

## Chapter 209

When Warnia heard that Mr. Lai had found the key to the problem, she immediately asked with excitement, "Mr. Lai, will my fortune be better by removing the green plants?"

"Neither!"

Mr. Lai said with a serious face: "The feng shui formation is an invisible formation. Even if you remove the green plants, you can't remove its influence on the feng shui pattern. Warnia hurriedly asked, "What should I do? ! "

Mr. Lai said: "You should place the exorcism transporter refined by Masters in the place of the green plants! Only in this way can you completely eradicate your troubles, keep your fortune open, and the purple gas coming from the east!"

Warnia asked: "Then what is the thing that drives away evil spirits?"

Mr. Lai immediately took out an egg-sized stone from his pocket and said earnestly: "Miss, this is Taishan chalcedony. It is the essence of the entire Taishan stone that has been eroded and weathered for tens of millions of years. It is a magical product for exorcising evil and transporting! If you place this piece of Taishan chalcedony in the place of a green plant, all the evil aura will immediately dissipate. When the purple qi comes from the east, it will definitely go back!"

Warnia asked with joy, "Mr. Lai, how much does this Taishan Chalcedony cost? I will buy it!"

Upon hearing this, Mr. Lai's eyes flashed with excitement!

Immediately, he said with a serious face: "Miss Taishan, if this piece of Taishan Chalcedony is placed in Hong Kong, it will be worth at least 15 million, but I also have a relationship with the young lady. I will sell you this piece of Taishan Chalcedony for only Ten million."

Warnia nodded and said, "Money is not a problem, as long as it can really help me solve the trouble!"

Mr. Lai said without hesitation: "Miss, don't worry, if you put Taishan Chalcedony up now, your fortune will be completely changed tomorrow!"

Warnia breathed a sigh of relief immediately. She did not hesitate to bring the checkbook, and with a tender wave of her hand, she wrote a cash check for 10 million and handed it to Mr. Lai: "Mr. Lai, give that Taishan stone to me. Please make your formation!"

Warnia now only wants to solve the current trouble as soon as possible!

Recently, she has been tortured crazy by her own bad luck.

Just last month, just after her 24th birthday, she began to be unlucky.

First, there were various car accidents, and all five cars were damaged to varying degrees;

Not long after, she sprained her ankle again, and she is still in pain.

A few days ago, the relic left by her mother, and also her most cherished jewelry, was lost by her!

That jewelry has been with her for more than ten years, and it is almost her half-life. She offered a reward of several million, but there has been no news.

For this reason, she did not know how many times she cried quietly at night;

Yesterday, the Hong Kong Li family, which the Song family was actively cooperating with, added a lot of blockage to the Song family!

The two originally negotiated cooperation and were about to sign a contract, but the Li family in Hong Kong suddenly introduced a partner. Not only did they stop signing the contract with the Song family, but also revealed from all aspects that they wanted to cooperate with another partner.

For Warnia, this is tantamount to that the duck that brought its food to mouth but was suddenly taken away by someone else.

The loss this brought to the Song family was extremely huge, far more than she could bear!

All kinds of unlucky things continued, and Warnia had long been unable to bear it. At this moment, she just wanted to get in touch with this sad life, so as not to suffer more losses.

Therefore, it is very cost-effective for her to spend 10 million to solve the Feng Shui problem.

Mr. Lai got a check of 10 million, and his hands tremble a little with excitement.

## **Chapter 210**

He hid the check in his body, and immediately took the Taishan chalcedony to the window sill, took down the pot of green plants, placed the stone on it, and kept chanting Taoist mantras.

Charlie looked at all this and sneered secretly.

This Mr. Lai not only doesn't understand sh!t, but also unknowingly self-defeated and caused a catastrophe!

In fact, he had already seen the weirdness of this house through the Feng Shui mystery in the Nine Profound Heaven Scriptures.

He could clearly feel that in this room, a very terrifying formation of trapped dragons in the mystery of Feng Shui was basically formed.

The so-called trapped dragon formation, as the name implies, in this formation, even if it is a dragon, it will be trapped, let alone the fortune of ordinary people.

Therefore, no matter how strong the fortune is, those who live in the trapped dragon will inevitably lose their fortune and continue to have bad luck.

The eldest lady lives in such a room, her own fortune is all trapped, and once a person's fortune is trapped, naturally one after another will be unlucky.

Fortunately, this trapped dragon formation has only begun to take shape and has not yet been perfected.

If it is really allowed to continue to improve, not only human fortune, but also human fate can be trapped in it.

Then it won't be bad luck, it is very likely that you will lose your life!

Coincidentally, the only loophole left by this trapped dragon formation is that pot of green plants!

Green plants are wood, representing life and vitality!

With it, it is tantamount to opening the only remaining life for this Array.

There is a student who can barely fight against the gathering of the trapped dragons, keeping the last bit of luck for the young lady.

However, Mr. Lai accidentally picked this place and put his broken stone here.

You know, stone is hard! Represents unbreakably!

Once this stone replaces the green plants, the dragon formation is almost complete!

At this time, Mr. Lai finished chanting the mantra and took a deep breath, saying: "Miss Lai, someone Lai has finished the formation, you can rest assured!"

Warnia hurriedly asked: "Then my future fortune can be restored? Wouldn't it be so bad?"

"Yes!" Mr. Lai nodded and said, "I rely on someone for his Feng Shui technique, which is famous in Guangdong, Hong Kong and Macau. Even Hong Kong tycoon Li Ka-shing and Macau gambling king Stanley Ho are also the Feng Shui clients of mine. Miss, don't worry! "

Warnia hurriedly asked: "Mr. Lai, I wonder if you can wish me to find the bracelet my mother left me? If possible, I would pay another 10 million!"

Mr. Lai scratched his head: "This eldest lady, I am good at Feng Shui mystery. Finding things is not my area of expertise."

Warnia nodded disappointedly: "It's okay, you reversed the current bad luck, I am very grateful to you, Mr. Lai."

As soon as she finished speaking, her cell phone rang. On the phone, a woman said hurriedly: "Mr. Song, it's not good, something has happened!"

Warnia hurriedly asked, "What's the matter?"

The other party said: "The shipment we exported to the United States was just unloaded in the United States. As a result, the other company said that our product was not up to standard and we had to return it in accordance with the contract and claim triple compensation!"

Warnia suddenly glared, and blurted out in a panic: "The five thousand tons of goods will be returned? This time, I have lost tens of millions of transportation fees and customs declaration fees, plus triple the compensation. Several hundred million!"
