

The One and The Only Chapter 21 - 30

everyone on the scene was dumbfounded, especially Zhou Lili. She wondered why the boss Gao Wei, who is worth more than 100 million yuan, should treat

Yash Nics so dignifiedly?

Yash Nics retrieved the black card casually, and said faintly: "Just make friends, fire her." Yash Nics said of her, of course, is Zhou Lili next to her.

Gao Wei looked at Zhou Lili without hesitation, and said coldly:

"You have been fired, go to the finance and settle your salary, and then let me go!"

Zhou Lili couldn't help it anymore and began to cry. , But there is no regret medicine in the world.

Soon, Li Jianmin helped Yash Nics complete the procedures and temporary license.

Yash Nics and Song Pingting's family drove a BMW M760Li xDrive, and left with Gao Wei and the others.

On the way home, whether Song Zhongbin and his wife were sitting in the back seat with

their children, or Song Pingting, who was sitting in the passenger seat, looked at Yash Nics with weird gazes, hesitant to speak.

While driving, Yash Nics smiled and said to Song Pingting, "Seems like you have something to say?"

Song Pingting snorted, "Yash Nics, how much do you hide from us?"

Yash Nics laughed: "No, no matter what you ask me on weekdays, I always answer

truthfully ." Song Pingting: "Well, I ask you, why do you have so much money?"

Yash Nics blinked, "Because I am Beibei.

Little commander , money is just a number to me." Not only Song Pingting rolled her eyes, but even Song Zhongbin and his wife sitting in the back seat didn't believe it. It was a

fantasy!

Song Pingting squeezed her pretty face and rebuked: "You are not allowed to run the train

with your mouth full, I want you to tell the truth."

Yash Nics smiled bitterly, and said: "Well, you all know that I was a soldier for several years.

When I was a soldier, when I was on a mission, I once saved a rich man."

"The rich man is grateful for my life-saving grace. I have to give this black card to me."

"I don't know how much money is in the card, but I believe it is enough to buy the BMW 4S

shop just now." That's

it!

Song Pingting's family all showed stunned expressions, and at the same time they were very

shocked. I want to be able to buy the BMW 4S store directly. Does the card have one billion

or one billion?

In the eyes of Song Pingting's family, Yash Nics was an idle man without a job.

But now, they finally realized that Yash Nics turned out to be a rich man!

Ma Xiaoli looked at Yash Nics with complicated eyes, bit her lip, and said: "Yash Nics, even if

you are rich, but I hope you don't spend money just because of our family."

Song Zhongbin also said, "Yes. We are not used to owe favors. Before you took out the An

Gong Wan pills to treat the old man, our family owes you enough."

Yash Nics heard this, pulled the car to the side, and looked at Song Zhongbin's family, and

said sincerely, "Dad. Mom, Xiao Ting, I have caused a lot of wrongs to your family over the

years. You can forgive me. I am very happy."

"Now you allow me to have a clear acquaintance with Xiao Ting, and allow me to live in your

house. . Then I will take the responsibilities of my father, husband, and son-in-law. I can

never let anyone bully you

anymore , no one will do!” When Song Zhongbin and his wife first met Yash Nics, they hated

Yash Nics.

But after Yash Nics took out Angong pills to save his father’s life, Song Zhongbin and his

wife had already changed their views on Yash Nics.

Now that they heard Yash Nics’s words again, they were both moved and gratified.

Ma Xiaoli said: “It seems that we had a deep misunderstanding of you in the past. You child,

your heart is still very kind, and we will be a family in the future.”

Song Zhongbin also said: “Yes, Xiaoting’s happiness will be entrusted to you in the future.”

Song Pingting has a blushing face. After getting along during this time, her parents are more

and more satisfied with Yash Nics, and now they have officially admitted. Yash Nics’s

son-in-law status.

She glanced at Yash Nics with a smile on her face in embarrassment, and said in her heart:

What are you happy about, this girl hasn’t really promised your wife!

Chapter 22

Because Haitang City Village will start demolition soon, and Song Pingting’s family is also

within the scope of demolition, so the family needs to find a new place to live.

In the afternoon, Yash Nics and Song Pingting’s family went to the Jiangbin Garden Sales

Center to choose a suitable house.

Riverside Garden is one of the most famous buildings in Mannity.

People who live here are either rich or expensive.

However, the reason why Yash Nics chose to choose a house here is that as long as the

new houses here are all decorated, he can directly move in with his bags.

Yash Nics and Song Pingting’s family were in a hurry to move, and they didn’t have time to

wait for an ordinary real estate house.

Yash Nics and Song Pingting's family wore ordinary clothes, and it seemed that they didn't want to afford the people of Jiangbin Garden.

However, out of professionalism, a sales lady named Huang Xueqi greeted me and asked with a smile: "Hello, this is Huang Xueqi, the sales manager here, may I come to see the house?"

Yash Nics said lightly: "Yes, do you have any recommendations?"

Huang Xueqi: "We have high-end hardcover suites here, as well as a small number of villas.

They are all existing houses. I don't know which one you like?"

Song Pingting has seen Yash Nics spend a lot of money. Although she knew that Yash

Nics's card was rich, she was still reluctant to be extravagant and wasteful.

Before Yash Nics could answer, she said first: "The villa is too extravagant. Let's just look at the ordinary suite." As

soon as Song Pingting's voice fell, a bitter and mean woman's voice suddenly came from

behind her: "Heh, I People who bought two BMWs in one breath are so rich and powerful. I

didn't expect to be just a poor man with a swollen face. They dare not even look at the villas and can only afford ordinary suites."

Yash Nics and Song Pingting's family frowned when they heard this, and looked back in the direction where the sound came from.

Then I saw a young girl snuggling next to a handsome young man. This woman turned out

to be the saleswoman who was fired at 4S o'clock in the morning to the Yash Nics family and was fired: Zhou Lili.

It turned out that Zhou Lili's boyfriend was Huang Mingxuan, the general manager of the Jiangbin Park real estate.

Zhou Lili was fired from the BMW 4S shop, and naturally immediately ran to complain to her

boyfriend, but she did not expect that she and Huang Mingxuan would pass through the sales department lobby and ran into Yash Nics's family again.

She happened to hear Song Pingting say that the villa was too luxurious to afford, and she only planned to see an ordinary suite. She couldn't help but sneer on the spot.

Seeing that it was Zhou Lili again, Yash Nics said indifferently: "It seems that you haven't learned your lesson yet!"

Lesson!

When Zhou Lili heard Yash Nics's words, a deep hatred appeared in her eyes.

She looked at Yash Nics with a sneer: "You dare to mention that I was fired. Do you really

think that you bought two BMWs, it's amazing?"

"Do you know who my boyfriend is? Don't be scared. To you!"

She pointed at the handsome man in a white suit beside her,

braggingly: "Hailong Group

Chairman Huang Dezhi's only son, the general manager of

Jiangbin Garden Real Estate,

Huang Mingxuan!"

Huang Dezhi's son?

When Yash Nics and Song Pingting's family heard that Huang Mingxuan in front of them

was Huang Dezhi's son, their expressions became weird.

Not long ago, Huang Dezhi tried to be rude to Song Pingting and

was kicked off by Yash

Nics on the spot.

The next day, Huang Dezhi still leaned on crutches and worked hard to climb the sixth floor,

apologizing to Song Pingting's family and begging for mercy.

Now, Zhou Lili used Huang Dezhi's son to scare Yash Nics.

Both Yash Nics and Song Pingting's family couldn't help but want to laugh, and they were

holding back hard.

But the weird expressions of Yash Nics and Song Pingting's family were seen in Zhou Lili

and Huang Mingxuan's eyes, but they thought Yash Nics and the others were scared and

stupid.

Huang Mingxuan glanced at Yash Nics arrogantly, and then asked Zhou Lili next to him:

“Baby, is this guy who caused you to be fired from the BMW 4S shop?”

Zhou Lili: “No, although I am going to be ready after I date you with Huang Shao I resigned, but I was fired because of this dog stuff. It’s maddening me.”

Huang Mingxuan comforted and said, “It’s okay, I’ll help you out today!” After

he finished speaking, he straightened his face, coldly. Said to Yash Nics: “Get out of here,

kneel down and apologize to my girlfriend!”

Chapter 23

Huang Mingxuan asked Yash Nics to come over and knelt down to apologize to his girlfriend Zhou Lili.

Zhou Lili looked at Yash Nics’s family triumphantly with her arms folded.

This is Huang Shao’s site. Everyone knows that Huang Shao will do what he says.

No one dared to stand whoever Huang Shao asked to kneel down. The corners of Yash Nics’s mouth rose slightly, and he looked at Huang Mingxuan and Zhou

Lili playfully: “There have always been people kneeling on me, and without me, what are you doing?” When

Zhou Lili moved out of Huang Mingxuan’s identity, Huang Mingxuan and Zhou Lili clearly

saw The expressions of Yash Nics’s family changed immediately. They thought that Yash

Nics’s family was frightened by his identity.

But what he didn’t think was that Yash Nics’s tone at this moment did not even have the slightest awe, but was full of disdain, and he did not put him in his eyes at all.

Huang Mingxuan raised his face and said coldly: “It seems that you don’t see the coffin

without tears, the security guard, he doesn’t want to kneel, you help him.”

Huang Mingxuan is the only son of the chairman of Hailong Group, and the head of the Jiangbin Garden real estate manager.

He said a word, and several tall security guards around him immediately wanted to come up

and attack Yash Nics.

But suddenly there was an angry shout at the door:

“Presumptuous!”

Several security guards stopped, and everyone in the sales hall looked towards the door in unison.

I saw a bald middle-aged and elderly man in a wheelchair, pushed in by a man in a suit,

followed by a few men, who turned out to be Huang Dezhi.

Zhou Lili just hooked up with Huang Mingxuan. She only heard of Huang Mingxuan’s father,

Huang Dezhi, but never met, so she didn’t know Huang Dezhi.

Seeing some security guards, she was about to act on Yash Nics, to force Yash Nics to

kneel and apologize, making her feel sick.

But I didn’t expect to kill this bald old man in a wheelchair halfway, and drank a few security guards.

She became anxious in an instant, and said angrily at Huang Dezhi who was sitting in the

wheelchair: “Who are you lame? Let’s teach others, what are you nosy about!”

Papa!

As soon as Zhou Lili’s voice fell, she received a slap in the face.

She clutched her face that had been beaten, and looked at Huang Mingxuan who had

beaten her in disbelief, obviously wondering why Huang Mingxuan would beat her?

Huang Mingxuan said angrily: “Do you know who he is? He is my dad, the chairman of

Hailong Group. You dare to call my dad a lame

man !” Zhou Lili was completely stupid when she heard Huang Mingxuan’s words.

A deep regret and despair rose from the bottom of her heart. This time she hooked up with

Huang Mingxuan and thought she had a chance to marry a rich family.

But I didn't expect that the first time I met Huang Shao's father, he scolded him as a lame man.

She knew that the chance of marrying into the Huang family had been ruined by herself.

Huang Mingxuan gave Zhou Lili a slap, then ran up to Huang Dezhi, bent over and said

affectionately: "Dad, you are not at the head office, why are you free to come here?"

Pop!

As soon as Huang Mingxuan's voice fell, he received a loud slap in the face.

It was his father, Huang Dezhi, who beat him.

This slap not only slapped Huang Mingxuan on the spot.

Even Zhou Lili and the sales manager and security guards in the sales hall were dumbfounded.

Huang Mingxuan clutched his beaten face, full of grievances and couldn't believe it: "Dad, you hit me..."

"I hit you, a lifeless beast!"

Huang Dezhi was full of anger, beside his wheelchair. It was equipped with a pair of crutches. He took the crutches and smashed his head and beat his son violently.

Huang Mingxuan did not expect his father to be so emotional, he was caught off guard and was beaten directly by Huang Dezhi.

The sales manager and security guards at the scene recovered from the shock and rushed to stop Huang Dezhi and persuaded: "Chairman, stop fighting, stop fighting, you will kill him!"

Huang Dezhiyu said angrily: "Don't stop me, I personally killed this eyeless little beast, so as not to dirty Mr. Yash's hands."

Chapter 24

Huang Mingxuan was beaten to the head by his father, and was rescued by everyone at the scene without hesitation.

He was shocked and shocked, clutching his blood-filled head, his father beat him so hard

for the first time since he was a child.

He looked at his furious father aggrievedly, and said aggrievedly:

“Dad, why are you hitting me?”

Zhou Lili also bite the bullet and stepped forward: “Uncle Huang, I have no eyes, I just said something wrong, you should blame it. Just blame me, don’t fight Huang Shao.”

Huang Dezhi was still angry, looked at his son and Zhou Lili, pointed at Yash Nics not far

away, and said loudly: “Do you know who Mr. Yash is? He is Dong Tianbao Mr. Dong’s young

master is also the person I am most awed by Huang Dezhi. You dare to be rude to him. If

you two don’t kneel down and ask Mr. Yash for forgiveness today, I will kill you two with my own hands. ”

Dong Tianbao!

Huang Mingxuan’s eyes were shocked, Dong Tianbao was the underground overlord of

Dongcheng District, and he was famous for his cruelty.

It only took two years to dominate the underground world of Dongcheng District by means of iron and blood.

Dong Tianbao has a nickname called Yan Luo of Miemen.

The reason was that there was a group of desperadoes who were fighting against Dong

Tianbao before, and in the end all these people were destroyed by Dong Tianbao, not one

left.

Since then, few people dare to provoke Dong Tianbao.

Huang Mingxuan also knew that his father had offended Dong Tianbao’s young master not

long ago and his leg was broken. In the end, his father had to go to the door to apologize

and beg for mercy.

He looked at Yash Nics at this time and finally knew that the man in front of him was Dong

Tianbao's young master.

It was the man who interrupted his father's foot, and his father would come to beg for mercy!

His face instantly turned pale, his feet softened, and he knelt in front of Yash Nics

thumpingly. Because he was too scared, his voice was crying, and he trembled and said:

"Yash, Mr. Yash, I don't know Taishan, the villain, I'm guilty. Damn it, my lord, please don't remember the villain's fault and spare me."

Zhou Lili stared at the scene in shock. Huang Shao, who she thought was great, actually

knelt in front of Yash Nics and cried and begged for mercy.

She looked at Yash Nics, and a fear rose from the bottom of her heart.

Yash Nics's face remained calm. He looked at Huang Mingxuan who was kneeling down

and Zhou Lili who was frightened. He smiled and said: "Just now, didn't you ask me to kneel and apologize?"

Zhou Lili hadn't spoken yet, she had been caught Huang Mingxuan pulled hard and knelt down.

Huang Mingxuan was crying and begging for mercy: "Mr. Yash, I was wrong."

Zhou Lili was already trembling with fear at this time, and said with a bloodless face: "I also know that I was wrong..."

Huang Dezhi, who was in a wheelchair, was greedy. Looking at Yash Nics, don't look at how

badly he beat his son just now, but he still desires Yash Nics not to care about his son and spare his son once.

Zhou Lili had spoken harshly to Yash Nics just now, and Huang Mingxuan dared to force Yash Nics to kneel.

According to Yash Nics's character, he would never be merciless. But at this moment, he looked at Huang Dezhi's deeply pitiful appearance, and couldn't help but think of his father, who had no affection at all, and his heart was moved.

At the same time, Song Pingting also whispered in his ear: "Yash Nics, they know they are wrong, so don't care about them."

Yash Nics looked at Song Pingting, and said softly: "Okay, just listen to your wife. Let them go."

Huang Dezhi and his son thanked them with excitement.

After Huang Dezhi learned that Yash Nics was coming to see the house, he immediately

said to Huang Xueqi, the sales manager next to him, "Show me the best villa types and

show them to Mr. Yash. No matter which one Mr. Yash sees, he will immediately go through

the formalities. , This is a gift I gave to Mr. Yash."

The people at the scene were shocked when they heard this. Any villa here is worth tens of

millions, and Huang Dezhi actually wanted to give it directly to Yash Nics.

Yash Nics saw that Huang Dezhi had given him enough face, but he did not take advantage

of Huang Dezhi, and said lightly: "Boss Huang's kindness is appreciated, but I will pay for the

house I like. I can still afford a villa." When

Yash Nics said this, he glanced at Zhou Lili.

Huang Dezhi is good at observing words and colors. He

immediately guessed that Zhou Lili

must have mocked Yash Nics just now for not being able to afford a villa.

He immediately asked the on-site security guards coldly: "Boom her out!"

Chapter 25

Leave a Comment / Romance / By Online Novel Book

Finally, Huang Xueqi, the gold sales manager, personally accompanied Yash Nics and Song

Pingting's family to choose a house and gave the highest level of service throughout the process.

Soon Yash Nics chose a villa and paid for it on the spot.

The advantage of this real estate in Jiangbin Garden is that the houses and villas here are all existing houses, and they are all hard-decorated. Their slogan is: Give you a five-star

home that you can move in at any time with a bag.

Yash Nics's main fancy is that the house here can be moved in immediately to meet his and

Song Pingting's urgent need to move in, so he planned to buy it here.

According to the market price, the house was about 80 million yuan, but when the payment

was made, Yash Nics only symbolically received 10 million yuan.

Both Yash Nics and Song Pingting's family knew that this must have been secretly ordered by Huang Dezhi.

Huang Dezhi was really afraid of Yash Nics. He worshipped Yash Nics as a god, and he didn't dare to offend him at all.

Yash Nics Xing Gray is stern, and the demolition of Tangcheng Village in Shanghai will be carried out in two days. The best time for residents to move out is approaching.

Therefore, after Yash Nics bought the villa in Jiangbin Garden, he immediately called the moving company and began to move.

That night, he and Song Pingting's family moved into a villa in Jiangbin Garden.

Song Pingting, her daughter, and her parents all felt dreamlike.

When they got up in the morning, they still lived in the old apartment building in Haitang City

Village, and drove an old Polo cart to buy vegetables.

Now, their family has bought a luxury car worth two million and lived in a villa worth tens of millions.

The family cooked a hearty meal in their new home. Without inviting any relatives or friends,

the family sat down and simply had a meal, sharing the joy of moving into the new home.

Song Zhongbin drank a few glasses with Yash Nics, his old face was full of excitement, and said to Yash Nics: “Yash Nics, our family is thanks to you, otherwise I don’t know what the desolation looks like now.”

Yash Nics smiled and said, “I am. I’m a lonely person. Only when you accept me, parents, I have a home, so I must not let you suffer any more.”

Ma Xiaoli also looked at Yash Nics with satisfaction. When she first saw Yash Nics, she was holding a kitchen knife. To cut Yash Nics’s.

But after a long time seeing people’s hearts, Yash Nics first took out the valuable An Gong Wan to Song Zhongbin to save his father, and then defended their family several times.

She now sees Yash Nics, the mother-in-law sees her son-in-law, and the more she looks, the more she likes it.

However, she warned Yash Nics at this time: “Yash Nics, you have used the money to establish a company for Xiaoting, and you are buying a car to buy a house. I guess there is not much money left in the card that the rich man gave you.”

“So you need to change your habit of spending money today.”

“Besides, you and Xiaoting will have to work hard in the future, so that you can give Qingqing a long and happy life.”

Song Zhongbin also smiled. Said: “We don’t mean that we want you to make a lot of money. We just hope that you have a stable income, a carefree and happy life.”

Song Zhongbin and Ma Xiaoli felt that even if Yash Nics is rich now, it is not a way to sit and eat.

They don’t value money very much, but they hope that Yash Nics and Song Pingting can have a stable source of income so that a happy life can be guaranteed.

After all, they have seen a lot of deeds of getting rich overnight, buying, buying and buying, and then falling into poverty within a few years. They have treated Yash Nics as a son-in-law, so they encouraged Yash Nics.

Yash Nics glanced at his daughter next to Song Pingting and said with a smile: "Parents don't worry. As the saying goes, husbands and wives are of the same heart, and it's profitable. Xiaoting and I will definitely work hard and make some achievements, absolutely not. It will make people look down upon."

When Song Pingting heard Yash Nics's words, her pretty faces flushed and she was a little bit ashamed. She thought with shame: I didn't even promise to be your wife. Immediately, several security guards came up like wolves and savagely dragged Zhou Lili out.

Chapter 25

Finally, Huang Xueqi, the gold sales manager, personally accompanied Yash Nics and Song Pingting's family to choose a house and gave the highest level of service throughout the process.

Soon Yash Nics chose a villa and paid for it on the spot. The advantage of this real estate in Jiangbin Garden is that the houses and villas here are all existing houses, and they are all hard-decorated. Their slogan is: Give you a five-star home that you can move in at any time with a bag.

next two days, the residents of Haitang City Village basically moved out.

Ningda Company also officially started the demolition of Haitang City Village.

However, the demolition engineering team of Dang Ning University had just entered Haitang

City Village, but something went wrong immediately.

Dozens of fierce men emerged from nowhere, armed with iron pipe machetes and other

weapons to obstruct the demolition.

These guys not only smashed the excavators and earthmoving trucks of Ningda Company,

but also injured several workers in the demolition team.

These fierce men uttered cruel words: They are from Haitang City Village, and the

compensation plan for the demolition has not been negotiated.

Whoever dares to demolish,

they will die.

After Song Pingting learned of this, she was very anxious.

Obviously, most of the residents of Haitang City Village have signed the demolition consent

form.

A small number of people who did not come back in time to sign the contract in the field

also made it clear on the phone that they agreed to the demolition compensation plan.

Why suddenly a group of people appeared, saying that the compensation plan for

demolition had not been negotiated and prevented the workers from demolishing the old

buildings?

Yash Nics said indifferently: "It should be someone deliberately making trouble, go, I will

accompany you to see the demolition site in person."

This is the first time that Song Pingting has encountered such a difficult problem. With Yash

Nics accompanying her to deal with the matter, she didn't feel so panicked.

... At the

entrance of Haitang City Village, seven or eight excavators and a dozen earthmoving trucks were all smashed and messed up all over the floor. There were dozens of gangsters at the scene, standing or squatting, smoking and chatting. The head is a man with yellow hair, nicknamed the Yellow Dog, who is a powerful subordinate of Jiuwenlong. He looked at the workers of the demolition team hiding far away, as well as those passers-by watching the excitement, and saw that everyone looked in awe at their gangsters. He couldn't help feeling a little fluttering, and triumphantly commanded his subordinates around him: "I've watched them all. Whoever dares to come to demolish the relocation, he will break his leg." Suddenly, a black BMW M760Li xDrive whistled. So, not far away in front of the yellow dog gangsters. Then, a pair of handsome men and beautiful women got out of the car, it was Yash Nics and Song Pingting. Hong Daxiang, the demolition and construction team leader hiding in the distance, saw Song Pingting coming, and hurriedly brought the workers over, and said hello with a wry smile: "Mr. Song, you can count as coming." Song Pingting looked at the smashed excavator and earthwork. The car, and the yellow dog gangsters not far away, frowned, and said with concern: "Old Hong, how is the situation?" Hong Daxiang said, "Mr. Song, it was the group of people in front who came and hindered us. The demolition team also smashed cars and hit people during construction. Several workers were injured and have been sent to the hospital."

Song Pingting: "Have you called the police?"

Hong Daxiang whispered, "Reported, and said to come and deal with it immediately, but

There is no shadow yet.”

Song Pingting said, “I’ll talk to them.” As soon as her voice fell, the yellow dog had already brought the gang of gangsters over.

The yellow dog looked at Song Pingting with a smile, and said with a smile: “You are the boss of Ningda Company?”

Song Pingting said with a high face, “Yes, I am the boss of Ningda. What questions do you have? Talk to me. If it is a reasonable request, I will definitely satisfy you.”

Huang Gou grinned and said: “We are all residents of Haitang City Village. You just give us some money and want to send us away? We? The request is very simple. Each person will pay another 10 million yuan!”

Song Pingting frowned: “Didn’t the demolition office have negotiated with each of your households? Our company is only responsible for the project. If you are not satisfied with the demolition compensation, you can talk to the demolition office. There is no need to gather crowds to make trouble. You shouldn’t smash cars and hit people.”

Huang Gou sneered: “Don’t kick me a ball. I don’t care whether it’s the demolition office or your Ningda company. Anyway, the compensation amount can’t satisfy us, so don’t think about demolition. We will kill anyone

Chapter 27

Song Pingting was even more anxious when she heard that, she still wanted to reason with the other party.

But Yash Nics, who was next to her, suddenly said: “You people keep saying that they are the residents here. But as far as I know, the residents here have basically signed the consent form. Are you really the residents here?”

Song Pingting also Doubts about the true identity of the Huanggou group, she also said:

“Yes, since you have opinions on the demolition funds, then you take out your ID cards, I will register them all for you, and I will take the initiative to help you go to the demolition office for consultation. How about?” The yellow dog rolled his eyes twice and sneered: “Register a shit, want to record our identity information, and then retaliate against us? No way!” He said here, his eyes staring at Hong Daxiang sullenly. Waiting for the workers, threatened: “I’ll leave the words here today, you guys don’t want to dismantle here. Whoever dares to construct, don’t blame my yellow dog, white knives in, red knives out.” Song Pingting was said by the yellow dog , Too angry to speak. Yash Nics looked at the yellow dog and said coldly: “You’d better send me your rascal behavior.” The yellow dog’s eyes fell on Yash Nics, and he grinned and said, “Haha, what are you? Why should I listen to you?” “Tell you, in the Xicheng District of Mannity, we have the final say.” “Do you want to behave in front of your female boss? Oh, I’ll give you a chance. Black bear, give me Knock off this kid’s leg!” As the yellow dog’s vicious voice fell, a hungrily man next to him, holding an iron pipe, rushed out aggressively, pounced on Yash Nics, to knock off Yash Nics’s leg. Song Pingting exclaimed: “Yash Nics be careful!” She just exclaimed, Yash Nics had already moved, kicked out like lightning, shocking the sky. Snapped! Yash Nics kicked the black bear in the head, blood mixed with broken teeth splashing. The huge body of the black bear crashed to the ground.

Spike!

Site all the people, to see Ning kick down body weight over two hundred and fifty pounds of

black bear, all were stunned
yellow dog has not recovered, Ning has come to him, raised his
hand to a Slap on his face.
Snapped!
The yellow dog turned on the spot twice, half of his cheeks became
swollen, and he fell to
the ground unsteadily.
Yash Nics raised his right foot and stepped heavily on the yellow
dog's chest.
The yellow dog is considered to be relatively strong. At this time,
Yash Nics's chest was
stepped on, and the ribs made a slight creaking sound, as if she
was about to be trampled
off by Yash Nics at any time.
He is like a dying fish on the beach, his mouth is wide open, but he
can't make a sound, and
his face is full of pain.
Ning indifference looking at the foot of the yellow dog, said coldly:
"You have the final say
west you in my eyes, nothing?!" "You,
also froze the doing, both hands, give me death Him!" The
yellow dog felt that the foot Yash Nics was stepping on his chest,
and the power coming
from it, would break his chest bones at any time.
He tried his best to order the dumbfounded minions around him to
do it.
The dozens of gangsters at the scene recovered from their shock.
One after another yelled and yelled: "This kid dared to do it,
everyone dismissed him." In
an instant, dozens of murderers holding iron pipes and machetes
swarmed towards Yash
Nics with murderous aura.

Yash Nics snorted coldly and instructed Song Pingting and Hong
Daxiang and others to
retreat, and he himself went over to meet the murderers.
boom!
Yash Nics kicked a small bastard who was charging in the front in
the chest.
As if hit by a train, the guy directly spouted a mouthful of blood and
flew out like a broken

kite.

call!

An iron pipe slammed down at Yash Nics.

Yash Nics raised his left hand and grabbed the stick like lightning.

A punch with his right hand hits the opponent's chin.

The opponent screamed and fell amidst the frightening sound of bones breaking.

Yash Nics easily grabbed the opponent's iron pipe, and used the iron pipe to hold the three

machete. Then he swept it out, banging the heads of the three opponents, and the three

opponents flew out.

Although Huang Gou has many men, they can't even touch the corners of Yash Nics's

clothes.

Yash Nics walked through a group of enemies with ease.

At every shot, at least one opponent screamed down.

This group of gangsters, there is no enemy of him.

In less than two minutes, more than 30 gangsters have all been lying on the ground.

The workers of Hong Daxiang's demolition team and countless passers-by in the distance,

including Song Pingting, were shocked by Yash Nics's skill.

Before the yellow dog had time to struggle from the ground, Yash Nics had come to him

again.

He looked at Yash Nics, who was full of indifference, and the iron pipe in Yash Nics's hand.

When his eyes met Yash Nics, there was a deep fear in his heart, and he trembled: "What do

you want? I warn you, I am the subordinate of Jiuwenlong, the overlord of Xicheng District. If

you dare to move me, Brother Long cannot spare you!"

Chapter 28

Jiuwenlong, Hu Dongbing!

When the people around heard Hu Dongbing's name, their expressions changed.

Hu Dongbing's reputation in Mannity can be said to be a bad name.

In the past, he hacked to

death nine enemies with a knife and became famous in the first battle.

After that battle, Hu Dongbing rose up, and he was also known as the God of War of the West City.

At the same time, the impression of Hu Dongbing's cruelty was also deeply imprinted in the hearts of Mannity people.

Now everyone heard the yellow dog say that it was Hu Dongbing's subordinate, and they all showed horror. Not many people in Mannity dared to provoke Hu Dongbing.

The yellow dog moved out of Hu Dongbing's name to frighten Yash Nics, but Yash Nics

always looked calm and indifferently said, "The Jiuwenlong sent you to make trouble?" The

yellow dog looked at Yash Nics in a daze, as if Yash Nics was not afraid of Brother Long at all.

Under what circumstances, this kid doesn't know Long Ge's name, or is he confident?

Naturally, Huang Gou would not admit that Brother Long sent them to make trouble. He only

continued to threaten viciously: "Boy, you don't want to ask, who is Brother Long in Mannity?

You'd better kneel and beg for mercy now. Otherwise, I promise that you will die very ugly."

Yash Nics said coldly: "I won't say yes, well, I will settle accounts with you first ." Huang Gou

heard Yash Nics's words and realized that he didn't. Great.

Sure enough, Yash Nics said indifferently: "You just said you would break my leg?" The

yellow dog looked at the black bear who was unconscious on the ground not far away with

a guilty conscience, and swallowed with difficulty.

He did tell the bear to break Yash Nics's leg just now, but he didn't expect Yash Nics to kick

the bear faint with one kick.

Yash Nics said indifferently: "I see you are a gang, I know you must be punks."

“Don’t you guys have a saying, do you always have to pay back those who come out?”
“You were about to break my leg. Now I am breaking one of your legs. Isn’t that reasonable?” When the yellow dog heard Yash Nics’s words, a cold sweat broke out all of a sudden, and said sternly,
“Do you dare , If you dare to move me, Long Ge will definitely make you die miserably!”
Yash Nics’s mouth raised slightly, and suddenly he lifted the iron pipe high and knocked it towards the yellow dog’s right foot.
The yellow dog was so scared that he closed his eyes and screamed subconsciously: “Ah—”
As everyone knows, the iron pipe that Yash Nics lifted fell gently and clicked on the yellow dog’s right foot.
The yellow dog did not feel the sharp pain he had imagined. He opened his eyes in shock, looking at Yash Nics, his eyes filled with puzzlement.
Yash Nics smiled and said: “I haven’t knocked yet, what are you calling?”

“But don’t worry, I’m very trustworthy. If you break your leg, you must knock.” The yellow dog was about to collapse by Yash Nics . . , He just wanted to open his mouth for mercy.
But at this time, a Land Rover and two Wuling Hongguang screamed.
A burly leopard-eye man, with more than a dozen of his men, got out of three cars.
When the yellow dog saw this leopard-eyed man, his face immediately beamed with joy.
This leopard-eyed man is no one else, but the younger brother of the nine-stripe dragon Hu Dongbing, the Xiashan leopard Hu Yongliang.
It turned out that after Yash Nics got into a fight with a yellow dog, someone at the scene immediately reported a letter secretly.

Hu Yongliang immediately rushed over with more than a dozen of his men.

When Huang Gou saw Hu Yongliang, he became excited for an instant and shouted for help:

“Brother Leopard, help me.”

Hu Yongliang and his men just got out of the car, and when they saw the Huanggou group, they all fell to the ground.

Yash Nics also carried an iron pipe in his hand, as if he was about to break the yellow dog’s

leg. His eyes were round and he roared: “Stop it, I am the Xiashan Leopard. In Xicheng

District, do you dare to save my face?”

Yash Nics glanced at Hu Yongliang, and the iron pipe that was raised swish down.

With a click, the yellow dog’s right foot was directly knocked off.

Ah-the

yellow dog screamed sternly.

Hu Yongliang’s eyes twitched twice, frightened and angry.

If he hadn’t seen his companion lying on the floor and had some scruples about Yash Nics’s

force, he would have ordered his entourage to do it on the spot.

He looked at the yellow dog rolling and wailing on the ground, and his gaze fell on Yash

Nics: “You are very skilled, we dozens of brothers are not your opponents, dare you to report back?”

Yash Nics threw away his hands. Iron pipe, took out the handkerchief and wiped his hands,

and said coldly: “You are not worthy, call Jiuwenlong and ask him to kneel down to beg for mercy and compensate for the loss.”

Chapter 29

Hu Yongliang sneered, took out his mobile phone, and called his brother Hu Dongbing.

Soon, the phone was connected, and Hu Dongbing’s imposing voice came from inside: “It’s done?”

Hu Yongliang lowered his voice: “Brother, no.”

Hu Dongbing said dissatisfiedly: “You can’t do this little thing? ”

Hu Yongliang aiming not far from Ning look, then quietly said:.” brother, there is a rather large company of men, skill is very powerful, ” ” Down with more than thirty of our brothers, he front of my face , Ignoring my warning, knocked off the yellow dog’s leg, and said that I want you to kneel and beg for mercy.” Hu Dongbing murderously said: “Looking for death!” For so many years, there have been few people who dare to offend Hu Dongbing in Mannity. Dare to openly say that Hu Dongbing should come to kneel down and apologize. Yash Nicswas the first to be such an arrogant person.

After Hu Yongliang made the call, he looked at Yash Nics, Song Pingting, Hong Daxiang and other people from Ningda Company, and said grinningly: “Boy, satisfy your desire to find death, and my brother will personally come and clean you soon!” Song Pingting, Hong Daxiang and others are all natives of Mannity, and they are very clear about the strength and methods of the nine-patterned dragon Hu Dongbing. Hearing Hu Yongliang said that Hu Dongbing would personally come and clean up Yash Nics, Song Pingting and their faces turned pale. Song Pingting whispered to Yash Nicsworriedly: “Hu Dongbing is a well-known person in Xicheng. It is said that he is in charge of the underground circle of Xicheng. In Xicheng, whoever he wants to disappear will evaporate. Our sins are for him, It’s a catastrophe.” Yash Nicssaid lightly: “The Haitang Shopping Plaza project that Ning University is responsible for has not really started yet. Someone will make trouble.” “If you don’t clean up, what will happen in the future? All ghosts and monsters will jump out to find Ning Da’s trouble.” “Don’t worry, just

leave this to me.” Song Pingting was still very worried. She knew that Yash Nicshad a good relationship with Dong Tianbao, the underground overlord of Dongcheng District.

But Yash Nicshad troubled Dong Tianbao several times before. Moreover, the person offended this time was Hu Dongbing, the underground overlord of Xicheng District. Hu Dongbing has been in the Mannity underground circle for a longer time, and his strength even surpassed Dong Tianbao.

Therefore, Song Pingting felt that Yash Nicsjust invited Dong Tianbao to come today, and it may not work well.

As Hu Yongliang finished the phone call, three or five groups of gangsters continued to come from all directions, either driving a van or riding a public scooter, and gathered at the entrance of the village in Haitang City.

After ten minutes of breaking, there were hundreds of gangsters who were dyed with colorful, tattooed dragons and stabbed tigers, holding machetes, iron pipes and other weapons on the scene.

These people were Hu Dongbing’s subordinates. At this time, they were all reunited next to Hu Yongliang, arrogant and shouting to kill.

Song Pingting’s pretty face became paler and paler. She had secretly made a few calls to the police just now, saying that she would deal with it immediately, but now there are no figures.

The workers of the demolition construction team such as Hong Daxiang were even more ashamed. If it weren’t for being surrounded by gangsters around the scene, they might have escaped long ago.

Only Yash Nicsremained unchanged, with a calm expression on his face.

Hu Yongliang looked at Yash Nicswith a sneer: “Now while my brother has not come, if you

kneel down and beg for mercy, I can consider forgiving you for not dying. Note, it's just for consideration, hahaha."

Yash Nics stood with his hand and hoped. Hu Yongliang chuckled with the hundreds of gangsters around who were screaming and screaming, "You want me to kneel down?"

Hu Yongliang said confidently, "Oh, just because of us. , Today can kill you ten times."

Chapter 30

At this time, I heard someone excitedly shouting: "Brother Long is here!" In

an instant, hundreds of people on the scene immediately put a spoonful of water in a hot oil pan and boiled.

Hundreds of people parted on both sides to make way.

A black Mercedes-Benz S600L appeared in front of everyone, with the number 6 on the license plate. It was the car of the nine-pattern dragon Hu Dongbing.

Hu Yongliang immediately led his men to greet him, opened the door in person, and said respectfully, "Brother, you are here."

A tall man with a red shirt, black suit, and a short head, with a scar on the corner of his left eye, from the Mercedes Benz. Come down.

The two buttons on the collar of his shirt were not fastened, and he could vaguely see the domineering Jiuwenlong tattoo on his body. It was the Nancheng overlord Jiuwenlong, Hu Dongbing.

Hu Dongbing glanced at his younger brother and the others coldly, and said coldly: "If I don't come, then my name of the nine-stripe dragon, won't you fall for it?" Hu Yongliang looked embarrassed, and bowed his head. Dare to squeak.

Hu Dongbing looked around the scene, and more than 500 of his men gathered around.

Yash Nics, Song Pingting, Hong Daxiang and other workers from Ningda Company were

surrounded by them.

There were dozens of injured brothers lying on the ground. These brothers either had their hands or feet, and they looked miserable.

At this time, the yellow dog who had a leg broken by Yash Nics endured the severe pain, dragged the broken leg, and struggled in front of Hu Dongbing, screaming miserably:

“Brother Long, you are finally here. That kid was too cruel. Not only did he hurt more than 30 of our brothers, but also broke my right foot.”

Hu Dongbing looked at the yellow dog on the ground condescendingly, and asked blankly:

“Is my right foot broken?” The yellow dog was sad and angrily. Said: “Broken!”

Hu Dongbing: “Where is the left foot?”

Huang Gou could n't help but stunned when he heard Long Ge's words, and subconsciously replied: " Nothing !" As soon as the voice fell, Hu Dongbing had already raised his foot and stepped heavily on Huang Gou's left foot with a click. He directly stepped on the yellow dog's left foot and broke it.

Ah-the

yellow dog's screams sounded again, and the expressions of everyone at the scene changed slightly.

Hu Dongbing indifferently ordered the left and right: “Drag me this useless dog thing!”

Soon, a few aggressive men took the yellow dog away.

Song Pingting, Hong Daxiang and other workers saw that Hu Dongbing treated his

subordinates so cruelly, their expressions were even more ugly.

Hu Dongbing turned around, his eyes fell on Yash Nics, Song Pingting, Hong Daxiang and

others, and said proudly: “Who hurt me? Who said that I should come out to apologize and compensate for the loss, stand up.”

Many people at the scene said. Subconsciously cast his gaze on Yash Nics, and Hu

Dongbing also looked at Yash Nics.

Yash Nics looked at Hu Dongbing with a faint smile, and said faintly: "It's me!"

Yash Nics is a slender figure, and belongs to the kind of man who seems okay at first glance,

but the more he looks at it, the more flavorful.

Hu Dongbing also vaguely felt a strong and iron temperament from Yash Nics, guessing that

Yash Nics should have been a soldier before, no wonder he was able to injure 30 of his brothers.

Hu Dongbing said with a sneer: "Hehe, courage is commendable, skill is not bad, but no brain." After

Hu Dongbing finished evaluating Yash Nics, he turned his head and looked at the more than

500 men behind him and asked triumphantly: Brothers, this guy injured more than 30 of our brothers. Now what do you think we should do?"

"War!"

"War!"

"War!"

Hu Dongbing was known as the God of War in the West City.

Naturally, all of his men were

militants. At this time, they all waved the weapons in their hands and shouted in unison.
