

# Catch Me If You Love Me Chapter 182

Zoey Gu suddenly raised her head, staring at Du Lanfu in front of her with her eyes for a long while, before asking with a trembling voice.

“You are... the girl from five years ago?”

Hearing Zoey Gu’s question, Du Lanfu seemed to remember something instantly, biting her lip shyly, and her face was flushed.

“I’m that girl...”

“Liam and I, Alina Yin only got there on the night five years ago...”

Snapped!

The luggage in the other hand hit the ground instantly!

Zoey Gu has never forgotten.

Five years ago, on the rainy night when her innocence was taken away by a strange man. Liam Lu, who ran away with anger, also slept with a clean girl that night.

Zoey Gu always thought that this would be the past that she and Liam Lu would never talk about.

Unexpectedly, one day, that girl, Alina Yin’s biological mother, would take the initiative to come.

At this moment, Alina Yin under her body suddenly shook Zoey Gu’s hand and asked aloud abruptly.

“Aunt Gu, you used to marry Dad because Alina Yin does not have a mother.”

“But now, Alina Yin’s biological mother is back, can you not marry Dad? Alina Yin wants Dad and Mom to be together...”

“Alina Yin!”

Du Lanfu interrupted Alina Yin’s words softly, and took the initiative to take Alina Yin in her arms, smiling to Zoey Gu.

“Miss Gu, Alina Yin is just a child, don’t take her words to heart.”

Finally, she turned to look at the babysitter on the side.

“Sister Lin, you can help Miss Gu put the luggage in the room first. By the way, Miss Gu, where do you live?”

The tone of the posture seemed to be like a mistress.

Zoey Gu’s heart trembled and looked up with red eyes.

Alina Yin and Du Lanfu have almost identical faces.

They were wearing identical cartoon aprons, with flour on their bodies and hands, which shows how happy they were before she came in.

In just a few days, it seems that the whole world has changed.

She is standing here at the moment, just like an extra clown!

“No need.” Zoey Gu said softly.

She looked down at Alina Yin, who was holding Du Lanfu’s hands tightly, and gently pulled her lips.

“I just came back to take a look at Alina Yin. I won’t stay here for the night. You are busy, I will go now.”

After speaking, she bent over and pulled up the suitcase, turned around and walked out of the hall without looking back, and headed straight to the outside of the garden.

Running all the way to a hidden place, Zoey Gu couldn’t help but squatted on the side of the road, crying uncomfortably with face in her hands.

She remembered Alina Yin’s desire for her mother.

Thinking of Du Lanfu’s expressions of shyness that night with Liam Lu, her entire heart felt like a needle pierced with sharp pain.

Happiness seems to be getting farther and farther away from her...

The phone in her pocket suddenly rang, and seeing the display above, Zoey Gu straightened her body abruptly, raising his hand and wiping his face severely.

“father...”

It was just a cry, all the grievances and sorrows seemed to open the gate instantly, making her choked.

Father Gu was silent for a while and said in a low voice.

“Zoey, I know you went back to Liam. Dad also knows that you have been pretending to have him in your heart these years. But if he makes you unhappy, Dad won’t agree.”

“My daughter is worthy of the best things in the world. If he loses you, come back to Dad, you know?”

“...it is good.”

After hanging up the phone, Zoey Gu stood up like a walking corpse, walked slowly to the side of the road and stopped a taxi.

The driver in front asked while turning around.

“Miss, where are you going?”

Zoey Gu was startled, there was a short blank in his mind, and then suddenly laughed bitterly.

Nowadays, except for her father, she was already homeless.

She closed her eyes and said softly.

“Trouble, go to Berven City Hotel.”

She didn’t know how to go in the future.

The most appropriate way right now is to ask Logan Fu to take her back to her father, and then tell Liam Lu that she is fine and let him stop looking for people.

The front answered the sound, and the car slowly drove towards the outside of the home garden...
