

Chapter 185

When the Old Mrs. Willson was dreaming of living in the Tomson Villa, Noah Willson rubbed her hands and said with a long sigh: "Mom, I plan to send someone to Eastcliff in the near future, and invite Elsa's family to come as a guest. Then tell them cryptically, hoping that they will engage Elsa to Harold, what do you think?"

"Dong's family" Mrs. Willson sighed and said, "Last time Harold left Elsa and ran away by himself, I guess Elsa has a big opinion of him now!"

Noah said: "I think this little thing is harmless. This family and that family are themselves a complement to each other. What everyone values is the future development prospects. Although our Willson family is not comparable to the Dong family, we have got the Emgrand Group. The cooperation between the two parties is still promising in the future. Maybe the Dong family will agree to this marriage.

Old Mrs. Willson thought for a while, nodded and said: "In this case, you try to invite them to see if the Dong family are interested in coming to Aurous Hill as a guest."

"Okay!" Noah hurriedly said again: "Mom, the Dong family is a big family. If we don't have a decent villa and we lose face in front of the Dong family, it won't work."

After speaking, he said again: "If you can get the Tomson first-class villa from Charlie's hands, then the Dong family will be a guest. Seeing the Tomson first-class villa, you will also take a high look at our Willson family. You said What?"

Old Mrs. Willson nodded.

People rely on clothing, exuberance of gold, and living standards in a villa of more than 100 million worth. It will naturally greatly improve the family's face.

In addition, she was coveting Charlie's first-class Tomson villa in her heart. This was just a chance to start.

So she said majestically: "Bring your brother's family to the old house tomorrow! I will tell them personally!"

Brother Harold glanced at each other, and was delighted.

Now Jacob's family relies on the company for food, and Jacob's family is under the family. As long as the Lady Willson speaks, how can Jacob's family stand?

The Lady Willson asked them to surrender the villa, dare they say a word?

With the Lady Willson's preference for her own home, as long as this villa comes from Charlie's hands, it will be her own in the future!

Early the next morning, Jacob led his daughter and son-in-law and hurried to the old house of the Willson family.

Claire opened the car door and asked, "Dad, grandma specifically called you to go there. Didn't she say anything important?"

“I’ll talk about it if I go.” Jacob said: “And your uncle Noah will also come along.”

Charlie’s brows frowned, and seeing the battle, it seemed that there was nothing good.

Claire said angrily: “What else can happen, I guess it must be the villa.”

“About the villa, Charlie will explain it to your grandma in a while.”

Jacob didn’t think too much, got into the car and urged Charlie to drive.

At 9:30, the car drove to the door of Willson’s old house.

The family walked into the hall, Charlie glanced around, frowning slightly.

He saw the Old Mrs. Willson sitting in the middle chair, with Noah standing next to her, and Harold brother and sister standing on the other side.

In addition to them, there are several relatives of the elders of the Willson family sitting on both sides of the main room, and several younger generations of the Willson family standing on both sides, staring at them.

Isn’t it just the trivial matter of traveling that has a three-counseling framework?

Jacob is as his name suggests, he is very honest at ordinary times, and he can’t beat a bullsh*t with three sticks.

Chapter 186

Now when he saw this pose, he shrank half of his head, called “Mom” tremblingly, and then called “Big Brother” with a smile.

Noah Willson didn’t seem to hear him and ignored him.

Old Mrs. Willson nodded lightly.

Jacob asked tentatively, “Mom, you called me today?”

“Let me ask you, what’s the matter with Tomson’s villa?” Old Mrs. Willson asked coldly.

Jacob said quickly: “That villa was given to Charlie by President White. Charlie helped him see Feng Shui before.”

“Telling the Feng Shui?” Harold sneered, and said in a weird manner: “If you look at Feng Shui, you can see a luxurious mansion. All of us in the Willson family should stop working, and we will all deceive to cheat money!”

There was a low laughter in the hall.

Listening to the ridicule of the relatives, Jacob was embarrassed and could only laugh.

On the contrary, Noah laughed twice, and made a rounding up: “Mom, no matter what Charlie is, President White has also explained it. It is indeed a gift for him. This matter is also considered to be clear, young brother There is no need to explain.”

Jacob gave his eldest brother a grateful look, somewhat flattered.

The eldest brother usually dismissed himself at all, but it was unprecedented to help him speak today!

Noah smiled slightly and turned to Mrs. Willson and said, "Mom, you don't need to ask how the villa came. Anyway, Mr. White himself said that it was given to Charlie, so we have nothing to worry about."

"Yeah." Mrs. Willson nodded and said to Jacob, "Jac, your eldest brother wants to marry his boy into Dong family it's Harold marrying Elsa from the Dong family. What do you think of this matter?"

"This is a good thing." Jacob said with a smile: "The Dong family is a well-known family in the capital. If we can get married with the Dong family, it will also help our Willson family."

"A good thing is a good thing," Mrs. Willson sighed with a long sigh, "But, our family, compared with Dong's family, that's really a far cry. Even if your eldest brother has this heart, he doesn't have the face to talk to Dong's family. ."

Jacob nodded seriously and said the truth: "Mom, to tell the truth, I also think Elsa should not look towards this favorably."

Harold's expression was extremely ugly, and he blurted out, "Uncle, what do you mean by this?"

Only then did Jacob realize that he had said something wrong, and hurriedly changed his words: "Oh, I didn't mean that. I meant to say that compared with the Dong family, our Willson family is indeed far behind."

Old Mrs. Willson said indifferently: "People depend on clothes, and Buddha depends on gold. If we live in the best villa in Aurous Hill, after the Dong family comes, we can leave a good impression!"

Jacob asked in surprise: "Mom, are you going to change houses?"

Old Mrs. Willson said lightly: "I want to change to a better one, but unfortunately I don't have that much money."

When Jacob heard this, he hurriedly said: "If Mom needs money, I still have a million."

Old Mrs. Willson coldly snorted: "A villa can be tens of millions or hundreds of millions at every turn. Is a million enough?"

With that, she deliberately changed her conversation and said, "Jac, doesn't your family have a ready-made villa in Tomson?"

"Yes." Jacob didn't know, so he said blankly: "What's wrong?"

"What's the matter?" The Old Mrs. Willson looked upset, and said, "I am your mother. You can bear to see me living in this old house for so many years? Now that you have a Tomson first-class villa, shouldn't you bring it here? Honor and honor me as a mother, let me live in that villa first?"
