## Chapter 2029

However, it is impossible to open the window by letting Yu Yun open the window.

She and Mark did not want to let others see.

What's more, they still have their bodies topless in their cultivation.

At the beginning, let Mark see his body. For Yu Yun, it was already a lingering nightmare in her life. Yu Yun didn't want to have another person see her body.

Therefore, Yu Yun would lock the doors and windows very carefully every time he cultivated the Dragon God Body to prevent it from leaking out.

Now that Mark even let her open the window, this is undoubtedly impossible.

However, Mark was right, and Yu Yun felt that the weather tonight seemed a bit hot.

Because even her, on the snow-white incense shoulders, she can still see a little bit of crystal clear.

But Yu Yun didn't think much about it, only that it was the weather.

After all, it is now June.

For Vietnam, it was time when the weather turned hot.

In this way, after Yu Yun slipped the long skirt to her waist, she bare her feet, and Lianbu moved lightly, and then went to bed gently.

As before, the two turned their backs to each other, Yu Yun's fragrant shoulders slowly approached Mark.

At the same time, both of them began to mobilize the dragon body, calmly, preparing to enter the cultivation state.

However, what makes Yu Yun puzzled is that she doesn't know what's wrong tonight, but her heart is slow to calm down.

That kind of hot feeling made Yu Yun restless.

Even the dragon body urged by the afterglow became more intermittent.

This is even the case with Yu Yun, let alone Mark?

At this time, Mark was sweating more and more on his forehead, and the sweat of the bean could not help dripping. He who has always been like a wave of ancient wells, he was also like Yu Yun, restless.

“Strange?” “What the hell is going on?” “Why is my heart so upset today?” Mark frowned.

But that kind of hotness is still increasing, as if there is something called desire in the body, which is gradually rising.

Finally, in Yu Yun’s seductive body, the moment it touched Mark’s body.

The bodies of both sides were shocked together, shaking together.

At that moment, Mark’s brain hummed even more, instantly blanking out.

Even sanity lost control for a moment.

“No!” “It’s not the weather.”

At that moment, Mark immediately realized something was wrong, and immediately afterwards, Mark trembled and his eyebrows trembled.

“Could it be...”

Thinking of this, Mark immediately asked Yu Yun aloud: “Yu Yun, did you put the salt in a white bottle or a red bottle?” “Yu Yun?” “Huh?” “Speak~” Mark was anxious, and his words were full of eagerness, asking again and again.

However, no one responded.

There was only a scorching and rapid gasp, moaning softly in Mark’s ear.

Immediately afterwards, Mark only felt that there were two unusually soft touches behind him, which suddenly stuck to his body.

At the same time, a pair of slender lotus root arms hugged Mark tightly.

That hot pretty face was even directly attached to Mark’s back.

“Ciao!” “This is broken~” Mark was agitated at the time, and he quickly jumped off the bed.

At this stage of development, the truth is clear.

“Damn, this stupid woman.”

“I must have taken the red bottle.”

“That’s an aphrodisiac~” Mark had already urinated, and he almost cried.

Thinking of this, Mark immediately asked Yu Yun aloud: “Yu Yun, did you put the salt in a white bottle or a red bottle?”

“After Rhyme?”

” “Ok?”

“Speak~” Mark was anxious, his words were full of eagerness, and he asked again and again. However, no one responded. Only a hot and rapid gasp whispered in Mark’s ear. Then, Mark felt that there were two unusually soft touches behind him, and they suddenly stuck to his body. At the same time, a pair of slender lotus root arms hugged Mark tightly. The hot and pretty face was even more directly attached to him. On Mark’s back. “Ciao!”

“This is broken~” Mark was agitated at the time, rubbed, and quickly jumped off the bed. The truth is clear to the point where things are developing. “Damn, this stupid woman.”

“I must have taken the red bottle.”

“That’s really an aphrodisiac~” Mark had already urinated, and he almost cried.

## Chapter 2030

The old prince has lived in seclusion in the old house of the Chu family in recent years. In addition to guarding the old house, his only hobby is to prepare various prescriptions.

This aphrodisiac is surprisingly a kind configured by the old lady.

When Mark was young, he accidentally swallowed the medicine in the red bottle.

At that time, he was the only one in the old house, there was no beautiful girl, only rhubarb lying in the yard.

At that time, Mark, who had the effect of the drug, looked at a silly dog and felt so beautiful.

Fortunately, the old lady rushed back in time, only to prevent the “evil fate”.

So Mark was very impressed with the red bottle.

He told Yu Yun not to take the red bottle or the red bottle.

But who could have imagined that this stupid woman would not open and lift which pot.

“What’s all this?” Mark wanted to cry without tears.

At this time, Yu Yun had leaned on Mark again.

Obviously, Yu Yun ate the most meals tonight, so she took more medicines than Mark.

In addition, Mark is still blindfolded, and to a certain extent, he has suppressed Mark’s desire.

As a result, even though Mark was suffering, at least there was still reason.

But the situation of Yu Yun is not so good.

Her eyebrows were blurred, her beautiful face flushed.

The whole person has almost lost his mind. She hugged Mark from behind and couldn’t help crawling on Mark. In the end, the hot and humid red lips were directly printed on Mark’s lips.

Yu Yun’s slippery tongue opened Mark’s lips directly.

In a moment, the red lips were facing each other, and the fragrant tongue was entangled.

Mark shuddered!

“Damn!” “No way~” .... “Yu Yun, you should be sober~” .....

At this moment, the heavens and humans in Mark’s heart were fighting, and he was already extremely tormented by suppressing the desires in his heart, and the touch of Yu Yun on his skin made Mark almost crazy.

“No, I have to get out of here.”

“Otherwise, I’m afraid that it will really make a big mistake~” Mark’s heart was crossed, restraining the evil thoughts in his heart, pushing away the after-rhyme forcefully, and then pulling off the scarf from his eyes. , We are about to flee.

However, just as the veil fell in front of Mark’s eyes, Yu Yun’s intoxicating ketone body instantly reflected in Mark’s eyelids.

Boom~ Imitated some firewood and ignited instantly.

At that moment, it was Mark, and the only remaining reason was swallowed by the strong medicine instantly.

He leaped forward and took Yu Yun into his arms, with his red lips facing each other, Mark's arm leaned restlessly towards Yu Yun's hot and delicate body.

Perhaps Mark touched the sensitive area of Yu Yun, Yu Yun shuddered, her brows and eyes blurred, she unexpectedly recovered a moment of reason.

After seeing the scene in front of her, Yu Yun's pretty face was undoubtedly flushed even more.

She forcibly endured the desire in her heart, her teeth bit her red lips tightly, and her trembling voice said with difficulty: "Ye... Mark, you... If you insult me tonight, I will... kill you and then commit suicide~" However, Yu Yun's reason only lasted for a while. When the words fell, Yu Yun's eyebrows were immediately blurred, and she fell into Mark's arms again, and her slender hands held Mark's neck tightly.

The red lips faced each other, the sweet snake entangled, and kissed Mark hard.

With Yu Yun like this, Mark's sanity collapsed instantly.

He catered to her, hugged the beautiful woman in his arms, and at the same time stretched out his hand to fade the lingering skirt, and hugged her to the bed.

However, just when the two of them couldn't handle it, a cold touch suddenly fell on Mark's hand.

she cried.

The glittering tears reflected the cold light of the moon, and it was cold to the bones. Seeing Yu Yun's tearful face, Mark suddenly woke up.

Then, Mark gritted his teeth, and with tenacious perseverance, he endured an unimaginable suffering.

In the end, before making a big mistake, she pushed away the woman in her arms and escaped Yu Yun's boudoir.
