Chapter 1912

Shen Xue shivered suddenly in fright. When she looked back and saw Shen Xue, her teeth were chattering: “You...you didn't practice the piano today, why did you come back?”

Shen Yuexi's voice was still sharp: “You thief! You are a bad person! I finally know why you must come to my house, you were originally a little beggar, a thief, right!

You have been eyeing our house for a long time!

You begged my parents, begged me to let me keep you in our house!

My parents are so kind!

I am so good to you!

you thief! You steal my mom's stuff! “

Shen Yuexi was about the same height as Shen Yuexi, and looked a little stronger than Shen Xue. She was not afraid of Shen Xue, but because she was at home, she was even more afraid of Shen Xue. She roared and beat Shen Xue.

“The thief, the thief, the little beggar, our family treats you so well, you want to steal my mother's things, see if I don't kill you! Kill you! Little

beggar! Little dirty thing, your conscience is not as good as a stray dog! “Shen Yuexi is really furious.

Children don't always fight.

Besides, Shen Yuexi has always been an overprotected child. She fights without rules, and she can't reach Shen Xue at all, because Shen Xue is more flexible than her, and Shen Xue is far from being beaten by society too early. More than Shen Yuexi.

So much so that Shen Yuexi was so angry that she didn't hit Shen Xue at all.

However, her angry scolding really angered Shen Xue.

Shen Xue is also because of fear.

She was terrified.

The biggest fear among them is that she can't let her brother know that she stole something.

If her brother found out, he would really break her leg.

Thinking of this, Shen Xue put the necklace into her pocket instantly, she swooped on Shen Yuexi's body, and slapped Shen Yuexi violently.

Shen Yuexi suddenly didn't even have the chance to parry.

She was beaten and could only crouch down on the ground, holding her head in her hands, crying with incomparable fear.

Shen Xue also squatted on the ground and said viciously to her: “Shen Yuexi! Listen to me! I'm not a little beggar, I'm not a thief! My surname is Shen like you! My father's name is Shen Zishan!”

Shen Yuexi suddenly raised her head in shock, and she looked at Shen Xue with tears in her eyes: “You lie! You lie! You little beggar! You don't deserve a father, how could my father be your father!

Are you crazy about wanting a dad!

You are a dog!

Stray dog!

woohoo woo...”

Shen Yuexi ran out.

She knew that she couldn't beat Shen Xue, and she wasn't a fool, so she wanted to run out and find help from the housemaid at home.

She didn't know why she was crying so loudly, and the domestic helpers and aunts didn't come over?

In fact, at this moment, the two domestic servants in the family were sprinkling water in the yard outside the villa, and they didn't even notice what happened to the two children inside.

At this moment, Shen Yuexi had already ran to the stairs in fear.

As she ran, she shouted loudly, “Auntie, auntie! A thief has come to our house! Auntie, hurry up and call the police to arrest her!”

Behind him, Shen Xue was even more furious: “I'm not a thief! No! This is my dad's home! It's my home too! My home! This is my home too! Why can't my dad's home be my home! Why! Why did my father buy you so many beautiful clothes!”

Shen Yuexi ran frantically in front, and Shen Xue chased frantically in the back.

In just a few steps, Shen Yuexi ran to the entrance of the stairs. She was looking back at Shen Xue who was chasing after her in a panic. She was not careful that the stairs were under her feet. ‘, and rolled down the stairs.

Shen Xue: “...”

She chased after the entrance of the stairs and saw Shen Yuexi curled up under the entrance of the stairs, and there seemed to be blood coming out of the place where her face was on the ground.

Shen Xue was terrified.

The instinctive response is to run back.

She couldn't be seen throwing the necklace, and she couldn't be seen that Shen Yuexi rolled down the stairs because she was chasing her after quarreling with her.

She can't!

Chapter 1913

Shen Xue shivered with fright. She hid on the terrace alone for a while before she recovered.

She never dared to come down.

It wasn't until a long time later that an ambulance came to the house, and Shen Zishan and Feng Yue also came back. They didn't take into account that there was a child in the room.

Everyone followed to the hospital.

Shen Xue stumbled out of the villa alone. She took the bus and rushed home. When she arrived at the door of the rental house where she was renting, Shen Xue heard crying.

“Shen Zishan, you are goddamn! You shameless thing! Why don't you die! Have you raised Xiaoxue for a day! Have you raised her for a day? You are now running over to me to ask for child custody, you should die! “

“No, I'm not sick, I'm not crazy, don't take me to get a certificate, I'm not sick, I'm normal, I can work, I can support my children, no...don't arrest me. No what.....”

It was my mother's mad roar.

Shen Xue was about to rush out when she saw her mother running out of the humble rental house, her hair disheveled looking very terrifying.

Residents on the left and right were scared to close their doors.

But there was still someone who couldn't dodge and was rushed by her mother. It was an old lady. When she was rushed by her mother, the old lady immediately broke her leg.

The mother was frightened and immediately apologized like an old lady: "I'm sorry, I'm not crazy, I didn't hurt anyone, I really didn't hurt anyone, I didn't mean to touch you, I... I'm afraid my daughter will be hurt. Take it, I want to take my daughter back, I'm sorry..."

Shen Xue: "..."

She didn't expect that her father was going to rob her from her mother?

She knew that her father's attitude towards her had changed, but she didn't expect that her father would compete with her mother for custody of her?

Why did Dad change so quickly all of a sudden?

Shen Xue didn't understand.

She didn't know anything, but she only knew that she was going to follow her mother.

Mom is poorer than Dad.

Also, she only kisses her mother.

When the old man's family came out, they roared at Shen Xue's mother, calling for Shen Xue's brother to come back quickly, and to negotiate the time for compensation.

Otherwise, call the police and have my mother sent to a mental hospital.

Shen Xue cried and begged them: "No, please, uncles and aunts, don't send my mother away, my mother has always been very good, she is sober, she knows she can't hurt people, she is just depression, The doctor said it all."

"I don't care! Your mother bumped into my grandma, and you have to lose money! Pay for medical expenses!"

“I will pay! I will pay!” Shen Xue wiped her tears and said firmly to the other party.

She must pay.

She comforted her mother, sent her home, ran out, and got on the bus Shen Xue all the way to the Shen family villa.

She was just trying her luck.

But luck is so good.

There is still no one in the Shen family.

And the Shen family didn't lock the door.

It can be seen that they are all taking care of Shen Yuexi in the hospital.

Shen Xue entered Feng Yue and Shen Zishan's bedroom without hesitation, and took all the gold and silver jewelry, bracelets and the like that she thought she had before.

She moved quickly and left.

When I got home again, my brother had already come back from get off work, and he was at home to settle the compensation case with the family who was hit.

“Uncle, I work part-time, and I will pay you two thousand dollars, okay?” Eighteen-year-old Ying Ming asked bitterly.

“No! The old man is in the hospital waiting for his bones to be healed, and he needs money right away!”

Ying Ming's heart slammed: “I'm going to sell blood!”

“Brother...” Shen Xue whispered from the door.

Ying Ming turned back, Shen Xue was carrying a heavy bag in her hand: “We have money!”

Chapter 1914

Ying Ming looked at Shen Xue in confusion: “You, what is this?”

Shen Xue opened the bag: “Brother, look.”

Inside are bright gold and silver jewelry.

Ying Ming immediately thought of something: “Xuexue! Tell me, did you do something bad outside?”

Shen Xue smiled and said, “Brother, don't think about it. Even if I want to do something bad, where do I go? If I go to rob someone's jewelry store, how can I rob me when I'm so young?”

Ying Ming thought about it too.

After all, my sister is still a child.

He softened his tone and asked, “Then these jewelry you got from there? Is this true? Is it a toy?”

Shen Xue shook her head: “No, this is my dad... This is what Shen Zishan gave me, Shen Zishan he...”

In the middle of Shen Xue's words, she saw her mother shouting tears, and she said to him shyly: “Mingzi, Mingzi, you must not let the killer

take away your sister, you want to Listen to my mother, my mother is not crazy.

Mom is not crazy, do you believe it, son? “

Back then, when the man divorced her mother, your sister still needed milk powder, and her mother had no money to support your sister, so she begged him to either give him more living expenses or take Shen Xue away, so that at least the child would not suffer.

But you know what that man said?

he does not want!

He said that if he wanted Shen Xue, it would affect his future two-person world. He said that he and that woman were going to have their own child. What would be the matter if Shen Xue was brought there? “

Speaking of which, Yu Xueqin cried and cried: “At that time, he was just separated from the child. He didn’t want to have the child when he was so young. Now he suddenly turned around and wanted the child? He must have no good intentions.”

“And Mingzi, my mother read in the newspaper two days ago that Shen Zishan’s slaughtering thing, his fashion company was burdened with a lot of unclear accounts because it failed to go public, and his company may be going bankrupt. That is, he will not be so well-off in the future, why did he come to take the snow away forcibly?”

Ying Ming and Shen Xue were both shocked by what their mother said.

Both brothers and sisters are very aware that mother is not crazy.

The mother is really not crazy, the mother is just suffocated by the mountains and loses her mind.

She didn’t know why Shen Zishan forced Shen Xue to be raised, but she knew that Shen Zishan must have no good intentions.

She knew that because she was a weak woman with no income and no ability to survive, if she really wanted to compete with Shen Zishan

for custody, she would definitely lose, so Yue Xueqin was in a hurry and looked crazy.

However, only she knew best in her heart that she was not crazy.

Hearing his mother's cry, Ying Ming looked at the gold and silver jewelry in his sister's hands again, and he no longer doubted that these things in her sister's hands were from the wrong way.

He immediately slapped his hand on the door angrily: "Damn Shen Zishan! Don't think that I, Ying Ming, are easy to provoke. If you irritate me, I will kill him!"

Saying that, she grabbed a bag of gold and silver jewelry from her sister and rushed out.

"Brother!" Shen Xue shouted, "Why are you going!"

Ying Ming turned back: "We are poor! We starve! We freeze to death! Never give Shen Zishan a penny. He can't rob you of the benefits of gold and silver jewelry! Mom and brother won't let you go to Shen's house!"

After saying this, Ying Ming suddenly realized something. He looked at Shen Xue with a dull expression: "Xue Xue, you..."

"Your father is very rich, you want to live with your father, you don't want your mother and brother, do you?" Ying Ming's tone was full of mischief.

He forgot one thing, although neither he nor his mother wanted Shen Xue to live with his father, but what about Shen Xue herself?

Shen Xue immediately understood what her brother meant, and she shook her head desperately: "Brother! I won't go with my dad! Definitely not! My dad actually asked me yesterday, but I agreed! Don't worry, brother!"

Ying Ming was relieved to see his sister so determined. He was about to rush out again, but Shen Xue stopped him: "Brother, don't go and return the money to Shen Zishan!"

"You still want to live with Dad!"

“No!” Shen Xue’s eyes turned red: “Shen Zishan is very rich! Especially rich! I am her daughter, shouldn’t he give it to me? It is also his daughter, why can he and his wife’s daughter be able to enjoy prosperity and wealth? ?

Chapter 1915

These are the things he should have given me!

With these gold and silver jewelry, we can exchange money, teach my grandmother about medical expenses, and buy medicine for my mother.

Otherwise, I have no money to pay people!

They’ll sue us, they’ll catch my mom and send her to a mental hospital!

Ying Ming stopped immediately.

Sister is right.

This money can solve urgent needs.

She weighed it, then took out a lady’s watch, turned and handed it to the family of the grandma next door: “Is this enough?”

An 18-year-old boy had always lived in poverty. She had no idea that the watch was worth more than 300,000 yuan.

When the other party saw it, he was immediately surprised: “Xuexue, your father gave it to you, right?”

Shen Xue was startled.

Following that, she immediately regained her composure, and she nodded: “Well.”

“Okay, okay! This is the watch. We won’t be looking for you again after we have cleared things up.”

Shen Xue and Ying Ming immediately returned the cash. The gold and silver jewelry that Shen Xue got back from their worth today would definitely be worth a lot of money.

Both brothers and sisters were very excited.

This evening, the family of three sat on the bed, looking at the jewelry one by one, and seeing the beautiful ones, Shen Xue would compare them on her mother's neck.

"Mom, you're actually pretty, too. Look how beautiful you are wearing this necklace."

"And this earring, mom, put it on, let's take a look."

Both brothers and sisters feel that their mother is more beautiful than others.

Especially Shen Xue, she was very happy.

Today, there is no one in the Shen family. No one knows about the things she stole. Besides, who would have thought that a child would steal so many things?

Ok!

The piano player was right.

She, Shen Xue!

It is indeed a material for stealing, and with long hands, it is possible to steal.

Shen Xue fell asleep in her mother's arms this night. After she fell asleep, she was still dreaming.

She dreamed that she was wearing the same clothes as Shen Yuexi, and she was also held by her parents to learn to dance and learn to kiss, but her father was Shen Zishan, and her mother was not Feng Yue, but her mother Yu Xueqin.

The next day happened to be Saturday, Shen Xue didn't have to go to school, and Ying Ming went out to work early, leaving only her mother and Shen Xue at home.

Maybe because the matter was resolved, my mother slept very deeply and sweetly.

Shen Xue also slept well this night, but she woke up earlier than her mother. She couldn't bear to wake her up. She hoped that she could sleep for a while, so she gently got out of your arms and covered her with a quilt. .

"Mom, everything is over, we will be fine, Shen Zishan's money is our money!" Shen Xue whispered proudly to her sleeping mother.

As soon as she said it, she took a small lunch box and planned to go out to buy some breakfast after taking a shower.

As soon as the little girl opened the door, she saw a ferocious figure at the door.

"Feng...Aunt Feng Yue...you...why are you here?" Shen Xue asked.

Feng Yue looked at Shen Xue coldly and angrily: "Guess what, what am I doing here?"

Chapter 1916

Shen Xue shook her head, pretending to be calm: "I, I don't know what you are here for. What are you doing here at my house?"

Feng Yue pulled her lips and sneered: "Shen Xue, did you bring me into your room to sit and talk about this matter in front of your mother, or did you go out and talk to me?"

Shen Xue shook her head: "I'm not going anywhere, Auntie Feng Yue, go back quickly, don't you have to go to work?"

"No! Because my daughter is injured and is lying in the hospital! Not only was my daughter injured, but my home was also robbed! Millions of gold and silver jewelry were robbed in my home!" Feng Yue deliberately put the word 'robbed' It's hard to say.

"Little b!tch! Do you know what robbery means? The penalty for robbery is heavier than stealing! Robbery is punishable by death!"

"No...I don't want! I don't want to die, woohoo..." Shen Xuedun was scared to cry.

She didn't dare to cry.

She was afraid that she would wake up her mother, who hadn't slept well for a long time.

Shen Xue suppressed her voice and cried and begged Feng Yue: "Aunt Feng Yue, let's...let's go out and talk, shall we? I'll follow you wherever you let me go, okay?"

Feng Yue sneered, grabbed Shen Xue by the neck, and dragged Shen Xue out like a chicken.

Shen Xue's face turned red from being strangled, and she coughed.

Feng Yue said viciously: "You white-eyed wolf! You bastard! I'm so sympathetic to you! I also persuaded my husband to be nice to you! My daughter is so sympathetic, she puts all the clothes she doesn't wear away. I'll wear it out for you! What's wrong with our whole family!

Are you any different from that stray dog!

You are not even a stray dog!

Stray dogs also know how to thank their owners!

But what about you! “

Feng Yue compared Shen Xue to a stray dog taken in by their Shen family. She felt that this analogy was very appropriate.

Feng Yue's heart was aggrieved to the point of incomparable anger.

She felt that she was so kind to this stray dog that she almost gave her heart to this stray dog, matching Shen Xue's clothes in person, and letting the dirty Shen Xue come into the luxurious villa.

She Feng Yue is simply an angel on earth!

What can be exchanged?

“You damned little b!tch! Little beggar! Vicious little dead thing! Any stray dogs and cats my daughter and I take in, are gentle and obedient to me and my daughter, and those stray dogs can even give my daughter their mouths. Bring your shoes!

But what about you?

Not only do you not know gratitude!

Not only do you not know how to repay my daughter for being kind to you!

You're like a mad dog, you almost killed my daughter! “

Hearing Feng Yue compare herself to a dog, at first she was a stray dog, and later she was likened to a biting mad dog, Shen Xue's letter was like being stabbed by a knife.

She was very distressed.

And because she was not feeling well because she was carrying Feng Yueti, she struggled to tell the difference: “I didn't bite Shen Yuexi! Shen Yuexi regarded me as a dog and put a chain on me, but I

didn't bite her! I did! She didn't bite, you can see from her if there are any bites."

The ten-year-old child had been frightened by Feng Yue's battle for a long time, and he was still thinking about distinguishing what Feng Yue said, which was actually a metaphor?

Shen Xue just quibble in horror.

The two pulled and pulled, and they also came to a secluded place.

Here is a pavilion behind the demolition area.

Feng Yue threw Shen Xue hard on the pavilion, and stepped on Shen Xue when she lifted her foot.

Shen Xue raised her frightened eyes and looked at Feng Yue:
"Feng...Aunt Feng...I...I didn't do anything..."

"Bah!" Feng Yue spit out Shen Xue's face: "You're very courageous! You don't even type drafts when you lie!"

As soon as the words were spoken, Feng Yu turned around and shouted angrily: "Shen Zishan! Shen Zishan, come here for me! Come out!"

Chapter 1917

Not far away, Shen Zishan got out of the car.

Seeing Shen Xue being stepped on by Feng Yue, there was no sympathy on Shen Zishan's face.

Seeing Shen Zishan, Shen Xue burst into tears: "Dad..."

Just yesterday, my father said that he wanted to kiss her for dinner, and he wanted to get her custody back. My father should love her dearly, but now, what happened to my father?

Shen Zishan looked at Shen Xue with disgust, raised his foot and kicked, and then said, "You are so young! You are so vicious! You scared your sister like that!"

Shen Xue: "...I don't."

Hearing Shen Xue say this, Feng Yuexi suddenly lifted her foot and then bent over to lift Shen Xue up, raised her hand and slapped Shen Xue hard in the face.

Shen Xue's front teeth suddenly loosened.

"You! Still! Cunning! Discern!" Feng Yue was extremely angry.

"Shen Xue, you idiot! You only know how to trick our whole family around, and if you cheat, you will go to the house to steal things, but you didn't expect that our house is full of cameras!"

Shen Xue: "..."

She knows about cameras, but isn't this kind of thing only installed in public?

Their home...

"The camera clearly records how you stole my jewelry, how you frightened us, Xixi, and then forced her to roll down the stairs step by step! My daughter is still in a coma. !"

Shen Xue: "..."

Her heart was cold.

She really did not expect that the scene of her stealing would be recorded.

what to do?

what to do?

If her brother finds out, he will beat her to death!

"Vicious little b!tch! You're trying to intimidate your sister and throw it down. Not only did you steal a necklace from me, but you could even carry a bag and come back to my house for the second time to carry out a big sweep. Your bag Things are worth at least one million, and my Vacheron Constantin watch alone is three or four million!"

Shen Xue's eyes widened.

She really didn't expect that she would steal so much after stealing once.

Three or four million, what is the concept?

Have the money for a house?

Shen Xue heard from her mother that if she smashed the suburbs and bought a house of 50 to 60 square meters, about 300,000 to 400,000 yuan would be enough.

A house!

The small bedroom that their whole family dreamed of was just a watch of Aunt Feng Yue.

At this moment, Shen Xue didn't have time to think about this, she just looked at Feng Yue in horror, trying to beg for mercy: "I'm sorry Auntie Feng Yue, sister... I didn't mean to scare sister Xixi, I... ..I thought these things weren't that valuable, I just wanted to get some money to treat my mother..."

"Take? You can steal! You can robbery. Called take?" Feng Yue asked aggressively.

Shen Xue: "..."

"Do you know how many years of the surname Pan will be required for theft to reach your amount? How many years should you be sentenced for robbing a house with a bag? Also, intimidating someone to cause someone to fall from a building will add up to three crimes in your hands. Together, Shen Xue, you are enough for the death penalty!" Feng Yue recklessly threatened a child who was not old enough to bear legal responsibility.

The child is directly frightened.

She shrank and trembled all over, her lips became extremely disastrous, she held her shoulders with both hands, and she kept muttering in her lips: "No, I don't want to die, I don't want to go to jail, I don't want to be sentenced to death, I'm fine. Afraid....."

“Afraid?” Feng Yue smiled: “I have a way to save you, as long as you are willing to do it.”

Shen Xue immediately looked up at Feng Yue: “I will do it! I will do whatever you ask me to do! Aunt Feng Yue!”

Feng Yue glanced at Shen Zishan, turned to look at Shen Xue, and smiled: “Very good!”

Chapter 1918

How can a ten-year-old child know the thoughts of adults and the world of adults?

In Shen Xue’s perception, it was nothing more than being beaten by Aunt Feng Yue, and at the worst, lying in the Shen family’s house every day and learning how to bark?

Besides, kneeling on the ground every day, letting Shen Yuexi ride a horse, and letting the whole Shen family call her a little beggar, a little beggar?

fine!

It’s all right!

Shen Xue could bear it.

Just don't let her go to jail.

She didn't want to go to jail. She was afraid of death not entirely because of herself, but because of her mother.

If she goes to jail, the surrounding neighbors will definitely scold her mother even more, saying that she has no way to teach her daughter, that her daughter is a thief, etc. If that happens, her mother's madness will definitely get worse and worse.

If she goes to jail, who will take care of her mother in the future?

By my brother alone?

My brother has to go out to work.

No!

Shen Xue nodded desperately: "Aunt Feng Yue, tell me, I will do whatever you want me to do, as long as you don't send me to jail, I... I don't want to be known that I stole something, I don't want my classmates to call me a thief, I'm afraid..."

Shen Xue has always been an inferiority complex in front of her classmates.

It doesn't matter if she doesn't have a father, her mother is a madman. She usually doesn't play with her classmates. She avoids her when she has something to do. Shen Xue always wanted to integrate into her classmates. For this reason, she studied hard and actively participated in extracurricular activities. Participated and often took the initiative to do public health in the class.

Even so, her classmates didn't pay much attention to her.

However, it doesn't matter, Shen Xue thought to herself, one day, her sincerity, her kindness, and her efforts will be recognized by her classmates.

But now if her classmates and people around her knew she was a thief and she was going to jail, she might as well die.

She looked at Feng Yue with begging eyes: "Aunt Feng Yue, tell me, I'll do whatever you want me to do."

Feng Yue still smiled.

Laughing loosely.

After laughing, she looked back at Shen Zishan: "Zishan, you see, we didn't force her, she said it herself, she is willing to do whatever she wants."

Shen Zishan glared at Shen Xue angrily, came to her, raised his foot and kicked Shen Xue fiercely: "As cheap as your mother! Cheap!"

Shen Xue: "..."

Does it mean that she will be cheap if she acts as a dog for Shen Yuexi in the future?

It's ok.

She doesn't care.

When she cares about whether she can take care of her mother in the future, whether she can go to school in the future, whether she can go to jail in the future, and whether she can not be known, she is a thief.

"Dad, I'm willing..." Shen Xue cried bitterly and humbly.

"Okay!" It was Feng Yue who answered Shen Xue.

She personally pulled Shen Xue up, patted the soil on Shen Xue's body, pulled Shen Xue to sit on the table, and then whispered softly in Shen Xue's ear.

After Shen Xue heard this, the whole person was stunned.

Immediately afterwards, her face was flushed red to the roots of her neck.

"You know how to be shy!" Feng Yue sneered.

Shen Zishan also saw her daughter's overly frightened appearance, and then blushed again.

At that moment, Shen Zishan tightened again.

He felt that it was his own child after all. What kind of embarrassment did he and his wife make to this child?

However, he thought about Shen Yuexi who was in the hospital.

Although Yuexi has passed the dangerous period, the injury is not serious, but the doctor said that the damage to the child's heart is extremely huge.

Shen Yuexi, who was in a coma, kept crying: "No! My father is not your father! You are a devil! I am so good to you! You steal my mother's things! You are not my father's daughter, my father only has one daughter!

Chapter 1919

do not! Don't come here, don't rob me of my father...

Dad save me, mom and dad save me, this little beggar is the devil, she wants to rob my mom and dad...

woohoo woo..."

This is the helpless cry of a child in a coma.

Seeing this scene, Shen Zishan and Feng Yue were heartbroken.

Feng Yue even wanted to kill Shen Xue immediately!

The husband and wife didn't know what was going on, so they gave Shen Yuexi a calming drug to let her fall asleep peacefully, and then the husband and wife went home to adjust the monitoring.

It doesn't matter if you don't watch it, Feng Yue who has seen the surveillance is crazy.

She pointed at Shen Zishan and cursed: "Shen Zishan, you bastard! This is your daughter! Your good daughter! It's true that people say

that thieves are hard to prevent, your daughter is more than just a thief?

She literally came to destroy our home!

She is trying to murder my daughter!

murder! “

Speaking of this, Feng Yue went up to fight Shen Zishan: “We are so good to her! She is so vicious at such a young age, she is so vicious, so vicious! She should die!”

“I’m going to let her die!”

Shen Zishan didn’t say a word.

What can he say?

Is his biological daughter.

Don’t say that Feng Yue wanted to kill Shen Xue, at that moment, I saw in the surveillance video, Shen Xue first stole Feng Yue’s necklace, and then told Shen Yuexi that she was also Shen Zishan’s daughter, and then scared Shen Yuexi off. When they were on the stairs, Shen Zishan really wanted to take a knife and chop Shen Xue into meat sauce.

Later, they saw that this daring and vicious child actually returned for the second time, looted the valuable things in the family, and then swaggered out of the villa.

Shen Zishan even vomited blood on the spot.

Just when the husband and wife wanted to tear Shen Xue into ten thousand pieces, Shen Zishan’s phone rang again.

On the other end of the phone was the immortal old man surnamed Dong.

“I said, Brother Zishan, even if I buy out your entire company, you still owe me hundreds of millions. I only need your pearl to accompany me for one night, just one night. Your business, the money you owe me is

written off, this transaction What a bargain, if you don't agree to me again, you'll really be toasting, not eating and drinking!"

Shen Zishan gritted his teeth and shouted: "Old Dong is immortal! Why do you want to plot against me like this!"

Over there, the old man surnamed Dong said, "Why? Five years ago, how did you plot against me!"

Shen Zishan: "..."

Five years ago, in order to expand their industry, he and his wife stole Dong Gui's factory. Assets increased to more than one billion.

Then several industrial companies that Dong Gui acquired were booming again. In less than three years, Dong Gui's assets were as high as seven or eight billion.

It is too easy for a business tycoon with seven or eight billion to swallow up a fashion company owner whose total assets are less than 100 million.

Shen Zishan was speechless by what Dong Gui said.

"How is it? If it happens, you will be my husband in the future, your Shanhaiyuexi will still be yours, and your daughter will still be yours. She can still marry and marry when she grows up. Having a child, you have nothing to lose."

"Dong Gui! I did it for you!" Shen Zishan spit out blood on the carpet in a panic.

His cell phone also fell on the ground, Feng Yue picked it up on the spot, and calmly agreed to Dong Gui: "Old thing! I promise you!"

As soon as I said it, I hung up the phone.

After closing the line, Feng Yue did Shen Zishan's ideological work again. In fact, Shen Zishan was moved yesterday, but he just couldn't hear Dong Gui's deceiving tone.

Dong Gui hasn't seen Xixi much, not to mention that Xixi is in the hospital. If Xuexue were to wear Xixi's clothes, the two sisters would really look alike.

"Your daughter is so vicious, the wicked must be ruled by the wicked, do you still hesitate?"

"Let Shen Xue go!" Shen Zishan said decisively.

At this moment, seeing Shen Xue's overly frightened and blushing appearance, Shen Zishan felt guilty for only a second, he glared at Shen Xue and put pressure on her.

"No! I'm not going!" Shen Xue categorically refused.

Chapter 1920

Neither Shen Zishan nor Feng Yue thought that Shen Xue would refuse.

The husband and wife glared at Shen Xue one after another.

Shen Xue's face turned even redder: "I... I'm not yet sixteen!"

She is still several years old when she is sixteen. She is only a child in her early ten years. How can she be allowed to do such a thing?

No!

Let her do anything.

Learn to bark like a dog, learn to meow like a cat, hit her, scold her, tie her down, you can.

But, she just couldn't agree with what Aunt Feng Yue said.

"I'm not going!" Shen Xue stepped back in incomparable fear.

She is in her teens, and it's not that she doesn't know anything about everything. When she thinks of such a scene, she thinks that it must be a bottomless black hole. Being imprisoned is more terrifying than being sentenced to death.

Therefore, she must not go.

"Don't go?" Feng Yue sneered: "You retreat, you retreat? You run home."

Shen Xue: "..."

"Shen Xue, there are surveillance devices everywhere in the Shen family villa, how did you steal it, how did you scare your sister sick, how did you come back for the second time and looted our house, all these surveillance cameras are Yes, believe it or not, I will send the surveillance video to the newspaper office, to your school, to the community where you live, and to your grandparents!"

"I want everyone who knows you to know what kind of devil you are!"

"No... No Aunt Feng Yue, no!"

Feng Yue ignored Shen Xue at all, she continued to speak viciously: "Even if I expose all of your scandals, you will still go to jail, or even be sentenced to death!"

"No!" Shen Xue shivered suddenly in fright.

She dared not step back.

She felt that going back would be an abyss.

“Go back!” Feng Yue laughed.

“I’m not going back, Aunt Feng Yue, I’ll listen to you.” Shen Xue cried, extremely helpless, and looked at Feng Yue miserably.

At that moment, Shen Xue’s mind was suddenly in a trance, and she even had a crazy feeling of wanting to laugh.

She suddenly understood why her mother was crazy.

Teenagers suddenly have a feeling that sometimes people are crazy, it is better than not crazy.

If you’re crazy, you don’t know anything.

Shen Xue’s face was pale, her eyes were scattered, and she approached Feng Yue in a trance.

“Are you still running?” Shen Yue raised her hand and slapped Shen Xue in the face.

Shen Xue cried vaguely, “Don’t run away, Aunt Feng Yue.”

“I’m not your little b!tch, dirty auntie! You are going to do this when you are young. When you grow up, you are not a slut? Smelly?” Feng Yue cursed indiscriminately.

After scolding, he raised his hand and slapped Shen Xue in the face again: “Are you still running!”

“Don’t run away, Aunt Feng Yue.”

“Are you willing to do that?” Feng Yue asked again.

“I do it of my own free will, Aunt Feng Yue.” Shen Xue was already afraid of being beaten. She now has absolute obedience to Feng Yue.

“Very good! You are yourself! Right!”

“Yes, Aunt Feng Yue.”

Only then did Feng Yue smile: “You, you are in need of repairs, and you have to be beaten, so you are obedient, isn’t this cheap?”

Let's go. Aunt Feng Yue takes you to wash your face, and is buying you a bottle of vanishing cream, watching Xiaolian Village, and Hualian Mao, yes, Dong Gui doesn't like such children. "

After saying that, Feng Yue led Shen Xue out.

Shen Xue was very obedient and obedient.

Chapter 1921

She doesn't even cry anymore.

She followed Feng Yue into Shen Zishan's car with a blank mind.

Dad's car was really luxurious, and the seats were all soft, but at this moment, Shen Xue was no longer in the mood to feel these.

She felt that her heart was dead.

Feng Yue was so generous today, she bought Shen Xue the most beautiful and foreign princess dress, small leather boots, and a very soft pink sweater on her upper body.

Shen Xue was really beautiful when she was dressed up.

She is as beautiful as her sister Shen Yuexi, and even more endearing than Shen Yuexi.

Not to mention others, even Feng Yue was stunned.

For a moment, she was actually tangled in her heart, but it was only for a moment. A voice deep in her heart told Feng Yue that this vicious little devil did not deserve her sympathy at all, and her daughter was almost killed by this little devil. , her home was almost ransacked by this little devil.

Therefore, letting this little devil go to this catastrophe in place of his daughter is the punishment this little devil deserves.

There is a saying that if you go out and hang out, you have to pay it back.

“It’s so beautiful! When you grow up, you must be a good embryo who seduces men! Xuexue, you are suitable for that kind of business.” Feng Yue sarcastically said.

Shen Xue looked at Feng Yue ignorantly: “Aunt Feng Yue, can I go home and have a look?”

Feng Yue: “No!”

Shen Xue pleaded again: “I don’t run, and I don’t get out of the car. My mother often sits at the entrance of the alley to get warm, so I just look at my mother and she will be fine.”

Shen Xue had already thought about it, as long as Feng Yue and her father promised not to tell her scandal, she would do it, but she didn’t plan to live for it last night.

She went back and jumped into the river.

So, this is the last time she goes back to see her mother.

Shen Xue’s pleading eyes kept staring at Feng Yue.

Feng Yue: “...”

After thinking about it, if you are too harsh on this little b!tch, it won’t be good for this little b!tch to have any more moths. It’s better to follow her in everything, as long as she agrees to go to Dong Gui’s tonight.

“Okay!” Feng Yue said angrily.

This noon, Shen Zishan and Feng Yue took Shen Xue to eat a good meal, and took her to take a bath in the afternoon. Feng Yue personally dressed Shen Xue, and when they went out, it was already past four o’clock in the afternoon. She also put some lipstick on Shen Xue on purpose.

The little girl dressed up again, more beautiful than when she just put on the new clothes.

Feng Yue was very satisfied.

She is very confident that Dong Gui, who is immortal, can never tell whether it is Xixi or Xuexue.

Before leaving, Shen Zishan and Feng Yue took Shen Xue back to their rental place.

Shen Zishan didn't let Shen Xue get out of the car, but opened the car door and let Shen Xue watch from a distance for a few minutes, then the car slowly drove out of the alley, and the sky gradually became dark.

The car drove outside the Yidong luxury villa in the suburbs. Shen Zishan personally sent his daughter to the villa, and then the two drove away.

A few minutes after their car drove in, a taxi stopped outside the villa.

The young man who got out of the taxi pulled out a one-meter-long knife from his jacket.

When the knife was bright and sharp, he used the knife to look at the gate of the villa, and the alarm sounded at the gate. The young man ignored the alarm at all, but jumped directly to the iron fence that was not too high, and turned over and entered the courtyard of the villa.

He knew that the door would definitely not be able to enter, so he used the long knife in his hand to fasten the screws of the security window, then opened the security window, smashed the glass, and broke the door directly.

The moment he broke through the door, he heard a sharp child's voice in the villa.

That voice was extremely miserable.

Like the cry of a cub.

The young man shrank as he listened, and the blue veins burst out in the hand holding the long knife.

"Xuexue! Xuexue! Don't be afraid, brother is here!" Ying Ming went upstairs with a long knife. When he came upstairs, he followed the sound and kicked open the door of a bedroom accurately.

Then, Ying Ming saw Shen Xue.

“Xuexue...” He shouted extremely distressed and extremely annoyed.
