

# PUNISHED BY HIS LOVE

## Chapter 2318

The

old man's words are very clear.

He allowed his fifty-year-old daughter to fall in love, but he would never tolerate a man cheating on his daughter's feelings and hurting her heart.

"I will never hurt Alyce's heart." Tong Jianan once again showed his determination to Mr. Shu.

Mr. Shu smiled coldly: "So, three years! In three years, if you can persevere, I will believe you!"

Tong Jianan: "..."

At that moment, he really wanted to kill Mr. Shu.

However, he does not have the ability, nor the courage.

Unless he doesn't want to live anymore.

"Three years, don't worry! It must be three years! No no no! Don't say three years, it is five years, even if it is a lifetime, as long as it is good to Alyce, I will do it!"

"You better live forever! "Master Shu dropped those words, turned around, and left.

When he walked to his car, he turned around and said to Tong Jianan: "I'm getting old! I'll be ninety years old soon. I've been ups and downs all my life, and I was once young! When I met Alyce's mother, She is already in her forties.

Where is Alyce's mother? She was

not yet thirty years old at that time!

Seeing that I am a real conqueror, she could easily fall in love with me.  
Ask yourself, where was mine

at that time?

The first time I saw Alyce's mother, she saved my life, and because of  
that time, I made Alyce's mother my daughter.

Just ask, if Alyce's mother was a fifty-year-old woman at that time.

I might prefer to be captured alive by the enemy and beaten to death.

I also won't let Alyce's mother be my daughter.

Because I can't do it!

Because of disgust!

It's not that I bury our men!

Men all over the world are a virtue!

Only like the young, who would cherish the old?

Wife can!

Because the ups and downs have gone for a lifetime.

What about other women?

Did you and Alyce come from when we were young?

no!

You know Alyce, and it adds up to a month, just a month!

young people!

My little Sheng is over fifty years old!

It would be a good thing for her to meet her love in this life.

but!

I wish she could not meet her own love, and I don't want her heart to be broken!

She is in her fifties and can't be hurt anymore.

Moreover, she is a person who is extremely sympathetic and righteous. If her heart is broken, it is possible that her life will be lost!

no, you understand!

So you'd better treat her straight for the rest of your life!

Don't try to touch her!

Don't say a lifetime, just three years. I think it's possible for my old man's body to burn for another three years. If you can treat her as good as always within three years, I will consider letting you both get married!

That's what it means! “

The words must be said, Mr. Shu got into the car directly, and the driver started the engine.

The car left like an arrow.

The rest of Tong Jianan was alone at the door, stunned for a long time.

He could feel that the deterrent of the old man was very powerful.

As long as there is a little mistake, not only will he not be able to defraud Alyce of money, he will really die.

This afternoon, after Tong Jianan returned to their gang's den, he told the other members of the gang to retreat.

“This is not a very lucrative business. The father of the old woman is watching closely. Although he is almost ninety years old now, it is not bad that he is a good person, but his deterrent is very powerful. Not only the

old man.

There is an old woman's daughter and son-in-law, and no one in the entire South City can match.

## Chapter 2319

We lie to such an old woman, if you are not careful, your life will be lost! “

The boss of the gang sneered: “Afraid?”

Tong Jianan: “Aren't you afraid?” “The boss of the gang immediately said: “Afraid!”

Tong Jianan sneered: “That's incredible!” “

” But since ancient times, wealth and wealth have been sought in danger! I know her son-in-law, who was an illegitimate child back then! Back then, the Fu Group didn't even have a dime for him, but they still used the bombing as bait to take the Fu Group into their pockets! “

Tong Jianan: “...”

“And her father, you heard her father say today that when he was fighting abroad, it was a life-and-death experience. It was a good life after death. , it was a woman who saved him!

This woman saved him, but instead, he ate this woman and wiped it up!

I have never married this woman in my life.

I haven't recognized my own daughter for most of my life!

If he really found out in his conscience when he was young, let his woman live a better life and bring his daughter home, would there still be Alyce who lives alone and refuses to recognize his father? “

Tong Jianan had to admit: “This is true. “

“Alyce!” What a pie for us, living alone! No husband! Bad relationship with father! Daughter and son-in-law are usually very busy with life

and work! She is a 50-year-old woman who loves playing and dancing. She is not of the same age. Can she not be alone!

We just need to catch her for that.

We can take all her assets in our pockets!

Mr. Shu is powerful and covers the sky with one hand, but can his hand cover abroad? “To

get the half of her property, all of us have settled abroad, and each of us has hundreds of millions of dollars in our hands. What kind of beautiful girl do you want, can't you have it?

Let me tell you Jianan, it's over the limit. The village, this store is gone.

We have been in the business of cheating and abducting for so many years. This is the first time we have encountered such a large order.

It is a pity to give up.

At least now, Mr. Shu does not know that we are liars.

I'm just worried about his daughter's emotional damage, but he's also in a hurry.

Because her daughter won't even let him in.

What do you

care about! Be careful!

There's nothing!” The

gang leader said something, offset the worries and fears in Tong Jianan's heart.

He was reluctant to let it go.

Seeing that the fat is about to get into the mouth, who is willing to let go?

From that day on, Tong Jianan, under the supervision of Mr. Shu, did not dare to touch Alyce even a hair.

Alyce gave him various hints.

He was extremely itchy.

The itchier, the more he couldn't eat it.

That worry is simply tormented to Tong Jianan.

He is a man in his forties. He used to be every three to five, and he never lacked women. Now, he is doing well, and his life is just like the one in the temple.

If you can really cultivate like a monk, you can at least make yourself calm.

But he can't.

Because Alyce acted coquettishly at him every once in a while.

Almost every day, she wants fresh flowers at home. She is a very elegant woman in very romantic life. Tong Jianan must keep up with Alyce's pace.

In a few days, the greasy look on his face, the sweet talk, was exposed in front of Alyce.

Alyce naturally knew it.

Tong Jianan couldn't see his exposure, because that was his nature.

Once his nature was exposed, he became even more anxious.

Because he was in a hurry, occasionally, he would carry Alyce to date, get drunk, etc.

This is also the reason why Arron met Tong Jianan in a restaurant once because he was agitated.

Ren Tongjianan's entire gang never imagined that all of this was a tactic used by Alyce and the police to unite.

Alyce is protecting himself from being violated by Tong Jianan, and at the same time allowing Tong Jianan's gang to expose themselves, become restless, and lose their temper without knowing it.

“According to our plan, it may take a while for Tong Jianan's group to be arrested, but because of your forcible intervention...” The mother looked at Suzi gently and said.

Suzi was stunned for a moment: “Because of me?”
