## Chapter 2062

“Wow, really?” Suzi was very happy when he heard it.

She and Arron are old and married, and said that her man is not the kind of romantic person, and she and her husband rarely spend Valentine's Day with her husband.

Now hearing that Rayna was getting married on Valentine's Day, Suzi was extremely happy.

“I really envy you, Rayna.” Suzi said sincerely.

After a pause, Suzi's tone was a little dark: “I am now the mother of two children, but I haven't even gotten into a serious wedding.”

“Suzi...” Rayna immediately became embarrassed: “Suzi, I... I won't hold the wedding, okay? With you?”

Rayna is Suzi's fangirl.

Her level of trust and loyalty to Suzi, even if Suzi asked her to die, she was unambiguous.

So, what is a wedding?

“Silly girl!” Suzi immediately scolded: “Are you stupid! Do you know how sacred and important a wedding is to a woman!

Why don't you hold the wedding just because I said a word?

do you live for me?

you are not!

Rayna, please remember me!

You live only for yourself, only for your husband and your children!

Others, you don't owe them anything.

Understand! “

“But Suzi...” Rayna cried: “You made me come alive, you gave me life, only you and Galia treat me the best...” “

Suzi smiled: “I save you, but also want you to live well and live your own life. Don't cry!

When pregnant women cry, it is not good for the fetus! “

Rayna nodded: “Well, listen to you.”

“This New Year's Day, we can't spend it together. After the New Year's Day, I'll take care of it here. I'll take my child and my husband to Kyoto to attend your wedding. It happens that the only one is also during the holiday, and our whole family can go. “Suzi said.

“Okay! Definitely, definitely! If I didn't have you and Galia at my wedding, I would cry to death.”

“Don't worry! You must go!” Suzi said.

“Ok!”

“Goodbye, I won't talk to you anymore.”

“Goodbye Suzi.”

After closing the line, Suzi's heart was full of mixed feelings.

She was really happy for Rayna.

That child has gone through so much, and his father and mother didn't want it, and he will live in nine deaths, and now he has finally achieved a positive result. "

But what about her?

She also survived.

Escape for six years.

Her favorite dream ever since she was a child is a wedding.

But she and Shaoqin have not even had a wedding so far.

Thinking like this, I was sleepy and melancholy.

Until it got dark, she sat on the balcony, motionless.

Just today, Sister Li and Sister Tian went out with Arron and Christopher, taking Shen Weiyi and Fu Liuyi out to have fun, and she was alone after the house.

Arron called her, but she was immersed in her own thoughts and didn't hear it.

They all came back from dinner and brought home takeaway for Suzi.

When I got home, it was pitch black and the lights were not on.

As soon as Arron entered the door, he decided that something was wrong.

And Suzi also forced a smile on his face, stunned to maintain a smile before the two children faced each other.

The two children couldn't feel it, but Arron felt it was very obvious.

When she was resting at night, the man specially poured a basin of foot water for her and gently put her feet in. Then he raised his head and asked her, "Tell me, what happened to you today? What happened?"

Suzi smiled gently at Arron: "It's nothing."

“You and I are an old husband and wife, how did you learn to hide something from me, tell me anything, and I will solve it for you?”

## Chapter 2063

Is it a work thing?

You are also a famous director in your company now, so you are under a lot of pressure?

If so, let's not be the director anymore.

Wages have gone up, but you have to worry more.

Your husband can support you and doesn't need you to work so hard.  
“

Suzi looked at her husband who never liked to talk too much, and suddenly said so many words just to comfort her emotions, she felt warm in her heart, she inserted her fingers into her husband's hair, and said gently, “It's okay. Burning money, I'm not because of work.

It's not that you don't know, I'm a workaholic.

The busier I work and the more I worry, the happier I am.

I have always regarded work as my greatest interest. If I don't work, like other rich wives, the rest of the day is extremely empty except for shopping, playing mahjong, and beauty treatments. Then I must be more empty?

I don't like playing mahjong.

I don't like to go shopping.

I don't like beauty.

I don't even like to chat with those rich wives, so I am determined not to resign. “

The man suddenly smiled: “It looks like it's not about work?”

After thinking for a long time, he said in a low and hoarse voice: "It's not a work thing, that's a personal thing?"

Suzi: "..."

It's a private matter!

She just wants a wedding!

Even if you can't set the wedding on Valentine's Day on February 14, like Rong Rong, even if it's not too romantic?

As long as it was her and Shaoqin's wedding, Shaoqin personally brought her a diamond ring.

She is satisfied.

She feels that a woman is a woman, and a woman like her who doesn't care about form is no exception.

Also needs a wedding.

Why!

no way.

When Suzi sighed, the man had already bullied her, and when she came back to her senses, the man's lips were above her.

"You..." Suzi was surprised.

She was still washing her feet just now, why did you suddenly put her under him?

This man is really fast!

"You have poured out the foot wash, and I have put the foot cream on your feet. What are you thinking, so distracted? If you don't say it, my husband can only think what I think at the time.

Do you think, I haven't touched you for a week? ' the man asked in a low voice.

He's been too busy this week, busy with a lot of things to do in the new year.

It happened that she also had her period this week. He didn't clean up a few days ago, and he didn't want to interfere with her, for fear of affecting her body.

After taking it off for seven or eight days, he didn't touch her.

The man thought in his heart that she must have thought about it.

But she was embarrassed to say it.

This evening, the man worked very hard, and the woman also tasted the sweetness that she hadn't tasted for a long time.

She put her arms around her husband's neck, but she couldn't recall the taste for a long time, and only hummed softly: "You said you are in your thirties, and you are almost forty, how can you be so domineering and powerful to scare people to death. "

The man laughed teasingly: "Do I dare to be weak? If I am not strong, you can replace me again."

"Fuck you!" Suzi slapped the man: "The older you get, the less serious you are!"

The man hugged his wife tightly and asked gently, "Tell me, are you in a better mood now? Are you still so preoccupied?"

Suzi: "Huh?"

The man said again, "As long as you can be happy, your husband will work so hard every day in the future, and he will be so strong. Do you think it's okay?"

Suzi's face suddenly turned red.

She pricked her head into her husband's arms and laughed for a while.

Then she raised her head, summoned up her courage, very serious, and shyly mentioned: "Shaoqin, let's...let's hold another...wedding? I want to be too. bride."

Arron: "..."

### Chapter 2064

At this moment, Arron suddenly realized that his wife had been melancholy since the evening, not because he didn't want her for seven or eight days.

Instead, she wants a wedding.

The man's heart suddenly ached.

Yes!

Their oldest child, Shen Yi, is nine years old.

But, he doesn't seem to have given her a serious wedding?

"What's wrong, Shaoqin? You don't want to? It doesn't matter, as long as I can be with you, it doesn't matter if there is no wedding, Shaoqin, how good he has been to me in the past few years, I know in my heart, I don't want the wedding. "Suzi is generally knowledgeable.

Husband is too busy.

To manage an entire Fu Group.

Also manage those mercenaries overseas.

There are so many things he has to worry about, and he has offended a lot of people. It is normal that he does not want his wife and children to show their faces.

Suzi suddenly felt that he was too ignorant?

Do you not understand your husband at all?

Unexpectedly, Arron let out a long sigh, and then said seriously: "Suzi, I don't know if you still remember, when I first met you.

When you're the only one more than a month pregnant, we...

We had a wedding.

It was the wedding at Yiyuan Restaurant. "

Yiyuan Restaurant?

Of course Suzi remembered that wedding.

At that time, Arron forcefully pulled her over in a daze, put a wedding dress on her, and forcibly held a wedding for her.

There was only one witness at that wedding, Shanna.

Of course Suzi remembered.

She nodded: "Remember, it was a wedding to deal with my mother. Only my mother attended that wedding."

"But for me, it's enough." Arron said.

"You know, because I grew up seeing my mother wash her face in tears, mumbling to herself, 'As long as I can wear a wedding dress once in my life, I'd be willing to die', I often see mother like this.

At that time, I swore that in my life, I would definitely get married only once.

I must marry the woman I like and love her for the rest of my life.

Moreover, my wedding does not require anyone to attend, no matter how good friends are, the relationship between friends is not a wedding.

My wedding, as long as my mother attends alone is enough.

Because I want my mother to know that I have found happiness. “

After a pause, Arron hugged Suzi tightly again: “What’s more, when I married you at that time, there were 110,000 voices in my heart, you are my wife.

Not that Lanita.

Deep down in my heart, I never regarded Lanita as my wife.

I have always regarded you as my wife.

The reason I was so angry at the time was because you were pregnant with someone else’s child and you didn’t tell me whose child you were having.

Do you know Suzi, our very small wedding has always been very sacred in my heart. “

Hearing this, Suzi burst into tears.

She clasped her husband’s neck tightly with both hands, crying and sobbing: “I know, I understand Shaoqin, I understand. In fact, you may not know, I... I also felt very early, very early. , you may be the man who stole my first time.

I’ve always had that delusion, and it was an illusion at the time.

Thinking about it now, that is not an illusion at all, that feeling is right.

Although the wedding was very small, in my heart at that time, I have silently sighed hundreds of times. I feel that I will never wear a wedding dress again in my life, and I will never hold a wedding again.

That time was also the most important wedding that I will forever engrave in my heart.

## Chapter 2065

You're right, it doesn't matter if anyone doesn't come to our wedding.

As long as mom is there.

With mother's blessing, we will be happy for a long time.

Because in this world, the dead mother is the most hope that we can be happy forever.

She is our matchmaker.

our witnesses.

Shaoqin, it's not that we don't have a wedding, we have a wedding, that is the time. “

Arron nodded: “Well. We, me and you, only have one wedding in this life, and our wedding will last forever, forever and ever!”

“Well, I love you, husband.” The woman's voice became softer and softer.

Men's hearts are getting softer.

He rolled over and pressed the woman under him again.

“What are you... doing?” The woman couldn't believe the man's next move, didn't it just stop for ten minutes?

Does he have strength?

The man laughed wildly: “Your man is only in his thirties, and he is still strong! Why, do you doubt your husband's strength?”

“No, no doubt, it's me... I'm too tired, husband...” Before she finished speaking, her words were blocked by her husband's lips.

A room of beauty and sweetness.

The night also became softer.

This night, they both slept soundly.

When they woke up the next day, Suzi and Arron were both refreshed. They had breakfast in the morning, said goodbye to each other, and took care of their work.

The two people now are leaders in their respective fields. The man rules a group company and is the highest person in power in the group company.

Although women are not as powerful as men, they are also well-known architects in the industry. However, the director of her architectural design company, without Rayna's right-hand man, made Suzi even more busy.

She was busy until the afternoon of New Year's Eve before finishing the work at hand.

After all, she couldn't come to work on the seventh day of the first lunar month after the new year. She had to wait until after the twelfth day of the first lunar month to attend Rayna's wedding before returning to work.

So, all the work that should have been done before was done.

As soon as the New Year's Day passed, about the seventh day of the first lunar month, after everyone had returned to work, Suzi, Arron's family of four, Galia Yankuan, and Darius's family of three flew to Kyoto collectively.

The Kyoto side also made arrangements early.

Kraig's villa where Arron and Suzi lived.

Darius's family lived in the old house of the Shu family in Kyoto in their early years.

Galia lives with Darius in the old house of the Shu family.

After the place where they lived was stable, Suzi, Galia and Shen Weiyi impatiently wanted to invite Rayna and Dalia out.

I want to ask if they are doing well this year?

Have you bought everything you need for your wedding? and so on.

On the morning of the eighth day, the sun was shining brightly. Just after the beginning of spring, although it was cold weather, it also revealed a gentle warmth.

Together, Suzi Yanyan, Dalia Rayna, and the little friend Shen Wei made an appointment to visit the oldest street market in Kyoto together. It is said that there are many street stalls here.

Here, you can find a lot of treasures.

In fact, they didn't even think about shopping for any treasures, they just wanted to gather together, talk and chat, get together and relax.

A group of people parked the car, pushed the child to push the child, and carried the bag. As soon as they came to Laojiekou, they saw a woman who set up a street stall.

At the same time, women saw them too.

The woman who set up the stall suddenly stood up in a hurry, and she rushed towards Dalia and the child that Dalia was holding with a very clear goal.

"You're so big, little bastard, see if I won't kill you!" A knife in the woman's hand rushed straight to Jun Ruiqi's face.

Jun Ruiqi, who is more than two years old, is still smiling: "Auntie..."

## Chapter 2066

Seeing the situation in front of them, everyone was stunned.

Dalia was even more frightened and stunned on the spot.

She is a gentle woman, and she has always been far away from fighting and killing.

She has never sinned against anyone.

How could you have imagined that, just with a few good friends, pushing your child to go shopping, how could such an encounter happen?

Dalia was really frightened.

However, the two-year-old Jun Ruiqi was not afraid at all.

Seeing the dazzling knife, Jun Ruiqi grabbed it with her hands instead.

Suzi on the side was calm, she didn't want to scare Jun Ruiqi, she just rushed over at the fastest speed, wanting to use her body to block Jun Ruiqi.

Everything is in the blink of an eye.

There is no room for people to think about anything.

Just when Suzi was protecting Jun Ruiqi's colleague, someone had already stood in front of Suzi and Jun Ruiqi faster than Suzi, and kicked the knife away with a kick.

Immediately afterwards, the man pulled the arm of the small trader woman with the knife and dislocated it.

In the third round, the small merchant woman had been forcibly overturned to the ground.

She rolled on the ground in pain: “Ouch, oops...”.

Her arm was always on, but she couldn't move.

“You, who are you?” The woman on the ground looked up at the woman who beat her in pain.

Yingzi said with a condescending sneer: “Elma! I don't want to find you! You even sent it to the door! Do you think you are used to bullying my sister Shan, and don't bite her all the time?”

You don't even spare her two-year-old child!

Then I can tell you! Elma, don't think about it for the rest of your life. My heroic figure will follow Sister Shan's side 24 hours a day, and I will use my life. Protect their daughters.

Don't say it's you, even if it's anyone else, don't think about what will happen to Sister Shan!

Don't want to hurt a single hair of Sister Shan! “

Hearing Yingzi say this, Dalia and Suzi, Rayna, Galia, and Shen Weiyi behind him discovered that the woman who was knocked to the ground turned out to be Elma.

They were all stunned.

Because the woman who was knocked to the ground had gray hair, even more gray hair than black hair.

Moreover, her face was freckled, her face was old, and the skin on her face was even seriously sagging.

How could this be Elma?

No matter how hard you look, Elma is only 30 years old, so he won't grow old so fast?

Seeing the stunned expressions of several people, Qiu Cun's tears of resentment flowed out.

Even though Yingzi stepped on his cunning, Elma still gritted his teeth and said, "You guys! You are one or two, do you see me joking? Yes! That's right! I am Elma! Thanks to you demons! I Elma's body parts that can best embody women are long gone!

I was picked by the devil Pan Haoyang long ago!

So I have long been out of harmony.

That's right, I'm getting old fast!

I think of me, Elma, after being a famous family of traditional Chinese medicine in Kyoto, but being calculated by you nondescript things, I don't accept it, I don't accept it! "

"You, why are you still alive?" Galia was the most naive, she blurted out and asked.

After asking, Galia looked at Dalia again: "Sister Shan, you... This woman has done so many evil things and harmed so many people. You, why did Mr. Jun keep her alive?"

Dalia sighed and said, "She is heinous, but her father is a good man, an old Chinese doctor, and the Qiu family and the Jun family have been friends from generation to generation. Originally, Jingyu wanted Elma... but her old man Father came to intercede.

Let Jing Yu save Elma's life, and let her fend for herself.

Elma's old father also said that the Qiu family will cut off relations with Elma from now on, and it is impossible to leave a half of Qiu's family property to Elma. Elma's old father only wants Elma to keep his life alive.

The old man is so old,

Jing Yu couldn't refuse.

Therefore, Elma was spared his life, so that she could not leave the boundary of the capital, so that it was easy to monitor her to see if she had changed her mind.

Who knows that she has reached this stage, but she still wants to kill my child!

How vicious! “

At this time, Dalia had come to her senses.

She held her precious little bun in her arms, looking at Elma in shock and anger.

## **Chapter 2067**

Hearing Dalia say this, Qiu Cun's heart suddenly went crazy: “Dalia, you b!tch! b!tch!

You stole everything from me!

What are you!

You are just a maid beside Jing Yu! maid! Just a slave girl.

You don't even have a home in Kyoto. You and Jingyu are on the same ground and in the sky. You even married someone before. How can you have Jingyu?

Why!

You stole everything from me!

I can become like this today, it's all because of you, and it's all because of you!

you b!tch!

I hate you the most!

I just want you to die, I just want your little wicked to die! “

“Don't think about it!” Dalia was suddenly annoyed.

She looked back at Rayna and Shen Weiwei: “Qingrong, the only one!”

Rayna responded immediately: “Auntie, you have something to tell me!”

“Aunt Shanshan, tell me what to do, the only one is now an adult!” The nine-year-old girl is almost 1.5 meters tall.

Really like a little adult.

Shen Weiyi is calm and calm, she is not afraid of such a scene at all.

Dalia calmly instructed: “The two of you take your brother to the playground over there for a while. I have something to tell Elma!”

“Okay!” Shen Weiwei knew that Aunt Shanshan wasn’t easy to bully anymore.

Aunt Shanshan asked her and Rong Rong to take her brother to the playground, not wanting to frighten the children.

Shen Weiyi and Rayna went to the playground not far away with Jun Ruiqi and Fu Liuyi.

Galia followed closely behind, she was afraid that the two of them would not be able to see the two little buns.

There are only three people here, Suzi, Dalia and Ying Zi.

However, three people are more than enough to deal with a half-dead old monster like Elma.

Dalia came to Elma, she squatted down, pinched Elma’s old face, and said coldly, “Listen to me, old monster! I, Dalia, have never robbed your man!

It’s you who don’t want Jingyu first!

Jing Yu, he is human!

Not a machine, not an animal that comes and goes when you call it!

Since you didn't want him back then, Jingyu is mine!

Not long after you left, I've been with Jingyu. For more than ten years, I've been with Jingyu, eating together, sleeping together, and having children together!

what about you?

Have you slept with my Jingyu for a day?

You keep saying that I stole your man, is your woman seriously ill with nympho?

Or do you have to deceive people too much?

Do you think I, Dalia, are easy to bully?

Elma, let me tell you! You still owe me Dalia a life! My brother Han Zhanshan was beaten to death by you!

I haven't settled with you yet!

Let's settle the account together today!

I won't kill you!

Because the man in my family promised, like Mr. Qiu, that he would not want your life, but it is inevitable that you will be punished today! “

Elma: “...”

Dalia winked at Yingzi: “Drag her to the empty alley opposite!”

Yingzi immediately responded: “Yes!”

Yu Bi, she grabbed Elma's throat with one hand so that she could not make a sound, and then directly carried Elma on her shoulders and dragged it to a dead end not far away.

Yingzi smiled unhurriedly: “Guess, what will I do to you today?”

## Chapter 2068

Until this moment, Qiu Cun Xin felt a gust of gloomy wind.

“I...” She didn't want to die yet.

Although I have grown old like this, I am not a ghost, I can't have a family, and I can't go home if I have a family. But Qiu Cun didn't want to die either.

People are like that sometimes.

The longer I linger, the more I feel alive.

Even if you set up a street stall on this street, you will earn very little money every day, and you can only eat steamed buns. However, Qiu Cun also thinks that this way, you can take a look at all kinds of pedestrians.

How good is it to read their stories?

If he died, his eyes would be closed, his eyes would be blacked out, and he would not know anything.

How scary is that?

She doesn't want to die.

She just wants to live.

Even as a beggar.

“Yingzi, I...we know each other, we are old acquaintances.” Elma clasped Yingzi’s feet with both hands, begging bitterly and humbly.

Yingzi: “Really?”

“Yeah, yeah, you probably don’t remember me. At that time, when I was abroad, I pursued your brother, and I had a relationship with your brother. I...I really love your brother. is sincere.

I.....

When I was in Nancheng, I also helped your brother and cooperated with her inside and out...”

Before he finished speaking, Qiu Cun Xin had already been severely kicked by Ying Zi.

She: “Ow...” a scream.

In order to survive, Qiu Cun couldn’t care about the pain anymore, she just held onto her heroic legs in anticipation: “It’s me, it’s me, your brother and I should work together, my brother and I are in the same group, we are partners, we are the only ones. My friend, Yingzi.

Those people, they are the ones who killed your brother.

They are your enemies, Yingzi...”

Hearing Elma’s words, Yingzi hated it even more, and wanted to smash the banshee with one foot.

But she has patience.

Her military boots ran over Elma’s body again, and then she said: “Elma! If it weren’t for you! I asked my brother to take Pan Haoyang’s old nest, if you didn’t push my brother, let my brother not tell Trust me, Pan Haoyang will never die!

My Pan Haoyang will not die! “

Elma looked at Yingzi in disbelief: “Why...you man woman, you also like Pan Haoyang?”

“Can’t you?” Yingzi asked.

“You’re a man’s wife! You have no heart. How could you like Pan Haoyang?” Qiu Cun still didn’t believe it.

“I am a man’s wife! But I have a heart! I will never be as vicious as you! You killed Pan Haoyang!

The one who killed the only one I liked in my life, the one who gave me a beam of light, my love, Pan Haoyang! “

“But...” Elma still wanted to find a glimmer of hope: “but I... I helped your brother.”

“Fuck!” Yingzi raised her leg and kicked again, kicking Elma in the face.

Bleeding from her kicked nostrils.

“If it weren’t for you, would my brother die! My brother is my only relative in this world! He was actually killed by you! By you! Against this devil, you bewitched him, and you said that Jun Chengyin would be with him United! If you hadn’t told me this, my brother wouldn’t have taken such a risk!

Even if my brother lives abroad for a lifetime?

As long as he lives!

But you damned woman, you fan the flames of all kinds, you are afraid of this world!

You are the old witch!

Look I don’t kill you today!

No, I won’t kill you, I’ll beat you half to death! “

“No...” Qiu Cun was flustered and he raised his hand to protect his face, but this time, Yingzi hit her in the buttocks.

With one kick, the skin is really open.

Elma's trousers, which were originally not very strong, were completely torn apart.

Like a child's crotch pants.

Yingzi said to Elma coldly: "Elma, actually... I knew you when I was a child, maybe when I was nine years old? Do you still remember?"

Elma: "..."

## **Chapter 2069**

"When I was nine years old, my family was poor and couldn't afford shoes. One day I saw you throw a pair of shoes in a trash can. I picked them up after you left. You don't want them anymore. What's wrong with picking it up?"

But you actually came back.

You stole the shoes I picked up and let me lie down on the ground and learn to bark.

Learn all kinds.

If I don't learn, you won't give me those shoes.

Later, I learned, but you cut those shoes to rot! "

Elma: "...". She remembered.

There is indeed such a thing.

Originally, it was not necessary for a famous lady like her to throw a pair of shoes. She had seen a little girl about her age beside the trash can sneakily rummaging for things.

Qiu Cun guessed that it was a little beggar.

She wanted to play tricks on the little beggar, so she took a pair of shoes that she wanted to throw away and went to play with the little beggar.

She thought it was so much fun at the time.

didn't care too much.

Even Elma felt that the little beggar was dressed so shabby that he would not survive that winter.

After that, she never remembered the little beggar again.

But I never thought that the little beggar turned out to be heroic.

Qiu Cun's heart was truly desperate.

She felt that she might be beaten to death for the rest of her life.

Either by Rayna, or by Galia, or by Kraig, or by Pan Haoyang.

Now, I have to be beaten by this little beggar back then.

Yingzi beating people is really more ruthless than men.

Moreover, she specifically picked her soft tissue to beat, not only wanting her life, but wanting her to cry out in pain.

In the end, she beat all her clothes to a pulp.

The kind of naked.

Yingzi left, and put down her words before leaving: "Dalia is my sister! My sister in this life, you will never die in this life, but if you dare to trouble my sister and her children, I will let you once Worse than making a fool of yourself.

As long as you are not afraid of making a fool of yourself! "

Words must be, heroic and go away.

The rest of Elma, who was naked, really didn't dare to walk out of this dead end before it got dark.

Even when it was dark, she couldn't get out.

This made Elma really want to cry without tears, and was extremely desperate.

Yingzi came out of the dead end and went to look for Dalia, Suzi and Rayna. Several of them took their children and were playing in the open-air playground.

Coming to them, Yingzi said calmly: "Don't worry, Sister Shan, this kind of thing will never happen again, even if there is such a thing, I will return to the lightning speed to protect Sister Shan and the child.

With me, I will not put you in any danger. "

After a pause, Yingzi looked at Rayna again: "Rayna, in the future, your safety will also be on me."

Rayna: "Me?" She couldn't believe it.

She has a good relationship with Yingzi, but it's not that good, like Dalia's.

Yingzi smiled shyly, looked at Suzi, and continued: "Rayna, I know you are in Kyoto alone, but Suzi is actually worried about you, right Suzi?"

Suzi nodded.

Indeed.

"For Suzi's peace of mind, and for our friendship, I will be responsible for protecting you in the future!" Yingzi said.

Rayna hugged Yingzi: "Wow! Thank you, Xiaozizi, I love you to death!"

Suzi also smiled gratified.

She thought that Rayna would be protected by a heroic figure in Kyoto in the future, so she didn't need to worry.

very good!

### Chapter 2070

February 14th is the time when the spring is cold.

However, for the Imperial Capital Hotel in Kyoto, it is full of spring here. In this ultra-luxurious hotel, today there are beauties and ladies from all over the world.

However, the most beautiful one today is the bride Rayna.

Rayna's wedding dress was specially tailored by Suzi from abroad, and a set of wedding dresses was worth more than one million yuan.

Suzi had never worn such a fine wedding dress.

Sitting in the dressing room, Rayna cried with reddened eyes: "Suzi, it's really my blessing to meet you in this life, I lost my parents and my home, if it wasn't for you and Galia, I might have died. .

But because I met you and Galia, I not only met my love, but also married into a wealthy family.

You and Galia, although Galia is my friend, you are different.

You are like my parent, my sister.

Backer of everything I have.

Suzi, why are you being so nice to me? “

Suzi picked up the tissue on the table and gently wiped her tears:  
“Don’t cry, you are a bride today, if you cry again, it will be difficult to put on makeup, I am good to you because I have no friends since I was a child, Knowing you and Galia are the only two friends I have made.

You are more than Galia...”

Suzi paused before saying, “Galia has parents and a brother. She is better than you, so I will take more care of you.”

“Suzi, you are so kind.” Rayna said leaning against Suzi.

Back then, she almost beat Suzi to death.

However, she is not as shrewd as Suzi, and she always fails to calculate Suzi. Instead, she is calculated by Suzi. The most hated by Suzi is that her butt is blooming.

Now that I think about it, it’s pretty warm and funny.

Funny and sad.

Rayna’s eyes turned red again.

Because she knew that if Suzi and Arron hadn’t really supported her in her wedding banquet today, even if she had an aunt’s family, her Rayna would not have a firm foothold at this wedding banquet.

Because although the people who came to the wedding banquet were huge, they were all noble and noble.

Moreover, all of the men’s friends.

Rayna was inevitably frightened.

Suzi solemnly comforted her: "Today you are the heroine, you don't eat or drink, you are the most beautiful bride, you have to be confident!"

Rayna nodded: "Well, confident!"

"Must be confident!"

"Must be confident!"

But, even though Suzi encouraged her like this, when Rayna saw the guests present, she was still timid.

Cowardly, as if Jun Ruian was her stolen husband.

Especially when those people whispered and happened to be heard by Rayna.

"Look! I've heard of her for a long time, but when I saw her for the first time today, I really didn't expect that the young master of the Jun family would have such a strong taste?"

"Haha! Don't you know? There is a kind of person in this world who eats too much delicacies from the mountains and seas, and wants to eat the most old-fashioned and unattainable stinky beans."

"The young master of the Jun family is the one who likes to eat beans with stinky sauce."

"Ha ha!"

"I heard that she is very pungent?"

"It's not just pungent, it seems that she is...not very literate."

"Illiterate? No way? It's...unlikely."

"What are you doing to lie to you, she doesn't seem to have graduated from junior high school, and she barely knows a few words!"

"My God..."

“Then she is a proper Cinderella, married to our little prince in Kyoto?”

## Chapter 2071

“Well, she is lucky, and the little prince likes her type. Even if we are jealous, there is nothing we can do.”

“Hee hee, in a moment we will use English to wish them a happy wedding. Let’s see what she has to say?”

“Haha, this proposal is good.”

“I seem to see her blushing on the spot.”

“I heard that she has low self-esteem...”

“Go, go and bless her...”

A group of famous ladies who once wanted to marry Jun Ruian but did not get married laughed and walked in the direction of my Rayna.

At this time, Rayna was wearing a wedding dress and was standing in the crowd to find the relatives of Jun’s family. She was not too inferior.

As Suzi said, this is her wedding.

She is the most authentic host.

A group of beauties said that some young men came over and were about to say hello to Rayna who had his back turned to them, but the group of people saw a handsome foreign guy in a suit walking towards the bride.

One of the famous ladies knew the handsome foreign guy.

“Oh, Daniel! This is the youngest and most famous architectural design in the West. Daniel, he is famous. I also plan to let my son grow up and study architectural design.”

“Oh, this designer is not only famous, but also handsome, and has a super temperament.”

“Don’t forget, Daniel is a friend specially invited from abroad by the little prince.”

“Hey, who is that, Nini, you’re not married yet, you can chase it, it just so happens that your family is engaged in real estate...”

The girl named Nini suddenly felt embarrassed: “He is a big designer, and he is famous all over the West. If I chase it, can I catch it?”

“How do you know if you don’t try?”

“Nini, you are always better than that Rayna. If Rayna can chase Young Master Jun, you can definitely chase Daniel.”

“Okay, I’ll try.” Nini gathered up her courage and walked towards Daniel.

But he saw that Daniel had come to the opposite side of Rayna, he looked at Rayna with a smile on his face, and then said to Rayna in stray English: “Miss Min, it’s finally time for your wedding, I’m here to attend you. The wedding is my greatest honor.”

Behind, a group of ladies: “...”

Rayna was a little confused, but she also replied in English out of courtesy: “Mr. Daniel, when did you say this?”

Behind them, the ladies were even more unexpected.

They look at me, I look at you. A few minutes ago, they said that Rayna was illiterate, and a few ladies who had not graduated from junior high school opened their mouths in shock.

Rayna not only speaks English, but English is extremely mobile and standard.

The way he speaks English is also very confident.

At this time, Daniel said: “If it wasn’t for your wedding, I really don’t know how to find you, because I have always wanted to work with you on a design plan, the hotel you designed by Dipper half a year ago, It’s world-famous, and the structure is so ingenious that I’m amazed when I see it.

I've always wanted to work with you once. "

In fact, most of the hotel was designed by Suzi.

However, in order to establish a prestige for Rayna and to allow Rayna to establish a foothold in Jun's house, she gave Rayna the right of signature.

However, Rayna also put a lot of thought into that hotel.

"You are one of the two architects I admire most in China.

One of them is Suzi, and the other is you.

Miss Min, you are so talented.

When can I make an appointment to work with you? "

Rayna: "..."

She was very happy, and she felt proud. After all, there were too many guests who looked down on her today. However, now that Daniel was so sure of her and praised her on the spot, Rayna's heart was really grateful.

She didn't even know what to say.

Before he could speak, he heard Kraig say, "My wife is the most capable. Not only is she capable of work, she is also very capable of giving birth!"

Rayna: "..."
