

Chapter 2013– 2014 of A Dish Best Served Cold Novel

Chapter 2013 Chu Family Erlang, Must Promise

Mark's departure made Wu Yang extremely regretful.

I regret that I didn't listen to Lu Tianhe's suggestions, but instead believed Orell Lin's nonsense.

It's all right now, I lost my wife and broke down.

If Wei Qing was beaten and disabled, even Mark was forced away by them.

"Huh, are you satisfied with this result now?" Lu Tianhe also became more and more angry, and finally snorted at Wu Yang and Orell Lin and went away angrily.

"Presumptuous!" "Lu Tianhe, what is your attitude?" "How dare you be so rude to the commander-in-chief?" Orell Lin was still cursing there.

However, Wu Yang glared at him: "Okay, why don't you shut up for me!" "Isn't it messy enough?" "I was blind just now and I believed your nonsense."

The disciple?" "What the hell is this."

Wu Yang cursed, and left with an iron face.

Nowadays, Wuyang is naturally depressed.

The only way now is to think about how to save Mark.

However, just when Lu Tianhe and the others were preparing to repeat the old tricks and let Mark's cousin Denren be a lobbyist, leading Wu Yang to apologize to Mark personally, who would have thought that Mark would come back by himself the next day .

"Mr. Chu Chu, are you not angry anymore?" Lu Tianhe and the others were shocked and asked in surprise.

All of them were stunned in place, dumbfounded.

Obviously, Mark returned the carbine and killed them by surprise.

They thought it would take a lot of effort to invite Mark back.

But who would have thought that Mark would come back by himself.

“Why, are you not welcome?” Mark raised his eyebrows and said angrily.

“Welcome, welcome, of course.”

“Quickly, Mr. Chu, please come inside.”

“We’ll go and notify the commander so that he can canonize you immediately!” Lu Tianhe and Fang Shaohong are crazy, and this happiness is inevitable. It came too suddenly.

But how did they know that the reason why Mark came back was completely beaten back by the old lady.

“My Chu Jiaerlang, I must promise!” “If you say it is good to train the team, how can you say it without trust. “The commander of the family has apologized to you personally, what do you want?

“

“Now let me go back to work!” This is what the old lady said to Mark last night.

Perhaps Wu Yang’s contempt for Mark was a bit rude.

But this is also human nature. After all, who would think that a teenager in his twenties is so awesome?

Therefore, the old lady felt that Wu Yang’s initial prejudice was understandable.

Moreover, Wu Yang later apologized humbly, and Mark should definitely borrow Poxia Donkey and stay as the instructor!

Now that Mark slipped back waywardly, the old lady was naturally dissatisfied.

In the end, Mark succumbed under the majesty of the old lady.

I promised to go back to report on work, but only if I go back tomorrow morning and sleep in the old house tonight.

“Also a lot to accompany your elderly.”

Mark smiled.

The old lady gave him a fierce look.

“Still with me?” “I think you are thinking about other people’s charm, right?” “You can’t wait for a dull thing!” “Grandma, what are you talking nonsense?” Hearing this old lady, beside After the rhyme, a pretty face blushed.

The alluring blush extends from the neck to the base of the ears.

The old lady knew that she had missed her words, and quickly found an excuse to leave.

“Ahem~” “Well, I’ll go out for a walk with the dog. You guys talk.”

Although the old lady is not young, he still runs quickly.

It was gone after a while.

In the room, there was only a shameful aftertaste, a pair of beautiful eyes like swords, staring at Mark, the cold and angry voice, like a precursor to murder.

Chapter 2014 Croven Li’ s Ambition

“Mark, but you told your grandma?” “Damn, no, don’t squirt.”

Mark explained quickly.

However, how could Yu Yun believe his pale explanation?

“Ciao, I’m going to walk the dog.”

Seeing that Mark couldn’t explain clearly, he quickly found an excuse and slipped away.

But, to be honest, Mark’s return tonight is indeed to cultivate the Dragon God Body with Yu Yun.

After all, this is the business!

As for going to the military area as an instructor, it was just a matter of passing.

With the lessons of yesterday, this time Wu Yang and others would undoubtedly dare not neglect Mark.

On the same day, it was announced that Mark was appointed the 16th chief instructor of the Noirfork Military Region, and he had full authority to preside over the formation of a special team, codenamed Qinglong!

Moreover, Feng Markwei, the rank of major general!

The dream that Denren pursued all his life, Mark had already achieved when he was 21 years old.

“Haha~” “Mr. Chu, after today, you will be the youngest general in the army.”

“The former Huo Qubing was 21 years old, and he was named the wolf in Xu. Today, Mr. Chu is 21 years old, and he is entitled to worship!” “The posterity is terrible~” Walking on the road of the military area, Lu Tianhe and the others admired Mark, and did not hesitate to say something about their beauty.

But Mark didn't take it very lightly. Facing admiration, he coldly replied: “These polite words, don't need to say in the future.”

“Now, first give me the list of candidates for the special teams.”

“Then. , Let the notification go on, let those people gather at the training ground this afternoon!” Mark is resolute, his time is limited, and he is ready to start the special training immediately.

Lu Tianhe had to let someone arrange it.

“By the way, Mr. Chu, I have something with Shaohong these days, so I have to go back to Gritsberg.”

“I'll leave it to you here.”

“By the way, Yu Yan is your cousin, right? Yes. No, let me say hello and transfer her to you to assist you?” Lu Tianhe said thoughtfully.

“No need. Moreover, she and I are no longer brothers and sisters.”

In the light words, Mark has already left.

Only Lu Tianhe and others are left, which is strange.

“Fine, let them go.”

“Shaohong, let's go.”

Lu Tianhe couldn't figure it out, so he didn't think about it anymore.

After the instructors of the Qinglong team were determined, their missions had come to an end, and they drove back to Gritsberg to resume their lives.

And that afternoon, on the military training ground.

Thirteen tall soldiers, full of expectation, waited in place.

“Brother Yang, have you heard about it?” “The new instructor of the Qinglong team has been determined.”

“Just appointed in the morning, the rank of major general!” On the training ground, these people were whispering and discussing the upcoming new appointment. Instructor.

“Major General, he is a real general!” “I don’t know if we can be a general in this life?”
“Hey, anyway, we are afraid that there is no hope.”

“But Croven and Mingbo should have hope.”

“The talent is good, there are still people in the army.”

“It must be related, background and background, ability and ability.”

“Our group of people, if there are such people who will become generals in the future.”

“Croven and Mingbo, absolutely can Take two~” Everyone chatted and laughed.

And listening to their discussion, Croven Li and Sara Ma unconsciously straightened their chests, and the fire called ambition in their hearts was even more blazing.

“Mark, wait!” “After I appoint a general in the army and break out of the world.”

“That’s when I, Croven Li, stepped you down!”
