Chapter 2082

Suzi knows his own children best.

Shen Weiyi has been independent since she was a child and has a strong sense of precaution, which is also the reason why she followed her mother and uncle to hide everywhere when she was a child.

When the child is twelve years old, he is already the height of an adult. Apart from a slap in the face that looks childish, Shen Weiyi's heart is actually very strong and calm.

What does Suzi have to worry about?

After driving the child to the airport, Shen Weiyi went to Kyoto alone.

After getting off the plane in Kyoto, the twelve-year-old classmate Shen Yiyi didn't ask anyone from Kyoto to pick her up. She queued up for a taxi when she got out of the airport.

The driver is an uncle in his thirties.

Seeing that this little child was already tall, but at first glance it looked like a child who had not grown up yet, the driver asked, "Why don't adults follow this for such a small child?"

Shen Weiyi smiled calmly: "Because I no longer need the supervision of adults."

The driver smiled: "Oh, the little friend is quite confident."

This driver is not a bad person, he just thinks that he is a child anyway, and wants to take more detours and earn more for the little friends' fare.

He asked, "Little friend, where are you going?"

"Military Region Hospital." Shen Weiyi said.

"Okay, sit down, kid, don't worry, uncle will take you to the military hospital." After exiting the airport boulevard, the driver started to take the expressway in the opposite direction.

"Uncle." Shen Weiyi shouted indifferently.

"What's the matter, kid, do you need any help?" the driver asked.

"How many years have you been a driver?" Shen Weiyi asked.

"Twelve or thirteen years ago, I am familiar with the roads of Kyoto. Uncle, I am a passerby."

Shen Weiyi smiled: "Then why did you drive in the opposite direction?"

driver: "....."

Shen Weiyi didn't expose him, but said: "Uncle, I can see that you are so young, you must have just driven a taxi, right? It's okay, if you tell me the truth, I will not laugh at you, and I am rich. To help you, because the way of Kyoto, I am familiar.

I am a standard Passepartout in Kyoto. If your car has no navigation, I can be a live navigation for my uncle. "

What I said, neither exposed the driver's purpose.

Stopped the driver from detouring.

The driver, who had been running in Kyoto for more than ten years, suddenly realized that the reason why this child dared to go out on a plane by himself is by no means a good kind.

He said very embarrassedly: "I'm sorry, little friend, uncle, uncle does drive for a short time, and he is not familiar with the road conditions. You see, we are already on the highway now, why..."

"It's okay, uncle, the next exit is only one kilometer away.

After you exit, come up in the opposite direction, and I will show you the way. "Shen Weiyi said briskly.

"Okay kid, uncle listens to you."

The driver who originally wanted to take a detour, under the guidance of Shen's only child, not only failed to detour, but also shortened the route by almost five kilometers.

This kid is indeed a passer-by.

Not a good pit.

When I got out of the car and watched Shen Weiyi walk into the military hospital alone, the driver fell to the ground in admiration: "If only I had such a child prodigy."

The prodigy Shen Weiyi went to Pan Mingsai's internship department.

The moment he saw Shen Weiyi, Pan Mingsai was horrified: "Yiyi! You, did you come by yourself?"

Shen Weiyi nodded: "What are you making a fuss about, Sister Sai Sai?"

Pan Mingsai: "The one and only, you are not allowed to do this in the future. Your mother sent you to the plane. I don't worry about you on the plane, but when you get to the airport, you can tell me to pick you up instead, understand!"

"Hey! If you don't pick me up, don't I also come to your hospital?" Shen Weiyi said sternly.

Pan Mingsai: "You..."

"Sister Mingsai, you are getting more and more beautiful now." Shen Weiyi praised him when he saw Shen Weiyi.

Although Pan Mingsai is in his twenties.

But she was still only 1.5 meters tall. Compared to Shen Weiyi, who was about 1.6 meters tall, with long legs, fair skin, and a small face, Pan Mingsai was simply ugly.

But, in Shen Wei's eyes, sister Mingsai is the most beautiful woman in the world.

Chapter 2083

Pan Mingsai didn't care either.

She also thinks she is beautiful.

What he looks like is given by his parents. Pan Mingsai wants to be calm about his appearance.

Don't look ugly, the little girl is quiet, stable, never clinging to anyone, never underestimating her temperament, but she is very liked by the hospital.

So much so that when Shen Weiwei came to see Pan Mingsai, Pan Mingsai asked the leader to ask for leave in order to send Shen Weiwei to Kraig and Dalia.

The leader readily agreed.

After the two left the hospital, Pan Mingsai went to a clothing store.

"Sister Mingsai, the style you chose is not suitable for you." Shen Weiyi was already very good at helping Pan Mingsai to refer to the appearance of clothes.

Pan Mingsai said with a smile: "I didn't buy it for myself, I bought it for Sister Yingzi."

Shen Weiyi: "Sister Yingzi looks more sassy and mature, so it's definitely appropriate to wear this."

In fact, Yingzi is already thirty-five or six years old.

She has followed Dalia over the past few years, and Dalia has also helped her introduce men.

But Yingzi doesn't like it at all.

She is someone who is not easy to change after she has identified herself.

Although she and Pan Haoyang had only known each other for a few days, it was Pan Haoyang who inspired her life. She couldn't hold anyone else in her heart except Pan Haoyang.

Also because of Pan Haoyang, Yingzi and Pan Mingsai are very close.

Pan Mingsai is a girl who knows gratitude.

No, as soon as the intern's salary was distributed in the hospital, Pan Ming died and immediately bought clothes for Yingzi. I plan to go to Dalia's house to bring Yingzi.

When they came to Kraig and Dalia's small courtyard where they lived alone, they learned that Dalia and Kraig went to the old house with their heroic appearance, and they had a party in Jun's old house today.

The two came to the outside of Jun's old house together.

The old house is different from the small courtyard where Kraig and Dalia lived alone. The security here is heavily guarded, and there are many guards outside the door.

"Who are you two looking for?" the guard asked, looking at the two girls, one ugly and one beautiful, one big and one small, one short and one tall.

"My name is Shen Weiwei." Shen Weiwei reported his name.

In Jun's family, no one does not know Shen's unique name.

The guard at the gate is new.

"What about her?" the guard asked.

“This is my beautiful sister Pan Mingsai.” Shen Weiyi praised Pan Mingsai’s beauty whenever he met.

Pan Mingsai: “...”

guard:”.....”

After a long while, the guard couldn’t help laughing: “Pfft...Little sister, do your eyes look upside down?”

Shen Weiyi: “What do you mean?”

She doesn’t think she has a problem with her eyes at all, does she?

At this time, another guard came over, and when he saw that it was Shen Weiyi, the guard immediately shouted: “Little Princess Fu! Please, please! Please come in!”

The guard just now: “...”

Shen Weiyi made a face at the guard and dragged Pan Mingsai into the Jun’s old house.

All gathered in the old house today.

The old man of the Jun family, the old lady, Jun Jingheng and his wife, Jun Ruian and Rayna, and a pair of twin sons.

Kraig and his wife have two sons, one big and one small.

The whole family is there.

Originally, the housemaid of the Jun family wanted to report it, but Shen Weiyi refused to let it go. She tiptoed and said, “I’m going to give them a surprise.”

The domestic helper did not report this.

Shen Weiyi led Pan Mingsai and the two towards the main hall step by step.

Before entering the door, I heard a scolding sound: “Qingrong! The second room of Jun’s house is always watching you, you should pay attention to your own words and deeds, you know!”

Chapter 2084

Shen Weiyi and Pan Mingsai outside the door were stunned.

Immediately afterwards, they heard Rayna say reluctantly, “Got it!”

Shen Weiyi and Pan Mingsai entered the hall one after the other.

The hall was full of people.

It’s all your family.

Rayna sat in it, a little restrained.

“Sister Qingrong?” Pan Mingsai shouted.

Immediately afterwards, Shen Weiyi shouted, “Aunt Rayna, Aunt Shanshan, here we come!”

Seeing Shen Weiwei and Pan Mingsai coming together, the Jun family was shocked.

Especially Kraig.

He stood up abruptly and asked straightly, "The only one! You, why are you here? Who sent you here? Where are your parents?"

Shen Weiyi smiled calmly: "My parents are in Nancheng."

"Then how did you come here?" Dalia also stood up immediately and looked at Shen Weiyi.

"I took the plane myself."

Dalia + Kraig: "..."

In their surprise, Shen Weiyi had already come to Rayna and asked, "Auntie Rayna, did you do something wrong again?"

Rayna immediately grimaced at Shen Weiyi.

Shen Weiwei knew Rayna's temperament, and he would make some small mistakes from time to time. Jun's family has a big business, and it's not a bad thing to occasionally beat Rayna.

Besides, Shen is the only child, and it is not easy to ask adults.

Therefore, Shen Weiyi didn't say anything.

She only looked at Kraig and Dalia and said, "I have no one to play in Nancheng. Aunt Galia and my cousin have gone abroad. Sister Ming Sai is intern in Kyoto again. You are all in Kyoto, so I came here. ."

She said it easily.

But it scared Dalia and Kraig.

Kraig had a sullen face: "Shen Weiyi! You are getting more and more courageous! You came to Kyoto by plane alone, what do you say if you encounter something on the way! No way! You have to go back to me!"

Shen Weiyi: "..."

"You have no right to ask me! Humph!" Shen Weiyi pouted and resisted Kraig.

She just came, and she wanted to have a good time.

Unexpectedly, when he first came here, he was scolded by Uncle Jun.

“Okay, okay, the only one here, fortunately there is no danger, let’s quickly call Suzi and Shaoqin to report safety, you let her play today, and you won’t be able to fly back tomorrow afternoon. She goes to school at night.” Dalia came out to smooth things out.

Kraig glared at Shen Weiyi angrily: “Next time you’re so bold, I’ll beat you up!”

“Humph!” Shen Weiyi was not afraid!

Because of her arrival, the atmosphere of Jun’s family was much better, everyone was talking and laughing, and Shen Weiwei was having fun with a few younger brothers.

Here, Pan Mingsai took advantage of his free time to give Yingzi new clothes.

“Sister Yingzi, you can try it when you go home later to see if it fits. I think it should fit.” Pan Mingsai said.

Yingzi looked at Pan Mingsai very gratefully: “Sai Sai, if you don’t have money, don’t buy me clothes. I have a salary every month, and Mr. Jun and his wife pay me a lot.”

“You buy it for me. I only buy it for you once in a while. You must accept it. This is my internship salary, which I earned myself.” Pan Mingsai said proudly.

“Okay!” Yingzi smiled gently.

The two are like family.

“Yingzi.” Kraig shouted.

“Mr. Jun?” Yingzi asked respectfully.

Kraig and Dalia are good-looking couples. Although Yingzi is Dalia’s personal bodyguard, Dalia has always regarded Yingzi as her

younger sister, and Zhang Luo introduced her to someone, wanting to give her a stable home.

The heroic purple heart is grateful to Dalia and Kraig.

Chapter 2085

“Tomorrow afternoon, the only time you go back to Nancheng, you go to see her off. Give her to her parents in person.” Kraig said.

“No need.” Shen Weiyi said.

“You have to be heroic to send you back!”

“Mr. Jun, it’s not really necessary. I’m going back to Nancheng for an internship tomorrow.” Pan Mingsai said.

“That doesn’t work either! You are both children, I’m not at ease!” Kraig said firmly.

Shen Weiwei and Pan Mingsai looked at each other and stuck out their tongues. Shen Weiwei said, “Well, just in time to take Aunt Yingzi to Nancheng to play, my mother misses Aunt Yingzi too.”

“It’s almost!” Kraig’s tone softened a lot.

And bought tickets for Shen Weiyi and Pan Mingsai on the spot.

Next, Shen Weiyi and Pan Mingsai played with the children for a while in Jun’s old house, and after taking some time out, Shen Weiyi asked Rayna, “Aunt Rayna, is your mother-in-law very picky about you? ?”

Rayna looked at Shen Weiyi in a soothing tone: “Aunt Rayna is fine, children don’t ask these things, look, your Aunt Shanshan is my aunt,

And sister Yingzi is also with me, I’m fine. “

After being married for three years, Rayna has learned a lot.

She has learned tolerance, patience, and how to get along with this big family.

People are also mature.

Seeing Rayna like this, Shen Weiyi was also relieved a lot.

“Tell your mother, I’m fine.” Rayna said.

“Got it!” Shen Weiyi said with a smile, “Then I went shopping with Sister Mingsai?”

She came to Kyoto by herself this time, specifically to find the title contest. Shen Weiyi liked to go shopping with Pan Mingsai on the street, eat snacks, and buy some small things.

Who says two people of the same age have a common fourth uncle?

Rayna nodded: “Go.”

For the rest of the time, Yingzi accompanied Shen Weiyi and Pan Mingsai to stroll around some old streets in Kyoto.

“Only, what university do you want to go to? What major do you want?” Pan Mingsai asked.

Shen Weiyi thought for a while: “Well...architecture? My mother is architecture, do I like it? I don’t know, but I prefer to travel. Maybe I will choose geography and study geography.”

Twelve-year-old Shen Weiwei felt that after studying geography, he could travel all over the world in the future.

“Do you support me? Sister Mingsai.” Shen Weiyi asked.

“Of course!” Pan Mingsai said gently.

“During my internship in Kyoto, did you miss Uncle Joan?” Shen Weiyi asked.

Pan Mingsai’s little face suddenly turned red.

But she nodded immediately: “I think.”

“Go back, go see my Uncle Joan first?” Shen Weiyi asked again.

“That’s not possible.” Pan Mingsai said sternly: “I have to go back to Nancheng Hospital first, and report to the tutor first. After the work is done, I will go to see her.”

Pan Mingsai has always been diligent and eager to learn. Even if she thinks of Joan again, she will finish her work seriously first.

The next afternoon, Pan Mingsai, Shen Weiyi and Yingzi returned to Nancheng by plane.

After getting off the plane, Pan Mingsai went straight to Nancheng Hospital.

And Yingzi and Shen Weiyi returned to Weiyi’s home together.

This was specially arranged by Kraig for Yingzi, and Yingzi must be sent home safely.

Along the way, the only one who talked and laughed with Yingzi: “Aunt Yingzi, do you think Uncle Jun is making too much of a fuss? My mother doesn’t worry about me, Uncle Jun is so worried about me, but Aunt Yingzi, you haven’t been to Nancheng for a long time. , I just took this opportunity to play in Nancheng.”

Yingzi nodded: “Yes, I haven’t been here for several months.

In a few days, it will be your fourth uncle’s death anniversary. I just happened to go to the cemetery to see your fourth uncle. “

“Aunt Yingzi...” Shen Weiyi didn’t know how to comfort Yingzi, when Yingzi’s cell phone suddenly rang.

She picked it up and connected: “Hey, Sai Sai, what’s the matter?”

At the other end, Pan Mingsai said excitedly, “Fourth uncle, I... I saw my fourth uncle.”

Chapter 2086

Yingzi thought her ears were sick, she murmured, "What did you say, Sai Sai?"

Pan Mingsai cried and laughed: "Sister Yingzi, come over quickly, I saw my fourth uncle, it must be my fourth uncle, come quickly."

Yingzi was stunned.

She was speechless for a long time.

"Sister Yingzi, Sister Yingzi?" Pan Mingsai shouted on the other end of the phone.

"Hey." Yingzi's voice was like a ghost.

She was thinking about Pan Haoyang day and night.

But she never imagined that Pan Haoyang could come back to life. What happened?

Is it really Pan Haoyang, isn't he dead?

Yingzi doesn't know.

At this moment, Yingzi's whole body and heart are half a beat.

So when Pan Mingsai called her, she only agreed for a long time.

"I'll be waiting for you at the hospital, come here quickly, by the way, bring the only one, my fourth uncle likes the only one the most, come quickly, I'll spend my fourth uncle first, save him from running away. "

After that, Pan Mingsai hung up the phone.

“Mingsai...” Pan Mingsai’s phone was already busy.

Pan Mingsai, who had received the telephone line, almost trotted all the way to the operating room.

She is waiting there.

She thought that no matter how long he waited, he would definitely come out after the operation.

Pan Mingsai was convinced that that was the fourth uncle.

Must be the fourth uncle.

Just two hours ago, after Pan Mingsai and Shen Weiwei who got off the plane separated, she went directly to Nancheng Hospital.

Originally, I wanted to report to my mentor, but when I came to the hospital, I found out that the mentor had an operation yet to come.

Pan Mingsai, who had nothing to do, was hanging out in the hospital.

Nancheng Hospital is very big, and it is home to the best doctors in the country. If he can continue to work here, Pan Mingsai believes that ten years from now, when he is in his thirties, he will be a doctor with superb medical skills.

At that time, he will save lives and help the wounded, and have a stable job of his own, and then marry Joan and have a few more children. How wonderful.

One day, she will return to that island with her husband and her children.

Let your parents take a look.

Let mom and dad know that even if the Pan family walks out of that island, they can make a difference.

Moreover, the outside world, even Nancheng, is not like what his father said, Arron can’t tolerate the Pan family.

on the contrary.

Arron is very good.

When Pan Mingsai called Arron, he also called Fourth Uncle.

Arron has no disgust at all, and often encourages her to study hard and be a good doctor with ideals and aspirations.

How beautiful is life for her?

It's just that the fourth uncle can never return to this world again.

When she came to Nancheng, although Pan Mingsai didn't say anything, her heart had always been lonely. Even though Joan had been taking care of her, she was still lonely most of the time.

It was the kind of loneliness that forced her to grow up, separated from her relatives and her past life.

She knew she had to have backbone.

She knew that she had to depend on no one to live her life as a person, so that she could win glory for the old Pan family.

Therefore, this loneliness has always been swallowed by Pan Mingsai.

Until one day, Pan Mingsai met his fourth uncle in Nancheng.

The fourth uncle's situation is already very critical, but in such a crisis situation, he has to do his best to protect her, and he has to put the last need

The money to escape and save her life was kept for her tuition.

Tell her that the children of the Pan family should not rely on anyone.

If there is any need, the fourth uncle will come to solve it for her.

At that time, Pan Mingsai was really like crying.

But before she wanted to talk to the fourth uncle, the fourth uncle had already fled, and there was no news.

Chapter 2087

After that, the news of the fourth uncle that she knew was so dangerous, and in the midst of such danger, every time there was news from the fourth uncle.

Part of his property was given to Mingsai.

Let Mingsai study hard and read good books.

Don't rely on others.

Pan Mingsai remembered every word of the fourth uncle.

The fourth uncle is also the only relative that Pan Mingsai misses in Nancheng, more than his parents.

However, the fourth uncle died.

The fourth uncle, who was so tragic, needed family warmth, and was so cruel but extremely vulnerable, died.

Pan Mingsai lost her only relative in Nancheng.

lost that warmth.

A few years have passed, every time the fourth uncle's death anniversary, birthday, and Mingsai's own birthday, she will go to the fourth uncle's tombstone to visit the fourth uncle.

For several years, Pan Mingsai has never forgotten his fourth uncle.

Even the sister Yingzi, who likes the fourth uncle the most, has become a good friend of Pan Mingsai.

The two of them missed Pan Haoyang together as if they were relatives.

Is it because Pan Mingsai missed his fourth uncle so much that he had hallucinations?

Pan Mingsai saw a flashing figure in a white coat in the hospital.

The height, hairstyle, fat and thinness, and walking posture are exactly the same as the fourth uncle.

Except for the fourth uncle who didn't wear a white coat, and the man was wearing a white coat.

Pan Mingsai was stunned at the time. She couldn't believe her eyes. After she was stunned for a second, she blurted out from behind: "Fourth Uncle?"

But the figure did not look back.

The figure flashed by and walked away.

Pan Mingsai was originally going to find her mentor, but at that moment she was desperate. She immediately ran frantically to chase the figure, but after chasing it and bypassing the pillar, the figure disappeared.

Is she blindfolded?

No!

Definitely Not.

Pan Mingsai went back and forth between several departments and several consulting rooms. Every time she saw a man in a white coat, she would pull him away to take a look.

She was sure she had read it right just now.

She's not nearsighted and has a very good eye.

"Fourth Uncle! Fourth Uncle!" Pan Mingsai muttered in his heart, looking for it in Nancheng Hospital like a madman.

She didn't fall down all the floors up and down.

She completely forgot about the job she was going to report to as a mentor.

It wasn't until she frantically searched for more than an hour that she was sweaty and extremely depressed, Pan Mingsai received a call from her mentor.

"Student Pan Mingsai, you should have arrived more than an hour ago, why haven't you come yet?" The instructor's tone was very bad.

It was only then that Pan Mingsai remembered that she still had topics to report to her tutor.

"I'm sorry, mentor, I...I, I have something to do temporarily."

"Mingsai..." The instructor said earnestly: "You have always been serious in your work, and you are never late. Even if you have a temporary business, you will definitely say hello to the teacher, what happened this time?"

Listening to the tone of your voice, do you panic?

You, you must listen carefully to what the teacher says. You will be a doctor in the future. When you are a doctor, you must not be sloppy at any time, not at all. Do you understand? "

"Understood, I'm sorry tutor, I'll come right now." Pan Mingsai was extremely embarrassed.

She can't chase after the fourth uncle in the full hospital, she is going to go to the tutor right now.

Unwilling, Pan Mingsai went to the tutor's office, and before he knocked on the door, he heard someone talking in the room.

"You can come to help me this time, the teacher is very grateful to you, if you cheer up, you will definitely have a bright future! Young man! Work hard, now that you are thirty-six or seven years old, it is a good time to be a doctor. !"

"Thank you, teacher." A clear male voice said.

At this time, Pan Mingsai raised his hand and knocked on the door.

"Come in." was the teacher's voice.

Pan Mingsai then opened the door. The moment the door opened, she was stunned, but she murmured in her lips, "Fourth Uncle?"

Chapter 2088

The man who was facing Pan Mingsai turned his head naturally, and saw a man standing at the door with a height of only 1.5 meters. He had small freckles, a concave bridge of the nose, small eyes, and thick and big lips. It was really ugly. little girl.

The man looked at the little girl with no disdain, but asked gently, "Little girl, you... call me? Fourth uncle?"

Depending on the age, the child is at most twenty-five years old.

And at the age of thirty-six or seven years old, he was called uncle, and he did not violate the harmony.

It's just that he doesn't know this

little girl?

However, there was a feeling of deja vu in the man's mind.

Where have you seen it?

Men don't know.

“Fourth Uncle?” Pan Mingsai’s tears flowed down, she forgot that she was here to find a mentor, she put aside the already dumbfounded mentor who couldn’t speak, and walked straight towards the man. He walked straight to the man and threw himself directly into the man’s arms.

The man in the white coat: “...”

“Fourth uncle... woo woo, fourth uncle, it’s really you, fourth uncle... woo woo

Fourth Uncle, ooooooooo...” Pan Mingsai could only cry.

Only call the fourth uncle.

Can’t say anything else.

Her head rubbed against the man’s chest.

Tears streamed down the man’s chest.

The man’s heart seemed to be opened by something, and the cry of the little girl made him feel extremely distressed.

She cried for a long time.

All the time, I only called Fourth Uncle.

It wasn’t until she finished crying with a long, wicked mouthful of thoughts that she slowly said, “Fourth Uncle, you are finally back.

You can think about it.

I’ll be graduating from medical school in a few more years, and I’ve got a little salary now, fourth uncle, you don’t have to worry about survival at all.

I know fourth uncle you want a home.

A real home with warmth, warmth and a sense of belonging.

Fourth uncle, do you know that there is a girl who likes you very much.

I especially like you.

In the future, you will have your own home and your children, just like Mr. Fu and Suzi and Shen's only family.

Fourth uncle, don't think about it in the future.

You take 10,000 steps back, you still have me, I will support you, and support you for a lifetime.

Fourth uncle, don't die anymore, okay?

Fourth Uncle.....

You don't want to die anymore. “

The man held by Pan Mingsai: “...”

The man's eyes were red and tears were flowing.

At this time, the tutor next to him also came back to his senses: “Little Pan, what a coincidence, this child is also surnamed Pan, and she is a student who is studying in a bachelor's and master's degree with me. Her uncle loves her very much. She died a few years ago, and her surname is Pan.

It is estimated that when she heard your surname Pan, she regarded you as her fourth uncle.

don't mind. “

The male doctor called Xiao Pan immediately said, “How could it be, teacher.”

“Pan Mingsai.” The instructor called Pan Mingsai again and said, “You are a little rude today, hurry up and stand up. Dr. Pan will have an operation soon. You can't delay him or affect his mood, understand?”

Pan Mingsai immediately cried and nodded: “Good mentor, good.”

She watched helplessly as the man in a white coat who was the same length as her fourth uncle went out from the tutor and started the preparation stage for the operation.

“Mingsai?” Only Pan Mingsai and his mentor were in the office.

The tutor asked her with concern and blame: “What’s the matter? You have always been a calm child, what happened to you today?”

Chapter 2089

Pan Mingsai’s tears flowed out again immediately: “Teacher, I’m sorry, but he is really my fourth uncle, my fourth uncle is very pitiful, you don’t know, but this person is really my fourth uncle, my fourth uncle Uncle is so pitiful...”

tutor:“.....”

He firmly believes that Pan Mingsai is a good boy.

Never did anything ridiculous.

What’s going on today?

The tutor did not criticize Pan Mingsai too much, but said to her: “Mingsai, you are in a bad mood today, you can forget about the issue in Kyoto today, and when you are in a stable mood, come and report to me.

You are like this, go back to the dormitory to rest today, adjust yourself well, and the teacher will find you tomorrow, okay? “

Pan Mingsai nodded obediently: “Goodbye, mentor.”

After coming out of the tutor’s office, Pan Mingsai did not leave the hospital, she went directly to the operating area.

At a glance, I saw that the fourth uncle was making preparations.

Obviously, the fourth uncle is the main knife.

How did he work in this hospital and when did he come?

Pan Mingsai didn’t know at all.

She had never seen him before.

Pan Mingsai watched helplessly as the fourth uncle entered the sterile area wearing a white coat.

When the door was closed, she couldn't see anything, and then she took out her mobile phone and called Yingzi.

She knew how much she missed her fourth uncle, and Yingzi missed her fourth uncle no less than Pan Mingsai, so Pan Mingsai called Yingzi immediately.

Yingzi is after all older than Pan Mingsai.

The things she has encountered outside are more stormy than Pan Mingsai, so when Pan Mingsai hung up the phone, she was calm.

"What's wrong, Aunt Yingzi?" Shen Weiyi asked.

Yingzi sighed: "I think, your sister Mingsai is probably under too much pressure recently. For a while, the medical school, Nancheng, and Kyoto run again, and her parents are not here. Maybe sister Mingsai misses too much. dear."

"But sister Mingsai is not that reckless." Shen Weiyi still knew Pan Mingsai very well.

Yingzi nodded: "Yes, so Mingsai's situation is quite worrying."

After a pause, Yingzi said to Shen Weiyi, "Well, the only one, you go home alone, and Aunt Yingzi goes to see your sister Mingsai."

"I'll go with you." Shen Weiyi said indifferently.

Yingzi: "Auntie can't take care of you anymore."

"I don't need you to take care of my aunt. Sister Mingsai is my best friend. I like her the most. If there is anything wrong with sister Mingsai, I can help you. Don't worry, I will never let you take care of her. Me. I'm twelve years old, an adult, I can take care of myself, and I can help you."

Yingzi nodded: "Okay, let's go together."

Due to the traffic jam on the road, when the two arrived at the hospital, it was already two hours later.

They started calling Pan Mingsai from the door of the hospital. After Pan Mingsai told them the location of the operating room in the sterile area in detail, Yingzi and Shen Weiyi ran all the way to the operating room.

From a distance, I saw Pan Mingsai sitting alone outside the operating room.

“Mingsai!” Yingzi shouted.

Pan Mingsai waited for Yingzi and Shen Weiwei to come to her, and then excitedly held Yingzi’s hand: “I won’t lie to you, Sister Yingzi, I really don’t rebel, it must be my fourth uncle, it must be!”

Yingzi: “...”

“When the operation is over, you will know when you see it.” Pan Mingsai said very firmly.

“Yeah!” Yingzi nodded.

The three of them sat outside the operating room again, waiting anxiously.

Another two hours passed, and Pan Mingsai, Yingzi, and Shen Weiyi all felt that these two hours had passed as long as a year.

Moreover, it took them another long year, that is, six hours after the man entered the operating room, the lights in the operating room finally went out.

The three girls stood up at the same time and looked in the direction of the door without blinking.

The door opened.

After the patient was pushed away, they saw a group of people walking out around the tired-looking man.

Before she reached the door, Yingzi's tears welled up in her eyes, and her excited voice was hoarse: "Haoyang, it's really you!"

Chapter 2090

The man who just came out of the operating room was extremely tired.

He just looked at the not too young woman in front of him with tired and gentle eyes.

The woman's face has the vicissitudes of the years, but it also carries the simplicity of the world, which makes people feel that she is extremely pitiful at a glance.

The man's heart was pulled.

He asked gently, "Who are you?"

At this time, several nurses and the patient's family members behind him surrounded the man.

The family did not see Yingzi, Pan Mingsai and Shen Weiyi at all.

They only care about their patients: "Excuse me, Doctor Pan, how is my son?"

One of them stopped and immediately replied: "The operation was a success, don't worry!"

The family immediately cried with joy: "Thank you, thank you doctor, you are my son's savior!"

With that said, the patient's family members will kowtow to the male doctor.

He was stopped by the others: "I'm sorry family, Dr. Pan has been operating for six hours in a row. He is really tired. You should push the patient back to the ward first, and let Dr. Pan rest for a while."

"Okay, okay, okay!" the family said in a row.

After the family pushed the patient away, the two stopped and said with great relief: "Dr. Pan, congratulations, this is your first operation after re-operation, and the operation was very successful, which shows that you are still an excellent person. Doctor!"

Dr. Pan said with emotion: "Yes, I...I didn't expect that I could still heal and save people."

"Dr. Pan, you are too tired, should you take a rest?"

"good."

"Haoyang..." Yingzi cried tears streaming down her face.

"Fourth uncle... woo woo woo."

"Fourth Uncle?" The only one who didn't cry was the youngest Shen Weiyi's shoes.

This male doctor and the fourth uncle look so much alike.

Like facial features, like temperament, like spirit.

Even his voice was the same as his fourth uncle.

No wonder Sister Mingsai and Aunt Yingzi were both crying and bursting into tears.

If she hadn't known that her fourth was indeed dead, Shen Weiyi would have thought it was her fourth uncle, Pan Haoyang.

What's more, this doctor's surname is also Pan.

But the only thing I know is that the fourth uncle is dead.

is really dead.

The corpse of the fourth uncle has been cremated by his parents and buried next to his grandmother.

This man is not the fourth uncle.

However, Shen Weiyi, like Yingzi and Pan Mingsai, blurted out the fourth uncle to the man in front of him.

The man who was about to rest was suddenly stopped by these three shouts.

She stopped.

Looking at the three girls from tall to short lined up in front of him.

The shortest is the most beautiful, but also the strongest and calmest.

Dr. Pan said gently: "You...are you admitting the wrong person?"

"No!" Yingzi interrupted him immediately.

Her tears stayed raging and wet the front of her clothes. She didn't care, she just walked towards Dr. Pan, and without hesitation, threw herself into Dr. Pan's arms: "Haoyang..."

Doctor Pan: "..."

"I love you! I only love you in my life."

"When you die, my heart dies."

"Did you know Haoyang, I have lived so long, since I was young, apart from my brother and my mother who gave me warmth, I have been

humiliated and humiliated by others since I was a child, and I have never felt love. .

Hao Yang, you are the only man who gave me warmth.

With you, I feel that life is beautiful.

I am like a walking dead every day, I am alive because I want to protect your niece, and I want to protect Suzi's friend who saved my life.

Without them, I would never want to live.

I want to find you.

I'm afraid that after a long time, I won't be able to find you when I get to the underworld.

Woohoo, Haoyang...

You...are you still alive? "

Chapter 2091

"Haoyang...I miss you so much, miss you so much, miss you so much, don't leave me, never leave me again, okay, I'm so pitiful alone, Haoyang... .."

At this moment, the heroic figure in his thirties was crying like a little girl.

In fact, although she is thirty-five or six years old, her emotional experience has always been blank.

The only love experience is Pan Haoyang.

Therefore, she blocked all the good things in the few days between her and Pan Haoyang.

The man who died sadly.

The one who only wanted a home all his life, a warm home with a garden, a vegetable garden, and a loved one.

Yingzi understands him.

I understand very well.

“Haoyang, I have a home now. Mr. Jun and Mrs. Jun bought me a house in Kyoto. I have a home, I can give you a home, and you won’t have to be alone in the future.”

“If you don’t want to go to Kyoto, you can do it in Nancheng.

You see, Nancheng and your two nieces.

They miss you very much. Although we are poor and have no money, I can do any job. I can work five jobs a day. I only need four hours of sleep. We take out a loan to buy a house.

We can do it.

At that time, we will plant a lot of flowers on the balcony, and plant the flowers you like.

I...I also want to give you many, many children.

A child as cute as Shen only.

How are you, Hao Yang? “

She said it so eagerly.

Her face was filled with a very happy smile, and that smile was like a flower that bloomed to the extreme.

That was all the hope on the girl’s face.

At this moment, Pan Youming suddenly felt infinite tenderness in his heart.

This was his first surgery since he regained consciousness.

He was able to take a job at Nancheng Hospital and was able to go to the operating table. The teacher worked extremely hard for him. Finally, he returned to work and picked up the scalpel again.

Also, the surgery was a success.

How important and special is today's day to him?

But, no matter how special, there is nothing special about the three women standing in front of him now.

To be precise, the youngest is not a woman, the youngest is a 10-year-old child.

The middle child is not a woman, and can only be a child.

the biggest this,

It was a real woman who threw herself into his arms.

The woman's body temperature, the woman's heartbeat, and the woman's expectant face all washed Pan Youming's heart one by one.

There was a constant voice in his mind, and he said to him very eagerly: "Promise her! Promise her! Promise her! Don't make her sad."

promise her.

Promise her!

Don't make her sad.

The voice was suddenly far away, then very close, now very real, and now very ethereal.

That voice made Pan Youming feel like he was unconscious again for a moment.

He shook his head hard and looked at the other two girls gently.

Shen Weiyi looked at him calmly and gently: "Fourth uncle, I don't blame you for a long time, you are my fourth uncle, and I kiss the fourth uncle. My father is the closest relative to the closest relative."

The other girl had tears on her face and pleading: "Fourth uncle, I'm very good now, I'm no longer playful, I will be a very good doctor in

the future, I don't depend on anyone, I have always been in the work-study program, Fourth Uncle, I will support you for the rest of your life.

I will never leave you alone and never let you be alone.

Fourth Uncle, Sister Yingzi is the woman who loves you the most in this world.

Fourth uncle..."

"Haoyang..." Yingzi carelessly arched in the man's arms.

She doesn't let him go.

Never let him go, she was afraid that if she let go, he would turn into air and run away.

"Haoyang, don't leave me again, okay?" Yingzi raised her tearful eyes and looked at Pan Youming.

"Okay." Pan Youming said gently.
