He fell to the ground.

The handcuffs knocked on his teeth, knocking out his front teeth.

Alyce, who stood up calmly, looked at Tong Jianan: "Do you think that I practice dancing every day and exercise every day for nothing? Then I forgot to tell you, I used to beg for food, and I was a homeless woman for many years. What kind of wild dogs, stray wild men, etc.

When those wild dogs bite me, my best ability is to run or hide.

When those stray wild men want to take advantage of me, I will fight them.

I I 've never lost.

Fight with me!

I'm sorry, you still owe your teenage years!"

"Liar! You liar! I'm so good to you, I put all my energy on you, so it turns out You actually lied to me!" Tong Jianan still said that.

like a neurosis.

In everyone's heart, they will ignore their own mistakes and attribute them to others. This is human nature.

Especially someone like Tong Jianan, who was caught and faced sentence and death.

So, at this moment, he went mad and hysterically yelled at Alyce.

He didn't even think about it, he approached Alyce in order to deceive Alyce.

He himself is right to deceive.

It is his grievance that others lie to him.

Because during this period of time, in order to maintain his relationship with Alyce, and to gain Alyce's trust, he really paid a lot.

"Tong Jianan! Be honest!" The police spoke at this time.

Two of them restrained Tong Jianan, and after one person was carrying some physical evidence, they had to take the group away.

"Alyce, you damn liar!" Is Tong Jianan still in his mouth?

"Can you wait a moment?" Alyce wrote to the police.

As for solving this case, Alyce, a natural person, helped a lot, so the police were very polite to Alyce: "Ms. Shu, what do you say?"

"I want to say a few words to Tong Jianan." Alyce said.

"Okay."

They held down Tong Jianan and asked Tong Jianan and Alyce to face each other.

"Tong Jianan!" Alyce shouted: "If I don't lie to you this time, then now, at this moment, I should have been kidnapped by the five of you, and asked my dad for money.

Besides, the money you asked for The number is more than tens of millions, right?

What you want should be half of the Shu family's property, right?

Tell me, what kind of behavior do you call?"

"I used love for you!" The Tong family said something else.

Alyce sneered: "Have a relationship? I want to ask you, in this life, how many women have you had a relationship with? Is it true that as long as a woman who has been touched by you will die tragically at your hands?"

This is yours. Emotional?"

"I've never been in love with others! Only you! Really, I've only been in love with you, and I've only done it this time!" Speaking of this, Tong Jianan's eyes actually had some hope.

"Alyce, you...give me a chance to reform?"

I will repay you as a bull and a horse in the future, okay?"

Alyce..."

"Give you a reformed one. Opportunity?" Alyce asked back: "Then who will give a chance to the mother in the hospital who is waiting for the money to treat her daughter?"

That mother will die if she dies, and she is the man she trusts and shouldn't trust. But

the eighteen What about the girl in the festive season?"

She's only eighteen!

She's sick and waiting for money to save her life.

Her mother's got her money. She's got

the money!

The line of death is drawn back!

How important is it to an 18-year-old girl to be alive!

And what about you?”

Alyce gritted his teeth angrily and looked at Tong Jianan: “You bastards! Animals! You even cheat for such money! Hundreds of thousands! A girl’s life withered on the spot.

Chapter 2327

A mother who was less than forty years old died of hatred like this!

Tong Jianan!

You, a man with so many sins on his back, tell me that you are sincere to me?

Tong Jianan couldn’t say a word.

He was sluggish, like a man who was about to die.

After a few seconds, he said bleakly: “You may not know that I am true to you. ” Sincerely moved. I’ve never really had any real feelings for any woman I’ve cheated on.

But I really love you!

I really once thought, I want to live with you, but I can’t help myself in the arena. This gang of mine has been together for so many years, and we are tied together.

We can’t divide.

However, I really understand the truth about you!

I send you flowers every day!

I make you breakfast, and I help you fix your appliances.

I go to you every day, watch you dance, watch you play the piano, I am in love with you! Speaking of

this time, Tong Jianan actually choked up.

His eyes were red and his

expression was extremely aggrieved.

After a long sigh of loss, he continued: "If it wasn't because I knew the truth about you!" Maybe the way we kidnapped you was a hundred times more rude!

It is also possible that you have already been divided up by several men!

They won't let you go!

It's all because I'm blocking you!

I'm afraid you will be hurt! "

"Very aggrieved, isn't it?" Alyce asked with a smile.

"Of course!" Tong Jianan said loudly.

"Tong Jianan, because your initial thought was that you were very cruel and ruthless towards me. You planned to not only ask for my money but also to spoil me with so many accomplices. In the end, you had to let me die without a corpse! But halfway through, you changed your mind, and you felt pity for me, and you wanted to be gentler on my deceit, robbery, and persecution.

So, just let me thank you,

right?

Tong Jianan: "I..." Shu

Qinsheng sneered: "If you are not sentenced to death, there is no reason for God!" Saying it ,

Alyce turned around and went out with Xiao Yang.

Tong Jianan, who was behind the rest, was in great pain: "Lost! Lost! Blame me! It's my fault that I'm not cruel enough! Woohoo..."

While crying, he looked at his slumped accomplices: "And you! Too greedy! If we are short-term and quick, and make a quick decision, at least I can deceive tens of millions!

But you, you have to be big!

Don't be big!

Now, play with yourself!

Woohoo..."

A man with no humanity, eh, bottom line cried, he was very disregarding his image.

But at this moment, he was crying, and it was useless.

Tong Jianan's group was beaten by a group The policemen with live ammunition were escorted out of Alyce's campus. Alyce was accompanied by Xiao Yang and another female police officer and followed.

That is, at that time, Suzi and Galia had already come to the main road outside the courtyard.

Seeing that Alyce came out safe and sound, accompanied by the police.

Suzi's hanging heart also fell.

Unexpectedly, these things happened to my mother here for a while.

"Mom! You have become a great national hero. Are you not afraid of dealing with such a group of heinous people?" Suzi leaned on his mother's shoulder and asked in an adoring tone.

Alyce shook his head: "I'm afraid too, but when I think that I'm in my fifties, who am I afraid of?"

There's another reason..."

Alyce paused after half the words.

At this time, there was a sudden knock on the door of the courtyard, and the mother and daughter got up and came to the door.

"Who is it?" Alyce asked.

“I’m... Dad.” Outside the door, it was Mr. Shu’s cautious voice.
