

PUNISHED BY HIS LOVE

Chapter 2312

In Alyce's anger, there is a very obvious desire and dissatisfaction. That kind of anger really has a kind of stabbed to death a feeling of.

Tong Jianan was also so annoyed.

But seeing Alyce getting so angry, he also became calm: "Alyce, who is it?"

"It's still her! This crazy woman! I shouldn't have taken her in! I'm bringing wolves into the house, I'm the farmer and the snake. Ah!"

"It's her again? Xiao Yang?" Tong Jianan's anger also came up immediately!

What the hell is this called!

Obviously, he and Alyce are progressing extremely smoothly, and there is no gap between the two, which means that it is a matter of course! But how could such a crazy woman be killed!

"Jianan, what should I do? Let's call the police and arrest this crazy woman! I'm so mad at her! I don't want to go out and open the door for her! I'll call the police!" Alyce immediately wanted to call the police.

"Don't, don't, don't, don't, don't. Don't." Tong Jianan was the last person who could not see the police. Of course, he couldn't let Alyce call the police.

He held Alyce's hand and looked at her firmly: "Alyce, you don't have to go out, I will handle this matter, I will meet her when I go out, I see what she wants to do!

I think she is nothing more than being dumped by her husband. Now , I feel unhappy.

In this world, there is nothing that can't be solved. If I can't comfort her, I'll give her a sum of money to settle her.

After all, she is your friend.”

Alyce nodded: “Janaan, just like that. You are kind.”

“I’ll go out and have a look. I’ll find a way to make her stop bothering you.” Tong Jianan gave Alyce a firm look.

In fact, when he decided to go out to meet Xiao Yang for a while, he had already made a ruthless plan.

Deceive this little Yang to their gang headquarters and kill this unsightly woman!

Just thinking about it, Tong Jianan went out.

The moment the door opened, Tong Jianan was stunned.

Not only did he see Xiao Yang outside the gate, he also saw Alyce’s father, Mr. Shu.

The general who was once in power decades ago.

Although the old man is over ninety years old, Tong Jianan shudders with his dignity and coldness.

There is no one who is not afraid of the police in their line of work.

Although Mr. Shu is not a policeman, he has fought on the battlefield all his life and has cultivated a stern look. Isn’t that person afraid of seeing him?

“Your name is Tong Jianan?” Mr. Shu asked Tong Jianan with a cold face.

“Old, old man, who are you?” The Tong family Nanming knew Mr. Shu’s status in Nancheng and knew that Mr. Shu was Alyce’s father, but he still asked.

“Don’t know who I am?” Master Shu asked back.

“Old man, I…” Tong Jianan pretended to smile calmly: “I, I haven’t seen you before.”

“Tong Jianan! This is Alyce’s father! The famous Shu family in Nancheng! You can afford it. Tong Jianan, let me tell you, don’t be a toad and want to eat swan meat, Shu family, you won’t let a man like you contaminate their noble princess, you should stay far away!”

Tong Jianan: “... “...” What

a slap in the face!

In this second, Tong Jianan wanted to smash Xiao Yang into ten thousand pieces!

He could hardly control his hatred, but he heard Xiao Yang say, “How about Tong Jianan, let me talk to you alone?”

“Okay.” Tong Jianan sneered.

He turned around and looked at Mr. Shu politely: “Old man, I’m sorry, I didn’t know you were Miss Shu’s father, I didn’t hear Miss Shu say it, so I’ll have a talk with Miss Shu’s friend Xiao Yang first. Tan, you go in first, Miss Shu is at home.”

In fact, he knew that Mr. Shu would not go in.

Because Alyce didn’t let Mr. Shu come in.

Moreover, Tong Jianan and the others have long observed that Mr. Shu would never step into this small courtyard of Alyce.

But even if he knew, Tong Jianan still had to say this.

He had to pretend that he didn’t know that Alyce had a bad relationship with his father.

He was not looking at Mr. Shu, but turned to look at Xiao Yang: “Miss Yang, let’s go.” The

two walked side by side into the distance.

Xiao Yang didn’t say anything at first.

It wasn’t until they walked to the densely populated main street that Xiao Yang suddenly said to Tong Jianan, “Jianan.”

Chapter 2313

“What are you calling me?” Tong Jianan said with great disgust.

“I’ll call you Jianan.” Xiao Yang said.

Tong Jianan: “...”

“I tell you, I’m ten years younger than Sister Shu. I’m more youthful and energetic than her, and... I’ve seen you go to our old age since the first time. When the group was looking for Sister Shushu, I just...”
So

!

I see!

Heck!

It turned out that the woman was also staring at him.

Alyce was right, this woman was jealous.

Not just jealous, this woman wanted to pry him away.

Ah!

Who made him look good and have a gentleman’s demeanor.

However, Tong Jianan really didn’t like her.

“What’s the matter with you?” Tong Jianan’s words were as cold as ice skates left on the eaves in the great winter in Northeast China.

He didn’t even look at Xiao Yang at all.

Xiao Yang didn’t care, instead he pushed himself harder: “I’m younger than her, she’s in her fifties, the one with loose skin, really, Jia Nan, I, I can dance, I can play the piano, I’m no worse than her.

Look at me, how firm my skin is.

I...”

Tong Jianan sneered: "Go to hell!"

Xiao Yang: "What did you say?"

"I'll let you die! Get out of here right now. The farther you get away, the better. I've seen a lot of women like you! Get out!" Tong Jianan didn't show any respect for women.

He did not want to touch human life easily.

Moreover, without full certainty, in broad daylight, he couldn't plan to trick Xiao Yang into their gang's den with sweet words and kill Xiao Yang.

Because in case of failure in the middle, he will be exposed in Alyce.

can not.

At this moment, he could only scold Xiao Yang with a cold face, in front of Xiao Yang to show his affection for Alyce.

"You, you told me to get out? I'm also the youngest beauty in the senior group. I took the initiative to show you a favor because I looked down on you. You pushed me to get out?" Xiao Yang raised his eyebrows and questioned Tong Jianan with gritted teeth.

"Ma Liu, where to die for love, where to die for me!" Tong Jianan was too lazy to care about Xiao Yang.

Xiao Yang suddenly sneered: "Tong Jianan! Don't think I don't know what you think! You are interested in Alyce's family background, right? You think she is rich, right? You don't really love her! What you love is her money.

Otherwise, an old lady in her fifties, I really don't know what you love about her!" Tong

Jianan's eyes radiated murderous intent.

Xiao Yang said that he was thinking!

Fortunately, Xiao Yang just said that he liked her money, but he didn't see that he was actually a liar, a big criminal!

This woman seems to be really getting rid of!

Just when he was about to change his way of dealing with her, Xiao Yang suddenly smiled evilly: “Tong Jianan! I tell you, don’t think about it! Do you know why Mr. Shu knocked on the door today? I told me Mr. Shu.

Don’t worry, Although Mr. Shu can’t get into Alyce’s house, with him around, don’t try to get close to Alyce.

Sooner or later, I will let you know that you will not get Alyce!

I will make your bamboo basket empty!

goodbye!

No, no goodbye!

snort! “

Just like that, Xiao Yang sneered, jumped on a bus, and left.

The rest of Tong Jianan: “...”
