## Chapter 1942

“Bunny!” Arron, who was originally drunk, suddenly sat upright, his expression was so annoyed that his eyes were red with anger.

Jin Meitian, who was cautiously waiting beside her, shivered with fright.

Who did he call?

You open your mouth to scold the bunny?

Turning to think about it, he suddenly realized that Arron was scolding Shen Weiyi.

Is that kid still alive?

Didn't get lost?

Jin Meitian's heart suddenly twitched.

She just came here to tell Arron truthfully that she was trapped by Shen Weiyi, she has enough evidence to prove that she was really trapped by Shen Weiwei, and, even if she was trapped by Shen Weiwei, she would not follow Shen Weiwei. Calculate.

She spent the whole day and night looking for Shen Weiyi all over the world.

But, I can't find it yet.

Jin Meitian also wanted to say that she seemed to have come to tell Arron for the first time, but Arron was always drunk.

No, his consciousness was just a little sober, Jin Meitian planned to be wronged again, and told Arron euphemistically, but Arron received a call from Shen Weiyi.

Damn little shit!

Still alive!

It's been a day and a night, is she okay? Wasn't kidnapped by the traffickers from the north, or taken away by wolves?

hateful!

But no matter how hateful it is, Jin Meitian will listen with her ears sideways.

"Where did you go, bastard!"

"You'd better never come back for the rest of your life!"

"You have the ability! You have the ability to lose your mother and your unborn brother! You will die for me!"

Arron's voice was hysterical.

It's helpless, it's angry, it's out of control.

He smelled of alcohol in his satisfaction.

Jin Meitian was stunned.

Is this the Arron who loves his wife so much and his own daughter so much, who is all-powerful in Nancheng?

That Arron has always been calm and composed, and he has never been so out of breath.

But now, what happened to Arron?

Jin Meitian looked at Arron blankly, for a second, she didn't even know Arron.

However, she never really knew Arron.

The all-powerful and calm Arron heard it from Elma and Qin Wenyu.

And now Arron was seen by Jin Meitian with his own eyes.

She was suddenly complacent.

She felt that she had spied on the unknown side of Arron.

"Mr. Fu, you... calm down, you... Mr. Fu." Jin Meitian took Arron's arm.

Arron threw Jin Meitian away, his tone was still irritated: "Where are you dead!"

On that end, the phone hangs up.

Arron: "..."

He suddenly threw the phone aside in a decadent manner.

"Mr. Fu..." Jin Meitian shouted cautiously.

Arron glanced at Jin Meitian: "You... Who are you!"

He said just now that she smelled bad, but now, he doesn't even know her anymore.

Jin Meitian: "Mr. Fu, I'm... Mei... Mei Tian, the youngest daughter of the Jin family in Kyoto, Jin Meitian, I just came back from abroad, the day before yesterday, the day before yesterday afternoon, you asked me I....."

"Where's my daughter!" Arron suddenly looked at Jin Meitian coldly.

## **Chapter 1943**

That expression was clearly just coming back from the consciousness of drinking and drinking.

He remembered now that she took Shen Weiyi out before.

Jin Meitian stammered and said, “You... weren’t you talking to your daughter just now...”

“Yes! But where is she now? Where did you take my daughter! The Kim family? Is that the little princess? If my daughter can’t be found, I’ll tear you to pieces!”

“Okay!” Jin Meitian suddenly cried.

Crying tears flowed.

This is what Qin Wenyu personally taught her before she came here to take care of Arron: “Shaoqin doesn’t like women who are too submissive to her, that woman Suzi has never been submissive to Shaoqin! So you have to remember, you You have to refute him properly, rush at him, don’t be afraid that he will kill you or something.”

Hearing Qin Wenyu say this, Jin Meitian smacked her lips: “I... heard that he killed people like numb, I’m afraid...”

“I’m afraid of what he will do!” Qin Wenyu scolded Jin Meitian.

“He kills like hemp! But can he take care of it now? In the old man’s mourning hall, his wife and daughter have disappeared, so he can still take care of murder?”

Jin Meitian nodded: “Also...”

“So, at this time, you have to take advantage of people’s danger and when he is extremely weak, while refuting him, while comforting him, you must know how to use a woman’s tears when it is time to cry.”

“It’s not for you to cry tenderly, so he looks upset!”

“It’s the cry that makes you feel extremely wronged! Shen Weiyi has made you so wrong, you are naturally wronged, what kind of situation you are, just cry to Arron!” Qin Wenyu almost taught Jin Meitian by hand.

Jin Meitian was not a fool after she said so in detail, she immediately understood what Qin Wenyu meant.

It is to capture this man in a hard-to-find way.

Jin Meitian remembered it.

Therefore, at this moment, she cried and rebutted Arron emotionally.

She is not really hypocritical, but really aggrieved.

“I know, although I am the youngest daughter of the Jin family in Jingjing, I am nothing in Nancheng, I am not even a piece of shit in front of your daughter! Arron, you asked me to take your daughter out to play!

I’m not familiar with Nancheng at all!

I’m driving and your daughter shows me where I want to go!

But how did I know that a six-year-old girl could lead me into a stinky ditch!

She scare me with a human skin mask on her head!

Arron!

I was so frightened by her that she even drove the car into the stinky ditch, and I was covered in excrement and urine! When I was rescued, my whole body stinks, and I can stink ten miles against the wind!

When I got to the hospital, the doctors were unwilling to rescue me!

Wooohoo, I... After I was rescued from the hospital, I went to find your daughter as soon as possible, but I didn’t find it...”

Arron was stunned.

The wine also woke up a little: “You...really?”

“Woooooo...” Jin Meitian cried even more sadly.

“I called the police. The police all over the city are looking for your daughter again. I will come to you as soon as I come back, but you and I were so drunk that I told Mr. Fu and Aunt Qin Wenyu.”

“I have done everything I can, if you still think that I lost your daughter, you can kill me!

I can't resist you anyway! “

Speaking clearly, Jin Meitian turned her heart away and closed her eyes. Waiting for Arron to punish her.

After waiting for a long time, there was no movement, but I heard Arron laugh wildly: “Haha! Hahaha!”

Jin Meitian suddenly opened his eyes: “Mr. Fu, you...”

“My daughter will come back.” Arron said.

Jin Meitian sneered in her heart: This time, I'm afraid she won't be able to come back.

She just said this in her heart, but said in a perfunctory way: “I hope, I hope the only little princess of the Fu family can... come back, otherwise I won't be able to explain to you... “

However, Arron heard another sentence: “It's better if you don't come back!”

Jin Meitian: “What did you say?”

Arron didn't answer Jin Meitian's question, but looked at Jin Meitian coldly and asked, “Don't you want to take my wife's place?”

## Chapter 1944

Jin Meitian: "..."

She wanted to replace Suzi and become Arron's wife, but she didn't tell Arron her thoughts.

For a while, Jin Meitian didn't know how to answer Arron: "I..."

"Drink two with me." Arron said drunkenly.

Jin Meitian: "I can't drink..."

She could drink a little, but she didn't expect Arron to let her drink with him.

This is in the mourning hall.

Jin Meitian didn't know what to do.

She continued stammering, "I..."

"Sit down! Have a few glasses of wine with me!" Arron ordered again, and at the same time, he grabbed her wrist with one hand.

His hands were so strong that he clamped her like a pair of iron pliers, making her unable to move, but Jin Meitian was very excited.

Her wrist was finally pinched in her palm.

It feels different.

Jin Meitian's face turned red: "I... ok."

Although he was drinking with Arron, Jin Meitian didn't drink, it was Arron all the time.

He is really drinking.

Several bottles went down his face, and he drank all over the place.

Jin Meitian thought that Arron, who had been drinking, would do something extraordinary to her, which was what Jin Meitian was looking forward to.

However, Arron, who was so drunk, didn't say anything about doing anything with her, that is, he didn't even squeeze her hand.

He just lay crooked in the mourning hall, and there was a nonsense in the next life.

Jin Meitian was disappointed at first.

But, listening, she was happy again.

Arron kept mumbling: "You...you just don't explain to me that little bunny's evil deeds, I also know what that little bunny is like. It wasn't because of her, she...her mother was also taken away!"

Jin Meitian was a little stunned: "Fu...Mr. Fu, do you mean...the only little princess Shen?"

"You...you are different from other...women." Arron glanced at Jin Meitian.

Jin Meitian's heart suddenly felt sweet: "Fu...Mr. Fu, do you think there is anything...special about me?"

She thought that Arron would praise her for her beauty and good temperament.

After all, the girl from the Jin family has a high degree of studying abroad in a famous university. Her temperament, her appearance, everything about her, she felt that she must be more outstanding than Suzi.

Although Jin Meitian has never met Suzi, she does not know Suzi.

What does it look like.

But Jin Meitian heard about Suzi from Elma.

Elma's description of Jin Meitian is: "I used to be in prison, but I didn't graduate from college. When I was in Nancheng seven years ago, I was a little b!tch who was yelled at by everyone, but Suzi

There is a very big ability, that is, she is very good at seducing men.

I heard that seven years ago, many upper-class men in Nancheng were fascinated by her.

You know, she didn't even let go of her own cousin and uncle's cousin!

This shows how limitless this woman Suzi is. "

This is what Elma once told Jin Meitian.

Jin Meitian has since remembered that Suzi is not too outstanding in terms of appearance, and his family background is a mess.

However, Jin Meitian also heard that there is a very important reason why Suzi is so loved by Arron, that is, Arron's mother was on the verge of death at that time, and Arron was at the most vulnerable time.

And Suzi served Arron's mother very well.

Perhaps, in Arron's eyes at that time, Suzi was more special than others?

Now, she, Jin Meitian, must be ten thousand times stronger than Suzi, right?

"Mr. Fu, what do you mean? What's more special about me?" Seeing Arron tilting his head, drooping his head, and half-squinting, Jin Meitian's tone was a little coquettish.

## **Chapter 1945**

"Well...you smell bad." Arron was inarticulate.

Jin Meitian: "..."

“Under normal circumstances, women who stink like this and still... dare to appear in front of me are really not... not many... not many, yes .....

absolutely not. “

After speaking, Arron retched twice, and then he continued: “As long as the women I have met, when they see me, they are all dressed up, and the perfume on their bodies can smell ten miles against the wind. . Can make a person’s nose into an allergic nose.”

“But you...you...” Arron looked at Jin Meitian with unfocused eyes.

“You...you’re different, you’re the exact opposite of those women...this stench on your body...just the wind can stink for ten miles.”

Jin Meitian: “...”

At this moment, she wanted to cry.

Does she want to cry?

what!

The damn man!

If it were any man, Jin Meitian would want to use the soles of her high-heeled shoes to stab this man’s face hard, and pierce this man’s blood into a hole!

Can

This is Arron.

She dare not.

Jin Meitian looked at Arron, who was clearly praising her for being different from other women, but every word could pierce her heart. She really had nothing to do.

Very embarrassing.

But, she had to bite the bullet and listen.

“You are... the only... one who dares to smell bad and... appear in front of me.” Arron said intermittently.

Jin Meitian’s laugh is more embarrassing than crying.

Is this also special?

Should she be happy?

“And...and...my daughter is under-trained I know, but no one dares to say it in front of me, but you dare! You are...a brave one Woman.” Arron muttered crookedly.

When Jin Meitian heard this, she immediately became happy again.

She smiled and said, “Mr. Fu, you...you just don’t get mad at me. You...”

Speaking of which, she got closer to Arron, and the person became more gentle: “Mr. Fu, you can’t drink anymore, it’s bad for your stomach, besides, you are still here now. mourning...”

“Do you know?” Arron was stunned, his deep eyes half-opened and half-closed: “How lonely am I? I have never been recognized since I was a child, and I finally succeeded in the fight against my family. I need prestige! In the whole Fu family The group needs to establish prestige!

So, I must be in harmony with my husband and wife, you know? “

Arron’s last sentence was wine talk.

Others couldn’t hear it and thought it was stupid.

But the smart Jin Meitian understood.

It is often said that when you tell the truth after drinking, this is what you mean.

Arron has never told anyone what he has kept in his heart, and today, he was drunk, so he told the truth.

It is not difficult for Jin Meitian to understand the meaning of what Arron said, because Suzi was pregnant with Arron's child, so Arron must do everything possible to find Suzi and marry Suzi, and Arron did this for only one purpose, that is , to stabilize the heart of the Fu Group.

Because, the stability of the marriage of the highest authority in a group company can directly affect many large cooperation projects of the company.

If the highest authority of a group company is not a daughter-in-law in terms of marriage, the marriage is stable, and the style of conduct is upright, this will establish a positive image for the entire group company.

So, Jin Meitian finally understood. The relationship between Arron and Suzi was actually just a transaction.

Just a deal!

Ha ha!

"Mr. Fu, let me help you into the inner room to rest." Jin Meitian finally approached Arron with confidence and boldness.

Arron pushed her away, then pinched his nose and said with disgust, "You...you go away, you smell so bad!"

## Chapter 1946

Jin Meitian: "...'

I really hate the smell on myself.

Otherwise, Arron could be taken down today.

What Qin Wenyu said was right at all. Now is Arron's weakest and most empty moment. This is the best time to take advantage of the emptiness. Unfortunately, she smells bad.

hatred!

Hate the damn dead child Shen Weiyi!

Why not die!

I always thought that Arron liked this daughter very much, but now Jin Meitian suddenly figured out something. Why did Arron not let Shen Weiwei be named Fu, but let her take her mother's surname instead.

It turned out that Arron's mentality did not accept the child.

Aha!

Then she Jin Meitian is really going to be rude.

"You...go away! Your... stench is making me unbearable! Go...go away!" Arron fell to the ground on his back.

Jin Meitian did not dare to approach Arron again.

She got up and came out with something on her mind. As soon as she left the mourning hall, she saw two domestic servants from the Fu family.

"Miss Jin, young master... How is he, is he still drinking?" one of the domestic servants asked.

Jin Meitian nodded: "Yeah, this can...how is it?"

That tone, as if she was already the mistress of the Fu family.

Another domestic servant also sighed: "Hey, the fourth young master never wanted to come back to this place, and he didn't have much affection for the deceased old man, so... the fourth young master kept drinking and kept drinking. drink wine.

In fact, I can quite understand the fourth young master. After all, my wife is still in the hands of others, but I have to keep the spirit here, so the four young masters have been drunk for the past two days. Miss Jin, you are the only fourth young master willing to Those who are close, you must persuade the Fourth Young Master to stop drinking. "

"This will hurt the body."

Both domestic helpers put their hopes on Jin Meitian.

Jin Meitian was even happier.

She smiled gently: "Don't worry, I will definitely take good care of Shaoqin."

After saying that, Jin Meitian left.

Her pace is very fast and light, if it wasn't for the Fu family's old house covered in white clothes, Jin Meitian would even want to sing.

She briskly came to Qin Wenyu's room, Qin Wenyu was changing into white linen.

She can't stay in her room all the time, and she has to keep a watch.

Seeing Jin Meitian coming, Qin Wenyu was a little unhappy: "Didn't I ask you to accompany Shaoqin!"

Jin Meitian's expression was extremely excited: "Aunt Qin, I told you Gao News, you really said something right."

Qin Wenyu asked, "What's the matter?"

"You're right, Fourth Master Fu really doesn't like women who are too obedient to him. He praised me. She said that I was different from other women, that I was special, that I dared to talk back to him, and

he said that he would see There are more women who are obedient to him, and women like that will only make him sick.”

Jin Meitian didn't tell Qin Wenyu what Arron thought she was stinky.

She felt so stinky all over her body, it was too embarrassing.

Qin Wenyu smiled.

The smile was extremely confident: “Humph! I knew that he thought like this!”

After a while, she said, “How can there be a cat in this world that doesn't steal? How can there be a man who doesn't want a woman? Shaoqin just knows how to restrain himself. Besides, after so many years, there is really no woman who can enter. his eyes.”

“Like that Lanita, the whole fake, the lowly can't be more lowly, it's strange that Shaoqin can like Lanita!”

“And that Walton! He's also someone who wants to climb the Internet all day long! That kind of heart-to-heart, that kind of method, is simply Sima Zhao's heart and mind! How could Shaoqin look at such a woman with no personality? “

“It's only you, Mei Tian, you are a girl from the largest noble family in Kyoto, and you are different from those women. Just now is when Shaoqin is the weakest, you must seize the opportunity!”

Jin Meitian said immediately: “Well! Thank you Aunt Qin! I will!”

“Go!” Qin Wenyu's short words meant that Jin Meitian should leave.

## **Chapter 1947**

Jin Meitian immediately said obediently: “Okay, Aunt Qin, I'll go out first. If you have any orders, just call me, and I will listen to your dispatch at any time.”

The little princess of the dignified Jin family in Jingjing, in front of Qin Wenyu, ordered the soil and bowed her waist like a domestic servant.

However, Jin Meitian thinks she is worth it.

She happily walked out of Qin Wenyu's room, then took out her mobile phone and called Elma: "Sister Cunxin, where are you? I'm looking for you, and I have good news for you."

At the other end, Elma was taking a bath in the backyard of Fu's old house.

Qiu Cun's heart washed over and over again.

But there was still that strong odor.

Don't say that others smell it, you smell it yourself.

"I'm taking a shower, come here!" Qiu Cun said angrily.

"Okay! I'll be right here." Jin Meitian took it and walked straight to my backyard.

Not long after she left, the child Shen Weiyi followed him unknowingly.

Along with her were Galia and Rayna.

"Aunt Rayna, Aunt Galia, are you sure that this will save my mother?" Shen Weiyi raised his head and asked softly.

Rayna looked at Galia: "..."

She's a girl who can't make decisions.

If you let her be a little stupid and stupid, let her be a little b!tch and be so-so.

Let her come up with ideas, such a thing, Rayna can't do it.

All she can do is listen to Galia.

Galia looked at Shen Weiyi with a very determined expression: "Only, this is the fastest way! Only in this way can we rescue your mother more quickly, understand!"

Shen Weiyi nodded calmly and calmly: "Understood!"

She looked at Rayna again: "Auntie Rayna..."

Rayna smiled immediately: “The only one! You, Aunt Rayna, I have no other skills. I still have the shrew thing. With your Auntie Rayna here, Auntie Rayna can definitely help you have a big fight. Vigorous, everyone in the city knows it!”

Shen Weiyi: “Really?”

Rayna: “Must!”

Shen Weiyi suddenly felt relieved: “Then I went to find my father?”

“Go!” Rayna said.

Shen Weiyi trotted all the way to the mourning hall where his father kept the spirit.

At this time, there was still only Dad in the mourning hall.

Although the Fu family has a big business, it is also small.

The reason for this man’s thinness is all on Arron.

Seven years ago, the death of several of my half-brothers and the death of my second uncle and third uncle were all related to Arron.

So that, at this moment, he is the only one guarding the spirit here, Arron.

Shen Weiyi walked in lightly and whispered, “Dad...”

Arron suddenly came to the spirit: “Baby.”

The man’s eyes instantly turned red.

He put Shen Weiyi in his arms and asked softly, “Tell my father, how are you living with Aunt Galia and the others these two days and one night?”

After taking Shen Weiyi over for more than a year, Arron never let her leave him alone.

But now, with such a thing happening at home, the six-year-old child has prematurely undertaken many things that she should not have undertaken.

Not only that, but the six-year-old daughter is also very obedient and sensible: “Dad, Aunt Shanshan took good care of me, I helped Aunt Shanshan take care of her newborn baby, and Aunt Galia and Aunt Rayna took care of me. I went to eat delicious food.

In the evening, the two of them took turns telling me stories, and I was not afraid at all. “

Hearing her daughter say this, Arron suddenly hugged her daughter tightly: “Baby, you are grown up and sensible.”

### Chapter 1948

Shen Weiyi was leaning on her father’s arms, and she looked at Arron with anticipation: “Dad...”

She was only halfway through when she was cut off by Arron. Arron was helpless to his daughter’s mouth, and then said very firmly: “Yes! We can definitely save your mother! Who is your mother!”

Thinking of this, Arron’s eyes showed an incomparably gentle light: “Your mother looks silent, very weak, and rarely quarrels with others,

not at all aggressive, in fact, your mother is the most difficult to deal with. people.

What do you think, Dad, I am a capable person. In the end, I was not obedient by your mother, like a soft persimmon?

In order to avoid your father's pursuit of her, your mother took you and your uncle abruptly and fled for six years.

In the past six years, she was a woman, and she never thought about retreating or dying.

More so now? “

Shen Weiyi looked up at Arron: “Dad, now...is it better than six years ago?”

“It's worse than that.” Arron said.

Shen Weiyi: “Isn't that mother...”

“Your mother won't die.” Arron said with his mouth open.

After a pause, he let out a long breath, and then said to Shen Weiyi in a very firm tone: “Your mother had only one child of you back then, but now, she has two children, and she has your grandmother now. .

If she dies, what will happen to you, your siblings, and your grandmother?

Your mom thinks about this all the time.

Therefore, even if the environment does not allow it, she will do everything possible to survive.

Your mother was never a seeker of death! “

Shen Weiyi also nodded firmly: “Well! My mother must be fine! But Dad, we have to save my mother as soon as possible.”

“As soon as possible!” Arron also said.

When I thought of saving my mother as soon as possible, I had to think about how to make the trick more realistic.

As soon as he thought of acting, Shen Weiyi suddenly became worried.

She didn't come back for two days and one night. What if that woman named Jin Meitian did a fake show with her father?

Ah bah bah!

Absolutely not!

Dad is not like that!

But, even if it's not a fake show, Shen Weiyi feels disgusting whenever that woman dares to get close to her father! Shen Weiyi also wanted to cut that woman into eight pieces!

Mom is not by Dad's side, she is the mother's steel guard!

Shen Weiyi absolutely does not allow any woman to have any idea about her father.

snort!

Thinking of this, Shen Weiyi looked at the old father very rudely: "Dad! That woman Jin Meitian, did she approach you!"

Such a tone of interrogation made Arron, who had been sad for a few days, laugh. He teased his daughter: "Little bunny, you didn't count it up, do you want your father to seduce Jin Meitian with a handsome man?"

Shen Weiyi: "..."

After choking for a long time, she didn't know how to answer the old father.

After a long while, she said unreasonably: "That's not good! It's not good! That woman dares to approach you..."

Before she could finish her words, Arron pinched her daughter's nose: "You bad bubbling child! You have tricked that woman into a stinker, and she stinks all over her body and can stink ten miles against the wind. Near Daddy?"

"Haha!" Thinking of this, Shen Weiyi leaned forward and backward with a smile.

At this moment, the father and daughter temporarily forgot the pain of losing their mother and wife.

After laughing, Shen Weiyi felt sorry for his father again: "Dad, you pretended to be drunk in the past two days, and you must have drunk a lot of alcohol. Mom is not by your side, and I am not by your side these two days. How much alcohol have you been drinking, Dad? ?"

Arron smiled at this little master-like child: "Dad has anti-drinking medicine."

He is a very drinkable man.

In the past, when he was in his twenties, he compared his drinking capacity with others abroad. With such a strong wine, he could drink ten strong men down by himself.

Later, after taking charge of the Fu Group, Arron rarely touched alcohol.

After all, wine is a thing, even if it is not easy for him to get drunk, it is a mistake.

## Chapter 1949

Therefore, Arron rarely drinks alcohol.

In order to make his decadence look more like Rong Jin, he can only drink.

Fortunately, the drink is still there.

Just a little drunk.

Fortunately, Arron asked Christopher to prepare a hangover medicine in advance.

So, he's fine.

It was the six-year-old's concern for him that warmed Arron's heart.

Still have relatives.

In the past, except for the mother, are the rest of the people considered relatives?

In the entire Fu family's old house, although everyone has a strong blood relationship with him, grandfather, grandmother, father, but none of them are true relatives in Arron's heart.

Especially his own father.

After all, the only one can be regarded as Fu Zhengxiong's granddaughter, but Fu Zhengxiong used the kindness of the only and Suzi to deceive the mother and daughter, which led to Suzi being held hostage this time!

Thinking of this, Arron will not talk about his love for Fu Zhengxiong and his son for his father.

He just hates it!

Hate father, very this family!

Hate everyone in this family!

Including the one who is now dead and lying in the coffin, grandfather Fu Hengsheng has never seen Arron much since he was a child, and even once did not admit his place.

But grandpa's purpose is very clear, that is, your mother is not married to your father, and if I even admit it to you, I will hurt your aunt.

Our Fu family's house rules are so strict!

Women who hang out outside must not be brought into the house! I can't compete with a real wife for a lifetime!

Even if you have a child, don't delusionally think that the mother is expensive by the child!

Even if you have a son, don't think about inheriting the Fu family's property, let alone the property, even if you have a family, don't even think about entering the Fu family! Even if the surname is Fu, it depends on whether the old man agrees or not!

At that time, Arron was under such humiliation, and his surname was Fu.

At that time, Arron did not want to be named Fu either.

He wanted to follow his mother's surname Xia, but her mother told her very gently: "Qin'er, you have to remember that even if everyone in the Fu family doesn't recognize you as a Fu family member, the blood in your bones is the Fu family's blood. So the family has a big business, and there is also a credit for my mother.

For the Fu family's property, you don't want it for nothing.

That's what you deserve.

However, if you don't even have a surname Fu, who will believe it when you go back one day to fight for the piece of property that belongs to you?

Besides, it's just a surname. You are originally a person with the surname Fu, why not?

You have to have an upright surname Fu! "

This is what my mother taught Arron.

Her mother's poor life was paving the way for Arron. In Arron's heart, she was only a relative before.

After his mother died, his relatives were Shen Xianghe and the only one.

As for the rest of the family, Arron can be completely ignored!

Even those who are now in coffins.

Now the grandfather lying in the coffin can only be a prop for Arron to rescue his wife.

While holding his daughter, he said to Fu Hengsheng in the coffin in his heart: "Grandpa! I'm sorry! You have been popular for a hundred years, but my wife is still suffering, not to mention her What I have in my stomach is the blood of the Fu family!"

Rescue his relatives is the most important thing Arron has to do at present.

"Father will definitely save mother, and our family of three will never be separated again." Arron said firmly.

"Yeah!" Shen Weiyi nodded.

Then, she slyly said: "Dad, let me see if that woman has taken a bath."

### **Chapter 1950**

Seeing this little expression of Shen Wei, Arron wanted to laugh.

Her daughter was born with a lot of scheming and scheming, and her heart was full of people's thoughts. With the help of Shen Weiyi by her side, Arron felt a lot of relief.

He gently said to Shen Weiyi: "Go, but you have to promise Dad, you can't do it too much. Then if you stain those two women with stink, Dad will also be smoked. "

"Humph! Next time I'll deal with that woman, I'm sure I won't use the method I did last time. But today I won't go too far, because today I have a helper who is even more extreme than me." Shen Weiyi said to his father. grimaced and ran away.

The little girl ran to the backyard of Fu's old house.

Shen Weiyi didn't come to the old house very often. In the past two years, she has come here four or five times in total, and each time is so unpleasant, but only these four or five times are enough to make Shen Weiyi come. The children are very familiar with the front and rear structure of this house.

When her small body was running in the house, many domestic servants in the house could see it.

Some domestic servants couldn't help sighing: "Hey, poor child, this is the only great-grandson of the serious Fu family. Why don't you welcome the master and wife?"

"Yes! I think the little princess is very cute and so beautiful. Why doesn't the lord like her?"

"Because of her mother."

"No, I think it's because of the wife." Another maid said very carefully.

Her voice was so low that almost no one heard: "The fourth young master is not the biological son of the wife, and the wife certainly does not regard the little princess as her own granddaughter. The wife does not care about the life or death of the little princess, so the wife I urge the master to make the master also not want to see the little princess."

"Oh, what a poor child."

The two were talking when Shen Weiyi came to the front, and she called sweetly, "Sister, are the two bathing elder sisters still in the backyard?"

The two domestic helpers were instantly flattered when they saw the little princess calling them sister so sweetly.

One of them immediately said: "Here, I'm taking a bath, little princess, what are you doing to them?"

Shen Weiyi's expression changed suddenly: "Well, I heard... that sister named Jin Meitian, she will be my father's girlfriend in the future?"

Domestic helper: "..."

In the past two days that the fourth young master was keeping the spirit at home, they had also seen some clues.

This woman named Jin Meitian has been stuck with her all the time. There is a funeral in the family. Are you embarrassed to disturb me here? But the woman was kind.

Not only was she embarrassed to stay at the Fu family, but she also approached Fourth Master Fu from time to time.

Everyone knows what the heart of this woman is.

Isn't it because the young lady is not at home recently, and this woman wants to take advantage of it.

hateful!

When the two domestic servants saw the frustrated smiling face of the little princess, they really didn't know how to comfort her. The small appearance of Shen Weiyi at this moment was really pitiful.

No one would know, in fact, Jin Meitian, this little unlucky ball, was almost killed by Shen Weiyi's children's shoes.

Shen Weiyi clenched her small fists, and there were big tears in her eyes. She choked and said, "I must beat that woman down! Humph!"

When the domestic servant heard this, he immediately panicked: “Little princess, don’t be stupid, you are still young, you can’t beat her at all, you have to learn to keep a low profile, understand.”

“No! I just want to beat her to the ground!” After that, Shen Weiyi ran away crying.

The two domestic helpers behind them couldn’t help but sigh: “Hey, poor child, if I see someone blatantly taking my mother’s place, I want to tear that woman to shreds!”

## Chapter 1951

“What should I do? If the little princess fights with that woman, the little princess will definitely suffer.” At this moment, the two maids were fooled by the tears of Shen Weiyi’s children’s shoes, and they were all worried that Shen Weiyi would not be able to fight again. Jin Meitian.

They simply forgot that this was the Fu family.

There is also Fourth Young Master Fu here, who would dare to touch a hair on the biological daughter of Fourth Young Master Fu?

These two little maids were properly deceived by the pitiful performance of the little liar Shen Weiyi.

The visitor watched Shen Weiyi run away with incomparably sympathetic eyes, but the two maids actually counted up alone.

“We have to unite with those domestic servants who usually sympathize with the little princess and the young lady, and we have to unite to protect the little princess!”

“Yes! The little princess must be protected! The whereabouts of the little princess’ mother are unknown. Now in the Fu family’s old house, even a woman outside dares to bully the little princess. The little princess is too pitiful!”

“Send a text now! Those old people in the old house of the Fu family, the old man’s confidant, and the old man who used to be with the old man, we will not contact us anymore. We will only contact the young

ones. Later, we will see if the little princess is really with the man named Jin Meitian. The woman started fighting! I just rushed forward!”

“Come on! Protect the little princess!”

“Damn it! It’s a big deal, don’t work!”

“go!”

Both domestic servants are young, but very loyal.

After a while, they had already united with several domestic servants who supported the little princess. When they didn’t contact them, they didn’t know, but only after they contacted them did they know that in this rotten Fu family mansion, there had long been a great number of people. Some people have the young lady and the little princess in their hearts.

They all agreed that as long as the little princess suffers, these domestic servants don’t want this job, and they must think about the woman Jin Meitian!

By the way, the woman named Elma was also cleaned up.

The two women look disgusting!

What’s the matter with the Fu family’s old house?

Better get out early!

At this moment, the Fu family servant’s private thoughts and plans, Shen Weiyi child did not know at all, the reason why Shen Weiyi child pretended to be pitiful in front of the housekeeper just now was because he was indeed a poor baby.

She didn’t need to brew too much, and big tears could be squeezed out of her eyes.

Both, Shen Wei’s main purpose is that when Aunt Rayna acts like a rogue in this house, these domestic servants will take her poor Shen Wei’s sake and know that Aunt Rayna is Help her Shen Weiyi, so those domestic servants will not listen to the old witch Qin Wenyu and do something to Aunt Rayna.

This is Shen Weiyi's calculation.

She had no idea what to do with the domestic helper.

She only wanted this, the domestic helper could not do it.

Shen Weiwei felt that her performance just now was very good, and the domestic servants will definitely sympathize with her. She happily hummed a song and ran to the place where Elma and Jin Meitian were bathing.

Before he got to the front, Shen Weiyi's sharp eyes found that Elma was holding a mobile phone and sneaking to the north of the back garden.

That is the most northerly part of the Fu family's old house. If you go further north and climb over the wall, you will find the back mountain. That place usually doesn't even go to the family's domestic servants. What does Elma go there?

Shen Weiyi's nimble little body followed quietly and walked into a secluded corner. Shen Weiyi heard Elma's extremely excited voice: "Hey, is that Ying Ming Ying Ming? I'm Qiu. Cun Xin, I have very good, very good news to tell you."

Shen Weiwei outside the corner: "..."
