

Chapter 225

Qiang Han collapsed directly, his eyes filled with despair.

The reason why he can be reused is that he became an executive at a young age, and it has a lot to do with him actively signing a contract.

In order to strengthen the control of employees, Xinhe has issued a very demanding management contract, which can be promoted after signing, but after signing, it will be fully bound by Xinhe.

For example, Qiang Han, after he signed this agreement, it was reused, but he had to work hard and be loyal. Once he didn't work hard, or had disagreements, Xinhe Company would file a huge claim against him.

Many people are afraid to take responsibility, so they dare not sign such a contract, but Qiang Han just graduated that year, in order to climb up, he closed his eyes and signed the contract.

Unexpectedly, now it finally turned into bitter wine!

Qiang Han knelt on the ground, his whole body almost collapsed.

All his life bets are placed on Xinhe Company, but now Xinhe has is suing him for a claim of 5 million. At the same time, Solmon White wants to block him.

In this way, how can he still find a job? Without a job, there is no income, and life is in trouble.

And at the same time, he has to face a recovery of 5 million. So besides going to prison, there is no other possibility for him now.

He knelt on the ground like crazy, kowtow to Solmon White desperately, crying with snot and tears: "Mr. White, please forgive me this time and give me another chance, Mr. White! If I am blocked, I don't have the money to pay the company five million. Please give me a chance to stay in the company and act as a donkey for you. I will definitely catch my tail, be an honest man, and make contributions to the company!"

Solmon White kicked him, kicked him all the way, and said coldly, "Now knowing what's the use of admitting a mistake? You thought the world was created by your house. If you got into trouble and said I'm sorry, you will be forgiven? Tell you, if Mr. Wade gets angry with me because of you, then I will kill you!"

Qiang Han trembled in fright and his face was pale as paper. He did not expect that Charlie, the Rubbish in his eyes, had such a large amount of energy that Solmon White could kill a person like himself for him!

If he had known this long time ago, he would rather kneel down for Claire and call her sister as soon as he meet, and would never refuse her.

Now, it's too late to say anything, he's done for his life

At this moment, Solmon White frowned and noticed Juan and Jianhua in the office again, and asked: "Who are you two? Are you friends with Qiang Han? Or are you Xinhe employees?"

Juan and Jianhua were awakened immediately, and quickly denied: “No, no, we have nothing to do with Qiang Han, we don’t even know him.”

At this time, it was too late to clear up the relationship with Qiang Han, how could they admit that

Solmon White asked suspiciously: “Really? Then why were you talking and laughing with him in his office?”

Seeing this, Qiang Han said angrily: “Mr. White, they are my college classmates. They were the ones who encouraged me to suppress Claire!”

Qiang Han was going crazy, he had such a miserable end, and he couldn’t get rid of Juan and Jianhua, and they want to have a good end for themselves.

Solmon White said coldly: “It turns out that the dog bit the dog and blocked the two people together!”

When Jianhua heard this, he became anxious, and went crazy with Qiang Han: “Qiang Han, you drag me into the water? You can’t die a simple death!”

At this moment, Charlie had already taken a taxi and went home with Claire.

Charlie looked at Claire, and saw that she hadn’t spoken anything along the way, and thoughtfully, he said: “For work, I will look for it in two days. They didn’t hire you, but they had no eyes. It seems that this company is not big, and going there will limit your future development.”

Chapter 226

Claire sighed and said, “Now that it’s hard to find a job, I can only continue to look for it and see my luck.

Charlie asked her: “Do you want to go to the Emgrand Group?”

Claire shook her head and said, “How can I enter the Emgrand Group, and the Emgrand Group has strict audits and ratings. It would be embarrassing for me to start from the grassroots level.”

Charlie sighed and said, “My wife, in fact, I think you should start your own business!”

“Start my own business?” Claire asked in surprise: “How to create?”

Charlie said: “You have been in this industry for many years, and you have accumulated a lot of contacts. Doris of the Emgrand Group seems to be very good with you. Solmon White is now counting on me to show him Feng Shui. That can also help.”

Claire laughed at him and said: “You have to start a company with at least two to three million in capital, and there will be more subsequent investments. How can we have so much money to invest in it.”

Charlie said: “I can help you find a solution for the funding problem! I still know a few people!”

Charlie smiled and said, “If you really have this idea, the registered capital is not a problem.”

Claire raised her head and said, “Charlie, I know that you know many business friends like President White. It is not a problem to borrow funds, but to be honest, I am under a lot of psychological pressure and I might as well invest less. One point, I open my own personal studio, and then went to help major construction companies draw design drawings.”

Charlie said immediately: “No matter what decision you make, I will support it!”

Claire nodded gratefully, and said, “I want to build the studio first and then do it well. The people in the Willson family think that I can’t leave the Willson company, and I will let them see if I can do it or not.”

Charlie thought for a while, nodded and smiled: “I support you, but if you encounter any problems at work, you can tell me and we will solve them together! The big deal, I will be an employee for you, your husband has no other skills. But I can still carry your bag while driving.”

“Ok.”

Claire nodded, her expression slightly moved.

The decision actually took a great risk.

If she doesn’t go to work, the family’s biggest source of income will be cut off, and even if she opens a design studio, she still needs to rent an office, buy office equipment, etc.

This also requires a certain amount of capital investment.

What’s more, the Willson Company and the major construction companies in Aurous Hill City have business contacts, they will be suppressed secretly.

But Charlie didn’t even think about it, and categorically supported her.

Claire’s heart couldn’t be said to be unmoved.

When she was in a complicated mood, she heard Charlie’s sentence again.

“My wife, you can just let it go, if it doesn’t work, I will find a job to support you.”

At this moment, Claire held her breath, a soreness rushed to her nose, and her eyes were almost red.

It was as if she was running into a wall and lost her soul, she did not expect that her husband, who she felt was “worthless”, still firmly believed in her and supported her!
