

Chapter 2113– 2114 of A Dish Best Served Cold Novel

Chapter 2113

Xu Shaohua suddenly fell into entanglement.

“Mingfeng, it’s not that I don’t want to help you.”

“The main reason is that I can’t do anything.”

“You know, the strongest force I can mobilize is only Lao Wei.”

“But now, even Lao Wei is in Mark. My men fell into the sand, and even if I transferred a strong one from the family, it would be nothing more than death.”

“Also, Mr. Wei is now dead. I still don’t know how to explain to the family?” Wei Wuya told the Xu family, It is not a strict subordinate relationship.

Strictly speaking, it should be a friendship.

It was his own father who treated Wei Wuya with courtesy.

For so many years, the reason why Wei Wuya willing to stay in the Xu family as a bodyguard is entirely to thank the Xu family for their knowledge and support.

After all, Wei Wuya’s achievements today are largely due to the help of the Xu family.

This is why, the grand master of martial arts condescends to be the bodyguard of a family.

But now, Wei Wuya is dead.

This is undoubtedly a huge loss for the Xu family.

Xu Shaohua had almost thought about how his father was angry.

“If that’s the case, you have to kill Mark to avenge Wei Lao.”

“In this case, when your father punishes you, you will have a reason to excuse yourself.”

Lu Mingfeng continued to persuade.

After Xu Shaohua heard it, he nodded immediately: “What you said makes sense, but if Mark can kill Lao Wei, it means that he is also a powerful martial artist.”

“We want to kill him, how easy is it?” Lu Mingfeng pondered for a moment. , And then said: “It may be difficult to deal with him by manpower alone, but we can use weapons.”

“No matter how strong he Mark is, he is also a mortal womb.”

“I don’t believe it anymore, he can still hold guns. Not to die?” Xu Shaohua’s eyebrows suddenly brightened when he heard this, and then, a sneer, but quietly rose.

That night, Xu Shaohua called his grandfather, hoping to secretly mobilize a special team from the family to protect himself.

In this regard, Father Xu readily agreed.

Xu Shaohua is the only seedling of the Xu family. From childhood to adulthood, Mr. Xu has always been fond of him.

Now that Xu Shaohua begged the old man in the name of protecting herself, how could the old man disagree?

In this way, a fully armed team of five came down to Noifork overnight!

“Young master, subordinate Yang Yun, by the order of the old man, I have come to Noifork to protect you.”

After seeing Xu Shaohua, the leading burly man suddenly respectfully said.

Xu Shaohua nodded: “Well, it’s been hard work.”

“However, next, I have a task for you.”

“What task?” the burly man asked curiously.

“Help me kill someone!” What?

When Yang Yun heard this, he was shocked.

“Master, our task is just to protect you. As for the others, I am afraid...”

“What? Do you dare to disobey me?” Xu Shaohua frowned immediately and sternly sipped.

“Subordinates dare not.”

Yang Yun suddenly bowed his head.

“Hmph, just know it.”

Xu Shaohua snorted and continued, “Don’t worry, I won’t make you embarrassed.”

“The person I let you kill is the one he provoked first.”

“If he doesn’t die, then It may be us who die.”

“You should know Mr. Wei, he has been killed by his hands in order to protect me.”

“What I do now is to protect myself.”

“How?”

Do you dare to disobey me?

“Xu Shaohua frowned immediately, sternly. “Subordinates dare not.”

“Yang Yun suddenly bowed his head. “Hmph, just know.”

“Xu Shaohua snorted coldly and continued, “Don’t worry, I won’t make you embarrassed.”

“The person I asked you to kill was the one who provoked us first.”

“If he doesn’t die, it may be us who die.”

“Old Wei, you guys should know each other, he has been killed by his hands in order to protect me.”

“Everything I do now is for self-protection.”

Chapter 2114 Crisis Brewing

Xu Shaohua did both soft and hard, and could not help but persuade Yang Yun and others.

Yang Yun was even more frightened when he heard that Wei Lao was dead.

“Master, do you say that Wei Lao is dead?” “This... how is this possible?” “Wei Lao has the power of great power and the courage of improper courage.”

“It is the five of us who work together, not Wei Laoyi. Recruit the enemy.”

“Old Wei, such a powerful person, died?” Yang Yun was shocked.

For Wei Lao, Yang Yun knows naturally.

This old man, although he is a rare year old, is powerful.

Even the king of soldiers in the army is just a younger brother in front of Wei Lao.

It was said that thirty strong men besieged Wei Lao, but they were not able to shake him at all.

These tough guys have always been the idols and role models in Yang Yun's heart.

Unexpectedly, Wei Lao died in Wrilfill, a tiny place.

"Now you should know, what kind of existence are we facing?" "To deal with him, only proactively attack, there will be a ray of life."

"Otherwise, we will only have to wait for death!" "You don't want to Protect me?" "Get rid of him is to protect me."

Xu Shaohua said in a deep voice.

Yang Yun and the others were silent for a long time. After a long time, Yang Yun entangled and said: "Master, the five of us are not rivals of Wei Lao."

"We can't even fight Wei Lao, so how can we kill him?" Xu Shaohua heard. Suddenly chuckled: "You can't kill him with your bare hands, but how about weapons?" "But master, the equipment we carry is limited this time, only some guns and bullets."

"Wei Lao's strength can already be able to not fear bullets. "So, our only equipment, I'm afraid it will be difficult to threaten him."

Yang Yun worried.

Xu Shaohua shook his head: "You don't need to worry about the equipment, I've prepared it for you."

During the speech, Xu Shaohua waved his hand, when someone delivered a few boxes.

The box opened, revealing the modern weapons inside.

"This...this is..."

"RPG?"

"Seeing the contents of the box, Yang Yun and others were shocked. RPG, commonly known as rocket launcher. It is a portable anti-tank weapon that fires rockets. It is mainly used to strike tanks and armored vehicles at close range and destroy fortifications. RPG and The AK-47 is also listed as the king of infantry weapons in the 20th century. This

weapon can not only pose a considerable threat to land vehicles such as transportation vehicles, tanks, armored vehicles, but also expensive aircraft such as helicopters and low-flying attack aircraft. Bringing powerful lethality. Back then, the United States lost two Black Hawk helicopters due to RPG in the street battle in Mogadishu. Yang Yun and the others did not expect that Xu Shaohua was going to let them use this highly lethal weapon against one person. “This thing, you should be familiar with it.

“It’s Wei Lao, I’m afraid he can’t hold a few shots.”

“Now, are you confident to complete this mission?”

“The Xu family covered the sky with one hand in the military, and secretly made some weapons. For the Xu family prince, it was not impossible. At this time, Xu Shaohua was proud of his eyes and smiled faintly. But Yang Yun still hesitated: “Master, This thing is extremely lethal.

If it is used in the urban area, I am worried that it will cause panic and riots.

“When the time comes, once things go wrong, I’m afraid it will be...”

“Don’t worry, you just need to perform the task.”

Let me do the aftermath.

“Xu Shaohua said coldly.
