

Chapter 2001

Mrs. Willson had never been so happy to shake her whole body for a meal.

According to the foreman, she had been busy in the supermarket, and at seven o'clock in the evening, she finally received the meal coupon she was thinking of.

Although she had already had a full meal at noon, Mrs. Willson still looked like a hungry dog that had been confined for three days with this meal in the dining hall. She had a big belly and couldn't stand up.

She couldn't eat anymore. She rested on the canteen seat for half an hour before she stood up reluctantly with her hands on the table.

After eating and drinking, the whole person has energy.

Mrs. Willson wiped her mouth with the back of her hand, and touched her belly with the palm of her hand, feeling satisfied with herself: "Unexpectedly, eating after this labor is so delicious! Today I had enough to eat!"

Immediately, she checked the time and realized that it was already past eight o'clock, so she planned to go home quickly.

Although she has always been selfish, after experiencing all the hardships and difficulties during this period, she has more or less cared about her children and grandchildren.

Thinking of her son and grandson still lying in bed waiting to be fed, Mrs. Willson hurried to the cafeteria window and asked the staff member who was about to leave work: "Excuse me, do you still need these leftovers, steamed buns, and rice?"

The other person looked at her and said helplessly: "Isn't it, old lady, you have eaten three people's meal alone, and you haven't eaten enough?"

Mrs. Willson wiped her mouth in embarrassment and said with a grin: "Hey, I'm full and the children in the family are still hungry. Do you know, they haven't eaten anything for almost two days and nights."

The other party asked in surprise: "Really? When is there still someone who can't eat?"

Mrs. Willson had a hot face and said embarrassedly: "Hey, something happened to my family during this period of time. The eldest daughter-in-law in the family has breast cancer. It is found to be at an advanced stage. The ball is about to die, my eldest son spent all the money at home in order to treat her illness..."

With that said, Mrs. Willson suddenly felt very refreshed in her heart.

It's really cool!

She had long seen Horiyah not pleasing to her eyes. If Ragnar hadn't stopped her, then she herself would have wanted to beat Horiyah to death.

Especially recently, Horiyah has disobeyed her in various ways and even forced her to work. She has long hated her for this in her heart.

Therefore, in front of others, fabricating the rumor that Horiyah was dying of breast cancer made her feel the pleasure of revenge.

When the staff in the cafeteria heard this, they suddenly exclaimed: "Huh? Advanced breast cancer, that would be too miserable..."

"That's not a big deal!" Mrs. Willson sighed, "Hey... My eldest daughter-in-law has advanced breast cancer, and my second daughter-in-law is even more miserable!"

The staff member hurriedly asked: "Lady, what happened to your second daughter-in-law?"

Mrs. Willson said with regret: "Second daughter-in-law has uremia and lives on dialysis all day long. However, on the way to the hospital for dialysis some time ago, she was hit by a car, and her limbs are amputated under her a\$s..." "

The staff were scared and stupefied: "Is this... not so miserable?"

Mrs. Willson said with a face: "What's this? What's worse is yet to come!"

The staff asked: "What could be worse?"

Mrs. Willson said with emotion: "My second daughter-in-law, she had to go to the hospital for dialysis if her leg was gone. It was miserable, but she got a stroke again. Now she has a crooked mouth."

When talking about Elaine, Mrs. Willson felt more resentful in her heart.

Chapter 2002

She wished that Elaine was really as miserable as the one she arranged! She even hopes that the more miserable she is, the better!

However, the staff did not know that she was just talking about it.

The staff felt that normal people, who would curse their family members out of nothing? So what the old lady said must be the truth.

So she said with great sympathy: "No wonder you at this age still come out to work. It's really not easy for you to have things like this one after another at home!"

As she said, she continued: "Lady, we have seven or eight buns left here, almost four rice, and some leftovers. Do you have a lunch box? I'll pack it for you and you can take it home!"

Mrs. Willson was very excited, but she still suppressed her ecstasy, and said with a melancholy expression: "How can I have a lunch box... My daughter-in-law is dying, I can't afford that stuff."

With that said, the old lady saw the plastic bag hanging on the side of the counter, and blurted out: "Why don't you do it, big girl, you put all the leftovers in plastic bags for me, I'll take them home."

The staff nodded hurriedly and said, "I'm fine, as long as you don't dislike it!"

Mrs. Willson hurriedly said: "Don't dislike it, there is no such thing!"

Soon, the staff took out the leftovers for Mrs. Willson, and packed four large plastic bags.

She felt a little regretted when she got started, thinking: "With so many leftovers, it's too damn heavy! How can I carry it back?"

But then she thought about it: "No, I have to take everything. With this food, the family can last for at least two days, otherwise, what is enough to rely on the one hundred earned today?"

Thinking of this, she could only thank the staff, and gritted her teeth and took the four big bags of food home.

On the way back, Mrs. Willson was not willing to take a taxi.

It takes a lot of money to take a taxi home from here, and the one hundred she made for a whole day of hard work, maybe half of it will be lost to a taxi.

After much deliberation, it is better to take the bus.

So, she bought two ham sausages at a roadside store, thinking about using ham sausages to make up for Noah and Harold, just to give the change to take the bus driver.

On the bus, other old people swiped their old people's card to ride for free. Mrs. Willson didn't have one, so she could only put a dollar in the coin box.

In fact, she had known for a long time that when the elderly with local household registration reached 65 years of age, they could go to the civil affairs department to get a free bus ride for the elderly.

However, Mrs. Willson never took the bus when she went out. She had a full-time driver with a dedicated car. At that time, how could she deserve the free bus card for the elderly?

For her at that time, let alone using this card, even if it was used, it was a shame.

But now she regrets it, and at the same time she muttered in her heart: "It seems that after the Chinese New Year, when people go to work, I should hurry to get the card for the elderly, so at least I don't need to pay the bus and save some money each day. This way I can save a lot in one month!"

Carrying a few large bags of food, Mrs. Willson finally returned to the Tomson Villa.

Walking into the entrance of Tomson, when she was about to brush the gates, a well-dressed middle-aged woman pinched her nose and shouted at her: "Where is the old lady? Coming here with a swill? Do you know what this is not such a place? This is Tomson! You can't afford to buy any house here for several lifetimes!"

Mrs. Willson was vomiting blood tiredly. Seeing a woman who had popped out from somewhere, she yelled at her, and suddenly cursed: "Fcuk your mother! Do you know where the old mother lives? I live in villa a04! If you look at your bird, it looks like a pheasant, and I think you live on the outer flat floor at most!"

As soon as the woman heard this, she rushed in angrily, slapped Mrs. Willson directly, and cursed: "Dead old lady, the old lady's set of more than 20 million flat layers, you fcuking dare to laugh at me? You are so poor, and you dare to say that you live in a villa, you fucking deserve it too?!"

Chapter 2003

Mrs. Willson never expected that after a hard day's work, she would not even be willing to hit a car when she came back, and finally reached the door of her house, she was slapped in the face by an unknown woman.

The woman smoked her, and scolded her eyes cracking: "Bad old lady, you ate damn pig food, and came to Tomson to pretend to be a good one. Really have a problem with your brain!"

After finishing speaking, she immediately shouted to the security guard not far away: "Hey, come here, are you fucking blind? I spent more than 20 million to buy a house in your place. Do you serve distinguished owners like this? The bad old women who are inferior to pigs and dogs like this come in, who will protect the mood and interests of the owner?"

The security is also very nervous.

Mrs. Willson looked somewhat haggard, with a tired face, she didn't look like an old lady from a wealthy family.

Moreover, she was carrying four large plastic bags in her hand, which were filled with steamed buns and rice, as well as the horrible vegetable soup, which was even more inconsistent with the characteristics of the owners of Tomson.

So, he hurriedly said to the old lady: "I'm sorry old lady, we are a private residence here, and we can't get away with other people. Please leave as soon as possible."

Mrs. Willson trembled angrily.

Even if she is not the owner of Tomson, at least she is also a tenant of Tomson! And it is the tenant of Tomson's top villa! Why should she be beaten and driven out? !

The angrily Mrs. Willson immediately took out the card, shaking her hand a few times, and said angrily: "Keep your dog eyes open and show me clearly, this is the access control card for the gate of Tomson First Grade!"

The security guard and the female owner were immediately stunned.

The access control card of Tomson is very elegant, and there is a unique logo on the card. One of them is the owner and the other works here, so they are familiar with this card.

When they saw this card, they both had a question in their hearts: "Is this bad old lady really the owner of a Tomson Villa?"

The middle-aged woman opened the mouth and said: "Just take out a card, who knows if it is true or not, so dare you to try it!"

Mrs. Willson said angrily: "Okay! You wait! I'll show it to you!"

After that, she immediately swiped the induction area stuck on the gate.

The turnstile immediately sounded a prompt: "Hello, honorable resident of Villa A04, welcome to you home!"

In Tomson, residents are divided into two categories.

The first category is the owner, that is, the property owner clearly recorded on the property certificate of the property.

The other category is households.

However, residents should not be underestimated.

After all, most of the households are the immediate family members of the owners, and the less frequent ones are also due to relatives.

For example, Warnia, as the current head of the Song family, is well-known in Aurous Hill. If she buys a villa here, she is the owner, and her grandfather, other elders, and siblings are the residents.

Although the occupants are not the owners, because they are very close to the owners, it is not something ordinary people can afford.

When the middle-aged woman saw that Mrs. Willson had successfully swiped her card, and she was really a resident of Villa A04, she paled with fright!

Although she has a wealth of tens of millions, she is only a middle class in Aurous Hill.

A series of villas, each set at a price of one hundred million to tens of millions, is simply impossible for her to afford.

Chapter 2004

Therefore, she is also very clear in her heart that anyone who can live in a series of villas must have much more energy than herself.

Thinking that she had just slapped the old lady, the woman was already scared to pee.

At this moment, she thought anxiously in her heart: "It's over, it's over! This is really a disaster! Who would have thought that this old lady really has a few brushes! I slapped her just now, in case she wants I can't get through with her, am I in big trouble now?!"

The security guard was trembling in shock.

"What's the matter? This old lady is really a resident of Tomson's first-class villa? Why don't I have any impression of her?"

"Furthermore, everyone who can live in the villa area is either rich or expensive. Since this old lady is so rich, so capable, and with a formidable background, why should she carry a few bags of leftovers and come on foot? What about Tomson first product reputation?"

"Could it be that the rich people nowadays have become popular for eating swill?"

Mrs. Willson asked the woman angrily at this time: "Keep your dog's eyes wide open to see clearly? Now you say, am I a resident of A04?!"

That woman was completely shocked!

Just when she was shivering, not knowing what to do, Jacob happened to be out for a walk.

Although he saw the back of Mrs. Willson, he smelled a smell of leftovers before he could see clearly.

He pinched his nose, planning to go around a little bit.

As soon as he walked to the gate, he swiped his card, and the intelligent voice prompt: "Hello, honorable resident of Villa A05, welcome to your home!"

The gate opened at the sound. As soon as she heard that it was a05, Mrs. Willson looked at it and recognized him at a glance, and hurriedly shouted: "Jacob! Jacob!"

Jacob turned his head and realized that it was his own mother. He said in embarrassment, "Mom, what are you doing here?"

Jacob's mother almost made the woman pee her pants in fright.

She was flustered in her heart: "Dead, dead, so dead today! What is the origin of this old lady?! She lives in villa a04, and her son lives in villa a05. This...this looks like a top family Ah! I actually beat an old lady from a top big family. Will their family find a way to kill me..."

At this time, Mrs. Willson pointed at the woman in front of her, and said angrily to Jacob: "Jacob! This girl beat me! You quickly help me teach her a lesson!"

Jacob felt a little embarrassed.

So he whispered to himself: "First of all, my mother makes trouble all day long. I don't know if others beat her. Even if she beat her, she might be the first to cause trouble."

"Secondly, she treats me so badly. I won't help her out. The people who live in Tomson's first-class residence are either rich or powerful. If I really provoke someone with a reputation, wouldn't I make trouble?"

Thinking of this, he said to Mrs. Willson: "Mom, you should call the police for this kind of thing. Besides, you can't take any scissors for New Year's Eve. How can you fight with others, don't you know?"

Mrs. Willson covered her chest angrily, and was about to give him a moral kidnapping. Jacob had already spoken: "Well, mom, you call the police first. If the police can't solve it, you call me again, just say that, okay?"

After finishing speaking, without waiting for the old lady's response, he said: "Um, Mom, there is something at home, I'll go now."

The voice is down, and he just left.

He didn't want to be entangled by the old lady, let alone have anything to do with the old lady.

After all, tomorrow is New Year's Eve. At this time, what he wants most is to spend the New Year with his family steadily. Nothing else matters.

Chapter 2005

Seeing Jacob running away, Mrs. Willson was angry to death.

She shouted in grief and angrily: "How can there be such a child! It doesn't matter if his own mother is beaten? Is this still a human? It's just a beast!"

But what she didn't know was that the woman on the opposite side was almost shocked.

She didn't know any rift in the relationship between Jacob and Mrs. Willson, but she knew that the two were in a mother-child relationship.

She thought with horror in her heart: "This old woman and the man are obviously mothers and sons, but they don't live in the same villa. Instead, they bought two of the best villas to live next to each other, one set a04 and one a05. What kind of damn family is this? How much money does the family have to take advantage of? How much energy must be behind it?"

When she thought of this, she regretted the trouble she had just made to find the old lady.

So, she nervously hurriedly apologized in a low voice: "Lady, I'm so sorry...I really didn't expect you to be a resident of the villa area...I blamed myself for just now, please don't be like me."

Mrs. Willson scolded angrily: "You slapped me, and then you're done by saying sorry?"

The woman hurriedly asked again: "Then how do you want to solve it...or tell me how can I calm you down? Why don't you slap me? No matter how many times you slap me, I won't fight back! "

Mrs. Willson gritted her teeth, and at that time she wished to rush over and smack the woman's face.

However, she thought carefully: "Although I smoked her to relieve my hatred, it has no practical effect...Instead of this, it is better to ruin her for some money!"

Thinking of this, Mrs. Willson said coldly: "You scolded me and slapped me in the face. You have to give me a little compensation for everything, right?"

The woman nodded without hesitation: "You are right! I am willing to actively compensate! You can say the number, how much is it, I will pay you..."

Mrs. Willson originally wanted to bid ten thousand.

But after thinking for a moment, she felt that calling ten thousand was not appropriate.

The current Mrs. Willson is no longer the old lady like Lafayette before.

Mrs. Willson had a lot of money in her hands, let alone ten thousand, one million might not really be in sight.

However, the current Mrs. Willson has spent a whole day pulling plastic bags in the supermarket for 100, so 10,000 is a huge sum of money for her now.

So, the old lady thought to herself: "After all, she just slapped me. If I ask her for 10,000, what if she gets angry and calls me an extortionist? Isn't it going to take me back to the detention center?"

"In these days, it is not easy to make money. I am exhausted all day working, and only earn one hundred a day. It would be a bargain to get one hundred for a slap... Wouldn't it be called extortion?"

Thinking of this, Mrs. Willson said sharply: "I'm so old, you slap me, the problem can be big or small, but I have always been generous, you give 100, this matter is even a flip!"

"One... one hundred?!" The woman's eyes almost fell to the ground.

She originally thought that since this old lady could afford to live in villa a04, there must be some awesome people at home, and if she beat her today, it was really a mess.

Therefore, even if Mrs. Willson asked her for one hundred and eighty thousand, she also decided to agree without hesitation, and then transfer the funds as quickly as possible to settle the matter.

Unexpectedly, when the old lady spoke, it only cost one hundred...

She was so happy that she nodded and said: "No problem, no problem! I'll get you the money!"

As she said, she took out her wallet, took out one hundred in cash, and handed it to Mrs. Willson, then pointed to the security guard and said, "Lady, we have a witness here.

You just said it to One hundred, and I have given you the money now. You can't trouble me anymore!"

Mrs. Willson was very happy when she held this hundred bill.

Chapter 2006

She thought to herself: "This makes a hundred for a slap, which is more cost-effective than working hard for a day!"

So, she suppressed the excitement in her heart and said: "Okay, forget about it, remember from now on, when you go out, don't look down on people!"

The other party immediately nodded respectfully: "Don't worry, I must remember..."

.....

When Mrs. Willson arrived home with two hundred and four large plastic bags, the smell of food was permeating the house.

The three cooks are Gina and the others.

They were working as cleaners in the supermarket today, one hundred and twenty a day, three people are three hundred and sixty.

This year, three hundred and sixty-three people spent in a restaurant, that is, an ordinary meal.

But if you cook and eat carefully, these three hundred and six are still very rich.

Gina and the others are all from the countryside, and they are quite real. When they think of being tired for a day, they want to eat more meat to reward themselves, so they bought two catties of pork at the vegetable market, and bought some potatoes, beans, and vermicelli. When got home, they went straight to a pot of stew.

Although the cost of a pot of stew is less than one hundred, the portion is really sufficient, and the scent of the pork cannot be suppressed by the range hood.

What's more interesting is that Gina turned off the cooker hood when the simmering pot started to simmer.

Then she deliberately opened the door of the kitchen in order to let the fragrance spread a little wider.

For Noah and Harold on the second floor, this was simply great torture.

This kind of stew, although there is no tall countertop, it is one of the most practical, most appetizing and most greedy dishes for ordinary people.

What's more, Noah and Harold are almost hungry and confused. When they are extremely hungry, their sense of smell becomes extremely sensitive, so a little fragrance can make them crazy.

The two of them thought they were cooking at home, and they wanted to eat it quickly, but they called Horiyah to ask and realized that the rice was not made by their own family, but by three new tenants.

This made the father and son despair to the extreme.

Wendy and Horiyah were equally desperate.

At this moment, Mrs. Willson pushed in with a dark face.

As soon as she entered the door, she cursed and said: "The three old women in the countryside are so presumptuous! The restaurant clearly has a table, and even ran to the coffee table to eat. you really treat this as own home!"

Seeing her come in, Wendy said with excitement: "Grandma, finally you are back! We are almost starving to death. We waited for you to come back and bring us food!"

Harold also cried and said, "Grandma! I'm really hungry. If I don't eat, I will starve to death..."

Mrs. Willson sighed, handed the four plastic bags in her hand to Wendy, and said, "This is for you. Go get a few sets of dishes and eat quickly!"

Seeing the plastic bags in her hand, the Willson family didn't care about where the food came from. They just wanted to eat all into their stomachs quickly.

So, Wendy said excitedly: "Grandma, I will go to the kitchen to get the tableware!"

Horiyah was also very happy and hurriedly said, "You can't finish it by yourself, I'll be with you!"

Mrs. Willson coldly snorted, "Horiyah, stop! Don't eat the food I brought back!"

Chapter 2007

Horiyah didn't expect that Mrs. Willson would turn her face with her at this time.

She pointed to the food in the plastic bags, and said aggrieved: "Mom, what happened to you? Did you bring so much food back to me to eat two bites? I have been hungry for so long..."

Mrs. Willson sneered and said, "If you want to eat, go out to work and earn money by yourself. You rely on an old woman to support you. Do you want to be shameless?!"

Horiyah was immediately anxious, and blurted out: "I was scammed by Jacob! Otherwise, I would be a cashier and earn more than you!"

Mrs. Willson curled her lips: "It doesn't matter to me that you earn more or less. You earn what you earn, and I earn what I earn. Neither of us will take advantage of the other. So you don't want to eat the rice I bring back. Earn and eat for yourself!"

Horiyah immediately looked at her sadly and indignantly, and blurted out: "Old Lady, are you going to get into trouble? You rushed me, and I will run away from home!"

Mrs. Willson laughed and clapped her hands: "Oh, that's great. You go quickly. I can't wait to buy firecrackers to celebrate when you leave! If it wasn't for Regnar to stop me, I would let you get out of our house long ago. Why would I keep you by my side as an eye-catcher? Since you are going to leave, then Regnar will definitely not blame me, it is great!"

Horiyah gritted her teeth: "Okay! Old stuff, let's see!"

Wendy hurriedly came out at this time to finish the game: "Grandma, don't be like that with mom. She has been hungry for so long, so let her eat too!"

"Let her eat?" Mrs. Willson sneered: "I will let the dogs eat what is left but I won't let her eat a bite!"

After that, Mrs. Willson said again: "Give me the food, you go get the dishes, we will eat here as a family of four, let her watch it!"

Horiyah burst into tears immediately and scolded: "Mrs. Willson, I married your Willson family and had children for you. You don't even give me a bite of food now. I am really discouraged!"

Mrs. Willson said contemptuously: "If you want to eat, you can find a way to do it yourself, aren't you good at hooking up with wild men? Go out and hook up again! Maybe you can still make a big money on the list!"

"You..." Horiyah was immediately ashamed and angry.

The old lady always likes to insult her about her work in the black coal mine, but she can't find any powerful way to refute her.

So, she could only stomp her feet in resentment, and gritted her teeth and said: "From today onwards, I, Horiyah and your Willson family, will be cut in two ways!"

After that, she slammed the door and went out and returned to her room.

Noah had no feelings for Horiyah for a long time, so he didn't say a word at this time, and he also hoped that she would disappear quickly.

But Harold beside him was somewhat unbearable.

Although Horiyah has done some humiliating things, but in the final analysis, she is his mother.

Seeing that his mother was about to be forced to run away from home, Harold naturally couldn't bear it, so he said to Mrs. Willson: "Grandma, it's not easy for mom, please forgive her this time!"

Mrs. Willson said coldly: "If anyone talks about this woman, get out of this house with her, I don't care ."

Harold was already starving to stare at Venus, so if anything conflicted with eating, he would definitely choose the latter.

So he immediately closed his mouth with interest, and said no more.

Wendy quickly brought some tableware up, and together with Mrs. Willson, poured the leftovers into the container. Wendy dipped the vegetable soup in two or three bites and finished a steamed bun, and then stuffed another steamed bun in the same way. Into the stomach.

Mrs. Willson had a full stomach, so she took the dishes and fed Noah and Harold who were lying on the bed.

The father and son, like the newly hatched chicks in the nest, opened their mouths and waited to be fed, the moment they finally had the meal, the father and son couldn't help but burst into tears.

Seeing the appearance of the two of them, Mrs. Willson felt a little distressed in her heart, so she said with blushing eyes: "Tomorrow Mom will go to work for another day, buy some noodles and some meat in the evening, and we will make dumplings for a family of four!"

Noah cried and asked, "Mom, can we eat meat dumplings tomorrow?"

Mrs. Willson nodded her head: "Don't worry, you can eat. I will buy it when the time comes and pack it with Wendy for both of you!"

Chapter 2008

Noah said with a dry eye: "Mom, when I get better, I will go out to work, even if I go to a construction site to carry cement, I will do everything possible to make money to subsidize the family, and say nothing to let you go out when you are so old Running around!"

Harold also said vaguely: "Grandma, I will also go then!"

Mrs. Willson nodded and said, "You two will take care of your injuries. When you are well, I will count on you to give me the end of the care!"

When the four of the Willson family finally had a full meal, Horiyah cried dry in her room.

In the midst of hunger and cold, she not only despaired of the Willson family, but also made a decision in her heart to leave.

She does not intend to stay in this home, nor does she intend to stay in Aurous Hill.

She wants to go back to her natal home.

Although her mother's family has little money, and another brother followed her parents to nibble the old, at least her mother's family can take care of her food, so that she won't be so devastated.

However, her family is a little far away. It takes at least five or six hours to take a hard-seat train, and the train ticket costs more than one hundred. The entanglement of going back has become Horiyah's biggest problem.

After thinking about it, she decided to think of a solution from Mrs. Willson.

This night, Mrs. Willson slept very securely because of all day's physical work.

In the wee hours of the morning, Horiyah sneaked into her room and found out two hundred from her pocket.

Of the two hundred, one hundred is the old lady's salary, and the other one hundred, which the old lady received in exchange for a slap in the face.

Seeing these two bills, Horiyah was very excited.

Although two hundred is not much, it is enough to have breakfast after dawn, and then take the train back to parents' house for New Year's Eve!

So she put the money into her pocket almost without thinking, then packed a few pieces of clothes and personal belongings, and before dawn, she left the Tomson with a suitcase.

Before leaving, she left a note in her room with only four words on it: "There will be no deadline."

.....

Early morning on New Year's Eve.

Claire finally started taking a vacation.

However, she had long been used to going to bed early and getting up early, so she got up before seven o'clock to prepare to wash.

Seeing his wife got up, Charlie got up from the bed. Today is New Year's Eve. There are a lot of things to keep them busy at home. Not only do they have to prepare the New Year's Eve dinner, but they also need to get the dumpling stuffing out in advance. The family made dumplings while watching the Spring Festival Gala.

At this moment, Claire's phone rang suddenly, and she said in surprise: "Oh, Elsa called me so early, I don't know what's wrong."

Charlie smiled and said, "Wife, don't you know if you pick it up."

Claire nodded and connected the phone: "Hey, Elsa, why do you call so early?"

Elsa smiled and said: "I have a holiday! so I returned to Eastcliff by plane at noon to accompany my family to eat New Year's Eve dinner."

After that, she said again: "Will it be convenient for you later? I will pay a visit and give uncle and aunt a new year greeting?"

Claire smiled and said, "Convenience is convenience, but you should never buy anything to come home. I don't even care about buying gifts for family. So we have such a good relationship, so don't engage in these formalities."

"Okay!" Elsa said with a smile: "Isn't this just a sentence?"

After all, Elsa added: "By the way, Claire, I will ask my cousin to visit your house with me, is it okay?"

Chapter 2009

Claire and Elsa have known each other for many years and have some understanding of her family situation. Hearing that she is going to bring her cousin, she curiously asked: "Elsa, the cousin you are talking about is Delong, right?"

Elsa smiled and said, "It's him."

"Huh?" Claire suddenly remembered the image of that dude in her mind, and asked in surprise, "What is your cousin doing in Aurous Hill?"

Elsa said: "He, after staying in Eastcliff for a long time, he always makes troubles, so he came to Aurous Hill to practice for a while."

Claire asked in surprise: "Practice? How to temper?"

Elsa smiled and said, "Have a hard time, now he has rented a place to live in the village in the city. The conditions are not ordinary."

Claire couldn't help laughing: "Your cousin is such a domineering person, let him live in the village in the city, it must be great torture for him? It must not be his own decision, after all, Who is so bad?"

Charlie was somewhat embarrassed when he heard this.

After all, he was the culprit who made Delong come to Aurous Hill to live a hard life.

Elsa smiled at this time: "My brother offended a big man in Eastcliff that he couldn't afford. He was required to live a year in Aurous Hill before he could go back. Today I return to Eastcliff to celebrate the New Year to stay here."

Claire pursed her lips and smiled: "To tell the truth, Elsa, your cousin is a bit too arrogant usually. If this time he can really get his heart out, it might be a good thing."

"Yeah." Elsa laughed and said: "When I arrive at your house later, don't mention it in front of him, save him face."

Claire hurriedly said, "Don't worry, I know."

Elsa: "That's OK, let's come over and be there in a while!"

"Okay! I'll wait for you at home!"

After hanging up the phone, Claire said to Charlie: "Husband, Elsa, and her cousin will come home soon."

Charlie nodded and asked, "Would they have lunch at home?"

Claire shook her head: "No, Elsa will take a while and leave. She hurried to the airport and flew back to Eastcliff."

Then, Claire said again: "Oh, by the way, husband, Elsa's cousin will also come over and I will introduce you to him. Her cousin seems to be staying in Aurous Hill for a whole year."

Charlie smiled slightly and said, "I saw her cousin the last time I went to Eastcliff. At that time, you asked me to give Elsa's grandma a birthday gift. Her cousin was also there."

"Really?" Claire asked with a smile: "Then have you had any contact with him?"

Charlie smiled and said, "I didn't have much contact after just chatting a few words."

Claire nodded and said, "Her cousin has a very unpleasant personality. He is very proud of having some money in the family. When he speaks, he can't wait for his nostrils to be open to others. Please don't take it to your heart. After all, he is a guest, and it's a celebration of the New Year, so you should never conflict with others."

Charlie smiled slightly: "Don't worry, I know."

.....

At this moment, Delong is driving the old Mercedes-Benz car given to Elsa by the Emgrand Group, following the directions of the navigation instructions, to Tomson.

Chapter 2010

Elsa, the co-driver, just hung up the phone with Claire, Delon said with a sad face: "Elsa, you can go to Charlie's house by yourself, don't take me with you, I really don't want to take a minute to see him."

Seeing Delong's face full of grievance, Elsa couldn't help but ridicule: "Brother, are you too persuaded? I will take you to Charlie's house for New Year's greetings instead of taking you to Charlie. What are you afraid of fighting?"

Delong sighed: "Hey, Elsa, don't you know, I have seen this Charlie twice in total, and every time I saw him, it was not okay! The first time I swallowed a necklace and had an operation. The second time I was directly asked to ride a bicycle all the way from Eastcliff to Aurous Hill. If this is goodbye, if he is not happy, he wants to send me to Africa for mining, then how am I going to fix it!"

Elsa said seriously: "Brother, you just think too much about it. In fact, Charlie is not bad in nature, and he never bullies people. It's only when others bully him that he will be cruel to others. So you just need to be humble and low-key in front of him, and he will definitely not trouble you."

Delong still sighed with lingering emotions: "Even though you say so, but this person is not in his mood, I don't know if I will offend him because of an unintentional sentence..."

Elsa said, "If this is the case, then you should talk less when you are there. When you meet Charlie, you will respectfully call him Mr. Wade and don't say anything else."

Delong begged: "Oh, can you just go by yourself? Then I will park the car at the door, and I will wait for you in the car."

Elsa pretended to be angry and said, "I just told Claire that you are coming with me together. Claire must have told Charlie too. If you don't go in by then, let me go alone. Charlie might think you have opinions on him! I think you don't give him face!"

After a pause, Elsa said again: "If he is not satisfied with you and puts you on small shoes on purpose, don't blame me for not reminding you. After all, Aurous Hill is his territory, you can't fight him in Eastcliff, let alone. On his turf?"

Hearing this, Delong shrank his neck, and said angrily: "Okay, okay, can't I go..."

Elsa said seriously: "I tell you that Charlie is actually very easy to get along with, but the premise is that you are in front of him, and you must not put on airs. You have to talk to him well. He must be polite to you. If you are Acting with him, then you are done."

After speaking, Elsa said again: "Once I went to a hot spring with Charlie and Claire, a b@stard shoved my car, and then in turn scolded me. He was very arrogant. You know what happened afterward?"

Delong shook his head: "What?"

Elsa said: "Charlie asked his men to come over and engraved two words on that person's forehead with a knife."

Delong was dumbfounded in fright: "Use a knife to engrave on the forehead? Is this too cruel?"

Elsa said: "You didn't see the virtue of that guy. If you see him, you will understand that it is not cruel to engrave on his forehead."

Delong hurriedly asked: "Then can you tell me what words Charlie engraved on his forehead?"

Elsa said: "That guy likes to scold others for being poor, so Charlie asked people to engrave these two words on his forehead."

"Fck..."

Delong was scared out of his forehead sweat, he even had a feeling as if those two words were engraved on his forehead.

He couldn't help but sigh: "This Charlie...what is the difference from the devil? It's simply not as good as a beast!"

Elsa immediately turned her face and blurted out: "I don't allow you to speak ill of Charlie!"

"Ah?" Delong was stunned, and said aggrieved: "Elsa, I am your brother! Why do you turn your elbow out!"

Elsa snorted coldly: "Charlie is the great hero in my mind. If I compare him with you, an unlearned dude, then I will definitely turn my elbow at you!"

Delong's face was crying: "Elsa, do you like Charlie?"

Chapter 2011

Delong suddenly asked a question, so Elsa had no time to cover-up, and the whole person suddenly said in embarrassment: "You...you... don't talk nonsense, I...I don't like Charlie."

"I don't believe you!" Delong curled his lips: "I have been you for so many years, and I can understand women. As you are now, I am sure, you have a crush on Charlie!"

Elsa pretended to be impatient and said: "Oh, whatever you think, I don't bother to tell you."

Delong reminded: "Elsa, Charlie is married, you'd better stay away from him, otherwise, if it spreads that Miss Dong likes a married man, and Dong family's face can be affected by you!"

When Elsa heard this, she suddenly became angry, and blurted out: "You still have the face to say that I have? You swallowed a necklace and performed the operation. The whole city was full of troubles. Who didn't know about it in Eastcliff, and later you Wearing a green helmet and riding a big 28 all the way from Eastcliff to Aurous Hill, the whole Eastcliff is abuzz with this news. Why don't you say that the Kong family's face was lost by you?"

"I..." Delong felt embarrassed and unbearable on his face, and suffocated in his stomach, angrily said: "Elsa, is it necessary? Do we need to hurt each other like this?"

Elsa asked him back: "Who asked you to call me?"

Delong sighed helplessly, and said, "Yes! I really understand that you have a crush on Charlie..."

As he said, he muttered gloomily: "It's so fcking weird! Charlie, a married man, where is it good? Why do you all like him? Every other man in this world is dead. Is he light?"

Elsa no longer concealed what she liked about Charlie, and asked curiously: "Who else likes him?"

Delong said angrily: "It's Warnia from the Song Family in Aurous Hill! Why did I swallow the necklace last time? Isn't it because Warnia had her birthday? I wanted to chase her and marry her. I didn't expect that she would be too lazy to watch the whole process. Look at her, all her attention was on that Charlie, so I got mad, and I choked with Charlie..."

Elsa exclaimed: "Isn't it?! Warnia likes Charlie?! Brother, are you kidding me?"

Delong said depressed: "Can I lie to you? What good is it for me? To be honest, I like Warnia, and she is now the Patriarch of the Song family again. Home is also a great help, I didn't expect that she would not look down upon me!"

Warnia's beautiful and moving appearance immediately appeared in Elsa's mind.

Although Elsa is also the eldest lady of the big family, she really lacks self-confidence in front of Warnia.

First of all, the strength of the Song family is not weaker than that of the Dong family. Secondly, Warnia is indeed a rare top beauty. Not only is she extremely beautiful, but also has a very good temperament. She is definitely an impeccable top beauty.

Elsa even felt that Warnia was the number one beauty in Aurous Hill in the true sense. Although Claire looked no less inferior to Warnia, Claire was still a bit worse than Warnia in temperament.

What's more, Warnia is now the head of the Song family.

This is not comparable to the eldest lady. After all, most eldest ladies of large families will be outsiders who will marry in the future. No large family will give the right of family inheritance to a woman.

But the Song family did so.

Warnia is now in charge of a large family of 100 billion alone, and is definitely the top female rich in China.

Even Sara Gu hasn't actually inherited the Gu family, so if you really want to talk about worth, Warnia is even above Sara!

Such a super beautiful woman who is very beautiful, she also likes Charlie. This made Elsa realize the strong competitive pressure.

Seeing that she stopped talking and looked sad, Delong couldn't help sighing in his heart: "Where is Delong worse than Charlie? Why is he so popular?"

Chapter 2012

Just as Delong drove to Tomson First-Class, in the quiet villa area of Tomson First-Class, a burst of loud curses broke out early in the morning.

It was Mrs. Willson who scolded the street.

She woke up early in the morning and found that the two hundred in her pocket were gone. The first thought was that the money was stolen!

She thought at the time with 80% certainty that her money was stolen by the three including Gina.

But when she wanted to take Horiyah and confront Gina together, she discovered that Horiyah left a note, and the person was no longer there.

At this moment, Mrs. Willson realized that 200 of hard-earned money and was stolen by her eldest daughter-in-law Horiyah.

She exploded at the time!

You know, these two hundred were exchanged for the hardships and sufferings, as well as being beaten and scolded. They didn't have time to spend a penny and were all stolen by Horiyah. How could she not be furious?

So, the angry Mrs. Willson stood on the second-floor terrace and yelled: "Horiyah! You stole my hard-earned money! You must die!"

Wendy hurried over and asked: "Grandma, what's the matter?"

Mrs. Willson cried and said, "Your mother who suffered a thousand swords has stolen my money! My hard-earned money! The money for our family of four to eat dumplings during the Chinese New Year, she stole all of it! Fcuking all of it!"

"Ah?!" Wendy blurted out, "Grandma, what's the matter? Mom stole your money?"

Mrs. Willson handed the note left by Horiyah to Wendy, and cried: "See it for yourself! Your b!tch mother left it! She said that she will have an indefinite future with us!"

When Wendy saw the words, they were indeed mother's handwriting, she was dizzy and blurted: "Mom is gone?! Where did she go? Why didn't she tell me..."

Mrs. Willson cried loudly: "That b!tch girl, she must not want to stay and endure hardship, nor want to be burdened by your father and your brother, so she left without saying goodbye!"

With that said, Mrs. Willson sat on the ground, slapped her hands on the ground, and cried: "This b@stard is really a criminal! She can go as far as she goes. The farther she goes, the better, but why did she steal the old lady's money. Wouldn't her conscience hurt?"

Noah and Harold also heard what the old lady said. Noah shouted in the house: "Mom, what did you say?! Horiyah, that stinky woman, stole your money away?!"

"Yeah!" Mrs. Willson cried and said, "This b@stard woman who has suffered thousands of swords has stolen all my money..."

Noah gritted his teeth and cursed: "Horiyah is a real b!tch! How come I haven't noticed that she is such a b@stard!"

Harold was also extremely angry: "Mom is too much! She left, regardless of whether our family lives or dies?!"

Mrs. Willson cried and said, "No! I can't let her go! Call the police! Call the police!"

Wendy said with a red eye: "But we don't have a mobile phone. The mobile phone has been taken away by Regnar's people..."

Mrs. Willson immediately said to Wendy: "Wendy, you go out to find a public phone. Call 110 on the public phone it is free. Hurry up! The sooner you call the police, the better the chance of catching that stinky woman!"

Chapter 2013

Elaine was cooking on the first floor. Hearing that Mrs. Willson cursed the street early in the morning, she hurried out to watch the excitement.

Here, Charlie and Claire also happened to go downstairs, just to see Elaine coming out.

She hurriedly asked excitedly: "Hey, have you heard that dead old woman scolding the street?"

Charlie and Claire nodded, and Claire said embarrassingly: "Grandma, don't know what's wrong with her, she started cursing on the terrace on the second floor early in the morning."

When Elaine heard this, she said excitedly: "Claire, hurry up! Help me go upstairs and have a look!"

Claire said helplessly, "Mom, what's so good about this..."

Elaine put her right arm on the crutch, patted her left arm on the sitting leg, and blurted out: "Is there anything better than this? Help me go quickly, otherwise, it won't be a good show if I am late!"

Claire could only sigh and said, "Then I will help you up."

Seeing this, Charlie helped Elaine up first and said, "Wife, let me help mom."

Claire nodded and said, "Then I will press the elevator."

The couple supported Elaine all the way up to the third floor. Elaine came to the terrace and looked down, and saw Mrs. Willson next door sitting on the ground of the second-floor terrace screaming.

In the house before, she could only hear Mrs. Willson being noisy, but she couldn't hear what she said. After coming out, her voice became clear immediately.

Mrs. Willson was still scolding at this time: "You are Horiyah who has suffered a thousand swords! You dare to steal the hard-earned money of mine! You have no conscience! The old lady curses you to be hit by a car when you go out!"

When Elaine heard this, she laughed, and shouted: "Hey, old woman, what's the matter? Isn't your eldest daughter-in-law the most filial to you and the one that suits you best? Did she steal your hard-earned money?"

Mrs. Willson suddenly heard Elaine's voice, and when she looked up, she saw Elaine's grinning face. She was angry and gnashed her teeth and cursed: "Elaine, our family affairs have nothing to do with you b!tch! You! Don't talk cold words here!"

Elaine curled her lips: "Oh, you are in your sevens and eighties. You scolded the street on the terrace in the morning. Why do you still have the face to say that I am a shrew? You are so cheeky!"

Mrs. Willson said angrily: "You sh!t! The biggest b!tch in the world is you, Elaine, do you think you can pretend to be a good person if you live in a Tomson first-grade and wear good clothes?"

Elaine was not angry, and said with a smile: "Oh, old lady, you also said, I am now a person who lives in the first-grade Tomson, and the quality of the first-grade Tomson must be mentioned. I can't be like you. You have been living in Tomson, and you ran to steal other people's food. Are you not shameless?"

After that, Elaine hurriedly said, "Oh, yes! The leek stolen from our house last time, did your family eat the leeks well?"

"You...you..." Mrs. Willson trembled angrily, gritted her teeth, and said: "Elaine! You used the daffodils to harm me. I haven't accounted for you yet! You dare to mention this to me?!"

Elaine smiled and said, "You stole our leek, why can't I mention it? I heard that it was because of eating our leek that your eldest daughter-in-law found out that she was pregnant, right? So in the final analysis, you have to thank our leek for this! If it weren't for our leek, your son would like to be a father!"

Mrs. Willson was immediately furious. The incident of eating daffodils and incontinence at home was the most helpless moment in her life. Whenever she thinks about it, she feels like a knife.

In addition, she was already immersed in the pain of stolen hard-earned money and couldn't help herself, and now she was ridiculed by Elaine's old story again, so the fire in her heart was about to ignite this villa!

Just when she wanted to scold Elaine and didn't know where to make her mouth, a police car hurriedly drove downstairs.

Several police officers got out of the car, and Wendy quickly opened the door, so one of the police officers asked Wendy, "Is it the call from your family?"

Wendy hurriedly said: "Yes, yes, it was my grandma who asked me to call..."

When Mrs. Willson heard this, she hurriedly got up, squatted on the balcony guardrail, and blurted out crying bitterly, "Comrade police officer, you must help us to call the shots! Our house has been ransacked! The hard-earned money is gone! Can't live anymore!"

Chapter 2014

When several police officers heard this, they immediately became energetic.

After all, people who can live in Tomson First Grade have very strong financial strength. The "hard-earned money" they call must be an astronomical figure.

Even if you want to come, people who can live in a villa of more than one billion at will, what is three to five million to them? The estimate of thirty to fifty million is frowning.

But seeing this old lady's whole body behaving like this, it seems that this amount has to be more than 30-50 million!

Maybe, this is still an extremely large theft!

Therefore, several people hurried in and asked Wendy directly: "When did the theft happen? How much was stolen?"

Wendy was a little embarrassed and said: "This...please go to the second floor and ask my grandma, the money lost is hers. She knows the situation best."

"OK, fine!"

Several police officers hurried upstairs, led by Wendy, to the bedroom on the second floor.

Seeing two men sleeping in the bedroom on the second floor, one old and one young, the police officer was also a little surprised, but he didn't think much about it. He went straight to the terrace and asked Mrs. Willson: "Lady, did you lose your property?"

"Yes! It's me!" Mrs. Willson said angrily: "A woman named Horiyah! Stole my hard-earned money and ran away! You must catch her!"

The police officer nodded hurriedly, took out the police officer's handheld computer, and said, "Do you know the specific information of Horiyah? Such as hometown and age. If you have an ID number, it would be great! In that case, we can directly locate specific information and start arresting immediately."

"ID number?" Mrs. Willson thought for a while and asked Wendy: "Do you know your mother's ID number?"

Wendy said embarrassingly: "I...I can only remember a small part, not all..."

Mrs. Willson hurriedly said, "Go find your father's marriage certificate with her! There must be her ID number on it!"

Wendy nodded: "OK, grandma, I'm going to find..."

Several police officers exchanged glances, and the leader asked, "Lady, what is the relationship with Horiyah who stole your money?"

Mrs. Willson gritted her teeth and said: "That b!tch is my eldest daughter-in-law! I am really a guard against day and night. I didn't expect house thieves to be hard to guard against!"

The police officer in the lead said embarrassingly: "If she is from your own family, you must carefully consider whether to take legal procedures, because theft is not a trivial matter, it is a criminal offense."

After a pause, he said again: "If you really want to claim that she made the theft, then after we open the case for investigation, we will transfer it to the prosecutors to initiate a prosecution. In case of a felony conviction, it will take at least a few years or even After more than ten years in prison, you and your daughter-in-law are a family. There is no need to be so serious, right?"

Mrs. Willson coldly snorted, "Really? I not only want to be true but also to be true to death! It's best if you catch her and sentence her to life imprisonment! Even if she dares to steal my money, she has turned her back! Let her know today that I am definitely not something she can bully if she wants to! I must give her some color!"

Seeing this, the lead policeman stopped persuading, and nodded: "Since you claim that the other party is stealing your property, then we will proceed according to the theft case."

Mrs. Willson nodded hurriedly: "Yes, yes! It's just going to follow the theft case and catch her! Jail her!"

The lead policeman asked again: "Lady, how much property did you lose this time? Including but not limited to cash, creditor's rights, and any valuable personal items."

The old lady blurted out: "She stole two hundred from me! That's all my hard-earned money!"

The police officer was immediately stunned: "How...how much?! Two hundred?!"

Chapter 2015

Facing the police officer's confirmation, Mrs. Willson nodded and gritted her teeth and said: "Yes, it's two hundred!"

The police officer thought there was a problem with his ears.

"An old lady who lives in the best villa of Tomson, will call the police for two hundred? It's not right..."

Thinking of this, he secretly thought: "Could it be that rich people talk like this, saying that two million are two hundred? The last time the classmates' reunion, the rich second generation in the class said that the same was true of his luxury car. It is obviously a Rolls-Royce with more than five million. When it comes to how much it is, he said lightly about more than five hundred. Is this a common problem of the rich?"

But thinking of this, he was a little puzzled: "It stands to reason that this old lady has a net worth of over 100 million, even if she loses two million, she won't be so excited?"

So he looked at the old lady again and said, "Hello old lady, I will confirm with you again. You said your daughter-in-law, that is, Horiyah stole two hundred from you. This two hundred refers to Two million, right?"

"No." Mrs. Willson said: "It's two hundred only, two hundred, cash, two hundred yuan!"

"Ah?!" The chins of several police officers all wanted to fall to the ground.

The leader said embarrassingly: "Lady, your eldest daughter-in-law took your two hundred, you called the police to arrest her?"

Mrs. Willson raised her eyebrows and asked, "What's wrong? Can't I? She stole my hard-earned money, can't I call the police yet?"

The police officer in the lead said embarrassingly: "It is okay, but I have to tell you basic legal knowledge. According to the definition of theft in our country's laws, the penalty for theft is that the amount involved must be at least a large amount. Standard."

After speaking, he explained: "The threshold for this relatively large amount is between 1,000 and more than 3,000. If this standard is not met, there is no way to pursue criminal responsibility."

Mrs. Willson frowned and said, "What the hell?! She stole my hard-earned money! Did you know that I only made a hundred salary after a hard day yesterday! I was slapped in the face by someone else? I earned another hundred! And the two hundred is the money for our family to eat dumplings during the New Year!"

The policemen were all silly, and thought to themselves: "This old lady is joking with us, right? Living in such a big villa, calling the police for two hundred? And the two hundred is still earning one hundred from working. , Was beaten to earn a hundred? Most people are not poor enough, not to mention that she still lives in such a big luxury villa? This is too magical!"

However, he can only patiently explain: "There is no way, old lady, this is clearly stipulated by the law. If the other party only steals two hundred from you, we really have no way to file a case. We can only register you for the record first. In the future, she has met the criteria for filing a case because of other things, and we can try to help you recover the loss."

Mrs. Willson hurriedly said: "Then I remembered wrong! She didn't steal two hundred, but two thousand!"

The police officer said embarrassingly: "How much money she stole from you depends on the detection of the case. Even if you say it is two thousand, we filed the case and the person is caught. In the end, it is discovered that you were lying. If the standard for filing a case is not met, then you are legally responsible for your lies."

Then, the police officer reminded her: "Also, the old lady, I want to explain to you that even if it reaches two thousand, it is only control, not detention. Do you understand the meaning of control? Do not detain the other party, just Personal freedom is restricted to a certain extent and community corrections are carried out on a regular basis. At that time, you may be required not to leave Aurous Hill or the street where your villa is

located. Then you can do some community corrections and you will basically pass the barrier."

"What?!" Mrs. Willson blurted out: "Your management is too loose, right?! This is theft!"

The police officer sighed helplessly: "Let's put it this way, old lady, the theft is indeed a crime, but there must be a degree of accountability. If a student comes to report that the same table has stolen his rubber, worth a dollar, we will also go arresting people? This is not appropriate!"

Chapter 2016

After that, the policeman said again: "Lady, if your daughter-in-law only stole two hundred from you, we really can't file a case on this matter. I blame her for stealing too little, even if she took and sold the TV stealthily. Let's calculate the price at the time the TV was purchased. It's enough to file a case, but she didn't steal your TV after all!"

The police officer just used the TV as an analogy, but Mrs. Willson suddenly thought about selling the TV in Regnar's villa together with Harold and Noah. She was shocked and asked nervously: "Comrade police officer, if you steal a TV worth 100,000, how will you be sentenced?"

The police officer said seriously: "If this TV is really worth 100,000, then the amount is extremely huge. As long as the value of the theft reaches 60,000, then the basic penalty is ten years. On this basis, for every additional 4,200, the sentence is increased by one month, and if a TV is worth 100,000, it is almost sentenced to 11 years in prison."

"What?!" Mrs. Willson was shocked!

"Stealing a TV is sentenced to eleven years?! This is too terrible, right?!"

"Fortunately, Regnar didn't call the police at the time! Otherwise, I'm so old, I was probably going to die in prison directly by then..."

In the room, Noah Willson and Harold lying on the bed were also frightened by these words.

Harold trembled in fright. Immediately, Noah next to him felt a damp heat coming from the sheets, and blurted out, "Harold...you...how did you wet the bed?!"

Harold said in a low voice with a bitter face: "Dad, I'm afraid...Stealing the TV is sentenced to 11 years, which is too scary..."

Noah was particularly helpless, and sighed repeatedly: "Hey! It's scary, it's scary, but don't wet the bed! Now it's good, my pants are all wet by you..."

Harold's mouth flattened and his voice choked: "Dad...I'm sorry...I really didn't hold it back...I promise not to do it anymore..."

Jacob nodded bitterly, and said in a low voice: "Listen to what the police officers say...Your grandma is also right. What is the point of reporting two hundred to the police! What's the point! If you tell me about selling TV, you might have to hurt everyone..."

At this time, Mrs. Willson was also a little panicked.

She really did not expect that Horiyah stole two hundred from her, which was not even enough for the filing standard.

But her family secretly sold Regnar's TV, but it was enough to be sentenced to more than ten years, which really scared her.

The police officer saw that the old lady's face was wrong and thought that the old lady was simply angry, so he said, "You should try to deal with this matter inside the family. To be honest, two hundred is in the current society, where is it? It's not too much, and you don't have to hold on to it. No matter how the family has feelings, it won't turn around for two hundred, don't you think?"

Mrs. Willson sighed depressed, and said, "Okay, let's do it, it's a b!tch!"

The officer nodded: "You can drive as long as you want. If there is nothing wrong, we will leave first."

At this time, Wendy came over with the marriage certificate and said: "Police officer, here is the marriage certificate."

Mrs. Willson angrily said, "What kind of marriage certificate do you still have? Send the officers off quickly!"

Chapter 2017

Elaine on the terrace on the third floor, seeing the old lady let Wendy send a group of police officers away, she said with a grin in her throat: "Oh, I say old lady, don't you want to call the police to arrest your eldest daughter-in-law? Why? At this time, your heart is soft again? It seems that you still have a soft spot for your eldest daughter-in-law!"

Mrs. Willson felt uncomfortable at first, but when Elaine was chattering on the other side again, she became angry and cursed: "Elaine, my family's affairs have nothing to do with you, don't chirp here!"

"Oh, don't you think I'm crooked?" Elaine sneered, "Don't live next door to our house if you don't think I'm crooked!"

As she said, Elaine sneered: "I heard Jacob say yesterday that you went to the supermarket to work? Okay, old lady, you didn't do anything for the whole of your life. When you get old, you start working hard for your career? But I heard that your career seems boring, just pulling plastic bags at the supermarket!"

Mrs. Willson was furious, and sternly scolded: "What am I doing has anything to do with you? Is it necessary for you to point your fingers here?"

Elaine smiled and said, "What you are doing has nothing to do with me. I just sigh with emotion that your old thing will have today."

As she said, Elaine laughed at her and sighed: "Oh, forget it, since you are so poor that you are going to work in the supermarket, what can I care about with people like you? I'm not a member of your family anymore. I live a life that you can't dream of. I wasted all these tongues with you and played the piano for cows, so I can only wish you good luck."

Mrs. Willson's blood rushed to the top of her head by Elaine's words, and she gritted her teeth and said: "Elaine! Please pay attention when thunder and rain, I think you will be killed by thunder sooner or later!"

Elaine laughed and said: "You old thing do all the bad things, otherwise you will oppress your two sons, control the financial power of the family, and sell your own granddaughter's body in exchange for prosperity and wealth. In my opinion, if God is really eye-catching, the chance of thunder smashing you to death is much greater than smashing me to death! It smashes you to death eight times, and can't kill me once!"

Mrs. Willson almost collapsed. She jumped and cursed: "You... don't squirt dung here!"

Elaine waved her hand impatiently: "If you do the old thing, don't fix the useless ones. Let's see who has a good life. You can see that my leg is injured. My son-in-law gave me hundreds of thousands. Just to buy on the Internet, how about you? You are so poor that you can't eat enough to go to the supermarket to work. That is the gap between the Phoenix and the pheasant!"

Mrs. Willson was out of breath, she was completely speechless, she only felt her blood pressure rise suddenly, and it rushed straight to her forehead.

At this time, Elaine didn't plan to let her go, and sneered: "Old stuff, if you are really poor and can't eat, I can give you a trick. Don't forget that you were mixed in the detention center at the beginning. In the beginning, there was Gina and the others covering you. How cool were you? From my point of view, you might as well go out and do something sneaky right now, and then wait to go to the detention center to eat food for free!"

After finishing speaking, Elaine waved to Charlie and Claire: "Good son-in-law, good girl, let's go downstairs to eat, don't be familiar with that old thing!"

As soon as she finished speaking, she turned her head and said to Mrs. Willson: "Oh, old stuff, I'm going to eat first. By the way, I will tell you that our breakfast is very rich, with chicken feet in black bean sauce, steamed pork ribs in black bean sauce, and fresh shrimp. Barbecued pork buns, oh yes, and sashimi fish porridge. They are all authentic Cantonese morning tea. I am going hungry!"

Mrs. Willson was overwhelmed by blood pressure, she felt dizzy and almost fell to the ground.

At this time, Wendy just came back, and when she saw this, she hurriedly supported her.

But even though Mrs. Willson was dizzy, she still cursed hoarsely: "Elaine, don't go, I will never spare you today! You will come out!"

Elaine was so addicted to her mouth that she didn't bother to continue to talk to her, and said directly to Charlie: "Good son-in-law, help mom downstairs."

Claire followed behind and asked, "Mom, where do we get so many Cantonese refreshments?"

Chapter 2018

Elaine smiled and said, "Silly girl, I lied to her. Where can I buy Cantonese-style refreshments for the Chinese New Year? Besides, I can't do it. I'm just angry with that bad old lady!"

Elaine continued, "Don't you know that your grandma usually likes Cantonese-style tea, so she goes to the teahouse to have it all morning. Every time she goes there, she eats a meal like Empress Dowager Cixi, one big table, now she has fallen into a family of despair, I still can't stimulate her well?"

Claire sighed helplessly, and said, "Mom, should you turn over the grudge you had with grandma? She is so old, so don't be familiar with her."

Elaine said disdainfully: "What about getting older? I tell you, there are a group of people in this society. The older she gets, the worse she gets! This kind of people, the older they are, the more they can't breathe. It was able to save bad water in my stomach, and it smelled bad! Back in the detention center, you didn't know how she tortured me. I didn't rush to kill her. It is all my kindness!"

Claire had nothing to do with this mother, so she asked, "Okay, mom, then what do we have for breakfast?"

Elaine said: "I have noodles for breakfast, I ordered tomato and egg noodles."

After finishing speaking, she looked at Charlie and said flatly, "Good son-in-law, don't dislike it. When your mother's legs are ready, I will go out to buy all kinds of big fish and meat every day, and make a big meal for you!"

Charlie smiled and said, "Mom, I'm not picky about eating. You should make more delicious food for Claire."

"Sure for sure!" Elaine said with a grin: "At the beginning of pregnancy, it is necessary to eat healthily."

Claire said shyly: "Mom... why are you talking nonsense again..."

Elaine said solemnly: "How can this be called nonsense? Mom is here. Before a woman wants to have a baby, she must be healthy. Don't be like your mother. You will get pregnant if you are confused."

Charlie was embarrassed when he heard it, and thought: "Obviously you used Jacob to get drunk and take the initiative to have a relationship with him. It can be regarded as deliberate, how can you become pregnant if you are confused?"

Claire didn't want to continue discussing this topic with her mother at this time, and she said, "By the way, Mom, Elsa will come and stay with her cousin for a while. Then you can stop talking nonsense."

Elaine asked in surprise, "Elsa is coming? She hasn't returned to Eastcliff yet?"

Claire nodded: "Not returned. Does she not work in the Emgrand Group? Office workers only have a holiday today, so she will visit our house first, and then return to Eastcliff for the New Year."

Elaine asked again: "Will she come back to work after the New Year?"

"She will." Claire said: "She likes the job of the Emgrand Group."

Elaine smacked her lips, and said seriously, "It feels a bit wrong!"

Claire asked in surprise, "What's wrong?"

Elaine said very seriously: "The Dong family is so powerful, how can she look for a job in the Emgrand Group? And she has been working for so long, I think, she must have another plan!"

Chapter 2019

Charlie didn't expect Elaine to judge Elsa so accurately.

In fact, when Elsa first arrived at the Emgrand Group, Charlie had already guessed her motive.

The Dong family must have heard that the Wade family arranged a descendant in Aurous Hill and also bought the Emgrand Group as a gift to the other party. Therefore, the Dong family felt that this was a good opportunity to get ahead, so Elsa was arranged.

Originally, Charlie planned to prevent Elsa from contacting him in the Emgrand Group. As a result, she could not find his true body for a long time, and believed that she would leave Aurous Hill soon.

But who would have thought that Elsa fell in love with him by chance?

From the moment she confessed to Charlie, Charlie knew in his heart that it would be impossible for this woman to shake off for a while.

Here, Claire heard her mother say that Elsa came to Aurous Hill because she actually had other plans, so she couldn't help but smile: "Mom, wherever you want to go, people just come to work. There are no other plans."

Elaine smiled and said: "Then I ask you, if your family has a hundred billion, would you go to a job with an annual salary of several million a year?"

Claire thought for a while and said: "She may just want to be an independent woman, or just want to work hard on her own in the workplace, or simply because of feelings."

"Feelings?!" Elaine waved her hand and said solemnly: "Oh my daughter, you don't understand! In this world, the pauper may be with a bit of so-called feelings, but the rich definitely don't!"

As he said, Elaine said with a certain face: "These rich people, all of them are unprofitable guys, all of their energy is focused on making money, and I can't wait to

sh!t to use it. Click to create a little value, so it is impossible to come to a small place to waste time!"

"The only explanation is that they have taken a fancy to something in this small place. Maybe, what valuable treasure is hidden in Aurous Hill!"

Claire said helplessly, "Mom, it was a very simple thing, how can you say it is so mysterious..."

Elaine said solemnly: "Don't believe it! When I was young, I heard my grandma say that their hometown was in a mountain nest, and they didn't see a few outsiders throughout the year. The rich would never go to them, but from the beginning of the year, there will be several wealthy people who go to them to donate money to build temples, some donate land temples, and some donate Guanyin temples, saying that their gods are very effective..."

"The people in the mountains are very puzzled, thinking, I haven't heard of any very efficacious gods here. If there are real gods, how can we be so poor and have a meal without a meal? This is not logical, right?"

Claire nodded: "It's a bit strange, then?"

Elaine said: "Then it has been this way for several years, dozens of large and small temples have been built, but everyone is still poor and dying, until a great detective from Eastcliff came all the way to investigate the case in the mountains. Everyone realized that those rich people came to the mountain to donate to the temple to steal a tomb from the Han Dynasty!"

"Ah? Tomb robbers?" Claire said embarrassingly, "Mom, are you reading too many novels? Where are so many tomb robbers in novels!"

Elaine said seriously: "Do you think the tomb robber in the novel is mysterious? I tell you, there are more tomb robbers in reality than described in the novel!"

After that, Elaine rolled her sleeves and gestured with her hands excitedly: "I tell you, that tomb is under the mountain behind your grandma's house, but the villagers have never known it! In those few years, All kinds of tomb robbers used the donations to

build the temple and punched dozens of holes under the temple, almost hollowing out the bottom of the mountain!”

Chapter 2020

Claire smiled and said: “Mom, the more you talk, the more mysterious you are, and you are digging holes...Do you think you are touching Captain Jin?”

Elaine saw that Claire didn’t believe in her, so she couldn’t help but anxious, and blurted out, “You girl, you don’t believe what mom said! My grandma’s house has opened a lot of tombs over the years. Not far from my grandma’s house, a particularly famous tomb of Haihunhou was unearthed. Have you heard of the tomb of Haihunhou?”

Claire nodded: “I heard that it seems to be a very important archaeological discovery. What’s wrong with this tomb?”

“What’s the matter?” Elaine hummed: “I tell you, the reason why this tomb was discovered by the cultural relics department is that when the tomb robbers robbed the hole, they alarmed the nearby villagers. After the villagers called the police, the talents of the cultural relics department knew that there was a large tomb there, and the tomb of Haiyunhou’s wife was also in front of him. It had been stolen by tomb robbers long ago. It is said that there are dozens of thief holes punched in from all directions!”

Claire was stunned at hearing, “Are these tomb robbers really so powerful?”

Elaine was a little anxious, and said, “If you don’t believe me, search online!”

Charlie on the side nodded in agreement: “Wife, you are indeed a little ignorant about this matter. Actually, there are many very powerful craftsmen in the folk. The tomb robbers you read in novels are actually too many in real life, don’t believe me. Ask your dad, every year in the antique circle, many unearthed cultural relics are privately traded underneath. To put it bluntly, they are items stolen by tomb robbers.”

After speaking, Charlie said again: “A dozen or twenty years ago, a case of theft of Cordyceps Sinensis occurred in a provincial capital city in the central region. A shop that operated Cordyceps was stolen overnight with 200 kilograms worth thousands of Wan’s Cordyceps, do you know how the other party stole it?”

Claire shook her head: "How did they steal it?"

Charlie said: "It was a thief and stole it. They rented the shop opposite to the Cordyceps shop, drilled tens of meters underground, and went directly to the ground of the Cordyceps shop, and then drilled out and stole all the Cordyceps."

Claire was surprised and said: "This is too amazing..."

Charlie nodded: "Aside from their illegal and criminal behavior, just talk about their craftsmanship in drilling holes, it is indeed very powerful."

Elaine looked at Claire and said, "Now you believe me?"

Claire nodded, "Mom, I believe..."

Elaine gave a hum, and then said: "Then now, you understand what is meant by unprofitable and profitable, right? For tomb raiders, if it weren't for the ancient tomb in the mountains, who would go to that kind of poor country to donate? Temple? That's the same with Elsa. If it weren't for Aurous Hill's profit, why would she be the eldest lady of the Eastcliff family and waste her time here? That's why I say, Aurous Hill must have a big treasure we don't expect!"

Claire frowned and said, "But there is no treasure in Aurous Hill. Even if there is an ancient tomb, it is impossible for the Dong family to steal the tomb!"

Elaine said, "The big treasure I'm talking about may not be an ancient tomb! Maybe there are hidden great men in Aurous Hill!"

Claire smiled and said, "Big man? What big man can interest Eastcliff's family?"

After she finished speaking, she pointed to Charlie and ridiculed: "Many people in Aurous Hill call your son-in-law Master Wade, saying that your son-in-law is a real dragon in the world, is he a hidden great figure."

Chapter 2021

When Charlie heard Claire's ridicule, his heart shook.

He was really afraid that his mother-in-law and his wife would have nothing to do with the reasoning here, pushing and pulling his true identity.

Therefore, Charlie was really nervous when he heard Claire put her doubts directly on him.

At this time, Elaine waved her hand, looked at Charlie, and said with a flattering smile: "Claire, what you say is unlikely. Although my good son-in-law is promising now, it is also a recent thing. , When Elsa came to Aurous Hill, the good son-in-law hadn't raised his head yet, did you forget that at that time, Harold's cripple gadgets dared to be like my good son-in-law?"

Claire smiled helplessly: "Then I really don't know what the big baby you are talking about is."

Elaine smiled: "It doesn't really matter who it is, and it has nothing to do with our family. I say so much, but I just want to tell you that your girlfriend is not easy, and she must have kept a big secret in her heart."

Claire said: "Let her go, even if she hides a big secret, it has nothing to do with me, and I don't want to spy on her privacy."

After that, Claire asked again: "If Elsa is here for a while, mom, don't ask me, don't make it seem like we are gossiping."

Elaine nodded: "Okay, I won't talk much then."

Charlie was relieved.

When they got downstairs, Jacob was already sitting in the dining room eating noodles.

Seeing the three of them come down, he asked: "What are you three going to see? Mother was making noise outside early in the morning?"

Elaine grinned and said, "Oh, Jacob, your mother is so prosperous now, and she has learned to swear publicly on the balcony. It seems to be that Horiyah stole her hard-earned money. Your mother is swearing and calling the police to arrest her Yeah!"

Jacob murmured: "My mother's ability to scold the street on the balcony is far worse than you used to scold the people in the entire community on the balcony."

Elaine immediately patted the table: "Jacob, what are you talking about?!"

Jacob hurriedly waved his hand: "I didn't say anything."

Afterwards, he quickly turned away from the subject and said: "What is Horiyah doing stealing my mother's money? Which one are they singing this?"

Seeing Jacob's change in time, Elaine didn't continue to question him. After glaring at him, she continued, "I don't know which one they sang in the end."

Jacob sighed: "It is a good day, so I have to do it all day long. Now it's okay. The family business my dad created has been completely sent to dogs by them."

Elaine curled her lips: "It doesn't matter if they clean up the family business, it has nothing to do with us, as long as they don't come to us with a calm face!"

Jacob nodded with a complicated expression, and said nothing.

After the three of them had breakfast, Elsa and Delong arrived.

The two came to the door carrying large and small bags of gifts. As soon as they entered the door, Elsa warmly said to Jacob and Elaine: "Happy new year, uncle and aunt! I have come to pay you two New Year wishes in advance!"

After speaking, she looked at Claire and Charlie: "Claire, Charlie, happy new year to you too!"

Claire and Charlie said in unison: "Happy new year."

Delong followed Elsa, who looked like a little chicken, and when he saw Charlie, his liver trembled even more.

Elsa pointed to Delong next to her and said: "This is my cousin, Delong, cousin, you can say hello to everyone."

As soon as she finished speaking, DeLong said tremblingly: "Happy new year for uncle and aunt, happy new year for Miss Willson, happy new year for Mr. Wade."

After speaking, he bowed ninety degrees.

Elaine looked silly.

Although she didn't know DeLong, she had heard of him and knew that Elsa's aunt was married to the Eastcliff Kevin family, and she also knew that the Kevin family was also a powerful family.

However, she could not imagine that DeLong, as the young master of the this family, was so polite, even a little overly polite, and she thought to herself: "Oh dear, is this Kevin progeny so good? The young master came out to a small family like us in a small place visited and bowed ninety degrees as soon as he came up. Isn't this too grand?"

She didn't know that DeLong was originally one of the most arrogant and domineering second generation in Eastcliff. The reason why he is now honestly like a quail is entire because he was scared of Charlie.

DeLong came to Aurous Hill by bicycle from Eastcliff. Charlie stipulated that he must arrive within fifteen days, but it took him almost twenty days.

Therefore, he was afraid that Charlie would settle accounts with him. If he was unhappy and allowed him to stay in Aurous Hill for another year, wouldn't he be broken?

Chapter 2022

Thinking of this, he immediately said to Charlie subconsciously: "Mr. Wade, I'm so sorry, I was delayed for a few days on the road, and I was late..."

Claire, Jacob and Elaine were even more surprised.

Why did DeLong apologize to Charlie for? Do they know each other?

Seeing that everyone in his family was surprised, Charlie had an idea, and smiled slightly: "Master Kevin is polite, since I said to invite you to dinner, whether you come early or late, I will honor my promise."

Delong was taken aback for a moment, but he didn't understand why Charlie was so polite to him suddenly.

Then he realized that he might have said the wrong thing.

Charlie probably didn't want his family to know about his conflict with him.

Therefore, he hurriedly followed Charlie's words and continued: "If this is the case, thank you Mr. Wade in advance. Let's wait for the time in the next year."

Charlie nodded and smiled and said to Claire and his father-in-law and mother-in-law: "When I went to Eastcliff to show others Feng Shui, it happened that Claire was going to celebrate Grandma Dong's birthday. I met Master Kevin at the birthday banquet and heard about him. To come to Aurous Hill, I invited him to dinner after he comes."

Delong also hurriedly nodded: "Yes, I didn't expect that I was delayed for a few days on the way, and it was dragged to the root of the year."

Elaine asked in surprise: "Master Kevin, how did you come from Eastcliff? How can you delay a few days on the road? It takes only ten hours to take this journey? The plane is faster."

Delong said awkwardly: "I...I came here on a bicycle..."

"Ah?!" Elaine, Claire and Jacob were all stunned.

The dignified young master of the Kevin family came to Aurous Hill from Eastcliff on a bicycle. What is he doing in this cold winter?

Delong saw that everyone was very surprised, so he could only bite the bullet and said: "The reason for riding a bicycle is actually to cultivate the sentiment..."

Several people looked at each other.

Cultivating sentiment? Is the rich second generation so boring these days?

At this time, Elsa quickly came out to ease the embarrassment, and handed the prepared gifts to Jacob and Elaine, and said, "Uncles and aunts, these are some small gifts for you. Please also accept it!"

Jacob said politely: "Oh, Elsa, you came to wish us, that is already a big deal. Why bother with this all. I am embarrassed to make you spend money."

Elaine also echoed: "Yes, Elsa, come to aunt's house, then it's the same as coming to your own house, don't be so polite."

Although Elaine said this, she stretched out her hand while talking, and took the gifts they brought from Elsa and Delong.

Seeing Elaine's leg still in a cast, Elsa couldn't help asking in surprise: "Auntie, are your legs still?"

Elaine sighed: "Hey, it's good, but didn't it happen in an accident two days ago, it was cut off accidentally."

Elsa hurriedly asked: "What did the doctor say? Is it serious?"

Elaine waved her hand: "Hurt! It's nothing serious, just like last time, it's fine to cultivate."

Elsa nodded and said: "Then I wish Auntie a speedy recovery!"

Elaine smiled and said, "Thank you Elsa!"

Claire felt in her heart that her girlfriend came home with so many gifts, but she didn't prepare anything in return for her girlfriend. She was really embarrassed and hurriedly said, "Elsa, you said you are coming to sit at home suddenly. Didn't say hello to me, you have prepared so many gifts for my house, and I don't have time to prepare gifts for you to take back to Eastcliff, how embarrassing..."

Elsa smiled and said, "Why are you so polite with me! When you have the opportunity to come to Eastcliff next time, can you not come to my house and sit?"

As she said, she glanced at Charlie and said to Claire, "Claire, if you have nothing to do after the Chinese New Year, you can come to Eastcliff with Charlie for two days and stay at my house! On the seventh day of the new year, we will come back together!"

Claire smiled and said, "Well, let me see. I can't determine the time yet."

At this time, the doorbell rang.

Jacob hurriedly got up and went over. Through the video intercom screen, he saw that standing outside the door was a very mature and s3xy superb beauty.

Jacob asked in surprise, "Hello, who are you looking for?"

The other party politely asked: "Hello, is this Ms. Claire Willson's home? I am Doris Young from the Emgrand Group. I would like to visit the house, please forgive me!"

Chapter 2023

"Doris?!"

Hearing Doris's name, Jacob recognized that the s3xy beauty at the end of the video turned out to be the vice chairman of Emgrand Group who came to the scene to congratulate him when his daughter's studio opened.

This surprised Jacob.

After all, Doris, as the vice chairman of the Emgrand Group and a well-known business elite in Aurous Hill, is still very well-known in the city.

Moreover, Jacob also knew that the Emgrand Group gave Claire a lot of decoration business, which can be said to be Claire's career.

But he really did not expect that Doris would take the initiative to visit his home, so he hurriedly said to Claire: "Come on, come on, Doris, the vice-chairman of the Emgrand Group is here!"

"Ah?" Claire was surprised, and then a little nervous, and said: "Why is Doris here... I'll open the door for her!"

Elsa was also surprised.

Although Doris's worth is far less than Elsa's, she is after all the vice chairman of the Emgrand Group, the second in command of the Emgrand Group, and Elsa's immediate boss.

Elsa did not expect that her immediate boss would come to visit her girlfriend's house.

Therefore, she was somewhat embarrassed in her heart, but now she couldn't leave, she could only bite the bullet and wait for Doris to come in.

Claire hurriedly invited Doris in. Doris said a little apologetically: "I'm sorry, Ms. Willson, I took the liberty to interrupt."

Claire hurriedly said: "Doris, you are too polite. I should have visited you, but I haven't spared time for these two days. I haven't just started the holiday until today."

Doris nodded, handed over the gift in her hand, and said, "These are some New Year gifts for uncle and aunt. Be careful, please accept it."

Claire was very embarrassed and said, "Ms. Doris...this...this is really inappropriate..."

Doris smiled slightly: "We have been working together for a long time. You and I don't need to be so polite. Compared with our cooperation, this little care is nothing."

At this time, Jacob and Elaine also walked over. Jacob was amazed by the young and capable temperament of Doris, while Elaine focused her attention on the gift box in her hand.

Claire said to Doris enthusiastically: "Doris sits in the living room for a while!"

Doris didn't see Charlie in the hall, and felt a little disappointed. If she had left like this, she would be a little bit regretful. Hearing Claire inviting herself to sit in, she smiled and said, "Excuse me, then. Up!"

Jacob smiled and said, "Don't bother, don't disturb, Doris, please come in and sit down, I will let my son-in-law make a pot of good tea for you!"

When Doris heard that Charlie was asked to make tea for her, she couldn't bear it, she waved her hand and said, "Uncle Willson, you are too polite, don't have to be so troublesome."

"Oh, it's not troublesome! It just so happened that there are guests at home, so let's sit together for a while." Jacob responded with a smile, then walked two steps quickly to the living room and greeted Charlie: "Good son-in-law, quickly make a pot of tea and entertain the three guests."

Charlie nodded, stretched out his hand and opened the kettle on the set of tea.

At this time, Doris also walked into the living room. As soon as she entered the living room, her eyes were focused on Charlie.

Charlie also looked at her, his eyes met, and there was a hint of joy in Doris's eyes.

And Charlie was also a little surprised at Doris in front of him.

Today's Doris does not wear the clothes of a strong woman in the workplace, but wears a light coffee-colored windbreaker, with long wavy hair draped over her shoulders, s3xy and charming.

Charlie nodded slightly at her, and said politely: "Hello, Doris."

Chapter 2024

Doris quickly replied: "Hello, Mr. Wade..."

At this moment, Elsa stood up and said a little embarrassingly: "Hello Doris..."

Doris only saw Elsa and said in surprise: "Oh, Elsa are you here too? Didn't you go home?"

Elsa said unnaturally: "Um...I'll go to the airport in a while."

The moment Delong on the side saw Doris, his eyes burst into flames!

Although he has seen a lot of beautiful women, he has never seen such a beautiful and charming workplace beauty, so he immediately felt a kind of heartbeat.

He stood up subconsciously and asked Elsa: "Elsa, you haven't introduced this beauty yet?"

Elsa hurriedly introduced: "Oh, by the way, Doris, let me introduce to you, this is my cousin, Delong."

After speaking, she looked at Delong: "Cousin, this is the vice chairman of our Emgrand Group, Doris Young."

Delong immediately stretched out his hand and said flatly: "Oh, I have heard of the name of Doris a long time ago. When I saw her today, it seems she really deserves this reputation! I am Delong, a descendant of the Eastcliff Kevin family."

Doris nodded lightly, and said politely: "Fortunate to meet you."

However, Doris was not surprised by Delong's identity.

Although she is not from a big family, she has worked in the Emgrand Group for a long time, has been in contact with many big families, and also knows many things about big families, and naturally she has some understanding of the Eastcliff Kevin family.

Even Charlie, the young master of the Wade family, has known her for so long, and she naturally didn't feel superfluous when seeing the young master Delong of the Kevin family.

Delong thought that he moved out of the role of the young master of the Kevin family, which would definitely make Doris admire him.

Unexpectedly, Doris didn't seem to care about the fact that he was the young master of the Kevin family at all, and there was no wave in his expression.

This made Delong's heart a little depressed, and he thought to himself: "I want to treat Doris as a key target. If Doris can be taken down, then my next year in Aurous Hill will not last forever. Too boring..."

"But, this Doris doesn't seem to be very cold to me... She is just a professional manager, and the salary is tens of millions for a year, so why would she ignore me, the young master of the Kevin family? No? Isn't it too high-sighted?"

Therefore, he continued to persevere and said to Doris: "Doris, I have long heard that you have extraordinary ability and are a business elite. If you are interested in developing in Eastcliff in the future, you can consider coming to our Kevin Group as a vice chairman. It's definitely much higher than the Emgrand Group."

He thought that he could use a high salary to seduce Doris, but he didn't expect that Doris shook her head without hesitation: "Thank you, Mr. Kevin, for your kindness, but no need. I'm pretty good at the Emgrand Group and I don't plan to change jobs."

Delong couldn't help feeling a little lost, but he was still unwilling to admit defeat, so he continued: "Doris, Aurous Hill is too small and it will restrict your development. It is better to go to Eastcliff. , The sky is high, let the birds fly!"

At this time, Delong only cared about picking up girls, but forgot that there was Charlie who he could not afford to offend.

In fact, he didn't think that there was any problem in hooking up Doris in front of Charlie.

After all, even though he was triggered by him and came to Aurous Hill to live a hard life for a year, Charlie did not say that he would not let himself pick up girls during this year!

Charlie saw Delong's tricks deep in his heart and thought to himself: "This Delong, really can't change the dog's ability to eat sh!t, and he has to pretend to be the young master of the Kevin family wherever he goes. In that case, then Just give him another year and let him stay in Aurous Hill for two years before leaving!"

Thinking of this, he immediately sent a WeChat message to Sara: "Sara, tell your cousin Weiliang, let him convey to the Kevin family, that Delong's punishment period in Aurous

Hill will be extended by one year, and let them send WeChat notification to Delong now."

Sara immediately replied: "Charlie, did that Delong make you angry again in Aurous Hill?"

Charlie replied: "He didn't mess with me, he just pretends to be coerced in front of me, which made me a little unhappy!"

Chapter 2025

Delong was thinking about how to find a topic and get closer to Doris, when he suddenly received a WeChat message from his mother Xiuhua.

The content on WeChat made him struck by lightning in an instant.

"How did you b@stard provoke Charlie?! Weiliang from the Gu family just called and scolded me, saying that you were in trouble again. Charlie wants to extend your punishment in Aurous Hill to two years!"

Delong collapsed almost instantly!

"Two years?! Isn't this killing me?"

"I have only lived in the city village of Aurous Hill for two days, and I can't stand it anymore. I don't know how to fight it in the next year. Why did Charlie suddenly add another year in prison? How did I offend him?"

Thinking of this, Delong looked at Charlie and asked subconsciously: "Mr. Wade, I..."

Charlie didn't wait for him to speak, he passed a cup of tea, smiled faintly, and said, "Come on, Mr. Kevin, please have tea. This tea is good. I brought it back from outside. I drank it once, than never stopped. Drinking it is about to change to three, and it may even change to four or five."

Delong's face immediately became extremely ugly.

He heard the threat in Charlie's words clearly.

"Charlie's point is definitely to tell me not to talk nonsense. If I drink tea honestly and don't talk nonsense, then let me stay in Aurous Hill for two years. If I don't follow what he said, two years will be possible. Become three, four, or even five years..."

Thinking of this, DeLong's heart completely collapsed!

"This Charlie is simply a devil among the devil! Why on earth did I provoke him? Why does he want to treat me like this?!"

"Is it...Is it because of that Doris?! Did I just want to get Doris and offend him?!"

"Doris is not his woman either! Isn't she the vice chairman of the Emgrand Group? What does it have to do with your Charlie? You are too broad, right..."

Just when DeLong was so depressed that he wanted to die, others also looked at Charlie in surprise, completely ignorant of what Charlie meant by changing two to three or four.

Claire asked in surprise: "Charlie, what are you talking about, why two changes to three, two changes to four, why don't I understand..."

Charlie smiled slightly and said, "My wife, I'm just playing puzzles with Mr. Kevin. When we met last time, I found that we both like puzzles, so I asked Mr. Kevin a temporary question."

Claire nodded lightly, and asked with a smile, "What is the answer?"

Charlie smiled and said, "I can't say the answer to the puzzle, it's boring to say it."

As he said, he pushed the teacup in front of DeLong again, and asked with a smile: "Mr. Kevin, do you know this cup of tea, do you want to drink it?"

DeLong knew that if he didn't pick up this cup of tea, he might be inseparable from Aurous Hill in the next three or four years.

If you want to stop the loss in time, drink this cup of tea quickly, so as not to continue to expand the loss.

Thinking of this, his eyes reddened and he almost cried on the spot.

"Two years! Let me live for two years in this kind of city, in that kind of shabby urban village, what's the difference between being in jail!"

"Maybe it's fucking better than going to jail!"

"What kind of sin I have done, that I will meet Charlie, a beast that is not as good as a beast! Before I met him, I should not live a too chic life. Since I met him on Warnia's birthday last time, I haven't met him in life. What a good thing!"

At this point, DeLong's heart suddenly exclaimed: "Damn! That time I offended Charlie because I wanted to get in Warnia! Charlie is too brutal, right?! He's married, and his wife is so beautiful, why does he stop me? Let me pick up girls?! Are these all his women?!"

DeLong's desire to die is gone. He accidentally hit Charlie's muzzle so many times. From now on, he just wants to stay away from Charlie. He never wants to see him again in his life...

Apart from resentment, he could only be forced to compromise to Charlie helplessly, and respectfully took the teacup pushed by Charlie, brought it to his mouth with a trembling hand, and said with great pain: "Mr. Wade, thank you for making it. Tea, I will drink it!"

Chapter 2026

After that, he gritted his teeth and stomped his feet, picked up the teacup, and drank up.

Drinking this cup of tea is equivalent to acquiescing to Charlie's new arrangement.

The one-year sentence suddenly doubled to two years.

Delong wanted to cry without tears, and his whole body instantly lost his soul, completely devoid of energy.

Elsa was also a little surprised at this time.

Others didn't know the contradiction between Charlie and Delong, but she knew it perfectly.

It was Charlie who asked Delong to ride a bicycle from Eastcliff to Aurous Hill, and suffer hardships in Aurous Hill. Now Charlie suddenly started to use numbers to play dumb puzzles, and she immediately had a bad feeling.

So she asked Delong in a low voice: "Brother, what is going on?"

Delong handed the mobile phone to Elsa in despair. On the screen of the mobile phone, it was the WeChat sent to him by his mother Xiuhua.

After Elsa finished reading, she was immediately stunned!

She also didn't expect Charlie to be so cruel, and he just directly doubled the cousin's one-year hardship period.

However, she couldn't care about the distressed Delong.

She was looking back, looking back at how Delong had offended Charlie from the moment he entered the door to the present.

"Did cousin offend Charlie?"

"It doesn't seem to be... he has always been very polite to Charlie, so he almost bowed and called him Big Brother."

"Did cousin offend Claire?"

"It doesn't seem to be! The cousin is afraid of Charlie to death, knowing that Claire is Charlie's wife, even if he gives him ten courage, he does not dare to have any bad ideas about her."

"Does the form offend Claire's parents?"

"Still not! The cousin has been very humble from the time he entered the door to the present, and he doesn't look like the second generation dude at all."

"Then where did he offend Charlie?"

Elsa suddenly fell into thought.

After that, her eyes suddenly caught Doris who was secretly looking at Charlie.

At this moment, she suddenly shook her heart!

"Could it...could it be that my cousin offended Charlie after expressing his affection for Doris just now?!"

"But, what does Charlie have to do with Doris?! Doris is the vice chairman of the Emgrand Group. She has some contact with Claire. It is impossible to have too much contact with Charlie!"

"Furthermore, even if Charlie knew Doris, why did he turn his anger on her cousin because of her cousin's provocation of Doris?"

"Moreover, Doris looked at Charlie's eyes, as if something was not quite right! This...Is there anything hidden in it?!"

When Elsa thought of this, her mind was already in a mess.

Reason told her that Charlie and Doris should have nothing to do with each other.

However, her instinct told her that the relationship between the two people seemed far less simple than what she had seen!

Chapter 2027

Elsa wanted to explore the relationship between Charlie and Doris.

However, today's time is obviously not allowed.

She had to rush back to Eastcliff to spend the New Year with her family, so she could only say to Claire and Charlie after sitting for ten minutes, "Claire, Charlie, I have to go, I have to I will have to go to the airport to catch the plane. Today, all the flights to Eastcliff are full. If this flight is missed, I can only spend the New Year in Aurous Hill."

Claire asked, "Elsa, do you want us to see you off at the airport?"

Elsa hurriedly said: "No, you can stay at home."

After speaking, she greeted Doris again: "Doris, I'm leaving now."

Doris nodded slightly and said, "A good journey, and I wish you a happy new year in advance!"

"Thank you!" Elsa nodded, and after leaving Claire's parents again, she left with Delong who was crying.

As soon as he left the door, Delong couldn't hold back his depressed mood anymore, and cried out all of a sudden, saying: "Elsa, Charlie is too much! You have seen it too, I haven't offended him since I entered the door. I didn't provoke him, and didn't dare to confront him with a word. Unexpectedly, he asked Weiliang to give me a one-year deadline! He also said that I made him feel uncomfortable. You give him a comment!"

Elsa sighed and said, "Brother, I suspect that the reason why Charlie looks unpleasant to you is because your attitude towards Doris is a bit too ambiguous!"

Delong nodded, and said with emotion: "I guess you can tell, I guessed it. I guess there are two possibilities for this. Either Charlie is very upset about my behavior of picking up girls in front of him, or he is very upset with my behavior of making ways towards Doris, and there must be one of these two."

Elsa nodded: "I have the same opinion as you, and it probably has something to do with Doris, but I don't understand it. It stands to reason that Charlie and Doris should have no friendship."

Delong said angrily: "I suspect they might have a leg!"

Elsa naturally couldn't accept such a fact in her heart, so she said, "It should be impossible for them. Charlie is still very sincere to his wife."

Delong said: "Knowing people, knowing the face and not knowing the heart, you don't know what kind of face Charlie is like when he is not in front of you..."

As he said, he sighed depressedly: "I had known that I would not come with you! I said I would not come, you have to let me come, now it's okay, I have to stay in this shabby place of Aurous Hill for two years. Isn't this killing me?"

Elsa said helplessly and ashamed: "I'm sorry, brother, I'm all to blame for this, I shouldn't have brought you here..."

Delong wiped a tear and said, "Instead of saying sorry to me, you should think of a way to persuade Charlie to spare me as soon as possible..."

Elsa hurriedly nodded and said, "Brother, don't worry about that. When I come back from Eastcliff, I will definitely find a chance to help you intercede with him."

After speaking, she said firmly: "After I come back, I must check Charlie and Doris's affairs, and see if they have any secrets."

.....

With strong suspicion, Elsa flew back to Eastcliff by plane.

Delong had no money in his pocket, and didn't dare to make trouble in Aurous Hill, so he could only return to the village in the city slumped.

At the same time, the arrogant and defiant aunt of Charlie, Cynthia, was under residential surveillance in the village in the city.

This New Year's Eve will be the worst New Year's Eve that the two of them have ever had in their lives.

Just as tragic, there is Willson family.

Chapter 2028

Mrs. Willson originally agreed to go to work in the supermarket today.

The supermarket also agreed to double her salary today.

However, because her hard-earned money was stolen, and Elaine sneered fiercely, Mrs. Willson's blood pressure suddenly rose, and she sat down on a chair and could not stand up again.

Although there was nothing serious about her body, she had no choice but to give up the idea of going to the supermarket to work because of her anger and blood pressure.

Seeing that the hard-earned money is gone and there is no chance to earn today's salary, she is desperate in her heart.

She originally wanted Wendy to work in the supermarket and earn her double salary.

But when she thought that her son and grandson were both seriously injured in the bed, and her blood pressure surged, she couldn't take care of herself and couldn't take care of them, so she didn't dare to let Wendy leave.

A family of four can only stare at each other in a luxurious villa.

The four of them are now penniless, the only thing they have is the leftovers that were not finished yesterday.

It was originally leftovers, but after another night, it was completely broken into vegetable soup.

Wendy suggested to eat these leftovers at noon, but the old lady did not agree.

She said to Wendy: "The leftovers are the only food we have now. If we eat them now, we will be hungry at night."

With that, Mrs. Willson sighed and said, "Tonight is the New Year's Eve, what are we talking about? You can't be hungry for the New Year's Eve dinner, so let's save the leftovers for the evening."

Wendy cried and said, "Grandma, the rest of the food, none of the four of us can eat half full, what's the point of keeping it..."

The old lady said seriously: "You don't understand! You must eat the New Year's Eve dinner. If you can't eat the New Year's Eve dinner, the next year will be the life of a pauper and you can't turn it back!"

When Harold heard this, he immediately cried: "Grandma, didn't you say that you would wrap meat dumplings for me tonight? Why did you let me eat these leftovers?"

Old lady Willson was extremely helpless: "Harold, grandma can't do anything about it. After all, we don't have a penny now. What can we buy noodles and meat with?"

Harold cried particularly sadly: "Grandma, today is New Year's Eve, and I can't eat big fish and meat. Anyway, I have a mouthful of dumplings. I really don't want to eat the leftover vegetable soup from yesterday. The smell of water, mixed with the smell of rusty kitchen knives, is really unpalatable..."

Jacob on the side choked dryly and said, "After you have done Harold, you can eat some, it's not bad...It's better than having a hungry stomach on New Year's Eve..."

After all, he gritted his teeth and said: "This thing, blame your mother, that b!tch took all of your grandma's hard-earned money, otherwise, we would be able to eat hot dumplings... .."

Wendy also cried, sobbing and said, "Mom is too much. When she stole grandma's money, didn't she think about our family?"

The lady Willson was even more angry, and blurted out: "She wants a f@rt! If she really had our family in her heart, she wouldn't betray her body in the black coal pit! This kind of unruly b!tch, if it is true. If I have eyes, I will take her as soon as possible!"

After that, the old lady Willson sat down in a chair, patted her thighs, and cried out: "God, you open your eyes and look at our house, what life are we having!"

The old lady hid her face and wept bitterly.

Others kept whimpering, and the family of four cried together...

Chapter 2029

And the Charlie family next door began to prepare New Year's Eve dinner after noon.

All kinds of ingredients piled up the entire kitchen workbench.

Charlie is the one with the best cooking skills in the family, so he did his part and became the chef of this New Year's Eve dinner.

Elaine had poor legs and feet, so she sat on the ground picking vegetables. Claire helped Charlie wash and cut vegetables and prepare other ingredients. As for Jacob, he chopped up dumpling fillings by hand with a kitchen knife.

The family of four help out in the kitchen, and the atmosphere is rare and warm.

As the sky gradually darkened, each dish was served on the table.

In villa a04, Gina and the others have also begun to get busy in the kitchen.

The three women lived in a more pragmatic way. In addition to preparing the noodles and meat for making dumplings, they bought a chicken, a fish and two catties of ribs, and made a few home-cooked dishes with meat and vegetables.

Gina felt that the opportunity to live in such a good villa was the result of three people, so she bought an incense burner, a handful of incense, and a cheap portrait of Guanyin.

Before eating, Gina took Tabia and Lexi, kneeling before the portrait of Guanyin Bodhisattva.

Gina offered three sticks of incense with both hands, and said very piously:
"Avalokitesvara who saves the suffering, thank you for blessing our three struggling sisters, so that we can live in such a great villa in this life, and dare not dream of it before. You can rest assured that the three of us will work hard to make money in the

future. It is not easy to be lazy, please let me know! In addition, your disciple Gina also asks you to bless our lives as better as possible!"

On the two sides behind her are Tabia and Lexi.

The two of them also learned everything at this time, holding three sticks of incense, and said: "Avalokitesvara Bodhisattva, please bless us!"

Afterwards, the three of them knocked their heads three times to Guanyin Bodhisattva.

After the kowtow, Gina stood up and took the lead in inserting the three sticks of incense into the incense burner. After the other two sisters had also inserted the incense, she said contentedly: "Come sisters, it's time for New Year's Eve dinner!"

The two said in unison: "Let's go Sister Gina!"

When the three of them went to eat, Wendy and Mrs. Willson had been hiding at the corner of the stairs and watching.

They smelled the scent of rice, so they couldn't help but take a look.

Although the old lady always wanted to save the leftovers that she brought back yesterday as New Year's Eve dinner, when it was just dark, the four of them were so hungry that they couldn't hold back their hunger, so they divided up the leftovers.

There was not much leftover, and everyone was not even half full, so the four people were still hungry.

Seeing these three women cook a table of home-cooked dishes, the old lady Willson and Wendy drooled.

Seeing that the three of them were eating, Wendy asked the old lady in a low voice: "Grandma, do you think they will leave a little leftovers or something?"

Old lady shook her head, and swallowed her saliva at the same time: "I don't know, I hope..."

Wendy said aggrievedly: "If only two spare ribs and a bowl of rice can be left, I am afraid they will have nothing left..."

After speaking, tears have already rolled down.

The old lady stared at the incense burner in front of Guanshiyin Bodhisattva, and said seriously: "Wendy, don't worry, do you see that incense burner? It is filled with rice! When they return to the room to rest in the evening, we will use the rice in it to cook!"

.....

Chapter 2030

At this time, Charlie's family was in the living room, eating New Year's Eve dinner while watching the Spring Festival Gala, and the family was enjoying it.

Jacob and Elaine, two old people who disliked each other, were rare to not pinch each other.

Jacob drank some white wine with Charlie, and he was very happy to drink.

Claire originally wanted to drink some red wine with Elaine, but Elaine snatched the red wine from her and poured it to herself, and said to Claire very seriously: "Claire, women can't get pregnant drinking, it's not good for children!"

After finishing speaking, she smiled and said to Charlie: "Good son-in-law, you also drink less, too much alcohol will affect the quality of the male tadpoles! And then affect the quality of the children!"

Claire was suddenly embarrassed, and said with shame and anger, "Mom...how do you talk... look at your words!"

Elaine said seriously: "I am teaching you health care experience. This is what the parenting experts and genetics experts on TV say!"

Claire helplessly said, "Then don't be so blunt! At least say it tactfully!"

Elaine was a little aggrieved: "Didn't I use tadpoles to call it? Isn't this tactful enough?"

Jacob's drinking volume was average, and a few cups and his stomach will be a little overwhelming. He looked at Charlie. Although he was a little drunk, he said very seriously: "Good son-in-law, don't listen to your mother's nonsense. She is too drunk. Claire can only be found when the whole person is unconscious. What is the difference in the quality of Claire? Just my girl, placed in the country, that is also the handful of top-quality words! Completely inherited my Excellent gene!"

Elaine immediately sipped, and said: "You have to nod! In the beginning, this is inheriting your fine genes? What fine genes do you have? She can grow so beautiful in the first place, it is all my natural beauty that depends on my old lady!"

"Fat you!" Jacob curled his lips: "Just your gene, no one will pick it up after throwing it into the sewer. Is it good? Good f@rt!"

Elaine smashed her chopsticks and shouted angrily: "Jacob, what are you going to do? I don't want to fight with you during the Chinese New Year, so don't be too frustrated!"

Jacob shrank his neck and said nervously, "Oh, I'm not teaching experience to my son-in-law, this is a topic between men, so don't mix it up."

After speaking, he patted Charlie on the shoulder, and said: "Charlie, you, listen to Dad, you don't need to think about anything, you don't need to prepare anything, it's okay to drink some wine and have fun, and then this matter Maybe it will happen!"

Claire's face blushed when she heard this, and immediately put down her chopsticks and said, "If you talk about this untimely topic again, then I will go back to my room and watch TV."

"Oh, don't don't!" Jacob hurriedly beckoned, "Isn't it okay if Dad doesn't talk? Tonight is the first time for our family of four to celebrate the Chinese New Year alone, and we live in such a great villa without having to suffer from your grandma. I have to make the New Year's Eve more successful if anything I say!"

Elaine rarely agreed with Jacob's point of view, and said cheerfully: "Yeah! We must keep the year old until twelve o'clock in everything we say this year!"

Claire said: "It's okay to keep the year old, but you don't stop talking nonsense..."

"Good, good!" Elaine said with a smile: "I know you are thin-skinned, it won't work if I don't say it!"

Jacob also hurriedly changed the subject and said to Charlie: "Come on, good son-in-law, drink!"

Charlie nodded and touched Jacob with his wine glass.

Just after drinking, the phone received two WeChat messages.

When he opened it, it was Nanako from Japan who sent the message.

She first posted a photo of the courtyard of her old house in Kyoto. In the photo, the courtyard was covered with snow again.

Later, she also sent a text: "Master, today is your country's traditional New Year's Eve, Nanako wishes you a happy Chinese New Year! In addition, I want to share a good news with you: It's snowing again in Kyoto tonight."

Chapter 2031

Looking at the photo, Charlie couldn't help but return to the snowy night in Kyoto many days ago.

It was under that heavy snow that he saved Nanako, and also saved Zhifei and Zhiyu with a hand.

Thinking of this, he sighed in his heart and replied to Nanako: "Thank you, and wish you a happy Chinese New Year too!"

Charlie didn't respond to what Nanako said about snow in Kyoto.

He knew that he shouldn't have too much emotional communication with Nanako.

In the beginning, he felt that she shouldn't have been trapped by the injuries Aoxue brought to her for all of her life, so he wanted to cure her.

Now, she has recovered and he saved her life. It stands to reason that he has completely cleared her.

If it involves too much, I am afraid it will be out of the question.

Charlie himself knew that those women who liked him might not be able to explain to them, and Nanako was the same.

Therefore, keeping some distance appropriately is considered responsible to her.

Nanako is indeed a talented girl. From Charlie's reply, she can see his inner thoughts.

Therefore, she replied to Charlie: "Master must be spending the festive season with his family now, and I won't bother you! I wish you a happy holiday again!"

After replying to this sentence, her heart was very sad.

She knew that today is a traditional Chinese holiday and the most important holiday of the year, so she sent a WeChat blessing to Charlie.

At the same time, it happened that she happened to accompany her father to Kyoto for training in the past two days. It happened that there was a heavy snowfall in Kyoto tonight, and she immediately thought of the night when Charlie was the god of war.

Thinking of that night, she missed him more and more.

Therefore, she also took advantage of the opportunity of New Year's blessing to share the heavy snow in Kyoto with him.

Unexpectedly, he didn't even respond with half a word.

Although she was very disappointed in her heart, Nanako could still understand. She knew that Charlie had a wife, and even if she liked him again, he still had to keep a certain distance from her.

So, she put her phone away and sat alone on the wooden steps at the edge of the yard, staring at the falling snow.

Takehiko Ito, who had his legs amputated, was now manipulating the electric wheelchair, slowly approaching.

The voice of the wheelchair didn't even disturb Nanako.

It's just because, at this moment, all the attention in her mind is not on her eyes and everything around her, but on the distant Charlie.

Seeing his daughter staring at snow in a daze, Ito sighed.

My daughter, how can I not understand?

Takehiko has long seen that his daughter has a loyalty to Charlie and has always been thinking about him. Seeing her like this, he can't help feeling a little distressed.

So, he coughed and called out: "Nanako."

Only then did Nanako recover, and said embarrassedly, "Father, why are you out?"

Takehiko Ito smiled slightly and said, "You didn't come in for a long time, so I came out to see you."

Nanako said hurriedly: "Then let's go back, it's quite cold outside."

"It doesn't matter." Ito said with a smile: "Nanako, there are some things that you can't force, let alone urgently, ask for it."

Nanako hurriedly concealed: "Dad, what are you talking about, why can't I understand..."

Takehiko smiled and said: "Charlie is a good man, and what is rare is that he is also very capable. Such a man is worth waiting for a few more years."

Nanako blushed immediately.

Chapter 2032

However, she did not immediately deny it, nor did she run away on the spot. Instead, she put her hands in front of her and bowed deeply: "My father, I understand!"

Ito Takehiko smiled comfortedly and said: "I am old, and I can't bear the cold wind. I will go back to rest first, and you should go to bed earlier."

Nanako hurriedly said, "My father, let me see you off!"

Ito Yuhiko waved his hand: "No, you like to meditate, just meditate for a while."

After all, he controlled the electric wheelchair, turned half a circle on the spot, and returned to his room slowly.

Nanako watched her father's back disappear at the end of the corridor, feeling that her face was still hot, so she gently covered the thick snow with her hands, and then she covered her face with her hands.

The cold hands made the temperature of her cheeks drop a lot, and Nanako's heart gradually calmed down.

After a while, she stretched out her hand again and wrote a beautiful word on the snow with her fingers. This word is Charlie's name.

Afterwards, she supported her chin with her hands and watched the snowflakes fall on the word one by one until it became more and more blurred and eventually disappeared.

At this moment, she slowly stood up and returned to her room.

At the same time.

Osaka, Japan is only tens of kilometers away from Kyoto.

A one-armed woman, led by several Japanese Self-Defense Force soldiers, came to the Self-Defense Force station in Osaka.

This one-armed woman surnamed He, the daughter of the He family of the four major ancient martial arts families in China.

She is Ruoli's biological mother, Roma.

Since the time difference in Japan is one hour earlier than in China, it is already ten o'clock in the night in Osaka at this moment.

Under the leadership of the soldiers, Roma finally entered the self-defense force station after passing through strict security checks.

Afterwards, the soldiers led her from a building on a high-speed elevator all the way down.

The high-speed elevator stopped at a depth of fifty meters underground.

Here is the three defense underground base of the Osaka Self-Defense Force.

The three protections for civilian use are waterproof, dustproof and drop-proof.

The three defenses in the military refer to the prevention of nuclear, biological, and chemical weapons.

Therefore, this three defense base is the most closely guarded area of the Self-Defense Force in Osaka.

Now, this three-defense base is used for other purposes. All the more than fifty masters of the Su family, including Ruoli, are detained here. The strong defense here can effectively prevent them from escape.

After Roma was brought in, she was directly arranged into a closed room.

The iron door of this room is 20 centimeters thick, much stronger than the bank vault.

After she sat down in the room, a Japanese soldier reminded her in a low voice: "People will be here soon, you only have five minutes."

Roma nodded hurriedly and said seriously: "Thank you!"

The soldier said nothing, turned and left the room. A minute later, a young woman with metal shackles on her hands and feet walked in under the leadership of the two soldiers.

This young woman had a gloomy expression, and her eyes were full of coldness.

However, after she entered the room, those cold eyes immediately stared in surprise, and then two lines of tears rolled down.

She looked at Roma, who was also crying silently in front of her, and cried out in a choked voice: "Mom..."

Roma walked two steps quickly, hugged her in her arms with one hand, while gently stroking the back of her head, while lovingly said: "Ruoli, you have suffered..."

Chapter 2033

Ruoli hugged Roma's waist tightly and asked excitedly: "Mom, why are you here?! How did you come in?!"

Roma saw that the Japanese soldiers had retreated, and said: "Ruoli, your father asked me to come."

"Dad?" Ruoli asked hurriedly: "How is dad now? Has he returned to China? There is no danger, right?"

Roma shook her head and said softly, "Don't worry, your father is fine. He has returned to Eastcliff safely."

Ruoli just breathed a sigh of relief and muttered, "Dad is fine..."

Roma said: "If Ruoli, your dad originally wanted to come to Japan to rescue you personally, but he is now the subject of strict monitoring by the Japanese national security department, so it is not convenient to come to Japan again in a short time, so he let me meet you."

Ruoli was very puzzled and asked, "Mom, the Self-Defense Forces kept me so tight, how did you get in? Why did they let you in?"

Roma said: "The Japanese authorities have indeed reached the highest level of control over you, and your dad has inquired about it. They hope to sentence you and several principal offenders to death. In order to save you, your dad spent a lot of money on the Self-Defense Forces. The high-level officers have a good relationship and are ready to rescue you!"

"Help me out?!" Ruoli exclaimed, and asked: "This...how is this possible? The Japanese Self-Defense Forces guard me very closely now, and there are tens of thousands of Self-Defense Forces on the ground. Soldier, how could you rescue me from here..."

Roma explained: "Although you are currently being detained by the Japanese Self-Defense Forces, the Self-Defense Forces cannot represent the Japanese judiciary after all, so you still have to be tried by a Japanese court, and according to Japanese law, you are to be escorted back to the place where the case was committed. The court accepts trial."

Ruoli asked hurriedly: "Then we are going to be escorted to Tokyo for trial?"

"Yes!" Roma nodded and said, "The Japanese Self-Defense Forces will use their military transport aircraft to send you back to Tokyo. After arriving in Tokyo, the special operations team of the TMPD will be responsible for escorting. At that time, your father will arrange a stand-in in Tokyo, and with the help of a senior from the TMPD, you will be replaced."

Ruoli was dumbfounded, and only after a long while she asked, "Mom, can you change me out so grandiosely?"

Roma took her hand and said seriously: "Don't worry about this, your father has already arranged it. Before the double is found out, he can buy you twelve hours. At that time, your father will arrange for you to travel from Tokyo Port. Leave Japan by boat."

With that, Roma squeezed Ruoli's hand and said with emotion: "Ruoli, to save you this time, your father spent nearly 1 billion yuan to clear the relationship between the Self-Defense Force and the TMPD. If you can return home safely, and you must repay your father well in the future!"

Ruoli's eyes were red, and she nodded while crying, and choked up: "Mom, don't worry, I will repay my father well!"

Roma nodded and said, "Also, after you return to China this time, the Japanese side will definitely do everything possible to catch you back. If they know that you have returned, they will definitely apply to our country and extradite you. Go back to Japan for trial, so after you go back, you have to live under a different name. You will no longer be able to use this name in the future."

Ruoli hurriedly asked: "Mom, if I can no longer be called Ruoli in the future, what should I call?"

Chapter 2034

Roma said: "Your dad said, you can pick up the name as you like, and he will help you get the relevant household registration information."

Ruoli flashed a flash of joy. Just as she was about to speak, Roma added: "Ruoli, your father said, you cannot continue to have the last name Su, or you can call any name other than Ruoli, but you can't use the character of the Su family."

Ruoli's expression of joy just now became extremely bitter. She looked at Roma and asked, "Mom, Dad still doesn't want others to know who I am?"

Roma said with an ashamed expression: "Ruoli, you are your father's illegitimate daughter after all, and few people know about this. Apart from your father, only your grandfather knows about the relationship between your father and me. Liona, if she knows that your father still has an illegitimate daughter like you, she will definitely break with your father..."

Ruoli choked up and said, "Mom, can't I tell others that Zynn Su is my father all my life? Do I have to be a girl who has no father since childhood?"

Roma's eyes were red, and she sighed, "Ruoli, the reason why your father had that past with me back then was entirely my own request. He didn't even know your existence for many years, so you can't blame him. Unwilling to disclose your identity!"

"What's more, your dad paid a very high price to save you this time. Even if he can't publicly claim that you are his daughter, deep down in his heart, he also loves you very much! Can't blame him, do you understand?"

Ruoli sighed when she heard this, nodded slightly, and said seriously: "Mom, I know, don't worry, I will never mention this matter again in the future, let alone blame Dad in my heart!"

Roma squeezed Ruoli's hand hard, and said seriously: "In a few days, you will be escorted to Tokyo. Then someone will contact you, replace you, and send you to the dock. Mom will be waiting for you at home!"

Ruoli hurriedly asked: "Mom, won't you wait for me in Tokyo?"

Roma shook her head and said, "Your dad said, once you successfully escape, Japan will definitely check everyone who has recently entered the country. At that time, if it is found that I am from China and I have been to Osaka, the incident will happen again. I went to Tokyo before, which meant that I gave the Homeland Security Department a complete clue for nothing. So after he told me to meet you, I immediately returned from Osaka to avoid leaving clues. As for Tokyo, he will arrange for others to meet you."

Ruoli nodded and said, "Okay mom, I know! You wait for me to go back in peace in China!"

At this time, someone opened the door and said: "Time is almost up!"

Roma looked at Ruoli reluctantly, and said, "Ruoli, take care of yourself these few days, mom will go!"

Ruoli nodded gently with tears: "Mom, take care, and also help me to say thanks to Dad..."

Roma patted her arm and whispered: "There is no 100% success rate in everything, but you must promise mom and come back alive!"

Chapter 2035

Ruoli looked at Roma, nodded heavily, and said with tears in her eyes: "Mom, don't worry, I will come back to see you alive!"

Roma touched her face with one arm, and said lovingly: "After you come back this time, don't go back to Su's house. You will stay with your mother at grandma's house for a while, and wait for the limelight to fade before going back."

Ruoli gave a hum and said, "Mom, take care."

Roma said in a low voice: "Don't disclose the matter of saving you to anyone who are arrested with you, because this time only you can leave. If you let them know, in case of unrest, I am afraid it will cause trouble."

Ruoli sighed softly: "Okay mom, I see..."

Roma nodded, and then reluctantly left.

And Ruoli was also taken back to her cell by soldiers.

However, Ruoli at this time was full of gratitude to Zynn in her heart.

Although she is only an illegitimate daughter, and her father Zynn cannot admit her identity, Zynn is willing to pay such a high price to rescue her. This is indeed far beyond Ruoli's expectations of Zynn, and it also makes her heart move deeply.

Originally, she was ready to be sentenced to death, but after seeing her mother Roma, she rekindled hope for the future life.

.....

Eastcliff time, ten o'clock in the evening.

The Charlie family in front of the TV are watching the Spring Festival Gala on TV.

Claire's emotions seemed a bit agitated, and said to Charlie: "The program published on the Internet says that Sara's solo singing will be in prime time at 10:10 and should be coming soon!"

Charlie nodded, he couldn't help but look forward to it.

Although he knows that Sara is a big star, he hasn't watched Sara's film and television dramas, nor has he heard her singing songs.

This is mainly related to Charlie's personality. He has no need for entertainment, so naturally he doesn't care about the entertainment industry.

However, he naturally cared a little more about Sara. After all, this was his childhood friend who grew up with him, and she was also the fiancée that his parents made for him.

So he and Claire looked forward to the TV together, looking forward to Sara's appearance.

The timing of the Spring Festival Gala is almost exactly the same. At 10:10, the host smiled and said: "It is said that the taste of first love is the most beautiful feeling in life. Next, the film and television song superstar Miss Sara will bring her to us. The new single "First Love"."

Afterward, Sara, wearing an elegant evening dress, stepped onto the gorgeous stage.

Claire said excitedly: "Wow! Sara's dress is really beautiful!"

Charlie couldn't help but nod in agreement.

Sara on TV deliberately put her long hair lightly behind her head, which is a little more dignified and a little more charming than before.

Elaine looked at Sara and couldn't help sighing: "Oh, this girl is really beautiful! Much more beautiful than those female stars!"

After finishing speaking, he said with some regret: "In fact, with the appearance of Claire, she can also enter the entertainment circle and become a star. Even if it is compared with Sara, Claire is not inferior.

Claire smiled and said, "Mom, you are too praising me. How can I be a star? I like actors but not acting, and I want to hear a voice without mine going out to others.

Chapter 2036

Elaine said seriously: "What's the matter? Now, being a celebrity doesn't need acting or a voice at all, it's enough to be beautiful! Look at those popular stars who can produce albums even if the tone is not perfect. The movie, why? Aren't you good-looking!"

Claire shook her head helplessly: "Mom, don't talk about it, let me watch the show well..."

Elaine did not forget to add another sentence: "Claire, what mom said is true, and mom thinks you are really fine..."

At this time, Sara was already singing.

When she opened her mouth, Elaine couldn't help but exclaimed: "Oh! This girl's voice is really good!"

Claire hurriedly waved her hand: "Mom, stop talking!"

Charlie was also a little surprised by Sara's voice. Although she seemed to be just an idol star, when she opened her mouth, she showed very good singing skills, absolutely professional.

The tune of this song is melodious and fresh and refined. It is similar to the song "Legend" sung by the Queen.

Charlie couldn't help being immersed in it.

After Sara sang for five minutes later, Charlie was still immersed in the wonderful atmosphere created by her singing just now.

Clair's eyes flushed even more, and she clapped unconsciously, and said with emotion: "Sara sings really well! This song is particularly moving!"

Then, she said to Charlie: "Husband, Sara will come to Aurous Hill for a concert in a while, will you accompany me to watch it?"

Charlie couldn't help feeling a little embarrassed when he heard this.

Sara did invite him to her concert, but if he goes with Claire, this thing feels a bit wrong.

He sighed in his heart: "Although I have never thought of divorcing Claire and honoring the marriage contract my parents made for me and Sara, I can't bear to take Claire to watch her concert. This is a little bit unfair for her."

Just when Charlie hesitated, Claire couldn't help but coquettishly said: "Husband, you should accompany me to see it once, is it okay? I beg you..."

After finishing speaking, she added: "I will go grab the ticket then, if I can't get it, I'll go to the scalper to buy it. You don't have to worry about anything, and you just have to pay someone else!"

Charlie heard this and knew that Claire must be determined to go to Sara's concert. Even if he didn't agree, she would go.

Moreover, he has promised Sara to go to her concert, and he will definitely not break his promise by then.

In this way, he can only agree to it.

So he said to Claire: "My wife, don't worry, I will accompany you when that happens."

Then he said, "Oh, right, you don't have to worry about getting tickets anymore. Last time I went to Ms. Gu's house to see Feng Shui. Ms. Gu should be more or less able to save face, and I will find her then. It shouldn't be a problem to ask for two tickets for the front row."

Claire asked in surprise: "Husband, are you telling the truth?! Can I really find Miss Gu for the front row tickets? The front row tickets for Miss Gu's concert are very popular, and they are generally not released at all. When they were sold, the price was increased several times or even dozens of times. Once at a concert in Yenching, the first row of tickets was sold to 100,000, which was an order of magnitude higher than anyone!"

Charlie smiled and said: "Miss Gu is still very angry, I believe she will definitely give this face."

Claire excitedly said, "That's great! Thank you husband for supporting my star-chasing career!"

Charlie couldn't help sighing. At this moment, the phone received a WeChat message and Sara sent a text message: "Charlie, have you watched my performance in front of the TV?"

Chapter 2037

The Spring Festival Gala was broadcast live to 1.4 billion viewers across the country, so the Charlie family had just watched Sara's show in front of the TV, and Sara had just finished the show and came backstage.

At this moment, she didn't care about changing clothes, so she quickly sent Charlie a WeChat first.

What she cares most about is Charlie's views on her performance.

Originally, the Spring Festival Gala director team hoped that she could sing her other famous song, a song about friendship.

Sara had already promised the director team to sing that song, but after meeting Charlie again, she had the idea of changing the song.

So, she negotiated with the director team and expressed her wish to change the song.

In the beginning, the Spring Festival Gala director group was very reluctant.

This is mainly because the Spring Festival Gala performance has always been very meticulous and cautious, and such things as temporary song changes have almost never happened.

However, Sara has been working hard, and finally the program team saw that she really wanted to sing today's song, so she had to compromise.

Sara chose to sing the song "First Love" today because she wanted to sing for Charlie.

There is a lyric in this song, which she wrote specially for Charlie. The lyric is: From the first time I saw you, you have been deeply burned in my heart, and I cross the sea of people, I found you all the way, just to tell you that in this life, I will never leave you again.

Charlie couldn't feel the affection in Sara's song.

But he can only pretend not to know, and reply to Sara: "I watched your performance and it was great! You sang very well!"

Sara happily sent a message: "This song...is written for you..."

Charlie asked in surprise: "You wrote this song yourself?"

"Yes." Sara said: "I am the songwriter, okay?"

Charlie replied with a thumbs-up expression, and exclaimed: "I didn't expect that not only would you sing well, but you would also write your own songs. It's amazing!"

Sara sent a playful expression with a tongue out, saying: "I learned the piano from my mother when I was a child, and then I was fine while playing the piano and hummed. I slowly tried to write a few songs. After I published it, I felt that the response was pretty good. So I wrote more, one after another."

Charlie praised sincerely: "It's really great! Unparalleled!"

Sara was satisfied and said, "Charlie, I wrote this song specifically for you a few years ago. I didn't find you at that time, so the lyrics are another version. After I found you, I made some more lyrics. Adjusted, that's why there is this version."

Charlie was moved in his heart and replied: "Thank you, thank you for always remembering me, and thank you for doing so much for me for so many years."

Sara sent a shy expression and said, "These are all things that should be done. Who made me your child bride since I was young..."

Charlie was speechless at once.

It is not an exaggeration to say that she is a child bride for marriage since she was a child.

At this time, Sara sent another message: "Charlie, I won't talk to you for now. My parents are still at home waiting for me to go back to eat New Year's Eve dinner, and then stay together. I have to go now."

Charlie knows that it's not easy for every actor to participate in the Spring Festival Gala. They all participate in the performance on New Year's Eve. If they are local actors from Eastcliff, they are relatively better. After the performance is over, they will immediately change their clothes when they step down. Hurry home to spend the holiday with my family.

Some foreign actors are more sentimental. In order to go to the Spring Festival Gala, they can only spend the festive season in a different place alone.

Chapter 2038

Fortunately, Sara's house is in Eastcliff, and her performance time is very good. Now she rushed back. Before New Year's Eve, she can stay with her family until 12 o'clock.

So Charlie replied: "Then you go back and accompany your uncles and aunts, and help me bring a good one to your uncles and aunts. I wish they still have you, and Happy New Year!"

Sara also replied: "Thank you, Charlie, and wish you a happy new year!"

Afterwards, Charlie put away the phone, and concentrated on watching the Spring Festival Gala with his wife Claire.

When it was almost twelve o'clock, Jacob said with emotion, "Hey, although firecrackers are banned now, although it is environmentally unfriendly, the Chinese New Year is indeed a bit less flavorful. What a pity..."

"Yes." Claire on the side could not help but sigh: "When I was young, I especially liked the smell of fireworks exploded by firecrackers, and now I rarely see them."

Charlie said: "Although firecrackers are not allowed to be set off in the urban area, in the suburbs it is still possible. Do you want to celebrate with firecrackers in the suburbs?"

Claire's eyes brightened, then dimmed again, and shook her head and said, "Forget it, everyone is spending the Spring Festival at home at this point. Where can I find firecrackers..."

Charlie thought for a while and sent a message to Issac and asked him: "Mr. Issac, do you have some fireworks in stock in Shangri-La?"

Issac replied immediately: "Some young masters, do you need?"

"Right." Charlie said: "My wife wants to go to the suburbs to shoot some."

Issac hurriedly said, "Then I will send it to you."

"No need." Charlie said: "Have a good time at your festival, don't delay reunion with your family because of me."

After that, Charlie asked him again: "Shangri-La is open, right?"

"Some staff." Issac said: "Shangri-La is open 24 hours a day, and there are always people on duty."

Charlie said: "Okay, then you say hello to the person on duty, I'll drive over to pick it up."

Issac was very moved by Charlie's actions, and said quickly, "Master, or I will let the person on duty send it to you, anyway, they also get three times the salary on duty."

Charlie replied: "Forget it, for the New Year, I don't want to toss others, it's not appropriate, I drive by myself, this time will definitely not be a traffic jam, I will be there in ten minutes."

Issac had no choice but to say, "Okay, master, I'll say hello to the people below, you can go and get it anytime."

After confirming with Issac, Charlie said to Claire: "My wife, I will go out and come back soon."

Claire hurriedly took his hand and said seriously: "Husband, don't go out to toss, just watch TV at home. It doesn't matter whether you set off fireworks or not."

Charlie smiled slightly and said lovingly: "It's okay, you wait at home, and your husband will be back soon."

After speaking, he got up and took Claire's car keys and stepped out of the house.

Claire still wanted to stop him, but seeing that he was walking very fast, he had already left the door in the blink of an eye, so she sighed helplessly and told him: "You drive slowly, don't worry!"

Charlie's voice came from outside the door: "Good wife, I know!"

Seeing Charlie left, Elaine couldn't help sighing: "Claire, Mom say to you, Charlie is really good for you..."

After speaking, Elaine said with emotion: "Before, Mom always felt that Charlie was not good enough to be worthy of you. You should find a rich young master to marry to be considered a good marriage... But Mom didn't understand until now that the most important thing about marriage is the relationship foundation. Money is not so important. What's important is that he has to treat you as a treasure so that you can live happily..."

Chapter 2039

Charlie drove straight to Shangri-La, and Issac's subordinates had already pushed a trolley and waited at the gate.

Seeing Charlie's arrival, he hurriedly pushed the car forward and said respectfully: "Master Wade, Mr. Issac asked me to prepare some fireworks for you. Would you like me to help you get in the car?"

Charlie nodded, opened the trunk, and said, "Thanks for your hard work."

The other party hurriedly waved his hand and said, "Master, you are polite, this is what I should do."

After that, he put several large boxes of fireworks into the trunk of the BMW car.

Charlie said thank you, then drove back and dared, and at the same time called Claire to ask her and her father-in-law to prepare, and then get in the car directly to find a place where they can set off fireworks and firecrackers to find the New Year atmosphere.

Claire was very happy, put on thick down jackets with her parents, and waited outside the gate of Tomson early.

As soon as Charlie's car arrived, the family of three got in.

Claire asked Charlie: "Husband, where are we going to set off firecrackers?"

Charlie smiled and said, "As long as you are not within the city limits, you can think about where to go."

Jacob suggested at this time: "Or go to the riverside! The riverside scenery is good. After the fireworks rise, the reflection on the river surface can be reflected, and it will be more artistic!"

Claire smiled and said, "Dad, this is a good idea! Then go to the riverside!"

Jacob hurriedly said, "I know there is a nice place with a large river embankment!"

Charlie listened to his wife and father-in-law talking about the riverside, and suddenly thought of Warnia from the Song family.

Before, Warnia was passing by the Yangtze River when sending him home, and she suggested that he should accompany him on a stroll along the river.

Without thinking about it, he readily agreed.

What he didn't expect was that after walking on the riverside and returning, Warnia sent him to the gate of Tomson Villa, and then kissed him in the car.

That scene still stays deep in Charlie's memory. Sometimes when he thinks about it, he feels a little different kind of warmth.

Charlie, while thinking wildly, drove the car all the way to the Yangtze River under the command of Jacob.

What he didn't expect was that the tidal flat led by Jacob turned out to be the place where Warnia brought him.

Since it was New Year's Eve at this time, there was no one around.

After Charlie parked the car. Carrying a few boxes of fireworks with Jacob, they came under the river embankment.

On a concrete-poured river embankment, Charlie placed the fireworks at certain intervals.

On the other side, Jacob could not restrain his impulse and set off two firecrackers.

The festive sound of firecrackers echoed along the river, and people immediately felt the feeling of the New Year.

When the firecrackers burned out, Charlie said to Claire, "Claire, I am going to set off the fireworks!"

Claire immediately took out her mobile phone and said excitedly: "Husband, wait a while, I'll turn on the video first!"

"it is good!"

After she took the mobile phone and turning on the camera function, Charlie lit the fuze of the fireworks.

Colorful fireworks rose into the sky and exploded on the surface of the river. The wide river surface reflected the wonderful colors of the fireworks bursting in the sky.

Claire was already dancing with joy on the side.

After one group of fireworks burned out, Charlie immediately ignited the second group, followed by the third and fourth groups.

Until all the fireworks were burned out, Claire's cheeks flushed with excitement!

She hasn't had this feeling for a long time, setting off fireworks and firecrackers on New Year's Eve, so she is excited like a child at this time.

Jacob and Elaine are also very happy. This Lunar New Year is of great significance to this family of four.

And this New Year's Eve, having lived so perfectly, made them feel an unprecedented sense of happiness.

Twenty-four o'clock on New Year's Eve.

It is also the zero point on the first day of the new year.

Charlie set off the last set of fireworks, and Jacob also lit the last set of firecrackers.

Claire put her hands on her mouth and shouted: "Husband, parents, happy new year!"

Chapter 2040

Elaine leaned on crutches and shouted excitedly: "Happy New Year!"

Jacob raised his head to look at the fireworks, the brilliant brilliance reflected on his face, and that face was already wrinkled, and it was full of happiness.

At this moment, Jacob inevitably thought of Meiqing in his heart.

This was also the first Spring Festival that Meiqing had after returning home after more than 20 years.

Jacob quietly took out his mobile phone and sent a WeChat to Meiqing. The WeChat only had four words: "Meiqing, Happy New Year!"

Charlie's mobile phone has been bombarded by WeChat notifications.

Many people sent him New Year greetings at this moment. He didn't have the energy to reply one by one, so he posted a text in the circle of friends: Happy New Year to all family and friends!"

This night, thousands of houses in Aurous Hill were lit up.

Charlie's family of four even played on the riverside until one o'clock in the morning before driving back.

Most people are immersed in the unique sense of happiness in the New Year. Only the old Mrs. Willson's family are still struggling with starvation.

During the day today, Gina didn't know where to buy an old 21-inch color TV. This kind of broken TV, even if it is intact, can sell for dozens of dollars at most. Normal people almost don't even bother to take a look.

However, for the three Gina and the others, this shabby old TV allowed them to watch the entire Spring Festival Gala intact and brought them great satisfaction and happiness.

While watching TV, they ate all the New Year's Eve dinner they had prepared, and in the end they didn't even leave a bite of vegetable soup.

After eating in the living room, the three of them did not forget to carry the TV back to Gina's room.

In order to prevent Mrs. Willson's family from taking any advantage of them.

Mrs. Willson and Wendy had been thinking about the little rice in the incense burner, so they had been hungry and boiled until a little bit more before finally putting Gina and the others to sleep.

After making sure that Gina and the others were sleeping, they began to prepare porridge.

The rice in the incense burner did not look very good because it had a lot of incense ash, but the old lady and Wendy, who were so hungry that their chests stuck to their backs, could no longer take care of them.

They didn't say a word, they brought the incense burner into the kitchen very neatly, then poured out the rice and washed it clean, and immediately afterwards they used the rice to cook the porridge.

The rice in the incense burner is almost over a jin, and it's all boiled into a big pot of porridge.

Mrs. Willson and Wendy each drank a bowl when the rice porridge was just cooked.

Later, feeling that it was not enough to relieve hunger, so they drank another bowl.

Feeling that the taste was a bit weak, the two secretly put the salt and soy sauce bought by Gina and the others into the rice porridge and stirred and drank.

Gina tried every means to leave no obvious opportunity for Mrs. Willson, but she did not expect Mrs. Willson to think about the rice in her incense burner, as well as her own salt and soy sauce.

Early the next morning.

New Year's Day.

Claire was a little bit tired because she went out to play around last night, and she still hadn't gotten up.

Charlie has already woken up and made himself a cup of tea in the living room downstairs.

In his spare time, he checked the circle of friends. In addition to the circle of friends wishing new year, he also saw a circle of friends posted by Warnia.

"Leaving for Japan today, the cycle is estimated to be one week. During this period, please contact Mr. Honor for the relevant affairs of Aurous Hill."

Charlie couldn't help being a little surprised. He didn't expect Warnia to go to Japan on the first day of the Chinese New Year.

At the same time, next door a04.

Gina and the three woke up early. Although today is the first day of the new year, they still have to go to the supermarket to work and make money.

The first thing Gina did when she got up early was to put a stick of incense on the portrait of Guanyin Bodhisattva, so that Guanyin would bless her in the new year with peace and prosperity.

She lit the three sticks of incense, made a wish, kowtow, and when she stood up to insert the three sticks of incense into the incense burner, she suddenly realized that it felt a bit wrong.

Originally, when the incense is inserted into the rice in the incense burner, there will be an obvious sense of damping.

But now, she couldn't find any feeling.

When she took a closer look, she was immediately angry!

She screamed: "This dead old woman Willson! Even dare to steal the rice from my incense burner!?"

Chapter 2041

Mrs. Willson finally had a full meal and had a good night's sleep.

Unexpectedly, the door of the room was kicked open by the angry Gina early in the morning!

Before Mrs. Willson could react, Gina rushed to the bed, slapped her face fiercely, and cursed angrily: "You dead old woman, even the censer used by me to give incense to the Buddha You dare to steal rice, are you still a human?"

Mr. Willson was dizzy by the slap. Looking at Gina's face that was close at hand was full of anger. She was so frightened that she blurted out and pleaded: "Gina, I'm sorry Gina! I didn't want to steal either. Your thing, but I was so hungry..."

Gina was furious and gritted her teeth: "It's your problem that you are hungry. What does it have to do with me? The incense burner is used by me to incense the Bodhisattva. You stole the rice in it. That would be disrespectful to the Bodhisattva! If you condemn me, you are hurting me!"

Lady Willson couldn't help but choked up: "Gina...this New Year's Eve...you can't just watch my old lady starving to death in this house, right? You say, if I die in this house from hunger on new Year's eve, how will you live here in the future? You lie in the bedroom upstairs every night thinking that I starved to death in this room downstairs. Would you feel better in your heart?"

With that, Lady Willson said in tears: "Gina...you just saved me, saved an old life. Didn't the Bodhisattva say? Save a life and win the seventh-level Buddha statue. This is also considered accumulation of good deeds!"

Although Gina's expression eased a little, she still shouted coldly: "For the sake of the Bodhisattva, I can forgive you for stealing rice, but you must save your own behavior and pay a certain price!"

Mrs. Willson hurriedly asked, "Gina, what price do you want me to pay?"

Gina said coldly: "You honestly wash the clothes for the three of us for one day. I will think this has never happened!"

When Mrs. Willson heard this, she immediately pleaded: "Gina, I was unwell yesterday and couldn't go to the supermarket to work, so I stole your rice. Today I said everything has to go to work, otherwise for the family of four today's rations are missing again..."

"Then I don't care!" Gina said annoyedly: "Either you will wash our clothes, or you will give me the rice that you ate, and I will not ruin you. As much as you eat, you will pay me back and give the incense burner just fill it up!"

Mrs. Willson cried her face in mourning: "Gina, all the rice has been boiled by me, now let me give you back what? Or else, you let me go to the supermarket to work today,

and I get the money after work. I'll buy rice and return it to you immediately, do you think it's okay?"

"No!" Gina said without relenting: "If you choose to return the rice to me, then return it now, otherwise, just get out and wash my clothes honestly!"

After that, Gina threatened again: "If you toast and don't eat fine wine, don't blame me for being rude to you!"

Seeing Gina's grim expression, Lady Willson knew that this woman was definitely not joking with her.

She is now lonely and weak, how could she be her opponent?

So, Lady Willson nodded her head in tears, choked up, and said: "Okay...I will wash...I will go to wash..."

On the first day of the Lunar New Year, Mrs. Willson's family of four did not get in.

The three of Gina gave a lot of dirty clothes and bed sheets to Mrs. Willson and asked her to wash everything today.

So the old lady has no time to go out and make money.

And Wendy, because of the need to take care of the injured and bedridden Noah and Harold, she couldn't get out at all.

Chapter 2042

No one is going to make money, so naturally there is no food to cook, so the family can only stand hungry.

Since Noah and Harold kidnapped Elaine, and mishandled Cynthia Wade, all four of the Willson family have lost a lot of weight, and their lives have been miserable.

The Charlie family next door packed up their things at noon on the first day of the Lunar New Year and drove to the hot spring villa Isaac gave to Charlie. The family planned to relax in the hot spring villa for two days.

At the night when they arrived at the hot spring villa, Cynthia sat in the shabby rental house, looking bored at a takeaway dumpling.

Since Charlie detained her in Aurous Hill, Cynthia has been relying on takeaways to survive.

And the hateful thing was that Charlie didn't allow her to order takeaways by herself. All the takeaways were ordered directly by Orvel's confidant, and the price of each meal basically never exceeded thirty yuan.

In the past few days, Cynthia was forced to taste a lot of popular delicacies that she had never tasted in her entire life.

For example, yellow braised chicken rice, such as green pepper shredded pork rice bowl, Kung Pao chicken rice bowl, ramen noodles, northeastern potato noodles, donkey meat fire and so on.

In the eyes of the Wade family, these common delicacies, which could no longer be ordinary, were simply rubbish in the trash. Not to mention eating a meal, or even smelling it, would make her feel sick.

But now, Cynthia, who had always been aloof, can only feed on this every day.

Yesterday was New Year's Eve and they couldn't order takeaways, so Orvel's people gave her two boxes of instant noodles, a bag of ham and two braised eggs.

Cynthia had eaten this kind of garbage when she saw New Year's Eve. Naturally, she lost her reason to live, and said that if she couldn't eat dumplings on New Year's Day, she would commit suicide on the spot.

Therefore, Orvel's people gave her a dumpling made by themselves.

The dumplings are made with pork and sauerkraut. Because the younger brother of Orvel and his family are all from the Northeast, he loves this flavor of dumpling filling.

But Cynthia ate all the delicacies of mountains and seas since she was a child, and Wade's dumplings had not been wrapped in pork.

The most commonly eaten dumplings of Wade's family are mixed with shrimp meat from top lobster and fish meat from wild large yellow croaker. They are then chopped into meat puree by hand, and then wrapped with minced meat from shark fin and abalone. The cost of a dumpling is probably higher than the cost of ordinary people eating dumplings for a year.

Cynthia had never eaten a bite of sauerkraut.

For a young lady who grew up in a top family, pickled food like sauerkraut is a taboo they will never touch. Almost any food that needs to be pickled and fermented is equivalent to poison in her eyes.

Therefore, she only tasted the pork and sauerkraut dumplings, and immediately spit it out, and then rinsed her mouth several times before finally getting rid of the taste of sauerkraut.

Cynthia opened the door angrily and questioned Orvel's younger brother: "What kind of shit dumplings did you bring? Is it the damn thing for people to eat?!"

When the man heard this, he immediately became angry. He spoke with a northeastern accent, and said angrily: "You stinky woman, why the hell do you talk? My mother made these dumplings, and I was kind enough to give you some. , Are you fcuking talking like that? Are you willing to die?!"

Chapter 2043

Orvel's subordinates did not know Cynthia's specific details.

All he knows is that this is a middle-aged woman for whom the boss requires strict supervision. As for her surname, where she comes from, and what background, this person knows nothing.

Therefore, when Cynthia got furious because of the dumplings he kindly brought, he immediately became a little angry, feeling that he was kindly feeding a vicious dog that barked.

Cynthia didn't think that Charlie, one of his subordinates, spoke to her in this tone, suddenly becoming angry.

She pointed to the other's nose and sternly said, "Do you know who I am? How dare you talk to me like this?"

The other party gritted his teeth and cursed: "I care who you are, you insult the dumplings my mother made for me, and I can't get rid of your hatred if I don't strike your fcuking mouth!"

Cynthia became even more angry when she heard him mention dumplings, and cursed: "You have a fcuking face to mention dumplings. I'll ask you, what is the sour thing in that dumpling of your mother? Your mother is rotten and sour, and your mother is still making dumplings. Is it sick? Is the family so poor?"

A man from the Northeast who is about 1.8 meters tall, his face flushed immediately and annoyed, he said, "You fcuking know a f@rt! That's the fcuking sauerkraut we eat most often in the Northeast! You haven't even seen sauerkraut. Are you fcuking still human?"

Cynthia said with a haughty expression: "This kind of junk food, that is, poor people like you will eat it!"

After that, she took the dumpling and threw it directly on the opponent's face.

Cynthia didn't care about the dumplings scattered all over the place. She stared at the strong man in front of her and said coldly: "I don't eat this garbage, you quickly go and prepare me a lobster dumpling!"

Seeing the dumplings that his mother worked so hard to make, Cynthia was so ridiculed by it that she even threw them all to the ground, and suddenly couldn't control them. He raised his hand and slapped Cynthia in the face.

Cynthia was immediately slapped and scolded in anger, "You...you dare to beat me! I fcuking kill you!"

The other party ignored her and said coldly: "Today's meal has been delivered to you. If you are not full, you can only wait for tomorrow."

Cynthia blurted out: "What did you say?! I ate one of your rubbish dumplings and vomited!"

The other party said lightly: "Then it has nothing to do with me. Anyway, I have delivered the meal. It is your business whether you eat or not."

Cynthia gritted her teeth and said, "I won't eat your dumplings, you can order me a McDonald's!"

When the other party heard this, he roared angrily: "You fcuking don't want your face! Northeast sauerkraut is rubbish in your eyes, and McDonald's is not rubbish in your eyes? It's a damn good thing. Shame on you!"

After that, he closed the door directly and hung the lock from the outside.

Cynthia didn't eat a bite of rice, so she quickly became hungry.

In the evening, Cynthia couldn't help calling her father Zhongquan, who was far away in Eastcliff. She complained on the phone and told her father about her experience in Aurous Hill.

Then, she begged her father bitterly: "Dad, you put some pressure on that b@stard Charlie, let him put me back quickly, I really can't stand it..."

After listening, Zhongquan said calmly: "Okay, I've told you about this before. Since you did something wrong by yourself, then honestly stay in Aurous Hill for a week."

Cynthia choked and said, "Dad, I really can't bear it anymore. I don't know how to live this kind of ghost life! I didn't even stutter all day today. If this continues, I will be driven crazy!"

Chapter 2044

Zhongquan frowned, and asked: "As a daughter of the Wade family, why don't you have this patience? You can't hold on to this little thing, what else can you do?"

Having said that, Zhongquan reminded again: "By the way, from now on, you don't have any conflicts with Charlie, and don't end up with him because of these things. He has

agreed to come back to attend the ancestor worship ceremony on Qingming Festival. That is a good start for him to return to the Wade family."

Cynthia asked angrily: "Dad! Why do you always favor Charlie that infamous b@stard? He is a poor boy who has been living outside for many years. He has never read a book or went to school. What value does he bring to the Wade family? You still let him go back to attend the ancestor worship ceremony, he won't be able to embarrass us Wade Family's direct line?"

Zhongquan said coldly: "Charlie is also of the Wade family's bloodline. He still has the marriage contract of Philip's daughter. His potential value to the Wade family is incomparable to anyone, including you! So you Don't fix any monster moths, let you stay in Aurous Hill for seven days and you'll just stay! A portion of pork and sauerkraut dumplings can find faults, you really don't look like floating!"

After Zhongquan finished speaking, he directly hung up the phone.

Cynthia on the phone's end was naturally aggrieved in tears.

The more so, the more she hated Charlie in her heart.

In her opinion, she suffered hardships and was even scolded by her father because of Charlie.

Therefore, she swears from the bottom of her heart that she must find an opportunity to make Charlie pay the price!

And this ancestor worship ceremony is the best opportunity!

Thinking of this, Cynthia murmured in her heart and swears: "Charlie! Cynthia, I will definitely teach you a bitter lesson!"

Thinking of this, she wiped away her tears, opened the door, and said with an apologetic look to the subordinate of Orvel: "You gentleman, I was indeed reckless just now. I apologize to you and hope you can forgive me... .."

As she said, she bowed deeply.

Seeing this, the other party's mood naturally eased a bit, so he said: "Okay, because of your good attitude, this matter will be over!"

Cynthia was overjoyed and quickly bowed to thank him. Then she asked, "Sir, can you please help me to send a message to your boss?"

.....

At night, Charlie, who was in the hot spring hotel, received a call from Orvel.

On the phone, Orvel said to him: "Master, your aunt asked me to bring you a message today. She said that she has been deeply aware of her mistakes in the past few days and wants me to say sorry for her and hope you Can forgive her for being immature."

Charlie said indifferently: "It's impossible for a person like her to apologize to me willingly. It must be something else?"

Orvel said: "She said, I hope you can recite her good attitude and let her return to Eastcliff in advance."

Charlie sneered: "No! Tell her to stop dreaming. She can't miss a minute in seven days."

Orvel said hurriedly, "Okay Master, I will pass it on to her."

"Yeah." Charlie said: "After seven days, let her leave Aurous Hill immediately, and never allow her to come again!"

Chapter 2045

The overall living experience of the hot spring villa in Champs Elys is much better than Tomson.

It is located on the mountainside with beautiful scenery, not only the scenery is excellent, but more importantly, it is very quiet, the distance between the villa and other villa is also very far, and the privacy is very good.

In addition, although the total price of the hot spring villa in Champs Elys is about half that of Tomson's first product, it is actually much larger than Tomson's first product in terms of the construction area and courtyard area.

Housing prices in the city are very expensive, mainly because of the land price. The Champs Elysées is located in the suburbs, so the land price is much lower than in the city.

Claire likes the environment very much. For her, it has been a long time since she had the opportunity to experience such a relaxed and quiet life.

Therefore, the family simply decided to take advantage of the Chinese New Year holiday to stay here for a few more days and relax.

Elsa has been trying her best to invite Claire and Charlie to visit Eastcliff, but Claire is still hesitating. She feels that going to Eastcliff will inevitably have to go back and forth, and no matter how good someone else's home is, it's far away from living in someone else's home. It's not as good as living in own home, so she hesitated.

On the second day of the Lunar New Year, while Charlie's family was still enjoying their vacation in the hot spring villa, Warnia had already started meeting with Nippon Steel's senior officials in Tokyo.

The Song family's involvement in steel manufacturing this time was a careful decision after Warnia thought twice.

The steel industry is the foundation for the development of the modern industry. Whether it is light industry, heavy industry, or military industry, it is inseparable from the support of the steel industry.

The Song family had been involved in the steel industry earlier, but they never seized the opportunity to become bigger and stronger.

Now, she takes over the Song family, hoping to increase the overall industrial scale of the family by a step, so she decided to bet heavily on steel companies.

The specific plan is to establish a steel company focusing on special steel smelting in Haicheng, a city on the lower reaches of the Yangtze River not too far from Aurous Hill.

Haicheng is the city where Tailai is located.

Although Tailai is the richest man in Haicheng, his main direction is real estate and supporting commercial development, which is highly similar to the development direction and industrial form of Wanda Group.

As Haicheng is a city on the lower reaches of the Yangtze River and closer to the sea, shipping is also very convenient. Iron ore and other raw material purchased from Brazil and Australia can be easily transported via the sea by 10,000-ton bulk carriers to the city.

The most important part of the iron and steel industry is transportation. The amount of iron ore is huge. Therefore, shipping conditions must be supported to reduce costs to the greatest extent. This is why almost all large-scale steel companies are established in coastal cities and cities along the river. The main reason.

The Song family invested in a large area of industrial land in Haicheng many years ago, which happened to be used to build a factory. So now the only thing the Song family lacks is a partner with strong R&D capabilities and a large number of steel patents.

Therefore, Warnia set the cooperation target as Japan's Nippon Steel.

Chapter 2046

She decided to adopt a joint venture like an automobile company to introduce Nippon Steel's cutting-edge technology in steel companies.

FAW-Volkswagen, Guangqi Honda, and Changan Ford have basically adopted this kind of joint venture idea. After two to thirty years of joint venture development, these companies have indeed achieved very impressive sales results.

Nippon Steel is also very interested in this cooperation, coupled with the Song family's strength, land, and certain experience in the steel industry, it is also a very good potential partner for Nippon Steel.

So the two sides hit it off, and the rest is the discussion and formulation of cooperation details.

Warnia's idea is that the Song family holds 51% and Nippon Steel holds 49%, but the idea of Nippon Steel is that they hold 51% and the Song family holds 49%.

Don't look at such a slight difference in proportions, but it determines who has the final say in a company.

Shareholders who reach 51% are undoubtedly the largest shareholders, and they have absolute power to say anything about specific matters of the company.

Once the controlling rights are handed over to Nippon Steel, the Song family will lose all dominant positions in this cooperation.

At the negotiating table, both sides saw the issue back and forth, but no one wanted to take a step back.

Warnia said to Nippon Steel's senior management: "Everyone, our cooperation this time refers to the usual cooperation model of the auto industry. In our country, local auto companies and overseas auto companies have established joint ventures with local companies to hold shares %, overseas companies hold 49% of the shares. After that, the company is established in our country and it should be controlled by us. I hope your company can understand this!"

The person responsible for negotiating with Warnia is Nippon Steel's vice chairman, whose full name is Hashimoto Kinzaki, is a member of Nippon Steel's core management.

Hashimoto Kinzaki is forty years old this year. In Japan, a society where qualifications are extremely important, he can climb to the core management so early. It can be said that he is a very right-handed person.

At this time, he looked at Warnia and smiled slightly: "Miss Song, I know the kind of cooperation model you mentioned in the automobile industry, but that kind of model is not suitable for this cooperation between Nippon Steel and you."

Warnia said with a calm expression, "Mr. Hashimoto, why is it not suitable for our cooperation? I would like to hear more."

Hashimoto Kinzaki said with a smile: "First of all, there are too many leading companies in the automotive industry. There are Toyota, Honda, and Nissan in Japan alone, BMW,

Mercedes-Benz, Audi, and Volkswagen in Germany, and GM, Ford, and Chrysler in the United States. Not to mention the Ferraris, Lamborghini, and Maseratis in Italy. With such a large number of competitors, it is inevitable that their peers will be underestimated. Everyone will often lower their prices for the Chinese market..."

Speaking of this, Hashimoto's expression was stern, and he said seriously: "However, there are only a few leading companies in the steel industry. Among the world's top ten steel companies, half of them are on the list due to large output. There are only three or four companies specializing in the core technology of special steel, and the only company in Japan is Nippon Steel. You have a Chinese saying, "Rare is precious". Miss Song for the rare cooperation of Nippon Steel Partner, it is normal to sacrifice more interests!"

Warnia hesitated again and again, and said: "Mr. Hashimoto, I really can't give up any more shares. The Song Group must hold 51% of the shares in this cooperation, but as compensation to Nippon Steel, we can give rope in terms of income rights, Nippon Steel has a certain degree of tilt. For all the net profits generated by our cooperation in the future, Nippon Steel will enjoy 51% of the net profit income rights. What do you think of this?"

Hashimoto Kinzaki shook his head without hesitation, and said seriously: "Ms. Song, we will not make any concessions on the equity issue. If we are willing to make concessions on this point, we will have deep cooperation with other steel companies in your country. How can we wait until today?"

Chapter 2047

Warnia knew that what the other party said was true.

In fact, Nippon Steel, a top-notch steel group, is very popular in any country.

Especially their strength in special steels is among the top in the world.

Special steel has a wide range of uses, and the more sophisticated the field, the higher the demand for special steel.

Such as the military industry.

The most common barrels have very strict requirements on steel.

If the material is excellent, the life and accuracy of the gun can reach the best, but if the material is not good, the life and accuracy of the gun will naturally not work.

Some barrels, fired thousands of times, will wear out so much that they have to be replaced.

Some gun barrels have reached the end of their life after hitting a few hundred rounds. If they don't work well, they may explode. Once they are put into use on the battlefield, it may affect the battle situation and results.

In addition, tank armor, helicopter armor, and aircraft carrier decks all have extremely high requirements for steel.

Therefore, everyone hopes to have in-depth cooperation with companies like Nippon Steel.

But Nippon Steel is also very smart.

They not only have a great appetite for foreign cooperation, but they are also very cautious about patents and scientific research results.

Even if it is to reach a cooperation, they will not bring out the top results at the bottom of the box.

At most, some castrated products are used to cover the civilian field, and the cutting-edge technology in the military field is never external.

This time working with the Song family, what they want is Absolute Holdings.

While letting the Song family surrender, contribute money, land, and power, they must do things under their hands and at their orders.

As long as the Song family agrees to this condition, they will spend a few years gradually turning the Song family into their own puppets, or sweeping the Song family out of the game.

Warnia didn't expect that she would give Nippon Steel two more profit rights, but the people of Nippon Steel still refused.

So, she gritted her teeth and said: "Mr. Hashimoto, I can give Nippon Steel a part of the income right. The future net profit will be 55% for Nippon Steel and 45% for Song. How about this?"

To give up five points in one breath, for Warnia, it was already a great compromise and concession.

Unexpectedly, Hashimoto shook his head without hesitation and smiled faintly: "Miss Song, our Nippon Steel's requirement is to never give up the controlling rights. If you can't agree to the controlling rights, then there is no need to continue talking."

Warnia suddenly felt very passive.

She couldn't help but secretly think in her heart: "Now, on behalf of the Song family, I actively want to cooperate with Nippon Steel, so Nippon Steel directly squeezed my mentality and demanded a controlling stake, and it did not give in at all... ..If I continue to insist, then this matter may not be discussed..."

"If this time I return without success, then all the preparatory work I have done will be lost..."

Chapter 2048

"By the way, if I give up the controlling rights, it will be equivalent to giving up all autonomy. In the future, Nippon Steel will decide almost all the affairs of the company. Then the Song family will be too passive..."

Hashimoto Kinzaki saw her expression a bit tangled, and said with a smile: "Miss Song, this matter does not need to settle immediately without any hurry. You can go back and think about it first. Let's make an appointment tomorrow for a chat. What do you think?"

Warnia hesitated for a while, then nodded gently.

She is very clear that she has no initiative at all in this round of negotiations.

If continue to talk like this, they will only become more passive.

This is like buying things in a store. If the seller is anxious to make a move, the buyer will have more room for bargaining. For example, if the seller makes a price of 100, the buyer will directly say 20, and then you will sell if you sell. I go to another place to buy it, and then I can firmly seize the initiative.

However, if the seller's mentality is very stable, the buyer will say twenty, and the other party will directly say that you should go to another house. This will make the buyer lose the initiative.

According to normal logic, buyers can only add up a little bit until the price can satisfy the seller. The specific transaction depends on the seller's psychological price. It may be fifty or seventy-eight. Ten, even ninety.

However, the seller in front of Warnia was not prepared to make any concessions.

He gave Warnia a very tough attitude. You can only buy one hundred for this item, and one cent will not work. If you want to get 99, I'm sorry, then you can go to another house or go back and think about it.

Warnia has no room for mediation at this time. The only way is to suspend the negotiation first, slow down the rhythm, and continue to come and talk tomorrow.

So, she nodded and stood up and said, "Mr. Hashimoto, then both of us will consider it carefully. If it is convenient for you, I will come back tomorrow morning."

"No problem!" Hashimoto stood up with a smile, shook hands with Warnia, and said, "Miss Song, I will send you out."

After Warnia left Nippon Steel, she and her assistant got into the rented nanny car and rushed back to the hotel.

At the same time, she sent a message to the family's WeChat group in the car: "Nippon Steel must have a 51% controlling stake here. I will not give in. I give up the right of income to 55% and they are still unmoved. I have already come out of Nippon Steel. I will organize the negotiation points in the evening, and I will talk to them again tomorrow."

Mr. Song immediately sent a voice message: "Nippon Steel has always had a big appetite, but don't take them too seriously, because I learned some time ago that Nippon Steel's life is not easy now!"

Immediately afterward, the old man sent another voice: "Their group has successively engaged in several large investment projects in the past few years, but they have not done it properly and wasted a lot of funds, so their revenue this year is under great pressure. On the surface, it seems very calm, but deep down, they must also be eager to cooperate with us. It's nothing more than trying to put on the air and strive for more benefits."

Honor Song also sent a message: "Warnia, don't worry, look for their flaws, and then hold them, they will definitely compromise."

"Yeah." The old man said: "It is now February, and they will soon release last year's financial report. If the financial data is not good, not only shareholders will trouble them, but investors will also complain. In that case, their stock price is bound to fall. If they can announce their cooperation with us before the financial report is released, it can also inspire the emotions of shareholders and investors."

Warnia replied: "Okay, I will get ready after I get back to the hotel, and talk to them again tomorrow!"

At this moment, Hashimoto's phone suddenly rang.

The caller ID indicated that the call was from Aurous Hill of the neighboring country.

Honor, at this time, was in his luxurious duplex apartment in the center of Aurous Hill, listening to the prompt tone on the phone with a wireless landline.

Hashimoto got on the phone first, and said with a smile, "Mr. Song is so fast. As soon as the lady left with her front foot, your call came from the back foot!"

Chapter 2049

At this time Honor, looking at the river outside the window, smiled faintly, and said: "Mr. Hashimoto, I also just heard my sister say that the cooperation negotiation with you does not seem to be going well."

Hashimoto Kinzaki laughed and said, "She really thinks a little bit. She wants to cooperate with our Nippon Steel and also wants a 51% controlling stake. How is this possible? It is also cooperation. Mr. Song, you give me the terms. , Much better than her!"

Honor said with a smile: "Of course, women are too petty, so it is difficult to acclimate. As long as Mr. Hashimoto and I work together, I will give 51% of the shares to Nippon Steel by then. I will give nine more points to Mr. Hashimoto in private!"

Hashimoto Kinzaki said with some excitement: "Mr. Song is really magnificent! After such a toss, you only have 40% left in your hand!"

Honor said indifferently: "40% does not matter. I do this not to make money, but to make friends with Mr. Hashimoto."

Hashimoto Kinzaki smiled and said, "Mr. Song is really too generous! But I want to know, what is the chance of our success in this matter?"

Honor said seriously: "As long as you have the ability to keep my sister in Tokyo, the chance of success in this event must be 100%!"

Hashimoto Kinzaki said: "Mr. Song, I'm not distrusting you, but I heard that before your sister inherited the seat of Song's Patriarch, the Song's Patriarch seems to have always been your grandfather. If I take your sister Staying in Tokyo, will you be able to be the head of the Song family?"

Honor sneered and said seriously: "My grandfather is old and has reached the age of being able to eat. Even if he wants to sit as the master of the home, he must have more than enough energy."

Having said that, Honor said again: "And Mr. Hashimoto, don't worry, since I have decided to do this, it is that I have no arrow back when I open the bow. Even if my own relatives stand in front of me, I will kill my relatives righteously! So, as long as you can cooperate with me, I will not let you down!"

Hashimoto slapped his lips first, and said with emotion: "Tsk-tsk...Mr. Song is really courageous and knowledgeable, but there is one thing, I must put the ugly words first."

Honor hurriedly said, "Mr. Hashimoto, please speak."

Hashimoto Kinzaki said word by word: "Mr. Song, I can help you solve your sister's trouble, but after I help you solve the trouble, you must honor your promise to me, otherwise, the recording of the call may be transmitted to the Song family or even to the police in your country!"

Honor said without hesitation: "Mr. Hashimoto, please don't worry about this. After the event is completed, I will definitely honor my promise to you 100%!"

Hashimoto Kinzaki smiled slightly: "In this case, Mr. Song will patiently wait for the good news!"

.....

The following day, the third day of the Lunar New Year.

Warnia rushed to the Nippon Steel Corporation early to continue negotiations with Hashimoto Kinzaki.

After going back yesterday, Warnia thought about it all night. In order to win Nippon Steel, she made several plans for emergencies.

After the two parties sat at the negotiating table, Warnia took the lead in coming up with her first plan.

In the first set of plans, she still insisted on a 51% controlling stake, but in return, she was willing to adjust the share ratio to 40% to 60% in the first five years of cooperation between the two parties.

In other words, give Nippon Steel 60% of the net profit in the first five years, and then adjust it to 55% after five years.

Chapter 2050

Hashimoto's attitude has changed slightly from yesterday.

He no longer rejected Warnia's proposal very simply as he did yesterday, but started Tai Chi with Warnia.

He made many things ambiguous, and neither agreed nor refused. This kind of hard and soft attitude made Warnia feel very helpless.

The two sides have been talking about the approaching evening from the morning. Warnia has adjusted the profit share to Nippon Steel for the first five years to 65%, but Hashimoto recently refused to agree.

Warnia really has no choice but to show her own cards, and said: "Mr. Hashimoto, it seems that both of us are unwilling to make concessions to each other on the issue of holdings. If it is not possible, you think this will work. 50% of the shares, under any circumstances, we guarantee that each other has 50% of the voting rights. All cooperation matters, we are equal. If our two sides can't make progress in the cooperation, we will also follow the 50% to 50% method Distribute all remaining assets equally!"

Hashimoto Kinzaki frowned and sighed: "Miss Song, both parties hold 50% of the shares, which means that everyone has no initiative. If there is any dispute or disagreement in the future cooperation, how to resolve it? If not If a person can finally make a final decision, isn't it that you are caught in an infinite loop where you don't obey me and I don't obey you, but no one can help each other?"

Warnia said with a very serious expression: "Mr. Hashimoto, if both of us want to cooperate to the best of our ability, even if there are differences, I believe that everyone can calmly resolve them instead of trying to smash each other. Since we seek cooperation, we just want to do things well. If we don't even have this prerequisite, then cooperation will indeed be difficult to continue."

After that, Warnia said again: "So if you really have the sincerity to cooperate with our Song Group, the equity of 50-50 will not be a problem, but if you do not have this sincerity, then cooperation may not be necessary. It can be pushed forward."

Hashimoto Kinzaki said embarrassingly: "Ms. Song, there is a saying in your country that you call a villain first, then a gentleman. Since it is cooperation, it must take all the worst cases into consideration first, don't you think?"

Warnia said: "Mr. Hashimoto, the equity is 50%, and the income is still five points. This is the last limit of our Song Group. If you think you can cooperate, then we will continue to talk. If you think we can't cooperate, then we can only say sorry, so it's up to you to continue the conversation."

Hashimoto Kinzaki did not rush to express his opinion to Warnia. Instead, he looked at the time, with a weird smile on his face, and said, "Miss Song, it's too early now. Otherwise, on your terms, I and our director let me give you long feedback. I will give you a definite answer at the earliest tonight and tomorrow at the latest. What do you think?"

Warnia hesitated for a while, and said, "Well then Mr. Hashimoto, I'll wait for your news!"

Having said that, she stood up, reached out to Hashimoto Kinzaki, and said politely: "Mr. Hashimoto, then we will go back to the hotel today. If there is any progress, please contact me as soon as possible."

Hashimoto nodded first and smiled: "No problem, Miss Song, please rest assured to wait for my news."

Warnia took her assistants and got up and left the office building of Nippon Steel.

When going out, Warnia felt very complicated.

Today, she has already revealed her final trump card, and she has no room for mediation anymore. If Nippon Steel's senior management can't agree, then she will return from Japan this time without success.

Upstairs of Nippon Steel.

Hashimoto Kinzaki watched Warnia's commercial vehicle leave the parking lot downstairs, with a cruel smile on his lips, and picked up his mobile phone to make a call.

As soon as the phone call, he smiled and said, "Mr. Song, the lady has been driven mad by me. I think the time is ripe and we can do it tonight. After tonight, your cousin will completely disappear from this world!"

Honor's voice came from the other side of the phone: "Haha, Mr. Hashimoto, then everything depends on you!"

Chapter 2051

At this moment, Warnia was very upset.

She didn't expect Nippon Steel to be so difficult to chew.

Moreover, during the entire negotiation process, she has been very passive, prepared so many hole cards, until the last hole card was also opened, and failed to finalize the cooperation.

Deep down in her heart now, she has a strong sense of frustration.

And she also had a hunch that she always felt that it would be difficult to get the result she wanted in this negotiation.

Maybe, this time she will return without success.

On the way back to the hotel, she told her family about her guess.

Although Mr. Song was a little disappointed, he still encouraged her and said to her: "Warnia, this time you are cooperating with Nippon Steel, you shouldn't put too much pressure on it. It's good if this matter is negotiated, it's not right for us. There is no loss, nothing more than a little less, it doesn't matter."

Honor also sent a message, saying: "Yes Warnia, Nippon Steel is notoriously difficult to eat. There are so many companies in China who want to cooperate with them in-depth, but none of them really reached a conclusion. So even if it's really impossible to talk about it, there is nothing to lose."

Honor's words immediately aroused the potential competitiveness in Warnia's heart.

She feels that the more people and so many companies have failed to achieve, the more she wants to win it!

Otherwise, she would become one of the countless losers.

However, the current situation is not very clear, so Warnia dared not be too confident, so she said in the group: "Tomorrow I will try my last time to achieve success, but forget it."

Grandpa Song said: "It's okay. Don't worry too much about success or failure. Grandpa doesn't want you to wrong yourself for business, understand?"

Warnia felt a little more comforting, and replied: "OK, grandpa, I see."

Honor said with a smile at this time: "Warnia, brother believes in your abilities, and brother believes that if you wake up early tomorrow morning, you will wait for the good news of your successful signing!"

Warnia knew that it was her brother who was comforting her, so she made a smile and said, "Brother, then I will borrow your good words!"

Back at the hotel, Warnia was a little bored, so she didn't even eat dinner. She just stayed in her room alone, combing through the plans she wrote, trying to find out the reason for not moving Nippon Steel.

Due to excessive immersion, she did not realize that it was ten o'clock in the evening.

At this time, her doorbell rang.

She stood up, walked to the door, looked through the cat's eyes, and found that it was her personal assistant, so she opened the door.

Outside the door, the young female assistant said: "Ms. Song, you haven't eaten anything at night. You should be hungry. Would you like me to order some food for you from the catering department and send them to the room?"

Warnia did feel a little hungry, so she nodded and said, "Okay, you can help me order something."

With that, Warnia asked again: "Have you eaten?"

The female assistant nodded: "We have all eaten."

Warnia smiled slightly: "That's good."

Twenty minutes later, the hotel waiter pushed the dining car and delivered the dinner the assistant had ordered for Warnia to the room.

Warnia closed the computer, and just about to sit down and take a bite, she suddenly received a call from Hashimoto.

Chapter 2052

Warnia couldn't help but wonder, "Why did Hashimoto Kinzaki call me so late?! Could it be...could it be that they have already discussed the results?!"

Thinking of this, Warnia inevitably felt a little nervous. She hurriedly connected to the phone and asked, "Mr. Hashimoto, what can I do for you?"

Hashimoto Kinzaki smiled and said, "Ms. Song, I have given feedback to our chairman of your final cooperation intention today. He recognizes your sincerity very much, so let me inform you that I will cut the mess tonight. The contract is signed!"

Warnia did not expect that what she was waiting for was the most anticipated news, and she asked in surprise: "Mr. Hashimoto, what you said is true?!"

Hashimoto Kinzaki laughed and said: "I don't dare to talk nonsense about this. After that, I'm just the representative of the group to negotiate with you. The chairman of our company is the one who really made the decision. Since he has said so, there will be no falsehood."

Warnia said excitedly: "That's great! Mr. Hashimoto, does the chairman of your group want to sign the contract tonight?"

"Yes!" Hashimoto said: "Our chairman's meaning is that since Miss Song is so sincere, then we should also show our sincerity and sign the contract as soon as possible."

Warnia hurriedly said, "Okay! Mr. Hashimoto, please give me an address, and I will be there!"

Hashimoto Kinzaki said: "Miss Song is like this. Our chairman originally took a vacation at the hilltop villa in Nishitama County today, so what he meant is to let you sign a contract in Nishitama County now."

Warnia asked: "Nishitama County? Where is it? I don't know Tokyo very well. Please forgive me..."

Hashimoto Kinzaki said with a smile: "Nishitama County is about 70 or 80 kilometers west of Tokyo. You should be able to get there in more than an hour. Your driver must know the location. If you are convenient, you can come now."

Warnia said without hesitation: "Okay, no problem, I will set out now!"

After hanging up the phone, Warnia immediately called her assistant again, and said with excitement, "Swallow, hurry up and prepare. Let's set off in five minutes and go and sign the contract with the chairman of Nippon Steel!"

"Ah?!" Warnia's assistant Swallow asked in surprise: "Ms. Song, Nippon Steel has agreed to sign?!"

"Yes!" Warnia blurted out: "Their chairman told us to sign the contract now! You should ask the other to prepare quickly, and also ask the driver to prepare!"

"OK, President Song!"

Five minutes later.

Warnia walked out of the room in a hurry.

The two female assistants met her at the door, and Swallow said, "Mr. Song, the driver is already waiting at the door of the hotel. Let's go straight down!"

"Okay!" Warnia nodded, and said eagerly: "Then let's go downstairs!"

In the car, Warnia told the driver the address given to her.

The driver immediately entered the address into the navigation, and while starting the car, he said to Warnia, "Miss Song, the traffic is very smooth now. We will be there in about an hour and 20 minutes."

"Okay." Warnia nodded.

Swallow on the side said at this moment: "Ms. Song, do you want to tell Mr. Song this good news in advance to make him happy?"

"You are right." Warnia just wanted to take out her mobile phone, call her grandpa, and tell her family about her major progress.

However, when she thought of her brother Honor on the way back in the afternoon, she hesitated and thought: "In the afternoon, my brother, in order to cheer me up, joked that I would receive the good news of my successful signing in the morning. I might as well sign the contract first, and wait until tomorrow morning to tell them and give them a real surprise!"

Thinking of this, Warnia put away her mobile phone and said to Swallow: "The contract has not been signed yet. Now I say it, this will be a bit hasty. Let me tell them after the contract is signed and the dust settles!"

Chapter 2053

The vehicle Warnia was in, quickly drove out of downtown Tokyo and continued on toward the mountainous areas in the western suburbs of Tokyo.

Although Japan is mountainous, the capital Tokyo is located in the Kanto Plain, so the entire Tokyo is flat, and there are almost no peaks in the city. One has to go west for dozens of kilometers until Nishitama County before entering the mountainous area.

Mountainous areas are mostly winding roads, but the road conditions are very good. Commercial vehicles continue to drive on the winding mountain roads with nine bends and eighteen bends, and the altitude is gradually increasing.

Because it was in the mountains and it was a long night, almost no cars were driving along the winding road for dozens of kilometers. Looking down from the sky, only Warnia was in the car with its lights on, circling through the mountain road.

She was very happy at this time.

Although in the final cooperation plan with Nippon Steel, the Song family gave up the controlling rights, but fortunately, the controlling rights did not fall into the hands of Nippon Steel, which is a relative compromise solution.

Since taking over as the head of the Song family, Warnia has been working hard, but it is true that she has not made very outstanding results immediately.

Therefore, she personally attaches great importance to this cooperation with Nippon Steel.

I also look forward to using this cooperation to prove to everyone that I really have the ability to make the Song family better and better.

At this time, the car has already run most of the winding mountain road, occasionally when the car drove to the east side of the mountain, one can see the night view of the entire Tokyo east side at the feet.

Sitting next to Warnia, Swallow took out her mobile phone with some excitement. While taking pictures of the scenery outside the window, she exclaimed: "The night view of Tokyo from the mountain is really unique..."

With that said, she tried to take a few photos, and said with some regret: "Oh, it's not clear to take pictures on the phone at night, so I can't capture this kind of mood at all!"

Warnia smiled slightly and said, "If you take a photo at night, the light is too weak, so long exposure time is needed. If you really want to shoot this kind of night scene, you have to find a place with a wide view, use an SLR with a tripod, and use a long exposure. This kind of feeling can be photographed in the same way."

Swallow said in surprise: "Mr. Song, you know photography!"

Warnia smiled and said: "It was popular to join various interest clubs when I was in college. I have fewer cells for singing and dancing, so I chose photography."

Swallow smiled and said, "Then I will learn from you if I have a chance!"

Warnia nodded and said: "If the contract is successfully signed, we will rest in Tokyo for a few days and relax. Then I will buy an SLR and a tripod, and we will come here again to take night shots."

"It's great!" Swallow said cheerfully: "This way, I can stroll around and take a look in Tokyo!"

As they were talking, the vehicle drove into a U-shaped curve on the winding mountain road, and the driver subconsciously slowed down and entered the curve. After a slow and steady turn, a low roar suddenly came in front of him.

The driver subconsciously turned on the high beam, and then he was stunned to find that a full-loaded heavy truck was in the middle of the road, leaping downhill and quickly diving toward him!

The opponent's car is very large, and it is going downhill and extremely fast. Once a collision occurs on such mountain roads, the consequences will be disastrous.

The driver of the commercial vehicle kept flashing his lights and honking his whistle, but the other party remained unmoved.

What's more frightening is that the mountain road itself is very narrow, with only two lanes on the left and right, and the other side is driving in the middle of the road, so there is no room for commercial vehicles to dodge at all!

When Warnia saw this, several questions flashed in her mind: "What's the matter with that truck?! Why doesn't it slow down?!"

Before she could understand, the Truck banged directly on the front face of the commercial car!

Since this big truck is downhill and full of muck, its tonnage and inertia are large.

Warnia's commercial car was in front of it, exactly like paper!

Chapter 2054

The sudden impact directly knocked the engine compartment of the entire commercial vehicle into the front seat!

The driver and the other assistant sitting on the co-pilot died instantly!

Warnia sat in the middle row of the commercial vehicle and had buckled her seat belt, so at the moment of the impact, she was firmly tied to the seat by the seat belt.

However, because of the great inertia during the impact, she had four ribs broken by the seat belt!

And Swallow next to Warnia had no such good luck!

When she got in the car, she was a little slack. She always felt that she didn't need to buckle the seat belt when she was sitting in the back. So at the moment of the impact, she flew out and slammed into the back of the front passenger seat!

At this moment, her whole body was smashed including the head, and she instantly lost consciousness and went into a deep coma.

Because of the rib fracture, Warnia felt terribly painful in her chest, but before she could catch a breath, the entire front face crashed into a commercial vehicle with scrap metal, and was pushed back by the big truck!

Because the two front wheels of the commercial vehicle were smashed into a mass of scrap iron together with the wheel hub, there was a group of sparks abruptly pierced with the ground under the front face of the commercial vehicle!

Warnia turned her head back hard at this time, glanced back, and she was suddenly cold in shock!

Behind the car is that U-shaped curve!

However, this big car obviously wanted to push the commercial car she was sitting in directly down the cliff!

The height here is at least hundreds of meters, no matter what car, rolling down from such a high cliff, I am afraid it will fall into a pile of scrap iron!

And the people sitting inside are afraid that they will die too!

At this moment, she immediately realized that all of this was not accidental!

This big car deliberately did not turn on the lights, deliberately drove in the middle of the road, deliberately hit her car by going downhill, and not only did not decelerate at all after the impact, it even slammed on the accelerator, trying to push itself into the cliff with others!

At this time, she could no longer think about who was murdering her behind her back.

Because she knew that her life might only have less than a minute left.

She had never expected that she would be buried in a foreign country today in her great years, and a strong feeling of grief suddenly appeared in her heart!

At this moment, the first thing she thought of in her mind was not herself, nor her grandfather and other relatives, but the man that always lingered in her heart, Charlie!

She choked in her heart: "I originally thought that there is still a long way to go in life, so it is okay to wait for Master for a few years or even more than a dozen years, but who would have thought that my life is about to fall down a cliff in Japan. Alas, I die in a foreign country..."

Thinking of this, Warnia was already full of tears.

She endured the severe pain in her chest, took out the phone, clicked on the top of Charlie's portrait, and then clicked the voice message button.

At this time, the commercial vehicle has been pushed to the edge of the cliff by the truck.

Warnia looked at the phone and cried and said, "Master, I...I really love you! If there is a chance, Warnia will be your woman in the next life..."

As soon as the voice fell, the entire commercial vehicle had been completely pushed out of the edge of the cliff, rolling and falling into the abyss...

Chapter 2055

When the business car rolled and fell off the cliff, Warnia was already nervous to the extreme.

However, the more at this critical moment of life and death, her brain became more sober.

Her brain was spinning fast at this moment, and many things came to mind in her mind all of a sudden.

Because of the speed of thinking in her mind, it seems that time has slowed down.

When the commercial vehicle hit the cliffside boulder, Warnia felt that her whole body was completely destroyed by the violent impact.

Fortunately, she is still sitting in the luxury car seat of a commercial vehicle. This kind of seat is very comfortable and safe. The most important thing is that the body contact part is very soft.

The soft part of the seat can greatly alleviate the huge impact on the body, which is like putting eggs in a box wrapped in cotton, and the safety factor is greatly increased.

But because of that, Warnia still had huge inertia when she was hit, and she almost fainted her whole body. The huge inertia even squeezed her internal organs together.

The pain was beyond imagination!

But at this moment, she suddenly thought of something, something she had been carrying close to her body!

At this time, after the vehicle hit the boulder, it bounced up several meters into the sky and then continued to roll down. Warnia tried her best to spin her hands into the pockets of her clothes.

Immediately afterward, she took out a wooden box the size of a ring box. Because the car body was still rolling, she could only grasp the wooden box with both hands, and did

not dare to relax, for fear that the wooden box would let go!
Because she knew that what was in this wooden box was her only life-saving straw!

Warnia quickly opened the wooden box, and when the vehicle was about to collide next time, she did not hesitate to put the pill stored in the wooden box into her mouth!

Boom!

This time, the impact of the vehicle was more serious!

The commercial vehicle directly faces down and hit a boulder!

In an instant, Warnia's car door on the right side was smashed into a huge depression!

This powerful force, the recessed car door directly hit Warnia's right knee, and even broke her right leg!

The severe pain caused her to scream, and then, the whole car began to roll violently on the rocks full of steep slopes!

While the vehicle was rolling over, Swallow repeatedly bumped up and down in the carriage. She was so terrible that she had already lost her life.

Warnia watched her body roll back and forth in the carriage, she wanted to help but she couldn't take care of herself. She could only watch her and her tears suddenly burst!

When the vehicle vacated again, the window was already completely broken due to the rolling speed too fast, so Swallow's body was thrown out of the window...

Warnia broke down and cried. She herself suffered all the injuries, and almost all of her brain, internal organs, and limbs were severely damaged. She even felt that she was on the verge of dying.

However, the pill that Charlie gave her was kept in her mouth and never swallowed.

She knows that the pill can only save hers once, if she swallows it early, maybe she will die when the vehicle rolls and falls!

Therefore, there is only one belief in her mind: "I must persist and persist! Do my best to persist to the end, and then leave the destiny to God!"

Immediately afterward, another thought emerged in her mind: "No! Not to hand over the destiny to God, but to Charlie!"

It was another violent impact.

Warnia felt that she was about to lose consciousness.

Between the last electric light and flint, she bite into the pill and swallowed the pill with a bit of medicine fragrance into her abdomen!

In the next second, Warnia had completely lost all consciousness, and her body continued to roll down with the car.

At this time, a strong medical force was dissolving in her belly.

The power of the medicine was conducted extremely fast, and it quickly poured into every part of her body through the meridians.

At this time, Warnia's body had almost lost all vitality, but at this moment, the powerful medicine made her body instantly recover.

Chapter 2056

This is like a city that was plunged into darkness due to a power outage. At the moment when the power supply was suddenly restored, the entire city was instantly re-lit!

Just as Warnia recovered rapidly, the commercial vehicle she was riding in finally fell to the bottom of the valley.

At this time, the vehicle is already full of defects.

The front of the car completely collapsed into the first row of seats, all the windows were shattered, and the metal body was also cut into countless hideous holes by the stone.

And the whole car has been deformed in the constant rolling, like a can that was stepped on!

However, Warnia's consciousness is constantly recovering. Broken ribs, leg bones, arms, as well as body wounds, damaged brains, and internal organs are all quickly regaining vitality.

Within a moment, she regained her mobility.

She wanted to unfasten the seat belt, but the plug of the seat belt had been severely deformed together with the plug.

The seat under her body has also been completely deformed by the impact.

But fortunately, the seat belt can barely go around the body, and her body will also be able to escape from the deformed seat.

The phone under her feet is still on. Although the screen of the phone is severely broken, it still lights up, which means it can still be used.

So Warnia hurriedly grabbed the phone in her palm and hurriedly fled out of the car!

The doors of the car were no longer usable, but the windows on both sides became two completely deformed frames.

She struggled and crawled out of the car.

At this time, she heard the sound of water and at the same time smelled a pungent smell of gasoline.

The fuel tanks of family cars are almost invariably under the car, and most fuel tanks are made of engineering plastics.

Although the fuel tank can withstand most collisions and accidents, it is basically difficult to protect yourself in the face of such a 360-degree rollover accident.

Therefore, the fuel tank of this commercial vehicle was also punctured by several large openings, and dozens of liters of gasoline flowed out through these openings.

The commercial vehicle that Warnia rides has a fuel tank capacity of 70 liters, and a two-liter Coke bottle can be used as a container, which can fill a full 35 bottles.

The driver had just filled up the fuel after returning to the hotel, and it took less than ten liters to drive over, and there were at least 60 liters of gasoline in the car.

You must know that gasoline has a lot of energy when burning. Not to mention 60 liters of gasoline. Even a large Coke bottle of gasoline is enough to burn a car into iron slag!

At this time, the damaged engine of this car is still humming, which means that the spark plug of the engine is still igniting and the fuel injection nozzle is constantly injecting fuel to push the piston movement of the engine.

Once there is an oil leak inside the engine compartment, flames are likely to escape from the engine compartment, and then ignite all the gasoline!

Warnia did not dare to delay, although she was surrounded by dense woods and grasses, but in order to escape, she could only dive into the woods.

Just when she was not ten meters away, a strong fire suddenly burst out behind her.

The gasoline starts to burn from the position of the engine compartment and ignites the gasoline leaking around.

Gasoline burns extremely fast, and in the blink of an eye, the commercial vehicle is quickly consumed by the fire.

Warnia turned around and looked at the burning flame, tears filled her eyes.

Her other assistant and the very nice driver she was with, in Japan were all in the car at this time.

Although she knew that they were dead as early as the first time they hit, she still felt like a knife at the thought of their bodies being burned beyond recognition by the fire.

And Swallow...

The little girl who had been talking about learning photography with herself a few minutes ago was already separated from her...

After the rest of the catastrophe, Warnia ignored the hot flames, her legs were slightly bent and slowly knelt on the ground, covering her face with her hands, crying bitterly...

Chapter 2057

When Warnia was uncertain of her next moments in Nishitama County, Tokyo, Japan, Charlie was preparing to soak in the hot springs at the Champs Elys Villa in the mountains on the outskirts of Aurous Hill.

With him in the hot spring pool, his wife, Claire.

Just like when they were bathing in the hot springs with Elsa, Charlie wore swimming trunks, while Claire wore a one-piece swimsuit.

The graceful posture was revealed in front of Charlie, making Claire more or less ashamed.

In fact, the couple did not plan to take a hot spring together.

Charlie wanted Claire to come first. When Claire came over in a bathrobe, she happened to be seen by Elaine, so Elaine said that Charlie and Claire should be together.

Claire stepped into the hot spring water first, and Charlie put the two people's mobile phones on the stone platform next to the hot spring pool before they were ready to enter the water.

At this moment, the phone rang suddenly.

It's a WeChat.

He turned on the phone and found that Warnia had sent WeChat.

Moreover, it is a voice.

This made him feel somewhat embarrassed.

If he clicks on the voice message and listens to it, doesn't know what it is. But if he clicks on it on the spot, what if it says something in it that makes his wife Claire misunderstand?

It is safer to listen to the ear in the earpiece mode, but it will inevitably make Claire think more.

So Charlie had to click to change the text.

Warnia's accent is very standard, and the recognition rate of WeChat voice-converted text is also very high, so her words were completely transformed all at once.

Charlie looked at the text, and his whole person was suddenly shocked!

"Why did Warnia suddenly speak to me saying the three words I love you? Why does she say that if she has a chance, she will be his woman in the next life?!"

"Could it be... is there any danger she encountered?!"

Thinking of this, Charlie hurriedly said to Claire: "My wife, you can soak for a while, I'll get a drink."

Claire nodded and exhorted: "You put on some clothes, don't freeze."

"it is okay."

Charlie said, put the thick bathrobe on him, turned around and entered the villa.

Jacob and Elaine both went back to their rooms to rest, and Charlie clicked on the voice directly in the living room.

Immediately afterward, Warnia's sad and desperate voice came out: "Master, I...I really love you! If there is a chance, I will be your woman in the next life... .."

In this voice message, in addition to Warnia's voice, there are also violent impacts, harsh sounds caused by friction between metal and the ground, and the roar of engines...

Charlie felt a little in his heart!

Listening to this voice, Warnia must be in an accident!

He immediately called her, and it turned out that the other party was temporarily unable to connect!

He hurriedly sent Warnia a voice call invitation on WeChat, but the other party did not respond!

Charlie panicked suddenly.

He knew that Warnia was in Japan and had not yet come back, so he could also speculate that she must have something wrong in Japan.

Now, he couldn't get in touch with her at all. What Charlie thought of the first time was to call Mr. Song to ask about the situation.

So, he immediately dialed Mr. Song's phone.

Chapter 2058

At this time, Mr. Song was ready to go to bed.

Since taking the Rejuvenating Pill, his body has grown stronger, but it also made him more cherish his hard-won health. Therefore, he has been adhering to the health concept of going to bed early, waking up early, getting active, and exercising, so he rests earlier every day.

Suddenly received a call from Charlie, he quickly connected the phone and said: "Oh, Master, you are calling me so late, what's your order?"

Charlie said: "Master Song, I want to ask what is Warnia's situation now? Why can't I contact her suddenly?"

"Warnia?" Mr. Song said in surprise: "We had contact in the evening. She is in Tokyo, Japan, and is negotiating cooperation with Nippon Steel."

Charlie said: "A few minutes ago Warnia sent me a voice message, suddenly saying something about her next life, and then I went back to her, and she is no longer available. I suspect Warnia may be in Tokyo. What happened to her!"

"Encountered an accident?!"

Mr. Song suddenly sat up from the bed and blurted out: "Master, in the voice that Warnia sent to you, did she encounter something?"

"No." Charlie pondered: "This is what I worry about the most. Warnia didn't say anything specific in the voice message, but it made me feel like she wanted to say goodbye to me."

Grandpa Song said nervously, "I will call the people next to her and ask what happened!"

"Okay! If you have any news, please be sure to notify me as soon as possible!"

Father Song hung up the phone and called Warnia first.

Sure enough, as Charlie said, Warnia's phone could not be connected at all.

The old man Song couldn't help but be stunned, and then he hurriedly beat Warnia's assistant Swallow.

Swallow is Warnia's confidant and her right arm. If Warnia encounters anything, she must know.

However, what made Old Man even more nervous was that Swallow couldn't get through!

He is really panicked now!

He immediately called Honor and said: "Honor, come to my room immediately! Something happened to Warnia!"

A minute later, Honor rushed in panic, and as soon as he walked in, he blurted out nervously and asked: "Grandpa, what happened to Warnia?!"

Father Song said nervously, "Warnia is missing! I called her and Swallow, and neither of them could get through!"

With that, Mr. Song asked again: "Honor, how many people did your sister take to Japan this time?!"

Honor said: "It seems that she took two assistants with her, as well as a local driver."

Father Song hurriedly asked again, "Do you know who the other person is besides Swallow?"

Honor thought for a while and said, "It seems to be Silviana."

Father Song hurriedly ordered: "Quick! Find that Silviana's phone number and contact her immediately to see if you can contact her!"

Honor nodded in a hurry, then took out his mobile phone, called the director of the human resources department of the Song Group, and said: "Silviana who went to Japan with Warnia, do you have her contact information?"

The other party replied: "Yes Young Master, should I send it to you now?"

Honor said: "Send it to me, hurry up!"

Soon, a bunch of phone numbers reached Honor's phone.

Honor called immediately, and after a while, he heard a prompt from the phone: "Sorry, the call you dialed cannot be reached temporarily, please call again later..."

Honor looked at the old man Song with a nervous expression, and said, "Grandpa...The two assistants around Warnia can't get in touch, this...what the hell happened... .."

Father Song was sweating profusely. He kept tapping his palms and muttered anxiously: "It's broken, it's broken! Warnia must be in a difficulty! What can I do... "

Honor said without hesitation: "Grandpa, or I will take someone to Japan! We should go now!"

Chapter 2059

Honor offered to go to Japan, and Mr. Song had some comfort in his heart.

He even thought to himself: "Honor and Warnia are not brothers and sisters, but it is really rare for Honor to be so concerned about her."

Thinking of this, he sighed and said: "Honor, you go to arrange the plane, I will go with you!"

Honor hurriedly said: "Grandpa, don't follow along. You are old and you are not familiar with the place. It will be even more troublesome if there is something short and long, and my dad is still abroad. There can't be no one sitting here in Aurous Hill, you stay at home, and I must find a way to get Warnia back!"

Mr. Song hesitated for a moment, and knew in his heart that it was really difficult for him to play any role as in the past.

Moreover, if both himself and Honor go to Japan, the Song Group would have no leader.

After that, it's a big family with hundreds of billions. Even during the holidays, the various tasks to be dealt with every day are very tedious. If there is really no one in charge of staying here to guard, if something happens, it is likely to cause a Great loss.

So, Mr. Song nodded slightly and said, "That's fine! Then I will stay at home. You can choose some capable personnel as soon as possible, and hurry up and leave as soon as possible!"

Honor immediately said: "Grandpa, don't worry! I will make arrangements!"

Immediately afterward, Honor called a few assistants and a dozen bodyguards. At the same time, he arranged a plane at the airport and took off directly to Japan in an hour.

Elder Song also called Charlie back and said to him: "Master, Warnia and the people around her can't be contacted. I'm afraid they have had some accident. I have arranged honor to leave immediately and rush to Tokyo!"

Charlie asked on the phone, "Is there no clue?"

Father Song sighed: "Yes, there are no clues. I asked the hotel. The hotel only said that they left by car more than an hour ago, but no one knows where they went."

Charlie asked again: "Didn't Warnia tell you what she was going out to do?"

"No..." Mr. Song said very sadly: "Warnia returned to the hotel from Nippon Steel in the evening and told me about the progress of the negotiation, and also explained that she may continue to communicate with them. But where she went tonight, I don't know at all, and she never said a word."

Honor is indeed extremely clever.

As early as when Warnia and Nippon Steel's Hashimoto Kinzaki had been frustrated in their negotiations, he had been constantly encouraging Warnia, giving her blood, and making her more eager for success.

And in the afternoon, he deliberately uttered the so-called blessing of "Maybe you will receive a surprise tomorrow morning", which gave Warnia a psychological hint even more subtle.

So after she received the phone call from Hashimoto to sign the contract, she naturally thought of giving her family a surprise, so when she left the hotel, she did not tell anyone other than her companions of the itinerary.

This is exactly what Song's honor is.

At this moment, Charlie was very worried.

Hearing that Honor was going to Japan, he didn't think much and certainly didn't have any doubts about him.

He just felt that since Warnia's whereabouts in Tokyo are unknown, the best thing he should do now is to find someone in Tokyo to help, and quickly follow the hotel where Warnia stayed to check for clues and see where Warnia went after leaving the hotel.

So he hung up the phone of Mr. Song first, and then called Nanako.

Chapter 2060

At this time, Nanako has just returned to Tokyo from Kyoto.

A few days ago, she temporarily accompanied her father to stay in Kyoto for a few days to change her mood to relax, but because of the many family affairs, she stayed for three days and returned to Tokyo.

After receiving Charlie's call, Nanako was a little surprised. After that, the time in Tokyo is one hour earlier than in China. It is more than 10:30 in the country now, and it is already 11:30 in Tokyo.

Therefore, Nanako asked excitedly and surprised: "Master, why are you calling me at this time?"

Charlie asked hurriedly, "Nanako, are you in Tokyo now?"

"Yes." Nanako said: "My father and I just came back this afternoon, Master, you seem to be a little anxious from your voice, what's the matter?"

Charlie said: "A good friend of mine suddenly disappeared in Tokyo. The last voice message she sent me seemed to have encountered an accident, but I can't contact her at all now, so I want to ask you for help. Arrange for someone to investigate where she went tonight."

Upon hearing this, Nanako hurriedly said: "Master, no problem! Tell me the general information, and I will arrange for a full investigation! The influence of our Ito family in Tokyo is still unmatched, as long as people are really there. I will find her where she is missing in Tokyo!"

"Okay!" Charlie hurriedly told Nanako some personal information about Warnia, the hotel she stayed in, and the time she left the hotel and asked: "Nanako, please arrange

for someone to mobilize the surveillance video and take a look at her. Which car did she take, and where did she drive the car too!"

"Okay, Master!" Nanako also attached great importance to it, blurting out: "Then I will make arrangements!"

Since the Matsumoto family went offline and the Takahashi family was seriously injured, the Ito family's influence in Tokyo has naturally increased greatly.

Many of the dependent forces and organizations that followed the Takahashi and Matsumoto families in the past are now taking the initiative to show their favor to the Ito family, and Nanako has gradually incorporated a part, which greatly expands the external power of the Ito family.

Among them, it includes the big runaways controlled by the Takahashi family.

Just like those little brothers of Orvel in the underground world.

They may not be able to get on the table, but they are all groups that breed in the dark of the city, so they are like rats in the sewers, with a strong sense of smell and extremely fast action.

When she asked them to find someone, they all moved immediately.

Because the last place where Warnia appeared was a hotel in the city center, the monitoring equipment was very complete. Therefore, the external forces of the Ito family immediately locked onto the commercial vehicle that Warnia was in when she left through the hotel's surveillance video.

As a result, everyone began to follow the trajectory of the car through the monitoring system. Because the Ito family offered a reward of hundreds of millions of yen, they were all trying their best to pursue the clues. Every group hopes to be the first. Find Warnia's whereabouts.

At this moment, in a valley in Nishitama County, western Tokyo.

Warnia walked carefully through the dense forest at the bottom of the valley alone.

The valley is hundreds of meters deep, not only has dense forests and vegetation but also has towering mountains on both sides, so the phone has no signal at all.

At this time, she had only one thought in her heart: walk out of the mountain alive, and immediately ask Charlie for help once the phone has a signal.

While marching through the dense forest, she secretly thought in her heart: "Today's matter must be someone deliberately murdering me. If they know that I am still alive, then I will definitely not be able to leave Japan alive!"

At the same time, there is a perception in her subconscious: "Now, no one can save me except Master!"

Chapter 2061

On the winding road in Nishitama County, western suburbs of Tokyo.

Several people in black were looking down at the place where Warnia had fallen from the cliff. From a distance, they saw a fire burning below. One of them whispered: "Now, the person in the car should be dead, right?"

Another person sneered and said, "Falling down so high, and adding a big fire to it, if she is not dead, I will chop off my head and give it to you."

The man smiled and said, "In this case, you can return to Mr. Hashimoto."

The people around nodded and said, "Hurry up and clean up the scene first. All the impact debris, glass slag, and tire friction marks on the ground must be removed to ensure that no one sees an accident here after dawn."

"OK!"

Several people in black immediately began to clean the scene.

The leader took out his cell phone and called Hashimoto, and reported: "Mr. Hashimoto, things have basically been settled. We will withdraw after cleaning the scene."

Hashimoto asked, "Is the person dead? Have you confirmed the body?"

The man smiled and said, "It's impossible to confirm the corpse. This cliff is several hundred meters high. Even if the Amaterasu fell from here, he would probably be finished."

Hashimoto slapped his lips: "I don't see the corpse with my own eyes, I'm still a little unsure."

The man said, "Mr. Hashimoto, people have already rolled down the cliff with the car, and I saw from above that the car has burned up. With this fire, Amaterasu must be turned into ashes inside. I can say this with ten thousand hearts."

Hashimoto couldn't help complaining: "Why do you always make fun of Amaterasu? Don't you have any sense of awe in your heart?"

The man curled his lips and smiled on the phone: "Fear a sh!t, I am a man who commits many crimes. If there is a great god, I am afraid that I would have been killed long ago. I can live and continue to commit crimes. There is no god in this world!"

Hashimoto said helplessly: "It's OK, I won't tell you, as long as you are sure that the person is dead, I will definitely trust you 100%."

The man hummed and said, "Okay, the balance will be sent to my house at that time. Remember, I want the old banknotes with or without serial numbers."

Hashimoto said quickly: "No problem, I'll deliver it to you early tomorrow morning!"

"Okay, then I'll hang up first!"

.....

In the valley at this time.

Warnia is still struggling to walk through.

She doesn't know where she is or where she can get out of the mountain, but she is thinking very simple now, she must go a little farther before climbing up the valley, otherwise, if she climbs up and is hit by the other party, then she is really doomed.

What made her feel very miraculous was that in the past ten minutes, her physical condition was getting better and better.

Not only did she lose all the pain from the injury, but her body didn't even seem to have been seriously injured.

And now she can feel that there is still very powerful energy in her body, which is constantly being transmitted to her body, making her feel better and better, and she even feels that her body is full of inexhaustible power.

Chapter 2062

She thought to herself: "This strength must be derived from the magical medicine that Master gave me... He gave me that medicine so that I could keep it with me at any time. In case of emergency, I didn't expect this medicine to really save my life at the critical moment!"

Thinking of Charlie, Warnia felt that her spiritual level was also inspired by unprecedented levels.

She kept encouraging herself in her heart: "Since Master gave me a chance to live, then I must live back to Aurous Hill!"

.....

Aurous Hill.

The ancient capital of the Six Dynasties.

Although it is not as prosperous as Eastcliff and Zhonghai, nor as affluent as the new first-tier cities in the south, it has its own charm and heritage after all.

People who live here love this land and this river.

Just when Warnia vowed to return to Aurous Hill alive, a private jet at Aurous Hill Airport had slowly reached the end of the runway.

This is the private jet of the Song family, which can accommodate more than twenty people and has a separate bedroom.

Honor at this time, lying on the bed in the separate bedroom, holding a glass of red wine, smiling at the corner of his mouth.

Hashimoto just called him and told him: "Mr. Song, the business car that Lingmei was riding in fell to the bottom of the valley from a cliff several hundred meters high in Nishitama County. The vehicle ignited spontaneously. One-tenth of it was turned into ashes!"

Honor smiled sullenly: "Okay! Great! I've waited for this day. I have been waiting for a long time. Today I can get what I want. Thanks to Mr. Hashimoto's help."

Hashimoto laughed: "Mr. Song, we will work together in the future, making more money is the most important thing!"

Honor said with a smile: "Mr. Hashimoto, please rest assured that we will work together in the future, and I will not be less of the money that should be given to you."

Hashimoto said: "Then, when Mr. Song arrives in Japan, we will enjoy the wine and talk!"

Honor sighed and said, "Oh! This time I come to Japan mainly to behave for the old man. Although the old man is old, his mind is very clear. If I behave a little bit wrongly, he will definitely notice that, so I will come to Japan this time to avoid suspicion, it is better not to meet each other."

Hashimoto asked first: "Mr. Song, when shall we sign the contract?"

Honor said: "When I bring my sister's body or ashes back to Aurous Hill and finish her funeral, I will choose an opportunity to sign with Mr. Hashimoto!"

Hashimoto smiled wryly and said, "Haha, this is no problem. Mr. Song must be very painful to lose his loved one, so let's wait for the sake of drinking and talking!"

Honor also smiled and said, "Yeah, my agile and capable sister died so miserably. I really feel pain in my heart, hahahaha!"

Having said that, he said with some regret: "If that old thing didn't pass on the position of the head of the house to my sister and let her be at ease by my side to assist me, I would not have killed her today."

Speaking of this, Honor flashed a sullen look in his eyes, and said coldly: "To blame, I blame the old thing for standing her on my way! Anyone who stands in my way must die!"

Hashimoto said first: "Mr. Song, what if the old guy wants to regain his position as the head of the house? Or, when we sign the contract, he doesn't agree to the cooperation terms we have set, what should we do?"

Honor smiled sullenly and said faintly: "Don't worry, Mr. Hashimoto, none of this you worry about will happen. I will find an opportunity to let him reunite with his beloved granddaughter. No one can stop me from becoming Patriarch of the Song Family!"

Chapter 2063

The strength of the Ito family in Tokyo is now basically unmatched.

In addition, this was the first time Charlie spoke and asked Nanako for help, so she attached great importance to this and almost sent out the entire Ito family.

Tens of thousands of people searched intensively in Tokyo, and they soon followed the vines and traced Warnia's trajectory to the mountain crossing in Nishitama County.

As Warnia's road up the mountain usually has very little traffic, there is no surveillance video on this road.

After learning that the clue was interrupted at the foot of Nishitama County, the smart and astute Nanako almost immediately realized that Warnia's accident must be on the mountain road in Nishitama County.

Not only is it sparsely populated, but the road is also very high. If someone deliberately harms Warnia, doing it here is indeed a perfect choice.

Therefore, Nanako Ito immediately halted the large-scale search and announced that a heavy prize of 100 million yen would be awarded to the first team to find a clue in Nishitama County.

After that, she immediately arranged for the ninjas of the Ito family to go to the deep mountains of Nishitama County and let them sneak among them to find clues.

At the same time, Charlie, who was in Aurous Hill, couldn't sit still.

At this time, he was pacing back and forth in the living room, thinking to himself: "From Warnia's voice, she must have encountered an unusual danger, and it is very likely that someone is deliberately harming her, even, It is very likely that she has encountered an accident now..."

"After all, she is just a weak woman. Even facing an adult male alone, she can't have any chance of winning. What's more, she is in a foreign country at the moment. Apart from a few assistants, she has no one to rely on. , I'm afraid for such a situation she is more ill-prepared..."

Thinking of this, Charlie felt a throb in his heart.

For Warnia, he naturally has a strong affection in his heart.

This is not because Charlie is half-hearted, but because a girl like Warnia is really too rare, so as long as he is a normal man, after getting along with her, he will have a good impression of her.

She is beautiful, gentle, intellectual, generous, and more importantly, she is sincere to others. Even from the perspective of ordinary friends, she will worry about them when someone is in danger.

What's more, Charlie was lucky enough to get her heart and first k!ss, so he was even more worried when she was in danger.

It's a pity that she is in Tokyo, and even if he has the ability to reach the sky, it is impossible to rush to her to rescue her immediately.

Therefore, he can only pray in his heart for Warnia's good life, and at the same time pray in his heart: "Warnia, I hope you will always listen to me and carry the pill that I gave you close to your body. If you have it. Maybe, it can save your life..."

Half an hour passed.

Nanako called Charlie back, and said: "Master, the people I sent out chased all the way to Nishitama County in the western suburbs of Tokyo. The car that Miss Song was riding on went up the mountain there. The surveillance video is no longer visible. , So I suspect that Miss Song should have something wrong in the mountains. I have now sent the best ninjas to search the mountains. If there is any news, I will notify you as soon as possible!"

Charlie was even more worried when he heard Nanako said that.

In the voice just now, there was a sound of impact and friction. He thought it was just a car accident, but as soon as he heard that it was in the mountains, he immediately felt that Warnia's chances of surviving were a little bit smaller!

Chapter 2064

No matter which country you are in, mountain roads are much more dangerous than ordinary roads.

In a car accident on a mountain road, the most feared thing is falling off a cliff. Once you roll and fall from a 100-meter-high cliff, the chance of surviving is very small.

In the rally race, the car running on the mountain must be equipped with a very strong roll cage. Only in this way can it be ensured that the cab will not be deformed when the car rolls or falls at high speed, thereby protecting the safety of the driver.

However, ordinary civilian cars, even a Rolls-Royce of 10 million, do not have such a thing as a roll cage, so once they fall from a cliff, the Rolls-Royce will fall into a pile of scrap iron!

Thinking of this, Charlie hurriedly said to Nanako: "Nanako, I beg you for one thing. You must let your ninja find Warnia's whereabouts as soon as possible. As long as she still

has a trace of breath, she will also be brought out of the mountain. Take her to the hospital, wait for me to come!”

Nanako hurriedly asked, “Master, are you coming to Japan?”

“Yes!” Charlie said decisively: “I will pass now!”

Nanako jumped for joy!

“Master is coming to Japan! Then I can see Master again!”

But after a while, Nanako felt jealous again in her heart: “Master is coming to Japan for that Miss Song, not for me... Why is he so nervous about that Miss Song? Is she his confidante?”

Although Nanako’s heart is a little sour, she has a very strong view of the overall situation. She quickly put all these thoughts behind her mind and blurted out: “Master, I will arrange for a helicopter to wait for you at Tokyo Narita Airport now!”

“If I find Miss Song’s whereabouts while Master coming to Japan, then I will send her to the best hospital immediately, and after you land, I will take you to the hospital by helicopter to see her.”

“If you arrives in Japan, and I haven’t found Miss Song’s whereabouts, then I will let the helicopter take you to Nishidamo County, and I will accompany you to search!”

Seeing Nanako arranged things so thoughtfully, Charlie said gratefully: “OK, Nanako! Thank you so much!”

Nanako hurriedly said: “Master and Nanako don’t have to be so polite. My life was saved by you. What a trivial matter this is.”

Charlie felt a little more relieved, and said: “Nanako, first arrange a helicopter to wait for me at Narita Airport, and I will fly straight over there!”

“Okay Master!”

Charlie hung up the phone, and he immediately called Issac. Upon the call, Charlie immediately ordered: "Mr. Craven, arrange the plane to prepare for take-off, and then send a helicopter to pick me up. I have to go to Tokyo as soon as possible!"

Issac was shocked and said: "Master, it's so late, why are you going to Tokyo suddenly?"

Charlie blurted out: "Warnia had an accident in Tokyo, life or death is uncertain, I must rush over as soon as possible!"

"Miss Song's accident?!" When Issac heard this, he knew that Charlie must be very anxious at the moment, so he immediately said, "Master, I will make arrangements immediately. It is 11 o'clock in the evening. When I get to you, I will pick you up and fly to the airport for almost 20 minutes. Counting up and down time, I will arrive at the airport at about 11:40!"

"I let the plane wait for you at the end of the runway. You get off the helicopter and board the plane immediately and take off immediately. At the same time, you fly to Tokyo at maximum speed. It is expected to arrive at 2 o'clock in the morning at Eastcliff time, which is 3 o'clock in the morning Tokyo time!"

Chapter 2065

Deep in the mountains of Nishitama County.

Warnia was still carefully walking through the valley slowly.

Although it is winter, the valley is dense with evergreen plants such as pines and cypresses.

Moreover, in this gloomy, cold valley, there is no trace of human visits at all, so there is not even a small intestine path.

So walking in such a place is extremely difficult.

Not to mention female streamers like Warnia, even experts who are good at expedition crossing can hardly increase their speed.

Fortunately, it's the cold winter season. Warnia's clothes are thicker, her upper body is a thick cashmere windbreaker, her body is a black mid-skirt with black corset leggings, and a pair of black leather boots, so she won't be exposed to dense pine needles and dryness. The branches and leaves are hurt.

At this moment she has adapted to the darkness at the bottom of the valley. She could have used a mobile phone with a broken screen to illuminate the surrounding environment, and walking like that would save some effort.

However, she was afraid that the people who wanted to murder her would not give up, and they might still be searching for her whereabouts, so she did not dare to turn the mobile flash on.

Occasionally, she wants to see if the phone has a signal. She also hides the phone in a windbreaker and completely wraps her head and mobile phone in the windbreaker for fear of leaking light.

After groping for two or three hours in the valley, Warnia was still very physically strong, but her hands and face were repeatedly scratched by the branches and leaves of the trees. It was already covered with tiny red marks, and some even had bloodshot eyes.

But at this time Warnia could not care about the pain at all. Her only thought was to grit her teeth and walk out of the mountain to live.

.....

At this time, Honor's special plane landed at Tokyo Airport first.

As soon as he landed, he went straight to the TMPD without hesitation.

He had already thought about it, this time coming to Tokyo is nothing more than to behave for the old man.

When he finds Warnia's body, he first will express some grief, and then hand the matter to the TMPD for investigation, and he could bring Warnia's body or ashes back to Aurous Hill for a funeral.

On the way to the TMPD, Honor received a call from the United States.

He pressed the answer button and heard the voice of his father Tianming Song from the other end of the phone.

"Hey, honor, is it convenient for you to speak now?"

Honor gave a hum, and said lightly: "My confidants are all around me, dad, don't worry."

Tianming asked, "Are you in Tokyo?"

"Yes Dad, I'm here."

Chapter 2066

Tianming asked again: "How is Hashimoto doing things? Is it pretty?"

Honor sneered and said, "It should be pretty. According to him, the car rolled down from a cliff of several hundred meters and burned into a pile of scrap iron. It is estimated that the people inside are all burnt to coke."

Tianming said with satisfaction: "That's good, that's good!"

After that, he asked again: "By the way, before you came, did your grandfather doubt anything?"

Honor said: "He shouldn't, but I'm not sure if he will doubt it in the future."

Tianming sneered and said, "It's okay, he has nothing to do later."

Honor was overjoyed and hurriedly asked: "Dad, are you going to do something with Grandpa?"

Tianming said, "No, it can't be so fast."

Honor said with a worried expression: "Dad, don't forget that when the old guy passed the position of Patriarch to Warnia, he said in public that as long as Warnia has no descendants, he must be the Patriarch of the Song family. Let Charlie inherit, and if we don't quickly get rid of the old guy, don't we mean making Charlie wedding dresses?!"

Tianming said: "If we start with the old guy now, then all of this will be too obvious. Warnia dies in a foreign land before, and the old man dies in Aurous Hill later. Even if we don't leave any evidence, the outside world will think this is something. We did it!"

Honor asked nervously: "Then what?! Can't you really wait for the old thing to invite Charlie into the Song family? In that case, we are all over! We are definitely not Charlie's opponent!"

Tianming said: "Don't worry about this. I have asked people to engage in a batch of neurological drugs used by U.S. agents. In the early stage after taking the drugs, they will be extremely obedient. Then the old guys will do what we say. At that time, we will directly let the old guy announce the abolition of the previous verbal agreement, and then announce that I will take over as the head of the family."

Honor asked: "You just said that the drug can make the other party obey in the early stage. What about the middle and late stages? Will the drug fail?"

"No." Tianming sneered: "After taking this medicine for a period of time, it can irreversibly destroy a person's brain. Not only can it not be cured forever, but it can't be found at all. The apparent symptoms are no different from Alzheimer's. At that time, we can say that the old guy was irritated by Warnia's death, so he has dementia.

Anyway, I would have become the head of the family and let him become dementia, which is good for us.

Honor smiled excitedly: "Dad! Your trick is really wonderful! Then we will raise the old thing as a mascot, and just arrange a few people to take care of him eating and drinking!"

"Yeah!" Tianming smiled sullenly, and said: "The old man called me just now, and asked me to come back as soon as possible. The medicines have been brought in through special channels. When Warnia's funeral is over, I will find opportunities to feed him!"

Honor remembered something, and said, "Dad, the old guy still has a rejuvenating pill! Warnia got it from Charlie on her birthday and gave it to him. In case he takes that rejuvenating pill, everything will return to normal. What should we do? We may be in big trouble then!"

Tianming said coldly: "Honor, don't be afraid! This matter, there is no turning back when you open the bow! For the Song family's 200 billion assets, we must walk to the dark one by one, and the gods block and kill the gods and the Buddhas block to kill Buddhas!"

After all, Tianming said again: "In addition, if the Rejuvenation Pill can really reverse his brain damage, I will find a chance to give him some medicine, as long as we don't reveal that we killed Warnia, don't reveal that we gave him Once the old guy takes the medicine, no one will doubt us."

After a pause, Tianming sneered and said, "Besides, what if they suspect it? Warnia is not killed directly by us. Who can convict us? All things must be evidence!"

Honor said: "You are right, as long as there is no evidence that we are behind the scenes, no one can help!"

Tianming coldly snorted: "The blame for this matter is that the old man is too partial! If the family is born and handed over to a female generation, he really treats me as a dish! This time, we will take the whole Take it back from the Song family! I am the son of the Song family and you are the grandson of the Song family. The Song family should have been ours!"

Chapter 2067

When Charlie left home, Claire was still soaking in the hot springs.

She didn't know that her husband left from the hot spring in a bathrobe and said to get a drink. He had already taken a helicopter to the airport and then flew to Japan.

She waited and couldn't wait for Charlie anymore. After coming out of the hot spring, she didn't see his shadow in the living room, and she couldn't help but wonder.

She picked up the phone and called Charlie, but it turned out that the phone was turned off.

This made her even more puzzled. When she returned to the bedroom, she didn't find Charlie's shadow, only a note that he left for her on the bedside table.

There was a line written on the note: "My wife, a friend is in danger, I will rush to save."

After Claire finished reading it, she was shocked: "Save people?! Could it be that something terrible has happened?!"

Thinking of this, she hurriedly sent a voice to Charlie: "Husband, where did you go? What happened? Anyway, you must pay attention to safety!"

.....

Tokyo, Japan.

The ninja of the Ito family took a helicopter and rushed to the mountainous area of Nishitama County in the shortest time.

Afterwards, the helicopter landed a few kilometers away from the foot of the mountain, and ten ninjas dressed in black filed out and rushed towards the mountain.

The reason why the helicopter was not allowed to fly directly in was because Nanako was afraid of throwing grass.

She is similar to Charlie's opinion. Warnia is likely to be murdered. So if you let them go in a helicopter to search with great fanfare, if Warnia is not dead, her people will disturb the other party again, which will cause more trouble.

However, the mountains in Nishitama County stretch for hundreds of kilometers, and the winding road alone is tens of kilometers long, so they can only hide in the dark and walk along the winding road to search for clues.

Fortunately, there were more ninjas dispatched by the Ito family this time, and ten ninjas came out, starting from the entrance to the mountain to inspect all the clues.

While they were searching, Nanako also took a helicopter from home to Narita Airport.

Two o'clock in the morning Tokyo time.

Since Honor went to the TMPD to report to the police, a large number of police officers have been ordered to set off to search for Warnia's whereabouts.

To the director of the TMPD, the news of Warnia's disappearance in Tokyo was like a nightmare.

A few days ago, an unprecedented war broke out in the city. Various assassinations emerged one after another. Many wealthy and powerful people died in a series of violent incidents, and even shocked the whole world.

Not only has the world laughed at Tokyo's public security issues, but it has also made the TMPD lose face in front of the world.

Finally, it was restored as before, and public order was approaching peace, but who would have thought that another well-known foreign entrepreneur lost contact in Tokyo!

The Song Group has a total market value of nearly 200 billion RMB. As the chairman of the Song Group, Warnia Song is a proper business elite no matter where she goes to any country.

But it was this business elite who lost contact in Tokyo, and according to reports from her family, it was probably an accident!

The director of the TMPD felt like a man on his back. If Warnia really died in Tokyo, then Tokyo would not ask for it anymore!

So he immediately rushed to the TMPD to supervise the battle and sent thousands of police officers to search for Warnia's whereabouts.

As the members of the Ito family, the TMPD also used surveillance video to trace all clues before Warnia's disappearance.

Moreover, the TMPD could directly access all the surveillance cameras in Tokyo, so they quickly found relevant clues and locked Warnia's accident to Nishitama County.

Chapter 2068

The police officers of the TMPD don't care about anything.

They directly sent hundreds of police officers to drive to Nishitama County, intending to block all the roads into and out of the mountains. At the same time, the TMPD also sent six police helicopters to the mountains of Nishitama County in order to find Warnia's whereabouts as soon as possible.

Nanako quickly got the news, so she immediately ordered the ninjas she sent out to keep low-key and try not to have any direct contact with the TMPD.

Tokyo time, half-past two in the morning.

The ninja of the Ito family, after passing through several mountains, smelled of burnt near the incident that had been cleaned up by the murderer.

Then, with this smell, they found the valley all the way down.

Along the way, they found the body of Warnia's assistant Swallow who was thrown out of the car. It was broken and horrible.

They immediately passed the news to Nanako. Nanako was shocked and immediately ordered them: "Check if the face is recognizable, and then search the Internet for Warnia's photos to see if it is the same person!"

After the ninja identified the body, he said to Nanako: "Miss, this corpse shouldn't belong to Miss Song. Let's continue searching!"

Nanako breathed a sigh of relief and hurriedly said, "Go down and take a look!"

The ninja said: "Miss, I have something to tell you."

Nanako hurriedly said, "Okay, you say."

The leading ninja said: "This cliff, at least a few hundred meters in height, we have only just reached halfway down. From the body of the female corpse just now, it can be seen that when the vehicle rolled and fell, it received a huge impact and the huge inertia generated by the roll. , So the people inside will probably not survive."

"Moreover, the more we go down, the more we can smell the scorching smell of burn, which proves that the vehicle spontaneously ignited after falling to the bottom of the valley, so the possibility of surviving is even smaller. Even the top ninja, in this case, I am afraid. It's hard to get out..."

Nanako felt tight and hurriedly said, "I see, you go down to see the situation first, and report to me in time!"

The headed ninja said: "Miss, our mobile phone signal is very unstable now. If we go further down, we may not find any signal. We may temporarily lose contact for a while. Don't worry. Once we find a clue, We will climb up immediately and report back to you!"

Nanako said immediately: "Okay! Go and see what's going on. If you find Miss Song's body, tell me immediately, if you can't find the body, then Miss Song is likely to be alive and around. Search hard!"

"OK, lady, going down now!"

Immediately, ten ninjas jumped down quickly like parkour masters.

This group of people still have excellent eyesight in the middle of the night, and they are very quick to reach out. On the steep cliffs and slopes, they can still find their footing safely, quickly and accurately, and they will soon reach the bottom of the valley inch by inch.

At the bottom of the valley at this time, Warnia's commercial vehicle had already burned out.

A winter's snow accumulated in the valley ensured that the fuel leaked from commercial vehicles did not cause a mountain fire, but even so, the snow that burned while burning still gathered into a creek below.

There were two charred corpses in the commercial vehicle that had been burned into a pile of scrap iron.

The corpse had almost turned into carbon dust, and black carbon chips would fall as soon as the wind blows. If you touch it with your hands, it is likely to turn into a mass of black dust.

Through the outline, it can be determined that there are two bodies in the car, and they are a man and a woman.

However, the female corpse was completely unidentifiable.

One of the ninjas sighed: "Boss, people are already burnt like this, and the god Amaterasu can't save him. Let's go up and find a signal to send the information."

The headed ninja was about to nod his head, and suddenly saw a trace of an anomaly on the ground through the weak light.

He immediately lay on the ground and smelled it, then touched the ground with his hand, feeling the different degrees of hardness in different places on the ground, and exclaimed: "This is a string of fresh footprints! Someone is still alive!"

Chapter 2069

Tokyo time, 2:50 in the morning.

Charlie's private plane landed at Narita Airport.

He didn't take anyone along this time, and rushed to Tokyo alone.

This way, because there is only a wireless network on the plane, there is no communication network, so he has been connected to the wireless network on the plane.

He always stared at Warnia's profile picture in WeChat, looking forward to her message.

However, she never gave him any feedback.

After flying for more than two hours, Charlie was very anxious, and he became more and more uncomfortable.

He would always involuntarily imagine the worst result: If Warnia really died, what should he do?

This time he came, although he brought the Rejuvenation Pill, but although the Rejuvenation Pill is magical, it does not have the effect of bringing back the dead to life in the true sense.

If people are really gone, eating more rejuvenating pills will not help!

In the Nine Profound Heavenly Scriptures, although there are records about higher-level pill, the information is too vague, Charlie can't understand it at all, and doesn't have the ability to realize it.

Therefore, he can only pray in his heart, praying that Warnia is still alive.

Or, even if she only has the last breath, she can be saved by him!

After getting off the plane, Charlie passed through customs at the fastest speed.

Later, he saw that Nanako was already waiting at the customs exit.

Seeing him, her heart was full of joy, and she ran towards him in threes or twos, her eyes full of excitement and admiration and said: "Master, you are here..."

Charlie nodded, and asked her, "Nanako, have your people found out?"

Nanako hurriedly said: "The ninja I sent out just gave me feedback. They said that they had found the vehicle in which Miss Song was traveling. Three bodies were found at the scene, two women and one man..."

"what?!"

Charlie felt a little bit in his heart and blurted out: "Has the identity of the corpse been confirmed?"

Nanako quickly explained: "The male body is Miss Song's driver. The other two female bodies, one of which has been confirmed to be not Miss Song herself, and one female body. The co-pilot in the car has been burned beyond recognition and cannot be identified. , But because this female corpse was sitting in the co-pilot, I guess she might not be Miss Song herself."

Charlie hurriedly asked again: "Then there is no one else at the scene? If there is no one else at the scene, where did Warnia go? Could this be the same corpse that was burned?"

Nanako said again: "That's Master. My ninja told me that fresh footprints were found at the scene. Someone should have escaped before the vehicle spontaneously combusts."

Speaking, Nanako sighed: "The ninja told me that this incident was very unbelievable, because the scene was too tragic. The commercial vehicle fell from a cliff several hundred meters high and spontaneously ignited. In this case, even a ninja can hardly survive, but that person has survived and has the ability to act. It is a miracle among miracles!"

Charlie breathed a sigh of relief when he heard this!

It seems that the person who survived and escaped should be Warnia herself.

Chapter 2070

Warnia must have relied on the pill that he gave her, so she was able to save her life under such treacherous conditions.

So Charlie hurriedly asked again: "Nanako, have your people found Warnia's whereabouts?"

Nanako shook her head and said, "Now they are tracking the traces left by Miss Song, but they have not found where she is, but I believe that if she is alive, they will be able to find her."

After speaking, Nanako said again: "Oh yes Master, a large number of police officers have been sent to Nishitama County to search through the TMPD. I believe they are also looking for Miss Song's whereabouts, and they have many police officers. Helicopters are more suitable for fast and large-scale search and rescue. I believe that Miss Song's whereabouts will be found soon."

Charlie shook his head solemnly and said, "The reason why Warnia suffered from accidents, in my opinion, must be someone assaulting her. If the TMPD finds her

whereabouts, it must be impossible to hide this matter from behind. I'm afraid the other party will come back then."

After that, Charlie hurriedly asked her: "Nanako, is the helicopter ready?"

Nanako nodded and said, "It's on the helipad, ready to go!"

"Okay, hurry to the place where the incident happened as soon as possible!"

.....

The helicopter soon roared from Narita Airport, traversed half of Tokyo city, and headed straight for Nishitama County.

At this time, Nishitama County, which had always been peaceful, suddenly became bustling.

Thousands of police officers and special operations team members from the TMPD swarmed in, and several police helicopters circulated the mountains with high-power searchlights.

Secretly, the ninja of the Ito family was in the valley, following the traces left by Warnia.

After all, Warnia is not a practitioner, let alone a master, so she can't hide her movement at all.

The ninja is very clever. While chasing the traces left by Warnia, he did not forget to order people to eliminate the traces left by Warnia little by little.

In this way, no one can find the clue left by her.

Even if someone from the TMPD found the completely damaged business car, they could not find her dead or alive.

In this way, it is possible to ensure that Warnia will not be discovered by others.

The TMPD was crowded with people, and there were police helicopters searching high in the sky, so it didn't take long for them to find the commercial vehicle.

Afterwards, several police helicopters drove towards the valley where the accident occurred, and twenty or thirty special forces with live ammunition came down from the helicopters.

When these special forces came, they immediately protected the scene tightly.

They checked the scene for the first time and confirmed that there were two deceased persons in the car. Then they traced the location of the commercial vehicle upwards and found the body of Warnia's assistant Swallow halfway up the mountain.

So their person in charge immediately reported to the headquarters via radio: "We have found the scene of the incident. The vehicle matches the one on the video surveillance. Three bodies were found on the scene. One of them is identified as Swallow a woman next to Warnia. The other two bodies have been completely carbonized and can only be identified as a man and a woman, but the identity of the woman cannot be confirmed at all."

The commander-in-chief at the scene hurriedly asked on the radio: "Are there any other clues found at the scene? You have only found three bodies now, but we found from surveillance video that when the commercial vehicle left the hotel, there were a total of four people, one of them is a driver, one of the other three is Warnia, and the other two are her assistants. It is impossible to have only three bodies!"

The person in charge of the special forces said: "It is true that only three bodies are at the scene, and judging from the tragic degree of the accident, there is no survivor, and no signs of surviving are found at the scene."

The commander-in-chief said in a puzzled voice: "This is not right! Four people got in the car, and only three are left after the accident. Where did the other one go?"

Chapter 2071

At this moment, Honor was sitting anxiously in the meeting room of the TMPD.

Since the Song Group is a well-known company with strong strength, the TMPD is very polite to Honor.

The director who rushed over from home overnight, at this time, was personally hosting Honor.

Seeing Honor's anxious look, the director comforted: "Mr. Song, our brigade has already begun searching for your sister's whereabouts in Nishitama County, so you don't have to worry too much. Once there are any results and clues, I will Feedback to you as soon as possible."

Honor sighed softly, covered his face in pain, and choked up: "Warnia is my only sister and the one I love the most. Please do your best to rescue her safely!"

The TMPD nodded and promised: "Please rest assured, Mr. Song, we will try our best to find Miss Song's whereabouts!"

Honor said gratefully, "Thank you so much!"

At this time, someone came in outside the door and said eagerly: "Director, our people found Miss Song's business car in the mountains of Nishitama County. The car has fallen to the bottom. They found two charred bodies in the car. Another corpse was found on the steep slope halfway up the mountain!"

When Honor heard this, his eyes reddened, and two lines of tears flowed out immediately.

He asked nervously: "Director, has Warnia suffered an accident?"

The director sighed, and said: "Mr. Song, please control your emotions..."

Honor immediately covered his face and cried bitterly: "Why...why Warnia...she is still so young...she is still so young! Why is it not me who died? !why!"

The director stepped forward, patted Honor's shoulder lightly, and said something to comfort him. The person who came to report said again: "Director, we found through monitoring that when Miss Song was leaving the hotel, they were four people sitting in the car, including her, so the whereabouts of one person remained unknown."

Honor immediately raised his face and asked dumbfounded: "What did you say?! Another person is missing?!"

"Yes!" The person hurriedly said: "Four people got in the car, and there were only three bodies. The other person has not found any clues, and we highly suspect that the missing person is Miss Song!"

"What?!" Honor was extremely nervous, and blurted out: "Is there any evidence that the missing person is my sister? Have you confirmed who was the corpse who fell to death halfway up the mountain? In addition, in the car. Is there her in the two charred bodies?"

The person explained: "This is Mr. Song. The corpse halfway up the mountain has been confirmed. It is Miss Song's assistant Swallow. As for the two charred corpses, we carefully compared them through high-definition cameras. The order of seating when leaving the hotel, the only male is the driver sitting in the driving seat, and the co-pilot sitting in the passenger seat was one of Miss Song's assistants. When Miss Song got in the car, assistant Swallow sat in the back row together."

Speaking of this, the person continued: "So, it can be seen that the scorched body on the co-pilot should not be Miss Song, unless she exchanged places on the way, but we think this possibility is minimal."

The director reasoned at this time: "It has been confirmed that Swallow's body has been found. The other two corpses are most likely not her. So, Miss Song is very likely to be alive!"

When Honor heard this, his whole person almost collapsed!

Deep in his heart, he nervously slandered: "What's going on?! What is going on?! Why is Warnia still alive?! The people near Hashimoto are not sure and confident, Warnia has already rolled off with people and cars. Why would she be missing?!"

Chapter 2072

So he hurriedly stood up and blurted out and asked: "Have you found the whereabouts of my sister? Or have you found any valuable clues?!"

The person who came to report shook his head and said: "Now things are a bit tricky, and there are some inconsistencies. No trace of Miss Song was found on the scene, and no trace of life was found, but we did not find anything about Miss Song. A clue whether she got off the car early, so everything is still unknown now."

Honor's heart was already a little bit scared at this time: "If Warnia dies, everything will be resolved easily. Even if the TMPD finds that she died of murder, I have nothing to worry about. Anyway, it's not me. It's almost impossible to be discovered if they move their hands. At that time, the TMPD can continue to trace the clues. I will take Warnia's body back to have the funeral, and then take care of the old thing. The Song family is my father's and mine. That's it."

"But, if Warnia didn't die, then all of this would have to be abandoned! Even if Warnia didn't know that I was secretly harming her, as long as she returned to Aurous Hill alive, she would definitely become extremely alert in the future. In that case, she would be hard to get killed!"

Thinking of this, he couldn't sit still, and said, "Several people, I want to go out and get some air."

The director nodded hurriedly: "Mr. Song have some fresh air!"

Honor immediately walked out of the door, came to an empty stairwell, and dialed Hashimoto's phone number.

"Haha, Mr. Song, you should be in the TMPD now?"

Honor said coldly: "Mr. Hashimoto, people from the TMPD told me that my sister is missing! What the hell is going on?"

Hashimoto asked in surprise: "What did you say? Missing? How did she disappear?"

Honor gritted his teeth and groaned: "That's how she disappeared for no reason! No one knows where she is, and now neither can anyone nor a corpse!"

Hashimoto murmured: "That's not right! My people have clearly rammed her and the commercial vehicle she was riding into the valley. According to them, the vehicle

crashed to the bottom of the valley within a minute. Naturally, even Amaterasu can't escape!"

Honor said angrily: "You're so fcking sh!t to me! Your Amaterasu can't escape, so my sister escaped!"

"People from the TMPD did not find her body! She was not there at all!"

Hashimoto also became nervous, and said with a trembling voice, "This is damn wrong! I really have a video here. It was taken by my hand. It can be seen from the video. At the time of the impact, your sister was there. Obviously still in the car!"

Honor questioned angrily: "She was in the car at the time of the collision, and she disappeared when she fell to the bottom of the valley, so I ask you to answer me, where did she go?"

Hashimoto said in a desperate voice: "She...she should be dead...at that height, no one can survive!"

Honor questioned: "If she died, would the body walk on its own?!"

Hashimoto hesitated and said, "This...I don't know this..."

Honor growled: "So there is only one possibility, she must have escaped! I don't care what you use, find a way to find her, and then kill her immediately! Otherwise, if this matter is revealed, we two will be finished!"

Chapter 2073

Charlie and Nanako flew by helicopter for about 30 minutes before they approached Nishitama County.

As Nanako's ninja is still tracking Warnia's whereabouts, a large number of police officers from the TMPD are also searching near the incident.

So Charlie asked the helicopter to land at a relatively gentle place on the top of the mountain about five kilometers away from the incident.

The distance of five kilometers can temporarily avoid the search of the TMPD without being too far away from Warnia.

After all, she won't walk too fast in the mountains with her feet. It is estimated that she has walked five kilometers at most since she has been engaged in this event.

Therefore, even if Charlie's helicopter was unlucky and completely landed in the opposite direction, the maximum straight-line distance between him and Warnia would not exceed ten kilometers.

At the top of the mountain of more than 2,000 meters, the weather was severely cold, and Charlie stood on a huge rock on the top of the mountain, anxious.

The pill that he gave to Warnia could save her once, but not twice. If she is encountered by a gangster again, or if she encounters any danger in the mountains, she may be beyond reach.

Seeing Charlie's anxious expression on the side, Nanako immediately took out her mobile phone and prepared to call the ninja she had sent out to ask about the situation.

At this time, her mobile phone happened to vibrate, and it was the ninja headed by the Ito family who called her.

Nanako hurriedly connected the phone and asked, "What's the matter? Have you found Miss Song's whereabouts?"

The other party immediately said: "Back to Miss Song, we have found Miss Song's whereabouts. She is in the valley about four kilometers northeast of the incident. When we were the closest to her, the straight-line distance was about 500 meters. However, I found that Miss Song was in good condition, so I didn't alarm her. Because there was no signal on the top of the mountain, I first came up to the mountainside and called you for instructions. Others are secretly following her to protect her."

Nanako breathed a sigh of relief and blurted out, "That's great!"

Charlie hurriedly asked: "Warnia's whereabouts?"

Nanako nodded heavily and said to Charlie: "Master! My men have found Ms. Song. She is now marching to the northeast, and her condition looks good. My people are about five or six hundred meters away from her. They haven't disturbed her, so I called me for instructions. What do you think we should do?"

As soon as Charlie heard this, a stone in his heart immediately fell to the ground.

Coming to Japan in the middle of the night, the only thing he looked forward to was to hear that Warnia was safe.

So, he immediately said to Nanako, "Nanako, please let your person give a specific position, let's go over!"

.....

In the valley.

Warnia is still struggling.

Since the mobile phone has no signal, she can't use positioning, and she doesn't know how far she has gone.

However, Warnia is very smart that she has relied on the North Star in the sky to discern the direction.

Polaris is a star in the northern part of the sky, and due to its unique movement pattern, the star almost remains motionless from the northern hemisphere.

It is precisely because the Polaris has remained motionless in the northern part of the sky that it can provide people with the most basic position navigation.

When you find the North Star, you can find the north. When a person is facing the north, the south is behind him, the right-hand direction is east, and the left-hand direction is west.

In this way, she can guarantee that she has been walking in the northeast direction, instead of aimlessly and confusedly turning around in the valley.

When you get lost in the mountains, if you can't tell the direction, you often go around unconsciously.

Warnia wanted to go as far as possible from the place where the incident occurred. After a sufficiently safe distance, she will climb up and find the mobile phone signal to call the police for help.

However, she didn't know at this time, she was secretly followed by 10 top ninjas.

Fortunately, these ninjas were sent by Nanako, and they didn't have any malice against Warnia. Otherwise, even if Warnia had a rejuvenation pill in her hands, she would be more and more fierce.

At this time, she didn't even know that Charlie, who she was thinking of, had already arrived in Tokyo, and was fast moving towards her in the darkness!

Charlie's strength is extraordinary, even if he doesn't rely on a helicopter, he can quickly attack and walk on the ground in such a place.

Chapter 2074

However, Nanako and the others couldn't keep up with his rhythm at all, so they could only wait for Charlie's notice in place.

Charlie didn't want to take a helicopter to pick Warnia directly, because in that case, it would be possible to disturb other people searching for Warnia's whereabouts.

Therefore, it is more reliable to rely on your own legs.

Fortunately, the distance between Charlie and Warnia was not too far. From the perspective of positioning, it was almost two to three kilometers away.

Therefore, after half an hour of rushing, Warnia had already appeared in Charlie's sight.

Warnia at this time was climbing up from the bottom of the valley.

She felt that she had already opened a safe distance, so she wanted to climb up, look for a cell phone signal, and then report to Charlie and her family to be safe.

At this time, Warnia couldn't help worrying in her heart: "If Master talks about the voice that I sent him when the accident happened, he will be very worried about my safety, right? I have to give Master make a call and let him know that I am still alive!"

Charlie was excited for a moment when he saw her figure.

When rushing over from Aurous Hill, he was most afraid that Warnia's life would be threatened.

Seeing her in person now made Charlie completely relieved of all the tension and worries he had before.

When Warnia climbed on a relatively flat boulder halfway up the mountain, she took out her mobile phone, which still showed no signal.

She walked back and forth on the boulder with her mobile phone, and finally caught a cell phone signal.

So she hurriedly stayed still and opened WeChat for the first time.

Because the network is very poor, her WeChat keeps prompting for network connectivity.

After waiting a few minutes, WeChat changed from connecting to receiving.

Although it was shown to be receiving, she did not even receive a new WeChat message.

Therefore, she could only give up WeChat and call Charlie directly.

Fortunately, although the network has only one grid, it is almost difficult to connect to the Internet, but this grid signal can already support her to make a call!

After the phone rang twice, she heard Charlie's voice: "Warnia, how are you now?"

When Warnia heard Charlie's voice, she felt the voice in her ears. She was so excited that she cried out immediately: "Master...I...I'm still alive... .."

Charlie said: "I know."

Warnia was sobbed at this time, choked up: "Master...thank you...if it weren't for you, I must be dead now..."

Charlie looked at Warnia's back distressedly, and said softly: "Warnia, I want to tell you one thing, don't be nervous, let alone be afraid."

Warnia hurriedly said, "Master, as you say!"

Charlie said seriously: "I know you have an accident, I have come to Japan."

"Ah?!" Warnia asked excitedly: "Master, you... have you come to Japan?!"

Charlie said: "Yes, I'm in Tokyo."

Warnia was extremely happy and touched at this time, crying and saying, "Master, you... have you really come to Tokyo to find me?"

Charlie sighed softly and said, "Warnia, I'm in Nishitama County where your accident occurred."

Warnia was full of disbelief at this time, and exclaimed: "Master, how do you know that I had an accident in Nishitama County? Where are you now?"

Charlie said seriously: "Warnia, I'm...behind you now!"

Chapter 2075

The reason why Charlie told Warnia step by step was because he was afraid that he would suddenly call her out, or tell her that he was behind her and scare her.

After all, she has been walking alone in this deep mountain and old forest for so long. If he suddenly appears without any psychological preparation, she will definitely be shocked.

Therefore, Charlie chose to guide her step by step, let her know that he was in Japan, Tokyo, and Nishitama, and then told her that he was behind her.

When Warnia heard Charlie's words, she immediately turned back subconsciously!

really!

She found that a familiar figure was standing about ten meters away behind her!

That familiar figure is exactly Charlie, the man about whom she was thinking at a critical moment!

Warnia's heart was almost ecstatic!

She didn't even dare to dream that Charlie would really appear here suddenly!

At this moment, Warnia's heart was completely filled with touch and happiness!

She choked in her heart: "Master actually came to rescue me...at such a late time, at such a distance, he appeared in front of me within a few hours! This is simply a movie! Here is the supreme treasure with colorful auspicious clouds! He came, my position in his heart must be very important..."

Thinking of this, her whole emotions were completely immersed in extreme touch, and she cried out: "Master!"

After speaking, she ran towards Charlie!

Charlie was afraid that she would fall down on the mountain road, so he hurriedly walked two steps.

As soon as she arrived, Warnia plunged into Charlie's arms, crying, and said, "Master...I'm not dreaming, am I really you? You really came to save me."

Charlie patted her back lightly and comforted her: "You are not a dream, it's really me, I'm here to save you!"

Warnia cried with rain, and whimpered: "Master, I thought I would never see you again in this life..."

Charlie asked her, "Did you take the pill that I gave you?"

Warnia nodded as if pounding garlic, hugged Charlie, and said on his shoulder: "I have always listened to you and carried the medicine next to my body. After the car I was sitting in fell off the cliff, I immediately took the medicine. I took it. Fortunately, I had the medicine. Otherwise, Master might not see me..."

Charlie sighed softly and said, "The medicine was given to you to use for emergencies, but I have never hoped that you would really use it. I didn't expect it to be like this today!"

Warnia choked with grateful gratitude: "Master, the greatest fortune in my life is to know you... If it weren't for you, I might have already passed away... All your great kindness. I can't repay in my life..."

Warnia has always been very grateful to Charlie.

In the beginning, her room was accidentally hit by mistake, and she accidentally formed a feng shui bureau of trapped dragons. The whole person's fortune was consumed rapidly, and her life was even endangered.

If it hadn't been for Charlie to resolve it in time, she might have already died by accident.

Not to mention, Charlie helped her take the position of Song Family Patriarch step by step.

Today, she is facing such a big death crisis in Japan, and she is completely dependent on the medicine he gave her to be able to turn the danger into a breeze.

Now, Charlie has traveled thousands of miles at night to rescue her in the mountains of Japan. His kindness has already made Warnia grateful.

What's more, she loves Charlie deeply in her heart, so at this moment, she regards Charlie as a beloved person more important than her own life.

Chapter 2076

Warnia even had an idea deep in her heart. She felt: "From today onwards, I am willing to do anything for Master. Even if he asks me to die immediately, I will be willing to die for him without complaining!"

Charlie didn't know Warnia's inner activities at this time. He just kept comforting her with a gentle tone: "Warnia, between you and me, don't say thank you, let alone any great kindness, you are my friend. I save you, it is the only right thing, not to say that you are in Japan, even if you are in the fierce mountains, I will never say anything to stop myself."

Charlie was expressing to Warnia his steadfastness towards friends and friendship, but he did not expect that these words in Warnia's ears would become the most moving emotional expression in the world!

At this moment, she even loved Charlie to the bone, even willing to hug him so tightly and rub her whole body into his bones.

Her heart was full of love and touch for Charlie, her brain heated up and she immediately stood on her toes and kissed his lips.

This is Warnia's second kiss of Charlie.

It was also the second kiss in her life.

Her lips were cold and there was a faint salty taste in her tears, which made Charlie feel distressed.

Warnia kissed Charlie, holding him tighter with her hands.

At this moment, how much she longed for time to stop, so that she and her beloved man can stay in this beautiful moment forever.

Even if this life comes to an abrupt end, She is already satisfied.

Unfortunately, the reality is not a fairy tale.

When she was immersed in the kiss, the sound of a helicopter roared from a valley not far away.

Charlie hurriedly turned his head and looked, three helicopters lined up in the sky.

At the nose of the helicopter, three high-power searchlights were shining back and forth in the valley.

Charlie hurriedly said to her: "We can't stay here for a long time, now all the police in Tokyo are looking for you."

Warnia hurriedly said: "Master, the police are looking for me, I happen to call the police!"

Charlie frowned slightly and asked her: "You want to call the police?"

"Yes!" Warnia said categorically: "The truck that hit my car was obviously premeditated, and it came to kill me!"

After all, Warnia said with red eyes, very angry and said: "These b@stards, just want to kill me and rush to me, but they want to implicate the innocent. My two assistants and the driver I have are all."

Speaking of this, Warnia suddenly couldn't control her emotions. She choked with sadness: "The two have been with me for so long. They have been doing business with me. They will accompany me on a business trip to Japan for the New Year. Take them to have fun in Tokyo, I didn't expect... I didn't expect them..."

At this time, Warnia couldn't speak anymore, and cried out sadly.

Charlie hurriedly comforted her: "Warnia, don't worry, they will not die in vain!"

Warnia nodded heavily, wiped away her tears, and resolutely said: "So I want to call the police, let the police catch the black hand behind the scenes, bring them to justice, and avenge my people!"

Charlie shook his head and said seriously: "You are unfamiliar with the place where you were born in Tokyo. The alarm will not do any good, but only alert them."

Warnia hurriedly asked, "Master, what do you mean, don't call the police anymore?"

"Yes!" Charlie nodded and said: "Warnia, we still don't know whether someone in Japan wants your life or someone in China wants your life. Therefore, calling the police in Japan will not solve anything. If you believe me, leave it to me to deal with this matter, I will find it out, and give you an explanation about the death of the three!"

Chapter 2077

Warnia heard Charlie's words, without thinking at all, she said categorically, "Master, I listen to you!"

Charlie nodded and said seriously: "In Japan, I still have something to do. I will take you to my friend's house first. During this time, you should not contact anyone, including your grandfather and your other family members. Not talk about this until we find out what happened."

Warnia asked in surprise: "Master, can't I tell my grandfather? He must be very worried about me now. If my whereabouts remain unknown, I am afraid he will worry too much and affect his body..."

Charlie smiled slightly and comforted: "Don't worry about this. Your grandfather has taken Rejuvenating Pill, so his body will never be in serious trouble, and don't forget, I gave it to you on your birthday. The rejuvenating pill of yours is also in his hands. With this rejuvenating pill in his hand, he will definitely not have any problems."

After speaking, Charlie further explained: "Most of the secrets are leaked from the person's own mouth. The real secrets should be known to as few people as possible, and it's best if no one except yourself knows, otherwise, once this secret is known by others, it will be difficult to ensure that it will not be known by more people."

Although Warnia's expression was a little struggling, she quickly raised her head and looked at Charlie and said seriously: "Okay Master, then I won't tell anyone."

Charlie nodded and asked her, "You didn't contact your grandpa and other family members just now, did you?"

"No..." Warnia hurriedly said, "As soon as my mobile phone got a signal, I immediately contacted you. I originally wanted to contact you and then contact grandfather, but I didn't think about it."

Charlie hurriedly said: "Then quickly turn off the phone, not only do not answer any calls, nor use WeChat and other communication software."

Warnia said obediently: "OKay Master, I will shut down now."

With that, she immediately pressed the power button and turned off her mobile phone with a broken screen.

Immediately, she remembered something, looked at Charlie with a puzzled face and asked, "Master, how did you find me in this deep mountain and old forest?"

Charlie said truthfully: "The eldest lady of the Ito family in Japan is my friend. After your accident, I asked her to help me find your whereabouts. She sent some Japanese masters of ninjutsu, also known as ninjas, to look for clues about you in the mountains."

"They found the commercial vehicle in which you had an accident, and followed your footsteps all the way, chasing you over. After I got your location, I hurried over."

Warnia exclaimed: "Ah?! Ninjas?! Master, you mean, there really are ninjas in this world?"

Charlie nodded and said: "Ninjas are actually no big deal. He is like our Chinese martial arts masters, they are all real."

Warnia nodded suddenly, and then remembered something, exclaiming: "They have been following me secretly, doesn't it mean that they are also watching us secretly now?"

"Uh...this..."

Charlie smiled awkwardly, and said, "You are right, they have been following us secretly."

Warnia was immediately embarrassed and intolerable: "That...that...then what we did just now, did they...have they seen it all?"

Charlie shrugged helplessly, "They must have seen..."

Warnia was embarrassed, she lowered her head shyly and said, "Master...you...why didn't you remind me...this is too shameful... .."

Charlie stretched out his hand and said with an innocent look: "Warnia... You can't blame me for this, I didn't know you would suddenly jump over...I was completely blank at the time."

Warnia heard him say this, recalling the scene when she took the initiative to plunge into Charlie's arms and kissed his lips, her face became more and more rosy, she had to say in a lowly embarrassed voice: "Oh... Don't talk about this...Master, where are we going now?"

Chapter 2078

Charlie said: "First go to Miss Ito's mansion to take shelter for a while, and watch the changes!"

.....

At this moment, Nanako is still waiting in place.

After all, her skill is much worse than Charlie, so it is impossible to keep up with his running rhythm, so she just waited in place.

Because people from the TMPD were searching in the surrounding mountains, and there were often police helicopters patrolling in the sky, she asked her helicopter to turn off the engine and quietly waited for Charlie's news.

At this time, the ninja under her head sent her a message: "Miss, Mr. Wade has found the Miss Song."

Nanako breathed a sigh of relief, tapping her fingertips on the screen repeatedly, and replied: "That's good, you can ask Master what to do next."

The other party made an embarrassing expression and said: "Miss...Mr. Wade and Miss Song are hugging and kissing, we are also embarrassed to step forward and disturb..."

When Nanako saw this, she was stunned.

Immediately, deep jealousy surged in her heart.

She thought sourly in her heart: "Originally, I thought that Master is a married man after all. Even if I love him, I can't destroy his feelings and family..."

"But, I never thought that Master and Warnia would even hug and kiss... Is Warnia Master's extramarital relationship? Or to put it more bluntly, is Warnia Master's lover?"

"If Warnia can be Master's lover, then why can't I..."

"I also love Master from the bottom of my heart. Why can't I be his lover like Warnia?"

"Although I don't want to be a third party, if Master is willing to give me this opportunity, I am also willing to hide in the dark for a lifetime and be his underground lover..."

"After all, I love him more than anything else. Her status, reputation is not worth mentioning in front of me"

Just as she was thinking about it, the phone suddenly vibrated, and it was Charlie's call.

She hurriedly answered the phone, her voice was a little flustered and unnaturally said: "Uh... Wade... Master... You... saw Miss Song Are you here?"

Charlie said: "Yes, we met."

Nanako asked hurriedly, "How is Miss Song?"

Charlie said, "She's fine, Nanako, I'm calling you to discuss the next arrangements with you."

Nanako hurriedly said: "Master, everything will follow your instructions, and the entire Ito family's forces will be at your call!"

Charlie said seriously: "I am really grateful to Nanako. My current plan is to let the helicopter come over first, take Warnia to your residence, and let her live in your house temporarily, but you must keep this matter strictly confidential. It must not be leaked out."

Nanako said without hesitation: "No problem, Master waits a moment, I will pick you up now!"

Chapter 2079

When Charlie and Warnia returned to downtown Tokyo on the helicopter of the Ito family, Honor was already a little bit unable to sit still at the TMPD.

He was extremely nervous at this time, and said to himself: "Warnia's whereabouts have not been found for a few hours until now. If we delay it, the day will be bright. If we can't find her then, then This thing is really tricky!"

"Warnia's body should have stayed in that business car honestly, but she was strangely missing and disappeared in the vast mountains. Is she dead or alive now?"

Honor was very worried because he was afraid that Warnia would not die.

Because, as long as she does not die, the lie that Nippon Steel's vice president Hashimoto made up to Warnia will be thoroughly exposed.

After all, this matter was Hashimoto's own assertion, on the one hand, to seek greater profit space for Nippon Steel, on the other hand, it is also for his own personal gain.

Therefore, he cooperated with Honor and deceived Warnia, saying that she was asked to go to Nishitama County to find the chairman to sign a contract. In fact, the chairman of Nippon Steel had no idea about this.

If Warnia is still alive, as long as the police ask her why she went to Nishitama County, it will be completely exposed.

At that time, the Japanese police will definitely arrest Hashimoto Kinsaki immediately.

Murder is one of the most serious crimes in Japan, not to mention that three people have died this time, Hashimoto will definitely betray Honor without hesitation.

At that time, the murder of Warnia by Honor will also come to light.

At this moment, Hashimoto was also nervously pacing repeatedly in his home.

The team member responsible for assassinating Warnia stood in front of him at this time.

These few people stood side by side in front of the sofa, all of them bowed their heads and did not dare to look at Hashimoto Kinzaki.

Hashimoto just made a phone call to a friend from the TMPD to inquire about the latest developments.

After learning that Warnia's life and death are uncertain, he was as nervous as Honor.

He knew very well that if Warnia was still alive, he would be the first one to be unlucky!

So, he walked in front of these people angrily, and directly smoked them one by one with his big mouth, angrily cursed: "You b@stards! Wastes! What's the use of raising you?! You can't do such simple things. You're of no use!"

The people looked at each other, but no one dared to speak up.

Hashimoto saw that they did not speak beforehand, and gritted his teeth angrily: "A bunch of trash! Can't get rid of even a woman! It caused me such big trouble! If my fcuking plans get exposed, none of you can run away!"

.....

Twenty minutes later.

The helicopter landed slowly in the courtyard of the Ito family mansion.

Ito Yuhiko, who lost his legs, was pushed by his sister Emi and waited in the courtyard early.

As soon as the helicopter landed, Emi Ito immediately pushed Yuihiko Ito out of the cabin.

Charlie just stepped out of the helicopter at this time, and reached out to help Warnia down.

Nanako followed Warnia to get off the plane. Seeing Charlie stretched out his hand to help Warnia down, she felt a little jealous but more envious.

Chapter 2080

At the moment when she was slightly lost, Charlie, who was under the helicopter, stretched out his hand to her again.

Nanako didn't expect that Charlie would even help her to get off the plane, and her heart was as sweet as she was eating honey.

Although she was a master, and she had taken Rejuvenation Pill, her strength had improved a lot, but she was still a little woman deep in her heart. Seeing Charlie as such a gentleman and so considerate, she immediately felt a little bit shy and moved her hand. Passed it over and said softly: "Thank you Master!"

Charlie smiled slightly and said lightly: "It's okay, it should be."

At this time, Ito Yuhiko was pushed over by Emi, and he said with a little excitement: "Mr. Wade, I didn't expect we would meet so soon!"

Charlie smiled bitterly: "Yeah, I didn't expect to meet again so soon, how has Mr. Ito been recently?"

Ito put his hands together and said respectfully: "Mr. Wade, I have been doing well recently, but since I was injured, my physical fitness has not been very good. I often catch cold, feel weak and night sweats are common. It just happens that Tokyo is cooling down these days, so I originally planned to go to the beach in the Maldives to recuperate for some time in two days. I didn't expect you to come suddenly."

Charlie nodded and pointed to Warnia and said, "Mr. Ito, let me introduce you. This is my good friend, Ms. Warnia Song, the chairman of the Song Group. Ms. Song is having a little trouble, so I came here this time. It's also for her."

Looking at Warnia, Ito Yuhiko said very politely: "Hello, Miss Song, I am Ito Yuhiko, Mr. Wade is a distinguished guest of the Ito family, you are his friend, and you are naturally one of the distinguished guests of the Ito family. Welcome to the house."

Warnia also politely bowed slightly: "Thank you, Mr. Ito!"

At this moment, Warnia was very surprised in her heart.

She knew very well what status of the Ito family in Japan.

In Japan, the strongest family is the Ito family.

In addition to the Ito family, the rest are big chaebols composed of several families, but the strength of the Ito family, even when compared with those of the big chaebols, is not much worse.

Unexpectedly, Ito Yuhiko of the Ito family was so respectful and polite to Charlie, which made her even more shocked by Charlie's strength.

Ito Yuhiko slandered in his heart at this time: "This Warnia seems to be no worse than my daughter in terms of appearance, build, and temperament. She is definitely among the top beauties. She and Charlie are so close. Isn't she? What's the hidden deep relationship with Charlie? If this is the case, then the chance of my daughter and Charlie is even smaller!"

While he was feeling emotional in his heart, his sister Emi hurriedly said: "Mr. Wade, it's quite cold outside, let's go in and talk."

Only then did Yuihiko recovered, and hurriedly said, "Yes, yes! Go in and talk, and let Nanako prepare the tea ceremony to entertain the two. At the same time, tell the chef to prepare some breakfast."

Inside the Japanese-style meeting room.

Charlie and Warnia sat on the ground next to each other.

Nanako knelt at one end of the tea table, elegantly and unhurriedly making tea for everyone.

Charlie asked Warnia at this moment: "Warnia, what happened to you last night? Can you tell me in detail?"

Ito Yuihiko also hurriedly said at this time: "Miss Song, I have a bit of energy in Japan. You might as well tell the story. I and the entire Ito family will definitely be able to help you!"

Warnia bowed slightly and said, "Thank you Master, thank you Mr. Ito and Miss Ito."

After thanking him, Warnia continued: "I came to Japan this time to reach strategic cooperation with Nippon Steel. I talked to their vice presidents for several rounds. Until last night, their chairman decided to see me, to sign a contract with me..."

"Because their chairman is in Nishitama County, I drove there overnight. I didn't expect to be hit by a car into the cliff on the road..."

Yuihiko Ito frowned and said, "It's a bit strange. The chairman of Nippon Steel has a deep friendship with me. According to his style of working, he should not ask you to sign a contract at night, and even if he signs a contract, he will not call you to Nishitama County because his mansion is very close to me, but a few minutes drive from here. After dinner yesterday, he visited me at the mansion!"

Chapter 2081

Takehiko's words made Charlie suddenly alert.

He asked, "Mr. Ito, are you familiar with the chairman of Nippon Steel?"

"Yes!" Takehiko said very seriously: "The chairman of Nippon Steel is named Watanabe Shinka, and he has a deep friendship with me."

Charlie nodded and said, "Then please ask him if he is looking to cooperate with a Chinese company to build a factory recently. If so, ask him which company he is cooperating with and whether it has been finalized."

Takehiko said immediately: "Okay, Mr. Wade, I'll just ask."

Warnia hurriedly asked Charlie: "Master, do you think Mr. Watanabe has a problem?"

Charlie shook his head: "One is this Watanabe, and the other is for you to see Watanabe's vice chairman. Both of them are suspicious, but I am still not sure who has the problem, and neither it's okay to exclude both of them, or include both."

Warnia nodded lightly, without saying more.

This is because she also knew very well in her heart that this matter was far beyond her control. Since Charlie had already come to Japan for her, she would completely listen to his arrangements.

When Ito heard that there might be a problem, he patted his chest and said, "Mr. Wade, I am very familiar with Watanabe. Although he is a little bit cunning in business, he is still very upright. I believe He should have nothing to do with the murder of Miss Song."

Charlie smiled slightly: "Mr. Ito, I am not distrusting you, but this matter involves many lives, so you still have to be cautious. Could you please help me ask this Watanabe, and please also ask. At the time, try to be more natural and don't let him hear what you mean."

Takehiko nodded, immediately took out his cell phone, found Watanabe's number, and called.

The call was quickly connected, and a lazy voice came: "Hey, Ito, what do you b@stard doing calling so early?"

Takehiko laughed and said, "Watanabe, where are you now?"

Watanabe yawned, "I'm sleeping, where else can I be! What's the matter with you? Let me sleep a little longer if there is nothing important..."

Takehiko said: "I heard that you want to cooperate with a Chinese company? Are there any companies that have confirmed intentions?"

Watanabe asked curiously: "What? Are you planning to enter the steel industry?"

Takehiko said: "No, I just ask you, I happen to know some friends in China, if your cooperation here has not been settled, I may be able to help you match up."

Watanabe said: "We have indeed considered this matter. Recently, it seems that we have indeed been docking with some powerful Chinese companies, but I will leave this to Hashimoto."

Takehiko asked: "Hashimoto? Is it Hashimoto Kinzin?"

"Yes." Watanabe said with a smile: "To be honest, this kind of cooperation to build a factory is not too big a business for Nippon Steel as a whole. I usually don't directly intervene, but if you have friends who want to cooperate, then I can sell you face."

Takehiko smiled and said, "Then I will thank you in advance, but has Hashimoto determined a partner for cooperation? If he already has a certain candidate, I will suddenly jump in. I am afraid. Not suitable."

Watanabe said indifferently: "You don't need to worry about Hashimoto's suitability, he is a senior part-time worker. If I don't ask anything, he will decide, but if I ask, he can only follow orders."

Takehiko laughed and said, "Okay, I know, wait for me to ask my friends for details, and I will contact you if necessary."

Watanabe said: "You have nothing else, right? I'll hang up if there is nothing else, and continue to sleep!"

"Okay, go to sleep!"

After hanging up the phone, Takehiko said to Charlie: "Mr. Wade, it seems that Watanabe really doesn't know about this. He didn't even ask Miss Song and Hashimoto Kinzin about cooperation, and why would he participate in the murder? Where is Miss Song in this equation?"

Chapter 2082

Charlie nodded slightly and looked at Warnia to the side: "Did Hashimoto called you yesterday and asked you to sign a contract with the chairman?"

Warnia said firmly: "Yes, Hashimoto called me first and asked me to go to Nishitama County to sign a contract with the chairman."

Charlie snorted coldly: "It seems that the problem lies with Hashimoto Kinzin. He must have deliberately deceived you to go to Nishitama County, and then set up an ambush on the mountain road in Nishitama County."

Warnia asked very suspiciously: "Master, I don't understand why Hashimoto Kinzin would harm me? I have no grievances with him, and there has never been any intersection before. Why did he plan to kill me?"

Charlie said coldly: "Many assailants and victims don't know each other. What really drives him to murder each other is mostly profit. It must be good for him to kill you, so he did this."

Warnia was even more surprised, and asked: "I really can't think of it, what good will I do for him if I die? He won't get any good either!"

Charlie looked at Warnia and said seriously: "You are dead, it may be difficult for him to get any benefits directly, but the key is to see if anyone benefits him after you die!"

Warnia's expression suddenly tightened: "Master...you...you mean...someone hired him to kill me?!"

Charlie nodded firmly: "I think it should be like this!"

Warnia was a little nervous at once, and at the same time she couldn't understand, she said vaguely, "But...but...but it doesn't make sense...I usually I have never offended anyone. Who would be good if I die?"

Charlie looked at her, smiled but did not speak, because he already had an answer in his mind at this time.

He felt that Honor Song and his father Tianming Song were most likely behind the incident.

Charlie knew everything about the Song family.

Warnia's parents died young, and there are several uncles in the family.

Among them, Tianming, the father of Honor, has the most influence.

Because he is the eldest son and the successor that the old man had originally decided to set aside.

Therefore, in Warnia's generation, Honor is naturally the most influential one.

Warnia has not had much influence because she has no parents and is alone.

It is also fortunate that Mr. Song takes care of her and loves her, so even if her parents are gone, she can still enjoy the treatment of Missy.

In case Mr. Song is the kind of old feudal patriarchal patriarch, Warnia has no parents, I am afraid that the Song family has long used as a marriage tool, married her to a big family as a wife.

However, since Warnia met Charlie, her position in the Song family has skyrocketed.

When the old man Song was about to die, Warnia asked Charlie to pull him back from the Palace of the Kings of the Lords. Then Charlie also looked at Warnia's face and gave him a rejuvenation pill to regain his health and be twenty years younger.

Therefore, when Charlie gave a pill as a birthday gift on his birthday, Mr. Song was so excited that he passed the position of Patriarch to Warnia.

In this way, Warnia suddenly became the most powerful one in the Song family. In contrast, the power and influence of Honor and his father have shrunk drastically.

In this case, Honor and his father must be very dissatisfied with Warnia.

Once the dissatisfaction in their hearts continues to accumulate, over time, they have the idea of murdering Warnia, and it seems logical!

Chapter 2083

Warnia really couldn't think of who wanted her life.

Although the shadows of Honor and Tianming flashed in her mind, she immediately denied this idea.

She felt that Honor grew up with her since she was a child, and treated her like a sister, so he couldn't think of her badly.

This is not how simple and stupid Warnia is, but that she feels family love is priceless, and she shouldn't doubt her cousin and uncle.

Charlie could see that she hadn't doubted Honor's head, so it was just on this topic, and it was just a point of fascination.

He is only suspicious of Honor now, and there is no need to tell Warnia too much before he finds definite evidence.

So he said to Warnia: "Warnia will live in Mr. Ito's house for the time being in these two days. As I said, don't contact anyone, let alone let anyone know that you are still alive and who wants to kill you. I will investigate."

Warnia nodded lightly, and said respectfully: "Master, I will let you arrange everything."

Charlie smiled slightly: "You didn't sleep all night. After you finish eating, let Miss Ito arrange a room for you to rest."

Nanako hurriedly said: "Miss Song, what style of room do you like? Is it a Japanese-style tatami mat or a European-style soft bed? I'll let the maid prepare it in advance!"

Warnia hurriedly said: "Miss Ito is too polite, I can go with anything."

Nanako said with a sweet smile: "In this case, let me help you arrange a Japanese-style guest room, which is also considered to be in the countryside."

Warnia said politely: "Then thank you, Miss Ito!"

Nanako said earnestly: "Miss Song is Master's good friend. When you come to Ito's house, you treat it as your own home."

With that, Nanako said with some regret: "Ms. Song is coming to Tokyo. It stands to reason that I should accompany you to stroll around, but Master will not let you show up. This time I can only apologize for you to stay at home. After the matter is resolved, I will take you around again!"

Warnia did not expect that Nanako, as the eldest lady of the Ito family, was much stronger in value and background than herself, but she was so polite to her that she was flattered for a while.

However, she soon realized a very real problem in her heart, and thought to herself: "I have never met Miss Ito. She is so polite to me. Isn't it all about Master's face? She can only say Master. Too much ability, too much face..."

While Warnia was feeling emotional, Nanako had already prepared the matcha in the Japanese tea ceremony. She was the first to bring the teacup in front of Charlie, with a little respect and a little shyness, and said, "Master, Please enjoy!"

Charlie nodded slightly and smiled: "Thank you Nanako."

After that, he reached out and took the teacup.

Nanako did the same, and took a cup to Warnia.

Warnia discovered that although Nanako was very polite and humble when serving tea to her and Charlie, her eyes were a bit less bright than when serving tea to Charlie.

As a woman, Warnia couldn't be clearer, Nanako was facing Charlie, what the light in her eyes meant.

If a woman looks at a man with a different kind of light in her eyes, then this man must be the love in her heart.

Because the light in the eyes is the look of love.

There was a sudden sadness in her heart.

The sadness is because Charlie always seems to have no shortage of women who like him.

Chapter 2084

Moreover, those women who like him are all excellent.

Not to mention the Ito Nanako, just in Aurous Hill, Aoxue of the Qin Family, and Zhovia next to the genius doctor Shi, which one is not stunning in the world?

But, who can't tell, they both have a special attachment to Charlie?

Thinking of this, she looked at Charlie's eyes with a bit of resentment, and at the same time, she was also feeling emotional: "You b@dass, I really don't know how many women you provoke outside, so many women love you, so passionate. Debt, I see how you can pay it off in the future..."

At this moment, in order to please Charlie, Takehiko said to Warnia, "Miss Song, I have a relationship with Nippon Steel's Chairman. You also know. When this matter is investigated, it will become clear. After the murderer is severely punished, if you still need to cooperate with Nippon Steel, I can help you build a bridge, and I will definitely help you fight for the best cooperation conditions at that time."

Warnia said gratefully, "Thank you so much, Mr. Ito..."

Takehiko said seriously: "Ms. Song, Mr. Wade has helped me the Ito family too much. It can be said that if Mr. Wade hadn't helped me at the beginning, my Ito family would probably have suffered annihilation!"

Speaking of this, Takehiko sighed: "Mr. Wade is so kind to us, you are his friend, that is, a friend of my Ito family. Helping friends is what we should do."

After the Matsumoto family was wiped out for kidnapping a pair of children from the Su family, Takehiko often felt that he was lucky.

In the beginning, the Matsumoto family was going to kill the children of the Su family, and then set the blame on his family. If it weren't for Charlie, it would be the Ito family that might be destroyed.

Not to mention, Charlie also saved Nanako, so Takehiko attaches great importance to him.

Seeing that Warnia was his friend, he was naturally willing to sell Charlie's face and help Warnia.

Charlie on the side also saw this.

He couldn't help but secretly said in his heart: "Unexpectedly, after Takehiko was injured, his temper has not only changed a lot, but he has also improved a lot in his behavior."

.....

After breakfast.

Warnia, who had not rested all night, followed Nanako to the Ito family's guest room.

Although she took the pill that Charlie gave her and was in good physical condition, the mental fatigue caused by the high tension could not be solved by the pill.

So, she lay on the Japanese-style tatami, and soon fell asleep.

At this time, after chatting with Charlie for a while, Ito said apologetically: "Mr. Wade, I'm really sorry. After the amputation, I have been relatively weak. I got up too early today. I can't hold it anymore. I'll go back to my room and rest for a while. If you have any needs, just tell Nanako."

Charlie nodded slightly and said, "Mr. Ito, please."

Takehiko arched his hand weakly and said to Emi Ito, "Emi, take me back to the room."

Emi Ito hurriedly said, "OKay, Oni chan!"

Oni chan is the name of brother in Japanese.

The elders and inferiorities of Japanese society are very clear. Therefore, in front of outsiders, Emi Ito has always treated Takehiko with respect, like a daughter to a father.

Afterward, Emi Ito said to Charlie with a guilty face: "I'm sorry, Mr. Wade, Oni-chan's body is severely damaged, and his vitality is severely injured. The doctor asked to take more rest. Please forgive me..."

Charlie nodded and said, "Ms. Ito, please take Mr. Ito back to rest. When I finish this matter, I will definitely help Mr. Ito get a good treatment. I may not be able to make his severed limb grow longer, but at least I can restore his physical condition to the state before the injury, even better than that."

Chapter 2085

Nanako, who was making tea, immediately became excited when she heard Charlie's words!

She knew the weight of Charlie's words.

In the beginning, her injury was also extremely serious, and she didn't even dare to imagine that she would have a chance to heal in this life, but what she didn't expect was that Charlie could quickly get rid of all of her pain with just one pill.

Not only that, but her physical fitness has undergone tremendous changes and improvements.

Therefore, Nanako believed that as long as Charlie was willing, he would surely be able to restore her father's body to the original state.

Of course, Nanako knew very well in her heart that Charlie definitely couldn't regenerate her father's severed limbs, but he could at least greatly restore his physical condition.

In that case, apart from losing his legs, her father is at least a healthy person.

Rather than being so sick as it is now, very haggard and distressing.

Therefore, she almost immediately put down the tea set in her hand, got up and bowed deeply to Charlie, and said gratefully: "Master, thank you so much!"

Takehiko also knows Charlie's ability!

In the beginning, he tried every means to find all the experts in Japan, and no one had any solution to his daughter's injury.

He even thought that his daughter would be inseparable from a wheelchair for the rest of her life. He even thought that under the influence of that kind of injury, her physical condition might get worse.

But never dreamed that Charlie could help her daughter to recover.

Not only is it recovering as before, but it is also a big step forward.

This is enough to prove that Charlie is a person with great abilities and supernatural powers!

Therefore, he couldn't hide his excited hands and said, "Mr. Wade! You are willing to treat me. It is a great blessing for me. Your great kindness is unforgettable!"

Charlie smiled slightly and said seriously: "Mr. Ito doesn't have to be so polite, my style has always been like this, you respect me, I will respect you!"

As Charlie said, he has always been full of grudges.

Not only hatred must be repaid, but also gratitude must be repaid.

For example, Aunt Li in the orphanage, she raised him in childhood, he feels grateful to her and even willing to do anything for her.

Another example is Claire, when he was so down and nothing, she was willing to marry him, and she did not ridicule and insult him like other people, but respected him as a guest. Charlie did not forget this.

Sometimes, it doesn't even need to reach the point of so-called kindness, as long as the other party has enough kindness to him, he will return more kindness to the other party.

Solmon knew when he was lost, Charlie gave him a pill;

Qin Gang was devout, Charlie donated two pills to his family;

Orvel was loyal, and Charlie not only gave him the earliest basic medicine, but also saved his life with the rejuvenating medicine.

Warnia treated him pretty well at the beginning, and had always treated him respectfully, so he was willing to wish her the position of head of the house and rescue her from the overnight raid in Japan.

This is Charlie's code of conduct.

At this time, Charlie thought very simply: Although Takehiko was a bit pretending before, but since he saved Nanako and helped the Ito family through the crisis, he immediately lost his way and knows how to return. It can be said that he is a very current affairs person.

Moreover, this time he is extremely concerned about his visit to Japan and the things Warnia encountered. He really sees this in his eyes.

Since he is in a situation like this, it is within his power to help him recover.

Chapter 2086

After all, there are still a lot of rejuvenation pills, and this thing is of little use to him, but it has a great effect on Takehiko.

He is not a martial artist, and he is not too old. If he scrapes a rejuvenating pill by one-tenth and soaks it in water for him to take it, he will surely restore his health quickly.

As for why he didn't give it to him right now, he mainly wanted to control the rhythm more or less in this matter.

Sometimes, to be generous to others is to be rhythmic.

Although generosity is a good thing, it is like medicine. It can both cure and hurt people.

Just like when injecting drugs, a scientific and reasonable rate of administration must be established according to the properties of the drug and the patient's condition.

It is not good to give the medicine too quickly;

But it's too slow to give, and it's not good!

Giving it soon will often make the other party despise this generosity, and it may cause the other party's mentality.

But slowing down will often make the other party lose patience, drain the original gratitude, and replace it with complaints and dissatisfaction.

The rhythm is just right now. It's not given right away, and it won't be delayed for a long time. Just wait until he finishes Warnia's affairs.

In this way, not only can Ito be grateful, but also he can spontaneously help with Warnia.

Not only can he help Warnia find the real murderer behind the scenes, but he can also help her facilitate cooperation with Nippon Steel.

It is possible to help her turn this crisis into an opportunity.

In this way, Warnia can not only survive the crisis without any risk, but also can use this to find out who is behind the scenes, ensure that everything is safe in the future, and even get a cooperation agreement with very good terms. This is the best of both worlds.

Takehiko, Nanako, and Emi all thanked Charlie respectfully at this time.

Especially Takehiko, his eyes were flushed while thanking him.

Seeing him emotionally, Charlie smiled at him: "Mr. Ito, you should go back to rest as soon as possible. I will tell you in advance when I am ready to treat you."

Takehiko immediately said excitedly: "Okay Mr. Wade! Anyway, I can't thank you enough!"

.....

After Takehiko was pushed away by Emi, only Charlie and Nanako were left in the room.

Nanako took the initiative to move her seat, and sat cross-legged opposite Charlie. While adding tea to him, she asked with a blushing face: "Master has any plans next? Do you want to investigate that Hashimoto's approach? If necessary, I can send a ninja over and monitor him secretly!"

Charlie thought for a while and nodded: "That's okay. After all, I am not ready to stun the snake. If you want to solve this matter once and for all, you must not only find out the master behind the scenes, but also have solid evidence."

After speaking, Charlie said again: "If you have a ninja who you trust and pass the test for you, let him help me monitor Hashimoto's activities. I want to see what he does every day, where he has been, and who he has contact with. And what is the content of contact."

Nanako immediately nodded and said, "Master can rest assured, these are small things, and ninjas can do it, so I will give them orders.

Charlie thanked her and asked her: "Nanako, in your Ito family, how many ninjas can you mobilize now?"

Nanako thought for a while and said, "There are probably fifteen or sixteen ninjas that can be mobilized."

Charlie nodded and said: "By the way, Miss Song's cousin also came to Tokyo. His name is Honor, but I don't know what hotel he is staying in Tokyo. Please I ask you to arrange for someone to investigate. After the result, two more ninjas can be sent to secretly monitor him."

Nanako asked in surprise: "Master, do you suspect that Miss Song's cousin is behind this incident?"

"Yes!" Charlie said gratefully: "This matter, I will trouble you to help me keep an eye on."

Chapter 2087

At noon, in the mountains of Nishitama County.

The weather in Tokyo today is excellent.

Clear sky.

The warm sun rises high in the sky, spreading warmth and brightness over the whole earth.

In such good weather, the visibility is extremely good, so it is especially suitable for search and rescue.

The TMPD searched all night, but did not find any traces related to Warnia, which made the entire TMPD desperate.

The search range, centered on the location of the accident, first spread to five kilometers, and then to ten kilometers, still nothing.

The TMPD decided to expand the search range to 20 kilometers. If it is not possible to search for 20 kilometers, it can only announce that Warnia has disappeared and whereabouts are unknown.

Honor was anxious at this moment.

What he needs now is to find Warnia's body as soon as possible, otherwise he will be unsure of her death, and he will not be peaceful.

Hashimoto Kinzin was also anxious, and now the TMPD has highly suspected that Warnia and her party were deliberately killed, so they have begun to investigate from the scene.

Although Hashimoto's staff have handled the scene very carefully, there is absolutely no perfect crime in this world, no matter how careful and cautious, they will definitely leave clues.

As long as the police find the key clues, they can follow the vine and figure out the whole story.

Until then, no one can escape from the subordinate who actually executed the murder to Hashimoto who gave orders behind the scenes.

Mr. Song, who was far away in Aurous Hill, was still worried about Warnia's whereabouts.

He made several phone calls to Honor all morning and asked about the progress of the TMPD, but Honor gave him no clue.

This also made the old man's mood more and more heavy.

Although he extremely hoped that his granddaughter would be safe and sound, the absence of any news for so long has made him prepare for the worst in his heart.

He knows that the longer the time is delayed, the less chance the granddaughter will return.

So, he hurriedly called Charlie.

As soon as the phone was connected, he choked up with pleading: "Master, please find a way to save Warnia!"

As he said, the old man didn't feel stretched, he was crying.

Charlie hurriedly comforted: "Master, don't worry, I will definitely try my best to help Warnia."

Mr. Song sighed, "Master, you don't know that the honor has gone to Japan overnight, but the whereabouts of Warnia has not been found in Japan, and the three people with Warnia have died. Life or death is uncertain, this...how can I not worry..."

Charlie originally considered whether to tell Father Song that Warnia is safe.

But after much deliberation, he still felt that he had to stop it. Since he said it or didn't tell him, then he wouldn't tell anyone.

Whether it was Mr. Song or anyone else, he couldn't reveal half of it.

So he said to Mr. Song: "Don't worry, Mr. Song, I've already notified my friends in Tokyo to help find Warnia's whereabouts. I will tell you as soon as I have any news."

Mr. Song choked and said, "Master, it's true that I have a very bad premonition this time. Warnia's accident seems to have been man-made, and everyone else has died. Only she is missing. I feel it is very likely that she has been met by an accident, or she is about to meet..."

Charlie said, "Master, there is still no conclusion on this matter, so you don't have to be too pessimistic. I believe that Warnia has her own natural conditions, and they should be able to turn dangers into peace."

Father Song was silent for a moment before he pleaded: "Master, if you can, the old man dare to ask you one thing..."

Chapter 2088

Charlie hurriedly said, "Master, please speak."

Father Song trembled: "Master, I beg you to take time to go to Japan. In this world, I am afraid that only you will have the chance to save her..."

Charlie didn't tell the Song family about coming to Japan by himself.

Therefore, Mr. Song now thinks that others are in Aurous Hill.

But since Mr. Song said so, he didn't conceal it anymore, and said: "Mr. Song, I really don't hide it. I'm in Tokyo right now, and I will do my best for Warnia."

Mr. Song asked in surprise and excitement: "Master, you...are you in Tokyo?! When did you go?"

Charlie said truthfully: "Last night, I heard that Warnia had an accident, so I asked Mr. Issac from Shangri-La to help arrange the plane and flew over."

Mr. Song was obviously relieved, and said gratefully: "Master, Warnia to have a friend like you is really fortunate! You are a person with great magical powers, I believe you will definitely save her."

As he said, he hurriedly said again: "Master, Honor also took some people to Tokyo last night. Or I will let him see you and let him listen to your instructions over there. What do you think?"

Charlie couldn't help frowning when he heard this.

See Honor?

He is not interested.

However, when he thought that Honor was the biggest suspect, Charlie felt that it was okay to see him.

See him and see if this kid will show his feet when facing him.

So Charlie said to Mr. Song: "Old man, let Mr. Song call me, and I will tell him the time and place of the meeting."

Father Song was very excited: "Okay, OK! Master wait a minute, I'll call him, let him visit you immediately! In the future in Tokyo, let him listen to your instructions!"

Charlie snorted and said, "Okay, let him call me."

Honor is worrying about the hotel at this time.

He thought his trip to Japan would be very simple. He would come and claim Warnia's body. Discuss directly with his family about how to take the body back. Then he could go back to Aurous Hill to prepare for the funeral.

After the funeral, give Grandpa the neurological drugs prepared by his father to slowly turn him into Alzheimer's patient, and then he can be raised as a mascot.

However, he did not expect that he planned everything carefully, but he was directly stuck in the first link.

He is here, but Warnia's body is gone...

Just when he was riding a tiger and didn't know what to do next, Mr. Song called.

This is already the eighth call that Mr. Song has made to Honor today.

He looked at the word "Grandpa" on the phone, and couldn't help screaming: "Fck old stuff! Keep calling his mother! He will annoy me sooner or later!"

He scolded, but he still didn't dare to delay a little bit, and hurriedly pressed his phone to answer.

As soon as the phone was connected, Honor immediately seemed to have changed. He said in a respectful voice with a bit of self-blame and a bit of sadness: "Grandpa, sorry, there is still no news from the TMPD, but you Don't worry, I will urge them again!"

Grandpa Song gave a hum and said, "Honor, I called you because I have something to tell you."

Honor hurriedly said, "Grandpa, please tell me what you want!"

Mr. Song said, "Master Wade has also reached Tokyo."

Honor's whole body suddenly exploded in shock, and he blurted out: "What did you say?!"

Chapter 2089

Hearing that Charlie had come to Tokyo, Honor was shaking all over!

He didn't expect him to be in Tokyo!

He knew that Warnia was easy to deal with, and the old man was easy to deal with, but taking on Master Charlie was by no means a good deal!

Therefore, as soon as he heard about this, his whole person suddenly panicked.

The old man Song on the other end of the phone asked him in surprise: "Honor, what's wrong with you? What's the fuss about?"

Honor only then came back to his senses, suppressing the tension deep in his heart, and said: "Grandpa, why did Master come? I can't believe it, is it because of Warnia?"

Mr. Song hummed, and said, "Master is a person of loyalty, and Warnia has always had a good relationship with him. Now that something happened to her, he rushed to Tokyo as soon as possible, which shows how much he values her. With the help of Master, the chances of finding Warnia are much higher!"

Honor is crazy with hatred!

He roared in his heart: "D@mn! Charlie b@stard, what is he doing in Tokyo now!?! He's not at home to spend time with his wife, and what does he come to Tokyo for?! Tokyo can't turn around without him, right!"

Honor is very clear about Charlie's ability.

That's why he worried.

On the one hand, he worried that he would be exposed in front of Charlie; on the other hand, he was also worried about whether Charlie could really find Warnia.

What if he really rescued Warnia?

At this moment, Old Man Song saw that he hadn't responded for a long time, and he asked, "Honor? Are you still listening?"

Honor quickly said: "I'm listening, I'm listening!"

After finishing speaking, he quickly said: "Grandpa, that would be great if Master can come! I feel more at ease in my heart!"

Mr. Song said, "Yes! When I heard Master said that he had arrived in Tokyo, my heart really became more at ease. I believe that with Master, Warnia will surely be able to make good fortune."

Honor can only agree: "Grandpa, you are right. I also think that with him, Warnia will be safe with him!"

Mr. Song seldom laughed twice and said, "Honor, if you hang up later, call him immediately, and then quickly go to meet him. From now on, you must listen to Master Wade for everything in Tokyo. Do you understand?"

Honor said without hesitation: "Grandpa, don't worry, I must look forward to Master's orders!"

Mr. Song said with satisfaction: "If you have this enlightenment, just call Master!"

Honor hurriedly said, "Okay Grandpa! Then I'll hang up first!"

"OK!"

Honor hung up his grandfather's phone, and his whole body suddenly became angry!

Unable to control his emotions, he slammed a punch on the glass coffee table and smashed the tempered glass coffee table to pieces!

At the same time, his right hand was also scratched by the glass, and several bloody holes appeared immediately.

Honor didn't care about the pain at all, his mind was full of anger and tension at this time.

To Charlie, he already hated him, and he thought to himself: "This man! He's too lenient for meddling!"

"I really thought that if someone called you Master, you would really control the air?!"

"The Song family's affairs are his family affairs, why is he so nosy?!"

Chapter 2090

"If it weren't for him to get involved in the first place, it would be impossible for the old thing to go against it and let Warnia's become the head of the Song family!"

"In that case, naturally I wouldn't want to kill her!"

Thinking of this, Honor's eyes were full of hatred, and he whispered to himself coldly: "Charlie, Warnia, you'd better not cause me trouble or engage with monsters, otherwise, I don't care about you Master. , I must find a way to kill you!"

After that, Honor calmed down again, took out his phone, and called Charlie.

As soon as the phone was connected, Honor heard on the other end of the phone, Charlie said: "Hello, hello."

He hurriedly said, "Master? I am Honor Song!"

Charlie said, "Oh, it's Mr. Song."

Honor hurriedly said: "Master, Grandpa called me and said that you have come to Tokyo for Warnia. He asked me to follow your instructions. I don't know where you are now?"

Charlie said, "I am living at a friend's house."

Honor didn't think much, and said, "Master, friend's house may not be convenient and the conditions may not be really good. It's better to stay in a hotel. I am staying at the Aman Hotel Tokyo. If you need, I'll let someone get the best room for you."

Charlie said lightly: "Don't bother, it's quite convenient for me to live in a friend's house."

With that said, Charlie deliberately used the tone of a leader to his subordinates, and ordered: "Mr. Song, I want to meet with you. You can report to me face to face about Warnia and the current investigation progress of this matter."

Honor felt 10,000 upset in his heart, but still said very sincerely: "Okay, Master, you give me an address, I will rush over to meet you now!"

Charlie deliberately wanted to give Honor a disarm, so he said indifferently: "No, didn't you stay at the Aman Hotel? You wait at the hotel for a while, and I will arrange for someone to pick you up and call you when they arrive."

Honor also wanted to say something politely, saying: "Master, how can you be in the next, how troubling for you to send someone to pick me up? It's better for me to come by myself..."

Charlie said coldly: "Don't say much, just wait for the call."

After that, Charlie directly hung up the phone.

Honor on the other end of the phone was already bursting his lungs.

He slammed the phone on the carpet and yelled: "fcuk! Who the hell do you call Mr. Song? I ask you to call, so you dare to call? Is Mr. Song your servant?"

After finishing speaking, he roared angrily: "D@mn! Let me see you? Why are you so fcuking boastful? If you have a friend in Tokyo who can have a place to stay for a night, it's not you who are awesome. What a fcuk!"

However, even though Honor has been scolded, he still sees it clearly in his heart.

"Even if I am dissatisfied with Charlie's 10,000 times, I must honestly meet him and obey his instructions. At the very least, I have to pretend to be very cooperative on the surface..."

"Otherwise, if he notices something wrong with me, wouldn't I be finished?"

"Charlie's temper is notoriously bad. He and my sister have never been clear. If I let him know that I killed my sister, maybe he will kill me directly in Japan. Everything is cold..."

At this moment, the residence of the Ito family.

Warnia is still resting, Nanako has been with Charlie.

Charlie ended the call with Honor, and said to Nanako next to him, "I have to trouble you to do me a favor again."

Nanako hurriedly said, "Master, please give orders!"

Charlie smiled slightly and said: "I'm going to trouble you to send a team to help me pick someone up here. The team should be as grand as possible, the grander the better!"

Chapter 2091

When Nanako heard Charlie's request for a grand team, she immediately smiled and said, "Master, isn't the team a bit grand enough? Or I would just send a few helicopters over!"

Charlie smiled slightly, "Is this guy staying at the Aman Hotel in Tokyo and arranging a helicopter in the city center, isn't it inappropriate?"

Nanako smiled and said seriously: "Master, this little thing is not inappropriate for the Ito family. If you want, you can leave this to me to arrange it. I will definitely not disappoint you!"

Charlie thought about it for a moment, then nodded and agreed, and said with a smile: "Then I will trouble you for help. I have only one purpose, to completely shock him."

Nanako smiled and said, "Master can rest assured, I will give him a vivid and realistic education class!"

.....

Aman Hotel.

Honor asked his beautiful assistant to put a few band-aids on his hands.

This girl is not only his assistant, but also his lover, but also his confidant.

After helping Honor to deal with the wound, she said distressedly: "Mr. Song, you should never be so impulsive in the future. You can't make fun of your body anyway!"

Honor said with a gloomy expression: "You don't understand, it's not that I'm too impulsive, it's that Charlie is too tricky. It's a huge trouble for me to stay in Tokyo!"

The assistant hurriedly said: "Mr. Song, it's actually not that difficult to deal with such a person? Let Hashimoto first summon a few killers and find a chance to kill him."

Honor waved his hand and sighed: "Oh, you don't understand, you don't know what Charlie is capable of. This person is quite capable, and most people are not his opponents."

"Furthermore, if you rush to trouble him, you will most likely expose yourself in advance. In that case, you will lose more than you gain."

The assistant asked, "Mr. Song, what should we do now? Is it like the old man said, you should follow his arrangements?"

Honor nodded, and said coldly: "There is no other way but to cooperate with him superficially, and hope that he will not discover me."

As he said, he sighed, and said without a word in his heart: "I just don't know if I can remain calm in front of him. This person is very shrewd, and if I am careless, he might be able to see it."

The assistant hurriedly said, "Mr. Song, you are the person with the best psychological quality I have ever seen. I believe that you will definitely not expose any flaws."

Honor nodded slightly: "I hope!"

As he was talking, Honor's cell phone rang suddenly.

On the phone, a woman's voice came: "Is this, Mr. Honor Song?"

Honor snorted and said, "Yes, it's me."

The woman said: "Hello Mr. Song, I am sent by Mr. Wade to pick you up. Are you ready to go?"

Honor said: "I'm ready, where shall we meet?"

The woman said, "You should be staying at the Aman Hotel, right?"

Honor said: "Yes, I am in the presidential suite of the Aman Hotel."

Honor deliberately said the two words presidential suite, just to find a sense of superiority in front of the other party.

He knew that Charlie had some skills, but he also felt that Charlie's skills should only be useful in Aurous Hill. If he leaves Aurous Hill and arrives in Japan, he will definitely be discounted.

Therefore, he instinctively didn't look at the friend in Charlie's mouth.

In his opinion, it is impossible for Charlie to make friends with high-ranking officials in Japan.

It is estimated that the other party is at most a middle class in Tokyo.

Chapter 2092

The woman on the other end said calmly, "Since Mr. Song lives in the Aman Hotel, please move to the rooftop now."

"Rooftop?" Honor frowned: "What do you want me to do on the rooftop?"

The woman said, "The helicopter is waiting on the rooftop."

"Helicopter?" Honor's expression was a little surprised, but also a little despised.

He thought to himself: "This Charlie and his friends are really boring. There are some helicopters to pick me up in the city. It's a little bit of money. Don't you know where to spend it? Rent a helicopter. I think I'm really awesome? This bit is really too low, right?"

Thinking of this, he smiled contemptuously, and then said very politely: "If this is the case, please wait a moment, I will come up."

"Well, I am waiting for Mr. Song on the rooftop."

After Honor hung up the phone, he immediately laughed contemptuously: "Humph, Charlie is really interesting, I said I'm going to find him, he has to let me wait for his friend to pick me up, and he has to get a helicopter. Does it make sense to come and pick me up? Have I never seen the world? With a helicopter, he wants to bluff me?"

The assistant smiled slightly: "In my opinion, Mr. Song, this Charlie is nothing but the light of fireflies, so he is so embarrassed to compete with you like the sun and the moon. He doesn't know what to do!

Honor sneered: "Oh, if you want to talk about him, he still has some ability, and nothing else, the rejuvenation pill in his hand is really a fcking good thing! I really hope to see it. I can have one when I am old..."

As he said, Honor sighed and waved his hand to the assistant: "Okay, let's not talk about it, you come to the rooftop with me."

"OK President Song!"

Honor took his confidant assistant to the rooftop of the Aman Hotel.

At this time, a heavy black helicopter was parked on a helipad on the rooftop.

When Honor saw the helicopter, he was a little surprised and said: "Oh, to pick me. Charlie and his friend are really willing to pay for this. This super cougar helicopter has an ex-factory price of more than 1.5. With a little modification, the price will exceed 200 million. Such a helicopter can cost hundreds of thousands for a short flight."

The little assistant smiled and said: "To spend hundreds of thousands to pretend to be forceful in front of Mr. Song. This man is really blind!"

"Yes." Honor sneered: "Have you seen the four letters on the fuselage of this plane?"

The little assistant looked at the eye-catching white letters on the black fuselage and read them one by one: "itou? Mr. Song, what does this mean? There seems to be no such word in English."

Honor said with a smile: "This is not an English word, it is the Roman sound of Japanese. The four letters of itou, pronounced in Roman sound, should be pronounced as 'yito'."

"Yito?" The assistant frowned, "What does this mean, Mr. Song, it sounds weird."

Honor said seriously: "You, there are really few people in the world. The Japanese corresponding to these four letters means Ito, which means that this aircraft belongs to the largest family in Japan, the Ito family."

"Ah?!" The little assistant exclaimed, "Is it the plane of the Ito family?! My goodness, does Charlie know someone from the Ito family?!"

Honor curled his lips: "Just rely on him? I know people from the Ito family, is he worthy?"

The little assistant asked in surprise: "Then what's going on with this plane?"

Honor said with a smile: "You don't know anything about it. The industry of the Ito family covers all walks of life in Japan. The family has its own general aviation company called 'Ito General Aviation'!"

"Ito General aviation?"

"Yes! It's Ito General Aviation!" Honor explained: "This general aviation company is mainly engaged in short- and medium-distance navigation. It has more than 200 various aircraft under its umbrella, including more than 100 helicopters, which is very powerful!"

"I guess Charlie and his friend rented this helicopter from Ito General Aviation!"

The little assistant nodded and said with a smile: "So that's it! You said that this plane belongs to the Ito family, which really shocked me. You thought Charlie's friend was from the Ito family."

Honor sneered: "I just said that he doesn't deserve to know someone from the Ito family! The Ito family is now in Japan, which is equivalent to the Su family in our country. Charlie, a guy who relies on feng shui and dances, even he is not worthy to give shoes to the Ito family!"

Chapter 2093

In Honor's heart, the status of the Ito family is indeed very high.

After all, this is the largest family in Japan, and it has just survived the fierce battle of the three major families in Tokyo. In this regard alone, the future of the Ito family is limitless.

Therefore, Honor did not believe that Charlie could have any actual relationship with the Ito family.

It must be him or his friend who spent money to rent a helicopter owned by the Ito Family General Aviation Company.

So he took his little assistant and walked to the helipad.

Standing by the helicopter was a beautiful lady wearing a blue flight attendant uniform. Seeing the two approaching, she looked at Honor and said respectfully: "You should be Mr. Song, right?"

Honor nodded, and said arrogantly: "Yes, it's me, are you responsible for picking me up?"

The beauty smiled slightly and said, "Yes, Mr. Song, Mr. Wade and our eldest lady are waiting for you at home now, please board the plane with the lady."

Honor hummed: "Master is so polite. In the urban area, you don't need to take a helicopter at all, can't you just take a car?"

The beauty said indifferently: "Mr. Song, our eldest lady said, be more solemn when picking you up."

Honor shook his head and smiled, and thought to himself contemptuously: "Send a helicopter here to be grand? Do you think I'm a bunny who has never seen the world? Our Song family is also worthy of private jets and private helicopters. All have this stuff in my eyes. It's nothing great."

However, since it is the helicopter sent by Charlie, he naturally did not dare to say such dismissive remarks in person, so he said very politely: "If this is the case, then let's leave now."

After that, he took his assistant and got into the heavy helicopter.

This helicopter was originally able to carry at least 20 people, but now the cabin has been completely transformed into a luxurious room, just like a top luxury RV.

Honor sat down on the sofa of the helicopter and asked the beauty: "I don't know where Master is, how far is it from here?"

The beauty smiled and said, "It's almost fifteen kilometers."

"Fifteen kilometers?" Honor said helplessly, "Isn't it just a few minutes away?"

The beauty smiled and said, "It takes a few minutes to fly, it takes about half an hour."

"What? Half an hour?!" Honor said dumbfounded: "Fifteen kilometers, even if you pedal a bicycle, you can get there by pedaling faster for half an hour. The speed of this helicopter can't be slowed to this point, right? ?"

The beauty smiled and said: "Mr. Song doesn't know something. In order to show the importance of you, our eldest has specially arranged a sightseeing route. You will know later."

Honor asked a little puzzled: "Could I ask who your eldest lady is?"

The beauty shook her head and said apologetically: "I'm sorry, Mr. Song, we can't tell you the identity of our eldest lady yet, but when we get to the place, you will naturally know."

Honor nodded and said, "Okay..."

Having said that, he also muttered in his heart: "I don't know what kind of medicine Charlie is selling in the gourd? I'm free to get a helicopter, what's the trouble here?"

At this time, the beautiful woman said, "Mr. Song, our helicopter is about to take off. Please put on the intercom headset and buckle your seat belt."

"OK."

Honor nodded, put on the intercom headset, and buckled the seat belt.

Since loud noise is generated when the helicopter is in operation, it is impossible to hear each other in a normal conversation in the cabin.

In order to solve the problem of communication in the cabin, all the crew and passengers on the helicopter wear headphones with very good sound effects. Wearing headphones can not only isolate the sound of the engine, but also use radio to ensure each other's call.

Once the helicopter gets up, they can only communicate with each other in this way.

Chapter 2094

At this time, the helicopter engine turned slowly, then accelerated continuously, and soon began to slowly rise.

Honor thought: "I can also take this opportunity to take a look at Tokyo under the sky."

As he was thinking, he heard the beautiful woman's voice in the headset, and she said, "No.2 and No.3 take off, No.4 and No.5 start the engines, No.6 and No.7 start to prepare!"

Honor was still a little puzzled, and he thought to himself: "What is No. 2, No. 3, No. 4, No. 5? What is this girl talking about here?"

Just wondering, the assistant on the side pointed to the roofs of the other two buildings on both sides of the window, and said in surprise: "Mr. Song, there are also two helicopters flying on the roofs of those two buildings, exactly the same as the one we are sitting on!"

Honor turned his head to see, as expected!

Two identical helicopters take off at the same time and simultaneously on the left and right sides.

These two planes are not only the same as the model they are flying in, they are all Super Cougar, but also the fuselage painting is the same, both of which are painted by Ito General Aviation.

Honor asked the beauty in surprise: "These two planes are also yours?"

The beauty nodded and smiled: "They will accompany you all the way."

Honor was stunned: "What is full flight companionship?"

The beauty smiled and said: "It is to accompany you throughout the flight, just like the front and rear cars of the convoy."

Honor's expression was a bit stunned and said, "Uh... is this really necessary? Master won't be too expensive, right?"

The beauty said calmly: "Don't worry, Mr. Wade doesn't have to pay a penny."

Honor nodded, and thought to himself: "Needless to say, Charlie should have found another bully in Tokyo..."

As they were talking, the two helicopters had risen to the same height as them. After that, the two planes followed the plane Honor was riding in, and the three planes moved forward at the same speed.

Just one kilometer after flying out, Honor's assistant pointed to the two buildings on both sides and said, "Mr. Song! Two more planes on both sides!"

Honor took a closer look and was shocked!

This is five! is this necessary?

Just after speaking, the assistant pointed far away and blurted out: "Mr. Song, there seem to be black helicopters on the roofs of the two buildings in front!"

Honor looked in the direction of her fingers, and indeed there were two black things the size of ants at a distance of one kilometer away.

Honor carefully identified the two black objects parked on the top of the building. They really looked like the same helicopter he was riding in!

I was surprised that the two helicopters that took off just now have arrived.

The fleet has changed from three to five.

Soon, the black things that were like two ants became bigger and bigger in Honor's vision, and it was easy to recognize them. They were indeed two helicopters.

Subsequently, the two helicopters also began to take off.

The fleet has changed from five to seven.

At this time, Honor had a numb scalp.

He doesn't understand, what exactly is Charlie doing? Just pick him up, is it necessary to make it so grand?

As he was thinking, he heard the beauty say on the walkie-talkie: "The efficiency of taking off in twos is too low. Let's start four at a time!"

Chapter 2095

Seeing that four helicopters really took off, and the fleet quickly expanded to nearly twenty all the way, Honor felt like a fight!

He didn't understand, so he thought to himself: "What the hell is doing? Sending 20 helicopters for more than ten kilometers of roads, this is too incredible, right?"

"Also, where does Charlie's friend from Tokyo come from?! Renting twenty helicopters also cost a lot of money. Is it a waste of money to burn?!"

At this time, the citizens of Tokyo were all startled by the echelon of helicopters whizzing by in the sky, one by one stopped and looked up, thinking that something big had happened, or something extraordinary was coming.

The more Honor couldn't guess Charlie's motive, the more he felt guilty.

Although he and Charlie are not familiar, nor can they talk about friends, at least they are acquaintances. If you meet between acquaintances, shouldn't it be an appointment and then go separately? Charlie suddenly made this appearance, what does it mean?

At this time, on the top floors of the high-rise buildings on both sides, new helicopters are constantly taking off and joining them.

Soon, the total number of helicopter echelons exceeded thirty.

Honor has never experienced such a battle in his entire life, and his heart is a little hairy!

Moreover, he did not have the initial contempt in his heart.

Subconsciously told him that Charlie seemed to be much better than he thought, including his Japanese friend whom he had never met. First URL m. kanshu8.net

Maybe, the other party is still a big local in Tokyo!

More than 30 helicopters circulated idling over downtown Tokyo, and finally hovered over a private estate.

At this time, Honor discovered that the thirty or so helicopters around him had become a circular layout, enclosing his own plane in the middle.

As for his own plane, it was slowly descending at this time.

Honor looked down at the huge estate below, and asked the beauty in surprise: "Excuse me, where is this?"

The beauty said: "Back to Mr. Song, this is where our eldest lady lives."

Honor doesn't know where the Ito family's mansion is, so he can't recognize who owns the mansion directly below.

However, looking at the location, area, and architectural style, you know that this is definitely not an ordinary home.

As the helicopter slowly descended, Honor's heartbeat became faster and faster.

He hurriedly thought in his heart: "Charlie's friends in Tokyo have such a strong family background, and their energy must not be underestimated. If Charlie asks them to help investigate Warnia's affairs, then maybe he is really going to explode!"

Before, Honor still felt that even if Charlie came to Japan, it was meaningless. He was unfamiliar with the place in Japan. He didn't know what he did. He didn't have enough contacts and human help. He wanted to find Warnia's whereabouts or investigate The cause of Warnia's death is as difficult as reaching the sky.

This is true for most people.

Everyone's abilities have obvious geographical restrictions.

For example, Orvel, is an underground emperor in Aurous Hill, no one dares to provoke him, but as long as he leaves Aurous Hill, even if he is in Suzhou, his influence will be greatly reduced.

If he were to come to Tokyo, with his little influence in Aurous Hill, any rich would dare to slap him in the face.

This is because most of Orvel's abilities can only be brought into play when he is in Aurous Hill. The farther away from Aurous Hill, the smaller his abilities.

Honor originally thought that Charlie must be the same.

Charlie was screaming in Aurous Hill because there were a lot of local bigwigs who had good looks in Aurous Hill.

But once he leaves Aurous Hill, his influence is bound to decline drastically.

If he really came to Japan to investigate Warnia's affairs, he might not even be able to find a three or five assistant.

But now, Honor finally realized how ignorant he was.

Chapter 2096

Because he discovered that Charlie seems to have an extraordinary relationship in Japan!

The helicopter landed on the lawn in the back garden of the Ito family.

As soon as the helicopter landed, twenty men in black suits ran over neatly.

Then, twenty people stood on both sides of the hatch, very mighty.

At this time, the beautiful lady in the helicopter opened the hatch, jumped down first, and then said to Honor: "Mr. Song, please!"

Honor swallowed with some difficulty, while drumming in his heart, he stepped out of the helicopter nervously.

The beauty said: "Mr. Song, please come with me. Mr. Wade and our eldest lady are already waiting in the living room."

Honor hurriedly asked humbly: "Beauty, can I dare to ask, who is the eldest lady in your family?"

The beauty smiled and said: "Our eldest lady's identity, when you see her later, she will definitely tell you in person."

Honor pretended to smile indifferently, but in fact he became a dog in panic.

He could see that such a mansion, in such a good location in Tokyo, is worth at least tens or even tens of billions of yuan. The family that can have such a mansion should be much stronger than the Song family!

At this time, the beauty gestured at him with a gesture of invitation, and said with a smile: "Mr. Song, please here."

Uneasy Honor could only nod his head, biting his head to follow.

He followed the beauty through the back garden of the entire Ito family mansion, and then through the long corridor to the door of a Japanese-style room.

The beauty said to him and his assistant: "Two, please wait a moment, I'll go in and report."

Honor nodded hurriedly: "Please... let's wait at the door first..."

The beauty entered the door and said to Charlie and Nanako who were drinking tea cross-legged in front of the tea table: "Mr. Wade, Madam, the guests are here."

Nanako nodded and said lightly, "Please let them in."

The beauty immediately said: "OK, lady!"

After that, she came to the door and said to Honor: "Mr. Song, please come in."

On the side, Honor's assistant asked Honor in a low voice: "Mr. Song, am I going in too? I'm a little nervous, so I'm not going..."

Honor saw her look very flustered, knowing that she might have been frightened by the unbelievable large formation of the other party, so she dared not go in.

He sighed inwardly: "Are you a little nervous? Did you know that I am also panicked now!"

However, he also knew that the assistant could still retreat, but he could not do it, so he had no choice but to say: "Then you wait for me outside."

The assistant heaved a sigh of relief, and nodded hurriedly, as if she was granted a pardon.

Honor mustered up the courage at this time and stepped into the door.

As soon as he entered the door, he saw Charlie tasting tea at the tea table.

At this moment, Charlie was still the same as before, with a calm face, seeing Honor coming in, waved his hand slightly at him.

Opposite Charlie, there was also a young-looking Japanese woman who was wearing a Japanese-style kimono. She looked not only extremely beautiful, but also gentle and elegant.

Honor recognized this woman at a glance!

At this time, the stormy sea had already turned up in his heart, and he muttered to himself: "This...this woman...this woman is not the eldest lady of the Ito family, Nanako, known as Yamato Nadeshiko. Is it... Is it that the local friend Charlie said is her?!"

Chapter 2097

Honor felt at this moment that his outlook on life, values and world outlook were completely subverted in an instant.

He didn't expect Charlie to have a relationship with Miss Ito.

What's more terrifying is that the eldest lady of the Ito family is wearing a kimono, kneeling across from Charlie, and pouring tea to him respectfully like a waiter.

This is simply incredible!

Honor wailed desperately in his heart: "What the hell is this? Do the Japanese also believe in the feng shui metaphysics? Otherwise, how did Charlie flick Nanako?"

Just when his mind was full of shock and surprise, Charlie saw him come in, as if he had seen a friend's son, smiled and waved at him and said, "Oh, honor, come on, please sit down."

Seeing Charlie's calm face, Honor was even more puzzled, and wondered: "Charlie has such a good relationship with Warnia, why did Warnia have been missing for so long? Charlie came to Tokyo, but instead of looking for someone So calm, drinking tea in the Ito family mansion?"

Although Honor was puzzled in his heart, he bit his head and came to Charlie's front and said respectfully: "Hello, Master!"

After speaking, he looked at Nanako and said politely: "Hello, Miss Ito. Please take care of me for the first time.

Nanako smiled slightly and said, "Mr. Song knows me?"

Honor nodded: "You are so well-known, how could I not know you."

Nanako smiled generously and stretched out her hand to signal: "Mr. Song, please sit down, just have a taste of the Japanese tea ceremony and see if it suits your appetite."

Honor hurriedly waved his hand and said, "Miss Ito is really too polite. This time, I came to listen to Master's instructions, so I just want to stand here."

Charlie faintly waved his hand: "It's honor, I've known your grandfather, you don't need to be so cautious in front of me, since Miss Ito let you sit, then you sit."

The tone of Charlie's words made Honor very disgusted.

He could hear the feeling of being elevated in Charlie's mouth.

This made his heart very upset.

But at this moment, he didn't dare to disobey Charlie halfway.

After all, Charlie is a guest of the Ito family, and this amount of gold is too great.

So he hurriedly said respectfully: "Since Master said so, it's better to be respectful."

After all, he just sat down beside Charlie.

After sitting cross-legged, Honor was in a state of anxiety, always wondering what kind of medicine Charlie sold in the gourd.

At this moment, Charlie asked, "Honor, what do you know about Warnia? Tell me."

Honor felt a little bit in his heart, but on the surface, he tried to control it as natural as possible, and said, "Master is like this. Some time ago Warnia wanted to cooperate with Nippon Steel in Japan, so she brought people to Japan to start a follow-up. Nippon Steel was negotiating, but something happened suddenly last night. The commercial vehicle she was riding in crashed into a cliff in the mountains of Nishitama County. The other three people in the car died on the spot. Warnia is currently missing.... .."

Charlie nodded, looked at him and asked, "What did the Tokyo Metropolitan Police say?"

Chapter 2098

Honor was a little guilty when Charlie saw that, he hurriedly lowered his head and pretended to respectfully say: "Master, the TMPD has sent a lot of people to search in Nishitama County, but yet to find Warnia's whereabouts."

As he said, Honor hurriedly added: "However, they are increasing the police force to expand the search range, hoping they can find valuable clues as soon as possible. Of course, it is best to find Warnia's whereabouts as soon as possible.

Charlie waved his hand and said faintly: "I am not asking this. I am asking the TMPD. Is there any definition of this matter? Is this fall from the cliff an accident or not? Or was someone deliberately murdered?"

Hearing the four words of deliberate murder, Honor immediately became nervous.

He felt that cold sweat had begun to ooze from his back, and he was wearing his jacket, so it was not easy to be seen.

In fact, the TMPD already has a clear definition. They think this incident is a deliberate murder, because the scene of the accident was obviously handled by humans.

However, they have not found any valuable clues.

Now that Charlie asked so bluntly, Honor's heart became more and more panicked.

He originally thought that Charlie was alone in Japan and couldn't get over the storm in Tokyo, but now it is different. The relationship between Charlie and the Ito family is so good. As long as he has a word, the family will do everything they want in 1000 ways to help him investigate this matter.

The Ito family is very strong in Japan. Once they intervene, it is very likely that they will go slant and find out the truth faster than the police.

Honor was nervous and didn't know how to respond to Charlie's question.

And Charlie also asked at this time: "Honor, why don't you speak?"

Honor recovered and hurriedly said, "Oh, I'm really sorry Master, I just thought about Warnia, and also worried about her safety, so I was a little distracted..."

After speaking, he sat up straight and said truthfully: "Master, the TMPD defines this matter as the possibility of deliberate murder, but because no valuable clues have been found. So the specifics are to be determined based on further investigation, as for the murder, it is just a guess."

Charlie nodded, and said coldly: "TMPD is a notorious waste. Some time ago, Tokyo's public security was so poor and there were so many major and important cases. The TMPD has not solved all those cases. So if Warnia counts on them, I don't know if I have to wait until the year of the monkey."

Afterwards, Charlie pointed to Nanako and said to Honor: "Honor, Miss Nanako has a deep friendship with me, and I have some connections with the Ito family. I believe you

have heard of their strength in Japan. With the help of Miss Nanako, I believe that our search for Warnia should be faster than the TMPD.”

Nanako immediately said respectfully: “Master, please don’t worry, as long as you say a word, the entire Ito family will be dispatched for you!”

Nanako’s words made Honor panic.

He knew very well that judging by the strength of the entire Ito family, even if they could not find the living Warnia, they would definitely be able to find out the truth of the matter.

Moreover, just now the Ito family had so many helicopters to pick him up with great momentum, which is enough to show that the Ito family is very attentive to any instructions of Charlie.

It can also be imagined that once Charlie speaks, the Ito family will definitely go all out to find Warnia’s whereabouts and the whole thing.

By then, everything will be over...

Honor’s heart was desperate at this time.

A thin layer of sweat has even poured out of his forehead.

Charlie saw all his reactions in his eyes and became more and more certain in his heart that Honor definitely had a big problem!

Chapter 2099

At the moment Nanako expressed his attitude to Charlie, Honor had already begun to plan to leave Japan as soon as possible.

He knew that as long as the Ito family intervened, he would be exposed soon.

If at the moment of exposure, if you are still in Japan, you basically don’t have to want to go back alive.

Because he knew that Charlie would definitely not let him go!

The only way at the moment is to leave Japan and get rid of the old man before he is exposed, and take over the entire Song family completely.

As long as he can take over all the assets of the Song family, he can break away from Charlie.

After all, the Song family's assets of one or two hundred billion can not be resisted by Charlie, a so-called Master!

Seeing Honor next to him, Charlie looked a little restless, and deliberately asked: "Honor, how come you look absent? Is there any physical discomfort?"

Honor hurriedly waved his hand and said, "No, Master, I'm just a little worried about Warnia. She has been missing all night. I am afraid that the more delay, the less chance of her survival..."

Charlie looked at him and said seriously: "Don't worry, as long as I am here, Warnia will never die."

Honor pretended to be pleased and said: "That's great! Master, it's all up to you if you can find Warnia!"

When he said this, Honor's heart was viciously cursed: "Even if Warnia is really alive, I will definitely kill her, even if you Charlie stand in front of me, it's useless! As long as I Song The honor is, Warnia is not allowed to live, she must die!"

At this time, Charlie said: "If you are honored, go back to the hotel first, and look for Warnia's affairs. You don't have to intervene. Stay in the hotel and wait for my good news."

Honor was a little surprised at once, and thought to himself: "What do you mean? He sent dozens of helicopters to pick me up, and just said a few words, let me go? A phone call or even a WeChat can solve it, so why bother?!"

However, although Honor was puzzled, he didn't dare to have any disobedience. He hurriedly stood up and said seriously: "Master, since this is the case, then I will leave first..."

Charlie nodded and said, "Don't run around in Tokyo these days, just stay in the hotel and wait for my news."

Honor quickly said: "Okay Master, I will be waiting for your news at the hotel these few days!"

Nanako spoke at this time: "Since Mr. Song is going back to the hotel, I will let the helicopter take you back."

Honor said flatteredly: "Ms. Ito is really too polite. It's not far from the hotel. I can just go out and take a taxi. I won't bother you to arrange a helicopter."

Nanako said earnestly: "Mr. Song is Master's guest, and that is the distinguished guest of my Ito family. The Ito family has never allowed the distinguished guests to take a taxi and leave by themselves, so I should ask Mr. Song to return by helicopter."

Honor nodded, and said with a little embarrassment: "Miss Ito, it's okay to go back by helicopter, but you really don't need to send so many helicopters. It's too wasteful, one is enough..."

Nanako smiled slightly: "Mr. Song doesn't have to be so polite. The reason why so many helicopters are sent to pick you up together is also because the Ito family attaches great importance to distinguished guests."

Honor had no choice but to say: "Then I will follow Miss Ito's arrangement."

Nanako nodded, looked at her assistant and asked her to send Honor.

Chapter 2100

As soon as Honor left, Nanako hurriedly said to Charlie: "Master, your intuition is really accurate. After meeting, I also think there is a problem with Honor!"

Charlie said coldly: "As long as people with a guilty conscience, no matter how strong their psychological quality is, they will definitely expose some flaws. Honor will obviously become nervous after seeing you. This must be because he is afraid of the Ito family. Strength, knowing that once the Ito family intervenes, this matter will surely be revealed, so he must be frightened in his heart."

After speaking, Charlie said again: "I think Honor will most likely run away soon after this incident. You must let your ninja watch him closely, and never let him run away!"

Nanako nodded and said, "Although Master can rest assured, I have already arranged everything. When Honor comes, my ninja has already rushed to the hotel, and they will monitor Honor in all aspects!"

Charlie smiled with satisfaction and said, "If he has other accomplices, the first thing he does after he returns to the hotel must be to get in touch with his accomplices. Then you must eavesdrop on all his calls to find clues!"

.....

During the flight back to the hotel, Honor was always a little restless.

After such a major change, he himself has lost his backbone, and all hopes are pinned on his father Tianming.

He can't wait to contact Tianming and tell him what happened here.

However, since he was still sitting on the helicopter of the Ito family, he could only resist this impulse and wait until the hotel.

On the way back, dozens of helicopters were still roaring and escorting him.

Outsiders seem to be very aggressive, but they put a lot of pressure on Honor.

The strength of the Ito family was undoubtedly revealed in this short flight.

According to Nanako's assistant, the Ito General Aviation Company, owned by the Ito family, has taken over 80% of Tokyo's high-rise aprons.

Usually, their helicopters do not stop at the airport, but on the top aprons of Tokyo's high-rise buildings.

The advantage of this is that once there is any demand, the helicopter closest to the demand location can take off quickly.

That's why, when he came here, Ito family helicopters took off from the top of each building.

The more the Ito family showed their muscles in front of him like this, the more frightened Honor became.

Back at the Aman Hotel, the first thing he did when he entered the room was to immediately take out his mobile phone and call Tianming.

At this time, Tianming had just landed in Aurous Hill after more than ten hours of flying.

After the call was connected, Honor's first sentence was: "Dad! I will soon be exposed. Neither in Tokyo nor in Japan can I stay for long. I plan to return home quietly tonight. You will also get rid of the old stuff as soon as possible!"

Tianming was shocked and blurted out and asked, "What's the matter?! What happened?!"

Honor said in a crying voice: "It's Charlie! That guy is too D@mn strong! Dad, you can't imagine that Japan's largest Ito family completely treats him as their father! Charlie said to look for Warnia. , The Ito family immediately stated that everyone in the family can be dispatched by him! I don't know what the hell does Charlie has, do these people have brain problems or what, it's beyond my comprehension?!"
