## Chapter 1842

Hearing that his father said that Qin Wenyu was a dog, Shen Weiyi immediately smiled and couldn't close his mouth.

She covered her mouth and smiled: "Dad, you said that grandma is a dog. You also said that she jumped off the wall in a hurry. Grandma is so old that she can't jump off the wall at all."

Children's cognition of language naturally stays in the literal sense.

Arron explained to his daughter patiently: "The meaning of jumping over the wall is that the old man already knows how much we both hate her, so she has to find a way to deal with us."

Shen Weiyi nodded immediately: "I understand Dad! I'll deal with that old witch with you!"

"The only thing you're afraid of?" Arron looked at his daughter and asked with a bit of grief in his heart.

To this day, even though he, Arron, is the king of Nancheng, everyone except the Fu family is afraid of him respecting him. Walking on every inch of Nancheng, as long as Arron stomps his feet, no one dares to say a word.

However, it will still suffer from various calculations by the Fu family's own family.

Father.

aunt.

own twin brother.

The guide calculated him, and his wife was kidnapped.

How sad is this?

Also, outsiders can't help you.

At this moment, at the funeral scene of the old man of the Fu family, the only people who can rely on each other are him and his six-year-old daughter.

He wants to rescue his wife as quickly as possible.

He had to find another way.

Arron looked at his daughter with a sad face.

Shen Weiyi said firmly: "Dad, I'm not afraid! In order to save my mother, the only one can do anything, absolutely not afraid, even if the only one is caught by the bad guy, not afraid, Dad, the only one will think of many ways to escape. "

The best example is the escape from the fourth uncle a few days ago.

Arron smiled with satisfaction: "Are you interested in playing a show with Dad?"

"Is it a play that can save my mother?" Shen Weiyi asked.

"Of course!"

Shen Weiyi was immediately excited: "Then of course I'm interested! Dad, Weiyi will be the best actor."

There has never been this moment, Shen Weiyi's heart is painful and happy.

She was heartbroken because her father was still in the hands of the bad guy, and his life and death were uncertain.

But at this moment, she is happy again.

Because I can work together with my father.

She raised her head and looked at her father firmly.

The father and daughter walked inside hand in hand again.

Outside at this moment, Elma and Jin Meitian are standing on both sides of Qin Wenyu, one on the left and one on the right. Qin Wenyu is going to stand at the door to greet the guests who come, and the two of them, although they seem very abrupt, But no one wanted to leave.

Elma was naturally reluctant to leave Qin Wenyu, because she was afraid that once she left Qin Wenyu, Arron would kill her immediately.

And Jin Meitian naturally followed Elma's pace.

Although the Jin family is second to none in the country, no one can match it.

Even the Jun family in Kyoto, the Fu family in Nancheng, and the Shu family donate a lot of financial and material resources to the Jin family every year, but in fact the Jin family has been reclusive in the past forty or fifty years.

Especially in the generation of Jin Meitian's parents.

They don't even care about the world.

After all, with the Jun family in the capital, and the Fu family and the Shu family in Nancheng, the Jin family can't be idle no matter what.

It is not bad that the Jin family can inherit the glory and wealth that is irreplaceable. What else can they say?

Therefore, Jin Meitian's father Jin Yinkuo sent several children abroad to study and study not long after they were born. Later, after the first few children grew up, some settled and worked abroad.

Some are returning to China, looking for a job casually, as long as they are not idle.

In short, not much achievement.

## Chapter 1843

Only Jin Meitian is the youngest child of Jinyinkuo.

Jin Meitian is also like her elder brother and sister, she is going to study abroad, but because Jin Meitian is an old daughter of Jin Yinkuo, she is more pampered. She is not used to taking it abroad and always runs back to China.

So that until many times, it is abandoned school.

Until she went to university, because of poor grades, she could only go to a pheasant university.

After graduating from university, I took it abroad for several years without a job.

Fortunately, the Jin family is the largest aristocrat in China. Even if Jin Meitian does not work all her life, she can still maintain the living habits of her aristocratic little princess, and has always been a very rich existence abroad.

It's just that, year after year, the real aristocrats abroad look down on her.

And back in the country, there are several famous nobles who can look at it, the first is the King's family in Kyoto.

Kraig was a few years older than her, which was considered appropriate, but Kraig had his sweetheart Elma at a very young age.

Jin Meitian couldn't grab a man with Elma.

Later, the Jin family also thought about marrying Jin Meitian to several boys from the Fu family, but unfortunately, the three members of the Fu family were much older than Jin Meitian, which was inappropriate.

Marry the Shu family?

Jin Meitian was reluctant.

Because the Shu family is not as rich as the Fu family.

In fact, the person Jin Meitian wants to marry the most is the Fu family.

Powerful, rich, and advantageous.

But the Fu family has no man to marry her.

Later, it was really helpless, Jin Meitian went abroad again. After so many years of wandering, she was almost thirty, and she had not found a suitable man to marry.

But when she returned to China this time, she met Elma.

Jin Meitian almost didn't recognize Elma.

In my impression, Elma was not a first-class aristocrat in Kyoto. But Qiu Cun was proud of his heart.

The reason for his arrogance is that Elma has a boyfriend Kraig who dominates one side.

But, why is Qiu Cun's heart so down now?

Elma took the initiative to greet Jin Meitian: "Dear little princess, can Caomin talk to you?"

Jin Meitian was called by Elma's name, and she was still very happy. She immediately said politely: "Of course there is no problem, the little princess of the Qiu family from a family of traditional Chinese medicine, how about we find a coffee shop to continue it for a long time?"

"no problem!"

After the two sat in the cafe for an afternoon, Elma helped Jin Meitian make a plan to find her husband.

“Let me tell you, little princess, the current holder of the Fu family has been in charge of the Fu Group for seven years, and the Fu Group has grown several times in his hands. And this Arron, he really is ...”

After some words, Jin Meitian yearned for Arron.

Even, she has already thought about it: “Isn’t this the man that Jin Meitian has been looking for and always wanted? Such a man is my identity and the most suitable for my beauty.”

“Today’s Nancheng is so maddened by those shrews, it’s really disgusting!” Elma said while patting the table.

Jin Meitian smiled gently: “Now that I’m here, it’s fine, our sisters join forces to get rid of this smog!”

“Okay!” A sinister smile appeared on Elma’s face.

Qin Wenyu was very happy to bring Jin Meitian to Qin Wenyu’s side.

In this way, she can not only further the relationship with the Jin family, but also gain a daughter-in-law who listens to her own words.

Kill two birds with one stone!

Very good!

The three women standing at the door each had a ghost in their hearts.

“Uncle Fu, Aunt Qin, it’s not appropriate for me to stand at the door to greet guests. After all, I don’t know many of the guests here. I want to go in and kowtow to Grandpa.” Jin Meitian politely said to Qin Wenyu and Fu Zhengxiong arrive.

“Okay, let’s go.” Before Fu Zhengxiong could answer, Qin Wenyu agreed.

Seeing Jin Meitian walking in gracefully, Fu Zhengxiong questioned Qin Wenyu: “Do you really plan to create a chance for Shaoqin to change his wife?”

## Chapter 1844

Qin Wenyu sneered: "Isn't it possible!"

Fu Zhengxiong: "..."

If it weren't for the funeral of the old father, Fu Zhengxiong really wanted to slap this damn old woman to death!

is her!

All together because of her!

He glared at Qin Wenyu with fierce eyes, stared for a while, and then thought that there was Elma next to him.

"Godfather." Qiu Cun called Fu Zhengxiong awkwardly.

"An inch of heart!" Fu Zhengxiong said impatiently: "You are not suitable to welcome guests here, go back to your own room and leave immediately!"

Elma: "I know my godfather."

She left angrily.

Only Fu Zhengxiong and Qin Wenyu were left at the door.

It was still early in the morning, and most of the people who came to offer condolences had not come yet.

It happened that there was no one in this space, and Fu Zhengxiong scolded Qin Wenyu without any scruples: "Damn old woman! Everything is your fault! Now even the only one doesn't recognize me!"

"The only thing I have for my grandfather now is hate!"

Fu Zhengxiong looked at Qin Wenyu angrily.

People say that young couples are old companions.

After so many years between husband and wife, it stands to reason that husband and wife should take care of each other.

But what about Fu Zhengxiong?

Looking back on his life, Fu Zhengxiong was heartbroken to find that his life was almost ruined by this old woman.

He, Fu Zhengxiong, was once a man who dominated his whole life.

Fifty years ago, the Fu Group was not as prosperous as it is now.

There was even a period of time when the Fu Group almost went bankrupt because of Fu Hengsheng's poor management.

However, since Fu Zhengxiong took over, he has revitalized the Fu Group abruptly.

Back then, the Fu Group was already very dominant in Nancheng.

But this woman!

This woman named Qin Wenyu insisted on encouraging him to open up the business of Jiaxing Island because she wanted to show her style as a strong woman.

As a result, there was no improvement in three years, and the Fu Group, which he had worked so hard for for several years, was almost defeated.

At that time, most of the funds of the Fu Group were invested in Jiaxing Island.

If it continues to occupy Jiaxing Island, it will cause public anger among the aboriginal islanders of Jiaxing Island.

It was Qin Wenyu's bad idea from this damn old woman again!

Let him seduce the daughter of the former island owner, the real little princess of Jiaxing Island.

Only then can they truly gain a firm foothold in Jiaxing Island.

At that time, Fu Zhengxiong made a wrong step and a wrong step.

That's a nice girl.

Simple-minded and extremely spiritual, especially in architectural design.

She loves him so much.

Love is so pure.

He lied to her.

lied to her for life.

She was deceived and never married in her life, and she was deceived until she died without seeing his real husband.

Not only that, but he also made her die without seeing her youngest son.

This is all the fault of his Fu Zhengxiong!

Evil fate!

His fault, the sin he made, has affected the three sons in front of him, all of whom died.

## **Chapter 1845**

It's not over yet!

Now, there are only two remaining sons, obviously twins and first-born compatriots, but under the instigation of Qin Wenyu, the dead old woman, the two brothers are now deadly enemies again!

How can he not hate Fu Zhengxiong!

Thinking of the hatred, in broad daylight, Fu Zhengxiong raised his hand and slapped Qin Wenyu fiercely: "Damn old woman! Why is it not you who died! You should die!"

Qin Wenyu suddenly became angry: "You hit me?"

Fu Zhengxiong still glared angrily: "I'll hit you!"

"You actually beat me openly at my father-in-law's funeral, where the guests were greeted?" Qin Wenyu's old tears fell.

"Fu Zhengxiong! You are bullying me now that I don't have the support of my maiden family, and secondly, I don't have the support of my biological son. I'm an old orphan, so even if you want to beat me, you want to bully me?"

"I, Qin Wenyu, have worked so hard for your Fu family in this life! In the end, my three sons' lives were all involved! My only 900 million yuan, I also gave you and that little third son!"

"In the end, you hit me?" The more Qin Wenyu said, the more aggrieved, and the more uncomfortable he said.

The more uncomfortable she was, the more she remembered: "Fu Zhengxiong! You are the one who plays with women! Back then, I asked you to take Shanna as a child! But I had no choice at the time, no way out! As long as there is a way, I will Pushing my own husband to another woman?"

"In that case, as long as you have a conscience towards me and our child, can you let her keep your seed?"

"When you were with her, you were so happy that you forgot to take protective measures. That's why my son's family was wiped out after

this, and I was an old orphan, and you! Look at you. Does this son have any respect for you now?”

“Did Arron regard you as his biological father?”

“no!”

“Never!”

Fu Zhengxiong: “...”

Qin Wenyu was right.

He was suddenly thoughtful.

Qin Wenyu said in a hoarse voice in an old and miserable voice: “Old man, you and I are both in our 70s. Could it be that we have dedicated our whole lives to the Fu family, and when we get old, we won’t even be able to die? ?”

“Did you see the look in her eyes when you were only here just now?”

“She said clearly in her eyes that she wouldn’t be called Shen Weiyi if she didn’t kill us two old people!”

Fu Zhengxiong shuddered suddenly.

Qin Wenyu was right.

The only look in his eyes, just now Fu Zhengxiong saw it clearly.

This kid has changed a lot these two days.

The incomparably strong hatred in her eyes was very obvious and undisguised.

“Zhengxiong, you are just too soft-hearted. You have always wanted to be close to that child. You think she is your granddaughter, but what about her? She will never recognize you as a grandfather in her life, she will not feel sorry for you, and she will not love you. Be filial, she will only find opportunities to kill you!” Qin Wenyu said to Fu Zhengxiong ruthlessly.

She must have added: "You are young, only six years old, and her eyes are full of murderous intent. She has Shaoqin's blood in her bones!"

"Shaoqin is a man who killed his three brothers in one breath!"

"And you and me, Zhengxiong! Although you are the only grandfather, you are only a grandfather. You are not the only father, let alone the only one who hates you? And what about me?" Qin Wenyu smiled miserably.

"It's even worse for me. I don't have any blood relationship with her, and she hates me even more."

"Zhengxiong, do you think that when the only one is older, she will spare you, or me?"

Fu Zhengxiong: "..."

He was speechless.

What the honest wife said is true.

Judging from the level of hatred Yui has for his own grandfather now, Yui will definitely not let this pro-grandfather go in this life.

Not to mention letting go of the grandmother who didn't have any blood relationship.

After a long pause, Fu Zhengxiong said in a low voice, "What are you going to do?"

Qin Wenyu smiled helplessly: "I just want to protect myself, I don't want to die miserably, now I just want to spend my old age in peace."

"Come on, what do you want to do!" Fu Zhengxiong wanted to hear what Qin Wenyu meant.

Qin Wenyu whispered in Fu Zhengxiong's ear.

"No! Damn old woman, you are too vicious!" Fu Zhengxiong raised his hand and slapped Qin Wenyu in the face again.

## Chapter 1846

Qin Wenyu was furious when he was beaten.

If it weren't for the old man's funeral now, she would really have to fight with the old man in broad daylight to settle the account.

However, she still pointed at Fu Zhengxiong's nose and scolded: "Fu Zhengxiong! Don't think I don't know about the dirty things you did!"

"You and Gu Jianing! What did you do between you? Do you think my old woman doesn't know?"

"Tell you, I'm very clear!"

"It's just that I'm old, and I have no children or women, and I have no support, so I can only bear it!"

"Since things have reached this point, I am an orphan, even if I am killed by the younger generation, I have no blood relationship with me, I deserve it!"

"But what about you? Hehehe! I curse you..."

Seeing Qin Wenyu being so vicious, Fu Zhengxiong suddenly hesitated.

The wife seemed to be right.

However, his heart still couldn't harden.

He hesitated: "The only one is still a child..."

Qin Wenyu's tone also became bitter: "Because we are a child, we can deal with it better. Now Suzi has been kidnapped. There is almost no possibility of her coming back."

"So now is the weakest period for Shaoqin and the only one."

"If Shen Weiyi can be properly handled, and then Jin Meitian becomes Shaoqin's wife, the Jin family will be grateful to us when they have children in the future."

"Not only the Jin family, but Jin Meitian will also be grateful to us. After giving birth to a child, we will be the closest grandparents. Zhengxiong, you and I are in our seventies, how many years of enjoyment do you have?"

"Let's live for ourselves once, can't we?"

Fu Zhengxiong: "..."

The old wife's words hit his heart again and again.

Actually, my wife was right.

If it wasn't for Suzi to interfere, his father's relationship with Shaoqin wouldn't be so stiff.

Perhaps, Shaoqin would not be like today when he married a famous lady.

Originally, Fu Zhengxiong was trying to get Suzi to live peacefully with their old house, but he turned to look at the relationship between Suzi and Mr. Shu. Until now, Suzi has been ignoring Mr. Shu.

That's a grandfather.

And Jarod.

I heard that Jarod came to Suzi to find Suzi a while ago, and begged Suzi's forgiveness with snot and tears.

But Suzi never softened.

One is his biological father, and the other is his grandfather. Suzi didn't forgive them for those who were related by blood.

Not to mention being a parent-in-law?

Fu Zhengxiong could think that if Suzi was not removed at this time, the old couple would definitely have no future in the future.

He nodded thoughtfully, and then called to the old housekeeper at home: "There shouldn't be many guests coming today, and even if they come, it is estimated that they will have to wait for a while. It is still very early. You are here to meet you first. Guest. Let's go in for the mourning."

"Good old lady." The housekeeper responded.

Fu Zhengxiong and Qin Wenyu entered at the same time.

They did not come to the mourning hall for mourning.

Instead, he came directly to Jin Meitian.

"Uncle Fu, Aunt Qin." Jin Meitian shouted with sincerity and fear.

"Tiantian, auntie tell you." Qin Wenyu took Jin Meitian's hand: "Shaoqin is at the most vulnerable time. He has a bad temper these days, so you have to be more concerned."

"If you walk into his heart when he is at his weakest, the entire Fu Group will be yours in the future, and you, the first lady of Nancheng, will definitely be yours."

"It's better than you looking around. It's twenty-nine this year, right? I haven't found a suitable man."

Jin Meitian nodded immediately: “Well, I know Aunt Qin, I understand.”

“So, don’t care what Yui said, okay?”

## Chapter 1847

“I don’t care! She’s a child, how can I have the same knowledge as him.” Jin Meitian smiled.

“Well, auntie is optimistic about you, do you know what to do?” Qin Wenyu asked.

Jin Meitian smiled indifferently: “Anyway, I am the youngest daughter from the first noble family in China. I know the proportions very well. I didn’t have the chance to approach Fu Shaodong before, but now I have the opportunity, and I will definitely take advantage of it.”

“Go.” Qin Wenyu said.

“Okay, Aunt Qin.” Jin Meitian turned around and left with a pass-like expression.

She cheered for a while.

As the number one noble in the country, she has always had fewer opportunities than other women.

In the first few years, because of the family’s face, she waited for those men with slightly lower status to come to propose marriage.

As a result, after so many years, several promising young people in the Jin family’s eyes did not come to propose marriage.

Twenty-nine now.

If she waited any longer, she would really be an old girl.

Thinking about it now, a woman with a low status like Suzi can have the opportunity to marry Arron. To put it bluntly, isn’t that a cheap word?

Although Jin Meitian has always been abroad and lived a secluded life, recently Elma added a lot to her about how Suzi seduced Arron seven years ago, how he was driven out by Arron, and how he stalked Arron. Sticking to Arron, he really caught Arron in the end.

After listening to Elma's words, Jin Meitian suddenly understood the bottom line.

Their Kim family is just too concerned about their face.

The Jin family is no longer the family of emperors that could rule the entire world two hundred years ago.

If the children of the Jin family are to remain aloof and noble, then the lowly people will really rob them of their good resources.

Jin Meitian had seen Suzi's photos.

The appearance is cold, dull, and without makeup, there is no femininity.

Such a woman, to put it bluntly, looks cold on the surface, but there must be no limit to the show behind the scenes.

Jin Meitian thought about it as she walked towards the mourning hall.

From a distance, she could see Arron and Shen Weiwei's father and daughter kneeling in front of the mourning hall and kowtowing to the old man.

Don't look at Arron's kneeling figure, but his stalwart shoulders and straight back all exude an unparalleled masculinity.

It's just that the kid next to him looked really annoying.

Just like her mother, they are all cheap and like a shrew!

Although Jin Meitian had never met Suzi, she still concluded that Shen Wei had a mean character like her mother.

Came behind Arron quietly, she cleared her throat and shouted:  
"Arron..."

Arron and Shen Weiwei, who were kneeling, turned around at the same time. When they saw Jin Meitian, the two of them were tacit, and the father and daughter secretly glanced at each other.

know each other.

Shen Weiyi gave a wicked smile.

Arron asked plainly, "Is there something wrong, Miss Jin?"

"That..." Jin Meitian hesitated.

Arron said again, "If it's because the little girl was rude to you before, I'll apologize for her like you."

"No no no." Jin Meitian said immediately.

"Then do you have anything else?" Arron asked again.

Jin Meitian blushed and said: "I mean, there will be many guests at home today, and everyone around you will accompany you, I ... I am willing to honor grandpa with you, and then receive with you. guest."

"I think... I should not be ashamed of standing at the door as Jin Meitian."

"I hope I can really help you, Master Fu." Jin Meitian said very sincerely.

She was watching Arron's reaction.

Without thinking, before Arron could answer, Shen Weiyi took the lead: "Okay! I agree!"

## Chapter 1848

Jin Meitian: "..."

Shen Weiyi looked at Jin Meitian sweetly: "Aunt Jin, I agree with you and my father."

Jin Meitian: "..."

She didn't expect that she had just scolded her as a little girl, but suddenly changed her temper at this moment?

Even directly agreeing to her and Arron's relationship?

Even she didn't dare to speak directly to say that she wanted to associate with Arron, but said that she would be in mourning with Arron.

What was on the mind of this vicious six-year-old kid?

A belly of bad water!

Just like her vulgar mother!

No wonder Uncle Fu and Aunt Qin wanted this child to disappear.

Really vicious!

Jin Meitian sneered in her heart.

No matter how vicious, he is only six years old.

Is it possible that she has more heart than a twenty-nine-year-old woman?

Oh, right!

I heard from Aunt Qin just now that the six-year-old girl was originally taken away by that Pan Haoyang, but she ran back by herself. It seems that she heard that she ran back to the kindergarten from the place where she got off the bus, and then ran back from the kindergarten. home.

Maybe the six-year-old girl still doesn't know that the place where she got off the car to buy marshmallows is actually very close to his home.

This is self-righteous cleverness.

Jin Meitian calmly said to Shen Weiyi: "Thank you for your only child, in fact, you misunderstood me just now, I'm just a friend of your Fu family, a family friend, and your great-grandfather is also my grandfather, so I am here with you. Your father, it's all right to keep filial piety with you."

"As for your relationship with your father..." Jin Meitian stopped talking halfway through her words.

She secretly glanced at Arron.

Arron didn't look at him. At this moment, Arron, who was kneeling in front of Fu Heng's ascension, was contemplating.

In Jin Meitian's eyes, he was just immersed in his own world.

In fact, at this moment, Arron is really immersed in his own world.

He heard Jin Meitian come to tell him that he wanted to keep filial piety to Fu Hengsheng with him, which reminded Arron of seven years ago.

Seven years ago, it was also in this old Fu family house.

He handled his mother's funeral alone.

At that time, his father Fu Zhengxiong didn't even show his face. At that time, Fu Zhengxiong was not accompanying his aunt Qin Wenyu.

And my mother died alone in the hospital.

Before his death, Suzi was the most appropriate person to take care of his mother. The person that his mother liked the most during his lifetime was Suzi, and at that time, the family member that Suzi relied on the most was also his mother.

At that time, Suzi really wanted to come to Lingqian to see his mother.

However, Arron did not let her come.

Suzi was not able to see his mother until his mother was buried.

At that time, Suzi was the real daughter-in-law of Shanna, and she was still pregnant with his Arron child.

However, he was unable to join Suzi in mourning for his mother.

Now, another person in the Fu family has died.

He is the eldest member of the Fu family.

And he, Arron, was the only grandson. It stands to reason that at this time, Suzi should kneel in front of this spirit shed with him, and mourning for Fu Hengsheng.

But Suzi is not here.

Now she's a woman who can't be beaten, and she wants to join him in mourning.

Arron really wanted to ask this woman: "Do I know you! What relationship do I have with you! You are here with me to keep filial piety, what kind of filial piety are you keeping?"

But at this moment, Arron said nothing.

He raised his eyebrows and glanced at his daughter.

## **Chapter 1849**

Shen Weiyi immediately grabbed Jin Meitian's arm: "Auntie, auntie, let me tell you, my father is actually in a bad mood, very bad."

Jin Meitian: "What's wrong?"

In fact, you don't need to ask her to know that it must be because her daughter-in-law was taken away by someone else.

"Auntie, come here and I'll tell you." Shen Weiyi whispered to Jin Meitian.

Jin Meitian followed Shen Weiyi out.

Shen Weiyi said lonely at times: "Auntie, do you know that the man who stole my mother was none other than my father's twin brother. It was my fourth uncle. When we were in Jiaying Island, My fourth uncle loves my mother."

"Actually, my mother she..."

When Shen Weiyi said this, he suddenly stopped talking.

Her little head hangs very low.

"What happened to your mother?" Jin Meitian asked.

"No...nothing!" Shen Weiyi shook his head.

After a pause, she looked at Jin Meitian again: "Aunt Meitian, my dad is in a really bad mood today, I already know that you were my dad's friend before, can you help me comfort my dad? "

"I was wrong just now. I shouldn't have been so cruel to you."

"I just don't want someone to take my mom's place."

"But...but, I'm more worried about my dad..."

"Auntie, can I beg you... ask you one thing?"

Shen Weiyi raised his head and looked at Jin Meitian with a very pitiful expression.

Jin Meitian asked puzzled: "What's the matter? Tell me, as long as I can help you, I will help you."

It's actually not that difficult to subdue a child!

Jin Meitian sneered in her heart.

“Auntie, can you accompany my father when my mother doesn’t come back, and when my mother comes back, you can... return my father to my mother, okay? If you agree, I... I won’t call you a junior, I also agree with you and my dad.” Shen Weiyi said in a very proud tone.

Jin Meiting: “...”

At this moment, she suddenly wanted to laugh wildly in her heart.

Suddenly I understood what the six-year-old wanted to express.

What a big guy!

Little man!

A belly of bad eyes!

No, she was afraid that others would take her mother’s position, and she felt sorry for her father, so she came up with the best of both worlds!

Jin Meitian said deliberately, “Little girl! Who do you think your father is? The emperor? Come and leave when you call the woman next to you?”

“If your mother is not here, I will accompany your father. When your mother comes back, I will return your mother to you immediately. According to you, I am a temporary substitute?”

Shen Weiyi looked up at Jin Meitian, and said uncompromisingly: “Humph! If you don’t want to, don’t want to! Anyway, there will be many people who will come to mourning my great-grandfather in a while, and there must be beautiful women like you. Just find someone else’s beauty!”

Jin Meitian: “You...”

Shen Weiyi was extremely arrogant: “There are countless beauties who like my father! When my mother was at home, these women didn’t dare to approach my father at all!”

“It’s different now! My mother isn’t at home, I can just find any beautiful girl!”

When Shen Weiyi spoke these words, he stuck out his tongue in his heart.

If my mother finds out about these words, she will be cut into pieces!

Is there such a thing as helping women outside to dig the corner of their mother’s wall!

However, Shen Weiyi cried and apologized to his mother again in his heart: “I’m sorry mom, I’m sorry! Dad and I are thinking about you and me to get you out quickly, I’m sorry mom. This is just a tactic, I have discussed it with my dad. plan.”

Seeing Shen Weiyi’s arrogant and non-negotiable tone, Jin Meitian was speechless.

Shen Weiyi was right, there were countless women who wanted to dig her mother’s corner.

Everyone wanted to take this opportunity to quickly pry Arron away.

“Okay! I promise you that I’m willing to temporarily associate with your dad for your poor sake.” Jin Meitian said.

Shen Weiyi immediately became happy: “Aunt Jin, go, go to a place with me.”

## Chapter 1850

Shen Weiyi immediately said with a smile: "I don't want to be here with my father in mourning, because I don't like my great-grandfather, and I don't like all the people in this old house."

Shen only told the truth.

She really didn't like it here, and she didn't like Grandpa either.

She had a trace of affection for her grandfather before, but since her grandfather lied to Shen Weiyi, Shen Weiyi also hated her own grandfather, and she didn't want to take it with her in this old house.

"Aunt Meitian, are you willing to take me out to play secretly?"

"My dad can't leave here, so my dad wants someone to watch me the most." Shen Weiyi tilted his head and said.

Jin Meitian immediately asked back: "Shen Weiyi, you are a smart child, and you are very defensive. You obviously didn't like me half an hour ago, why did you suddenly change your attitude and ask me to take you out to play? Son?"

"You lie to the ghost!" Although Jin Meitian wasn't as vicious as Elma, she could also think that this was not in line with common sense.

Shen Weiyi immediately said: "Just now! In front of my grandparents?"

"Yes!" Jin Meitian said.

Shen Weiyi immediately pouted: "So I hate people who are in front of my grandparents! I hate my grandparents! If you go to them again, I still hate you! I will never let you get close to my father. Yes! Humph!"

Jin Meitian: "..."

Understood!

It turned out that this little girl was not targeting her Jin Meitian in front of her grandparents just now.

It's this little girl who is using the topic to play.

Demonstrating to grandparents.

what!

A child is a child.

Just a few words from her Jin Meitian can capture all the thoughts of this little baby.

Jin Meitian immediately squatted down, coaxed Shen Weiyi softly and said, "Okay, my little one, I promise you that's all, let's talk about it first, I really think you are pitiful, you are a six-year-old child, you are really pitiful Yes, I can take you out to play, but I have to tell your father first."

"Otherwise, your father won't be able to find you." Jin Meitian seems to have seized the opportunity to curry favor with Arron.

"Okay, tell my dad first." Shen Weiyi nodded.

After taking a step, she asked Jin Meitian to squat down again, put it in Jin Meitian's ear and said, "But Aunt Jin, I can only let my dad know that we are out to play, and we can't let others know. No one can let anyone know, Including my grandparents, I can't let them know."

Jin Meitian was puzzled: "Why can't even your grandparents know when I take you out to play?"

"Because!" Shen Weiyi's face suddenly dimmed.

Her tone was also extremely sad: "Because they are all bad people! My grandfather is also a bad person! My grandfather will lie to me too! So, I go out to play with you, as long as I don't tell others, no one is hurting me. It's gone!"

Jin Meitian immediately asked, "Aren't you afraid of me?"

"Ha!" Shen Weiyi said contemptuously, "I've heard from my dad that your king's family in Kyoto never asks about the outside world, and

you just came back from abroad, except for Elma, you don't know anything about it. I don't know anyone!"

"As long as you don't tell Elma that we are going out to play, it's fine."

Jin Meitian: "..."

She didn't expect that this six-year-old little thing actually made her investigation clear.

"I also know that you are the No. 1 noble family, and the children from your family are all very noble! And they have no bad intentions! I know all this!"

"Aunt Meitian, otherwise why do you think I would choose you as my mother's substitute?"

Depend on!

At this moment, Jin Meitian wanted to hit someone.

Unexpectedly, this little girl is very routine.

First, he scolded her coldly.

In fact, it is testing her patience.

In fact, she had already figured out the details of her hall a long time ago, and she had already figured out in her heart that she would find a temporary woman for her father.

Therefore, Shen Yi chose her Jin Meitian from the beginning.

On the surface, there is still a look of disgusting her and despising her.

Ha ha!

## Chapter 1851

If that's the case, why is she Jin Meitian being polite?

At this moment, Jin Meitian wanted to say to Shen Weiyi: "I promise you to be your father's temporary companion now! But I will never give it back to your mother!"

"Not only will I not give your father back to your mother, but I will also drive you away!"

"Because, it's your grandparents' intention to drive you away!"

"Because you have too many evil eyes and too many evil eyes!"

This is Jin Meitian's heart.

However, she didn't say anything on the surface, she just followed Shen Weiyi's meaning and praised: "Little girl, you think so thoughtfully, aunt admires you. Well, auntie will follow you to see your father now. , tell your father, as long as your father agrees, I will take you to play with you secretly for a while, okay?"

Shen Weiyi immediately nodded happily.

She was holding Jin Meitian, and the two of them looked familiar.

He came to Arron in three or two minutes, and when he saw Arron again, he found that he smelled of alcohol.

Maybe Arron drank just now. It's just that Jin Meitian didn't see Arron up close, so I don't know.

At this moment, several wine bottles were empty next to him.

And Arron himself had already drunk it, and his eyelids were barely able to open.

"Did your father drink alcohol just now?" Jin Meitian asked Shen Weiyi.

Shen Weiyi nodded: "Yes, Aunt Meitian, as I said just now, my father would drink when he was in a bad mood. Even before my great-grandfather's spiritual position, my father was so disrespectful. people?"

"Unruly!" Jin Meitian smiled sarcastically.

“Well, yes!” Shen Weiyi smiled embarrassedly.

She ran to Arron and said to the drunk Arron, “Dad, Daddy, I’ll ask Aunt Meitian to take me out to play for a while, okay?”

“Who?” Arron asked, rolling his eyelids.

“Aunt Meitian.” Shen Weiyi said again.

Arron: “That Mei Tian?”

“Aunt Jin Meitian.”

Arron thought for a while, and then said, “Jin...Is the Jin family in Kyoto? That is the first noble family in China. The little princess of the Jin family will take you out to play, that’s ok.”

It seemed to mean that the Jin family took Shen Weiyi out, and he was relieved.

Hearing the drunk Arron say such words, Jin Meitian was extremely happy.

what!

So easy.

Take this little thing out of here!

Since she can take it out, she shouldn’t think about letting this little thing come back!

Arron was drunk anyway!

“Let’s go, the only one, Auntie will take you out.” Jin Meitian said.

“Good!”

The two went out hand in hand.

As soon as he walked out of the door of the Fu family’s old house, Shen Weiyi saw Kraig.

He came here specifically to offer condolences.

Seeing that Shen Weiyi was being held by the little princess of the Jin family, Kraig was very puzzled.

He immediately shouted: "The only one, what are you doing!"

Shen Weiyi looked back at Uncle Jun, and immediately smiled: "Uncle Jun, you are here!"

Kraig went up and down a lot of Jin Meitian: "Little Princess Jin, stay safe!"

Jin Meitian immediately heard the smell of gunpowder in Kraig's mouth: "Second Master Jun, what do you mean?"

Kraig sneered: "Don't try to grab Suzi's position! Otherwise, I, Kraig, will overturn your entire Jin family!"
