

Chapter 223

Claire didn't know that Qiang Han had no good intentions at this time. Seeing him so polite, she quickly said, "Qiang Han, you are so polite."

Qiang Han smiled pretentiously, took out Claire's resume from the table, flipped through it pretendingly, and then said very embarrassed: "Claire, your resume is not very suitable for us. Ability or qualifications are a bit short."

Having said that, Qiang Han sighed and said, "Sorry, Claire, your interview failed, I suggest you go to another company to try!"

Claire was taken aback, and hurriedly said: "How can you say that. I was in the management in the Willson Group, and there is absolutely no problem with my professional ability."

Qiang Han shook his head and said seriously: "No, no, no, your so-called qualifications and abilities are all because you are from the Willson family. After you leave the Willson family, you are actually nothing!"

"Okay." Claire's face sank, and Qiang Han was clearly targeting her.

Thinking of this, Claire didn't mention how angry she was, knowing that Xinhe's work was already an extravagant hope, and she no longer had a good face, got up and walked out directly.

Qiang Han smiled triumphantly behind her, and muttered: "As long as I stay in the faith for one day, you don't have to come in!"

At this moment, Charlie was waiting in the rest area. After a while, he saw Claire walking out with an aggrieved expression.

He hurriedly greeted her and asked in confusion, "What's wrong with my wife? Didn't the application go smoothly?"

Claire's eyes blushed and she directly told the story of the interview.

After listening to Claire, his heart became angry.

This Qiang Han is really shameless. I didn't bother him and it was enough to give him a face. How dare he show my wife a face?

Thinking of this, he directly sent a message to Solomon White: "Qiang Han of Xinhe Group is a little jumpy. Even dared to bully my wife. How is President White going to solve it?"

At this time, Solomon White was waiting for Charlie with his bodyguards in the lobby downstairs. After receiving this text message abruptly, he was frightened!

d*mn, I was deliberately trying to fawn on Charlie, this Qiang Han even dared to offend his wife, isn't this man looking for trouble for himself?

In anger, Solomon White immediately said to the assistant without hesitation: "Call all the members of the Trust and Board of Directors!"

Xinhe Construction Co., Ltd. itself is a subsidiary of White's family, so Solmon White's majesty here is like an emperor.

Solmon White had just arrived, and a large number of executives from the board of directors hurried over.

As the head of the White family, Solmon White, the group of Xinhe people cannot offend him. If he disbands Xinhe in a rage, everyone will have to sleep on the street.

Qiang Han is not a member of the board of directors, so he doesn't know how much trouble he has caused.

After driving away Claire, he returned to his office, sitting on the office chair with a smug face and smoking a cigar.

When Jianhua and Juan heard that he had chased Claire away, they both felt extremely relieved of their hatred. They surrounded him one by one to praise: "Mr. Qiang Han is really awesome, and your one sentence made Claire go."

"That is, President Qiang Han is a senior executive of Xinhe. Among us classmates, the best mix is President Han."

Juan and Jianhua touted Qiang Han, thinking in their hearts that if they can hug Qiang Han's thighs, they will have a bright future, not to mention the development.

Qiang Han said triumphantly: "I used to think Charlie was not pleasing to the eye, but now his wife wants to apply for Xinhe, but there is no door for such people in the company!"

Juan said: "Oh, Mr. Han, you should have taken a video with your phone just now. I really want to see how ugly Claire's expression is after being rejected!"

Qiang Han laughed and said, "It's like *fcking crying*, so *fcking* laughing at me!"

Jianhua hurriedly asked, "What about Charlie? Did you follow it?"

"I haven't seen him." Qiang Han snorted coldly, and said, "If Charlie dares to come, I *f*cking* spray him directly, the smelly wire still dared to write a letter, and I will break his legs!"

Juan complimented: "Mr. Qiang Han, you are really amazing! How could Charlie's stinky rag compare to you!"

Chapter 224

Qiang Han laughed and said, "Wait, when I join the board of directors of Xinhe Company, these people will look up and worship me!"

Jianhua hurriedly asked: "Mr. Han, are you going to join the board of directors?"

"Almost. Qiang Han said with a smile: "It's in operation. If nothing happens, I will go in in a few months!"

“You are really amazing!” Jianhua gave a thumbs up and exclaimed: “Mr. Qiang Han, don’t forget me, brother in the future!”

Qiang Han nodded: “Don’t worry, I will take care of you.”

As he was talking, there was a loud bang, and the door of Qiang Han’s office was kicked open.

“Who the h*ll dare to kick my door”

Qiang Han was taken aback and was about to scold him. He turned around and saw all the members of the board of directors arrived, complimenting a middle-aged man in a suit, and quickly and he swallowed the words into his stomach.

Solmon White looked at Qiang Han gloomily and said, “Are you Qiang Han?”

Qiang Han was stunned and nodded and said, “It’s me.”

Without saying anything, Solmon White slapped him on the face.

“You’re going to f*cking die, who gives you the right to refuse Miss Willson’s interview!”

Qiang Han’s face immediately swelled into a pig’s head, and he was stupefied: “Who are you? Dare to beat me!”

“Hit you? I not only hit you, I can kill you!”

Solmon White kicked Qiang Han to the ground, stepped on his head and said, “Do you know that Mr. Wade told me that I must pass Miss Willson’s interview, but I was messed up by your rubbish. Don’t let you pay, my name Solmon White is written backwards!”

Qiang Han was shocked. Hearing the words Solmon White, he still didn’t understand that he had kicked the iron plate.

Solmon White, that is Master of Xinhe, the owner of the White family!

The entire Xinhe belongs to the White family, and he actually provoked such a big man. What is the situation?

“President White, I really didn’t know this happened. If I knew it, I wouldn’t dare to give such a thing try, Mr. White, please calm down!”

Qiang Han was stepped on the ground by Solmon White, and he dared not move like a dead dog, so he could only plead.

Juan and Jianhua were even more terrified, and they didn’t dare to put any nonsense.

Is it because of Charlie again? !

How did Charlie know Solmon White? He was just a waste son-in-law!

Juan and Jianhua didn’t know that the big man in their eyes was Charlie’s dog at all. They were begging for mercy just to hold Charlie’s thigh.

“Qiang Han, from now on, you are fired by Xinhe, and according to the contract, you are a major liability accident, and you have to compensate the company for 5 million!”

Qiang Han was suddenly struck by lightning!

Five million, he didn't have that much money even after selling himself!

Qiang Han knelt on the ground immediately and kept kowtowing: “Mr. White, you give me another chance, I will apologize to Claire, I really know I was wrong!”

Solmon White sneered, “Apologize? Are you worthy of it?”

With that said, Solmon White kicked Qiang Han away and told others: “Pass on, Qiang Han has offended Mr. Wade. The White family now bans him from all aspects. We must let this rubbish live on the streets!”
