

## Chapter 187

Jacob was taken aback for a moment, and hurriedly said, "Mom, the villa was given to Charlie by the White family, not for me."

The Old Mrs. Willson became impatient, and she was too lazy to conceal it, and said directly: "Charlie is the son-in-law of the Willson family, and the villa the White family gave him must also belong to the Willson family! As the head of the Willson family, don't I have the right yet? Do you live in Willson's villa?"

Charlie next to him sneered slightly. He didn't say a word just now, just knowing that there must be nothing good about this family gathering today.

It turned out that the Lady Willson just wanted his villa.

Jacob understood now, sweating even more anxiously, stammering speechless, looking back at Charlie, eyes full of embarrassment.

Noah Willson said triumphantly: "Jac, you are Charlie's father-in-law. If he dares not listen to what you say, isn't he too arrogant at home? What status do you have?"

"That's right!" Mrs. Willson nodded in satisfaction, her eyes full of greed, she couldn't help feeling the excitement deep in her heart when she thought of living in the big villa of Tomson community.

Claire couldn't help it, and said coldly: "Grandma, the villa is not owned by our Willson family. If you want to take the villa, you have to ask Charlie's opinion. If Charlie is unwilling to give it, no one is qualified to ask for it!"

Old Mrs. Willson frowned and looked at Claire, feeling very unhappy in her heart.

"Talking!"

The Old Mrs. Willson looked at Charlie coldly, and said unceremoniously: "This villa was given by the White family. You are just a live-in son-in-law, and you are not qualified to enjoy it. Tomorrow you go to the company's finance department to receive one hundred thousand, your reward for dedicating the villa!"

The Lady Willson's command-like tone gave no room for discussion.

Noah said: "Charlie, 100,000 is a lot, you are a waste of money, I guess you have never seen so much money."

Charlie slowly raised his head and sneered from his nostrils: "For one hundred thousand, you want to forcefully buy a villa worth more than 130 million in Tomson? Old Mrs. Willson, you are too shameless!"

His voice rang loudly and clearly reached the ears of everyone present.

The crowd was shocked, and the entire hall was suddenly silent.

All eyes were fixed on Charlie.

Surprised

Shock

Incredible

Claire was also shocked.

She didn't expect Charlie to be so tough!

Old Mrs. Willson turned blue with anger, she patted the table again, and shouted sharply: "b\*stard! Even you dared to stand up! Come here, get this Rubbish Charlie out!!"

"No respect! It is extremely arrogant!" Harold coldly scolded: "Grandma, I think he should respect the family law! He is a live-in son-in-law, dare to be arrogant like this, it is the opposite!"

Jacob looked at Charlie, but did not dare to speak at all.

"Respect and humble?" Charlie sneered from his nostrils, and said coldly: "The distinction between respect and inferiority is to treat people who are worthy of respect! Among you present, except for my father-in-law Jacob, who is worthy of my respect?"

This group of people is extremely greedy, he has long wanted to endure it!

Old Mrs. Willson, as Jacob's mother, screamed at her second son, without paying attention!

Noah Willson, as the eldest brother of Jacob, has never looked down upon him, not only that, but also wants to take everything from his brother.

## **Chapter 188**

As for him, the "live-in son-in-law" of the Willson family, this group of people has never seen it directly!

Even Charlie didn't pay attention to him at all!

It was only Jacob who cared about his family and couldn't bear to give up!

And Claire has always been bullied, and the identity of the cooperator with the Emgrand Group has always been missed by everyone in the Willson family!

The entire Willson family was firmly crushed on their heads!

Any bullying!

Charlie looked at his wife and put it down for the time being, but he didn't expect this group of people to be so shameless that they wanted to take their villa!

"Charlie, how dare you talk to grandma like this!" Harold shouted angrily, "I have to teach you today!"

"Only you?" Charlie sneered and said contemptuously: "Harold, to me Charlie, you are just a poor worm, humble like an ant!"

"Presumptuous." The Old Mrs. Willson stood up suddenly and sternly shouted: "Charlie, you kneel down and apologized, and then give up the villa, I will forgive you this time! Otherwise, I will let Claire and you now Divorce. I will drive you out of Willson's house and leave you on the streets. You can't survive!"

Claire, who kept her head down, raised her head abruptly, stood in front of Charlie, and said, "I don't agree! Are you my grandmother? Or are you the Patriarch of the Willson family?! You oppress me so much. Dad, bullying Charlie, do you still treat my family as your own family!"

"I will never divorce Charlie!"

"You" the Old Mrs. Willson almost turned her back in anger, pointed her finger at Claire's nose, and shouted at Jacob sharply: "Look at your good daughter, who turned her elbow out! Let her kneel down together!"

Jacob slowly raised his head, staring directly at the Old Mrs. Willson.

After changing his previous cringe, Jacob's expression was also very dissatisfied.

Noah froze for a moment. His second brother is usually very useless and is led by a strict wife at home. He didn't dare to talk back in front of Mrs. Willson, but now he dares to look directly at Mrs. Willson with contempt?

He shouted sharply: "Second brother, don't you hurry up to tell your daughter-in-law to kneel down and let mother calm down?!"

And Jacob, who is usually the timidest, turned blue at this time, and said, "Brother, someone gave Charlie the villa. What he wants to do with it is his business. Who my daughter married? You can't control things! This villa is worth more than one billion, almost more than the assets of the entire Willson family. Why do you want to occupy it?"

"You shameless son!!" Old Mrs. Willson was trembling with anger, grabbed the teacup on the mahogany table and threw it at Jacob.

Jacob didn't dodge or hide, and was hit by a "bang" on his head with a teacup, leaving a big bruise.

The tea dripped down his face, and the tea dregs splashed all over his body.

He remained motionless.

"Dad!" Claire yelled heartbreakingly, her eyes suddenly red.

She can be humiliated, but she cannot tolerate others to humiliate her father!

Jacob let the tea flow on his face, raised his head coldly, and said, "Mom, if there is nothing else, we will leave now."

After speaking, he said "Let's go" to Charlie and Claire next to him, then turned around and walked outside the door without looking back.

Claire wiped away tears, glanced bitterly at the people in the hall, and turned away without hesitation.

Charlie didn't even look at everyone, and turned around to leave.

Noah Willson was so mad, he was about to run away!
