## Chapter 1752

Chu Hongfa: "Tiantian, what do you mean?"

"The boyfriend she stole from me! Of course she has to compensate me! Besides, she has to pay back what she owes me for so many years!"

"Anyway, she has a better life now! Married a rich man! Too much money can't be spent!"

"Our father and daughter lived a dire life, why did she marry into a wealthy family alone!"

Chu Tiantian said very calmly.

Like her father, she would not consider how much injustice Shang Hongmei had suffered because she could not feel it.

But, she really felt her father's pain and everything that her father paid to her. She just wanted Shang Hongmei to pay what she should pay. Even if Shang Hongmei died, what did it have to do with her and her father?

She doesn't care about this!

The best Shang Hongmei is dead!

Before she dies, leave her a sum of money!

Since then, she and her father will have nothing to worry about in the future 1

Seeing his daughter's attitude so resolute, Chu Hongfa stopped crying immediately, his eyes lit up: "You mean, you can ask your mother... can you ask that woman for a sum of money?"

Chu Tiantian smiled and said, "It's not a sum of money, it's because she wants to keep your medical bills under control, old plumbing!"

"She will always give me living expenses and compensation! It used to be 5,000 per month! Then it was 10,000 per month! After that, 50,000 per month!"

"Good! Good! Very good! My daughter is promising! Our father and daughter are living in dire straits, why should she marry into a wealthy family alone? Yes! You are her own daughter, and her only daughter, she and that Xu Zeyan are also It's impossible to have another child, all her property should belong to you!" Chu Hongfa became even more excited.

Chu Tian dessert nodded: "That's right, Dad!"

The father and daughter seem to have found a way to make a fortune.

They have been planning all night to buy a sea view villa in the future.

Then I am looking for a man better than Xu Zeyan for Tiantian, not necessarily a rich man. If you find a poor man, as long as Zhang is handsome, honest, willing to work, and loves Chu Tiantian, their father and daughter will recruit their son-in-law. .

Three days later, Chu Tiantian dressed up and went to the Xu Group.

Although she dumped Xu Zeyan, she still had to dress up in front of Xu Zeyan.

The reason is very simple, she wants Xu Zeyan to know what kind of woman Xu Zeyan married.

An old woman!

Just an old woman!

The daughter of the woman he married is so old!

She wants to remind Xu Zeyan of this!

Not only that, isn't Xu Zeyan rich? Isn't it kind! Even a homeless person can think of sending warmth to others, so her stepdaughter should also get a lot of support from her stepfather, right?

"Hello, miss, I'm looking for Uncle Xu." When she arrived at the front desk, Chu Tiantian said this deliberately.

"Who?" The little front desk was confused at first.

"Xu Zeyan, President Xu, he is my Uncle Xu." Chu Tiantian explained in detail.

The small front desk looked Chu Tiantian up and down: "Our president has only one niece, but she is only seven years old this year. You..."

"I'm her wife's daughter!" Chu Tiantian said in a very cold tone.

Small receptionist: "Oh, oh oh, I see, you...you wait a moment."

The president's wedding was five days ago, and the entire Xu Group knew about it.

The Xu Group also distributed wedding candies, and President Xu also held a special banquet.

Mr. Xu's wife is eight years older than Mr. Xu. He has had children before, and the whole company knows about it. Mr. Xu did not hide them.

So when the small front desk heard what Chu Tiantian said, she immediately became respectful, picked up the landline and called Mr. Xu's assistant.

"Hello, is it Special Assistant Wang? I... Seems like Mr. Xu has gone out for half an hour. May I ask what Mr. Xu is doing and when will he come back?"

## Chapter 1753

“Uh uh, it’s like this, Mrs. Xu’s daughter, came to... President Xu, she... She called Uncle Xu.”

“Okay okay.”

After the small receptionist hung up the phone, he looked at Chu Tiantian respectfully: “Miss... miss, wait a moment, special assistant Wang will come out right away.”

“Okay!” Chu Tiantian’s eyelids didn’t even look at the front desk.

She sneered more and more in her heart.

It seems that she, the stepdaughter, still has a lot of status here.

A few minutes later, a mature beauty with high heels walked out from the inside. When she saw Chu Tiantian, she immediately greeted her with a smile: “It’s the eldest lady, right?”

Chu Tiantian asked, “I’m looking for Uncle Xu!”

“Miss, Mr. Xu is not here today. He just went out half an hour ago. It seems to be Mrs. ... that is your mother. She is a little unwell. She was sent to the hospital by the housemaid early in the morning. Now, Mr. Xu heard that his wife was sick, so he hurried out.”

Chu Tiantian: “...”

sick?

Deserved!

“Miss, if you have something important to do with Mr. Xu and Mrs. Xu, the company can send you a driver to take you there now? Do you think this is okay?” Wang Tesuke’s treatment of Da Chu Tiantian is equivalent to that of Shen Shen. The only way.

She really regarded Chu Tiantian as a princess.

Because everyone in the company can see that even though the wife is eight years older than the president and is a woman who has given birth, the president loves his wife very much. Since he loves his wife, he will also love his wife’s daughter.

This is human nature.

Chu Tiantian also has the air of a young lady: “Okay! Please send me a driver immediately!”

She didn’t want to see Shang Hongmei.

Because if Shang Hongmei knew that she had negotiated terms with Xu Zeyan, Shang Hongmei would definitely disagree. Her original plan was to negotiate good terms with Xu Zeyan first, and then behead and then file to let Shang Hongmei know. Red plum.

But now, she can only go to the hospital to find Xu Zeyan.

She also wanted to see what kind of disease Shang Hongmei had, preferably an incurable disease!

The car drove fast all the way to the hospital, got off the car, and the driver specially led her to find Xu Zeyan and Shang Hongmei. Originally, Chu Tiantian also had Shang Hongmei’s mobile phone number. Seeing that the driver was so willing to help, she was happy. Why not?

The driver took her to search for ten minutes, and then found Xu Zeyan and Shang Hongmei in a rest area.

Shang Hongmei is drinking water.

And Xu Zeyan put his arm around her thoughtfully, and the two looked very loving.

Seeing such a situation in Chu Tiantian’s eyes, there is an indescribable sourness in my heart! Nausea! But she remained calm.

Shang Hongmei took a sip of water and looked up to see Chu Tiantian: “Tiantian, you...why are you here?”

Chu Tiantian: “What disease do you have? Are you dying?”

Shang Hongmei: “...”

Xu Zeyan stood up immediately: “Why are you talking to your mother!”

“I’m just asking her honestly! Is she dying! I have to remind you Shang Hongmei! If you have an incurable disease, I will be the first heir to your property!”

Shang Hongmei’s angry face was indiscriminate for a while.

She raised her finger and pointed at Chu Tiantian: “You...”

“Also, I originally wanted to communicate with Uncle Xu first, but since the two of you are here, I’ll just say it straight, since you are married to a rich man now, then your monthly living compensation fee will be paid to me. Change it to 50,000, I think 50,000 is nothing to you.”

Xu Zeyan: “...”

He was about to yell at Chu Tiantian, but Shang Hongmei grabbed her hand.

Shang Hongmei looked at Chu Tiantian with a calm expression: “Tiantian, I’m... pregnant.”

### Chapter 1754

Chu Tiantian took a few steps back in shock, and her lips instantly turned white: “You... what did you say?”

Shang Hongmei didn’t answer Chu Tiantian.

She looked at Chu Tiantian calmly: “You came to my wedding five days ago, right?”

Chu Tiantian: “You... how do you know?”

“I got married for the first time in my life. Of course, I wanted to invite all the people who helped me. I don’t have any relatives. Those people in the village used to be my relatives. When I got married that day, several representatives from the village came. .”

“A lot of them know you.”

Chu Tiantian: “...”

“Have you been to that village and inquired about it?” Shang Hongmei asked.

She didn’t answer.

Because she didn’t know how to answer.

She didn’t think that Shang Hongmei would know so quickly about what she went to the village to inquire about!

Seeing that Chu Tiantian didn’t answer, Shang Hongmei didn’t care, she just continued: “It’s not a secret that the whole village knows, as long as you ask a little, you know what happened in the past. You know Why didn’t I tell you?”

Chu Tiantian looked at her biological mother with hostility: “Why? You don’t want your unclothed photos to be exposed! You don’t want to be caught and raped in bed photos exposed!”

“Crack!” Shang Hongmei raised her hand and slapped Chu Tiantian in the face.

After hitting, she said lightly: “You hit me, it’s my disobedience! It’s normal for me to hit you! But this is the first time I hit you since I was a child!”

“With this slap in the face, our mother and daughter will be even!”

“It won’t matter anymore from now on!”

Chu Tiantian: "..."

"But!" Shang Hongmei said: "Since you came to me today! Then I will tell you one by one!"

"The reason I haven't told you what kind of person your father is is because I don't want to let the image of a good father in your heart collapse, because I want you to have a happy childhood as much as possible, and I don't want to leave any shadows on your childhood. !"

"If it's not that I don't want you to starve to death! Why don't I want to be at home with my husband and my son, and take my little daughter with me? This way my daughter can also be close to me!"

"However, if I don't go out to work and earn money, not only will you not have a good education, you may even starve to death!"

"I think...I think I, Shang Hongmei, deserved to be like this in my life. I gave birth to a daughter, but she didn't even kiss me!"

"I have accepted this fact, I have no plans to recognize you again!"

"I just think, what if I don't know each other for the rest of my life, as long as I can see you from a distance, as long as I can save clothes and family business for you, I will be very content, in fact, I have really done this for so many years. , every money you talk about, your father's supermarket, is all my hard-earned money!"

"I've been saving money all the time!"

"5,000 a month at first, then 10,000 a month!"

"Do you know how hard I save? I work four jobs a day! When I make the most money in the summer, I work as a skinner in the cannery, on a piece rate. In order to earn more money, I start stockpiling every day at 0:00. goods!"

"From 0:00 to 5:00 p.m. the next day!"

"When I got home, I couldn't even eat and fell asleep. I slept until midnight before I went to stock up!"

"One summer, for more than 70 days, I could save 1,000 yuan a day!"

“The money I saved for you, millions, was just pulled out of my teeth one by one! I haven’t even bought a new dress for a few years! So when you see me, you are Ragged and ragged!”

“Yes, I admit it! I appoint!”

“As long as my daughter can have a happy future, I’m worth it!”

“But sweet, I didn’t expect you to hit me in the face in front of so many people.”

“Hit me in the face!”

## Chapter 1755

“You slap me in the face, it hurts me more than your dad threatens me with my bed photo.”

“I was slapped twice in the face by you, and my heart was beaten to death by you.”

“Sweet, mother’s heart is with you, it’s dead.”

“I have raised you for twenty-two years old, as stated in the folk code. Parents’ obligation to support their children is until you are eighteen years old. You are twenty-two years old now, and my obligations have been fulfilled.”

“As for your support of me in the future, I will make it clear to you now that I need you to support me!”

“We’re done. I’ll declare right now, I don’t need you to raise me!”

“Originally, your Uncle Xu, my husband, comforted me, no matter how you are my biological daughter, but, Tiantian, you went to that village and learned about your father’s behavior, and you could still come over and slander me and you. Uncle Xu, do you know that you are committing a crime?”

Chu Tiantian: “...”

“I’m sorry Tiantian, I have cut off the mother-daughter relationship with you, don’t come to me again in the future.”

“I have my own life now. I usually get married for the first time. I know I am pregnant as soon as I get married. I am very happy. The past 20 years have been a nightmare for me.”

“In the future, I won’t think about it anymore.”

“But I won’t pursue your blackmailing me today, you can go!” Shang Hongmei said calmly.

As soon as she spoke, she looked at her belly.

Where is a little life.

She ignored Chu Tiantian, but said to herself: “Baby, your father is very good now, he won’t let mother get pregnant alone and ignore her at home, he won’t let mother get pregnant, sit down I will go out to work after confinement, and I will not threaten my mother to leave you alone.”

“My baby, when you are born in eight months, I can truly experience the joy of being a mother.”

“baby.....”

At this moment, Shang Hongmei was really relieved, extremely relieved.

In her heart and eyes, there is really no Chu Tiantian anymore.

After all, when Tiantian has grown up, she can decide everything by herself.

She was also relieved.

Chu Tiantian, who was standing opposite her, looked like an extreme, the tears on her cheeks were ice, she asked quietly: “Xu...Xu Zeyan is not...isn’t it infertile? He... ..he’s just like my father, for the cripple! You...Shang Hongmei, I just want to know, you...how did you get pregnant?”

“You went to steal a man again?”

“Haha! Xu Zeyan, you like this kind of green hat! Congratulations on being a father! It’s still a bargain!”

“It’s not cheap!”

Xu Zeyan looked at Chu Tiantian with disgust: “You unrepentant thing! I’m so glad I was dumped by you!”

“If I really marry you, I will regret it for the rest of my life!”

As he said that, he took out a chapter of report paper from his pocket and handed it to Chu Tiantian: “Don’t let me tell you, the last time I came for a medical examination with you, I gave me the wrong report! There is a person with the same name and surname. This man has this kind of disease! I got the wrong report!”

“Now this report is mine, I’m a normal person!”

“In other words, I’m a normal man who can be a father!”

Chu Tiantian: “...”

She raised her tearful eyes and looked at this elegant, calm and capable man who was over 1.8 meters tall, and who had tens of billions of assets at a young age.

This should have been her Chu Tiantian boyfriend!

She suddenly shouted: “It’s not true...”

Then ran away like crazy.

At the same time, Shang Hongmei’s cell phone rang, she picked it up and connected: “Chu Hongfa, did you ask your daughter to corrupt me?”

## Chapter 1756

Chu Hongfa on the other end of the phone was very proud: “Shang Hongmei! I already said that you were born to me and died to be my ghost! I have already forgotten, you will leave me sooner or later!”

“So, I have squeezed your labor force since you were young! Don't let my daughter touch you!”

“My daughter doesn't want you! All your hard-earned money is my daughter's. This is the price you paid for betraying me!”

Shang Hongmei's face turned ashen: “...”

Xu Zeyan, who had been holding her, patted her back gently: “Amei, it's not worth being angry for such a person.”

At this time, the driver beside Xu Zeyan rushed up sweating profusely.

“What's the matter?” Xu Zeyan asked the driver softly.

“Mr. Xu...” The driver didn't know that Chu Tiantian and Xu Zeyan had a falling out with their biological mother.

He only said respectfully: “Madam... Madam's daughter ran out in a frenzy, and I shouldn't even call her. I think she is... crying a lot!”

“There is a lot of traffic outside, there is a lot of traffic!”

“I...I can't see her as soon as I go out, I don't know Missy she...”

The driver is worried.

But he didn't dare to say anything unlucky in front of his wife.

However, at this moment, the driver seemed very angry when he saw his wife answering the phone, and the driver did not dare to speak.

Xu Zeyan waved his hand to him: "I see, you follow Miss Da first."

"Yes!" The driver responded.

Here Xu Zeyan saw that Shang Hongmei was still answering the phone.

There were tears in her eyes, but she also smiled: "Chu Hongfa, you are right! Sooner or later I will leave you! Not only that, I will never give you a penny again!"

Chu Hongfa: "You...you vicious woman! You don't even care about your daughter's life or death!"

Shang Hongmei sneered: "Do you care! You love your daughter! But your love is very selfish! Sooner or later, your love for her will kill her!"

"Shang Hongmei! You dead woman! Lao Tzu is holding your..."

Here, Xu Zeyan suddenly grabbed the phone from Shang Hongmei's hand and pointed at the receiver: "Chu Hongfa!"

Chu Hongfa was surprised and asked, "Who are you?"

"Xu Zeyan!"

Chu Hongfa: "Xu, Master Zeyan...why don't you handle affairs in the company, you are with that woman during the day?"

Xu Zeyan smiled contemptuously: "Chu Hongfa, get down to business!"

Chu Hongfa: "..."

"What did you want to say just now? You have a picture of Amei without clothes in your hand, and you have a picture of her bed? Have a picture of her hanging out with other men?" Xu Zeyan asked bluntly.

“That’s right!” Chu Hongfa said immediately, “That woman... Young Master Ze Yan, let me tell you, that woman was so rude when she was young, hanging out with men...”

“Chu Hongfa, you are also a man!” Xu Zeyan sneered.

Chu Hongfa: “You...what did you say?”

Xu Zeyan said word by word: “Chu Hongfa! First of all, you are not married to Amei, you are not a husband and wife in the legal sense! Secondly, you betrayed Amei Online! When she was pregnant, stealing your life caused you to live forever. Disabled and sick! Amei has no obligation to be a widow for you!”

“It is her right as a woman to have s3x with any man!”

“And you! You took pictures of him secretly and kept those pictures of her privately, and you have violated the law!”

“Chu Hongfa! I’m not A Mei! Do you want to threaten me?”

For Xu Zeyan’s questioning, Chu Hongfa was afraid.

After all, he couldn’t stab the things about his attempted murder back then. If he stabbed them out, he might have been imprisoned for several years.

“No, no, Master Zeyan, I just kindly remind you that that woman is not clean...”

## Chapter 1757

“My Ame is cleaner than anyone else!” Xu Zeyan said coldly.

He said again, “Chu Hongfa, about your past with Amei, I went to the village where you lived to inquire long before I married Amei!”

“When I asked at the time, it wasn’t that I wanted to marry Amei!”

“I originally wanted to make peace between Amei and Chu Tiantian!”

“When I inquired about your past, I felt a chill in my heart. I thought how could there be such a vicious husband in this world?”

“A girl who’s been with you when she’s not a teenager! She’s your child’s biological mother! How could you treat her like this!”

“Do you know that you are a murderer than a murderer!”

“Chu Hong sent me a warning to you! Amei and I are not afraid that you will distribute those photos! Because the body is not afraid of the shadow!”

“But you also listen to me! As long as you spread it out, you are a crime in prison!”

“Besides, you spread it out fast, and I put it away fast!”

“Chu Hongfa! Although I, Xu Zeyan, are not the king of Nancheng like Arron! But I am Arron’s brother-in-law! In Nancheng, you want to discredit my wife! Do you think you have a good life?”

Chu Hongfa: “You...Xu...Master Zeyan, you...you love...that woman so much?”

“Of course!”

Xu Zeyan’s tone suddenly became very happy: “Amei is a good woman! It’s you Chu Hong who is blind! So a lot of grades have picked up girls who are willing to live with you wholeheartedly and have children for you, but you are fooling around outside. !”

“So, you deserve to lose such a good woman!”

“I’ve picked up a treasure! Ah Mei will be my wife in the future, forever!”

“From now on, she is not only my wife, but also the mother of my children!”

Chu Hongfa was stunned again: “You...what did you say, you...are you not a waste person like me, why is she...pregnant?”

Xu Zeyan smiled contemptuously: “How am I the same as you? I brought seeds, you are nothing! I, Xu Zeyan, are a man of real blood and energy!”

“And you! Are you a man? You’re a vampire at best!”

Chu Hongfa: “...No, this...it’s impossible, it’s impossible, so Shang Hongmei will...will not care in the future.... .. sweet?”

At this time, the phone version has been changed to Shang Hongmei: “Chu Hongfa, I have cut off the mother-daughter relationship with Chu Tiantian, she is your daughter alone, and it has nothing to do with me in the future, so I will I won’t give her a penny any more, I have no obligation to do so.”

“If you instigate Tiantian to ask me to sign again, I will instigate you to extort money!”

Chu Hongfa: “...”

He was really stunned.

How can this be?

Is she pregnant again? Or the child of a powerful man in Nancheng?

Does she really care about sweetness?

Then wouldn’t he really have nothing to blackmail her in the future?

“Shang Hongmei, you can’t ignore Tiantian, she is your daughter!”  
Chu Hongfa joked.

Shang Hongmei: “You finally said this, she is my daughter? Chu Hongfa! It’s too late!”

As soon as the words were spoken, Shang Hongmei hung up the phone decisively.

From now on, the father and daughter have nothing to do with her.

Here Chu Hongfa sat on the ground paralyzed for a long time and couldn’t get up. He wanted to call his daughter immediately to ask about the situation.

Before the call was made, he received a set of unfamiliar numbers, and he asked suspiciously, “Where are you?”

“Excuse me, are you Mr. Chu Hongfa Chu?” the other end of the phone asked.

“I’m Chu Hongfa, who are you?”

“Your daughter was killed by a car!” The other end of the phone said calmly.

### Chapter 1758

Chu Hongfa: “You...what did you say?”

His tongue froze suddenly, his body shivered suddenly, and he collapsed suddenly.

“My side is the accident scene. Your daughter was killed by a car. We found your phone number from her mobile phone. Please come over immediately, because the main person responsible for the accident is your daughter, as the family member of the family. Dearest, you have to compensate the other party!”

Chu Hongfa: “...”

“No! No no no! No!” After saying a few nos in a row, Chu Hongfa instantly fell to the ground.

“Hello? What’s wrong with you? Are you there! Please answer!” the other end continued to shout.

Chu Hongfa couldn't even utter a word here, so naturally he couldn't answer anything.

The on-site personnel at that end were suddenly worried.

The deceased only saw his father on his mobile phone, and they turned around and didn't find his mother.

Who to contact now?

He continued to rummage in the deceased's mobile phone, and found the mobile phone number that he had called several times recently. It was signed: Damn woman.

Who is the damn woman?

The people on the scene definitely couldn't call the damn woman.

You can also guess from the name, it should be the person that the deceased hates.

Continuing to search, they found the mobile phone number that appeared frequently on the deceased's mobile phone a month ago, and they were right to be a dead horse and a living horse doctor.

The on-site personnel dialed out: "Who are you?"

At the other end, Xu Zeyan asked funnyly, "You call my cell phone, who are you asking me?"

"Oh." The worker asked again, "Excuse me, what is your relationship with the deceased?"

Xu Zeyan was startled: "What dead! Who are you!"

The other end of the phone said: "There is a car accident site about a kilometer away from the Affiliated Hospital of Western College. One of the deceased's mobile phone frequently called you a month ago."

Xu Zeyan: "..."

Her face suddenly changed, and it was white and white.

“What’s wrong with Zeyan?” Shang Hongmei was a little tired. After all, she was forty years old and in her early pregnancy, so she was easily tired these days.

It was originally due to being lazy in the past few days, and because the menstrual cycle was always on time, but this month it was postponed for two or three days. She was afraid that she was forty years old and just got married. Went to the hospital to check.

It turned out to be pregnant.

She was bewildered.

how is this possible?

Although she and Xu Zeyan are often entangled in darkness these days, isn’t Zeyan infertile?

She didn’t fool around with anyone outside.

She looked at Xu Zeyan, and said in a giggling tone: “Zeyan, do you believe me, I have never fooled around with anyone, the college student from more than ten years ago, he has long gone abroad, and he has already married and had children abroad now. I haven’t had any contact with him.”

“I believe it! Of course I believe you!” Xu Zeyan was extremely surprised.

Something must be wrong, he thought.

Xu Zeyan brought his wife with a smile on his face to the doctor who performed the physical examination last time, and asked the doctor to have a physical examination again.

As a result, everything works fine.

Only then did the doctor know that Xu Zeyan should have taken it wrong last time.

It was a coincidence that on the day of his physical examination there was a patient with the same name and age as him, and it was easy to make a mistake.

The doctor kept apologizing to him.

However, Xu Zeyan shook his head.

Not only did he not blame the doctor, but he also said that the doctor was his lucky star.

Anyway, it's best that he has a baby now.

Thirty-two-year-old Xu Zeyan, and his forty-year-old wife, a pair of hard-earned people who have been together, have a child of their own!

How big a happy event is this?

## Chapter 1759

Xu Zeyan burst into tears with joy.

Shang Hongmei naturally cried with joy.

She has always longed to be close to her daughter, but her daughter has always hated her.

She always thought about it, if God gave her another life, she would die and guard her daughter and die with her.

Although she has not been reborn now, her life seems to have been relived.

The doctor told Xu Zeyan and Shang Hongmei that Shang Hongmei is now an advanced pregnant woman, so she should pay attention to everything, be happy and not be too excited.

Xu Zeyan and monk Hongmei knew it.

So, they try to calm their minds.

This child came with such a surprise and suddenness.

Both the husband and wife cherished it so much that at this moment, when Xu Zeyan heard that Chu Tiantian was hit by a car, he immediately chose not to tell Shang Hongmei.

Although Shang Hongmei and Chu Tiantian cut off their relationship.

But, after all, it is his own daughter.

He looked at Shang Hongmei calmly: "Wife, let the driver take you home first, I'll deal with some company affairs and come back to accompany you right away."

Shang Hongmei: "Is it the most important thing in the company?"

Xu Zeyan: "Yes."

"I'm sorry Zeyan, am I being hypocritical? I'm a woman in my 40s, and I asked you to accompany me in the last hospital. You should hurry up and deal with the company affairs. Don't worry about me, believe me, I can take care of myself, I am pregnant with a child at the age of 40, this is a new life given to me by God, I will definitely take care of myself." Shang Hongmei said to Xu Zeyan.

"Well, dear." Xu Zeyan turned around and left after saying that.

His heart was still aching.

After all, the little girl is only twenty-two years old.

Twenty-two years of life, just like that.

With this heavy heart in his heart, Xu Zeyan quickly came to the scene according to the address mentioned on the phone. Many people surrounded the scene, and when he got there, the person who handled the matter told him.

The deceased is fully responsible.

Xu Zeyan glanced at the ground, Chu Tiantian lying on the ground was covered in blood, her lips had turned black, but her face was hideous and terrifying.

As if she had a crazy fight with someone before she died.

Xu Zeyan thought of the scene where Chu Tiantian heard that her mother was pregnant and ran out of the hospital frantically.

At this time, a witness next to him said to Xu Zeyan, "Who are you?"

Xu Zeyan said sadly, "Uncle."

The witness was also very distressed: "Uncle, is that the parent?"

Xu Zeyan: "?"

"I said your niece is crazy! Why don't you lock her at home and let her run out and hurt people!"

Xu Zeyan asked inexplicably, "What's wrong?"

"What's the matter! This woman is swearing wildly all the way! She keeps saying 'Xu Zeyan is mine! Xu Zeyan is mine! Mine! None of you can rob me! Whoever robs me will die!' You said this on the main road, what are you not crazy?"

"She smashes the car when she sees it!"

"She was still holding a stick in her hand, and she slapped the car like crazy! She smashed the windshield of the car in front of her!"

Xu Zeyan: "..."

"Fortunately, there is no one in this car, there is only one driver. The driver came from the turning lane and didn't see her, so he couldn't dodge in time, and he was afraid of hitting the person in front. The driver was cured and turned the steering wheel sharply by the roadside. She still bites people and won't let them go."

"Follow me like a mad dog. Well, she was hit by the car on the stone pier, then bounced back and died on the spot."

Xu Zeyan: "..."

Is he her sweetheart?

Did she keep saying this?

## Chapter 1760

Xu Zeyan turned his head and saw that an old man in his sixties was talking.

The old man sighed and said, “This girl is a curse! Her mother has worked hard for 20 years, and her father is too selfish to let her recognize her mother. Her mother finally hopes that she will grow up. She knew it was her father’s fault, but she still chose to follow her father.”

“And teamed up with her father to deceive her own mother.”

“Originally, I planned to drain all my mother’s money!”

Xu Zeyan asked the old man in a daze: “Sir, who are you...”

“She came to the village to ask me a few days ago. I told her very clearly. I thought she and her mother were reunited.”

“I don’t think so. She and her father are at home thinking about how to calculate her mother.”

“I’m an old man who follows her all the way. Although I know what she’s going to do, I don’t know the fucking phone. I’ve been following her for two or three days.”

“No, I just followed her to the door of the hospital. When I was hesitating whether to follow her into the hospital, I saw her running out with tears on her face.”

She also doesn’t look at the cars on the street.

I know how to run and cry all the way.

What Chu Tiantian howled, the old man behind him could hear it clearly.

She was really like a lunatic, and kept repeating in her mouth: “Xu Zeyan is me, Xu Zeyan should have been mine.”

Is there something that shouldn’t?

So at this moment, the old man said truthfully to Xu Zeyan: “She should have died, this should be her destination.”

Xu Zeyan nodded.

She instructed the personnel who dealt with the incident and the victim’s home: “Let’s take her body first, and I will compensate the victim’s family.”

After a pause, he turned his head and said to the driver, “Don’t let the lady know about this. She is just pregnant. I’m afraid of hitting her.”

However, as soon as Xu Zeyan’s voice fell, a cry came from behind him.

“Sweet! Sweet! My sweet!” The voice was extremely mournful.

As soon as Xu Zeyan turned around, he saw Shang Hongmei rushing over and threw himself next to Chu Tiantian’s body. The two staff members were about to smash Chu Tiantian into the car with a bag, but had to stop again.

“Tiantian, my daughter...” Shang Hongmei hugged Chu Tiantian’s head madly.

“Who are you?” the staff asked, “the mother of the deceased?”

Xu Zeyan sneered behind him: “It’s the most disgusting woman you’ve ever found on the phone.”

staff member:”.....”

Although they didn’t know what happened between the pair of mothers, they couldn’t say anything at this moment to see the young mother so heartbroken.

Shang Hongmei has actually been driven far away from the hospital by the driver.

But she always felt in a panic.

A heart is restless.

Not long after the car drove out, she said to the driver, “I’m so flustered, you take me, take me back to the hospital, I seem to have lost something.”

The driver did not dare to be a recovered person, so he had to drive back to the hospital according to his wife’s wishes.

Before reaching the hospital gate, Shang Hongmei saw many people talking at a traffic light: “What a tragic car accident, I heard that the dead woman was very young.”

“I heard that she went mad on the busy road and caused the car accident?”

“Go and see!”

Many people ran to the scene of the accident.

Shang Hongmei’s heart was suddenly pulled, and she said to the driver with a trembling voice: “Quick! Go to the scene of the car accident!”

driver:”.....”

“Go!”

The driver immediately turned around and arrived here in three or two minutes.

The closer she got to the scene, the more Shang Hongmei’s heart trembled. She was supported by the driver and came to the corpse step by step, her face pale and terrifying.

## Chapter 1761

In the end, she still saw the scene she least wanted to see.

That fresh life just lay on the ground without a trace of anger, bloody and bloody.

“No! Sweet, wake up! Mom doesn’t blame you anymore! Mom forgives you, and you don’t blame you for hitting Mommy! You wake up my baby, Mommy gives you money, and you give it as much as you want, Will you wake up my baby!”

“Sweet...”

“God, why punish my daughter...”

Shang Hongmei cried in darkness.

Xu Zeyan patted her on the back to comfort her.

“Mei Mei, don’t cry anymore, this child is a wicked obstacle. She was nurtured by her father all the year round. She only has money in her eyes, not even family affection. She doesn’t know how to repent at all. Zhizhida has been blackmailing you at the bridge all the time, but she still joins forces with her father.” Beside, the Murakami neighbor who had been following Chu Tiantian persuaded Shang Hongmei.

Shang Hongmei still burst into tears.

It’s not that she didn’t know that her daughter didn’t kiss her.

It's not that she didn't know that her daughter hated her before she died, she always wanted her to die, and even slapped her.

She doesn't care anymore.

Don't hold grudges!

She only wants her daughter to live well.

"Tiantian, sweet mother, please, come back to life, okay? Mommy will die for you, come back to life, my daughter..."

Shang Hongmei cried hoarsely, and the sound stopped in the ears of the onlookers, making them feel a sense of sadness and chills all over.

That kind of despair made Xu Zeyan extremely worried.

"Amei, don't be too sad, maybe this is her destiny, she just can't accept that my medical record was taken wrong, and can't accept that I am a sound person, so I can't accept that I married you. It's like you robbed her. happiness."

"Actually it's not like that, Amei." Xu Zeyan softly persuaded Shang Hongmei.

Shang Hongmei threw herself into Xu Zeyan's arms weakly: "Zeyan, woohoo...Did I do something wrong?"

"You're not wrong, you didn't do anything wrong, Amei, don't be too sad, we... let's make Tiantian feel at ease." Xu Zeyan hugged Shang Hongmei and coaxed softly.

"Well." Shang Hongmei didn't open her crying eyes.

"No! I see who dares to touch my daughter!" At this moment, a loud shout suddenly came from behind.

As soon as everyone turned their heads, they saw the old man in his fifties who looked like a crazy neurotic.

The old man's eyes radiated vicious light, and he was walking towards Shang Hongmei step by step.

To be precise, he came towards Chu Tiantian's corpse.

Seeing his expression, everyone was stunned, and consciously moved out of the way.

Chu Hongfa immediately jumped up and burst into tears: "Daughter, my daughter! My daughter! You... why did you die? You can't die, what should I do if you die? What about Dad?"

"Ow..."

Chu Hongfa's cries were more mournful than Shang Hongmei.

If Shang Hongmei was sad, then Chu Hongfa was desperate.

Desolate despair.

Chu Tiantian is his only relative and only hope.

At this moment, no one dared to go forward to comfort the father who lost his daughter, and no one could understand that on his back.

The staff didn't stop it either.

After Chu Hongfa had cried enough, he raised his eyes and looked at Shang Hongmei viciously: "You...you damn woman! You...daughter is dead, what are you doing? What a shame to fall into another man's arms!"

"That's your daughter's boyfriend! Damn it, it's you!"

"It's you vicious woman! I fought with you! I must make you lose your money!"

"Enough!" Shang Hongmei suddenly stood up and slapped Chu Hongfa's face fiercely.
