

Catch Me If You Love Me

Chapter 198

Seeing the person coming, Logan Fu twisted his eyebrows, his eyes suddenly became cold, and his voice became sharper.

“Who told you to come out and meet me casually?”

The body clinging to him rubbed impatiently again, exhaling in his ear.

“It’s hard to come over to see you once, don’t be angry! Don’t worry! Don’t worry, Liam Lu is out. No one noticed when I came out.”

The coldness between Logan Fu’s eyebrows was slightly reduced.

He turned his head to look at Du Lanfu who was almost entirely hanging on his body, with a wicked smile at the corner of her mouth.

“Could it be that Liam Lu didn’t satisfy you and came to me to solve it?”

Du Lanfu was taken aback when he heard the words, and aggrieved emotions rose in his eyes.

“Logan, how can you say that to me? You know that the person I love the most is you, and I only give you my body. Otherwise, how could I be dying, and agreed to help you separate Liam Lu and Zoey The feeling of resignation?”

Du Lanfu said with a frown after finishing speaking.

“But it’s strange to say, I always have the feeling that Liam Lu knows everything, but doesn’t reveal me, I don’t know...”

Upon hearing this, Logan Fu snorted lightly.

“Who is Liam Lu? He left you, but he was using you to protect his own woman and to confuse people. Do you really think he is such a cheat?”

“However, he has forgotten. Although his woman didn’t give him all the first time, she couldn’t rub the sand in her eyes.”

After finishing speaking, he suddenly pushed Du Lanfu away, rolled over and pressed her firmly on the seat, and tore her clothes relentlessly with his long hand.

There is no warmth at all, just enter directly.

“Good show, just started...”

This night, Zoey Gu slept extremely unsteadily, and inside and outside her dreams, there was a nightmare-like depression.

In a daze, the phone on the bedside suddenly rang.

She turned over and took the phone groggy.

As soon as it was connected, Logan Fu’s joking voice came over instantly.

“Uncle Gu became ill in the small village just now. Although he was rescued, the situation is not optimistic.”

In a moment, Zoey Gu was completely awake, her eyes widened suddenly, and the phone fell to the ground with a “pop”.

She tidied up things as quickly as possible in a panic.

When dragging the suitcase out, the person sent by Logan Fu was already waiting at the door, leading her straight to the dock.

After half an hour, the car arrived at the dock.

With the light projected on the plank road, Zoey Gu saw Logan Fu’s white yacht docked from a distance.

Zoey Gu speeded up his pace and walked over, subconsciously glanced around, then turned to ask Logan Fu’s subordinates around him.

“Where is Logan Fu?”

“I don’t know. Fu said, Miss Gu will always wait for you on the plank road before you come.”

When the voice fell, there was a sudden movement from the yacht, accompanied by bursts of painful muffled noises from men.

Immediately afterwards, a figure was thrown out of it!

With a “plop”, he fell directly to Zoey Gu’s feet.

Zoey Gu backed away abruptly, and when he lowered his head and saw that the man with a bruised nose and swollen face was Logan Fu with blood on his face, he suddenly exclaimed.

“Logan Fu, who beat you like this?!”

The next second, an extremely cold voice came from the cabin.

“I.”
