

Chapter 1985– 1986 of A Dish Best Served Cold Novel

Chapter 1985

It is evening.

The afterglow of the setting sun dyes the mountains and forests.

In the old house, the smoke was curling up.

The intoxicating fragrance of rice, with the spring breeze in May, blows across the earth.

After Yu Yun smelled the scent of rice, she no longer had the intention to practice sword, and then returned.

She wanted to see what was delicious this time grandma made.

For the rest of her life, Yu Yun has tasted countless delicacies.

However, she found that the best food was the home-cooked dishes made by grandma in this old house of Chu family.

“Huh?” “Grandma, is the meal ready?” Back to the front yard, Yu Yun saw that the old lady was not in the kitchen, but was making flowers and plants in the yard, and couldn’t wait to ask.

Yes, these days, Yu Yun still believes that those meals were made by the old lady.

However, the old lady smiled slowly: “I didn’t do it well. It’s useless to ask me this old lady. Let’s go in and ask the chef.”

“The chef?” After listening to Yu Yun, he was taken aback.

Then, his expression trembled.

“Grandma, you mean, Mark did all the food?” These days, Mark came back earlier than her.

At first, Yu Yun thought it was Mark being lazy.

But now it seems that is not the case.

“Otherwise?” “Grandma, I don’t have such a good cooking skill.”

“That bastard, I don’t let him do it, he must do it.”

“Although he didn’t say the reason, I guess, he is because You.”

“Knowing that you like to eat the food he cooks, so he is so proactive.”

The old lady said good things to Mark, then the conversation turned and continued.

“Yun’er, I shouldn’t interfere with the grievances of your younger generations.”

“Before Mark, he did a little too much.”

“But, look at these days, he has been silently making up for it, right?” “Enemies should be settled but not settled.”

“Think about it yourself.”

The old lady said slowly.

Yu Yun was stunned.

She didn’t expect Mark to do so much for her silently.

Knowing the aftermath of all this, deep in my heart, I suddenly trembled a little.

She stayed there for a long time, as if she was struggling with something.

But looking at the thin figure who was still busy in the kitchen, Yu Yun gritted her teeth as if she had made some major decision, and then walked towards the kitchen.

Seeing this scene, the face of the old lady suddenly showed a successful smile.

“Mark, Mark, there is only this grandma can help you.”

“The rest is up to you.”

Actually, really, this old lady of the Chu family, how cunning?

The reason why Mark took the initiative to take care of the housework of cooking was because of filial piety, he shared some housework with the old lady.

Where is forgiveness, let alone to please Yu Yun.

The old lady said that just now, nothing more than to give Markla a good impression.

But now it seems that it really worked.

“What are you doing here?” “The meal is not ready, you go to the room and wait.”

“Okay, I will take it.”

When Mark saw Yu Yun coming in, he thought it was this foodie who came to look for food very hungry. , Immediately drove her out without angrily.

Yu Yun looked at Mark, hesitated for a long time, and then coldly said: “After eating, take a shower first. Then come to my room at ten o’clock tonight.”

“Remember, move lightly so that no one is allowed to see. “If grandma find out, I will never forgive you!” The cold words sounded quietly, full of threats.

After Mark heard it, he was taken aback.

“F*ck, take a shower? Go to your room?” “What do you want to do?” “I warn you, Mark is not a casual person.”

“There are some things, don’t think about it.”

Mark also pointed at Yu Yun Warned.

“However, Miss Yu Yun, I really didn’t expect you to be such a person.”

“Behind the polite, you would do such a shameful deed?” At this moment, Mark gave a smirk and winked at Yu Yun. Yu Yun couldn’t wait to slap him to death with that mean look.

“You bastard, what are you thinking about?” “Do you want to learn Yinlong body?” “Forget it, it’s up to you.”

“But, I promise, you only have one choice tonight.”

Yu Yunhong With a pretty face, he said in shame, then turned and left.

And Mark behind him was undoubtedly overjoyed after hearing this.

It seems that the iron tree is blooming.

Is this iceberg beauty planning to teach him Yinlong body?

“If this woman has a conscience, it won’t be in vain for my hard work for half a month.”

Mark smiled happily, and then continued to cook his meal.

Maybe Mark is in a good mood tonight, with six dishes and one soup, very hearty.

Although the table full of food is as delicious as before, Yu Yun's mood has undoubtedly undergone a subtle change.

She couldn't believe that the delicious food in front of her came from the hands of a shameless person like Mark.

"It's a pity that this is a good cook."

Yu Yun shook her head and sighed.

Mark stared.

What does this stinky lady mean, saying that Mark is not worthy of this cooking skill?

However, no matter how angry Mark was, he could bear it.

After all, there is something to ask for.

As for these grievances, wait until the Yinlong body is mastered.

Time soon came to ten o'clock in the evening.

According to Yu Yun's instructions, before leaving the room, Mark checked whether the old lady had rested.

After confirming that there was no one, he crept through the window and entered Yu Yun's room.

But the hard thing was that Mark was almost cut alive by Yu Yun as soon as he jumped out of the window.

"F*ck!" "What are you doing?" "Are you trying to trick me in and kill me?"

Mark regretted it at the time, and felt that he was caught in Yu Yun's scheme.

Seeing that it was Mark, Yu Yun took the sword.

"Blam me?" "If you have a door, you don't want to go through the window?" "I didn't take your life with a sword just now, you should be content."

Yu Yun said coldly.

Mark stared, "Isn't it what you said, don't people discover it?" Yu Yun: "..."

Yu Yun was speechless, she actually didn't want the old lady to know that Mark came to her room.

Now that the old lady has rested, Mark will not be found even if he walks through the door.

"Okay, don't waste time."

"Have you taken a shower?" Yu Yun asked coldly.

Mark nodded.

"Okay, blindfold your eyes."

Yu Yun folded another black cloth strip and handed it to Mark.

Mark was a little puzzled: "What are you blindfolded for?" "Hide and seek?" Catching peat!

Yu Yun was so angry that she almost chopped the bastard to death without lifting a sword.

"If you want to learn Yinlong Body, just do it."

"Otherwise, just leave."

Yu Yun said coldly, like a machine without emotion.

Mark had no choice but to follow suit.

After all, he really wanted to learn the Yinlong Divine Body.

As for what horrible idea this woman was playing, Mark was curious, but not worried.

She hasn't fully recovered her cultivation now, and her strength is almost equal to her.

Even if she played tricks, Mark was not afraid of her.

"It's covered, then what?" Mark asked again.

Yu Yun didn't answer, but walked over, checked it personally, and only after confirming that Mark had really covered his eyes.

"Then, undress."
