Chapter 1852

Jin Meitian: "..."

After a few seconds, she asked an incredible word: "You!"

"Kraig! Don't forget, the glory of your entire family and your status were granted to you by my family! Without our Jin family, your family is nothing!"

Kraig smiled lightly: "Okay!"

Jin Meitian: "Okay? What do you mean?"

"If you don't want the honorary status of the Jin family and the name of the first noble in the country, I can make you all lose it in minutes!"

"Miss Jin, you are used to being pampered, there are some things you may not know!"

"If it wasn't for me, Kraig, who went from China to the frontier, and from the frontier to abroad, to help your Jin family settle down, maybe your Jin family would have been begging for food!"

"The Jin family can put on the air of a noble family."

"But don't put it in front of me, Kraig!"

“What’s more, when I, Kraig, helped your Jin family eradicate dissidents abroad, it was Shaoqin who saved my life!”

“Jin Meitian, dare to dig Suzi’s corner! Just try!”

At this moment, Kraig really didn’t have the heart to talk to Jin Meitian here.

Kraig knows Shaoqin’s temper. Shaoqin is not a person who gets angry easily, but Shaoqin is a person who can calm everyone down with a single decision. Now is a critical moment. While thinking about how to rescue Suzi.

Of course, the most important thing is to rescue Suzi.

Regarding the fact that the only one and Suzi were held hostage by Pan Haoyang this time, Kraig has always been remorseful in her heart.

To put it bluntly, during this time, he put all the managers on his wife and son, and forced Shaoqin all the government affairs that he had to deal with.

In addition, it was a coincidence that Shaoqin was busy with Sanford’s affairs again, which made Pan Haoyang take advantage of it.

If Shaoqin had always been waiting by Suzi and his only mother and daughter, how could these things happen?

Now that the matter has happened, he, Kraig, is going through fire and water to rescue Suzi.

Moreover, before Suzi came back, Kraig absolutely did not allow anyone to think about digging Suzi’s corner.

If anyone dares to take advantage of the fire, then Kraig will see one and destroy one.

Even the little princess of the Jin family is no exception.

Kraig looked at Jin Meitian with extremely cold eyes.

Going hungry never thought that the corner of his clothes was pulled:
“Uncle Jun, you are so fierce.”

Kraig looked at Shen Weiyi in disbelief: “The only...”

I’m helping your mother!

Are you saying I’m vicious?

Are you serious?

As a result, Shen Weiyi nodded seriously: “Uncle Jun, you are really fierce today.”

Kraig: “...”

Completely bewildered.

Shen Weiyi still said seriously: “Uncle Jun, you misunderstood my Aunt Meitian, she is my father’s friend, and she is also my friend. My father is very lonely recently, and I asked Aunt Meitian to take care of my father. Otherwise, my mother is not by my father’s side for a while, and my father will get sick and suffer from depression.”

The little girl was talking and there was a cry in her voice.

Eye circles also turned red.

“It’s Aunt Meitian who is willing to help me and my dad.”

Kraig: “...”

In his perception, Shen Weiyi’s little friend is definitely not such a silly little girl.

She asked another woman to take care of her father when her mother was away?

what!

Even Kraig was almost amused.

However, who is Kraig?

It didn't take him a second to realize that the little girl was trying to make a fool of herself.

Before waiting for Kraig to say anything, Jin Meitian spoke up.

Her tone was very aggrieved and unpleasant: "Kraig! You are too self-righteous!"

Chapter 1853

"I didn't seduce Arron, nor did I snatch the man you call Suzi. You heard it yourself, this little girl asked me!"

"I am the only friend of the Fu family. I was invited by Uncle Fu and Aunt Qin! Now Arron is guarding the spirit in the mourning hall. I am responsible for taking the little girl to play. Is it in your way?"

After some words, Kraig was speechless.

"Master!" Jin Meitian said sarcastically in a very aggrieved tone: "Don't treat the belly of a gentleman with the heart of a villain!"

Kraig: "..."

"Yes! Uncle Jun!" Shen Weiyi followed Jin Meitian to scold Kraig.

Kraig sneered in his heart.

I am very pleased that Suzi has such a daughter who can act.

At this moment, Kraig suddenly figured it out.

Since Suzi was held hostage by Pan Haoyang, Arron became more and more cautious about the only one watching.

Without Arron's approval, Shen Weiyi would not have been able to follow Jin Meitian out alone. Now that I think about it, it should be the strategy that the father and daughter discussed.

And if Kraig guessed right, the father and daughter are acting as a double reed.

Paralyze the opponent, paralyze the enemy's double reed.

“I’m sorry.” Kraig apologized in a low voice.

Jin Meitian said angrily, “Mr. Jun! Please don’t be so macho in the future.”

“Not everyone tolerates you like Miss Elma, who beats and scolds her, and abandons her.”

“I’m not Miss Qiu, and I don’t love you either. You don’t need to judge me with such colored eyes.”

When it came to Elma, Kraig suddenly became alert.

Yes!

Jin Meitian must have been brought by Elma.

Otherwise, how would Jin Meitian know how he treated Elma in the past?

“Where’s Elma!” Kraig asked suddenly.

Jin Meitian sneered: “What? You are married and have children now, and Miss Qiu hasn’t bothered you anymore. Are you planning to let her go, a weak girl?”

At this time, the little thing she was holding in her hand also looked at Kraig with the same hatred as Jin Meitian: “Uncle Jun, you are a big man, you can’t hold grudges, I saw it with my own eyes, Aunt Elma didn’t bother you. , she’s here too, and she’s helping my grandma greet the guests.”

“I think Aunt Elma is very good now.”

“Uncle Jun, you can’t beat Aunt Elma anymore.”

Although the little girl’s remarks were scolding Kraig, Kraig heard it clearly, the little girl was reporting to him.

That meant that Elma was also in the Fu family.

OK!

Kraig laughed coldly in her heart.

That woman is Xiaoqiang who can't be beaten to death.

The vitality is really strong.

After being beaten like that by him, she went to Pan Haoyang's place, and was beaten to death by Pan Haoyang, yet she was able to come back alive.

Moreover, they can cooperate with Pan Haoyang to make such a big move.

Really admirable!

At this moment, Kraig suddenly wanted to see how much waves Elma could make!

"Uncle Jun will follow the teachings of Shen's only child. As long as Aunt Qiu is good, Uncle Jun will be very polite to Aunt Qiu."

"Let's talk about it again. Aunt Qiu is Uncle Jun's child. Uncle Jun treated her like that when he was very angry last time."

"Not in the future." Kraig said sincerely.

"That's right!" Shen Weiyi laughed.

However, she added: "Uncle Jun, you go in first, my father happens to be accompanied by someone, and Aunt Meitian and I are going out to play."

Kraig nodded: "Okay."

Then, he asked curiously, "Where are you going to play?"

He still has some concerns about the whereabouts of the little girl, after all, she is only a six-year-old child.

Who knew that Shen Weiyi said mysteriously: "Humph! I won't tell you!"

Chapter 1854

Kraig: "..."

This little girl movie!

Jin Meitian next to her directly covered her mouth.

She wanted to laugh.

But she didn't dare to laugh.

In the end, I was still very worried about Kraig.

Not to mention Jin Meitian's fear of Kraig, the entire Jin family is actually very afraid of Kraig, so Jin Meitian wants to take this opportunity to climb into Arron's bed.

Can become Arron's next wife.

Because, in Nancheng and Kyoto, only Arron can compete with Kraig.

If one day she Jin Meitian really marries Arron, she will be the first to bring down Kraig!

snort!

Thinking like this in my heart, on the surface, Jin Meitian didn't even dare to smile.

She watched Kraig gently enter the gate of the Fu family's old house, and then said to Shen Weiyi: "The only child, where do you think we are going now? Do you want the Fu family to send us a car, or... .."

She has a car.

It's still a very cool red sports car.

It stopped just outside the gate of Fu's old house.

She is also very like taking Shen Weiyi to play in her own car. Maybe if she is unhappy, she will throw Shen Weiyi to a place where she can't go home.

Anyway, Shen Weiyi is very willful, and both Uncle Fu and Aunt Qin have seen it.

However, even if she wanted to use her car to take Shen Weiyi out to play, Jin Meitian was smart and didn't speak.

Instead, Shen Weiyi said, "Aunt Meitian, I want to take your car, can I?"

After a pause, Shen Weiyi pointed to the dazzling red on the parking lot outside the Fu family's old house, and said, "I guess the best-looking car must be yours, Aunt Meitian, right!"

Jin Meitian smiled immediately.

Vanity is satisfied.

She nodded, "Yes."

"Yoyo! I'm going to ride in Aunt Meitian's sports car!" Shen Weiyi danced.

Jin Meitian also smiled in her heart: "Let's go, I'll take you to pick up the car."

"Okay." The little girl was very happy.

She followed behind Jin Meitian, jumping up and down.

Isn't it, the little hand is still gesturing on the top of the head, at first glance, it really looks like a rabbit.

No one would have noticed that the bunny-like appearance of Shen Weiyi's little friend was actually sending a signal to Uncle Christopher who was sitting in the car in the corner.

When Christopher in the car saw Shen Weiyi like this, he laughed and bent over.

After laughing, Christopher suddenly felt sad again.

This is a child who has temporarily lost a mother.

Suzi was not by Shen Weiyi's side, and Suzi's mother was still alive and dead, which forced Shen Weiyi to suddenly grow a lot overnight.

grown up a lot.

The little girl was a kind-hearted child.

Now it has changed, and he is cautious everywhere, like a little detective.

But like a sly little fox.

Christopher just quietly followed behind.

In the front, Jin Meitian, who was driving, didn't notice at all that there was a car behind her, following her in a hurry. At this moment, Jin Meitian was still immersed in excitement.

Even when the car happened to encounter a traffic light, it was inconvenient for her to call in front of Shen Weiyi, so she took out her mobile phone and sent a text message to Elma.

"Cun Xin, I have good news for you!"

At that end, Qiu Cun's heart recovered very quickly.

“What good news, don’t tell me, you have already climbed into Arron’s bed? If this news, I’m really sour! But, I’m still happy for you, but Meitian! If you really climbed If you go to Arron’s bed, you must show me the photos of the two of you fighting!”

“Well, if it’s convenient, record a video for me to watch! It’s the most enjoyable!”

Jin Meitian: “...”

She really didn’t expect Elma to send such a message.

Her face flushed red.

Then he sent an embarrassing WeChat message to Elma: “Cunxin, what are you... saying. How can you say...so blatantly?”

At the other end, Qiu Cun’s heart was still very fast: “Ha! Are you explicit? You are a twenty-nine-year-old woman, what are you pretending to be? Don’t tell me, are you still an old maid?”

Jin Meitian: “...”

Chapter 1855

To be honest, she’s not an old maid anymore.

Her first time was to a man she didn’t even know.

Still a black man.

It was abroad, and the sewer where she lived was blocked, so she found a temporary worker to run the sewer for her.

That man is black.

He looks big and three thick, and he looks like a condescending man.

After the black man gave her the sewer, he didn’t leave, he played hooligan to her.

At first she resisted.

But the man was tall and strong, very strong, and had a primitive taste, like a beast, very wild.

In a few minutes, Jin Meitian stopped struggling.

in her bathroom.

Still standing.

The scruffy black man was holding a sewer in his hand.

That's it, she was beaten.

What made her even more ashamed was that she later found the black man all over the street and gave her a sewer.

After a long time, that damn black man actually depended on her.

There is food and drink in her house, too lazy to die, and sloppy.

It stinks all over.

However, Jin Meitian couldn't get rid of that black man, that was a poor rascal.

In the end, there was no other way, so Jin Meitian could only think of going back to China to hide for a while. This is also the reason why Elma asked her to come back, and then she and Elma hit it off.

She didn't tell anyone that her first time was taken away by a black man who was as filthy as begging.

Even more so, Elma couldn't know.

So at this moment, what she replied to Qiu Cun's heart was still: "Yes, I'm still..."

She pretended to be shy and said half of her words.

Unexpectedly, Elma's reply was very fast again.

"Bah! You saucy girl! You're a twenty-nine-year-old woman, and you're all familiar. You haven't been passed through the sewer by a

man! Who would believe it! Don't pretend to me! My Elma has been like this for the rest of my life! I can't sleep! Arron is here!"

"But I've never been reconciled!"

"What kind of man has I, Elma, never slept with in my life!"

"It's Arron and Kraig!"

"I won Kraig myself! Arron and your video, you must film it for me!"

Jin Meitian: "..."

It's so beautiful to think that Qiu Cun's heart has changed so much!

This old woman older than her!

Jin Meitian gritted her teeth hatefully, but now, she couldn't live without Elma.

She still has to rely on Qiu Cun's heart.

someday! When she, Jin Meitian, really becomes Mrs. Fu, she must kill Elma.

And at this moment, she has to continue to use Elma.

"Cinch Xin, I told Arron slowly in advance, the good news I want to tell you is that I am with Shen Weiyi now, and she begged me to take her out to play, do you want to come with me? Haven't you always hated Shen Weiyi for this little trick?"

"Also, what Aunt Qin means is that she hates Shen Weiyi very much. Would you like to come with me? I'll drive slower and wait for you?"

Jin Meitian patiently sent Elma a WeChat message.

At that end, Elma really responded quickly.

"Really...really?"

"Of course it's true." Jin Meitian said.

“This is great! It takes no effort to get here! You wait for me, I’ll come right away! You send me your location!”

“okay!”

After sending Elma, Jin Meitian glanced at Shen Weiyi intentionally or unintentionally.

Shen Weiyi smiled and said, “Did you text Aunt Qiu?”

Jin Meitian was startled: “...”

I thought to myself, this is really a cunning little fox.

She didn’t answer, but instead asked Shen Weiyi: “Yi Wei, tell your aunt, where do you want to go?”

Shen Weiyi replied, “The hospital, I’m going to the hospital to see Uncle Jun’s wife and children.”

Chapter 1856

hospital?

This is really what Jin Meitian didn’t expect.

And still go to see Kraig's wife and children?

If Elma was involved in this matter, wouldn't it make Elma a big bargain?

Ha ha!

"Okay, okay little friend, but you have to show Auntie the way." Jin Meitian said while driving.

"Well, the aunt I will show you the way, don't worry." Shen Weiyi said.

When it came to the next traffic light, Jin Meitian was excited again, and hurriedly sent Elma a WeChat message.

"Cun Xin, do you know where Shen Weiyi is going?"

Elma was driving, and she replied impatiently, "I'll follow you soon, don't disturb me!"

Jin Meitian doesn't care.

She sent another WeChat message to Elma: "I'm telling you, Shen Wei is going to the hospital, and the one living in the hospital is Kraig's wife, the woman you hate so much, what's her name? ?"

What is the name of Kraig's wife, Jin Meitian really doesn't know.

However, Qiu Cun's heart was thoroughly familiar: "You mean, Shen Weiyi wants to see Dalia!?"

"Yeah!"

"Let me tell you, I saw Kraig coming to Fu's house when Shen Wei and I were going out just now."

"Kraig is in Fu's house now, which means that Kraig is not by Dalia's side..."

At the other end, Elma, who was parked on the side of the road and focused on sending WeChat messages, trembled in his hands.

Dalia!

It turned out that she was rushing to the hospital where Dalia was hospitalized.

Ha ha!

God bless her!

Elma suddenly thought of what Pan Haoyang had said to Elma when Pan Haoyang peeped at Shen Xiangshen in Nancheng: "It's nothing if you can't give birth, now Dalia has just given birth, you just need to kill Dalia. Now, take the child as your own, and you and Kraig will still be a family of three in the future."

right!

Destroy Dalia.

On the other end, Jin Meitian's WeChat message sent again: "Cun Xin, do I want to drive slower, you follow me, I don't know how to get to the hospital, I thought Shen Weiwei could explain it clearly, but she I can't tell."

"It seems that her so-called memorizing the way only remembers how to get back to her kindergarten and how to get home from kindergarten. She doesn't know the rest, and it's all up to me to navigate."

It didn't take long for Elma to reply: "Don't worry, you follow me, I know the way!"

During that time, when Pan Haoyang used a high-powered lens to peep at Suzi and the only one, Elma often went to see Pan Haoyang. Not only did she know which hospital it was, she even knew which ward Dalia was in.

"Okay! I wish you a full harvest in advance!" Jin Meitian said.

After sending WeChat, Jin Meitian stopped and walked.

After a while, she saw Elma's car driving ahead, and Jin Meitian followed Elma's car all the way.

He also kept comforting Shen Weiyi: “Only, Auntie doesn’t know the way very much, so she’s a little full, don’t mind.”

Shen Weiyi smiled coldly in his heart.

Since Jin Meitian texted Elma for the first time, she knew it.

Although she didn’t know what they sent, she could guess the general meaning.

That’s the plan she and Dad made.

Shen Weiwei knew that in the Fu family or even in the real Nancheng, Jin Meitian actually only had Elma as a friend. To put it bluntly, the reason why Jin Meitian came to Nancheng at this time and appeared in Fu’s house was because of Elma’s instigation to her.

Therefore, Shen Weiwei knows that whenever Jin Meitian sends WeChat, it must be sent to Elma.

Chapter 1857

She wanted to tell Elma complacently that the little fool Shen Wei was in her car.

Ha ha!

Everything was within Shen Wei’s expectations.

At this moment, the little girl is still pretending to be ignorant of the world, very childlike.

She nodded and said in a very good voice: “It’s okay auntie, I know you have always lived abroad. You are not familiar with Nancheng. It is normal for you to drive slowly.”

After speaking, she smiled at Jin Meitian.

Jin Meitian continued to drive.

An hour later, she followed Elma and finally arrived outside the hospital.

Elma stopped the car and sent Jin Meitian a WeChat message.

“The hospital is here, and the rest of Shen Wei will definitely be able to lead you to the ward. She has been here a lot recently, and she is familiar with it. Mei Tian, you go to the ward to check and make sure that there are only nurses and Dalia in the ward who killed a thousand knives. Send me a WeChat.”

Jin Meitian immediately replied: “Okay!”

Then he replied again: “I wish you success! All your wishes come true! Kraig is in the Fu family’s old house. I hope you can climb into Kraig’s bed tonight! We all have to work hard!”

Even though they were both making small calculations in their hearts, on the surface, Jin Meitian still wanted to talk nicely with Elma.

Jin Meitian is very useful.

She had been sitting in the car waiting for the news of Jin Meitian, but she didn’t realize that not far from her car was Christopher’s car that had just stopped.

He stopped the car and made a phone call: “yes. Elma is here too. She arrived earlier than the only one, but she didn’t get out of the car.”

“If my calculations are good, Elma should have asked the woman named Jin Meitian to inquire about the situation first.”

“Yes, you have to be careful.”

After hanging up the phone, Christopher watched the changes in the car.

At the other end, Shen Weiyi had already led Jin Meitian towards Dalia’s ward step by step.

Before entering the ward, Jin Meitian and Shen Weiyi heard humming singing and the cry of a baby in the ward.

“Ouch, little baby, don’t cry or make trouble, you are mother’s good baby.” Dalia sang.

After singing, she sighed again: “Oh, my little ancestor, the more your father is away these two days, the more you cry, the more your mother’s body has not recovered, she can’t even hold you. Move, what do you say?”

“Baby, how about we hire a nurse?”

“But, it’s not easy to hire nurses these two days. Mom has already told the medical staff here that the earliest nurses will not arrive until three days later. How will our mother and son live these three days?”

“Oh, my baby, don’t you cry, okay?” Dalia’s voice was extremely patient and helpless.

Shen Weiyi, who was standing outside, did not dare to enter the door for a long time.

She was afraid of disturbing her younger brother and her aunt’s appearance, so she kept her hands soft from time to time.

In this way, it created opportunities for Jin Meitian.

Jin Meitian was right outside the door of Dalia’s ward, and quickly sent a WeChat message to Elma.

“Cunxin! Let me tell you, I overheard outside the door, there was no one around that woman, and she was still holding a child, as if she was not in good health, and couldn’t even hold a child, it’s a good time for you what!”

At the other end, Qiu Cun came to open the door with a heartbreak.

Only then did I realize that I was a little anxious.

She quickly replied with her mobile phone: “It’s great! It’s great! I’m waiting for you to come out and wait for Shen Weiyi to leave me to clean up that girl!”

“good!”

After replying, Jin Meitian said to Shen Weiyi softly, “Yiyi, come in and see your Auntie Dalia.”

Shen Weiyi walked in gently, and she shouted softly, “Aunt Shanshan...”

Dalia turned back suddenly, and when she saw Shen Weiyi, she was extremely surprised: “Only you are here!”

Chapter 1858

Shen Weiyi nodded: “Aunt Shanshan, I miss you. I miss my brother.”

She spoke softly.

It made Dalia’s heart sour.

She put the little baby in her arms into the stroller, then opened her hands and shouted: “the only good guy, come and show auntie, auntie knows that you have been wronged these days, auntie knows that you miss your mother very much, come here quickly baby.”

Shen Weiyi suddenly cried: “woohoo, Aunt Shanshan, I don’t have a mother anymore.”

She threw herself into Dalia’s arms.

Dalia burst into tears.

“Don’t cry baby, your mother is a very tough person. Your mother is not easy to be beaten. She is stronger than ordinary people and has a strong fighting force. She will be fine. Trust Auntie.”

Shen Weiyi nodded: “Well, I also believe in my mother, Aunt Shanshan.”

“Don’t cry baby, come, auntie will wipe your tears.”

When Dalia turned around to get the paper, she saw Jin Meitian.

“Is this... a nurse?” Dalia looked at Jin Meitian suspiciously.

Jin Meitian: “...”

She almost got angry!

Think of her as a nurse?

You are a woman who used to be a babysitter and a s3x partner! You said I was a nurse!

Before waiting for Jin Meitian to say anything, Dalia said to herself: “It doesn’t look like a nurse, the general nurse is not as decent as your dress, but maybe, Jingyu in our family looks for top-notch people in everything. It is said that the nurse Jing Yu found for me needs a monthly salary of 30,000 yuan.”

“Thinking about it, it’s normal to wear better clothes with an income of 30,000 yuan.”

“Excuse me, this nurse, what’s your name? Have you ever brought a child? Have you given birth to yourself? Was it introduced by the company? Do you have a certificate, a health certificate? Take it out and show it to me first.” At this moment, Dalia’s eyes on Jin Meitian and the tone of her speech are completely the style of a wealthy and wealthy wife.

This really made Jin Meitian angry, her lungs were about to explode.

She wants to curse!

She wanted to raise her hand and slap to death this bitch who relied on people to warm the bed!

No wonder Elma said that the upper-class circles in Kyoto and Nancheng were occupied by cheap people!

It really is!

Thinking of this, Jin Meitian's heart to win Arron is even more determined!

One day, after she married Arron, even if Elma didn't kill this woman named Dalia, she, Jin Meitian, would cut this woman down!

So annoying!

"What are you doing standing still! What am I looking for for a care worker who is so useless in your eyes!" Seeing that Jin Meitian didn't speak, Dalia asked.

At this time, Shen Weiyi's tears were also wiped dry.

She suddenly remembered something, and suddenly turned around to look at Jin Meitian, then stuck her tongue out embarrassedly, before turning around and saying to Dalia, "I'm sorry, Auntie Shanshan, I'm... the only one just now. Just crying, I forgot to introduce you, this... is not a nurse."

Dalia: "What?"

"This is me...my dad and my friends."

Dalia: "..."

At this moment, it was finally Jin Meitian's turn to be arrogant: "Excuse me, Madam Jun, my surname is Jin, from the Jin family in Kyoto, have you heard of it?"

Without waiting for Dalia to say anything, Jin Meitian continued: "I think you don't know our Jin family, because the Jin family is a protected family in the whole country, that is to say, not only in your husband's family, but also in the whole country. Famous nobles from

all over the world give us some of the assets of the Jin family every year to support us.”

“And our Jin family has always been very low-key, never asking about political or economic matters.”

Chapter 1859

“Our Jin family is the largest noble in the country!”

“If our Jin family wants to say that we are not nobles, no one will dare to say that they are nobles!”

“Even if it is the Jun family in Kyoto, even if it is the Fu family and the Shu family in Nancheng!”

“Oh...” Dalia suddenly laughed when she heard Jin Meitian say this.

He smiled disdainfully: “Jin family, I often listen to my husband.”

Jin Meitian: “...”

“My husband said that the Jin family has not been cleaned up for so many years, because the Jin family is too obedient, like a pet cat and dog, docile and obedient, but just to stutter, what are they doing?”

“But when I saw you today, Miss Jin, you don’t seem to be as docile as my husband said, as long as you deduct food?”

“Raise you like pets, don’t worry about it, don’t do anything, why, you still want to bite the master back!”

Jin Meitian: “...”

After a pause, she said angrily, “You...”

At this time, a nurse suddenly appeared behind him, and the nurse looked at Jin Meitian with cold eyes: “Who are you, you don’t know the patient’s body is very weak, he almost died ten days ago, are you here to visit the patient or come here? Annoying the patient!”

“This patient is still in confinement, and her life was just picked up. I tell you, if you get angry with the patient, you will be fully responsible!”

After saying this, Jin Meitian was startled.

She came to play with Shen Weiyi today.

She and Dalia didn't have any direct hatred, even if they were close, it was just jealousy.

It's nothing more than Dalia despising her. Even if there is hatred in her heart, it should be left to Elma to deal with it, right?

Anyway, Qiu Cun's heart will come later, and he will torture this woman to the death. When he thinks of this, Jin Meitian figured it out.

She immediately apologized: "I'm sorry, I'm sorry, it's my temper. I'm here to see Mrs. Jun."

After saying that, Jin Meitian looked at Dalia: "Mrs. Jun, please forgive me, in fact, I know everything, Mr. Jun is really very protective of our Jin family, it's too late for us to be grateful, Mrs. Jun, don't have the same knowledge as me, okay? ?"

Dalia's tone immediately softened: "Sit down, I was in a hurry just now, and I have a bad temper. Don't mind Miss Jin."

"It's okay, it's okay, me and the only one, and the only dad we are all friends." Jin Meitian immediately borrowed the donkey to get off the slope.

The two of them had a good chat.

After chatting for about ten minutes, Shen Weiyi also coaxed the little brother in the crib to fall asleep, and she got up and said goodbye to Dalia: "Shanshanyi, I haven't eaten yet, I plan to ask Aunt Meitian to take me to McDonald's. , we'll see you again in the afternoon, okay, Aunt Shanshan."

Dalia nodded immediately and said, "Go, kid, don't be hungry, you are growing up."

When she turned around, she asked Jin Meitian again: "Miss Jin, please take care of the only one."

"It should be." Jin Meitian smiled.

As soon as she said it, she took Shen Weiyi to say goodbye.

Shen Weiwei sneaked into her hand and looked very good. When he walked to the door, Shen Weiyi looked back at Dalia and winked with his aunt.

At this very moment, Jin Meitian also looked out the door and winked with the woman hiding behind a pillar.

Jin Meitian took Shen Weiyi out of the door of the ward.

About three minutes later, another person entered Dalia's door.

"Stay safe, Madam Jun!" A cold, ghostly voice came from behind Dalia.

Dalia did not look back.

She just sneered and said, "Elma, you're finally here, I've been waiting for you for a long time!"

Chapter 1860

Qiu Cun was startled for a moment.

This woman seems to have known in advance that she was coming?

But Elma wasn't easy to be offended at first, and he was also a woman who has gone through many men's rivers in the wind and rain. Now, who has she been afraid of?

Qiu Cun made up his mind, and sneered as well: "Dalia! I haven't seen you for half a year. You've grown up and you can expect me to come to you?"

"However, even if you can budget for me to come to you, what can you do to me?"

"You don't have any friends, only a few of Suzi's friends are good to you, but Suzi can't protect himself now. Those two best friends of Suzi, if I guess correctly, those two women will follow their fiancés today. , go and offer condolences to Mrs. Fu?"

"Dalia, tell me who else can help you here? You lost too much blood and almost died a week ago. Now you can't even stand for five minutes!"

"Don't tell me, you can beat me now." Qiu Cun said confidently.

She knows Dalia too well.

Knowing that Dalia is somewhat colourful and how cowardly he is, Elma always believed that she knew Dalia better than Dalia herself.

To put it bluntly, without the support of Suzi, Dalia would be a waste.

waste!

"Then, what are you doing here?" Dalia came back to her senses and looked at Elma very calmly.

Only then did Elma really see Dalia's appearance.

Her face was pale, there was no blood on her face, and she was weak when she spoke.

what!

So, it's better.

“I’m here...to grab the child.” Elma said.

In fact, she is not really stealing children today.

Because the child was in the hospital, even if there was no one around Dalia to help her, Elma would not be able to take the child away. Besides, even if she took 10,000 steps back and forced the child away, Kraig would not let her go. Qiu Cun heart.

Therefore, she is not here to rob the child today.

However, Qiu Cun wanted to create such fear for Dalia.

In the future, she will seek more opportunities to create panic.

For a woman like Dalia, who is so timid and fearless, who has no opinion, has already been abused by Kraig like that, and can still come back and give birth to a child for Kraig obediently, Elma has a hundred ways to make Dalia go. Play to die.

In Elma’s heart, Dalia was not regarded as an enemy at all.

too weak!

Such a woman is only assigned to Kraig to warm the bed.

Fortunately, she gave birth to a child for Kraig, and she is not worthy of being a mother to the child!

“Snatch...Are you going to rob my child?” Dalia’s lips suddenly turned pale again, her eyes were no longer calm, but turned into panic.

Extremely frightened.

Even Dalia’s hand involuntarily grasped the quilt in the hospital.

what!

Elma didn’t guess this woman wrong!

Dalia really can’t pretend for a long time.

“Yes!” Elma continued to put pressure on Dalia: “I am here to rob your child, Dalia, I have to admit that you have served my fiance Kraig very well and moved him, but only because You’re pregnant with his child, that’s all!”

“If I prove to Jing Yu that I can take care of his child, then Dalia, you are just a reproductive tool.”

“Understood woman?”

“You! You are a reproductive tool!”

Being pushed by Elma step by step, Dalia became more and more frightened.

She suddenly held her head: “Don’t come here, don’t come here! I... my husband will come right away, my husband... he hates you very much! As long as he sees you, he It will definitely kill you!”

Chapter 1861

“Haha!” Qiu Cun’s heart was laughing more and more wildly: “Your husband? Kraig? I’m afraid he won’t be here for a while.”

“Little woman! Didn’t you let me come over? I just want to come over!”

“I walked slowly to you and carried your child away.”

“If I guessed correctly, the old man of the Jun family has not admitted you, right? I will take your child away now, and when I arrive at the old man’s place, I am the second wife of the Jun family.”

“Haha!” Elma approached Dalia step by step.

“No... go away, don’t come over, I’ll call someone if you come again, I’ll call the nurse here.”

“I called...”

Qiu Cun wanted Dalia to call someone.

As long as Dalia called someone, Elma immediately smiled at Dalia.

Even if the complaint goes to Kraig, Elma will cry at Kraig, she will tell Kraig: “Jingyu, I already know I’m wrong, and I won’t disturb your life in the future. , I just wanted to... want to see your child.”

“Because I can’t have children in the future. I like children, especially yours. I want to take a look.”

“I don’t mean anything else.”

Elma would say this to Kraig in such a sincere and humble way.

All, she has already planned.

Her purpose today was purely to intimidate Dalia.

Ha ha!

This woman is still so unafraid.

so fun!

Qiu Cun was completely close to Dalia without knowing it.

Her hideous smile looked at Dalia’s frightened face.

“Don’t touch my child...” Dalia said weakly.

Qiu Cun sneered and looked at Dalia face to face, the distance between the two was very close.

Nearly, only thirty or forty centimeters.

“Dalia! You goddamn woman! What kind of virtue are you? How could you even occupy my fiancé! Our Qiu family is a family of traditional Chinese medicine practitioners in Kyoto, and we have enjoyed the respect of the people of Kyoto for generations. I have always been a little princess in Kyoto. , even the real princess of the Jin family in Kyoto will respect me three points and give me three points!”

“I’ve never had the things and people that Qiu Cun’s heart wanted to get!”

“But you!”

“You begging woman! You bed-crawler! You are a tool designed to warm people’s beds! A woman with a low status like you has robbed my beloved man! Not only that, but also let my beloved man beat me up. half-dead, and then let me escape abroad and humiliate me!”

“Let me no longer have the possibility of childbirth!”

“Dalia, all of my experiences are thanks to you!”

“However, you never imagined that I, Qiu Cun, had gone through a lot of hardships, and I’m still not dead! I’m still alive, and I’m still alive, not only that, but I’ve returned to China!”

“I’m still... standing right in front of you!”

“Didn’t you think of it?”

Elma spoke to Dalia in a very low voice, like a ghostly voice.

The reason why such a voice, such a tone, and such oppression, is to torture Dalia’s heart and let this timid woman’s heart collapse first.

“So...” At this time, Dalia suddenly spoke.

There was no fear in her tone, nor did she look at Elma in the slightest of fear, but turned into a ferocious look: “So, I can’t let the tiger go back to the mountain, are you right, Miss Qiu?”

“What did you say?” Qiu Cun didn’t understand.

“I said, you deserve to come here today!” Suddenly, Dalia pinched Elma’s hair! Then the other hand had a pair of scissors at some point.

That one opened his mouth when he saw it, and poked Elma’s neck.

“Is it cold? Miss Qiu?” Dalia asked in a determined tone.
