

Chapter 231

Charlie wanted to say something, but seeing that Claire was already angry, he could only sullen his face and turned and walked out of the restaurant.

The boss of a small company dared to be so crazy in front of him? Isn't this tired of living? What is it?

Claire was so jealous of him, didn't she know that her husband was the strongest one?

At this moment, Charlie wanted to tell Claire of his true identity so that she would no longer have to worry about the future, and no longer have to be worried and bullied by the small boss of such a small company.

However, when the words came to his lips, he still held back.

Exposing his identity means that he has officially accepted the return to the Wade family, and wants to return to the Wade family to recognize the ancestor and return to the clan.

Charlie didn't want to go back.

Walking to the door of the hotel, Charlie looked up at the upstairs, then took out his mobile phone and made a call to the housekeeper of the Wade family, Stephen Thompson.

"Check for me the details of the Future Company, which customers they have recently worked with, and what projects they have on hand."

Stephen Thompson's respectful voice came from the mobile phone: "Mr. Wade the major clients of Future Company are basically small businesses under the Wade family. They also took a few real estate properties of the Emgrand Group this year."

"Really?" Charlie sneered, and after doing it for a long time, it turned out that this Ping Mei was still a squat who ate food behind his a**.

Charlie suddenly wanted to laugh.

If Ping Mei knew that he was offending his business dad, how would he feel?

Thinking of this, he said to Stephen Thompson: "Help me teach Future Company a lesson."

Stephen Thompson asked respectfully, "Mr. Wade what do you want?"

"Oh, you withdrew all the cooperation with the Future Company, I think this stupid company is not pleasing to the eye."

"Who dares to offend you? Do you want me to let their boss do it directly? Let him evaporate!"

Charlie waved his hand and said with a smile: "Don't fight and kill at every turn. If you kill him, how does he feel the pain? Just let him go bankrupt and not get up for the rest of his life."

"Sure young Master, wait a few minutes, I'll make arrangements."

For Stephen Thompson, letting Future Company go bankrupt was as simple as squeezing an ant to death.

Charlie finished his instructions, hung up the phone, looked upstairs, and found that Claire was still apologizing to Ping Mei, but Ping Mei was proud and did not know what he was talking about. , It is probably cursing Charlie.

He simply sat on the side of the road, waiting lazily for his wife to come out.

On the road, Charlie, dressed in ordinary clothes, was just like an ordinary passerby. No one would look at him for more than a second.

However, he can turn the famous Aurous Hill boss into a pauper with nothing.

Claire had been making plea in front of Ping Mei, and Ping Mei's expression seemed to ease.

Later, Claire accompanied Ping Mei out of the gate, and Ping Mei's burned face was still aching.

He saw Charlie sitting on the side of the road, gave him a fierce look, then turned around and said to Claire, "Clai, for your sake, I will forgive your Rubbish husband once, and I will do it tomorrow night. I invite you to dinner and talk about cooperation."

On the surface, if he had nothing to do, it was just to please Claire's favor, but his heart was still burning with anger.

If it hadn't been for Claire's apology just now, he would have wanted someone to come over and destroy Charlie on the spot!

However, Ping Mei didn't plan to punish Charlie, he just wanted to let him go temporarily, and when he got Claire tomorrow, he would find someone to abolish Charlie!

Charlie walked over and said to Claire: "Wife, let's go home, there is nothing to talk about with this kind of b@stard who is about to go bankrupt, let alone give the deals like cooperation."

Ping Mei's face changed slightly, and he said coldly: "Boy, you really f*cking want to die, saying that I am going bankrupt? Believe it or not that I will kill you in minutes? The reason why you are still fine now is entirely that I gave Claire Face!"

Charlie sneered, and slapped his hand over.

"Snapped!"

Chapter 232

Ping Mei was stunned, covering his face, and then shouted angrily.

"Rubbish! How dare you hit me?"

Charlie sneered, "What's wrong with hitting you? If I hit you, you have to bear it!"

After speaking, he raised his hand and slapped him again, and his cheek was swollen high.

Although Claire was also a little disgusted with Ping Mei, seeing Charlie slapped him twice in a row, she was still a little worried, and hurriedly said, "Charlie, what are you doing? I'm telling you, don't you just do it with others?"

What she worries about is not her own cooperation, but whether Charlie will be retaliated by Ping Mei. After all, Ping Mei is also a big boss with a surname. How can he swallow this breath after being beaten?

Sure enough, Ping Mei became irritated and completely exposed. He pointed to Claire and said: "The surname is Willson, your husband's debt will be paid today, I will kill him! Let him disappear completely from the face of Aurous Hill!"

When Claire heard the words, she said angrily: "You are shameless!"

"Shameless?" Ping Mei snorted coldly: "Don't think I don't know, the Willson family has already swept you out. Do you think you are from Willson family? I tell you the truth, I Ping Mei stomped my foot in Aurous Hill City. It can kill your whole family. If you don't want any accidents in your family, you'd better kneel and climb on my bed. If I am happy, I can barely forgive you!"

Claire trembled with anger, and said sharply, "Ping Mei, you are a b@stard!"

"I'm powerful, what's wrong with shamelessness?" Ping Mei said shamelessly.

Charlie stood up and said to Ping Mei: "The Mr Mei, you are already bankrupt, so if you are powerful, you should save the time."

"What did you say!"

Ping Mei was taken aback, completely unresponsive.

He was about to shout when his cell phone rang.

Ping Mei didn't want to answer, but the phone rang like a reminder.

Ping Mei gave Charlie a fierce finger and picked up the phone impatiently.

"Hey, what's the matter"

"Mr. Mei, it's not good! The shareholders of the company that was supposed to cooperate with us suddenly withdrew all our cooperation!"

"What!" Ping Mei's face changed drastically, "I will call Jingcheng immediately."

"Wait a minute, not only the Beijing side withdrew the cooperation, but also the Emgrand Group, which has a long-term cooperation with our company, suddenly canceled all cooperation. In addition, Mr. Zhao, Mr. Li and Mr. Thompson all canceled the contract."

Ping Mei held the phone and was too surprised to speak.

But the voice in the phone continued.

"At present, four companies have called and asked Future Company to pay huge liquidated damages."

"Mr. Jones from the Finance Department called and wanted to recover the 280 million engineering loan and transfer the account within tomorrow, otherwise they would go through legal procedures and seize the real estate under construction."

“Also, the heads of China Bank, China Construction Bank, Industrial and Commercial Bank, and Agricultural Bank of China all called to collect debts. We must settle all previous loans by noon tomorrow, or else they will auction off the company’s assets.”

Ping Mei was sweating profusely, his face was bloodless, and layers of cold sweat soaked his shirt.

Is this world crazy?

Or is he having nightmares?

How come all the unfortunate things all of a sudden happen to him at once?

All of them are like an appointment!

What’s the matter?

what the h*ll is it?
