

PUNISHED BY HIS LOVE

Chapter 2308

Hearing Xiao Yang scolding himself like this, Tong Jianan was extremely annoyed 1

He wanted to punch this skinny guy to death, damn it, Zombie-like woman.

However, he tried every means to establish a good image with Alyce, but he couldn't be defeated by this woman.

Tong Jianan gritted his teeth and endured it, with a gentle smile on his face: "little Yang sister..."

"Who is your sister! Who is your sister! I ask you who is your sister, you curse Who is it!" Xiao Yang immediately stood up and cursed at Tong Jia Nan Yitong.

It was like a madman.

Tong Jianan was speechless and didn't know what to say.

He hesitated, his face flushed, and he was extremely embarrassed: "This... this, I didn't offend you."

He felt that it was appropriate for him to have no temper.

That would be too fake.

Sure enough, what he did was right.

At this time, Alyce spoke up: "Little sister Yang! Don't go too far! I have good intentions for taking you in! But you can't get angry with my boyfriend just because your husband abandoned you!

My boyfriend didn't offend you . Xiao Yang, I am so kind to you

, why do I think that you are not just as simple as quarreling with your husband and being abandoned by your husband?

You are jealous that I found a good boyfriend!”

Alyce’s last two sentences were both With the word boyfriend.

When she said it herself, it came out naturally, and she didn’t realize it.

Xiao Yang, who was arguing, was stunned.

Tong Jianan, who was guarded by Alyce behind him, was also stunned.

He has always been eager to make progress with Alyce, and has always been cautious.

But she never thought that in this specific environment, Alyce could blurt out that he was her boyfriend.

So she’s openly admitting it?

To be precise, in fact, Alyce has long regarded him as his boyfriend.

what!

Tong Jianan burst into joy in his heart.

However, looking back and thinking about it, it was true.

He is only thirty-eight years old this year.

It is well maintained by itself.

With a height of 1.8 meters, he looks like a talented person. Although he is a very greasy person, he has never shown it in front of Alyce.

Therefore, Alyce actually liked him for a long time.

Even, I can’t wait for him, maybe even more than him!

After all, she is a single woman in her fifties.

That desire for a man is not an ordinary desire.

“Alyce...” Tong Jianan’s name for Alyce changed.

He didn’t feel annoyed at all, but comforted Alyce: “Alyce, don’t do this to your friend, I don’t care, as long as your friend can deal with bad anger, I’m relieved, don’t hurt the two of you for me. Personal kindness.

You are good friends.

At this grade, it is not easy to be such a good friend.

Besides, little sister Yang also cares about you.”

His tone was full of sincere consolation to Alyce.

Alyce also sighed, and his anger was relieved a lot.

She calmly said to Xiao Yang, “I know you are in a bad mood, so I forgive you.”

“I don’t want you to forgive me! You really treat my kindness as a donkey’s lungs! I tell you this man is not a good person, not a good person. You don’t understand or what! Alyce, are you so inseparable from a man?

You don’t even think about it, this man is ten years younger than you!

Why does he like you? Does he like

you beautiful?

You are beautiful, but you are old!

There are more girls in this world who are more beautiful than you, but more than half younger than you!

Do you think men like old people?

You are really ridiculous!

You are not only ridiculous, but you are also a nympho!

A nympho!

Chapter 2309

is not sober at all!

The love brain deceived by this man! “

“Enough!” “Alyce flatly stopped Xiao Yang: “You are too much!” “

“Am I going too far?” Xiao Yang sneered and asked Alyce, “Where am I going too far?” “

“Aren’t you going too far?” ! When you divorce your man, do you think the whole world is dark? You are abandoned by a man, first of all you have to find the reason from yourself, you! You are too sloppy in front of your husband, and you rely on your man for everything. After a long time, that man can stand you!

The marriage of the two of you failed, it’s not your ex-husband’s fault!

You, too, have much of the responsibility!

I can understand the pain in your heart!

I treat you as my true friend, and I take you in! Comfort you, let you stay with me at night!

Early in the morning, my boyfriend bought you breakfast!

I care about you so much, but what about you?

You are tearing down my desk!

I’m right, you don’t want to tear me down!

You are just jealous of me!

I’m jealous that I can find such a good man at my age, but you are divorced!

you are jealous of me! “

“Humph!” “Xiao Yang snorted coldly: “What if I’m jealous of you!” I am jealous of you! But not all, I also have a part for you!

You man, you have a problem!

He approached you like this with a purpose! “

“No! “Alyce interrupted Xiao Yang again.

“My boyfriend didn’t approach me on his own initiative!” it’s me! It was me who approached him first. He has always been polite to me and kept a good distance. He didn’t intend to contact me at first, but he lost his job because of me! He didn’t blame me!

Take care of me too!

It was me who told him that everything in my house had been remodeled!

I let him come to my house!

Everything is my initiative!

What’s up!

You are not right at all!

Xiao Tong, he is not the person you said at all!

He won’t be like your husband!

Never!

You are jealous!

Jealousy! “

Xiao Yang was angry, trembling all over: “Okay!” Good, very good, I think you are senile nympho! “

“Go away!” Get out of here now! “Alyce raised his finger and pointed out: “We’re breaking up our friendship!” “

“For this man, you broke up with me?” “Xiao Yang burst into tears.

“That’s right!” “

Alyce grabbed Tong Jianan's arm: "This is the person I want to spend my whole life with, and you want to destroy my happiness, you say whether I want to break up with you!"

Now please get out of my house immediately!

Never step into my door again!

Don't call me! "

"Humph!" Unreasonable! See you! "Xiao Yang picked up the bag and left Alyce's house angrily.

Tong Jianan on the side was extremely happy.

He is happy that in the future, in his interactions with Alyce, the stumbling block of Xiao Yang will be completely eliminated, and their progress will be smoother in the future. distance between two people.

Ha ha!

Straight up.

Tong Jianan raised his arm around Alyce, and said tenderly, "Alyce, I didn't expect that you would be so in love with me."

"You, you, what do you think about me, can you tell me?" Alyce raised his eyes and asked Tong Jianan very sincerely.

Tong Jianan said firmly: "As long as you are willing, I will accompany you to grow old, just..."

He hesitated, half of what he said and half of he stayed.

Alyce asked, "Just...what?"
