

# PUNISHED BY HIS LOVE

## Chapter 2202 - 2211

There is

Alyce's annoyed laughter: "You child, I am just fine, what danger can there be?"

Then where are you!" The more this happened, the more anxious Suzi became.

"I'm here with Youming." Alyce said.

Suzi: "Huh?"

For a while, she didn't react.

"That's not me. I heard Zeyan and Hongmei talking about Youming. I think this child, why is it so pitiful, and Youming's mother, I want to come and see them. Early in the morning, Zeyan and When Hongmei comes, let Ze Yan drive me there." Alyce said.

Suzi breathed a sigh of relief: "Oh oh oh, got it, got it Mom, mom, you are waiting for me at Youming's place, I'll go right over."

"Okay." Mother smiled.

After closing the line, Suzi let out a long sigh: "It scared me to death."

"What's wrong with Suzi Suzi?" Aunt Xiao asked, "What are you scared of?"

"Scared, my mother was deceived." Suzi smiled.

"That's not true, I just think, let your mother be careful." Aunt Xiao said.

"Well, thank you Aunt Xiao."

"It's okay, my daughter, Auntie is gone."

“Goodbye Auntie.”

After saying goodbye to Aunt Xiao, Suzi and Arron took their children to Pan Youming’s place.

Since Pan Youming took over his mother Zhu Zhu, Suzi and Arron have not gone to see Pan Youming and Zhu Zhu.

Mainly helping Pan Youming’s home in Nancheng a few days ago, and helping to find Zhu Zhu, this series of things caused Suzi and Arron to delay their work, so these three or four days, both of them are busy with work. , and didn’t even bother to ask about Pan Youming and Zhu Zhu’s situation.

Just in time to ask.

An hour later, they arrived at Da Pan Youming’s residence.

Before entering the door, I heard laughter in the room again.

Pan Youming lives on the flat floor of a high-end community not far from the hospital.

This house belongs to Arron.

Arron plans to transfer the house to Pan Youming as soon as possible.

Half-brother.

He is in charge of the huge Fu Group by himself, and Youming has had such a hard life since he was a child, which is unfair to Youming.

As long as Youming is willing, Arron doesn’t mind giving half of the Fu Group to Pan Youming.

But Pan Youming is not interested in the shares of Fu Group because of his rejection of Fu Zhengxiong.

Moreover, Pan Youming is a doctor. All his energy is in treating diseases and saving people, so he is not interested in managing the company.

Besides, all the achievements of the Fu Group come from Arron's more than ten years of hard work, which has nothing to do with Pan Youming.

Pan Youming is not a greedy person.

However, Arron repeatedly emphasized that he should give Pan Youming the flat floor of this bustling part of the city center, and Pan Youming did not refuse.

This is the kindness of my brother.

With this large flat, Yingzi and her mother can live comfortably.

Sai Sai also came to live occasionally.

Lots of people.

"It's really lively inside." Suzi knocked on the door with a smile.

The door opened, and Pan Mingsai was standing at the door.

"Sister Mingsai, when you came to Fourth Uncle, don't call me!" Shen Weiyi was a little bit jealous.

Pan Mingsai smiled proudly: "Hey! My fourth uncle watched me grow up since I was a child. No, I used to eat at the same dining table with my fourth uncle every day when I was a child, okay? Humph!"

Shen Weiyi I am not afraid of the sky and the earth, and I never chase stars or worship anyone.

But she liked Pan Mingsai very much from the first time she met Pan Mingsai.

"Alright then." Shen Weiyi smiled.

## **Chapter 2203**

Saying that, she took Pan Mingsai's hand and entered.

In the huge living room, the author's grandmother Alyce.

Aunt and aunt have little cousin.

And, Pan Youming's heroic appearance, and their mother, Zhu Zhu.

Seeing Zhu Zhu again today, she seems to be a different person. Zhu Zhu is about the same age as her mother, and both of them have the kind of gentle and kind temperament.

Seeing Suzi and Arron coming, Alyce and Zhu Zhu didn't stop talking.

Alyce just glanced at Suzi, and continued to say to Zhu Zhu: "Sister Zhu, let me tell you, my dance group is all elderly people of our age. If you dance for a few years, your muscles and bones will stretch more. I won't lie to you.

Come on, dance with me.

Maybe, you will meet a second spring."

Zhu Zhu blushed: "Sister Shu, what are you talking about, you are a few years younger than me, You can still find it, I don't want to."

After speaking, Zhu Zhu looked at Pan Youming and Yingzi.

She said with emotion: "I have to take good care of Yingzi's body. This child is about the same age as my Youming, but she has never taken good care of her body since she was a child.

Let me say that I will suffer all my life.

But this child, Yingzi, had her period for the first time, and everyone was with her. At that time, Yingzi's mother had passed away, and she followed her brother

. I heard that eating cold can make your period go back.

This child, just soaked in cold water all night, and went back to her period, but this child, hey..."

Zhu Zhu sighed: "No one hurts this child. Said

Yingzi burst into tears.

She arched in Zhu Zhu's arms: "Mom, woohoo, I am very happy now, I have a husband and a mother. I am very happy. Pan Youming also sat in front of

Zhu Zhu and comforted: "It doesn't matter, Mom, if you can't improve your heroic appearance, we can still adopt, four or five, boys and girls, a large group, then mother, you will be tired and lie down. Zhu Zhu immediately smiled: "

Oh, my mother is looking forward to that day. Your hospital and the orphanage will pay attention to it. If there are any unwanted children, we will all pick them up. We will keep them. The least to suffer. "

Zhu Zhu has been a nun all her life, and her mood is most compassionate.

Pan Youming nodded solemnly: "A certain mother. "

Yingzi also nodded: "Mom, don't worry. "

Seeing this scene, Suzi and Arron, who just sat down, couldn't help but sigh. After

all, everyone has experienced different pains, and they already understand the hard-won happiness that is extraordinarily sincere.

Children, it is not for them. It must be his own.

However, as long as there are children and groups of children, it is a kind of joy.

Especially for Pan Youming, this kind of life has never been imagined. Pan Youming

is a diligent person.

With many guests, he has been busy in the kitchen for a long time. He is not only a good knife on the operating table, but also a good cook at home.

He is heroic, and can only do chores for him in the kitchen.

Such a busy figure makes Pan Youming Very fulfilling.

He was busy in the kitchen for a while, and then came out to greet guests.

Everyone else Pan Youming is familiar with, but only Alyce is the first time Pan Youming has met today, and he is very polite to Alyce: "Aunt Shu, you look really red, if you don't tell me that you are in your fifties, I really thought you were forty-five, you told me that you were not so young before, you danced?"

Then Aunt Shu, you can take my mother to dance when you are free."

Alyce immediately laughed openly: "That's natural, not only dancing, but also the contact with the outside world. Let me tell you..."

Hearing this, Suzi immediately thought of what Aunt Xiao told her when she came.

Suzi immediately asked, "Mom, there is something I want to ask you."

"What's the matter?" Alyce asked.

When Suzi was about to speak, the doorbell rang again, and it rang very quickly.

Who will it be?

Pan Mingsai reacted the fastest, she immediately ran to open the door, the door opened, Pan Mingsai was stunned: "You, who are you, who are you looking for?"

## **Chapter 2204**

Pan Mingsai is sure, she definitely does not know these beautiful women dressed in fiber optics, all of them are ladies dressed as ladies .

In the eyes of afraid Ning Sai, these noble ladies are actually very dirty.

Full of earthy flavor.

But these women looked at Pan Mingsai with arrogant expressions.

“You ugly bastard! Who are you!” Pan Panpan, the boss, asked Pan Mingsai with slanted eyes.

The second sister Pan Gaigai sneered: “Ha! Don’t even think about it, it must be a woman who seduces our younger brother. You are a young woman, but you are very fierce. You can live in our younger brother’s house. Come on.

However, you are so ugly.

Ugly makes me sick!

Disgusting, did you hear it!

Hurry up and get out of here!”

Pan Youyou, the third child, grabbed Pan Mingsai like he was carrying a chicken, and was very disgusted He said, “Where’s the wild chick from, get out of here!”

Then he was about to throw Pan Mingsai out.

“Who are you! Do you want to die?” In an emergency, Yingzi suddenly came out of the room, hugged Pan Mingsai, and pulled Pan Mingsai from Pan Youyou’s arms to her back.

“Don’t be afraid, Mingsai, Auntie will protect you!” Yingzi said.

Then, she looked fiercely at the three women in front of her: “Who are you! Why did you come to my house to be wild and beat my niece! I’ll give you three minutes, get out of my house immediately!

Otherwise, don’t blame me for being rude!”

As soon as Yingzi’s voice fell, Arron, Suzi, Xu Mingze, Shang Hongmei, several children, Alyce and Zhu Zhu, who were sitting in the room, came out one after another.

None of these people knew the sisters of Pan Youming’s hometown.

They all stared in their pockets at the three bejeweled women outside the door.

The three bejeweled women also looked at the group.

To tell the truth, the two men are quite talented.

But women!

The two old people were half buried. The other woman looked to be in her early forties, too.

Among several women, there is only one woman with good looks and temperament, and you can still take a look.

However, the woman was looking at the three of them with extremely sharp eyes.

This woman is Suzi.

Although Pan Panpan, Pan Kaigai, Pan Youyou and the three sisters didn't say who they were, Suzi had already guessed it.

She guessed that there should be nothing wrong.

Otherwise, this group of people would not be so arrogant and domineering.

“Yo! There are quite a lot of people in the family, but the old and young are all old and weak, women and children, but you two big men are quite handsome.

You people, um, look at the big city. They

are all my brother's new colleagues.

As far as my brother's talent is concerned, your colleagues should not be as good as my brother, right?

Otherwise, you wouldn't have come to my brother's house to be a guest.

Very good! Where's my

brother?

Where?" Brother

?

Suzi sneered.

She sure didn't guess wrong.

Suzi was about to ask the three women in front of him, but Yingzi took the lead.

Yingzi said fiercely: "What sister and brother, who are you! I don't know you, get out of here!"

In fact, Yingzi is not stupid.

While Suzi guessed who the three women were, Yingzi also guessed.

The things Youming told her made Yingzi cry for a long time.

She loves Youming and her brother Haoyang.

## **Chapter 2205**

She is going to drive these damn women out.

"There is no younger brother here. If you don't leave, I will be rude to you!"

"Ha!" Pan Panpan sneered suddenly: "This is my younger brother's home! We found out in the hospital! You chase us, I think you try to catch one!"

"Youming Youming, come out! We are the eldest sister, the second sister, the third sister, you can't hide from us for a few years, parents are getting older and older, you You can't escape this responsibility, You..." Pan Youyou didn't finish her sentence, but Yingzi's feet were already raised.

She just put her foot on Pan Youyou's stomach.

“Ow...” Pan Youyou was kicked directly to the ground.

She curled up in pain.

“You, you woman, who are you, and how do you beat someone! Who are you from my brother, babysitter! If you beat someone, I’ll call the police!”

“Ow, beat someone, kill someone, Youming , my brother, why haven’t you come out yet...” Pan Kaigai didn’t finish another sentence, and she was stunned on the spot.

Pan Youming was already standing behind Yingzi.

He put one arm around Yingzi.

On the other hand, he raised a guess.

In fact, Pan Youming heard when the Pan sisters just shouted.

He really didn’t want to face the Pan family.

He really didn’t expect that the Pan family could be like candy, and they could find him wherever he went.

Moreover, he can also find his home.

For a moment, he really wanted to die with this group of people.

But he is handsome now.

There is a mother.

In the future, Yingzi will give him many children. Even if Yingzi can’t give birth to him, they can still adopt many, many children. Thinking of this, Pan Youming’s heart is extremely happy.

He knew that there were Arron, Suzi, Sanford, and Shang Hongmei in the living room.

And Yingzi and mother.

And Mingsai.

As long as he doesn't come out, these people can handle it.

He's been hiding in the kitchen, trying to reassure himself, don't get angry, never get angry.

However, when he heard that the three sisters were going to call the police to arrest Yingzi, Pan Youming couldn't help it.

He can endure no matter how they splash, but he can't catch Yingzi to the police.

This is what Pan Youming can't tolerate the most.

Because Yingzi had been on the run for more than 20 years, she was terribly afraid of her escape career.

So Pan Youming came out with a knife.

He put his arms around Yingzi in one hand and the knife in the other, and looked at the three sisters with glaring eyes.

Everyone present was stunned.

Pan Youming knew something.

He is very calm now, he will never raise a knife to kill, he just wants to shock!

"You...what are you doing, Youming, I...we are your sister, our whole family, the whole family has been looking for you for several years, my brother, do you know, Grandma's eyes are about to cry because she thinks of what you are thinking.

And grandpa, grandpa knows to smoke every day, smoke, and he doesn't even eat.

He was eagerly waiting in the street.

From morning to dark, I look forward to when my grandson will come back.

Youming, you haven't been back to our hometown for ten years, right? Youming, look at me, I'm the eldest sister? The

eldest sister Pan Panpan burst into tears.

People who didn't know the situation felt how sincere and pitiful she was.

But Pan Youming was unmoved.

He sneered and asked, "How did you find me here?" Just don't tell me! Please leave my house now! Get out of this neighborhood! Otherwise, I'll call the police! "

"You Ming!" "Pan Gaicai, who was supporting Pan Youyou, was furious: "You are too unconscionable, you white-eyed wolf!" You were also raised by your mother, do you know that your mother will be crazy if she thinks of you! Are you so heartless, abandoning the mother who gave birth to you and raised you! "

"Born him?" Behind him, there was a sudden sneer.

Then, Zhu Zhu, who was nearly sixty years old, suddenly stood in front of the people, looking at the three sisters with extremely cold and angry eyes: "Guess who I am? "

## **Chapter 2206**

"Who are you, how do we know who you are! Not my brother's colleague! So old, it must be It's useless, come and flatter my brother!" Pan Panpan looked at Zhu Zhu with incomparable contempt.

Zhu Zhu asked with a cold face: "Where are your parents? Didn't they come?"

Pan Panpan: "It's none of your business whether our parents come or not!"

"Don't care about me?" Zhu Zhu sneered: "Back then When I was looking for my child, I met your parents once, I asked your parents if they had seen my child, but your parents told me that the person who bought my child went south by train.

I listened According to your parents, I took the train all the way to the south. I searched all over the south and couldn't find my son.

The day before yesterday, my son showed me the photos of your parents. Although they are old, their appearance has not changed much. I recognized it at a glance. They were gone!

It turned out that they were the husband and wife who bought my child and tricked me into asking me to go to the south to find them!

It was them who separated my son and me for nearly forty years!

” Not my problem! “

Pan Panpan suddenly backed away in fright: “You, you are...”

“That’s right!” I am Yuming’s biological mother! Zhu Zhu said sharply.

Pan Panpan: “Then my brother, will I live with you in the future?” “

“That’s right! My biological mother, of course, I want to support her in old age. “Pan Youming said.

“Okay, very good! Youming! You white-eyed wolf, you won’t adopt your parents if you find your biological mother, right? I said, it turns out that you found your biological mother! Alright! Just wait for me!” , Pan Panpan left quickly with his two younger sisters.

As soon as the three sisters left, Yingzi and Pan Mingsai looked at Pan Youming and Zhu Zhu worriedly.

“Haoyang...what should I do?”

“Grandma, will these three vicious women come to see my fourth uncle again?” Pan Mingsai asked Zhu Zhu by the hand.

She has naturally called Zhu Zhu grandma now.

Zhu Zhu also loves this granddaughter very much.

After all, it was the old man who had gone through the wind and frost. She touched Pan Mingsai’s hand and smiled: “It doesn’t matter, my son is the evil of my life. He and I are related by blood. This is valid everywhere, but they, It was illegal to buy my son with money back then. It’s

just...”

Zhu Zhu thought more about his son.

The parents who have raised him all his life.

He doesn't have to think about it, he doesn't have to touch those unhappy decades, but the grace of nurturing is the kind of nurturing after all.

There are too many things in this world that cannot be measured by the law.

For example, Pan Youming's adoptive parents, although they bought Pan Youming, it is illegal.

However, Pan Youming's mother grew up with Pan Youming in her arms, and she once urinated.

This is not to be wiped out easily.

Zhu Zhu understands her son.

Pan Youming lowered his head.

He said solemnly: “I just want to avoid them, I don't want to see them again in my life.”

“But you still sent them 100,000 yuan, didn't you?” Arron knew his own younger brother best.

Although the two are of the same mother and never lived together, Pan Youming has many similarities with Pan Youming in terms of personality.

For example, empathy.

So is Pan Youming.

He hated his adoptive parents, but after he went to my family in Nancheng and went to the operating table, he still sent 100,000 yuan to the adoptive parents in his hometown.

Asked by Arron, Pan Youming immediately became a little embarrassed: "Brother..."

"Brother understands you, if it were me, I would do the same. You are doing the right thing. But

, they... ..

They can find you precisely because of the information on the receipt you sent them

## Chapter 2207

but they are too greedy. Arron said with emotion. In

this world, too many people are insatiable greed.

In order to have a son who will inherit the lineage, their Pan family does not like to deprive others of their happiness for 30 or 40 years, which led to Aunt Zhu Zhu's Qingdeng Ancient Buddha, all of which are always on their own. Pan Youming

nodded and smiled bitterly: "Who said no, I want to be filial, but never let me go.

Maybe that's my life.

Forget it, let them go.

I just don't hear it, my most important thing is my medicine, my wife, and my mom.

After saying this, Pan Youming looked at Pan Mingsai again, and he said in a fatherly tone: "And Mingsai .

He has only known Pan Mingsai for a few days, but this child calls his four uncles and four uncles every day. Every day he calls his

four aunts and four aunts. When

he sees his mother, she also calls his grandma, just like the little padded jacket of their Pan family.

Pan Youming Quan should be her daughter. She is also heart-warming.

From time to time, he can be a stop for him. He can even see now that in the near future, his good medical skills and knife skills will all be followed by

others . Naturally, it is to protect this niece.

“My wife, my mother, my niece, they are my family. “Pan Youming repeated again.

“Also, Fourth Uncle, and me!” “Shen Weiyi followed suit.

“Me, and me!”

“I, I want to...”

“And me...”

A group of children, four or five, one by one in front of Pan You Yelling, let Pan Youming protect them.

Seeing the children chatting, Pan Youming’s heart was melted.

“Nancheng is my home. You are all my family. As for the past, I don’t want to go back before, but, after all, they have raised them, so I can’t kill them.”

Speaking of which, Pan Youming looked She said to her mother: “Mom, please forgive me for not being able to avenge you. My son is by your side now and will always be with you in the future. Please don’t...don’t sue them for fear

of accusing them.” Zhu Zhu is very kind Comprehension: “Mom knows, Mom understands, as long as they don’t come to trouble us, Mom will definitely not sue them, you can rest assured.”

“Well.” Pan Youming nodded: “Thank you Mom.”

After speaking, Pan Youming looked at Arron again: “Brother, I know that as long as you take action on this matter, you will definitely help me deal with it, but they are my adoptive parents after all, if they...”

“Okay!” Arron agreed without waiting for Pan Youming to finish speaking.

He understands.

He understands.

Even if Pan Jianliang’s parents made many mistakes back then, it would be difficult for Pan Youming to let go of that kind of family relationship in his life.

“But Youming, remember, in Nancheng, there is a brother, as long as someone dares to bully you, I will not spare her!” Arron added another sentence.

Immediately afterwards, Yingzi also said: “And me! Haoyang, whoever dares to trouble you, I will kick her to death!”

Pan Youming nodded: “With you here, I can rest assured, let’s not talk about those things that make us If you are unhappy, eat first.”

He has already prepared a table of dishes.

This noon, they all ate here with Pan Youming. After lunch, everyone was chatting and laughing on the flat floor, not to mention how happy and relaxed.

They didn’t come out of Pan Youming’s house until half afternoon.

When he came, Alyce was in Sanford’s car, but now that he left, Suzi let Alyce take her car.

“Mom, I have something to ask you, you have to tell me the truth.” Suzi asked his mother very seriously only after the development started.

## **Chapter 2208**

Mother smiled and looked at Suzi: “What’s the matter, I don’t want my mother to talk about an old age relationship?”

Suzi He wiped his mother’s hand: “Mom, you are only in your early fifties this year, and you are a few years younger than Aunt Zhuzhu. You are well cared for, and of course you can fall in love.” The

mother sighed slightly: “That’s good, you Don’t worry, Mom knows it.”

“Well, I trust you, Mom.” Since Mom said so, Suzi didn’t want to say anything more.

After all, her mother is so old, and she is not someone she can talk about.

Only, I need to pay more attention in the future and care more about my mother.

After sending his mother to the house, the children were lively in the yard, and Suzi accompanied his mother to say this under the porch.

She observed her mother, who was not absent-minded.

The mother’s eyes are all children.

“The only one, don’t run so fast, so they can’t keep up with you.”

“Hey, little girl, slow down, slow down.”

Suzi felt that looking at his mother’s current thoughts, it was not like falling in love look.

It is estimated that the mother is really knowing.

This afternoon, Suzi left after having dinner with his mother.

When she got home and was lying on the bed, she said to Arron: “Shaoqin, let Christopher look at my mother tomorrow, I’m afraid of that man...”

Arron immediately laughed: “Why? , only you can fall in love, mother can’t fall in love?”

“No, if my mother is in a normal relationship, I’m very happy, mainly because of the man that Aunt Xiao told me, I’m really worried, I also feel that a man in his forties or fifty years old is still working all day. Isn’t it too greasy to send flowers or something?”

Arron: “Well, let Christopher look at his mother a little more tomorrow.”

“Okay.”

Suzi put his head on Arron’s shoulder, sighed, and she said again To: “You said, how many crimes did your father do? Look at Youming’s life, and now his parents and sisters from his hometown came to him, but he couldn’t beat him or scold him.

After all, he was his adoptive parents and adoptive mothers.

If you do anything wrong, you will be criticized.”

Arron also fell into deep thought.

Those people in my hometown are really disgusting.

Really have to think of a way to do it once and for all.

Thinking like this, the couple gradually fell asleep.

The next Monday, they each went to work at the company.

After Arron came to the company, she saw Wen Lan waiting there, her expression was much calmer today.

Seeing Arron, he also smiled slightly: “Mr. Fu, thank you.” Fu

Shaoqin: “Nothing, if it is about cooperation, I think our Fu Group and Wen Group will definitely be a win-win situation.”

“I will definitely Remember.” Wen Lan smiled.

After a pause, she said again: “Then what about our project next?”

“The project continues, the contract continues, and I won’t ask for your concession, because Wen’s Group is not profitable, and will not cooperate with me in the future. What should I do?” Arron smiled.

Wen Lan let out a sigh of relief: "Mr. Fu, you are a good person."

"No, outsiders say that I kill people like numbness." Arron said.

"It's not like this, I know something about your past, and I know you were forced to do so because you never hurt innocent people. I know about your past, and I also know about Mrs. Fu's past. I immediately understood, you two people are leaning on each other, warming each other, and helping each other. I can understand each other.

I sincerely bless you. I wish you a long life.

Thank you for your wife's tolerance for me, and thank you for your tolerance for me.

Thank you. "

Wen Lan The words are sincere.

## **Chapter 2209**

Arron just said: "You will definitely find a boyfriend who will satisfy you.

"!" Wen Lan nodded solemnly: "Don't worry, when I find it, let you drink my wedding wine!"

"Okay!"

Arron smiled: "Let's go, go to the conference room."

"Yeah!" The

meeting went on Very smooth, both parties in the contract are maximizing profits.

At noon, the senior management of Fu's Group and the senior members of Wen's Group had a dinner together.

Originally, there were not many people at the dinner party, just a few tables. For the sake of fun, they were all in the hall on the second floor.

Halfway through the dinner, they suddenly heard someone shouting in the hall on the first floor.

It happened that Arron was also on the edge of the railing, and he could clearly see the drunken man under the railing.

The man looked like he was in his thirties or forties, and he was very handsome, like a star.

He was drunk and was mad at the little girl at the front desk: “You, what do you know! Lao Tzu’s money is so much that you are dazzled! When I don’t cover you, you will all kneel down and beg me to let us cover you. You! You, give it, wait for me!” The

little girl at the front desk hid behind in fright.

At this time, the lobby manager came to the small front desk and asked in a low voice, “Have you paid for it?” The

front desk said shyly, “I paid, he has to give us a tip of 1,000 yuan per person. We said there are rules. , if you can’t, he’ll be drunk.”

The lobby manager looked at the drunken man in disgust, and then winked at the security guard: “Blow him out!” The

security guard immediately supported the drunken man and blasted him out.

This is a small storm.

That is, five or six minutes passed.

On the second floor, the senior executives of Fu’s Group and Wen’s Group are still pushing for cups.

Wen Lan and Arron were sitting on the same table. Wen Lan saw what Arron saw just now, and she said to Arron with great emotion: “Mr. Fu, you can see that, in this society, most of them are like this. , looks very glamorous, but what’s the reality?

Jin Xu is outside, but it’s not good.

This kind of man, at first glance, looks like a dog, it is not an exaggeration to say that he is a movie star. But when he

gets drunk, he immediately The original form .”

Arron was silent.

Wen Lan was right.

These days, good men are not easy to meet.

Especially in today’s extremely complex society and the economy is very developed, there are many liars.

Wen Lan’s words reminded Arron of what Suzi said to him last night.

Alyce’s mother was used to living alone and was lonely all the year round. Now that she has finally lived a rich life, she is not bad looking, and there must be many men staring at her.

Thinking of this, Arron immediately got up and called Christopher.

The other end was connected quickly: “Hello, Fourth Master?”

“Christopher, let you stare at grandma, you’ve been staring at it all morning, have you noticed anything, but don’t let grandma find you, Otherwise, grandma won’t be able to save face.” Arron said on this end of the phone.

At the other end, Christopher immediately said: “Fourth Master, one morning is enough for me to discover something new. That person was waiting in front of Aunt Shu’s door early in the morning. He really was holding a bunch of roses. When Auntie came out, he Just followed, the two of them chatted and laughed and went to the dance studio.

Aunt Shu went to the vegetable market at 9:30.

And that person also left.

He was driving very fast, I didn’t follow him, I was thinking of him He will definitely come again.

However, I have taken his photo, wait a moment, and I will send it to you right away.”

Arron said immediately, “Okay.”

A few minutes after receiving the line, Christopher took the photo of the man. Sent to Arron.

Arron opened it and was stunned: “How could it be him?”

## **Chapter 2210**

The man in the photo is clearly the man who was drunk and crazy on the first floor of the hotel just now.

The man looked really young, and it wouldn't be an exaggeration to say he was thirty-five.

Such a man would pursue Alyce?

Arron vaguely felt bad in his heart.

He flipped through the photo and sent it to Suzi, who was stunned.

She didn't expect that the man who pursued her mother was so young.

Suzi was working in the office, and there were a lot of design drafts that needed to be signed and reviewed. He was thinking about going to see his mother, for fear that his mother would be deceived, but because of work, he couldn't do it.

When he was busy at work, Suzi thought of his old friends.

Rayna has been in the capital for a while now, and she came to Nancheng because she couldn't always come to take care of the children.

However, this did not prevent Suzi from calling Rayna to ask. The call was connected. Before Suzi could speak, Rayna said excitedly, “SuziSuzi, guess where I am?”

Suzi smiled: “Don't tell me, you are in Nancheng now.”

“No!” Rayna said excitedly.

Suzi: “Really?”

“Of course it is!”

“Have you brought the child? Did you arrive in Nancheng?” Suzi asked incredulously.

“That’s right! And I brought my two three-year-old treasures to Nancheng alone.” Rayna said extremely proudly.

A person with two treasures?

Suzi couldn’t help but worry.

Who is Rayna, she knows best, frizzy, careless, careless, let her take care of two babies by herself, can you do it?

“Then where are you now?” Suzi asked quickly.

“Well...” Rayna pouted: “I’m here with Yingzi.”

Suzi: “...”

Ever since Yingzi and Pan Youming got together, Yingzi is where Pan Youming is. In the hospital, he became a nurse.

Yingzi is not picky about her work.

And especially hardworking.

When working as a nurse in the hospital, the medical staff in the hospital, as well as the patients, like her very much. There are also many patients looking for her to take care of, and Ying-funded has been busy in the hospital all day long.

“Rongrong, you may not know that you haven’t been to Nancheng for a while, she is Yingzi...”

Before Suzi finished speaking, he was interrupted by Rayna: “I know, the Suzi I know, I know that Yingzi is married to someone she likes. I

am very happy for Yingzi. I came to Nancheng this time, just thinking about giving Yingzi a dowry.

You used to prepare the dowry for me.

Now, I also want to prepare a dowry for Yingzi.”

Suzi heard this and was suddenly moved.

“Rongrong, you have become more sensible now.”

“Well. Don’t even look at who I am.” Rayna is an architectural designer brought out by Suzi. Although he has no education, he has practical experience. experience, education. All of them can be further studied in the future, as long as you are willing to learn.

“Small sample, don’t go, wait at the hospital, I’ll drive to pick you up, put the child in your second uncle’s villa first, let the nanny watch it, and since you’re here, give me a favor for two days. “Suzi said as he started to pack his things.

She is now busy with her mother’s business first and foremost.

She wanted to see for herself how the man pestered her mother.

This can’t be delayed.

After packing up her bags and going out, Suzi drove to Nancheng Hospital. As soon as she arrived at the entrance of the hospital, she saw a few people arguing and arguing at the entrance of the hospital.

Among them is Rayna’s figure.

Rayna again!

This Rayna likes to quarrel with people wherever he goes!

## **Chapter 2211**

Hey!

With two children, don’t suffer any more.

Suzi stopped the car and ran all the way in the direction of the quarrel.

As soon as she walked to the outer circle, she heard Rayna howling: "Who are you, who are you, Yingzi is my friend, what do you want to do!"

"Your friend!" A sharp voice immediately into Suzi's ears.

Suzi suddenly felt that this voice was very familiar.

Where have you heard it?

Oh

, it suddenly occurred to me that just yesterday, this voice appeared in Youming's house.

This is the voice of Pan Panpan, the eldest sister of the Pan family.

As soon as she heard this voice, Suzi became angry, she immediately rushed forward, pushed aside the crowd and ran to Yingzi who was carrying the lunch box, and asked sharply, "What do you guys want!"

Pan Panpan sneer: "Is it you? I saw you at my brother's house yesterday? You said you are my brother's colleagues, what kind of shit colleagues, this woman is a nurse in the hospital! And my brother is the best and youngest doctor in this hospital.!"

Suzi smiled indifferently: "So what? Your brother likes her!"

"Bah!" Even though Pan Panpan came from a small county, in a big city, she was not afraid at all.

She knew that people in big cities are very civilized.

In a big city, as long as there is something to be noisy, hand over to the police, and neither side dares to move.

Therefore, Pan Panpan, the eldest sister of the Pan family, was not at all timid in arguing with Suzi.

This made Suzi, a person who was usually calm and calm, never hit anyone, let alone cursed, a little helpless.

But when she was helpless, there were two little buns standing beside her.

“Aunt SuziSuzi?”

“Aunt XiaoSuzi, you still know my mother, I’m Erbao.”

“I’m Dabao, Auntie. Dabao was very quiet on the plane and didn’t make trouble with his mother, Erbao made trouble.”

“Oh, yes. Is it?” Suzi had to squat down and coax Rayna’s son.

The child is only three years old, and he speaks softly and cutely. The small appearance of raising his head and talking is so cute that Suzi’s heart is melted.

Suzi immediately crouched down and coaxed the two children.

As soon as she squatted down, she saw Rayna pushing her.

Suzi was puzzled and was about to ask Rayna why she pushed her when she saw Rayna wink her.

Suzi immediately understood, she hugged the two little babies and immediately walked out of the personnel.

“Hey, you...what are you doing?” Pan Gaigai watched Suzi walk out with her two children in her arms. She didn’t feel too surprised. Pan’s children.

Suzi did not answer Pan Gaigai.

And Pan Gaigai didn’t have the chance to ask any more questions. She only felt her neck tighten, and she fell to the ground.

It was Rayna who, at a speed that could not cover his ears, grabbed Pan Gaigai’s neck and directly knocked Pan Gaigai to the ground. Pan Panpan’s head was above Pan Panpan’s head, and then he kicked Pan Panpan down with one foot, and Pan Panpan couldn’t move for a long time in pain.

Now only Pan Youyou is left.

Pan Youyou was stunned.

She didn't expect that in broad daylight, people can still be like this. She was about to step back, but Yingzi's other foot was immediately hooked back, and with just one click, Pan Youyou was hooked and fell to the ground.

The heroic reaching out is all based on actual combat experience.

The three sisters were brought down by Rayna and Yingzi without any effort.

"You guys, what are you doing? We want to call the police, call the police!"

Yingzi sneered: "I'm sorry, three scumbags! Even if you don't call the police, I have to call the police."

Yingzi immediately picked up the phone and dialed A set of numbers: "Hey..."

"No, don't call the police!" The boss Pan Panpan suddenly said, "My parents are also here."
