

## The One and The Only Chapter 221 - 230

Tong Ke fired the general manager Cheng Shaoqiu and the clerk Huang Li, but the rest of the employees did not move.

And Tong Ke also promised everyone to work hard, and all of them will get a 10% salary increase next month.

The employees who have loved their lives all cheered and immediately accepted Tong Ke, the new boss.

Tong Ke looked at Yash Nics with brilliant eyes. She felt that even if Yash Nics asked her to sign the purchase contract, she would only be the boss of the jewelry store, and at best she would be a fake boss.

After all, Yash Nics spent 500 million to buy this jewelry store, how could he really give it away?

What she didn't know was that Yash Nics really didn't care about this jewelry store.

Yash Nics told Dianchu and the others to go back, and he and Tong Ke, holding the packed Eternal Heart Pink Diamond Necklace, still drove the old Volkswagen Polo car, and went home together.

On the way, Tong Ke couldn't help asking Yash Nics: "Brother-in-law, you don't have a job, where did you get so much money?"

Yash Nics said flatly: "I said I didn't have a job, but I never said I had no money."

Tong Ke was stunned. That's right, she only knows that Yash Nics has no job, but no job doesn't mean there is no money. These are two different things.

Tong Ke asked again: "As far as I know, Love Life Jewelry Store is a cash cow of the Cheng

family, with a value of more than 800 million yuan. How did you, brother-in-law, buy it from

Cheng Shanhe at a low price of 500 million yuan within ten minutes?

Go to this jewelry store.” Yash Nics said calmly: “Because of the conditions I offered, he couldn’t refuse.”

Tong Ke couldn’t help rolling his eyes when he heard this. Yash Nics’s answers were equal to nothing.

However, she also found out.

Her brother-in-law seemed to be hiding her strength all the time.

It looks like a vagrant, but in fact it is unfathomable.

She looked at Yash Nics’s eyes and became more suspicious, suspecting that Yash Nics

was the heroic man who rescued her at the Blue Sky Club yesterday.

Unfortunately, Yash Nics refused to admit it.

She looked at Yash Nics’s side face, and felt that Yash Nics really got more flavor as she

watched it, and wondered why she didn’t notice it when she first met.

Back to Jiangbin Garden District, Yash Nics told Tong Ke not to tell Song Pingting’s family

about his acquisition of the jewelry store.

Moreover, this Eternal Heart Pink Diamond Necklace, which is worth more than 100 million

yuan, is also an imitation.

Tong Ke felt incomprehensible, and widened his eyes and asked, “Why?”

Yash Nics said, “Your cousin, your aunt, and your uncle don’t want me to spend money on

extravagance. If they know the true price of this necklace, they will blame me. . the ”

Tong Ke suddenly heard, but could not help muttering:” brother, you be nice to my sister ah “!

Ning smiled and said:” Oh, she’s my wife and I who suffer, I Of course you have to give her

the best.”

Yash Nics and Tong Ke opened the door and entered the house, and daughter Song

Qingqing jogged over and said, “Dad, auntie!”

Yash Nics bent down and picked up her daughter, her daughter spotted what was on him with sharp eyes. The jewelry box, curiously asked: "What is this dad, did you buy me chocolate?"

At this moment, Song Pingting, Song Zhongbin and Ma Xiaoli also looked over.

Yash Nics saw that the gift box had been seen by everyone. He was not hiding it. He took it out and smiled: "Tomorrow is mother's birthday. This is a gift prepared by father for mother."

All of a

sudden, Song Qingqing and Song Zhongbin, Ma Xiaoli is interested.

Even Song Pingting was curious about what gift Yash Nics had prepared for her?

The One and The Only Chapter 222

When the box opened and they saw the dazzling pink diamond necklace inside, they all

couldn't help whispering: "So beautiful!"

Song Pingting looked at this beautiful one. The exquisite necklace looked at Yash Nics in

surprise: "Yash Nics, this pink diamond is not real, right? How much does it cost?"

Song Zhongbin and Ma Xiaoli also looked at Yash Nics together, the two elders also They

think it's not appropriate to buy jewelry that is too expensive. A necklace of tens of

thousands will be fine, but they will not be able to accept it no matter how expensive it is.

Yash Nics smiled and said: "This diamond is an imitation, not real, and worthless. If you

don't believe me, ask Tong Ke, she went with me to choose it."

Tong Ke said very cooperatively: "Yes, it is a fake diamond. But this necklace is not cheap, it

cost her brother-in-law several

tens of thousands of dollars." Song Pingting heard that the pink diamonds are imitations,

and this necklace is only tens of thousands of dollars.

She accepted it happily, and liked it as she watched it.

She said

with a faint red face, “No matter it is true or not, Yash Nics gave it to me, I like it.” Song

Zhongbin and Ma Xiaoli looked at each other, and there was a smile in each other’s eyes.

They felt that their daughter and Yash Nics were getting closer and closer.

Ma Xiaoli asked curiously: “If this diamond is real, how much does this necklace cost?”

Song Pingting took care of the necklace and replied casually: “I don’t know, if it’s true, it’s probably over. It’s a hundred million.”

“But if Yash Nics really spends so much money on buying me such an expensive necklace, I would not bear it. It is still so good, beautiful and real.”

Song Zhongbin and Ma Xiaoli gasped, and said again and again:” Billion, too outrageous, I can’t afford it!”

Tong Ke, who knows the truth next to him, felt uncomfortable. Someone couldn’t help telling everyone that the value of this necklace from my cousin was more than 100 million!

Song Pingting put away the necklace, smiled and said to Yash Nics: “Yes, grandpa called here just now.”

Yash Nics: “Their family does nothing but go to the Three Treasures Hall. What’s the matter this time?”

Song Zhongbin smiled. “This is a good thing. Dad knows that tomorrow is Xiao Ting’s birthday. He decided to host a banquet in the Song family mansion, entertain

relatives and friends, and celebrate Xiao Ting’s birthday.” Song Zhongbin’s family has always been unwelcome in the Song family.

It was the first time that Song Pingting celebrated Song Pingting’s birthday with such

fanfare. This was the first time Song Pingting had enjoyed the treatment of Song Pingting’s daughter.

Song Zhongbin and Song Pingting both value family affection in their hearts, and they are very happy to receive the news.

Ma Xiaoli felt that Song Qingsong's family was a weasel giving New Year greetings to the rooster, and she was uneasy and kind.

But seeing that her husband and daughter are so happy, she can't say bad things, and can only let them be happy.

Yash Nics doesn't matter, the most important thing is that Song Pingting is happy.

On the second day, Song Qingsong held a feast at the Song family mansion and invited relatives and friends of the Song family to celebrate Song Pingting's birthday.

Today, Song Pingting is the protagonist.

Therefore, under Tong Ke's instigation, she put on a long Chanel evening dress, a pair of exquisite high heels, and the Eternal Heart diamond necklace from Yash Nics.

The whole person is like a princess in a fairy tale, with outstanding elegance.

Even Song Zhongbin and Ma Xiaoli put on their costumes, and Ma Xiaoli also wore the ruby necklace Song Zhongbin gave her before.

One person happily drove back to the Song family residence.

Song Qingsong, Song Zhongxiong and Song Zhongping's family came out in person and

greeted each other. The family seemed to be happy.

At noon, guests came to visit one after another.

Yash Nics accompanied Song Pingting and a group of elders from the Song family to entertain the guests.

Suddenly, Ge Meili hurried in from the gate and shouted happily:

"Grandpa, here. The

president of Jiahe Group, the eldest lady of the Li family, Li Shuixian, she is finally here."

## The One and The Only Chapter 223

Li Shuixian!

When Song Pingting heard the name, her face changed slightly.

It turned out that six years ago, she and Li Shuixian were rated as one of the top ten

outstanding youths in China Shipping.

Because both of them are very beautiful, when they appeared in the news media, they were

called the two goddesses of China and the sea.

However, the two of them have different personalities. Once Li Shuixian and his wife went

into and out of the hotel, they were photographed by a reporter from Gossip Weekly, and

they made the headlines.

Let the image of Li Shuixian's goddess collapse directly, and Mannity city people know that

Li Shuixian is just a social flower of the upper class.

Li Shuixian secretly believes that Song Pingting had asked a gossip reporter to expose her,

so he always hated Song Pingting.

In the past few years when Song Pingting had a child out of wedlock, Li Shuixian has been

talking bad things about Song Pingting in the upper class. She slandered Song Pingting's

chaotic private life, saying that Song Pingting's daughter was a wild species, and Song

Pingting didn't even know who his daughter's father was.

Song Pingting didn't expect that for her birthday today, the person she most would not like

to see would actually come.

She turned around and asked the people around her: "Who invited Li Shuixian to come?"

Song Qingsong said with a smile, "I invited it. Our Song Jiarong Group, recently wanted to

cooperate with Miss Li's Jiahe Group.

" But Miss Li feels that our Song family is not strong enough, and never promised to

cooperate with us.”

“This time I want to take advantage of Xiaoting’s birthday party to invite Miss Li to have two drinks, and also talk about cooperation by the way.”

Song Pingting, Yash Nics, Song Zhongbin, Ma Xiaoli, and Tong Ke all understood at this time.

It turned out that Song Qingsong helped Song Pingting to organize a birthday party because the drunkard didn’t want to drink.

Song Qingsong wanted to cooperate with Li Shuixian, but Li Shuixian could not look down on the strength of the Song family.

Song Qingsong wanted to pull Song Pingting up to get Li Shuixian’s approval.

Song Pingting was a little angry and thought: Grandpa, you want me to help you out, but

don’t you know that Li Shuixian and I have never been able to get along?

Song Qingsong didn’t care about Song Pingting’s mood at all. He took a group of family members to meet Miss Li.

Not long after, a celebrity and beauty wearing a deep V dress, surrounded by a group of people, came in like stars arching in.

This celebrity beauty is Li Shuixian. She is covered with famous brands all over her body,

and she wears a dazzling pink diamond necklace around her neck.

The diamond was nine carats in length, and the style was exactly the same as Song Pingting’s necklace.

The visitor is a guest!

Song Pingting and Yash Nics and others greeted them, and she calmly said: “Miss Li, welcome.”

Li Shuixian sneered and said to the left and right: “Tsk tsk, look at her welcome, it looks like

the door of a nightclub. The welcoming lady, hehe.” When

many people heard Li Shuixian’s words, their expressions became weird.

Only the entourage around Li Shuixian, Song Qingsong, Song Zhongxiong and Song Zhongping, all smiled. The expressions of Song Pingting and Yash Nics changed instantaneously, but it was Song Qingqing's most humbling words: "You woman who is more vicious than Rong Rong, you are not allowed to speak ill of my mother." Li Shuixian seemed to smile but said: " Little girl, I made a joke with your mother." She said, looking at Song Pingting: "Pingting, can't you even make this joke?" Li Shuixian said, and suddenly noticed On Song Pingting's neck, there was a pink diamond necklace exactly like hers. Her heart suddenly became tense, and she thought: God, didn't it mean that the Eternal Heart Pink Diamond Necklace was taken away by the new owner of the Jewelry Store who loved her forever? Why would she wear an Eternal Heart necklace? Song Pingting also noticed that the necklace she was wearing was exactly the same as that worn by Li Shuixian. Song Pingting felt that her necklace was fake, and Li Shuixian's necklace must be real. Song Pingting subconsciously raised his hand to cover the necklace on her neck, and said in a panic: "It's okay, I didn't take it to heart." When Li Shuixian saw Song Pingting's small abnormal behavior, she was taken aback first, and then immediately. Overjoyed. She quickly judged that the eternal heart that Song Pingting was wearing was also fake. As a result, she regained her self-confidence, sneered again, and sarcastically said: "Oh, Song Pingting, why do you have an eternally good diamond necklace?"

"Oh, even if you can't afford it, you don't need to take it off. Come and wear fakes. If you

wear such a fake, I wear a genuine one, and I feel dull on my face.”

The One and The Only Chapter 224

Li Shuixian’s ridicule, everyone’s strange eyes, made Song Pingting unable to look up.

She even wanted to tear off the necklace around her neck and dig a slit to hide it from others.

However, at this time, Yash Nics beside her said coldly: “Heh, I have seen Li Kui encounter Li

Gui a lot. But this is the first time I have seen Li Gui as arrogant as Miss Li.”

Yash Nics’s words surprised everyone, and they all looked at Li Shuixian.

A panic flashed in Li Shuixian’s eyes, and she said sternly, “What are you talking about, do

you know who I am?”

“I am the president of the Jiahe Group, the eldest lady of the Li family.

What identity am I,

how could it be possible? Wearing fakes?” After

Li Shuixian finished speaking, he turned to look at Song Pingting, and

said with a sneer: “On

the contrary, it is your wife who is a rotten product. Is she worthy of

such a precious pink

diamond necklace as Eternal Heart?”

Li Shuixian said. As soon as it fell, Yash Nics had already raised his hand and slapped it.

With a snap, Li Shuixian received a loud slap in the face.

Half of his cheeks were swollen, and the carefully burned hairstyle on his

head turned into a

messy chicken coop.

Li Shuixian covered his face and couldn’t believe it: “You hit me?”

Yash Nics said indifferently, “Isn’t such a vicious cheek just for people to beat?”

Li Shuixian recovered from the shock and said angrily: “Bodyguards, bodyguards, give me

action and kill him.” Song Qingsong and a group of people from the Song family stopped the

bodyguard next to Li Shuixian.

Song Qingsong persuaded Li Shuixian not to get angry, and turned his head anxiously to order Yash Nics: "Why are you hitting someone? Come over and apologize to Miss Li immediately, and ask Miss Li for forgiveness."

Yash Nics stood with his hands in his hands and sneered: "Hehe, why should I apologize? She apologized to my wife if I had to apologize."

"She used to spread rumors about my wife, and I had heard about it." "She wore a fake necklace today, and she showed off in front of my wife. My wife has a gentle and kind personality. She didn't reveal her secrets and kept her face. But. She actually got into an inch and spoke rudely to my wife, who would I not beat her?" Song Pingting, who was so ridiculed by Li Shuixian that she could not lift her head, couldn't help but blindfold her eyes with tears at this moment when she saw Yash Nics defending her like this. Took Yash Nics's hand. Song Pingting decided, even if the necklace was fake, even if the whole world laughed at her. She doesn't feel inferior anymore, because this is the best gift her husband gave her. Li Shuixian glared at Yash Nics angrily: "You said that my necklace is fake and hers is real. What proof do you have?"

Yash Nics said lightly: "If it proves that my wife's necklace is real, yours It's fake, how are you doing?"

Li Shuixian bit his scalp and said, "If her necklace is real, I apologize to her. If hers is fake, I want you to kneel and apologize to me, dare you? "

Song Pingting, Song Zhongbin, and Ma Xiaoli all looked at Yash Nics nervously, and said in a low voice, "Forget it, don't be angry with her, don't be serious with her."

Li Shuixian and Song Pingting persuaded Yash Nics not to be wrong. For gambling, she

became more and more convinced that the necklace on Song Pingting's neck was fake. She said coldly, "What? You know that your necklace is a fake, don't you dare to gamble with me?" The corner of Yash Nics's mouth rose slightly: "Li Shuixian You are the deadliest person I have ever seen."

"I promise to bet with you. If my wife's necklace is fake, I will kneel and apologize to you."

"If my wife's necklace is real, you give it to me." My wife apologizes. I don't need you to kneel down. You are on China Overseas TV, slandering my wife for your behavior over the years, and publicly apologizing to my wife, is that okay?"

The One and The Only Chapter 225

public apology on the TV station!

Li Shuixian is a little weak.

Yash Nics raised her eyebrows: "Why, don't you dare to have a guilty conscience?"

Li Shuixian firmly believes that Song Pingting's necklace is fake. She bit her head and said: "I

have any guilty conscience, gamble, and everyone at the scene is notarized. People, how do you prove that her necklace is true?"

Yash Nics turned around and asked Song Qingsong: "Grandpa, you are old. In your opinion, who is the most authoritative in identifying jewelry in China Shipping?"

Song Qingsong groaned a little, and then said: "Of course it is Cheng Shanhe, the owner of a jewelry store that loves a lifetime. He is a well-known jewelry merchant in Mannity City and a famous jewelry appraisal master."

Yash Nics nodded: "Eternal Heart Pink Diamond Necklace, which has always been loved for a lifetime. The treasure of the town shop. Then invite Cheng Shanhe to let him verify the authenticity of the necklace."

Yash Nics finished speaking and called Dianchu.  
Before long, Dian Chu drove and personally sent Cheng Shanhe, a well-known jeweller in his sixties and a well-known jewellery appraiser.  
When Cheng Shanhe saw Yash Nics, he was very apprehensive and respectful. He said respectfully, "Mr. Yash, Mrs. Yash."  
Yash Nics personally took off the diamond necklace on Song Pingting's neck and handed it to Cheng Shanhe: "Mr. Cheng, you can come. It just so happened that some people questioned that my wife's necklace is fake. You can appraise it on the spot."  
Cheng Shanhe didn't dare to neglect, wearing white gloves and reading glasses, very carefully on-site appraisal of the authenticity.  
In the end, he raised his head and said in a deep voice, "Mr. Yash and Madam Yash, I promise with my life that this Eternal Heart Pink Diamond Necklace is real, and it is conservatively estimated to be worth more than 100 million."  
Cheng Shanhe said this, the audience Uproar.  
Li Shuixian was even more shocked, trembling all over, with no blood on his face, and said in a trembling voice: "No, it's impossible..."  
When Cheng Shanhe heard Li Shuixian's words, he immediately said unhappy: "Are you questioning Cheng's identification ability?"  
Yash Nics said with a smile, "Mr. Cheng, this Miss Li also has an eternal heart pink diamond necklace. She claimed that hers was true. You might as well appraise her on the spot and convince her."  
Cheng Shanhe glanced at the necklace on Li Shuixian's neck and said: "This necklace is fake, and it's a fake. The pink diamond is a fake spinel. I can use my reputation as a guarantee."  
This time, everyone on the scene looked strangely on Li Shuixian.

Li Shuixian was originally a famous socialite. Today she wore a fake necklace and maliciously slandered Song Pingting. Her character is really very bad, and everyone's contempt for her has reached the extreme.

Yash Nics looked at Li Shuixian, who was trembling all over, and said indifferently: "It turns out that you are the one who falsified and lied. I will see your apology on the China Overseas Television News tonight. You can go away now." When Li Shuixian arrived. Like a proud swan, but now it seems like a pheasant has been in the soup, leading her men and fleeing in embarrassment.

"Miss Li, Miss Li..."

Song Qingsong saw that Li Shuixian was pissed off by Yash Nics. He was anxious and

angry. He turned his head and angrily accused Yash Nics and Song Pingting's family: "You ran Miss Li pissed off. "

The cooperation between our family and the Li family will be completely defeated. Let's see

what good things you have done that are harmful to others!"

Yash Nics said coldly, "Since you are not sincerely celebrating Ping Ting's birthday, then Ping

Ting's birthday party is not here."

Yash Nics said to the guests: "Everyone, in view of the changes in the situation, my wife's

birthday party will be held at the Wandering Cloud Restaurant. If you want to enjoy your face,

please move. I walked down the clouds, thank you everyone."

Yash Nics and Song Pingting's family really left like this.

Some guests gave Song Pingting face, and then walked along the Cloud Restaurant.

Some guests did not follow in order to please the Song family.

Song Qingsong didn't expect it to be like this. The most annoying thing was that their Song

family didn't catch anything, and they offended the Li family for nothing.

Song Qingsong was indignant and cursed, cursed Yash Nics, and Song Pingting's family.

At this time, the city veteran Zhou Ruoshu came in from outside with a group of city leaders.

Song Qingsong saw him and hurriedly brought a group of family members to greet him. He

was flattered and

said, "My Lord City, why are you here?" Zhou Ruoshu smiled and said, "I'm here to celebrate

Mrs. Chen's birthday and ask for a drink.

Where are Mr. Yash and Mrs. Yash?" Song Qingsong and others were embarrassed when

they heard the words, and they were speechless.

Zhou Ruoshu frowned upon seeing this, and quickly figured out what had happened just

now.

He glanced at Song Qingsong and the others coldly, snorted coldly, turned around and left

with a group of city leaders.

Song Qingsong quickly said: "Master City Lord, we have prepared a banquet. Would you

like to leave without a drink?" Zhou Ruoshu said coldly : "I came here for the sake of Mr.

Yash and Mrs. Yash. They are no longer here, I drink. What kind of wine?"

Song Qingsong's family heard this, all dumbfounded.

The One and The Only Chapter 226

Zhou Ruoshu walked away and left with a group of men.

Li Shuixian also came out of the Song family mansion in embarrassment.

The more she thinks, the more angry, the more she thinks, the more unwilling.

Why should she take the initiative to go to China Overseas TV and publicly apologize to

Song Pingting on TV?

If she did that, she would basically have no face to meet people in the middle of the sea in the future.

Just when she decided to refuse to fulfill the agreement and go to China Overseas

Television to publicly apologize, her cell phone suddenly rang.

It turned out to be Zhu Jiuling's call.

Zhu Jiuling is one of the four pillars in the south of the Yangtze River. The eldest young

master of the Zhu family has a prominent family power throughout the south.

Li Shuixian hurriedly connected Zhu Jiuling's phone, and said diligently, "I wish you young!"

Zhu Jiuling's voice became increasingly feminine. He said coldly, "I told you yesterday that I

have a dinner tonight and I want to invite Lu. I asked you to accompany Lu Shao for dinner.

Didn't you forget about this?"

It turned out that Zhu Jiuling accidentally learned that there was a private research room, an

old professor nicknamed Crazy Huatuo, who actually led a group of medicine. A rookie in

the world has developed a liver cancer vaccine.

After Zhu Jiuling learned of this news, he immediately saw a huge business opportunity.

He felt that as long as he got the right to produce and sell liver cancer vaccines from Crazy

Huatuo, he would really take off.

However, he also knows that it is not that simple to get the right to produce and sell liver

cancer vaccines from Crazy Huatuo.

The old Professor Crazy Hua Tuo specializes in this, and he definitely knows the value of

this vaccine.

Therefore, Zhu Jiuling intends to invite Lu Qingyun to dinner tonight, and plans to join the Lu

family to win the production and sales rights of the liver cancer vaccine of the old professor

Hua Tuo, and make a fortune together.

The power of the Zhu family mainly involves the underground circles of the southern cities.

The power of the Lu family has infiltrated the black and white business and political forces in the southern cities.

Zhu Jiuling felt that he had to pull on Lu Qingyun in order to eat the meaty bones of liver cancer vaccine. Otherwise, even if they get the production and sales rights, they may not be able to keep it.

Zhu Jiuling knew that Lu Qingyun was a romantic boy, so he contacted Li Narcissus, Mannity's most famous high-class social flower, just to let Li Narcissus serve Lu Qingyun well.

Li Shuixian deliberately said aggrieved at this moment: "I wish you, I'm afraid I won't be able to accompany you to dinner with Shao Lu at night."

Zhu Jiuling's voice suddenly became colder: "Li Shuixian, you dare to refuse my request. It's playing with fire. Do you believe that I can make your entire Li family fall apart with just one call?"

Li Shuixian cried and said, "Master Zhu, you have misunderstood, it's not that I don't want to accompany you and Lu Shao's dinner, I have a dream I want to go. But tonight, someone is forcing me to do other things, and I don't want to..."

Zhu Jiuling snorted after hearing this, "Hey, who is so bold and dare to snatch someone from me?"

Li Shuixian He bitterly said: "It's a slut's husband, his name is Yash Nics. The bastard thought I was talking bad about his wife everywhere, and asked me to go to China Overseas

TV Station at 7 o'clock tonight to apologize publicly on the show."

Li Shuixian said Here, her fox tail was finally revealed.

She pretended to be so pitiful and begged Jiuling: "Jiu Ling, you and Shao Lu are both

famous figures in the south, please save the little girl. I will be a dog and a horse in the future and sacrifice myself to repay you."

Zhu Jiuling listened to Zhu Jiuling . When it was Yash Nics again, he snorted coldly, and said indifferently: “It’s Chen Nazai again!”

Li Shuixian was startled when he heard the words: “I wish you young master, do you know that guy too?”

Zhu Jiuling did not answer Li Shuixian’s question. , He said indifferently: “You don’t have to go to China Overseas TV to apologize publicly tonight. Come to the Sky One Club and stay with Shao Lu. You don’t need to worry about the rest, I will help you. Li Shuixian was overjoyed. Zhu Jiuling and Lu Qingyun supported her. She felt confident all at once and said excitedly: “Yes, I wish you a young man, I will be there on time, and take good care of Lu Shao.”

The One and The Only Chapter 227

Wandering through the Cloud Restaurant, hundreds of birthday banquets were officially opened.

Accompanied by Yash Nics, Song Pingting gave a speech to thank the relatives and friends who came to celebrate her birthday, and also toasted everyone with Yash Nics.

Countless guests on the scene responded enthusiastically, pushing the atmosphere of the banquet to a climax.

Yash Nics and Song Pingting returned to the host table, sat down again, and officially opened a banquet for dinner.

A giant LCD TV screen is inlaid on the wall of the cloud scene.

This wall TV is already comparable to the big screen in the movie theater.

Dong Tianbao had already ordered the restaurant manager to turn on the big TV screen and

tune the channel to China Overseas TV.

Countless guests at the scene are waiting to see at 7 o’clock, will Li Shuixian publicly

apologize to Song Pingting on the local TV station?

Song Pingting lowered her voice and said to Yash Nics next to him: "This is a bit bad, or should we turn off the TV?"

Yash Nics said lightly, "It should be Dong Tianbao's idea to turn on the TV, I I don't think there is any problem."

Song Pingting had no choice but to stop saying anything.

Soon, the time came to seven o'clock in the evening.

The news of China Overseas Television Station began to broadcast, but there was no

footage of Li Shuixian's public apology.

The guests at the scene looked at each other and began to talk quietly.

"Why didn't you see Li Shuixian publicly apologizing on TV?"

"It's probably a shame. After all, she is Miss Li's family, the president of Jiahe Group, and

she is a person of identity in Mannity city."

"Yes, even if She is shameless, I guess Yash Nics and Song Pingting are helpless!"

Yash Nics frowned slightly, and was about to instruct Dian Chu to call China Overseas

Television Station to inquire about the situation.

But suddenly the big screen on the wall of the restaurant changed the picture.

The news program that was playing was gone, replaced by a picture of a disheveled woman.

And the woman's face in this photo turned out to be Song Pingting!

The whole restaurant was shocked!

Song Pingting was the first to stand up angrily: "The woman in this photo is not me. Except

for the face shape, her hair and body are completely different from mine."

"And the woman in this photo has hands and waist. , I have tattoos, and I don't have any

tattoos. This photo is a malicious PS!" When

everyone saw the photo, the first thought was Song Pingting's pornographic photos!  
But when they heard Song Pingting's words, they quickly looked at the photos on the screen  
and found that the woman in the photo was indeed not Song Pingting. The woman in the photo has long blond hair, a rose tattoo on the back of her hand, and a  
poisonous snake tattoo on her waist.  
And the woman in the photo has big bones, poor skin and rough pores. A discerning person knows at a glance that this is a picture of a European woman, PS made  
Song Pingting's face.  
The pictures on the screen are constantly changing, one by one is more explicit.  
Song Pingting was trembling with anger!  
Yash Nics's face sank, and he said coldly, "Don't turn off the TV!"  
Dong Tianbao recovered his senses and asked the waiter to turn off the TV.  
Song Zhongbin, Ma Xiaoli and others were very angry. Ma Xiaoli said shyly: "What kind of  
evil is this? Who is so vicious, so corrupting my daughter's reputation."  
Song Zhongbin also clenched his fists and said with fire in his eyes: " I  
know who did it. Even  
if I lay it down, I have to fight him."  
Tong Ke helped Song Pingting, who had a pretty face, and kept  
whispering comfort.  
Everyone at the scene looked at Yash Nics and Song Pingting. Everyone  
knew that the  
photos on TV just now were fake.  
But these photos appear on TV, and many ordinary citizens who don't  
know the situation will  
take it seriously!

Song Pingting's reputation is probably going to be ruined.  
Yash Nics comforted Song Pingting's family and said, "Don't worry, I will  
definitely eliminate  
the impact, explain clearly to everyone, and Pingting your innocence."  
Song Pingting shook her head and said with a trembling voice: "On TV,  
explain. It's not clear.

Even if we explain it around, it will only get darker and darker.”

Yash Nics said confidently: “Don’t worry, I will be able to get it done, and you must be innocent.”

The One and The Only Chapter 228

At this moment, Dian Chu, wearing casual clothes, had already come to Yash Nics.

Dian Chu whispered: “Master, I just called China Overseas TV Station. It is said that the TV

station was hacked and the fake photos were shown on the TV. Now the TV station has

returned to normal.”

Yash Nics’s voice was very cold: “I only I’ll give you ten minutes to find the person who

caused the trouble. In addition, I will fully clarify and return my wife’s innocence!”

Dian Chu said loudly and forcefully: “Yes!”

Song Pingting’s family and countless guests on the scene looked at Yash with wide eyes.

rather.

Is it possible to find the perpetrator in ten minutes and have to fully clarify it?

...

At this time!

No. 1 club in the sky, luxurious box.

Zhu Jiuling, Lu Qingyun, Li Shuixian and others are laughing and discussing that a fake

photo of Song Pingting was broadcast on China Overseas Television.

Zhu Jiuling said with a smile: “The most poisonous woman’s heart is Li Shuixian, you are so

powerful, you even came up with the trick to show Song Pingting’s fake pornographic photos on TV.” Lu Qingyun also smiled: “Haha, I guess Yash

Nics’s wife, Even if

I jumped into the Yellow River this time, I can’t clean it.”

Li Shuixian peeled a grape and handed it to Lu Qingyun to eat. Hackers hacked into the TV

station, otherwise the fake photos won’t be broadcast.”

Li Shuixian said, looking at the China Overseas TV station, which has returned to normal and is continuing to broadcast local news, and said with some regret: "It's a pity that the time has been short, there are only a few. Ten seconds." "But it's enough. I really want to know what Song Pingting's expression looks like when she watches these photos of herself while watching her public apology while watching the TV, hahaha!"

Just as Li Shuixian was triumphant, the news anchor on the TV screen suddenly said: "Just now, our station was hacked by hackers, maliciously playing fake photos, planting and insulting Miss Song."

"Now the relevant departments have quickly investigated the truth and found out. It was done by a woman named Li Shuixian ..." "The woman named Li Shuixian in the picture is the main criminal who used hackers and fake photos to plant and insult Miss Song's innocence."

Li Shuixian and Zhu Jiuling, Lu Qingyun, etc. People were all stunned when they watched the news on TV.

Li Shuixian's face was pale, and she yelled in horror: "What's going on, what's going on? Change the channel, change the channel!" She panicked the remote control and changed the TV channel.

I switched to the provincial TV station and found that the provincial TV station was also broadcasting her criminal behavior.

Her face turned pale again, and she changed several TV stations in one breath, and finally switched to CCTV, which was also broadcasting her crime news simultaneously.

On TV, the hostess sternly said: "Smearing and spreading rumors and committing a lot of

crimes, the police are already on their way to arrest Li Shuixian. What is waiting for her will eventually be sanctioned by the law!”

Li Shuixian fell helplessly on the sofa. , The face is like ashes.

While strolling through the clouds, Song Pingting’s family, as well as all the guests on the scene, all looked at the temporary news on TV in shock.

All the TV stations are interrupting the news, even CCTV broadcast it!

At this moment, it is estimated that everyone knows that the photo just now is fake, and everyone knows the behavior of this vicious woman Li Shuixian.

Song Pingting and others remembered what Yash Nics had said just now that the perpetrator was found within ten minutes and that he needed a full clarification.

Everyone looked at Yash Nics in unison, everyone looked at Yash Nics in shock, wondering how he did it?

The One and The Only Chapter 229

Li Shuixian sank weakly on the sofa, and his whole body trembled because of being too scared.

She couldn’t understand why she was found out in such a short period of time?

She even couldn’t figure out why Yash Nics and Song Pingting could mobilize all TV stations to break news, dispel rumors, and report on her crimes.

What a great skill to do this!

Even Zhu Jiuling and Lu Qingyun were shocked, and the two of them couldn’t figure out what exactly did Yash Nics do?

Soon, Zhu Jiuling was the first to recover. He asserted: “I think Yash Nics was foolish . He didn’t conduct any investigation at all, so he decided that Li Shuixian did it by you.” Lu Qingyun He also said: “Yes, after all, Li Shuixian did not publicly apologize

according to his request. Instead, a fake photo of Song Pingting appeared on TV. No matter how stupid Yash Nics is, you can guess that you did it.”

Zhu Jiuling nodded: “ Yes, he must have been blindly blind. If he can cut off within a few minutes, he will find out the truth of the matter. That is the ability to reach the sky, he can’t be so good at all.”

Li Shuixian tremblingly said: “But ... But now all the TV stations across the country are refuting rumors. If Yash Nics has no overpowering power, how did he do it?” Lu Qingyun couldn’t figure this out either, he looked at Zhu Jiuling.

Zhu Jiuling’s mouth rose slightly. It seemed that he had already understood everything. He sneered and said: “All TV stations in the country broadcast it. It is not Yash Nics’s skill.”

Lu Qingyun and Li Shuixian were confused, and Li Shuixian asked, “What do you say? ”

Lu Qingyun reasoned with Jiuling confident:” As far as I know, the person in charge in the sea television Ran Wei, in fact, is said to be the home of the North transferred to the background is not small, gilded come here. “. ”

the television channel was hacked into, I also played the PS photos of Song Pingting, which probably angered Ran Wei.”

“I guess it’s possible that Ran Wei used her family background to clarify the incident on all TV stations.”

Lu Qingyun heard this and felt that Zhu Jiuling’s analysis was reasonable.

He let go of his worry, and smiled: “I said Yash Nics, a layman who is retired and waiting for work, shouldn’t have such a great skill.”

After Li Shuixian heard Zhu Jiuling’s analysis, she was mixed. The good news is that Yash Nics and Song Pingting are not as powerful as she imagined, and Yash Nics does not have the overwhelming power she imagined.

What's worrying is that the idea she made this time angered Ran Wei, the person in charge of China Overseas Television Station. The TV also said that the police were already on the way to arrest her.

Li Shuixian felt that her current life-saving straw was Zhu Jiuling and Lu Qingyun in front of her.

She hurriedly said to the two of them: "I have already exposed this matter, Master Lu, please help me."

This incident has been broadcast by the national news. Lu Qingyun does not want to provoke his upper body. One clarified the relationship: "This matter has nothing to do with me, don't

connect with me!" Li Shuixian's face was pale when he heard that, and he could only pin Zhu Jiuling's last hope for his last hope.

She was the one who gave the idea, but Zhu Jiuling was the one who was looking for hackers to invade China Overseas TV. She felt that Zhu Jiuling could not die.

Zhu Jiuling turned out to be out of the way at this time, saying coldly: "Li Shuixian, it's not that I don't want to save you. It's that this matter has become a big issue, and someone must stand up and bear the consequences."

"I think you are doing it for you ." The best person to pay for this matter."

Li Shuixian lost his voice: "Wow, how can you do this? I am the one who made the idea, but you are the one who invades the TV station who is looking for a hacker..."

Li Shuixian said nothing. After speaking, she noticed that Zhu Jiuling's eyes were like snakes, and she shut up quickly in fright.

With the strength of the Zhu family, let alone killing her, it would be too easy to destroy her Li

family!

The One and The Only Chapter 230

Zhu Jiuling's feminine face became extremely scary at this time.

He approached Li Shuixian like a poisonous snake, stretched out his hand and gently patted

Li Shuixian's face, and said grimly: "What did you say, say it again?"

Li Shuixian looked at Zhu Jiuling in horror, and said with trembling, "No, nothing. ...Everything

was done by me, the idea was what I thought of, and I was looking for a hacker. It has

nothing to do with Zhu Dashao and Lu Gongzi."

Zhu Jiuling said gloomily, "Are you sure?"

Li Shuixian nodded repeatedly, repeatedly. Said: "I'm sure, I'm sure..."

Zhu Jiuling said with satisfaction: "Then if you are arrested, you should know how to speak.

The consequences of saying the wrong thing, not only will you die, but many of your Li

family will die. Do you know?"

Li Shuixian's eyes were full of horror: "Yes, I know."

Zhu Jiuling turned around and said to Lu Qingyun: "Lu Shao, I think we should change places

to drink. I also continue to talk about how we cooperate and how Crazy Huatuo got the right

to produce and sell liver cancer vaccines."

Lu Qingyun smiled and said, "Okay!" The

two took their entourage and left soon.

Li Shuixian was the only one left in the box. She did a lot of evil, and finally suffered the

consequences tonight and couldn't help crying.

It's a pity that it's no use crying, all of this is her own responsibility, and the world has no

regrets about taking medicine.

Before long, a team of criminal police broke into the house, and reporters from China

Overseas Television followed along with the camera, broadcasting the arrests live.

The head of the criminal investigation team said to Li Shuixian seriously: "Miss Li, you are involved in many crimes. Including you hired hackers to break into the TV station, spread rumors and slander Miss Song Pingting, please come back with us to cooperate with the investigation."

...

At this time.

Stroll through the cloud restaurant.

Song Pingting's family, as well as many guests, watched the arrests on TV.

Seeing Li Shuixian captured by the police, everyone cheered.

At the same time, everyone looked at Yash Nics's eyes and became more admired.

Song Pingting couldn't bear it anymore and asked Yash Nics: "How did you do it?"

Yash Nics smiled and said, "I complained to Ran Wei, the person in charge of China

Overseas Television Station. She takes this matter seriously. I will investigate it soon. After

understanding the reason for this incident and clarifying it, the police also arrested the

principal culprit Li Shuixian."

Everyone at the scene showed a stunned expression: "So, I heard that Ran Wei was

transferred from the north. She was at home. The background is very powerful."

"It seems that the rumors are true, and her family's power

is overwhelming ." Everyone believed Yash Nics's words and mistakenly thought that the

matter was set by Ran Wei, and they all talked about Ran Wei's power.

Song Pingting's family also said one after another that thanks to Chief Ran, things could be

clarified so quickly.

Only Tong Ke didn't believe this explanation at all. She knew a thing or two about Ran Wei

and Ran's family.

Ran's family is actually not as powerful as everyone thought, and it is even more impossible for all the TV stations across the country to refute the rumors at the same time.

Tong Ke firmly believes that her brother-in-law can do all of this. And after her observation for this period of time, Yash Nics seems to have been hiding his strength.

She looked at Chen's eyes and worshipped.

Yash Nics had already walked out of the corridor at this time, and Dian Chu was reporting to him in a low voice: "Master, Li Shuixian has been arrested, and she will be severely punished by the law."

"However, she is the one who made the idea, but she is really looking for a hacker. The

person who invaded the TV station seems to be Zhu Jiuling."

Yash Nics said coldly: "It is the Zhu family again. Calculating the one-month period for the

Zhu family to retire completely, now there are only ten days left."

"Since I don't take my warning seriously, they are ready to be flattened by me!"
