

# Catch Me If You Love Me

## Chapter 194

There was an uncontrollable sharp cry in her voice, and Lydia Lin was taken aback for a moment.

After being locked up by Anna Yun for too long, Lydia Lin's spirit of being tortured and abused was a little abnormal because she wanted to learn too many Zoey Gu secrets from her.

She raised her head and looked at Zoey Gu for a while, then suddenly laughed abruptly "haha".

"Zoey, it's been so long, why are you still so naive? Since the other party is here to buy the child, or the price is so high, how could it let you know the details?"

"I only know what capital they are from, and I don't know anything else..."

Zoey Gu's tears fell, and his heart sank to the bottom.

It turned out to be true...

She really had a baby.

But when she was unconscious and didn't know, the child had left her and disappeared...

All this is because of Lydia Lin in front of me!

At this moment, Zoey Gu even had the heart to kill her!

But she can't.

Lydia Lin finally appeared, which means that many things she wanted to know, there is hope to get clues from her.

For today's plan, she must not let her run again!

Thinking of this, Zoey Gu tremblingly got off Lydia Lin.

Seeing her getting up to leave with a thick pile of RMB, she suddenly gritted her teeth and raised the bag in her hand, and slammed it towards the back of Lydia Lin's head!

Bang.

a bit!

Click again!

With a “plop”, Lydia Lin’s legs softened and she fell down instantly.

Seeing her fainting, Zoey Gu didn’t dare to delay, tremblingly took out the phone, and almost instinctively called Liam Lu.

The familiar bell rang.

After two sounds, the other side was connected, and Zoey Gu instantly burst into tears, choked and opened her mouth.

“Liam, come on, she is back! Lydia Lin, she...”

Before the words were finished, a gentle female voice sounded over there.

“Miss Gu, Liam has gone to take a bath, and the phone is not around. I can tell him if you have any problems.”

It’s Du Lanfu.

Zoey’s heart was cold, and his face quickly turned pale.

they...

In the next second, Lydia Lin, who had passed out behind her, suddenly woke up and rushed towards Zoey Gu!

She was pushed forward hard, her head slammed on the sharp roadside stones.

The blood flowed out...

At the moment when she fell to the ground, Lydia Lin jumped up and snatched her bag, turned and fled, rushing into the boundless darkness like a gust of wind.

In an instant, Zoey Gu’s vision became blurred a little, and even the world seemed to be dyed blood red.

The phone dropped to the ground and it was not turned off.

She struggled to get it.

But I heard Du Lanfu’s crisp and loud laughter from inside.

“Oh-don’t make a fuss! After you wash it, I want to wash it too.”

“Itchy, don’t touch it, don’t...”

Zoey Gu tried hard to stay awake, listening to each other in pain.

Compared with the blood-filled world, I only feel that the pain in my head at this moment is far worse than the pain in my heart.

Before falling into the darkness, she whispered desperately and whispered.

“Liam, you are really, so cruel...”
