

# Chapter 2087– 2088 of A Dish Best Served Cold Novel

## Chapter 2087

Bald Liu looked at Ericson, but sneered.

“You~” Ericson and the others were about to furious, but then, in the room, another person stood up.

“My Du family, I also wish to honor Young Master Lu!” “Old Lu, you...”

Ericson, Lei Lao San and others were once again astonished.

Before coming, Ericson and the three of them had already passed their anger with the various forces, hoping that they could unite against Fenghua Group.

Unexpectedly, at the beginning, there would be two direct defections.

However, this is just the beginning.

As the head of the Du family got up, the third and fourth people also got up and stood in line.

“My Tian Family~” .... “My Zhu Family~” ...

In the end, almost all the people in the house got up.

One after another they picked up their wine glasses and respected Lu Mingfei who was sitting high.

The voice of respect and the words of respect are echoed in this world.

“I’ll wait~” “I would like to honor Mr. Lu!” “From now on, Mr. Lu, the head of the horse is looking forward!” Seeing the scene before him, Ericson, Lei Lao San and others were all bewildered.

They didn’t expect that they promised to protect Mr. Chu’s majestic people with the three of them last night, but now they all turned their backs.

“Okay~” “Very good.”

“We were so blinded that we actually believed in your beasts.”

“When Mr. Chu destroyed Zao Wou-Ki, you should be slaughtered together.”

Ericsonshuang With red eyes, Lei San was also full of heart, only feeling that there was a kind of anger of being betrayed.

In the end, Ericson turned his head to look at Lu Mingfeng.

“Lu Mingfeng, you should be proud of it.”

“The whole Noirfork forces have surrendered to you.”

“I, the Li family in Wrilfill, the Lei family in Denham, and the Chen family in Edensberg, will never give in to you!” “The three of us! The forces, even if they die, have to break a few of your teeth.”

Ericson roared sharply.

Lei San also scolded angrily.

However, facing the anger of the two of them, Lu Mingfeng smiled faintly.

He didn't speak, just picked up the wine glass in front of him and took a sip.

Above the gloomy face, there is full of wanton and play.

“Oh, is this really the case?” “Ericson, you are just as stupid as you are, but if you are so confident, others are as stupid as you?” Lu Mingfeng smiled lightly.

When Ericson heard this, he frowned: “Huh?” “What do you mean?” Just when Ericson was surprised, Chen Ao, who had been silent beside him, suddenly stood up at the next moment.

He took up the wine glass and looked forward with the most respectful tone and the most humble gesture.

“My Edensberg Chen family, I would like to serve Mr. Lu as the honor of Noirfork!” Boom~ At that moment, it was like a thunder.

Ericson and Lei Lao San were all in a daze.

Their eyes stared fiercely, and they were almost horrified.

Ericson and others could hardly believe the scene at hand.

They did not expect that Chen Ao actually betrayed Mr. Chu and bowed his head to Lu Mingfeng.

“Chen Ao you...you...”

“How can you?” “How kind is Mr. Chu to you?” “If it’s not Mr. Chu, can your Chen family have today?” “If it’s not Mr. Chu, your daughter Cynthia Chen is afraid that he has already lost his life to Huangquan.”

“Mr. Chu has the grace to rebuild you, and in the land of the world, in Noirfork, anyone can betray him, but you can’t.”

“You beast~” “How can you betray Mr. Chu?” ..... “Why?” “Why?” Ericson’s eyes were red, and he shouted at Chen Ao.

Lei Laosan was also distraught, and his whole body was trembling.

It can also be seen that Chen Ao’s defection touched the two of them so much?

For Mark, Ericson and the three of them have always been confidantes.

## Chapter 2088 Never bow your head!

Back then, the richest man in Noirfork was eradicated by Mark, and the 100 billion industry was divided between Mark and Chen Ao.

And when Mark was no longer there, let the three of them manage Noirfork on his behalf.

If it is said that the three of them have suffered the most from Mr. Chu.

Ericson and others thought that even if everyone in Noirfork betrayed, the three of them would not betray Mr. Chu.

But unexpectedly, the reality slapped them in the face!

However, Chen Ao remained silent in the face of Ericson and others’ questions.

I turned a deaf ear to their words.

Just holding the wine, respecting Lu Mingfeng ahead.

At this time, Lu Mingfeng was full of arrogance and looked down at Ericson and the others in front of him with a victorious look: “Ericson Li, Lei Sanye, how about?” “Now, do you have to hold on?” “I promise, as long as you bow to me today, I, Lu Mingfeng, will never embarrass you.”

“Even the two cities of Wrifill and Denham are still yours.”

“As the saying goes, those who know the current affairs are handsome.”

“Chen. You are always advancing with the times. Do you two still have to be pedantic and stupid?” “You have to shut up!” “What treacherous tactics did you use to force Chen Ao down? Xiang and you.”

“I absolutely don’t believe that President Chen will betray Mr. Chu.”

Ericson scolded angrily, almost crazy.

In the entire Noirfork, apart from Mark, the Edensberg Chen family is the most powerful.

Now that Chen Ao’s rebellion is over, it can be said that the general situation is over, and it is naturally difficult for Ericson and others to accept it.

“Haha~” “Say I’m persecuting?” “Ericson Li, you really treat a gentleman like a villain.”

“I, Lu Ming, sit upright and sit upright.”

“Others follow me, that is also willing. “As the saying goes, peaches and plums are self-contained without saying anything.”

“If you don’t believe me, you can ask Mr. Chen.”

“By the way, you must be very curious about why I can kill Mu Fan in such a short time. Group.”

“In this, Mr. Chen has contributed a lot of credit.”

“Also, at today’s banquet, so many people surrendered to me, you must be surprised.”

“It is also thanks to Mr. Chen who helped me lobby. Everyone.”

“Otherwise, I am an outsider who dominates Noirfork’s business community in such a short time. If there is no support from local forces, do you think it is possible?” “Oh, by the way, there is one more thing I forgot to tell you.”

“Don’t you find out , Master and Wei, are neither by my side?” “I sent them to Denham.”

“I heard that Mr. Chu’s relatives are in Denham.”

“I thought about asking them to come over as guests. Then I sent them there. Look for Mr. Chu.”

“Haha~” Lu Mingfeng smiled wantonly, and his triumphant laughter echoed in the world.

When Ericson and others heard this, they were mad and angry.

“Beast, you beast!” “Don’t even let go of women and children. How can you be worthy of being the lord of Noifork, and how can you be the first to rule Noifork.”

!” Ericson gritted his teeth and roared.

“I am not convinced by Lei’s family in Denham!” Lei Lao San also shouted sharply.

However, just when everyone thought that Ericson and the two dared to disobey Lu Mingfeng.

In the corner, two more figures stood out.

“The Haozhou family, don’t accept it!” “I, Wang Jiexi, only respect Mr. Chu as the master.”

..... “And my Wrifill Xia family, never bow your head!” In the low roar, Xia Xue and Father Xia also Resolutely stood up.

With their weak power, in this dim world, a little light is blooming.

But is it useful?

It’s useless.

From the moment Chen Ao bowed his head, the trend was set!

This rebellious voice couldn’t make much of the waves.
