Chapter 1962

Christopher was stunned for a moment.

Immediately afterwards, he panicked and begged for mercy: “Fourth Master, Fourth Master you! You... can you, can you see that I have been loyal to you for more than ten years, you... me I'll break her leg now, break her leg, spare... spare my sister... my cousin lost her life, please, Fourth Master.”

Christopher's speech was incoherent.

The tone was full of trembling.

That kind of fear, despair, and ingratiating yourself could be heard by everyone present.

Galia cried: “Cousin...”

“Shut your mouth for me!” Christopher scolded Galia suddenly.

“I told you not to play with this shrew Rayna, you must not listen, you must not listen, Yanyan, Yanyan, what do you want me to say about you! This is the funeral of the fourth grandfather! What a serious matter! You come here to fight, quarrel! If you don't kneel down, apologize like the fourth master!” Christopher raised his foot and kicked Galia's leg.

Galia let out an ordinary sound and knelt on the ground in an extremely embarrassed manner.

“Expensive is useless!” Arron’s tone was very light.

However, with unparalleled determination.

After he finished speaking, he no longer looked at Galia, Rayna, nor Christopher.

Even Arron didn’t even look at Shen Weiyi.

at this moment,

Don’t say Yan Yanmin is the only one.

Even Elma, Jin Meitian and Fu Zhengxiong and Fu Hengsheng felt Arron’s heartlessness.

Jin Meitian was too scared to speak.

Elma stood up from the ground in a trance: “Haha... I’m so happy!”

She forgot the pain that was bleeding all over her head.

When she saw Galia kneeling on the ground, she was really happy.

“Galia! Rayna, you two bitches! You hit me several times, you’re addicted to it, right? You think no one can cure you, right? It’s good! You deserve it, you deserve it!

I just want to see how you died today!

Two stinky women, dead women! Finally dying!

You thought that Fourth Master Fu would turn to you!

Pooh!

Think beautifully, go to hell! Two bugs!

Smelly woman!

Fourth Master Fu, I have a good suggestion. Why not chop off the hands and feet of these two women and throw them in the stinky shit?

Throwing it into the river is really cheap for the two of them?

They used to be stinky.

Throw it in the stinky shit pit, that's their home! "

Qiu Cun's heart speaks vividly.

As if he forgot his current image.

"You are so ugly!" Rayna, who was next to him, said abruptly.

"What?" Qiu Cun asked.

She didn't expect that at this moment, Rayna dared to speak, shouldn't Rayna be scared to wet his pants? How dare you speak up and think she is ugly?

Elma has never been ugly in her life.

even now

Gong was removed, and she was not an ugly woman.

"You say I'm ugly! Rayna, don't look in the mirror to see how ugly you are! You're an ugly hillbilly, country woman! I'm ugly? You're dying, don't you know?" Qiu Cun shrugged. She shrugged and looked at Rayna innocently and sympathetically.

Rayna couldn't help but laugh.

The only child Shen next to him also smiled.

It's not that they want to laugh on purpose, it's really, so funny.

Rayna, who was dying, could even calmly take out a small mirror from his bag and hand it to Elma very kindly: "Look at yourself first."

Qiu Cun took the mirror subconsciously.

Behind him, Qin Wenyu sighed angrily.

Chapter 1963

However, when Qin Wenyu sighed, Qiu Cun had a small mirror pointed at him.

I don't know if I don't see it, but she glanced at it suddenly, and she immediately screamed: "Ghost! Ghost! Who is this old bald donkey old monster in the mirror, with a blood stained face and a few hairs left on its head. Ah! Ow..."

She didn't believe it was herself at all.

The hair on her head was pulled by Rayna, and there was not much left, and there was a pinch here and a pinch there.

The rest of the place where the hair was pulled out was bleeding.

That way, it is really ferocious and terrifying to the extreme.

Even Qin Wenyu said to her with disgust: "Otherwise, why do you think Shaoqin would chop off the hands and feet of these two women! It's because these two women beat people in front of the mourning hall, and they beat people too. Seriously injured!

The one who was beaten was you! Qiu Cun heart! "

Qin Wenyu's tone of hatred is that iron cannot become steel.

Qiu Cun was stunned: "..."

After dozens of seconds, she suddenly burst into tears: "No... No, I don't want to become bald, I don't want..."

After crying, she suddenly pounced on Rayna: "I'm going to kill you..."

Rayna sneered very easily, and then tripped Elma with one foot.

Elma lay on the ground and cried again: "My teeth..."

Her teeth were knocked out again.

“Hahaha, hahaha... Laughing to death! Elma, you unlucky bastard, why do you think you are so unlucky? You want to marry into Jun’s family with all your heart, but now, you have put yourself Waiting has become a joke, waiting has become ugly, and you have not been able to marry into Jun’s family!

It was me and Sister Shan, both of us became the wives of the Jun family.

One is Jun Erye’s real wife.

One is Jun Xiaoye’s fiancée.

How is it, Elma?

Fight with me Rayna!

You are just looking for death! “

At this moment, Rayna was like a queen.

She’s getting better and better, and she’s been able to act calmly.

She continued to put her hands on her hips, and looked down at Qiu Cun with her attitude of ignoring anyone: “Qiu is ugly! You know what? I’m not afraid of Arron at all! Because Arron and my second uncle are brothers! And my second uncle The one that hurts the most is my husband!

My husband is in Jun’s house, he is the only young son!

Arron is just talking about it, he can’t do anything to me!

Elma, you idiot!

go to hell! “

After scolding, Rayna didn’t forget to kick Elma’s back hip.

That expression, that action, is simply defiant.

Even Arron didn’t take it seriously.

As soon as she finished speaking, she heard Fu Zhengxiong's hysterical anger: "You crazy shrew! I don't care if you are the young grandma of the Jun family or the young grandma of the Jin family! You are running wild in our family now, and I just want to kill you!"

He said, Fu Zhengxiong shouted to the door: "Someone! Somebody! The bodyguards are all here! Chop Rayna for me! Chop it into dumpling stuffing!"

After shouting several times, no one came in.

Fu Zhengxiong's voice grew louder: "Where are the people! Where are the bodyguards! Where are they all dead!"

"Master..." At this time, a bodyguard shouted in a very aggrieved voice: "I...we...all...all are here."

"Cut this woman surnamed Min! No! Chop up this young lady of the Jun family for me! Chop it into meat sauce and feed it to the dog!" Fu Zhengxiong said angrily.

After he finished speaking, he had to add: "I want to see it! I chopped up you, the little young lady of the Jun family, who can do what to me! I also told you about the young lady Jun! I, Fu Zhengxiong, chopped it up. Young grandma surnamed Jun! What are you doing!"

Do you have any doubts?

Still, what doubts do you have in your family! "

Fu Zhengxiong was confused because he was so angry that he didn't care anymore.

Even Arron didn't expect that the words that should have been said by Arron were spoken out by his father in advance.

It was so unexpected.

However, the effect is surprisingly good.

As soon as Fu Zhengxiong's voice fell, another voice came from outside: "I want to see, who dares to touch my family!"

Chapter 1964

It was Jun Ruian who came in from outside.

Jun Ruian broke in and hugged Rayna in his arms: “Rong Rong, are you okay Rong Rong, Arron beat you? Are you going to throw you into the river to feed the fish?”

Seeing Jun Ruian's arrival, Rayna's legs softened.

She threw herself into Jun Ruian's arms and cried, “Woooooo, husband, I...you've come,

If you don't come, I will die, woo woo woo...”

“You tell me! I told you not to be a shrew and a shrew, but you won't listen!

Do you think you are still the common man you used to be! You are about to become the young grandma of the Jun family, what can you do like this! Fortunately, I came today. If I came a day later, you would be dead!

disobedient! “

Hearing Jun Ruian scolding her, Rayna cried even more aggrieved: "I...I just want to give out my anger to the only one, I think about the one...the only she is so pitiful, five I didn't have a father before I was 10 years old, and it was less than two years before I had a father, and my mother was kidnapped again.

What a poor child. "

Jun Ruian glanced at the only one, and sighed: "The child is pitiful, and it is not as important as your life!"

Rayna beat Jun Ruian several times: "My life! My life! My life is the only one saved by her mother! If not the only mother! Would Jun Ruian like me! If not The only mother, I have long been sold by my parents to that kind of place to stink to death!

If it weren't for Suzi, I wouldn't be able to learn these majors in architecture, so I now have a relatively proud job, I can raise my head to be a person, and I can marry into Jun's family.

All of my later changes were because of Suzi.

It was Suzi who let me know the meaning of self-esteem and the meaning of pride.

It was Suzi who gave me a second life! "

Jun Ruian: "Okay, okay, I have kept you by my side for so long,

It's the first time I've seen it, you little mouth, you can say it! Do not cry! Now that your husband is here, you'll be fine, be safe, don't cry baby.

My little shrew, she is sloppy and fierce outside, how can she become a soft persimmon when she sees her husband? "

While making fun of Rayna, Jun Ruian lightly kissed Rayna's forehead.

That kind of sweetness and that kind of pampering made the corners of Qiu Cun's jealous lips drool, who was turned into a blood gourd by Rayna.

Let the gold coal progress, the eyes are red into rabbit eyes.

On the other hand, Shen Weiyi, watching the interaction between Jun Ruian's brother and Aunt Rayna, made her feel sweet and very warm. She raised her face and looked at the pair happily.

Galia also forgot his fear and looked at Jun Ruian and Rayna with a smirk.

This kind of situation angered Fu Zhengxiong again: "Young son of your family! Please pay attention to the occasion! This is my Fu's house! This is my Fu Zhengxiong's old house, and this is my father's mourning hall! You are here with your bastard girl. Friends flirting is not appropriate!"

"So what if it's not suitable!" Jun Ruian suddenly refuted Fu Zhengxiong.

Fu Zhengxiong was rushed and was speechless for a long time.

He is an old man in his 70s. If he wants to be serious, he has nothing to do with Young Master Jun, but his son is different.

Fu Zhengxiong turned to look at Arron: "Look! Look! This is the nephew of your life and death brother! Shaoqin, you have always been friends with the Jun family and Kraig is a life and death brother! You have always regarded Ruian as yours. My nephew, but you saw it!

See it now!

At your grandfather's funeral!

What is Jun Ruian doing?

look by yourself! "

Arron, who had not spoken for a long time, actually turned black into a piece of charcoal.

Jin Meitian, who is closest to Arron, has long felt the coldness all over her body.

Fu Zhengxiong's voice just fell, when Arron spoke, his tone was still very light, and he couldn't hear the joy, anger, sadness and music: "Rui An, you are too much."

Light words.

However, it is a prelude to a storm.

Everyone can feel that the next second may be a flash flood.

Jun Ruian sneered: "Fourth Uncle Fu! I'm too much? Don't think I didn't hear it! My second uncle and I came half an hour ago! As soon as we entered the door, my fourth uncle received a call. Turn back, he is here to help you deal with your Fu Group's affairs!"

Fourth Uncle Fu!

Chapter 1965

As long as you have a little conscience, think about it!

In the past few days, your Fu family has been busy inside and out into a pot of porridge. Which one is not my second uncle Kraig to help you deal with? Big and small matters, including your Fu family's funeral needs, are all handled by my second uncle!

Even me, I've been running with a broken leg these days!

But what about you?

My second uncle turned back, but I had already come out of this door, and I could hear it clearly outside!

You are going to chop off my fiancée's hands and feet and throw them into the river to feed the fish!

Fourth Uncle Fu, Rayna is my fiancée!

mine! "

Having said that, Jun Ruian was already angry, and wished he could fight with Arron immediately.

But Jun Ruian knew that he couldn't beat Arron.

What's more, there are no less than twenty bodyguards around Arron.

He resisted his anger and looked at Arron with wide eyes: "Fourth Uncle Fu, Rong Rong is not only my fiancée, but she and Galia have been protecting your daughter these past few days!

Otherwise, the only one would have been lost long ago!

Not only do you feel sorry for Rayna, but you also throw him into the river to feed the fish?

Arron, your conscience was eaten by a dog!

You are in vain for my second uncle and you to worship! "

"Rui An, are you courting death?" Arron's calm tone made his scalp tingle.

Jun Ruian's unexpected tone: "Fourth Uncle Fu, what did you say?"

"You heard!" Arron didn't intend to repeat.

"You! You...you dare to even me..."

Before Jun Ruian's sentence was finished, he was cut off by Arron: "There is nothing in this world that I, Arron, dare not! Ruian! You don't know that I, Arron, even my half-brothers. Haven't let it go, let alone Jun's family?

Not to mention, your fiancée.

unmarried!

Ruian, your fiancée is too presumptuous!

This is my Fu family's old house! There is a funeral here!

Your shrew fiancée, beating people in this mourning hall!

I don't care who she hits! "

After finishing speaking, Arron glanced at everyone present, and said in a flat tone, "Christopher, do it!"

"Arron! You are so heartless!" Jun Ruian hugged Rayna.

Arron sneered and suddenly shouted angrily: "Do it!"

"Arron! I? Grass? Your ancestors! I finally found out today, you are a goddamn devil! You deserve to be separated from your wives! You deserve to be alone in this life! You deserve to be stared at! People like you, no Time to live!

I see who of you dares to touch a hair on my fiancée!

I see who of you dares to move!

Yes! You Fourth Master Fu is the king of Nancheng, but my family is not easy to mess with! I, Jun Ruian, put my words here today, I see who of you dares to touch my wife! "Jun Ruian's tone was simply exasperated.

He held Rayna around and looked at everyone with red eyes.

On the side, Qiu Cun, who was like a blood gourd, didn't say a word, but she was so happy.

Aha!

This is really an unexpected scene. Arron wants to fight with the Jun family.

The needle does not poke!

"Christopher, chopped off Jun Ruian's hands and feet and threw them into the river to feed the fish!" Arron said lightly.

Chapter 1966

Christopher's frightened calf kept turning his muscles.

His legs trembled and his tone stuttered: "Fourth, Fourth Master, you... Look, it's outside, who is coming."

Arron looked up and saw Kraig standing by the door with a dark face.

Kraig's expression was like a knife ready to go, and he looked at Arron coldly.

The tone was the same as Arron's understatement: "Old Fu, are you going to throw Ruian into the river to feed the fish?"

Arron: "..."

"I'm asking you something!" Kraig suddenly shouted angrily!

"Old gentleman! Didn't you hear it!"

"Rui An is my nephew! The only next generation of my Jun family!"

Arron: "Lao Jun, what do you want to say?"

Kraig sneered: "Arron! It's only been a few days since Suzi wasn't by your side? You can turn yourself into this picture! Can you do it? If you can't do it, you will die soon! The Fu family has the only one to inherit!

This Nancheng, this world, without you, Arron, can still do it!

Don't treat yourself like the King of Heaven! "

Arron's eyes radiated from two gangs: "Kraig! Are you, like your nephew and nephew, who came to die today!"

Kraig: "Me and you, it's not certain who will die!"

Speaking of which, Kraig didn't give Arron any chance to think, he suddenly swooped and rushed directly in front of Arron.

Arron is not a free eater either.

He immediately stepped back, quickly dodging Kraig's pounce, and then squatted down again, hugging Kraig's leg.

Kraig was rushed by Arron in an instant.

Arron sneered: "Jing Yu! Fighting alone with me, you are short of the fire, don't forget that I, Arron, fought like this since I was a child!"

He did not hesitate to use ten percent of the force to punch Kraig in the face.

"Bastard!" Kraig spat out a mouthful of blood and cursed angrily.

At the same time, he immediately clamped on Arron's arm with both hands, and the close combat between the two was pulled away.

Both of them are not in a gimmicky routine mode.

They are all deadly tricks of hard bridges and hard horses played in real combat.

You got me punched in the eye.

My chest ate your foot.

They are all killing each other.

Everyone present was dumbfounded.

No one dared to speak.

A minute or two later, Shen Weiyi suddenly burst into tears: “No! Uncle Jun, please don’t hit my dad, Uncle Jun, woohoo, don’t hit my dad!”

“Damn your father! I wanted to teach him a lesson for a long time! This inhuman thing is cruel, even the nephew of his life and death brother will move. Today, Uncle Jun will send your father to the West!” Kraig aside Fighting with Arron, he said to Shen Weiyi.

Shen Weiyi burst into tears: “Uncle Jun, I’m begging you, I’ll love the younger brother that my aunt Shanshan gave birth to me, and my younger brother will eat all the delicious food in the future, don’t beat my father, woo woohoo...”

“Don’t worry, Shen Weiyi! I killed your father, an inhuman thing, and Uncle Jun will support you!” Kraig’s words were very relaxed.

“Wuwuwu, I don’t want Uncle Jun, I want my dad, don’t hit my dad...” Shen Weiyi cried pitifully.

But at this moment, the cry of a child did nothing at all.

The two men fought more and more fiercely.

Chapter 1967

They are all adored with each other.

But outsiders don’t know what to do.

Especially Christopher, he turned around anxiously: “This can... how... what should I do?”

“Master Jun, your fourth master is a brother of life and death. Can you stop first? I...I can’t hurt you, you...” Christopher was covered in sweat.

Jun Ruian sneered: “Let my second uncle let go first? Why don’t you let Arron let go first!”

Christopher: “...”

He looked at Jun Ruian angrily.

Jun Ruian gave Christopher an extremely provocative glance.

All of this, seeing Qiu Cun's heart beside him, made her heart almost jump out of excitement.

Qiu Cun's heart completely forgot the pain on the top of his head.

Forgetting the blood all over her face, she pulled away the sticky blood around her eyes and looked at everyone present. Everyone's attention was highly focused on Arron and Kraig. No one paid attention to her Elma.

Elma walked out quietly, and hid at the base of the wall before making a phone call.

"Hey! Master Ying! Master Ying! It's really great news!" Qiu Cun's heart was beating wildly in his throat.

"I thought something big had to happen in the past two days, and sure enough!

This Arron, ever since Suzi was lost, he has been fascinated and disliked by anyone.

It's not pleasing to see his daughter Shen Weiyi.

That idiot Rayna was originally a shrew. He was a famous shrew in the whole Nancheng. In recent years, that damned Rayna did a lot of murder and beating people.

That pungent and sturdy level is not lost to your sister Yingzi.

I really don't know how that idiot Lenny fell in love with Rayna. Now that's it, Rayna finally stabbed a big basket.

However, she stabbed this big basket, which is very good to us!

Let me tell you, now Arron and Kraig have turned against each other, the two of them beat their heads and blood is broken, maybe one of them will have to die after a while.

Even if neither of them died, an infighting between the Jun family and the Fu family was inevitable. "

On the other end of the phone, Ying Ming fell silent.

After a while, he asked, "Why such a coincidence?"

Qiu Cun asked, "What's so coincidental?"

"Why did Arron and Kraig fall out at this juncture that I was going to fight against Arron?" Ying Ming asked.

Elma is also a smart person, she immediately smiled: "You mean, they are acting?"

Ying Ming: "What do you think?"

"Impossible!" Elma said with absolute certainty: "This Rayna has always been a fool who stabs goods, and Fu Zhengxiong, this old fox has been disgusting with his granddaughter these days. After all, it is Fu Zhengxiong's father's funeral. It's not Arron's pick, nor Kraig's pick, it's Fu Zhengxiong and Rayna."

Ying Ming nodded: "I think so too! I am very clear that I will fight against Arron. Even if they don't act, I will take Arron down. Why should he act? Thinking about it is unnecessary!"

"That's why!" Qiu Cunxi said, "It's not necessary. There must be multiple reasons for their infighting. Arron has been in a bad mood these days. His wife is in your hands, and he is in a hurry. He still has to be mourning for his grandfather, can you not be angry?"

However, they made such a fuss, but they gave you more to me.

How, my news, is it valuable enough? "

Ying Ming smiled: "It is indeed valuable."

Elma immediately sneered: "After this is done, I can also connect you with the second master of the Jun family, Jun Chengyin, maybe you will become the king of the southern city like Arron! Echoes. How nice!"

"Tell me, what benefits do you want!" Ying Ming didn't talk too much with Qiu Cun.

“Put Pan Haoyang into my hands and let me handle it! I’m going to rip him off!” Qiu Cun said with gritted teeth.

I’ m Sorry My Love Novel Chapter 1968 – 1969

Read **Chapter 1968 – 1969** of the novel **I’m Sorry My Love** free online.

Chapter 1968

Ying Ming snorted with a smile: “You are very obsessed? You don’t want to ask me what kind of affordable reward I want?”

Elma sneered: “You? What benefits can you give me? Our Qiu family TCM hospital in Kyoto, as long as you Yingming can win Arron’s Nancheng and cooperate with Jun Chengyin to watch the north and south, our Qiu family’s industry can provide you Half the country!

I, Qiu Cun, miss your reward?

You are a scumbag who burns, kills and loots everywhere, and you still pay me?

Save yourself! “

Ying Ming: “Oh”.

Then he sneered with contempt: “Then you are cheap!”

“What did you say?”

“You don’t want to leave such a good family background and such a good boyfriend as Kraig. You have to be so cheap. I will make you so cheap. You are not cheap, what are you?”

Elma: “You...”

“Okay, thank you for the things you provided me. I’m starting to prepare here. Don’t worry, I will give you the person you want, Pan Haoyang! Also, I know that the person you hate the most in your life is Jun. Jing Yu.

No!

You never got Kraig, so you always wanted to get it.

I will bring Kraig’s wife over to you and let you handle it. When the time comes, I will also hand over Kraig to you. Although Kraig and I have a grudge, I will not see your face. let him die.

Let Kraig be placed under house arrest with you and be a plaything for your life, what do you think? “

Ying Ming is a smart person after all, he knows what Qiu Cun wants.

Sure enough, Elma smiled on the phone: “It’s a deal!”

“If you have any news, report it to me as soon as possible!” Ying Ming ordered.

“Okay!” Qiu Cun’s heart was filled with joy.

After hanging up, she turned around and looked around.

what!

She knew that no one would find her.

Because at this moment, the entire Fu family’s old house was in chaos.

The domestic servants up and down the Fu family, the bodyguards of the Fu family, and those who have come to express their condolences, all gathered at the side door of the mourning hall.

.

And there was a lot of discussion.

Elma quietly came to the crowd and listened quietly.

“Now, I think Nancheng and Kyoto are going to change.”

“Yes, the second master Jun and the fourth master Fu fought so hard, it seems that they have formed a deadly feud.”

“Who would have thought of this? The two of them were as good as brothers for so many years before.”

“Hey, didn’t the brothers also fall out? The deadly feud?”

“Yes.....”

“Look at that posture, today is it either you die or I die?”

“Two tigers are fighting each other, and neither will give in. Who would have known that Second Master Jun had something in his hands today, and that his black-eyed business would be on the hands of Fourth Master Fu.

on the head. If it weren’t for this black-and-white thing, I’d guess that the second master would have died here now. “

“Eh.....”

“It’s better for those of us to stop interfering, and we can’t ask questions. Don’t splatter all over.”

“Let’s go, let’s go, let’s hide away.”

“I was going to see the remains of Mr. Fu, eh... let’s go.”

Frightened again, he sighed and left.

Qiu Cun’s heart became more and more energetic as he listened.

She stared at a blood gourd head, and kept drilling in, and kept drilling in. Halfway through, I heard the heart-breaking sound of the child crying.

“Uncle Jun, don’t use a gun at my father, I beg you Uncle Jun...”

“I’m not facing your father! Your brother Ruian and I have to die here immediately! The only one! Uncle Jun can’t handle you. This is the grudge between me and your father! No matter what happens to me and your father in the future, Uncle Jun I will love you as well!”

Chapter 1969

“I...I don’t want you...love...I want...my dad...” Shen Weiyi cried out of breath gas.

“Lao Jun! Old Fu! What the hell is going on with you guys!”

“What happened, let the two of you fight against each other in the same room!”

These two voices were Zhong Muzhan and Jiang Shenhe who came from afar to express their condolences.

Compared with the four brothers, Arron and Kraig have a better relationship, which made Zhong Muzhan and Jiang Chenhe never expect that the two would fight.

Zhong Muzhan and Jiang Shenhe wanted to pull them apart in a frenzy.

Before the two could reach Arron and Kraig, Kraig said, “You two take one step forward, and I will kill Arron!”

Bell Curtain Exhibition: “Lao Jun, you...”

Kraig sneered: “It’s him! You didn’t see his twenty or so bodyguards surrounded me and Ruian here. As long as I dare to put down the gun, I will die without a place to be buried!”

“As for it! What about you guys! What kind of deep hatred!” Jiang Chenhe scolded.

Kraig sneered again: “I also want to know what kind of hatred there is between us! Ah! Shaoqin actually chopped up my nephew and nephew and threw them into the river to feed the fish!”

Bell Curtain Exhibition + Jiang Shenhe: “Old Master, you...”

Arron’s face was very dark.

He said nothing.

Both he and Kraig were injured.

His injuries are minor.

Kraig’s hand was very serious, and he beat him in one eye, swollen into a slit.

Both of them are real knives and guns, and they are not soft at all.

It’s not that Kraig hit him lightly, but that Kraig really couldn’t beat him.

The man was grabbed by Kraig’s head, but Arron didn’t even admit defeat, he just said coldly: “I’ve had enough, kill me!”

Kraig: “You...”

“Dad, you don’t want to die, I don’t want you to die, Dad...Dad, let Uncle Jun go. If you let Uncle Jun, Uncle Jun won’t beat you.”

“No! Yes! Again! Call! Him! Jun! Uncle!”

Shen Weiyi shivered in fright: “...”

Zhong Muzhan mediates from it: “You...you are like this, the dead are the greatest! This is Grandpa Fu’s mourning hall, you can’t be like this, Shaoqin! First of all, you are wrong, we all know that you are in a bad mood!

However, this is not the reason why you attack your brother!

so!

Old man, Uncle Fu, make a promise to Jing Yu that you will remove all the bodyguards now, don't chase and block Jing Yu on the road, let Jing Yu and Ruian go back! “

At this time, Fu Zhengxiong was not ambiguous.

He sneered: “I removed everything from the bodyguards, and Kraig can beat my son to death in minutes!”

“He doesn't dare!” Zhong Muzhan suddenly took out his gun and pointed it directly at Kraig.

Kraig: “...”

Fu Zhengxiong: “...”

Everyone was stunned!

Jiang Chenhe next to him said: “Old Fu! Lao Jun! We are all brothers. Who do I and Muzhan go to? Now it can only be like this! Lao Fu, you have withdrawn your bodyguard and Yan Assistant, Lao Jun, Mu Zhan. Zhan Xian will restrain you, if Lao Fu withdraws his troops and you still attack Lao Fu, then I'm sorry, you will die on the spot!”

This approach is fair.

Nobody said anything.

With a wink from Arron, all the bodyguards under his hands retreated, including Christopher, and within a few minutes, Arron's subordinates disappeared in the huge side hall.

The situation was very favorable for Kraig.

“Second uncle! If you don't do it at this time, how long will it be! Do you want to leave future troubles!” At this moment, Jun Ruian scolded loudly.

Kraig smiled lightly: “Nephew, you are right! Of course we can't leave troubles later!”

Words must, something in his hand moved.

“No...don't kill my father!” In a hurry, Shen Weiyi rushed over quickly and violently.

I' m Sorry My Love Novel Chapter 1970 – 1971

Chapter 1970

Brave little boy.

She wanted to block her father with her small body.

But when she rushed to her father, she realized that she had only reached his father's knees, and Shen Weiyi was crying helplessly.

Kraig sneered: “Arron! I'm sorry! Your viciousness and cruelty, I know all too well! I know you have helped me before, but I have helped you in the past few years! That includes these few. God, I was busy with you too, but I didn't expect that you would kill the only descendant of my family!

Sorry!

I can't keep you!

Keeping you is a big problem for my family! “

In the crowd, Qiu Cun, who was watching all this, was so excited that his heart was almost pulled out of his throat.

She pressed her heart and kept saying, “Kill him! Kill him! Kill him! Kraig, kill him quickly, as long as you kill him, you will never get out of this place. The old house, in this way, both of you can die in an instant, oh ha ha!

kill him!

Hurry up and kill! “

However, the scene that Qiu Cun wanted to see did not come.

As soon as Kraig’s voice fell, Zhong Muzhan said: “Jingyu! This is your fault! Shaoqin kept his word and let you go, but you want to take advantage of him when he has no power to fight back. he got rid of?

Then I tell you Jingyu!

You beat Shaoqin to death a second ago!

The next second is your death!

I do what I say! “

Kraig: “...”

“Put down the gun! I’ll make sure you get out of this column safely, from the Nancheng Security Council to Kyoto!”

Kraig: “...”

“Kraig! I told you to put down the gun!”

Jun Ruian: “Second uncle...”

Next to the “boy”, Jiang Chenhe looked at Jun Ruian viciously: “When we adults talk, there is no room for you, a brat with no hair to intervene! If you hadn’t found an uneducated shrew wife, today This will not happen!

Our four good brothers are still good brothers!

Shut up, you boy!

Otherwise, I will let you die on the spot! “

Jun Ruian: “...”

Kraig sighed: “Hey... Ruian! Stop talking! Leave the green hills, don't be afraid of running out of firewood! Let's go!”

As soon as he said it, he put the gun away, then came to Jun Ruian, pulled Jun Ruian and left.

Before Jun Rui arrived, he did not forget Rayna in the car.

“Galia!” Rayna called out to Galia reluctantly.

Jun Ruian raised her hand and slapped her: “You prodigal woman! I'll kill you when I get home!” After the slap, she didn't forget to pull the woman away.

When Rayna was about to leave, he frequently looked back at Galia.

Galia's expression was desperate.

Seeing Kraig leave safely, Qiu Cun was about to get angry. Just when she didn't know how to stop it, she heard Kraig turn around and say, “Shaoqin! Wait until I get back to Kyoto! We'll settle the account together! Either you will die, or I will die!”

“I'm waiting!” Arron said.

Qiu Cun's heart suddenly became excited again.

Kraig and Arron had a long tug of war.

Isn't this to indicate that the entire Nancheng and Kyoto will be lively next?

Ok!

As far as the strength of Arron and Kraig is concerned, it is impossible to say who wins and who loses!

Haha, maybe, in the end, both sides will suffer.

Definitely a lose-lose.

Qiu Cun felt more relieved.

However, there is still a disgusting dead woman in front of me, which must be removed along the way.

“Fourth Master...” Elma pushed the crowd away and came to Arron.

As soon as she shouted, the crowd was frightened by Elma and retreated again and again.

“Ah! Where did the devil come from! It’s so ugly!”

“God, it’s scary... Is this hair bald or not? Oh my God, you scared people to death! You have a bloody face, where did you come from?”

Chapter 1971

Elma waited and looked at everyone: “I’m not a ghost! Hehehe, I was beaten by this woman, beaten!”

After finishing speaking, Qiu Cun pointed at Galia: “it’s her, she beat me like this.”

Christopher immediately pulled Galia behind him: “Elma! You tried to frame the little princess! Galia beat you to protect the little princess!”

Qiu Cun ignored Christopher, she looked at Arron with a sneer: “Fourth Master, although Kraig is gone,

There is still a Galia left here. You can chop Galia into meat sauce and throw it into the stinky shit pit!

It’s too late, the battle between you and Kraig is imminent, you will be too late, you should deal with this woman quickly! “

Galia was frightened, hiding behind Christopher and shivering.

At this time, Shen Weiyi ran up to Elma and burst into tears at Elma: “You devil! Bad guy! Bad woman! Everything that happened in my family has something to do with you! You are a devil, you are the one

who should be Chopped into meat sauce and thrown into the stinky shit ditch, you die!”

Shen Weiyi was crying while pushing Elma hard.

But she couldn't move.

Her strength is too low.

The little girl cried even more sadly.

Qiu Cun smiled happily.

this kid!

The good days won't last long.

Your mother has been taken over by Ying Ming.

Your father is about to fight Kraig to death.

As for you?

If you can still live, maybe I will take you in, I will torture you from now on, and I will never let you die. I promise that I can torture you like a ghost.

Ha ha!

After being complacent in his heart, Elma looked at Arron with a very sensible look: “Fourth Master Fu, you also saw that your daughter scolded me like this, and I didn't fight back, did I?”

I know you have too many things to do. I don't care about your daughter. You should do business first, and tear this woman Galia into pieces! “

This is what Qiu Cun is most looking forward to at present.

Galia beat her Elma four times in total, each time one by one.

More vicious than ever.

Elma definitely wanted Galia to die!

However, she heard Arron shouting word by word: "Christopher!"

Christopher responded: "Yes, Fourth Master!"

"I don't care about Galia's affairs. If you mobilize everyone immediately, you will surely wipe out the bones of Kraig's attack!"

"Yes! Fourth Master! To serve you, I am willing to go through fire and water!" Christopher choked his voice excitedly.

As soon as the words were spoken, he kicked Galia: "Thank you Fourth Master!"

Galia: "Humph!" With a sound, she turned around and left with the only one.

Christopher: "Fourth Master..."

"Go and mobilize the troops!" Arron said in a deep voice.

"Yes!" Christopher turned and walked away.

Arron looked at everyone present and said calmly: "Guests present, all of you stand up, today's family has undergone great changes, and my grandfather's funeral will be temporarily sealed. When I finish dealing with Kraig, I will come back and have a lot of funerals. , all relatives and friends, please come back!"

The smoke of gunpowder is about to ignite, and everyone in the venue wants to close the door and not come out

, for fear that this battle will bring disaster to himself.

They didn't even bow to Fu Hengsheng in the coffin, so they all dispersed.

After the guests left, Arron said to Fu Zhengxiong: "Dad! You will handle the affairs of the old house in the future.

I'm dead or alive, you don't care! "

After saying a word, he drove away.

As for Elma and Jin Meitian, Arron didn't ask any further questions.

Fu Zhengxiong and Qin Wenyu were completely stunned, and it was only at this moment that they came back to their senses. This was about to happen!

Even Jin Meitian was so flustered that he could only ask, "It's about to start, it's about to start, what should I do?"

, Inch Xin, think of a way..."

However, Jin Meitian shouted a few times, but did not call Elma.

At this moment, Elma was calling Ying Ming: "Master Ying, you can prepare to attack!"
