

# Chapter 2145– 2146 of A Dish Best Served Cold Novel

## Chapter 2145 you have an opinion?

There was silence in the hall.

Time seems to have stopped at this moment.

Only the gurgling blood ticked down along the bodies of Xu Shaohua and Lu Mingfeng.

It is estimated that before this, Lu Mingfeng and the two did not expect that in the end they would end up like today.

However, this is no wonder others, everything can only be regarded as their own fault.

If they stop in time, listen to Ferguson Wu's advice and leave Noirfork as soon as possible.

Instead of continuing to murder Mark and coveting Mark's woman, then the two of them will definitely not end up like this.

However, the death of Lu Mingfeng and the others was an extremely huge impact on everyone in this area.

Ericson and Lei San were stunned.

An old face, pale!

When Lu Mingfeng and Xu Shaohua fell, Ericson and the two knew.

The matter is completely upset!

Boom~ It was when Ericson and others were still in a tremor and had not recovered for a long time.

Downstairs of the hotel, an old-fashioned Audi a6 has already parked on the side of the road.

The car door opened, and a middle-aged man in a suit, ignoring his image, rushed towards the hotel like crazy.

Soon, he reached the lobby on the sixth floor of the hotel.

“Mr. Chu, your subordinates are merciful~” Ferguson Wu shouted anxiously before pushing the door and breaking in.

However, the moment Ferguson Wu entered the hall, he saw the bodies of Lu Mingfeng and Xu Shaohua, lying quietly in a pool of blood.

Ferguson Wu’s old face was instantly pale. He didn’t speak, but walked forward step by step in fear.

He bent down, put his finger between their noses, and felt it tentatively.

Boom~ The next moment, Ferguson Wu’s figure trembled suddenly, and his whole body was as if struck by lightning.

He turned his head, looked at Mark standing faintly in front of him, and asked tremblingly: “He...they, are...”

Did you kill it?

Facing Ferguson Wu’s question, Mark’s mouth curled up and smiled coldly. “Why, do you have an opinion?”

“What kind of words were that, with a bone-to-heart coldness. All the resentment and anger in Ferguson Wu’s heart, under Mark’s chilly tone, undoubtedly disappeared! Under fear, Ferguson Wu’s old face was fierce. There was a twitch. Finally, he whispered back: “No... No comments~” Mark just smiled back at this. He ignored Ferguson Wu, and after solving Lu Mingfeng and Xu Shaohua, Mark also He turned around and walked in Helen Qiu’s direction. “Helen, let’s go home.

“So the murderous intent and chill dissipated in an instant. At this time, Mark once again returned to the appearance of the harmless youth of the past. On his delicate face, there was a gentle smile. He stretched out his hand and encircled Helen Qiu. Attractive waist. Just like this, the girl with his arms around, left. Seeing the scene before him, the respect and fear of Mark in the hearts of Ericson and others is undoubtedly more intense. They are simply unimaginable, one by one. People have to control their emotions to the extent that they can be like Mark, and even murder, they are so calm and indifferent. Not blinking.

“Mr. Shan Chu’s character is beyond the reach of ordinary people.”

“Looking at the direction in which Mark and the two were leaving, Lei Lao San said with admiration on his face and long admiration. When Ericson heard it, he kicked him immediately: “You old thing, and Xianxin is shooting here. Mr. Chu’s flattery.

“Lu Mingfeng and Xu Shaohua are dead.

“You said, what should I do now?”

## Chapter 2146 Mr. Chu Smoked

Seeing the two corpses lying on the ground, Ericson was uneasy, and he was very frightened.

Lei Laosan said calmly: “It’s useless to be anxious, it’s done, everything is irretrievable.”

“What else can we do, take one step at a time, right?” Lei Lao San started and said helplessly.

“Huh, look at what you are doing?” “I asked you to do everything possible to stop Mr. Chu. That’s how you stopped it?” “Do you know, who died today?” “You know, next What kind of catastrophe will Noifork face?” Mark has already left, and Ferguson Wu naturally doesn’t need to be afraid.

He turned his head, his face was green, and angered at Ericson and two people.

Ericsonyi immediately stared.

“Oh F\*ck, you are ashamed to blame us?” “Ferguson Wu, I tell you, neither of them blames Xu Shaohua and Lu Mingfeng for the deaths of the two, but you are the only one!” “What did I tell you?” “I” I’ll give you a thousand warnings, let you be optimistic about the two of them, so that they must not provoke Mr. Chu.”

“But what is the result?” “Then Lu Mingfeng sent someone to use a rocket launcher to blow up Mr. Chu’s residence. Xu Shaohua is even more coveted. Mr. Chu’s wife wants to take Miss Qiu as her own.” “You didn’t take good care of them, so if someone has to take responsibility for their deaths, it’s also you, Ferguson Wu!” He was scolded by Ferguson Wu in person, Ericson’s The temper also came up, but he went back directly.

“You~you~” “You talk nonsense!” Ferguson Wu’s face was ugly, and he retorted sharply.

“Okay, stop arguing.”

“It’s not the time to hold accountable.”

“Let’s first think about how to clean up the mess in front of you.”

Lei Laosan interrupted them aloud.

Now there is no point in discussing who is right and who is wrong. The most urgent thing is to dispose of these bodies first.

Otherwise, things will only be more difficult to deal with.

In the end, Ferguson Wu sent someone to condense the bodies of Lu Mingfeng and Lu Mingfeng.

At the same time, the hotel was sealed off and cleaning staff were sent to clean up the scene.

After dealing with these, Ferguson Wu and others were also ready to leave.

As for the next thing, we can only think about countermeasures later.

Now, Ericson and the others just want to go back and have a good sleep.

Although the crisis in Noirfork is far from over, at least, Ericson and the others can take a short breath.

“Um, um, Erye, we are Mr. Chu’s father-in-law, can we take us a ride?” “I can’t get a taxi at night.”

Just when Ericson, Lei Laosan and others were about to leave, The Melson couple chased them, hoping to hitchhiker home.

Ferguson Wu on the side heard that she was Mr. Chu’s mother-in-law, and suddenly became more polite and respectful.

Before Ericson answered, he said first.

“It turns out to be Mr. Chu’s relatives. Sit down quickly.”

“I’ll take you home.”

Ferguson Wu said politely.

Melson and Sherry Han were overjoyed when they heard this.

It is enough for the master of Wrifill City to pick him up and drop off in person, and this is enough for the couple to talk for a lifetime.

“Send me a fart!” “Go~” However, as soon as Melson and his wife were about to get in the car, they were kicked by Ericson and kicked directly to the ground.

“Ericson, what are you doing?” “Are you crazy?” “She’s Mr. Chu’s mother-in-law?” Ferguson Wu was very scared when she saw this, and immediately shouted at Ericson.

Ericson sneered, “What mother-in-law, two idiots!” “Do you see the bruise on the old lady’s face?” “Mr. Chu smoked it.”
