are so compatible.”

Xu Zeyan looked at Suzi with happiness.

When he finished saying these words, Suzi understood.

Her brother, of course she understands the most.

“Brother, have you finally found your happiness?”

“Yes, brother has found his support.”

“Congratulations, brother.” Suzi looked at Xu Zeyan with relief.

Then she looked at Shang Hongmei again, she took a step forward, and the monk Hongmei gave her a hug: “Sister-in-law, you have finally become my sister-in-law.”

Shang Hongmei looked at Suzi gently: “Thank you for taking care of Ze Yan for so many years.”

“Come in.” Suzi took Shang Hongmei and took her to the living room, then she got up and went to the inner room.

There was the pair of black gemstone earrings that she planned to give to Chu Tiantian in the inner room, and now she took them out

and gave them to Shang Hongmei, Suzi thought it was the most appropriate.

She took out the earrings and put them on for Shang Hongmei herself. The 40-year-old woman immediately showed a grand and calm temperament.

However, Shang Hongmei took off the black gem and handed it to Suzi: "I... these earrings are too expensive, I can't take them, I... I still have some savings, originally That little savings was meant for...my daughter, but now, I...keep it for myself, I have enough, so I don't need it."

Suzi put the black gem in a box and handed it to Shang Hongmei: "This is the wedding gift I gave you and my brother, you must keep it, I know you are an independent woman, you are great, and you will be fine in the future. . Give my heart to my hands. Sister-in-law."

Shang Hongmei finally got the gift: "Thank you, Mrs. Fu."

Suzi: "Call me Suzi, Suzi Suzi, you can."

She is looking forward to it.

At the age of forty, she had given birth to a child, and her daughter could fall in love, but she never held a wedding, never wore a wedding dress, and no one ever blessed her.

But, a woman who is already forty years old, is she still so hypocritical?

What are you going to do for a wedding?

She has already given birth to children.

She smiled lightly: “No, there is no need for the wedding, Xiangxiang, no more.”

“Why not?” Suzi said in a small voice: “Sister-in-law, I... have never held a wedding, and I have been thinking about making it up, but one thing after another, we haven’t waited for us to catch our breath. Well, I’m pregnant again, and I’m going to hold a grand wedding when I give birth to my second child.”

“But now, I want to attend your wedding first.”

Suzi looked at Xu Zeyan again: “Brother, where do you want to hold the wedding?”

Xu Zeyan: “Well...”

He hasn’t made up his mind yet.

A lot of people haven’t told yet. Including your parents.

This should be discussed carefully.

“Let’s take care of this,” said a voice behind him.

Suzi turned his head and saw Arron coming back.

He was not surprised that Xu Zeyan and Shang Hongmei suddenly got married.

To be honest, he even felt that they were a good fit from his heart.

Very suitable.

What if the woman is bigger?
