Chapter 1952

The name Yingming, Shen Weiyi heard from Uncle Christopher and Uncle Jun in the past few days.

Shen Weiwei knew that the Ying Ming in Qiu Cun's heart was an enemy of his father, as if his father had a grudge against this man named Ying Ming in order to help Uncle Jun.

This time, Ying Ming took advantage of that stinky fourth uncle and kidnapped his mother, and then wanted to use his mother and fourth uncle, and then his father.

But no one thought that this damn Elma would actually hook up with Ye Yingming.

It's all bugs!

bed bugs!

“Humph! Look at my father if you don't blow up your heads one by one!” Shen Weiyi clenched his fists resentfully.

She is not afraid at all.

As long as it is her father's enemy, she will stand on a united front with her father, and will always be outside!

snort!

Shen Weiyi took care of his thoughts and listened to Elma's call carefully and silently.

At that end, Qiu Cun was unaware.

The enchanting tone of her speech made Shen Weiyi get goosebumps: "Master Ying, how are you recently? I want to report an important situation to you."

"Well, let me tell you, good news, hehehehehe

."

"That's right, just last time, Miss Lenny told you about the plan, let Miss Jin come forward and hook up with Arron. Now Miss Jin is not only successfully returned from abroad by my persuasion, she Now he has successfully entered Arron's life."

"Hi! The eldest lady of the Jin family is the eldest lady of the Jin family. She is indeed a first-class lady from a famous family in China. It is indeed unusual."

"As soon as Miss Jin made her move, Arron looked at her with admiration."

"You also know that Arron is not close to women, especially after he has Suzi, he treats Suzi as a treasure. Jin Meitian couldn't get close to Arron at first, but I am very capable. ..."

Elma did not forget to praise Ying Ming on the phone and show off his credit.

She had known Ying Ming five years ago.

That time, it was at a dark reception abroad.

Elma was still majestic at the time, but she met Ying Ming, who went to grab it that night.

Originally, all the people at the dark party were a bit of a background, such as Elma, although she was a girl, she coughed, and a bodyguard would follow her.

However, even such a dark party, it was robbed by a scumbag like Ying Ming, who was stern and hot, and didn't tell the way.

Ying Ming not only robbed money.

He also robs.

Moreover, it also robs beauty.

Elma was no exception.

However, that day, Ying Ming did not take the initiative to reboot Elma.

Because he saw Elma's arrogant look of not knowing where he was, he was afraid that if he hit Elma, Qiu Cun's heart was arrogant like a flower peacock for one second, and the next second he was kneeling and begging for mercy, Ying Ming did not want to see such a woman.

He's used to it.

Nausea.

Besides, looking at Elma's arrogant appearance on the surface, and his winking eyes, Ying Ming was even more disgusted by this woman.

Elma didn't look at Elma at all.

Ying Ming didn't even spare a milf who was cleaning the toilet at the dark party that day.

The only thing that didn't stain Qiu Cun's heart.

"Go away!" Ying Ming said to Elma coldly after finishing the work.

Chapter 1953

Elma suppressed his jealous voice and asked Yingming: "You have used all the women in this fight, why did you just let me go?"

Ying Ming: "Because you have the same yellow skin as me and speak the same native language. I, Ying Ming, haven't lost my mind yet, I even eat grass by the side of the nest, get out!"

Hearing Yingming say this, Elma suddenly became angry: "I don't! I just want you to go to me!"

"Why can you look down on a forty-year-old woman who sweeps the floor, why can't you just look down on me?" Qiu Cun looked at the old woman in Ying Ming's arms with disgust.

Ying Ming sneered: "Old woman? Forty-year-old youngest?"

"Forty-year-old women know men best, they are mature in all aspects, and they are the most flavorful. What about you? What do you have? You are nothing but coquettish and cheap. You have nothing!"

Yu Bi, Ying Ming didn't even look at Elma, turned around and left.

"Wait!" Qiu Cun shouted angrily behind him, but Ying Ming still didn't look back.

Qiu Cun's heart exploded with anger.

Ying Ming is tall, handsome, mighty, and so brave, but she doesn't like her Elma!

How can this be!

She dashed over, stopped Ying Ming, and threw herself up, kissing and biting, and forcibly undressing.

In the end, Ying Ming got angry and pushed her to the ground, making her lie down like a dog.

At that time, Qiu Cun was extremely satisfied.

I really want to follow Ying Ming's meaning of wandering the world.

However, Elma is Elma.

She couldn't let go of her own glory and wealth.

Anyway, she already got it once. Besides, a desperado like Ying Ming will die at some point, but she hasn't lived enough yet.

That time, after Ying Ming left, Elma never saw Ying Ming again.

Seeing Ying Ming later was a while ago.

Knowing that Yingming was coming to Pan Haoyang's island, it was Pan Haoyang who told her. At that time, Qiu Cun was very excited. She knew that Yingming was a desperado, and later she also learned about the grievances between Yingming, Arron and Kraig. .

Therefore, it is the best to cooperate with Yingming.

In this way, he could retaliate against Pan Haoyang and let Pan Haoyang die without a burial.

He can get revenge on Arron and Kraig.

It was so good.

And just now, when she and Jin Meitian were taking a bath together, Jin Meitian told her something about Arron.

It turned out that Elma didn't know until today that the reason why Arron likes Suzi and the reason why Suzi is a treasure is that! It turned out to be to maintain the image of the Fu Group.

When he was still drunk, he confided to Jin Meitian that he didn't like Shen Weiyi very much.

Ow!

Qiu Cun felt as if she had obtained a treasure, and immediately said that she felt unwell and got out of the bathtub ahead of time. She just wanted to tell Ying Ming the good news.

"Let me tell you, Master Ying, although Arron likes Suzi and whether he likes his biological daughter has nothing to do with you, but I have a very important observation to tell you. Depressed, he drank too much, and he was so drunk. Both, when he lost Suzi, he was slowly accepting Jin Meitian."

“How about this, is my news still helpful to you?”

“Haha, it’s good to be helpful. If you help me, I will continue to observe secretly. If there is any trouble here, I will report it to you as soon as possible.” Qiu Cun reported respectfully.

After closing the line, she happily came to the place where she and Jin Meitian took a bath: “Meitian, have you washed it yet?”

Jin Meitian is spraying perfume on herself desperately.

After spraying it, she blushed and said, “Sister Cunxin, can you still smell the stench on my body?”

Elma and Jin Meitian both smell bad, so they can’t smell each other. Elma sniffed Jin Meitian: “It smells so good, this perfume...”

“This is a perfume that Suzi often uses.” Jin Meitian said.

Chapter 1954

Qiu Cun was stunned for a moment.

Then he was jealous and asked sarcastically, “How did you get Suzi’s perfume?”

Jin Meitian's face was full of anger that couldn't be hidden: "Although I got a stink all over, but when I was with the immortal little nerd that day, I asked something useful."

"What!" Qiu Cun asked heartily.

"That's the brand of perfume that her mother often used." Jin Meitian showed off her tone.

Elma: "..."

When I called Jin Meitian here, I thought she was a nerd, an antique.

Now I find that it doesn't seem to be.

This woman is also sassy in her bones!

However, this is fine. If Jin Meitian can succeed, Arron will provoke Arron, let Arron obey her words, and then fool Arron into not doing his job properly. Since then, he can slowly lead Yingming's forces to Nancheng.

At that time, Ying Ming and Lenny's father Jun Chengyin will cooperate, and they will definitely bring down the two iron buddies Arron and Kraig!

"Okay, it's very good, it's very fragrant, let's go, now the fourth Master Fu needs you the most, eh, I told you Mei Tian, when you marry Shaoqin one day, remember to send me a wedding candy. "

"Hey, people will be shy." Jin Meitian said hypocritically.

Glancing at Elma, she added vaguely: "Our family Shaoqin has a great wealth, the king of Nancheng, when Shaoqin and I get married, he will definitely have a big banquet. The wedding candy for you, no, it should be chocolate, it must be the best chocolate in the world."

Seeing Jin Meitian being embraced by happiness, Qiu Cun felt like a knife in his heart.

It was she who brought Jin Meitian here, originally to help herself.

Look at Jin Meitian's coquettish look now!

Do you think you can really be Arron's wife?

Pooh!

A short-lived ghost!

snort!

Qiu Cun scolded Jin Meitian secretly in his heart, but on the surface he remained calm: "Go, see if Fu Sishao is sober?"

When it comes to Arron's wine strength, Jin Mei is mixed.

The happy thing is that Arron confided the truth to her as soon as he drank, but the worry was that Arron always thought she smelled bad when he was drunk.

Jin Meitian smelled the perfume on her body again, and she not only gained a little confidence in herself, she walked briskly to the front hall of the Fu family's old house.

The front hall is where the ice coffin of Mr. Fu Hengsheng is placed.

There has been an endless stream of people who came to offer condolences these two days. When Jin Meitian passed by these people, these people couldn't help but say, "It's so fragrant."

so fragrant?

Jin Meitian's heart became more and more happy.

The odor was finally removed.

what!

Her pace was faster, and she couldn't throw herself into Arron's arms now.

Arron's wine should not wake up, right? Going to him now, he will smell the perfume on her body and feel familiar, maybe he will immediately put her Jin Meitian in his arms.

Jin Meitian didn't mind, Arron asked for her in front of the mourning hall.

If she can win the bid at one time, she Jin Meitian can be expensive.

With such a sweet dream, Jin Meitian also came to the front of the mourning hall, and was about to enter, but saw the condolences forming a long line and bowing.

Frightened, Jin Meitian quickly hid aside.

Inside, Arron was not as drunk as he was before, he was barely able to support himself and greeted the guests.

It's just that the smell of alcohol is everywhere in the mourning hall.

Someone couldn't help pinching their nose.

As soon as the worship came out, someone whispered: "Hey, it's really not easy for the president. At the critical moment when his wife was kidnapped, he couldn't save his wife, but he had to stand here every day. Got it?"

"But, it's his own grandfather who died now, and he can't..." Someone whispered.

Another person sneered: "My grandfather? Is this my grandfather kissed? Since I was a child, my grandfather never loved this grandson, until the grandson took over the Fu Group company. Do you have any feelings?"

Chapter 1955

"That's right, it's really hard for the president."

"This old man doesn't die sooner or later. Why did he die at this time?"

"so!"

"If the rescue of the president's wife is delayed because of the funeral of the old man, the president will really be decadent in this life..."

"No one of us outsiders can comfort President Fu."

“Hey.....”

The Commission for Discipline Inspection came to offer condolences to several high-level decision makers of the Fu Group, and they were also Arron’s confidants, so they understood the bitterness in Arron’s heart best.

Their conversation went further and further along with their pace.

Listening to this while hiding, Jin Meitian was simply overjoyed.

Chance!

It’s really when she was Jin Meitian.

Jin Meitian took brisk steps and entered through the side door.

“Four young masters...” Jin Meitian shouted gently.

Arron turned his head and saw Jin Meitian with a rosy face: “What are you doing here!”

Obviously, he is more awake than before.

Jin Meitian was stunned for a moment: “Fourth Young Master...No...I’m sorry, you were drunk earlier, I was very worried about you, I was afraid that you would vomit again when you were drunk, so I came over to have a look. , to see if you need my help.”

Arron: “...”

“Although our Jin family and Fu family seem to have little communication, 30% of the household needs used by the Jin family are provided by the Fu family, which our Jin family has always been grateful for. We are very saddened by the death of Grandpa Fu. , but I...” Having said this, Jin Meitian hesitated for a moment.

She was observing Arron’s expression.

Arron was expressionless.

Jin Meitian continued to speak boldly: “But... I know you must be very worried about your wife, Fu Sishao, I mean, do you need my help? ?”

“Although I’m a woman, I’d love to do something for you, I...” Jin Meitian’s tone paused again.

She said as if she had made up her mind: “I don’t ask for anything in return. I do anything for you voluntarily and for free.”

After speaking, Jin Meitian blushed.

She thinks her acting skills are really good.

No!

She should not be acting, she is speaking the truth.

She is really willing to do anything for Arron, and whatever she said in her heart is actually, even if she makes Arron a bed warmer, she is also willing.

Very willing to.

She blushes at the thought of bed warmers.

Ha, the effect must be very good.

Jin Meitian blushed, looked at Arron timidly, and did not approach Arron.

She is very sensible and self-aware.

Arron suddenly said, “Come here.”

“No!” she said firmly.

Arron looked at her with inquiring eyes: “What’s wrong?”

“You...you think I stink.” Jin Meitian’s eyes were filled with tears.

Arron: “I’m sorry.”

Jin Meitian: “...”

She did not expect that dignified Arron apologized to her. Her tears came down suddenly: “Four young masters...”

“Come here.” Arron shouted.

Jin Meitian’s heart burst out with joy, she wished she could throw herself into Arron’s arms, but she was still timid and walked towards Arron with tears.

“Goblin! Bad woman! Stay away from my father!” At this moment, there was a sudden explosion behind him.

Chapter 1956

It was a sharp childish voice.

Although it was a child’s voice, the voice was domineering and unreasonable.

The voice made Jin Meitian turn around in fright and look at the source of the occurrence.

Just at the side door where she came in just now, the only child Shen was akimbo, grinning at Jin Meitian.

Jin Meitian took two steps back in fright, and just put it on Arron’s body. Arron raised his hand to support Jin Meitian.

Ow...

Jin Meitian’s whole body was numb.

I have always wanted to have close contact with Arron.

Two hours ago was a very good time, but when Arron was drunk, he thought she smelled bad.

But now, she was inadvertently frightened by the poor child Shen Weiyi, and fell into Arron's arms.

Being embraced by Arron's steel-like arms, his heart was really softened into a puddle of mud.

Not only that, Jin Meitian also looked at Shen Weiyi with provocative eyes.

After the provocation was over, she screamed and screamed straight into Arron's arms: "Ah, ghost, ghost... Four young masters, I'm afraid... I'm really afraid... You don't know that your little princess...the day before yesterday, the personal leather mask she was wearing scared me...it fell directly into the stinky ditch."

"Jin Meitian, you bad woman! Leave my dad's side! Leave! If you don't leave, I will let all the domestic servants in my family beat you! Humph!" Shen Weiyi roared with his hips on his back.

She roared and cursed in various ways: "You witch who crawled out of a stinky shit pit!"

"Why didn't I scare you to death that day! You can still climb up by yourself!"

"You are a human or a ghost! Say, did you crawl out of the stinky shit hole by fooling around!"

"Say it!"

"You smell the stench on your own body, you are worried! Get out of here!"

Jin Meitian was so angry that tears fell.

Arron, who was behind him, also roared coldly: "Shen Weiyi! You are so presumptuous! Where have you been these past two days! Did you get Aunt Jin Meitian into a shit hole!"

“Yes!” Shen Weiyi admitted without hesitation.

“Apologize to Auntie!” Arron ordered.

“Humph! Why am I apologizing to her! She told me in the car that she wanted to take my mother’s place and be your wife! It’s a bargain for a woman like me to get her into a shit hole!”

“You! What nonsense are you talking about!” Arron looked at Shen Weiyi angrily.

Seeing Arron’s expression, Jin Meitian cried even more aggrieved: “Fourth Master Fu, do you believe my mother when I say it? You definitely don’t believe me, but even if you don’t believe me, I have to say that it’s your daughter and me. Discuss, let me be your girlfriend!”

Arron: “What?”

“She also said that because she was worried about other women taking her father away, she asked me to temporarily be her father’s girlfriend for a few days, and when her mother came back, let me return her father to her mother! She was at that time. That’s what I told me, I didn’t lie a word!” Jin Meitian looked at Shen Weiyi with incomparable resentment.

Anyway, she heard Arron tell the truth after drinking.

She had already sighed that deep down in Arron’s heart, she actually didn’t like this daughter very much.

Anyway, she didn’t lie in front of Arron, that’s what Shen Wei told her at that time.

“Humph! I was testing you! I was testing to see if you really wanted to be my dad’s girlfriend, and who knew that you agreed! That’s why I put you in the shit hole. You are so stinky, my father doesn’t want you! Get out of the way!” Shen Weiyi was not afraid of Jin Meitian’s spoofing at all, and still scolded Jin Meitian with his hips on his back.

Jin Meitian cried aggrieved: “Fourth Young Master, look...”

“Shen Weiyi! You are too much!” Arron suddenly shouted angrily.

Chapter 1957

Shen Weiyi suddenly cried: “Dad, my mother was kidnapped, not dead, you don’t want to save my mother, are you playing with women here?”

“Look if I don’t kill you!” Arron pushed Jin Meitian away and walked towards Shen Weiyi.

Shen Weiyi didn’t move, and looked at Arron with tears in his eyes.

Arron walked up to Shen Weiyi, and before his raised hand came down, he heard an angry shout: “Arron! You beat your daughter for an outsider! Do you think you will be lawless without Suzi!”

“Do you think that Shen Weiyi has no backer!”

“I told you Arron! Others are afraid of you, but I, Rayna, are not afraid of you! If you dare to hit Shen Weiyi all of a sudden, I’ll bite you to death!” I don’t know when, Rayna was already standing in front of Shen Weiyi.

With her akimbo on her hips and her glaring eyes wide open, she really looked like a tigress.

But, God knows this moment, Rayna’s frightened calf softened.

She said that she was not afraid of Arron, but she was the woman most afraid of Arron in this city.

Rayna usually saw that Arron was the most cowardly one, so he was too scared to speak.

But at this moment, in order to act like a trick, she really gave up. In order to overcome the fear in her heart, Rayna’s voice was louder, more like a tigress.

While scolding Jin Meitian, Rayna called out in his heart: “Galia, you damn girl, come here quickly, if you don’t come to support me, my legs will be paralyzed.”

Rayna just thought about the changes in his heart, when Galia had already come to Rayna.

She stood on one leg next to Rayna, then akimbo, like Rayna, glared angrily at Arron and Jin Meitian: "Arron! Shen Weiyi has an aunt! Although her mother is not by her side, she My aunt will protect her!"

"You... Who are you?" Jin Meitian had actually thought about who the two women were in front of her.

She heard Elma say it.

Elma hated these two women deeply.

When I saw these two women, I wished I could strip them alive.

"Who are we?" Rayna sneered: "For you, we are the ones to tear your face off today! We tear up your face for you, let's see how you will seduce men in the future!"

With Galia backing him up, Rayna was no longer afraid.

She raised her eyebrows and squinted at Jin Meitian, and for a moment, she really made Arron laugh angrily.

This little girl!

He is indeed a diehard fan of Suzi.

Arron suddenly shouted angrily in a low voice: "Presumptuous!"

The frightened colleagues Rayna and Galia shivered.

Shen Weiwei, who was behind him, was frightened and froze for a moment.

"What do you think of this place? It's even being thrown here! Do you think I, Arron, made a mess!" Arron's voice was not loud, but every word contained unparalleled murderous aura.

Jin Meitian, who was listening, couldn't help shivering.

But she was afraid, but she was happy in her heart. After hearing Elma say that the two women in front of her had beaten Elma two or three times, this time Jin Meitian had to call Elma over and let Elma see these two women. 's fate.

Haha, 80% of these two women will die today.

Calling Elma over to be happy was considered a favor to Elma, and he also let Elma take a look at her, Jin Meitian was making progress in front of Arron.

So that Elma doesn't underestimate her Jin Meitian!

Thinking like this, Jin Meitian turned around quietly and sent a text message to Elma: "Come here, there is a good show to watch!"

Chapter 1958

At the other end, Elma was taking himself seriously and accompanied Fu Zhengxiong and Qin Wenyu at the door, and Elma also showed great filial piety, and received the guests who came to express their condolences.

It looked like she was really the granddaughter of the Fu family.

After receiving the text message from Jin Meitian, Qiu Cun felt a little unhappy.

She was jealous and sneered in her heart: what a good show to watch!

It's nothing more than that you have gained Arron's trust!

Look at the fart!

Qiu Cun replied angrily, "No time!"

At the other end, Jin Meitian replied quickly: "If Arron is teaching those two women who have beaten you several times, don't you look at it? And that little immortal thing, she actually came back!

She is still alive! But Arron is also angry with that little immortal! "

Looking at the message on the phone screen, Qiu Cun was stunned.

Immediately afterwards, she whispered to Qin Wenyu.

Qin Wenyu was stunned at first, and then his face was very ugly.

"What's wrong?" Fu Zhengxiong asked.

Qin Wenyu's face was drawn for a long time: "Your extremely naughty granddaughter who hates you so much, is back! She is really capable! She is only five or six years old, but she can find it back! It seems that Not a simple character!"

After Fu Zhengxiong heard it, he first breathed a long sigh of relief, and then he asked in shock, "You're back? How did you get in? We... why didn't we see it?"

Qin Wenyu sneered: "I told you a long time ago that your own granddaughter and that Suzi are not good people, you are always kind and soft to them, you see, a five- or six-year-old child, we all thought she was lost. She will never come back, but not only did she come back, we don't know when she slipped into the house.

This is not the most important, the most important thing is that she also brought two helpers.

It's that incomparably pungent daughter of the Min family, Rayna!

There is another colleague who seems to be Suzi.

Their courage is so big! How dare you come to the old house to make trouble! "

Fu Zhengxiong gritted his teeth angrily when he heard this: “Go, go and have a look! You can’t spare them lightly!”

Originally, there was still a trace of heartache for Shen Weiyi in my heart, but when I heard that Shen Weiyi brought two outsiders, and they were all shrews coming to the Fu family’s old house to make trouble, Fu Zhengxiong Xin’s heartache disappeared.

What’s more, Fu Zhengxiong just heard Elma say, it seems that Shaoqin doesn’t like Shen Wei very much in his heart.

Since his son doesn’t like Shen Weiyi, he, as a grandfather, can’t talk about liking and distressing.

Fu Zhengxiong and Qin Wenyu angrily walked towards the mourning hall. Originally Elma was following behind, but her legs and feet were faster than Fu Zhengxiong and Qin Wenyu, so she said, “Godfather and godmother, I Go take a look first!”

“Okay! You go first!” Qin Wenyu said.

Elma immediately trotted all the way to the mourning hall.

As soon as she entered the side door, she heard a quarrel.

It was Rayna’s shrew’s voice: “Arron! It’s no use yelling at the old lady! The old lady is not afraid of you now! The old lady is no longer the old lady!”

Rayna was an old lady, speaking very smoothly.

She looks like a typical street shrew: “I tell you! I’m also Darius’s cousin! My fiance Jun Ruian is also from Jing Jun’s family! I’m no longer that hillbilly Rayna!

Suzi is my friend!

She taught me a lot. Like my master, I don’t have many friends in my life, so I must bring Suzi to justice!

Arron, don’t think I don’t know what you’re thinking!

Don’t you just want to dump the only and Suzi! “

Having said that, Rayna was even more angry: "I heard Suzi say it a long time ago! The reason why you married her is to stabilize your image as the president of the Fu Group. You don't want those turbulent people to know that your family Unstable! That's why you went to marry Suzi!

Chapter 1959

I also know that you never liked Shen Weiyi at all, right! "

Arron looked at Rayna coldly: "Go away!"

Galia next to him spoke: "Arron! Don't forget that this is the old house of the Fu family! The old lady lives here, as well as Uncle Fu and Aunt Qin Wen. Even if you drive us away, it will not be your turn to look for you! "

"I'll tell you Arron too! I'm not Galia anymore! I'm Darius's fiancée! In a sense, Suzi is my relative! Besides, my relationship with Suzi is still so good! Suzi is my relative! Suzi is not in Nancheng now, he was kidnapped! He was kidnapped! You still have the heart to keep the spirit here!

Are you a watchman!

You said to yourself, are you a wake-up call!

You're in the side room, on a date with this slutty vixen!

Nonsense!

Arron, you are really not a thing!

After all, Shen Wei is your biological daughter!

You don't protect, we protect!

I, Galia, will never allow any woman to bully Shen Wei! "

As soon as the words were spoken, Galia stared at Jin Meitian with wide eyes angrily: "Jin b!tch! Stand up for me!"

Rayna was also extremely provocative: “Golden stinky b!tch! Stand up for me and die!”

Behind Arron, where Jin Meitian was frightened: “Fourth Master Fu...”

Arron’s face was as gloomy and cold as the year before. Although he didn’t get angry or speak, Jin Meitian could feel that Arron had an extremely strong murderous aura.

He didn’t quarrel with Rayna and Galia anymore.

He just looked at Shen Weiyi very calmly and coldly: “Yiyi! You must apologize if you do something wrong! It’s Auntie Tiantian who you framed first, right! You got her into the stinky shit ditch, right? !”

Shen Weiyi became more and more afraid: “Dad, are you really going to hit me...”

“No! Yes! Call! Me! Dad!” Arron said word by word.

Shen Weiyi shivered in fright.

“Arron, you’re still not human!” Rayna hugged Shen Weiyi in his arms.

Galia also cried angrily: “Do you have such a father? If you don’t like her, she is also your biological daughter! How can you treat your biological daughter like this, you cold-blooded! Cold-blooded!”

Arron sneered, ignoring Galia and Rayna’s denunciations, she just took out her phone and dialed out: “Christopher? There is a woman surnamed Min, shoot me out!”

The other end didn’t know what to say.

Arron continued to say: “You must arrive within five minutes, otherwise I may change my mind and chop them into tens of thousands of pieces before throwing them into the river!”

“Okay, that’s it!”

Arron hung up the phone very simply.

At this time, Galia and Rayna’s frightened legs became even weaker.

Seeing the two women look like foxes and tigers, Jin Meitian was so happy that she wanted to throw herself into Arron's arms. Just as she was happily dancing behind Arron, she saw an excited Elma rushing over.

"Where? Where are the two women looking for death? Let me see. If these two women are here today, don't want to leave!" Qiu Cun exclaimed.

Jin Meitian immediately pretended and said, "Sister Cunxin here, don't worry, Fu Sishao just called and asked the bodyguard to come over and punish these two women severely."

Needless to say, Jin Meitian also deliberately glanced at Rayna and Galia.

Let's see if their calves are trembling with fright!

But what Jin Meitian and Elma didn't expect was that the moment they saw Elma approaching them, Rayna suddenly burst out: "Elma! I don't want to kill you today, I'll cut your hair out of your hair. Get bald!"

Elma: "..."

Chapter 1960

Qiu Cun never imagined that in Arron's house, in front of this mourning hall, Rayna would be so presumptuous.

When she was stunned, Rayna had already started. Rayna had always been a shrew and a shrew with a simple mind and strong limbs.

The movements of her hands are far faster than her mouth.

Before Elma could react, Rayna rushed up like an eagle pounced on a chicken.

In an instant, Elma was riding under Rayna.

Rayna sat Elma to death mercilessly, and then slammed Elma's neck with all her strength. She didn't want to strangle Elma, she just wanted to give the little girls some hardship first.

Sure enough, Elma was so pinched that she didn't even have the time to parry. She waved her hands and couldn't use any strength.

Rayna didn't let go until Rayna made Elma's face turn into a pig's liver color, so Elma immediately put both hands on his throat and coughed loudly.

Before she could cough, Rayna had already covered Elma's hair with both hands.

Omg!

Little shrew is really not covered.

When it comes to fighting people, although she looks clumsy and doesn't have any tricks, they are all experienced and ruthless tricks. She shoved her two hands down and forcibly pulled out two large strands of Elma's hair.

The pained Qiu Cun was like killing a pig, coughing and howling.

Arron next to him was stunned.

When I wanted to laugh, I couldn't help feeling my wife.

Suzi really deserves to be Suzi.

In terms of manipulating people, Suzi is really a master.

Suzi himself seemed to have few desires, few words, and even was often weak on the face, but whether it was in choosing a husband or choosing a friend, all of them were good players.

When Arron wanted to laugh, Jin Meitian beside him was dumbfounded.

She originally called Elma to come to watch a good show, but Elma didn't insist for even half a minute when she came, and was beaten like this?

In the blink of an eye, Elma had several bald patches on his scalp.

Bleeding.

Jin Meitian was so frightened that she didn't even dare to say a word. At this moment, she just wanted to hide in Arron's arms. She thought so and did so. However, just as Jin Meitian took a step forward, she was about to throw herself into Arron's arms. In the middle of the middle, a figure that was as fast and swift as a kitten rushed towards Jin Meitian.

Small things are really fast.

Moreover, she is small and agile, so she is more brisk.

Shen Weiyi knocked Jin Meitian down. Jin Meitian didn't know what was going on. Before she could react, she heard Shen Weiyi shout, "Aunt Galia!"

"Come on!" Immediately afterwards, Galia also threw herself on Jin Meitian.

Elma is more difficult to deal with than Jin Meitian, but to beat Elma, only Rayna, a shrew, is more than enough.

Therefore, Galia and Shen Wei can greet Jin Meitian without any distractions.

"Shameless mistress! You think you are the eldest miss of the Jin family, you can be a mistress and a broken shoe! Who you are is useless! The more you are the eldest miss of the Jin family, the more I

hit you! I beat you. It's you! Face! Straighten your face, I'm going to slap it!"

Saying that, Galia raised her hand and slapped Jin Meitian on the face.

Jin Meitian's face was slapped to one side, and before she could react, the other side of her face ate a real small fist.

"Humph! Don't look at me small, I'm also very sturdy in fights!" Shen Weiyi squatted beside Jin Meitian's face, Mo Yang, her little devil king, was really able to make Jin Meitian mad.

"Stinky little three! Dare to snatch my father from my mother! Humph! You are so stupid! How could I let you be my father's temporary girlfriend for a few days and help my mother occupy a place? You treat me as Shen Weiyi like you. Are you mentally handicapped?" With a word, Shen Weiyi slapped Jin Meitian again with a small fist in the face.

Jin Meitian's beaten eyes glowed with golden flowers.

Only at this moment did she realize that this six-year-old immortal was simply a little devil.

The little devil didn't give her any room to fight back at all, so he had already punched her a third time.

Half of Jin Meitian's cheeks were swollen.

Chapter 1961

Shen Weiyi only stood up, looking down at Jin Meitian like a queen aloof, "Idiot! I just want to deceive you! Deceive you to that stinky shit pit!

Do you think I can run away as a child? You're glad you got lost, aren't you?

You do not know!

I have Aunt Galia and Aunt Rong Rong! We have long been optimistic about the route!

You idiot little three!

You are as stupid as a pig!

Such a stupid sow, don't say my dad has my mom, even if my dad doesn't have my mom, my dad won't like you, hear you, sow! "

Being scolded as a sow made Jin Meitian feel extremely humiliated.

I think she is also the daughter of the first noble family in Kyoto!

Jin Meitian glared at Shen Weiyi angrily.

"Still staring at me, still staring at me? Look at me and trample you to death!" Shen Weiyi raised his foot and was about to step on it.

"Enough! What are you doing! Three shrews! This is the mourning hall, the mourning hall!" An extremely old but extremely angry voice yelled loudly behind him.

Shen's only foot stopped in mid-air.

When she looked back, it was Fu Zhengxiong.

Fu Zhengxiong's angry eyes turned red.

This is his father's mourning hall.

These people didn't respect a deceased old man at all, and they made trouble here. The leader was his six-year-old granddaughter who had sympathy for her just now.

Call him Fu Zhengxiong how to be angry.

At this moment, Fu Zhengxiong can't wait to slap this little villain to death!

"Nie Barrier! You did a good job!" Qin Wenyu, who was next to him, scolded.

She saw that Elma, who was under her body, was really about to be bald, and then saw that Jin Meitian's cheek was like a balloon being blown up, and Qin Wenyu was completely mad.

She was angry and didn't care if Arron was her own son, she just asked Arron angrily: "Shaoqin! Even if you have no feelings for the old house! But the people who died in this house are always your ancestors! There are no ancestors of yours. Here you are! Look at these three bitches!

Especially these two big ones, Rayna! Galia!

Qiner, don't you think the two of them are riding on your head to poop and piss!

You are the king of Nancheng! "

What Qin Wenyu said was indeed correct.

Just when Qin Wenyu and Fu Zhengxiong didn't come, and before Rayna and Galia and the only one started beating, Arron had already warned Rayna and Galia that he would take them away. blast out.

Arron glanced around for a week, and suddenly exclaimed: "Christopher! Come in!"

Fourth Master Fu called Christopher just now. Christopher really brought a group of bodyguards, but neither he nor the bodyguards came in, they were all waiting outside.

When he heard Arron's roar again, Christopher was stunned.

Fourth Master has never made such a loud voice.

The power of the fourth master has always been self-possessed without anger.

Christopher immediately came in from the outside, followed by a group of no less than twenty bodyguards who surrounded Rayna and Galia in a flash.

Christopher looked at Galia in surprise: "Galia! Why are you here! Give me death and go home!"

Galia: "Cousin..."

"Hurry up!" Christopher raised his foot and was about to kick.

“Chop off the hands and feet of these two women and throw them into the river!” Arron’s voice clearly entered Christopher’s ears.
