

Catch Me If You Love Me

Chapter 200

Liam Lu let go of the hand that held her, pulled her over and pressed her on her leg, still forcibly enclosing her waist with his big hand, raised his hand and pressed his eyebrow.

“She ran out by herself in the middle of the night, still looking for it.”

He turned his head and looked at her, with unconcealable fatigue flashing between his brows, and whispered.

“Zoey, you and Alina Yin are both important to me. Be obedient, okay?”

Zoey Gu pursed her lips, forced himself to be cruel not to look at him, and asked coldly.

“Why is she running away from home?”

Liam Lu: “She has a temper and hopes that I will do what she likes in her way.”

“She’s just a child, why can’t you give her up?”

“accommodate?”

Liam Lu sneered, stared at the back of Zoey Gu’s head for a moment, and suddenly said coldly.

“What if Du Lanfu and I were kissing in front of her, and she was forced to be locked in a room to give her a brother?”

Zoey Gu was taken aback, only to feel an unspeakable pain that swept all over her body like a knife.

She looked at Liam Lu with an unfamiliar look, and said “I have done everything that I should do, but I am afraid that it would be one more time”, and swallowed again abruptly.

Suddenly she raised her head to look forward to Shiyue.

“parking.”

Liam Lu, who was beside him, suddenly raised his brows unhappy, “Zoey Gu!”

“How can I find Alina Yin without getting off the bus?”

Zoey Gu carefully thought about the time spent with Alina Yin, thought about it, and said seriously.

“We will find it separately, it will be faster.”

After a pause, she said again, “Don’t worry, I won’t leave until Alina Yin finds it.”

She finished speaking blankly, and was about to push the door to get out of the car, but Liam Lu took her hand.

The man stared at him quietly for a moment, then said solemnly.

“Let the more time give you.”

When the car drove to the center of the garden, Zoey Gu took the initiative to let Shiyue stop the car, and refused Shiyue’s proposal to accompany her to find it.

But seeing the darkness of the night, before leaving, Shiyue gave her a sharp dagger to defend herself, and then left with confidence.

When Zoey Gu kicked the dagger into her pocket, she realized that his mobile phone had fallen on Shiyue’s car.

Want to chase, it is too late.

She simply walked along Huayuan Road.

Zoey Gu had brought Alina Yin here before. Along the street there was a parent-child restaurant that the little girl liked, and a large playground.

The parent-child restaurant was facing the street, and it was night again, the door was closed tightly, and Alina Yin had no chance to hide in.

It’s the large playground. The railing gap on the side of the back door is large enough to accommodate a child.

In addition, Zoey Gu was thin and almost effortlessly, so she squeezed in sideways.

The playground was dark at night.

Zoey Gu didn’t bring her mobile phone, so she could only use the faint light outside, squinted her eyes to find every place, and shouted in a low voice.

“Alina Yin?”

“Alina Yin, are you here? If you are, would you please answer Aunt Gu with a voice?”

Click.

In the darkness not far behind, a loud noise suddenly rang.

Zoey Gu turned around abruptly, and straightened her body all of a sudden, and her whole body's hairs stood up instantly!

She held her breath, and tremblingly took the dagger that she had left her when she took it out of her pocket, holding it tightly in front of her, and slowly walking towards the direction of the sound.

In the next second, a figure suddenly rushed towards her from the side and slammed into her severely.

“what!”

She was slammed into the ground with great force, and the dagger in her hand fell to the ground with a “slap”!
