

Chapter 233

After being hit one after another, Ping Mei sweated like rain. He couldn't even stand firmly and had to hold on to the wall with his hands.

Claire didn't know who he was calling, but after seeing Ping Mei actually answered a call, her expression suddenly changed, as if he was about to suffer an emergency, she couldn't help but wonder.

"Charlie, is Ping Mei suddenly ill?"

Charlie said with a faint smile, "Maybe, he has a brain disease, and he can't even remember what he is."

The secretary's panic and crying sounded from the phone, but Ping Mei couldn't hear him clearly. There was ringing in his ears, and his mind was full of what Charlie said just now.

"You are already broke!"

Ping Mei was in a cold sweat, raised his head in horror, and stared at Charlie firmly.

Could it be that he didn't know the prophet?

He is really broke!

Ping Mei slumped down the wall, desperate.

Charlie gave him a cold look and said to Claire, "Let's go."

Claire didn't know what was going on with Ping Mei, but she didn't want to look at this person anymore and turned around and left.

At this moment, Ping Mei suddenly woke up, suddenly raised her head to look at Charlie!

Suddenly she climbed up and rushed to Charlie's back.

Just when Charlie was about to get in the car, Ping Mei rushed over, his eyes were blood-red, he was panting hard, his eyes fixed on him.

Ping Mei's crazy appearance made Claire nervous, and she subconsciously took a step back to Charlie.

"You did it, right? You did all of this, didn't you?"

Ping Mei stared at Charlie and asked in a panic.

Charlie glanced at Ping Mei, and said blankly: "Get out!"

The tone is simple and neat, just like berating a dog.

The crowd looked at each other!

Oh God!

Isn't this the famous Mr. Mei?

This young man dressed like a passerby, dare to call Mr. Mei in public?

Doesn't he want to mix in Aurous Hill City?

however

Just in full view, Ping Mei suddenly thumped and knelt in front of Charlie, and said with a weeping face: "Mr. Wade, I was wrong! Please, let me make a living."

There was silence around, and the crowd couldn't believe their eyes.

Ping Mei, the famous construction giant in Aurous Hill City, actually kneeled in front of a passerby!

Even Claire was stunned, completely unexpected that Ping Mei would kneel to Charlie.

"Mr. Wade, I should die and shouldn't play Claire's idea! I was wrong, I repent, I will never do it again in the future, please give me a way of life, don't play me to death."

As Ping Mei said, he slapped himself fiercely, making it loud and clear.

Charlie's face was expressionless, watching him slap a dozen slaps, his mouth was bleeding, and he said faintly: "Mr. Mei, I don't know what you are talking about."

"Mr. Wade, once the Future Company goes bankrupt, not only will I not have a penny, but I will still have hundreds of millions of debts that cannot be filled, and I will not be able to pay it off in my next life!"

Ping Mei knelt on the ground and pleaded, without the demeanor of a successful person.

All this happened too suddenly, and it was too coincidental!

Charlie said that he was "bankrupt," and Future Company will usher in bad luck one after another, and it will definitely go bankrupt tomorrow!

Chapter 234

All this seems to be a coincidence, but how can there be such a coincidence?

Ping Mei vaguely felt that what happened must be related to Charlie, so he didn't care about face and knelt in public.

Claire didn't know the content of the call, and couldn't help but said in surprise: "Ping Mei, isn't your company doing well? Besides, what does your bankruptcy have to do with Charlie?"

Ping Mei knelt on the ground and said, "Sister Claire, I offended you just now, and I confessed to you! Just now the company called to say that the customer was canceled, the cooperation was withdrawn, and the bank was collecting debts. I really have no way to survive."

Claire was stunned for a moment, and said, "I think you made a mistake, Charlie doesn't have such great power."

Charlie also said lightly: "Ping Mei, everything in this world has cause and effect. It's useless if you ask me, please reflect on yourself."

After that, he took Claire into the car.

When Charlie drove the car away, Ping Mei still knelt on the side of the road blankly.

The crowd around him gathered more and more, all of them looked at him with surprise and kept whispering.

But Ping Mei can no longer take care of it.

From tomorrow on, he will become a beggar on the street from a highly successful person!

No, not even a beggar!

Not only would he have no money, he would have to pay hundreds of millions of liquidated damages!

The phone was still ringing, and the assistant's flustered voice came.

"Mr. Mei's phone call from the usury company said that the interest rate will be increased by ten points, and the debt will be collected tomorrow. If you can't pay the money, just chop off your right hand."

"Mr. Mei, the landlord of the office building we rented called and said that the rent will be increased by 20 times. If you don't give it, they will tell you to move out before tomorrow!"

"Mr. Mei"

The phone slipped from Ping Mei's hand to the ground, and he knelt on the ground with a dull expression.

Suddenly, Ping Mei screamed wildly: "Oh my God, who the h*ll am I offending!"

He slammed his hands on the ground frantically, and at the same time knocked his head on the ground with smashing blood out.

Ping Mei couldn't bear the huge blow and suffered a nervous breakdown. He foamed at the mouth, rolled his eyes and fainted.

Charlie drove the car, his face calm.

The more Claire thought about it, the more she realized something was wrong, and couldn't help asking: "What did you do to Ping Mei, he was afraid of you, why?"

Charlie said lightly: "I didn't do anything to him. I have been waiting for you outside. How can I do anything to him? It is estimated that he has offended too many people. Others don't let him go."

Claire thought about it, and dispelled a lot of suspicion. Maybe it was Ping Mei who had offended some powerful person, but he put the account on Charlie.

Thinking of this, Claire felt angrily and said, "This Ping Mei is really shameless. He deserves to be bankrupt."

Charlie smiled calmly.

It was indeed Ping Mei who deserved it. He provoked him, and bankruptcy was the best outcome, otherwise he would led such people evaporate.

Claire sighed softly and said: "It seems we still have to find a partner again and see if we can talk to the studio about business."

When Charlie heard this, he prepared to say hello to Doris, and asked Emgrand Group to give his wife more orders.

When the two returned home, Claire was still talking to Charlie about her next development plan for the studio.

But as soon as the two entered the house, Jacob rubbed his hands and walked forward. He glanced at the two with an awkward look and said, "Claire, your mother asks you to return to work in the Willson Group tomorrow."

"What?" Claire was stunned.

Charlie frowned and said, "Didn't you draw a clear line from the Willson family?"

"Oh!" Jacob looked embarrassed, and said helplessly: "Your mother doesn't know what kind of ecstasy soup was poured into her, so she is focused on Willson family, so"

Before Jacob finished speaking, Claire said angrily to Elaine: "Mom, the Willson family bullied my dad and wanted to take Charlie's villa. Why should we go back?"
