

PUNISHED BY HIS LOVE

Chapter 2314

Tong Jianan can't help smashing the bus.

But, since that day, he has never found Xiao Yang's place of residence.

He wanted to ask Alyce in a side-by-side manner, where Xiao Yang lived, but before he could ask, Alyce said it himself.

"This woman is too much! She has moved! She still owes me two thousand yuan! She has moved! The mobile phone number has changed! I'm really unkind! It's so annoying! I'm

angry

!

No, I want Call the police!

I'm going to call the police now!"

Shu Qin was so angry that tears came out.

It was Tong Jianan who stopped Alyce: "Alyce, Alyce, don't be impulsive."

"How can I not be impulsive! This woman is too much! I treat her as a friend! But what about her? She eats and sleeps at my house, crying, Complaining, I tolerated her.

But what about her? She

turned her face and didn't recognize her! She

still owes me money!

She's a scumbag!"

Alyce took out his mobile phone and was about to call the police.

How could Tong Jianan make her call the police?

Isn't that setting fire to yourself?

"Alyce! Alyce, listen to me! It's only 2,000 yuan. What if she is really short of money?"

You are friends after all, and 2,000 yuan is really nothing.

Right to help him.

No matter what, she was indeed dumped by her husband. She is very poor now.

The reason why she left without saying goodbye, and even changed her phone number, maybe she wanted to say goodbye to the past, and wanted to be alone, why should we call her?

She doesn't want to see you. My own guess is that you are happier than her now. You are beautiful and have a full life.

Well...

and a boyfriend like me is with you.

It's a big thrill for her, you know Alyce.

We have to forgive and forgive others.

Just take it, accumulate virtue, and do good deeds, okay? What she said was especially sincere.

If she hadn't known in advance that he was a liar, Alyce would have believed him all.

She was stunned for dozens of seconds, then looked at Tong Jianan with an expression of admiration on her face: "No I thought that you were so generous and tolerant. I really didn't expect it. "

Why, don't you like me like this?" Do you think I'm stupid? "Tong Jianan asked deliberately.

“No!” I like such a man, generous, responsible, and tolerant, such a man is usually very responsible, I see you right!

Jia Nan, don't worry, if you want to buy a house, I will take out my hundreds of thousands of savings and buy a house with you.

If you want to start a business, I will also support you, in short, fully support you!

I...

I'm going to marry you now. After saying that,

Alyce rummaged through the box to get the deposit slip.

“Alyce, that's not what I meant. Really, Alyce, I won't ask for a cent of your money.” “Tong Jianan firmly rejected Alyce.

When Alyce told Suzi about the process, Suzi couldn't help interrupting his mother: “Mom! Do you really want to give him your 600,000 yuan?”

Suzi knew that her mother was not a big spender.

In the past few years, my mother taught students the piano and sometimes danced and danced in a group, and I could save a lot of money in a year.

In addition, during the festival, Suzi will give his mother a sum of money.

Darius will also give his aunt some money.

So after a few years, it is normal for my mother to have 600,000 on hand.

The 600,000 yuan doesn't matter to Suzi or Darius, but her mother is a self-reliant person. She won't do anything because her daughter, son-in-law, and nephew are all so rich. Relying on daughters, sons-in-law, and nephews.

She has always insisted on saving and spending her own money.

Chapter 2315

When you can't save money, save money.

In short, the material is not the most important.

Thrift is the most important thing.

Alyce also joked with Shen Weiyi from time to time: "The only one, grandma saved a sum of money for you, when you get married, grandma can also buy a decent dowry for you, why does grandma insist on buying a dowry for you?"

Because of you When your mother got married, grandma was not by your mother's side.

Grandma also had no chance to make up for it.

So, grandma just wanted to save money and buy a dowry for my only one." To

save money and buy a dowry for Shen Weiyi, this is what my mother did. something that has persisted for years.

She was even reluctant to buy herself gold and silver jewelry.

Never use a luxury baby, save money for Shen Weiyi.

Therefore, Suzi really wanted to ask, is the mother really going to bring it out to Tong Jianan?

Suzi was surprised by his mother's answer: "Yes! I really plan to give it to him. If he takes the money, he will really go into the fashion business, and he will never have any dealings with those people, and he will never harm others. After thinking about it, I persuaded him to surrender.

Surrendering once killed a mother and daughter because of cheating money.

But..."

When she said this, Alyce shook his head and chuckled:
“Unfortunately, it was counted by me. That’s right. Tong Jianan is indeed extremely greedy.

He doesn’t want my 600,000 yuan at all.

I know that the reason why he didn’t want the 600,000 yuan was that he fully wanted to leave the best impression in front of me, and he was trying his best to want several hundred million! “

“He didn’t want it?” “Suzi was very happy.

“600,000 is not much money for him, because he is all thinking about waiting for my 600 million.” “Alyce said.

“Then what happened later?” ” Suzi made himself a cup of coffee for the mother and the two of them.

The mother and daughter sat at a small leisure table under the eaves. When talking about this, they wanted to tell a story.

Both Suzi and his mother felt extra comfortable and extra casual.

Later...

Alyce took a sip of coffee and suddenly laughed. The coffee almost didn’t burst out laughing.

“Mom, what are you laughing at? Suzi asked inexplicably.

Alyce said to Suzi: “Do you know what Tong Jianan said when he arrested Tong Jianan in that small vegetable garden in my country today? “

“What did he say?” “This really fully aroused Suzi’s curiosity.

” He said, if he had known earlier that he was hooked like this, and he was arrested by the police in the end, he should have asked for my sixty Wan, and then fly away.

At least in this way, he can still earn 600,000.

It's a pity that he was so greedy that he ended up sending himself to prison. “

“Haha! Hey mom, this is ridiculous...” Suzi laughed, the coffee almost sprayed on his mother's face.

But his mother sneered: “It's a pity, he doesn't know, if he wants to cheat For my 600,000 yuan, I will let him not get even half a dime. This was originally a tactic designed by me and Officer Yang.

Little by little he led him into the trap. “

“Mom, hurry up and tell, me what's next?” Suzi became more and more interested in the story of his mother catching the thief.

“Later...” Mother fell into memory.

That day, when she wanted to take her 600,000 deposit, Tong Jianan wouldn't let her take it, her expression was so sincere that Alyce was even more fond of him.

She looked at Tong Jianan affectionately: “Jianan, today... can I not leave?”

Tong Jianan nodded immediately: “As long as you want.”

He couldn't wait!

Can't wait.

“Our first day... can we put it in the house...” Alyce was halfway through and was immediately interrupted by Tong Jianan.

He grabbed it and said, “Flowers! There must be no flowers missing at home today! Alyce, don't worry, I'll go out to pick them now, and I want all the freshest ones.” While

speaking, Tong Jianan quickly walked out.

As soon as he went out, he received a slap in the face.

Tong Jianan, who was in pain, scolded: “Who is courting death! Beating people in broad daylight!
