

Catch Me If You Love Me Chapter 183

As a result, as soon as she left the return area, the taxi's body shook forward and suddenly braked to a halt.

The huge inertia caused Zoey Gu to bounce up unexpectedly, and fell into the seat again!

The driver steadied the body, raised his head angrily and cursed.

"Who is so arrogant, the car dare to go sideways..."

He didn't finish speaking, but he fell silent when he saw the car door open in front of him.

The tall man slammed onto the car door and strode out wrapped in cold air.

Zoey Gu raised his head repeatedly, seeing the terrifying and astonished look on that familiar Jun's face, and he straightened his body suddenly!

In the next second, the car door slammed open, and the man forced his body to come straight.

Zoey looked at that face decisively, and said subconsciously.

"Liam..."

Before she finished speaking, she was hugged out of the taxi.

Zoey Gu suddenly panicked, and threw his legs up angrily and aggrieved.

"Liam Lu, you are crazy! Quickly let me down!"

In the night, Liam Lu was bloodthirsty and terrible. His jaw was tight, and his whole body exuded a fatal feeling of coldness. He didn't answer a word.

When he got to the car, he let go and threw Zoey Gu in!

"Liam Lu!"

Zoey Gu screamed and got up from the back seat with her hands.

As soon as she turned around, the man's tall and compelling body immediately pressed over strongly, and commanded Shiyue in front of him without looking back.

"Drive!"

The car rushed out like a gust of wind, and Shiyue became more interested in raising the partition.

Zoey Gu only felt a pain on his chin, and when he looked up, he met the man's cold eyes.

Liam Lu stared at her fiercely, as if hating her, gritted his teeth and asked.

"Why didn't you contact me the first time you returned to Berven City?"

"When I saw Du Lanfu in the Return Garden, why didn't you ask for me?"

"You left with your luggage, are you planning to leave again silently?!"

Zoey Gu red eyes, gritted his teeth, staring at him with tears in her eyes, just stubbornly refusing to speak.

Liam Lu's face was pale, the blue veins on his forehead jumped wildly, and his temples jumped suddenly.

"Zoey Gu, I'm asking you something!"

With a cruel hand, the force that stuck her chin couldn't help but increase, and Zoey Gu's pain instantly burst into tears.

Snapped.

She slapped her hard enough and slapped it out!

"Where I want to go, you don't need to worry about it!"

The man's handsome face turned, and a clear slap mark appeared in an instant, making the face more terrifying.

Liam Lu's brow bones jumped fiercely!

He narrowed his eyes dangerously and watched Zoey Gu grind her teeth hard, his thin lips twitched coldly.

"good very good!"

In the next second, he suddenly raised his hand and pulled her clothes apart with a "stab", and pressed him down.

"It's great! Then let me see, who is harder between you and me!"

Realizing what the man wanted to do, Zoey Gu's face instantly turned pale, and when she pushed him panicked, her voice couldn't help but tremble.

“Liam Lu, look at where this is? Do you dare to...”

Click.

The sound of the belt buckle suddenly sounded.

Zoey Gu was shocked, and the man had already clasped her hand to his side, pressed it down strongly, and pulled away the barrier of her body.

No kiss, no foreplay, relentlessly...
