

Catch Me If You Love Me

Chapter 18

Bah!

The sound of the wheels rubbing against the ground pierced the eardrums, and the car stopped firmly in front of Zoey Gu's knees!

Zoey Gu's legs trembled and fell softly to the ground.

Bang!

Liam Lu slammed the door of one side of the car, and walked up to her a few steps with a gloomy look, dragged Zoey Gu's body, and pressed her to the fence outside the courtyard.

"Zoey Gu, if I can't make a request, I will turn to harass my mother, do you think your life is too long or Gu's death is too slow?!"

In his eyes, there was deadly coldness and undisguised disgust.

Zoey Gu pierced his heart and shook his head desperately.

"I didn't harass Mother Lu. We are together because..."

Mother Lu, who heard the movement, trot out of the courtyard, still holding a broken porcelain bowl in her hand. Seeing the scene in front of him, she took a breath.

"Liam!"

Mother Lu rushed over and pulled Liam Lu away, pulled Zoey Gu behind her, and looked at him coldly, "Don't be fooled, she didn't do anything."

"Before Zoey frowned and shed tears, you were so distressed, how can you treat her like this now?"

Liam Lu's cold eyes swept over Zoey Gu's body and sneered.

"Do you also know that it was in the past? She used to be a little princess who was held in the palm of her hand. Now, she is just a prostitute-girl who was played with. Do you think I care?"

Zoey whitened her face quickly.

Liam Lu, but that's all.

How much do you hate her to be the face of Lu's mother, humiliating her so humbly.

"Liam, shut up!"

Mother Lu couldn't listen, and scolded him with a cold face.

"You are too much! Do you know how hurtful this is?"

In the half-open car window, Anna Yun witnessed everything. She squinted at Zoey Gu, and she clearly remembered her appearance with just one glance.

It turned out that her name was Zoey Gu, Liam Lu's predecessor.

Anna Yun retracted his gaze and pushed the car door to get out of the car, walked slowly to several people, and shouted at Lu's mother with a smile, "Aunt Lu, hello."

Mother Lu was taken aback, "This is..."

"I am Anna Yun."

Anna Yun stretched out his hand to hold Liam Lu's arm and curled her beautiful lips, "It is Liam's fiancée, your future daughter-in-law."

fiancée?

Zoey Gu raised her head blankly, and looked at the girl who was closely nestling next to Liam Lu.

It turned out that he was not married.

It turns out he will get married soon...

Probably only such a beautiful and elegant woman can be worthy of such an excellent Liam Lu.

She is here, she is really superfluous, too an eye-catching.

"Mother Lu," she humbled her head and shouted softly, "Don't be angry. A person like me is not worth it."

Behind him, Liam Lu's ruthless voice slammed over coldly.

"Zoey Gu, you're also named Mother Lu? What qualifications do you have?"

Zoey Gu's figure shook, and the hand hanging on his side tightened suddenly. In the next second, she smiled softly, "Mr. Lu said, called Mother Lu, I don't deserve it at all."

After she finished speaking, she took a step back and suddenly bowed to Mother Lu.

"Sorry, Mrs. Lu, I am getting more and more serious. Last night, thank you."

Mother Lu stepped forward to grab her hand, "Zoey, don't do this."

Zoey Gu fled away suddenly and turned to look at Liam Lu with a terrifying face.

"And Mr. Lu, I'm sorry. I'm overwhelmed and interrupted your reunion with your family's fiancée. Damn it. This kind of thing will never happen again."

Once again, she bowed to Liam Lu...
