Amid the screams, the commander-in-chief of the Japanese military and the commander of the ace division, Sato, was burned to fly ash directly in the raging fire!

That night, there were eight thousand soldiers from the First Division who died together.

the next day.

The news came out, but it shocked the whole country of Japan!

Dongjing is full of rumors.

In just one night, all kinds of rumors have been raging.

Some people say that it was the first division that angered the gods, and finally the gods sent their anger in the dark night and took their lives.

It is also said that it was Sato and the others who suffered the curse and died overnight.

In short, all walks of life in Japan are talking about this matter.

At the same time, the Japanese Military Region also sent a task force of 100 people to the camp to conduct investigations.

The Abe family.

After learning about this, the owner of the family, Abe Zhongnan, immediately summoned Nakai Hiroichi, and at the same time screened out his subordinates and talked secretly.

“Brother Hongyi, have you heard that?” “Sato is dead. The entire first division of more than 8,000 people died overnight.”

“It is said that in the camp, blood ran into rivers and corpses were everywhere, like a human world. Purgatory is horrible.”

“Sato, the commander of the First Division, was burned to fly ash, and there was no slag left!” Abe Zhongnan’s face was pale, and he told Nakai Hiroichi about the matter.

Nakai Hiroshi’s face was definitely not good, and he replied in a deep voice, “Well, I heard.”

“Then, what do you think?” Abe Zhongnan asked anxiously.

Nakai Hiroichi shook his head: “It’s hard to say, but it can kill so many people overnight, and it’s still silent.”

“Then, there is only one possibility, the other party is a martial arts expert!” “At least! Yes, the level of the titled grandmaster!” “In the current world, only the titled grandmaster can massacre so many people overnight in silence.”

“It’s just that, what makes me a little strange is that this Sato is just a soldier. He is not a martial artist, and has nothing to do with the martial arts world, but why did he suddenly cause such a killing?” Nakai Hiroichi asked suspiciously.

However, Abe Zhongnan whispered: “No, Hiroichi, don’t forget, that person’s death was caused by Sato!” Boom~ Abe Zhongnan’s words were just a slogan.

Nakai Hiroichi immediately trembled: “You mean, it’s... it’s him.. He came to take revenge?” When he thought of this, Nakai Hiroichi’s face was extremely pale.

“No, Zhongnan, we have to go quickly!” “Quick!” “Leave Dongjing first.”

“Otherwise, you and I might be killed!” Nakai Hiroichi panicked completely.

After all, if Mark came to get revenge as they expected, the two of them would be too bad for it!

You know, the information about Mark’s whereabouts and the cruise ship he took was leaked to Sato by the two of them.

Now that Sato is dead, the first division is destroyed, Mark’s next target is most likely the two of them!

Is he here for revenge?

“Quick!”

“Leave Dongjing first.”

“Otherwise, you and I will be killed too!”
